

## Thank you 3161

Chapter 3161: Do you still want me? 4

lin sisi was in a daze again. after a long time, she shook her head.”No, I’ll get someone to pick me up.”

gu ze sneered. ” i’m thinking too much. someone did come to pick miss lin up. ”

he said very indifferently,”it’s lao bai, right?” When you’re with him, you should also weigh your own weight. Do you think he’s just an ordinary person? his older brother is ye mulin. do you know who his father is? if you don’t know who else is surnamed ye, you can ask your father! i don’t want you to be toyed with without even knowing what’s going on. ”

” president gu, you’re thinking too much. we’re not related to each other in the first place. whoever is true to me and who is playing with me has nothing to do with gu ze. ” she stepped back again, her back against the door, and laughed in a daze.”yes, it has nothing to do with me anymore.”

She lowered her eyes and muttered in a voice that only she knew, ” “i’ve already used all my strength to love you, but you still don’t want me.”

She didn’t cry because she felt that it wasn’t worth it.

...

many years ago, she had been abandoned by a man. she had chosen to take revenge on him and hurt herself.

Many years later, she was abandoned by the same man again. This time, she chose to take a step back.

This was good.

in fact, she had a lot of responsibilities on her shoulders. she couldn't make herself too terrible for a man. if she did, she wouldn't be the only one who would be ruined. her parents, who were closest to her, would be ruined.

In fact, she had no right to be sad. Even if she were to cry, she had to hide it and be careful in the middle of the night.

she finally looked up at him and looked into his soul-stirring eyes. she said in a low voice, Mr. Gu, future Mrs. Gu, I wish you happiness.

She turned around, opened the door, and left.

This time, she would leave forever.

Because she was ready to let it go.

there was no one who couldn't let go. no matter how painful it was, they had to let go, because it would be more painful if they didn't let go.

she didn't want to be in pain anymore. it was too painful to love someone.

She didn't want to spend those painful nights alone again.

She let go of her hatred, and at the same time, she let go of the love she once had for him. She was like that small dirt bag buried in the backyard of the villa, buried and forgotten.

The door closed quietly.

wen xinya looked at gu ze's expression and said softly, "I'll get the nurse to bandage your wound."

"get lost," he said. "don't make me say it a second time." gu ze's voice was very soft. "otherwise, your father's days in prison will be even worse."

wen xin wanted to say something, but gu ze raised his voice again. ” “Get lost, did you hear me?”

Wen Xinya pursed her lips and gritted her teeth.”Alright, I’ll go.”

however, as soon as she walked out, she heard banging sounds coming from inside.

Gu ze smashed everything that could be smashed in the ward, and the result was that his slightly fractured hand became a fractured bone.

The lights in the hospital’s operating room lit up again because a certain willful patient was really too uncooperative. If the surgery was not done properly, her hand would be crippled, Yingluo.

However, no matter how angry he was, the girl who came to ask him ” Gu ze, do you still want me ” had already walked out. She walked on the street alone. She looked at the dim neon lights on the street and cried loudly for the first time like a lost child.

she lay there, ignoring the gazes of the pedestrians on the side of the road, ignoring the people pulling and tugging at her, and cried sadly like a child.

Because love was gone.

The night sky in C city was drizzling gently. It was autumn and the rain made her wet, but she didn’t care at all.

In the sky, an umbrella was opened. The umbrella was very big, and the fingers holding the handle were very beautiful.

the umbrella’s owner gently pulled her up and held her in his arms. he sighed.”Sisi,”

Chapter 3162: Treat me as him, one last time (1)

She looked up from his arms, wanting to see him clearly.

however, he held the umbrella with one hand and pressed her head with the other to prevent her from looking. his voice was deep and slow.”Don’t look, just treat me as him, one last time”

Lin sisi laid on his shoulder and bit down hard.

Soon, she tasted blood and her teeth loosened.

however, that person’s fingers were caressing her hair so gently, and his voice was also extremely low and gentle.”If you want to cry, cry.”

that night, she was taken to a suite by him. she was crying unconsciously, and the wet clothes on her body were changed into a bathrobe by him. she lay on the bed and cried silently. that man sat on the floor with his body turned sideways and his head was next to hers. he sang very well, and he told her a lot of jokes. he also said that it was rare for an old man like him to fall for someone.

