

Thank you 3171

Chapter 3171: Sisi, I'm serious 4

ye mu bai, on the other hand, was very at ease. he smiled."It's rare for him to be so considerate."

"It's all because of you." The Secretary squinted.

These words were a little explicit, so Lin sisi could only hold her black tea and take small sips to dispel her uneasiness.

ye mu bai looked at her, and his gaze became warmer. he then looked at the secretary."when is lawyer ye free?"

before the secretary could answer, a deep voice came from the door. " "you just came back and you can't wait. it's not like you."

Lin sisi and the rest quickly put down their cups and looked over. There was a slender figure at the door. The man who looked very similar to ye mu Bai must be ye Mu Lin.

...

Auntie li stood up subconsciously. Hello, lawyer ye.

Ye Mu Lin gestured for her to sit down. He sat down beside ye mu Bai and smiled. " mubai told me about your daughter's case the night before yesterday. i have a general understanding of it, but there are some details that i still need to see the person involved. "

"How many days will I be here for?" he asked.

The Secretary smiled. you're just here to have dinner with Mr. Ye. You can leave for United States at any time.

"we'll leave the day after tomorrow then." ye mulin smiled.

he looked at lin sisi. “don’t worry. leave your aunt to me. i’ll take good care of her.”

lin sisi was taken aback. she wanted to say that she could go as well, but she also knew that she might offend lawyer ye if she said that, so she swallowed her words.

“sisi,” the woman said, “i can go by myself. you have a job. don’t force yourself.”

actually, it wasn’t just that the auntie didn’t want to trouble lin sisi. she could tell from the words of this amazing lawyer ye that he wanted lin sisi to stay because of ye mu bai.

wasn’t ye mu bai chasing after sisi? sisi followed him to the united states. what was this?

the auntie was a reasonable person, so after she advised lin sisi, it was even more inappropriate for her to follow them. she only smiled gently. “of course i’m not worried, but we can’t take advantage of lawyer ye’s lawyer fees. it’s still as much as we should.”

Ye Mulin smiled and looked at his younger brother. “mubai, how much do you think is appropriate?”

This question was not asked in a formal manner, but ye mu Bai was used to it. “i’ll take your lowest discount!”

“the case is closed. one million,” ye mulin said calmly.

lin sisi thought it was dollar, so she nodded in agreement, knowing that it was a reasonable price.

however, ye mulin added, ” rmb. ”

This time, Lin sisi felt a little uneasy. She looked at ye mu Bai and then at ye Mu Lin. that’s too little.

Ye mu Bai patted the back of her hand and smiled.”how can there be an idiot like you? do we really have to make him say such a terrifying number?”

He asked her to go out. Lin sisi thought about it and went out.

ye mu bai looked at the door and said softly, ” “Auntie already owes you a big favor for one million Yuan. How do you expect her to return eight million Yuan?”

Lin sisi was stunned for a moment and subconsciously said, ” “i’m not thinking of making her return it.”

“but this favor will be in her heart for a long time. My brother may be a lawyer, but in my heart, he’s no different from a profiteer. Even the most expensive chicken wouldn’t be this expensive if you count it by seconds.” he even raised his eyebrows.

Chapter 3172: sisi, i’m serious 5

Lin sisi glared at him. why are you saying that about him? ”

“i’ll say it too.” Ye mu Bai smiled. that’s all. Actually, this case is very simple. The key is that Auntie li has no background. My brother’s connections can help her. Other things are not too difficult.

When he said that, Lin sisi heaved a sigh of relief. Then she looked at him. “Really?”

“yes, don’t worry.” ye mu bai smiled slightly. ” however, since you owe me such a big favor, shouldn’t you treat me to a meal? ”

“Of course,” Lin sisi smiled.

“even if it’s a month?” ” i don’t have any other work this month, ” ye mu bai said casually. ” i’ll be staying in B city. i heard that you’ve also hired me for a month. how about you be my companion? ” I’ll take you to play.”

...