...

the night rain slowly stopped.

The night sky outside was dark blue with a few bright stars.

Lin sisi tilted her head and looked on quietly. old Bai, it’s almost dawn.

the man’s fingers gently brushed the hair on her forehead and whispered, ” you can call me Mubai, or ye Mubai. Anyone can call me old Bai, but you.

She turned her head to look at him again.

under the dim light, he was really handsome, but he didn’t sleep all night, so his eyes were bloodshot and he looked a little tired.

Lin sisi looked at him and pursed her lips. why? ” she asked in a hoarse voice.

His gaze fell straight on her small face, and there was a hidden flame in his eyes. you don't know? ”

she shook her head, her eyes still fixed on his face.

ye mu bai lifted his body and kissed her gently on the lips for only two seconds.

“the first time i kissed you doesn't count when i was shooting an advertisement.” “Do you hate it when I kiss you?” he smiled.

her gaze fell on his face, and after a while, she shook her head. then, she lowered her eyes.”You're not right.”

Her eyelashes trembled and her petal-like lips were tightly pursed. She seemed to hesitate for a long time before she slowly opened her eyes and looked at him. ” ye mu bai, i was raped when i was in new York, and i even miscarried my child. i can't have children anymore, and my little finger has lost its hanhan. ”

She raised her hand and showed it to him. She smiled gently, but there were tears in her eyes. ” look, ye mu bai, my past is so terrible. i'm really not the good partner that you've finally fallen for. even if she's a little uglier or a little older, she's still a hundred times better than someone like me, really. ”

She pulled his hand over and placed it on her heart without any fear. Her eyes were mournful like a dying little beast. there was a person here, and now it's broken. You're so good, it doesn't deserve you.

ye mu bai had been letting her do whatever she wanted tonight. he would do whatever she wanted. even if she said that she did not accept him, he would not force her. this was the love that belonged to an old man. it silently seeped into her life like the wind and rain. it was impossible to guard against.

“I'll try to be moved again.” he smiled gently but did not pull back his hand.

just like that, he placed it on her heart.

lin sisi was too tired. she was so tired that she fell asleep while hugging his arm.

after a long time, ye mu bai gently climbed onto the bed and lay beside her. he knew that he was forcing himself on her when she was at her weakest. perhaps it would help her get over it and forget gu ze faster.

However, he wanted to cherish her, and he was not willing to do that.

Chapter 3163: treat me as him, one last time (2)

When Lin sisi woke up, it was already half past nine.

the space beside her was empty. ye mu bai had already woken up.

Even though he wasn't lying on the bed, Lin sisi still felt something. The pillow next to her had sunk in slightly, and the blanket next to her was warm. It was the body temperature of a man.

She bit her lower lip, knowing that he had slept in the same bed as her last night.

As for whether he had done anything, Lin sisi did not think about it. If she suspected a man like ye mu Bai, then there would be no upright gentleman in this world.

She was a little dazed and thought of what he said last night. He said that it was rare for him to be moved after so many years.

...

she believed it, but she didn't dare to accept it.

back then, gu ze also said that he liked her and said so much before she got together with him. that was why she was willing to go to C city, a place where she had no acquaintances and had to wait every day.

she felt that it would be better to live alone in this life.

Just as she was thinking about this, ye mu Bai came out of the kitchen. His body was fresh and clean. He leaned against the door and smiled.”This suite has everything. I made breakfast. Do you want to eat? i didn’t know what your tastes were, so i prepared both chinese and western food.”

“it’s my first time making breakfast for a girl, so you have to do me a favor,” he added.

Lin sisi looked at him and then looked around. Ye mu Bai seemed to have thought of something.”The clothes are in the bathroom. I asked my assistant to get them from Xiao Hong.”

“Thank you,” he said. Lin sisi bit her lip. She wondered what kind of rumors were spreading about her relationship with ye mu Bai.

However, on second thought, she did sleep on the same bed as ye mu Bai. Only they knew whether they did it or not. Other people liked her.

she forced a smile and jumped out of bed to go to the bathroom.

Ye mu Bai looked at her bent waist and smiled faintly. He then turned around and walked into the small dining room.

Lin sisi came out after changing her clothes. She had also brushed her teeth and washed her face. She sat opposite ye mu Bai and smiled embarrassedly.”I slept a little late. Director Cheng is probably going to get angry, he must be regretting using me. ”

“i called to tell you that you had an emergency.” ye mu bai smiled.

“You’re not honest,” Lin sisi glared at him.

“I’ve never said that I’m an honest man, but Yingluo can be considered a gentleman, right?” When he said this, he looked at her with a smile. Lin sisi understood what he meant, so she lowered her head and said nothing.

ye mu bai smiled again. ” alright, hurry up and eat. the shoot is going to end in two days. even if we’re not in a hurry, we still have to take care of your aunt. she’s waiting to see her lawyer. ”

Lin sisi acknowledged him and took the Chinese breakfast he handed over.

when he saw that she was drinking peacefully, he said unhurriedly, ” we have a gathering every month and we have Chinese food at home. There’s no foreign taste and we don’t allow it. This is a good habit of yours.

“why are you bringing this up?” she asked, her eyes widening.

it’s nothing. It’s just that it’s not easy to see my brother. He’ll only be back for two days for the family gathering in two days. I forgot to tell you that he’ll be in the United States these days. “So, if you want to see him, you’ll have to come home with me,” ye mu Bai said calmly.

He admitted that he was a little despicable, but if he pursued a girl, especially a girl with a heart of stone, he would probably never be able to get her in his life if he only gave her flowers every day.

ye mu bai had never fallen for her, but that did not mean that he had no eq.

Chapter 3164: treat me as him, the last time (3)

After ye mu Bai finished speaking, Lin sisi looked at him with a pure gaze.

He looked at her and chuckled. “Alright, I was selfish. if we meet outside, i’ll treat you.”

lin sisi retracted her gaze and continued to eat her breakfast in a refined manner.

When ye mu Bai saw how submissive she was, he wanted to touch her hair, but he decided against it after some thought.

the two of them quickly finished their breakfast and left the hotel together.

however, to their surprise, there was a group of reporters blocking the entrance of the hotel, pointing their guns at them.

...

Ye mu Bai, who was used to such scenes, was also stunned for a moment. He sighed. "you're not even wearing sunglasses, admit it!"

Lin sisi was completely stunned. She turned to look at him. "What did you just say?"

"Between admitting to a relationship and playing one leaf love, which one do you choose?" "We can't deny it now," ye mu Bai smiled bitterly.

Lin sisi was still looking at him, but an arm was already wrapped around her shoulder. Her small body was in his arms.

she was shocked and wanted to turn her head to look at him, but he pressed her head down.

"Sisi, just look in front." also, " he whispered, " you don't have to say anything. Just nod, okay? "

Lin sisi didn't say anything. He said in a low voice, " "Then I'll take it that you agree."

Ye mu Bai looked at the reporters around him and smiled as he walked toward the car in the parking lot.

the reporters swarmed up, naturally not letting go of such an opportunity-

"Mr. Ye, have you and miss Lin sisi really decided to be together?"

when did you two start interacting? was it yesterday or a long time ago? "

" you don't mind ms. lin's past? she even had an ambiguous relationship with mr. gu from hengtong not long ago. was it a social gathering or an unforgettable old relationship? "

The questions came one after another, all of them extremely sharp.

ye mu bai immediately felt lin sisi's fingers clench tightly. he reached out and placed his hand on her small fist and rubbed it gently. however, he still had a smile on his face. "it's because sisi was misunderstood by the media. she kissed you from an angle and made you two look so bad. that's why i decided to make it public."

he lowered his head and looked at the obedient girl in his arms. he said softly, "i've been with her for a long time."

the reporters were in an uproar.

It had actually been a long time.

However, there were still people who didn't let him off and continued to ask, "Then, can you tell me if you mind if Lin sisi goes over?"