Actually, Lin sisi wanted to go back to A city to spend time with her parents. Besides, she didn't dare to be so close to ye mu Bai. The rumors outside were already very hot. She wanted to spend another month with him, Hanhan.

as if he knew what she was worried about, ye mu bai reached out to hold her hand and smiled. " "didn't i tell you to treat me like lan yu? you're even afraid of this? i won't force you to do anything you don't like."

as he spoke, he looked at her delicate little face and coughed lightly. " "At most, a kiss on the forehead."

She could still afford to give him this benefit, so she agreed. you don't have high hopes, Qianqian. You know my past.

"with your background, i can't touch you," she said in a softer voice.

she looked at him deeply, and ye mu bai smiled warmly. " "I know."

at this moment, ye mulin came out. he leaned against the door and looked at his brother lazily. Mubai, don't forget to come home for dinner tonight. Dad said that you're busier than general manager right now. I can't even see you once a month.

ye mu bai laughed. " i'll be back tonight. "

Ye Mu Lin's gaze landed on Lin sisi's face for a long time before he moved it away. He added, if you have a girlfriend, bring her home. Otherwise, Shirley will think you've been waiting for her when she comes back, and that'll be a big problem.

Ye mu Bai was a little angry, but he couldn't flare up in front of Lin sisi. He only touched his nose. don't mention this anymore. It happened so many years ago.

Ye Mulin lit a cigarette, and the pure gold lighter made a crisp sound. He smiled. I'll say one more thing. You know what you're doing."

he looked at lin sisi with a meaningful look before saying, ” “There’s always something different about our family. Don’t regret it later.”

After that, he went upstairs to his office.

This time, Lin sisi felt a little uncomfortable. However, her relationship with ye mu Bai was not that close, so it was not appropriate for her to ask about other people’s privacy. She only said softly, ” “call me when you want to eat, i’ll treat you.”

“The great lawyer’s words still affected you, didn’t they?” ye mu Bai smiled bitterly.

lin sisi shook her head and said,”no!” however, i feel a little uncomfortable listening to it. it’s as if i’m in the middle of you two.”

“I knew it.” Ye mu Bai sighed.

He reached out and grabbed her hand. it’s true, ” he whispered. it happened fifteen or sixteen years ago. It’s been so long that I’ve almost forgotten.

lin sisi looked at him.

ye mu bai smiled. ” we grew up together. i guess you can say that it’s my first love. ”

“Have you had sex?” Lin sisi asked in a low voice.

this time, ye mu bai felt a little uncomfortable. his gaze fell on her face, and after a long time, he asked with a smile, ” “sisi, is this an interrogation?”

Chapter 3173: gu ze, she’s still in your household register 1

Lin sisi smiled a little embarrassedly and looked at him. Oh, right. I'll go and see Auntie. She's going to United States with lawyer ye in two days. There are some things that I have to prepare.

"See, this is an attitude of avoidance again." Ye mu Bai's gaze was deep.

lin sisi was even more embarrassed. she looked around and said,"I can't let Auntie wait too long."

She wanted to leave, but he reached out and grabbed her wrist. It was a light and insuperable kind. let's have dinner together tonight? "

She couldn't just reject him like this, so she nodded. "Alright," he said.

"if i come to see you every day, will you be annoyed?" ye mu bai smiled.

...

"I won't," lin sisi was a little weak when she spoke.

she did not know why she had become like this. she owed him a huge favor and it seemed that she would feel guilty if she rejected him. however, lao bai was a good person and it was quite easy to get along with him.

ye mu bai looked at her and leaned closer to her. " "i'm really not forcing myself."

"i won't force myself." lin sisi shook her little head. after a while, she realized that he was teasing her, so she bit her lip. her slightly angry look was very cute in his eyes. he reached out and gently touched her hair. " go quickly. it's enough to take half a day to prepare. i'll pick you up at night. also, you're not allowed to bring a third wheel. "

Lin sisi could not help but laugh.