Although they were both in the entertainment industry, ye mu Bai's status was much higher than Lin sisi's. Therefore, in the eyes of ordinary people, Lin sisi's bad past was not worthy of ye mu Bai, who had a clean family background.

ye mu bai silently hugged lin sisi tightly. when he faced the media again, the smile on his face had faded. I mind because my heart aches for her, but I won't allow anyone to say that about her because she's the one I want to protect for the rest of my life.

"if there are any reports that aren't beneficial to her, i'll be the first to pursue the matter," he said with a serious expression.

It was also the first time the reporters had seen the movie King like this. In the past, although the movie King was easy-going, he had never asked anything and only left after saying hello, unlike today.

Everyone was stunned and didn't come back to their senses for a while.

Meanwhile, ye mu Bai had already gotten into the car with Lin sisi in his arms. He opened the door of the passenger seat and placed one hand on top of it to protect her.

lin sisi's footsteps were still a little light. she didn't know how she got into the car. just as she was about to get into the car, ye mu bai suddenly pulled her back, and his expression changed.

Chapter 3165: Treat me as him, one last time (4)

“What’s wrong?” her heart was beating very fast, as if there was a small deer in her chest.

ye mu bai's gaze was very deep. it was probably because his eyelashes were very long, so his eyes looked very deep.

she looked at him and watched him lean over, then her lips were kissed by him.

Their soft lips touched. They didn't go deep, but they just touched each other cherishingly.

Her eyes widened a little, and ye mu Bai laughed softly. “close your eyes, someone's taking pictures.”

Not only did Lin sisi not close her eyes, but she also reached out and gently hugged his waist.

...

the little kiss continued for about a minute. it was very sweet, but there was also a little inexperience.

That was clearly what love was.

Ye Mubai let go of her and a faint smile appeared on his handsome face. “Your acting skills are not bad.”

“it’s because you’re good at teaching.” she also smiled lightly, feeling much more relaxed.

It had to be said that ye mu Bai was a person who made people relax.

he smiled and helped her into the car. he turned around to open the car door and got in as well, ignoring the reporters.

their kiss was captured from various angles and it immediately became the headline.

The entertainment industry was in an uproar.

the ye family, which was far away in B city, also exploded.

Gu ze, who was in the hospital, also exploded. His body was crushed into pieces.

He quietly leaned in front of the bed and read the headlines.

10 billion movie King’s love fans, B-list celebrities.

when he opened it, he saw the scene of ye mu bai and lin sisi kissing in front of the car.

ye mu bai was very serious and engrossed. his lowered eyes were filled with gentle love.

it meant that he liked her very much.

lin sisi’s hands were also wrapped around his waist, and the scene of her little face looking up was really beautiful.

it was a scene of complete love.

But last night, she had even run over to ask him, ” “gu ze, do you still want me?”

Gu ze laughed coldly. She was really capable. He didn't want her and someone immediately took over.

she threw her phone away in anger. what did he care about? what was he unhappy about? she was just a woman who had nothing to do with her.

she stared at her phone for a while longer, then lifted the blanket and said to xu qiaonan, who had rushed over,"Help me with my discharge."

Xu Qiaonan was shocked. He subconsciously said,"President Gu, your hand needs to rest."

"am i president gu or are you president gu?" gu ze's tone wasn't very good. he walked inside and changed his clothes with one hand, then walked out on his own. as for other things, his secretary would handle them.

xu qiaonan was stunned for a moment before he ran out and ran into the nurse who came to get an iv drip.

the nurse's expression was very ugly."What's wrong with the patient in the VIP room? don't think that life can be bought with money just because you have some money. At least, if your hand is crippled or disabled, you can't treat it just because you want to."

Xu Qiaonan glared at her. how dare you say that about our President Gu! I'm going to file a complaint against you!

The nurse was not to be trifled with. She said coldly,"We don't have domestic slaves anymore! Why do you, a woman of the new era, have to make yourself a slave?"

after saying that, he turned around in disdain and said as he walked, " "Even our attending doctor can't take responsibility if he's disabled."

He then said fiercely,"rich people are all pretentious!" &Nbsp;

xu qiaonan couldn't help but pull the nurse over. " do you know what he's been through? "

she opened the entertainment news. 'the woman i like is with someone else. Can't you vent your anger?'

when the young nurse saw this, she did not pay much attention at first. however, she remembered it later and sneered. 'what a joke! your president gu doesn't want me, but i can't be in love anymore?'

Chapter 3166: Treat me as him, the last time 5

xu qiaonan looked at the nurse. ' what did you say? '

"Lin sisi came over last night. She stood at the door and asked your President Gu if he wanted her. When she walked out, she was in a daze. Now it seems that it's not a woman's specialty to say one thing and mean another. Your President Gu is one of them. In the future, don't call me President Gu, just call me miss Gu." The young nurse's mouth was also very sharp.

Although Xu Qiaonan was angry, he was even more shocked.

lin sisi had come.

Lin sisi turned around?

did master gu reject it?

...

however, president gu's current reaction clearly showed that he was very concerned about ye mu bai and lin sisi's relationship. otherwise, he would not have such a big reaction.

But why did he reject her?

There was a teasing look on her face, and the little nurse had her signature cold and Noble smile.”He did it! Did he think that every woman would be waiting at the same place? in your dreams.”

she was about to leave when she saw gu ze standing at the door.

The nurse and Xu Qiaonan were both stunned, especially Xu Qiaonan, who called out uneasily,”master gu?”

gu ze’s expression was much better as he said, ” “i’m here to get my phone, you go through the procedures, the helicopter will be here soon.”

xu qiaonan was stunned again.

He didn’t want to stay in city C for a second longer. Was it because of Lin sisi?

No, it was because Lin sisi and ye mu Bai had gotten together.

Xu Qiaonan’s eyes darkened as he went to complete the procedures.

the nurse, on the other hand, still had some integrity. she looked at gu ze smoking in front of the window and walked over.”Mr. Gu, your hand still needs treatment when you return to B city. Otherwise, there will be sequelae even if it’s not crippled. I still have time now to help you clean the wound. It’ll be bad if it’s infected.”

gu ze had a cigarette in his mouth and did not look like a patient at all.

He was looking outside with his back to the nurse. After hearing her words, he asked without answering, ” “Am I very pretentious?”

However, the young nurse directly came over and swiftly changed the dressing while he had his hands by his side. However, she still kindly answered his question, ” it was a little fake, but you wouldn’t have died if you didn’t.

she grinned. ” right now, your heart must be in more pain than the wound on your hand. by the way, the wound on your hand is also a love wound. why do you have to do this? why don’t you say that you like him? instead, you let him take advantage of you. ”

if I had to choose, ” the nurse mumbled to herself, ” I’d choose the gentle and considerate ye mu Bai. I wouldn’t choose someone like you who’s so weird.

gu ze lowered his eyes. ” i’m eccentric? ”

“yeah, don’t you know? although i don’t know much about your past, i can tell that you were the one who was more domineering when you were together. she was very accommodating to you.” the young nurse’s voice was also much gentler, and she consoled him like a friend.

it’s fine if a patient is physically sick, but it’s troublesome if they’re mentally sick.

This was especially true for a man of status like him. Once he was mentally ill, he would start to do some acquisition and bankrupt many companies. This would cause social panic and many people would lose their jobs.

The nurse felt like she was saving mankind.

Gu ze’s gaze also became gentler as he said, ” “she’s not her.”

“what?” the nurse did not understand.

Gu ze didn’t want to talk to her anymore and fell silent.

the nurse couldn’t keep her mouth shut. she coughed lightly.”since she’s already with someone else, don’t even think about it. it’s a waste of time.”

this truth made gu ze frown again.

Chapter 3167: treat me as him, the last time 6

Seeing that Gu ze was deep in thought, the nurse did not say anything else.

After a while, the nurse said quietly, " Mr. Gu, if you really like her, you can get her back.

she paused and coughed. " even if they did it, " she said, " no one cares about that now, right? "

These words were like a knife that stabbed into Gu ze's heart. His face immediately turned very ugly.

the young nurse added fuel to the fire. " well, aren't we staying in the same hotel? the girl was rejected by you so miserably, and she had someone to comfort her, so it's normal for something to happen. don't mind it. "

she sized gu ze up and smiled. " even someone like president gu can't keep his body like jade, right? "

...