Ye mu Bai looked at her deeply for a while before he urged her to return to the guest room.

at the same time, ye mu bai and lin sisi's relationship had caused a storm in the entertainment, financial, and even political circles. ye mu bai and lin sisi's background had been dug out. originally, their family backgrounds were really compatible, but unfortunately, the lin family had been ruined.

but now, the two of them were as close as honey. there were all sorts of reports about ye mu bai kissing lin sisi on all sorts of occasions. every expression and every look in his eyes were different from when he was acting in the past.

Gu ze stood in front of the French window in the president's office. There were several newspapers scattered on the sofa beside him. Every one of them was a headline of ye mu Bai and Lin sisi kissing.

He stood there, listening to Xu Qiaonan's report on work and giving instructions.

Xu Qiaonan noticed the newspaper on the sofa. He was surprised, but not surprised.

Of course, she didn't dare to ask about Gu ze's personal matters. If she asked too much, she might not be able to stay in the company.

Xu Qiaonan quietly left, and Gu ze remained standing. The only difference was that it was quiet behind him now, and he could think about some things.

after a long time, his phone rang. he took a look and saw that it was qin mo.

why was he looking for her?

ever since he saw qin mo and lin sisi being so intimate in the parking lot, gu ze's personal impression of qin mo was not very good. he could not tell if it was because of lin sisi.

he pursed his lips and picked up the call. " what's the matter, president qin? "

qin mo smiled lightly. " can't i look for you for no reason? "

gu ze laughed lightly. " i don't come here without a reason. go ahead. "

“If I just wanted to have a drink with you, would you give me the honor? don’t say anything about me and Lin Sisi, that’s just hype. You know that I have a wife.” Qin Mo touched his nose and said in embarrassment.

Gu Ze laughed, ‘really? Then how many times have you had sex with her Huan after you got married? Will she still let you touch her?’

Qin Mo instantly exploded. “Gu Ze, you have to be kind.”

Chapter 3174: Gu Ze, she’s still in your household register 2

Qin Mo said unhappily, ” “when you and Lin Sisi got divorced, I didn’t hit you when you were down.”

Gu Ze’s face darkened. I have never had any relationship with Lin Sisi.

Qin Mo laughed coldly. Who are you trying to fool? You have nothing to do with Lin Sisi. Don’t tell me that you used to have the words ‘little fool’ written on your household register? ”

As he said this, Gu Ze suddenly thought of something. He did not want to be entangled with Qin Mo and asked the truth, ” “Where are you eating? I’ll go,”

Qin Mo smiled. That’s right. We don’t have a wife to warm our beds, so let’s not hurt each other.

With that, he gave the address in a serious manner and set the time at seven in the evening.

...

Gu Ze immediately hung up the phone, took his jacket and car keys, and walked out. Xu Qiaonan immediately came up to him. ” President Gu, you have to go out. There’s a meeting later. ”

“cancel it.” gu ze said without thinking.

xu qiaonan’s expression was a little embarrassed. in her heart, she knew best why president gu had been so uncertain recently.

It was all because of Lin sisi.

on the other side, gu ze went downstairs and got into the car. he did not go to the hospital again because of his injured hand, but he could not drive.

he got into the car and ordered the driver with his eyes closed, ” “let’s go back to the villa.”

the chauffeur immediately started the car. the car was not slow, but gu ze suddenly said,”drive faster.”

“alright,” the driver said in a muffled voice.

The car immediately shot out like an arrow and quickly stopped in front of the villa where Gu ze lived alone.

gu ze opened the door and got out of the car. he asked the driver to go back first and quickly went upstairs.

“Why is Sir back at this time?” the servants at home were a little surprised.

Gu ze didn’t make a sound and just ran upstairs. After he ran to the study, he opened a drawer and found his household register. He flipped to a page and saw the words ‘Lin sisi’ written on the spouse section.

This was what he was anxious to deny, and what he wanted to deny.

but at this moment, he looked at the three words and gently touched them ...

The image of Lin sisi standing at the door of his Ward and asking him softly, ” “Gu ze, do you still want me?”

how did he respond at that time? he said what lin yebai’s family was like, lin sisi, don’t overestimate your ability, and so on.