"i don't have a woman," gu ze said plainly.

After she finished speaking, she felt like she was going crazy. Why did she have to say this to an irrelevant person?

The nurse laughed. that means you still love her. Otherwise, why don't you have any other women?  
"

gu ze was stunned again, but this time, he did not speak to the nurse. he just quietly smoked.

after the nurse left, xu qiaonan came back with a pale face.

"master gu, the procedures are done. you must receive treatment when you return to B city."  
"Otherwise, this hand might not be able to hold heavy things in the future," she said slowly.

gu ze understood what she meant. he smiled and said, ” “I haven’t lost my mind.”

after saying that, he stubbed out the cigarette and turned around to leave.

When he went out, his body relaxed a little. He wondered what he was doing in C city. He clearly knew that Lin sisi was here, but he still came. It was clearly something that Wanwan was worried about, but he came and made a mess.

he asked himself, when lin sisi asked him if he still wanted her, was he really not moved at all? did he not want to say yes at all? did he not want to hug her at all?

At that time, he was jealous and angry because she had kissed ye mu Bai.

so when she said those words, he ruthlessly drove her away.

As he had wished, she had left and was now with Xuanji and ye Mubai.

after gu ze left, xu qiaonan followed behind him in a hurry and whispered, ” “Master Gu, the private plane is ready.”

Gu ze nodded slightly and stepped into the elevator. Xu Qiaonan carefully followed.

She didn’t dare to make a sound in the elevator for a minute because her boss’s expression was very ugly. It wasn’t until they got into the car that Gu ze lowered his voice.”go to this address.”

he gave an address to the driver. the driver was a little surprised, but xu qiaonan was even more surprised. he looked at gu ze for a long time without saying anything.

After a long time, the car changed direction and she said, ” “master gu, the private plane is ready, yingluo.”

however, gu ze closed his eyes slightly and leaned his body against the back seat. he said calmly, ” “I’ll give up after reading it.”

Xu Qiaonan was a little shocked by his words. Did President Gu realize what he had just said? the meaning of his words was clear-President Gu still liked Lin sisi.

whether it was little fool in the past or lin sisi now, he actually liked both of them.

of course, xu qiaonan did not dare to disobey gu ze's words, unless he was prepared to give up on this million-dollar job. she sat in the car silently until the car stopped in front of a villa.

the villa was very beautiful. at least, it was more beautiful than president gu's. it was a place full of love. everything was fine, and it felt very sunny.

#### Chapter 3168: Sisi, I'm serious 1

she tilted her head and wanted to say something, but gu ze had already opened the door and got out of the car.

the filming had already started, and lin sisi and ye mubai had already changed into their clothes. for some reason, although they were wearing the same clothes as yesterday, they looked even more like a couple today.

At that moment, they were filming a kissing scene. Lin sisi was in ye mu Bai's arms. He lowered his head and his soft lips touched her lips. They touched bit by bit.

because this was a dynamic advertisement, the director asked for a deep kiss, and not a fake position.

This was actually normal in advertisements, as long as both sides didn't feel uncomfortable.

Of course, ye mu Bai had no problem with it. Lin sisi felt that he, Yingluo, was a gentleman. Moreover, for the sake of work, she didn't object to it even though it was the first time they had kissed.

...

hence, under so many gazes, she and ye mu bai kissed deeply. it was not very intense, but it was very lingering.

gu ze stood at the entrance of the villa and watched as her fingers dug deep into the fabric of ye mu bai's shoulder. her face was slightly sunken in.

gu ze thought of the activity in his mouth. his fingers suddenly clenched tightly and then he closed his eyes.

You're the one who didn't want her!

she's with someone else, and yingluo has nothing to do with you!

He turned around and walked to the car. He opened the door and Xu Qiaonan followed.

it was at that time that lin sisi saw him.

she didn't chase after him, but just watched quietly.

"Do you want to go? Maybe he's here to find you." ye mu bai's voice was still warm and gentle, without a trace of reluctance.

lin sisi retracted her gaze and lowered her little face. "no need."

the director did not see gu ze. he shouted, " " why aren't you kissing anymore? you did a good job just now. it was real. "

he muttered in his heart, "she's really different after sleeping with me."

"one more time," he roared. "don't give up halfway. otherwise, old bai, you'll be done even if you shoot ten takes today. "

“Alright,” ye mu Bai smiled.

this one was supposed to be done in one take, but for some reason, either he or lin sisi was not in a good state that day. in the end, they had to take seven or eight shots and kiss for more than an hour before they were done.

director cheng wasn't a fool. since the reporters had already written about the incident last night, he might as well add more fuel to the fire and reveal the kissing scene. hence, the top three trending searches were all about ye mu bai and lin sisi's act turning into reality.

for a moment, he was somewhat embarrassed.

after filming the kissing scene, lin sisi's tongue was numb at night. ye mu bai looked at her and smiled. ” “I'm sorry, are you alright now?”

In order to force herself to feel uncomfortable, Lin sisi pointed to her lips. are you okay? ”

he smiled. ” it's just one or two bites. it's nothing. ”

lin sisi smiled and looked at him. ” i have something to tell you. ”

“what?” He held her wrist and brought her to his car. It was not the nanny van but the one he was used to driving. let's talk in the car. I'll take you to dinner.

lin sisi tried to break free, but he wouldn't let her. his gaze fell on her face. ” sisi, i'm serious. ”

she got into the car silently, buckled her seat belt, and said softly, ” “I know! But I don't dare to be serious anymore.”

she looked at him with a pleading gaze. ” it's very unfair for me to be with you now. besides, old bai, do you know that i feel like i'm going through the past again when i'm with you? i don't dare to, really. ”

## Chapter 3169: Sisi, I'm serious 2

ye mu bai held the steering wheel and pondered for a moment. ” “Sisi, I understand what you're thinking.”

He reached out and ruffled her hair. can you treat me as Lan Yu? I'll just take care of you. Tell me when you think I'm reliable and that I'm the one you can entrust your entire life to, Yingluo.

” don't say it, ” he laughed again. ” i can understand it myself. ”

This was a full score of sweet nothings.

lin sisi looked at him, unable to refuse.

on the other hand, ye mu bai smiled and had dinner with her alone before sending her back to the hotel.

...

lin sisi got out of the car and saw that he had not moved. she couldn't help but ask him, ” “aren't you getting out of the car?”

“I'm not staying in a hotel tonight,” ye mu Bai said softly.

“then where do you live?” lin sisi blurted.

Ye mu Bai smiled slightly. stay in my villa. do you want to take a look? we're a couple in the outside world anyway.”

He saw her expression change slightly, so he smiled again. I promise I won't do anything!

“no.” “I'm a little tired.” Lin sisi smiled weakly.

he looked at her with a burning gaze. after a while, he seemed to have understood something, so he smiled. ” okay, good night. ”

Lin sisi got out of the car, and he did anyway. Under the night sky, he looked at her. “Sisi,”

She turned to look at him, a faint smile on her lips. “What’s wrong?”

“I forgot something.” ye mu bai quickly walked over and lowered his head to kiss her on the forehead. ” “Good night kiss.”

Lin sisi was slightly stunned, but she did not push him away.

ye mu bai quickly retracted his hand and looked at her with a gentle gaze. ” “I’m leaving.”

She stood at the entrance of the hall and hummed in agreement.

however, he did not leave immediately. instead, he looked at her attentively. after a while, he laughed softly.”Let’s kiss again,”

Before she could resist, he had already kissed her again.

It was still his forehead.

He was a very smart man and knew how to not make her feel disgusted. She could accept his forehead, so he kissed it a few more times.

after the kiss, he smiled gently and said,”i’m really leaving.” hurry up and go in, it’s cold at night.”

Lin sisi acknowledged him and took two steps back. Then, she walked inside. At first, she walked, but later, she walked faster and faster. She was actually running.