However, she was still registered under his household register. No matter how much he denied that she was not a little fool, these three words were enough to prove that she was the person.

gu ze suddenly closed his eyes. his sculpted lines were tensed up as if they were going to break in the next second. he looked at those three words and was shocked to realize that her household registration was still under his name.

This feeling was indescribable. It was like he suddenly took a sip of cold water in Midsummer.

It was cool and refreshing, and very comfortable.

But this comfort ended at dinner.

Qin mo and Gu ze actually arrived at the restaurant at the same time. The appearance of two good-looking men together was naturally very eye-catching, especially when they were equally distinguished and had an outstanding aura.

gu ze sat down. one of his hands was injured, so he only had one hand to use. he leisurely held the cigarette between his fingers and looked at qin mo while he ordered.

after a while, gu ze felt that the eyes around them were on them. they were a little eager and curious.

He glanced around and knew in his heart ...

it was indeed a little strange for two grown men to go to such a restaurant. they could easily be mistaken for a couple.

He flicked the cigarette ash away with one hand. why are you eating in such a place? ”

Chapter 3175: Gu ze, she's still in your household register 3

"Don't you like it? I thought it's suitable for people like us who don't have wives. We should come and watch other people show off their love so that we can find someone to warm up our blankets with." Qin mo chuckled.

Gu ze laughed, 'don't you have a wife? what, are you getting a divorce?"

"Don't give me that," Qin mo passed the menu to the waiter and said calmly, "He Huan and I have a platonic marriage."

He had just finished speaking when Gu ze, who was in such a f * cking mood, couldn't help but laugh. He looked at him. "Qin mo, when did you become so thick-skinned? or was he sick? I've heard that people who have been abstinent for too long will become very strange."

qin mo smacked his hand away and snorted. "how are you any better than me? i want to ask you. is your fiancée just for show?"

Gu ze was startled.

...

to him, warmth was not an important existence. it was more appropriate to say that it was just a decoration.

He remained silent. Qin mo smiled. let's not talk about this. Let's talk about something else!

at this moment, the waiter came over with the dishes. gu ze leaned back and smiled."i don't know what we have to talk about."

Qin mo raised his cup and smiled. Just as he was about to say something, he saw the couple in front of him and coughed. for example, we can talk about the female artiste in our company. What a coincidence, she's here for dinner with ye mu Bai.

gu ze's body froze.

"oh, that's right. ye mu bai and you are old acquaintances, right? you grew up in the same courtyard together, right?" qin mo added kindly. It was better to avoid this kind of thing. Why don't you just not say hello?"

after this series of beating and beating, gu ze's anger rose. his eyes turned dark."you knew they were here?"

Qin mo played with his lighter and smiled. "I'm not here to catch you in the act, how would I know?"

looking at gu ze's darkened face, he laughed again. " "It's just a coincidence."

At this point, Gu ze would be a fool if he still believed his nonsense. His lips curled into a cold smile.

on the other hand, ye mu bai and lin sisi did not notice them. it was because there was a screen between the seats that they did not notice them.

however, they couldn't be ignored when they got close, not to mention that they were sitting next to each other.

When ye mu Bai helped Lin sisi to sit down, he noticed the two men sitting at the opposite table. He was stunned for a moment, but then he smiled and greeted them."gu ze, qin mo."

Although ye mu Bai was from the entertainment industry, he had a good family background. Who would dare to offend him?

just like how lin sisi was interested in qin chen in the past, even if qin chen was a woman, he had to respond to her.

ye mu bai's father was sitting in the same position as lin sisi's father in the past. one could only imagine how high his status was.

since he said that, qin mo and gu ze did not want to be too cold. in the end, qin mo decided, "let's eat together!"

gu ze looked at him again.

did he really not know beforehand?

qin mo only gave a faint smile and then went to greet lin sisi. "sisi, come over and sit." it was indescribably well-cooked, which part of it was like a boss and an artiste.

ye mu bai was not jealous. he let her sit with qin mo and sat with gu ze.

however, lin sisi was sitting opposite him, so he didn't feel uncomfortable.

however, what could be avoided when eating at the same table?

qin mo laughed and made a joke, "just now, gu ze and i mentioned you, sisi. i said that your name was still written on his household register."

Chapter 3176: gu ze, she's still in your household register 4

Lin sisi was drinking hot bean paste when she heard this. Her body stiffened and she looked up into Gu ze's eyes.

she slowly straightened her body, and her gaze inadvertently swept past ye mu bai.

ye mu bai smiled as if he did not mind.

lin sisi lowered her head and said in a low voice, "i'll move it out when i have time."

Qin mo laughed and looked at Gu ze without any fear. that's true. It's strange for them to be in the same household register after the divorce.

gu ze gritted his teeth. " yes! "

...

his gaze fell on lin sisi's face, and he said expressionlessly, " " if you have time, come and get the household register. it's better to move it away earlier. "

qin mo added, " that's right. it can't be unclear. now that old bai is chasing after sisi, good brothers should avoid it. otherwise, it's really not right to be unclear. "

gu ze was about to explode as he glared at qin mo.

Qin mo sipped his wine and smiled.

during the meal, only gu ze and lin sisi felt uncomfortable. ye mu bai and qin mo had a very good conversation. after all, one was the best actor, and the other was the ceo of KING entertainment. they could always talk together.

from their conversation, lin sisi found out that ye mu bai actually had a few companies in venture capital. he had good taste and invested in a few movies, which caused the stock prices to rise. qin mo even laughed and said that he had never seen a male artist who was better at making money than lao bai.

ye mu bai replied humbly, 'it's just a small investment! Acting is my hobby."

Qin mo laughed in his heart and gently swirled the red wine in his glass. However, he accidentally swirled it on Lin sisi's clothes and exclaimed in surprise, " "I'm sorry!"

Lin sisi was wearing a pure white dress with a windbreaker on the outside. She had removed her coat during dinner, so the White color with red wine was very eye-catching.

Qin mo was her boss. Even if she could guess that he did it on purpose, what could she do?

“i’ll go clean it up,” she said with a smile. Then, she got up and walked towards the bathroom.

qin mo looked at ye mu bai and asked, ‘aren’t you going to visit her? Can you pass me a tissue or something?’

“It’s not to that extent yet,” ye mu Bai replied with a smile.

“It’s not to that extent that those kisses were all fake?” Qin mo added fuel to the fire.

just as she finished speaking, gu ze had already stood up and walked towards the washroom.

ye mu bai leisurely poured himself a glass of wine and gently swirled it. ” “Qin mo, when did you become so bored?”

Qin mo acted as if it was none of his business. “It probably started when you started chasing Lin sisi.”

“do you believe me? there’s still hope between them.” he shifted his body forward.

Ye mu Bai looked into Qin Mo’s eyes and smiled. “where did you see that?”

“It’s my intuition.” qin mo said, ” a month or two ago, they were so intense that they even rolled on the bed. i don’t believe you if you say that they have forgotten about it. old bai, i’m telling you sincerely. if you don’t get involved, you might be the one who gets hurt in the end. ”

he laughed. ” you might not know that they had a flash marriage. gu ze married her without thinking about anything else. later, they broke up because of some things. i think gu ze can’t let go. sisi and qianqian, you should know very well if she has let go of you when you’re with her. old bai, why do you have to get involved with them? there’s no good for you. ”

Ye mu Bai smiled and said, 'since they can't let go of each other, why don't they get together? many years have passed, and some things have lost their best opportunities.'

qin mo was silent for a moment, then he smiled. " old bai, you really don't want to give up? "

Chapter 3177: yes, i slept with someone else (1)

ye mu bai smiled and looked at qin mo. " "gu ze is the one who hasn't given up. As for me, I just couldn't help it. "

qin mo thought for a moment. " that's true. "

"Why don't you go and take a look?" he added.

Ye mu Bai held on to the appetizer and said indifferently, " "Why should I go? besides, it's not like you don't know about gu ze's and my background. if sisi and i are together, we'll inevitably have to see each other. rather than wasting time in the future, why don't we just make things clear now?"

"you're right," qin mo laughed.

she blinked her eyes. " are you serious? "

...