Ye mu Bai looked at her back view and smiled slightly. He turned around, opened the car door, and sat in the car. He was in an exceptionally good mood.

he did not tell lin sisi that he was going to meet ye mulin, his lawyer brother. ye mulin was supposed to return to B city but was invited to C city by ye mubai. it had to be said that only his own brother had the right to be a lawyer like ye mulin.

ye mu bai smiled and started the car.

that night, he went to see ye mulin first and sorted out auntie li's matters. when the sky was slightly bright, ye mulin had to return to B city because he had something to do. when he left, he looked at his brother, the best actor, and reached out to pat him on the shoulder."you're in such a hurry to leave and you're not even going to send me to the airport?"

"Are you in a hurry to meet that girl surnamed Lin?"

Ye mu Bai only smiled and did not say anything.

Ye Mu Lin sighed. I'm not against you liking someone. It's rare for you to like someone. My parents and I thought you liked men, so we didn't do anything for so many years.

"Why do you think so?" "It's not like I've never had a woman before!" Ye mu Bai held a cigarette in his mouth and smiled.

"I'm just afraid that you won't be able to forget that person from the past, right?" ye Mulin patted his shoulder.

now that little white had come out, he couldn't be happier.

Ye mu Bai was unhappy when he heard this. I was young and insensible. i don't really like it. "

I heard that she's coming back from United States and she's still single. Mubai, you should think carefully about which one you'll choose between your new love and your old one. That person still has you in her heart, and her family is beneficial to our family. We definitely wouldn't object to

having the other miss Lin, Qianqian, in our old family. But you know in your heart how her family is like now. ye mulin patted his shoulder as he spoke.”but no matter what, i respect you.”

“I understand,” ye mu Bai smiled.

“it’s good that you really understand.” ye mulin walked towards the black rv at the entrance.

...

He was a lawyer from a prominent family and his car was a Lincoln limousine. It didn’t seem out of place to match his status.

ye mu bai stood there and smoked for a long time before he returned to the hotel where the production team was located. he did not catch up on sleep and went straight to work.

the others might not know, but lin sisi could tell that ye mu bai was very tired. out of concern, she asked softly, ” “You didn’t sleep last night?”

Ye mu Bai was resting with her. After hearing her words, he smiled lightly. yes, I was busy the whole night.

These words were a little ambiguous and would make people think of that place.

lin sisi looked at him.

ye mu bai could not help but laugh. ” i’m just lying to you. my brother came over last night and we talked for the whole night. ”

Although he was vague in his words, Lin sisi could sense that he was doing this for Auntie Li’s sake. To put it bluntly, if it wasn’t for her, he wouldn’t have bothered with Auntie Li’s matters.

Thus, when he said it so casually, it was like he was offering a huge favor, which made Lin sisi feel very embarrassed.

Ye mu Bai looked at her and asked, "If you really feel like you owe me a favor, then you can treat me to a meal?"

"do you want to catch up on sleep?" lin sisi looked up at him.

"this is nothing!" "I'm just afraid that you won't agree to it." Ye mu Bai smiled.

Lin sisi smiled and said,"why would I not agree?" but you didn't sleep last night. how about we eat in the restaurant on the first floor of the hotel? what do you think?"

ye mu bai smiled. " of course. "

since she had said so, the dinner was very enjoyable, and lin sisi temporarily forgot about those unhappy things.

As for her and ye mu Bai, she thought that he would give up on them in a few days.

if ye mu bai had been more ordinary, she might have accepted it. however, his family was too prominent, and she was no longer an innocent little girl.

They rested for a while on the night that the commercial was shot. The next morning, they returned to B city. Ye mu Bai's car came to pick them up at the airport. The Auntie was very uneasy and felt that she was really troubling him. Lin sisi patted the back of her hand to comfort her.

Ye mu Bai was very thoughtful. Since they were discussing business, he arranged to meet ye Mu Lin at his law firm.

the few of them went in and ye mu lin's secretary welcomed them very warmly. he even said a few witty words to ye mu bai. it could be seen that the ye brothers' relationship was really good and they often left.

However, the Secretary looked at Lin sisi and said, " Ms. Lin, this is the black tea that lawyer ye specially asked me to prepare for you. It's different from the others.

As he spoke, he smiled lightly.

Lin sisi was a little embarrassed and she glanced at ye mu Bai.