Ye mu Bai looked at Qin mo and said very slowly, " "That's a very strange question,"

As he spoke, he slowly put down the cup in his hand and asked him quite seriously, " "why did you appear with gu ze today?"

Qin mo smiled. what do you think it means? "

ye mu bai's voice became slightly lower. "it's my father's idea, right?"

Qin mo was an extremely resourceful person. He was well-connected in both the political and business worlds and had a deep relationship with the ye family.

after he finished speaking, qin mo sighed slightly and got straight to the point, "i'm doing this for sisi."

he looked at ye mu bai. "to be honest, you're a man in your early 30s, so there's no need for me to worry. but sisi, you know about qin chen and sisi's relationship, let alone lan yu. so, i don't agree with you and sisi's relationship. of course, lao bai, this isn't because of you. it's because of your background. otherwise, why do you think gu ze and sisi's marriage had to be kept a secret? why did it end up in a divorce?"

Since Qin mo had already made things clear, he might as well be more direct. "Also, it's good that you like sisi, but are you sure your family is fine with it? We'll talk about it after we've settled it."

ye mu bai lowered his head and gently played with the cup in his hand. he then looked up at qin mo and smiled."It seems that my father and you have had a thorough discussion."

He didn't say anything more, just looking at the cup in a daze.

since he had already said this, qin mo naturally would not say any more boring words.

After a while, ye mu Bai said softly, "i'm already in my 30s, so i'm already used to seeing leng nuan and leng nuan. i don't really care about some things anymore, so i'll mainly be looking at sisi."

Qin Mo's heart skipped a beat. He looked up at him with slightly bitter eyes."is this a declaration of your heart?"

Ye mu Bai only smiled and did not say anything.

Qin mo didn't ask further. it's fine as long as you think it through.

ye mu bai raised his glass. ” let’s not talk about this anymore. it’s rare for us to meet and have a drink. ”

qin mo looked at him and shook his head with a smile. he clinked his glass with his.

*

At the entrance of the washroom, Lin sisi was washing her hands slowly. Her mind was in a mess.

She didn’t expect to meet Gu ze here. Furthermore, Gu ze was with Qin mo. It was strange for two men to eat at a place like this. Furthermore, Lin sisi wasn’t stupid. After thinking about it, she realized that this was probably Qin Mo’s arrangement.

she lowered her eyes and was about to leave after washing her hands, but she inadvertently saw gu ze in the mirror.

He leaned against the wall, his gaze quietly falling on her face, calm as water.

Lin sisi was able to face him just now probably because she had Qin mo and Lao Bai by her side. Now that she was alone with Gu ze, she could not help but think of the ” do you still want me? ” incident.

Chapter 3178: That’s right, I slept with someone else 2

Her face turned pale and she stared at him silently for a few seconds. She even forgot to breathe.

gu ze’s gaze fell on her face, and it seemed to be a little fixed.

after a few seconds, lin sisi retracted her gaze and walked toward the aisle without saying anything to him.

Gu ze stopped her.

she raised her eyes and looked at the man with sourness in her eyes. her body was so tense that it seemed like it would break in the next second.

gu ze took another step forward, and his body was very close to hers. she was really petite, and her height was on his shoulder.

...

she didn't want to show weakness in front of him, so she didn't step back, so the two of them were very close to each other.

"mr. gu, what's the matter?" "If there's nothing else, I'm going back to the restaurant," Lin sisi said in a soft voice.

Gu ze didn't answer her and instead asked, "Mr. Gu?"

lin sisi suddenly looked up. there was a sharp glint in her eyes, but it disappeared after a while, so no one noticed it.

But Gu ze caught it, and the corner of his mouth raised in mockery. "Didn't you always call me Gu ze?"

Lin sisi lowered her eyes and said, "really?" Then I won't be wrong in the future."

"in the future?" Gu ze looked down at her. do you still want to see me in the future? " he asked.

Lin sisi finally took a step back and looked up at him. There was a hint of disobedience in her eyes. B city is only this big. It's not like we don't meet by chance. mr. gu, why do you have to make things difficult for me?"

"difficult?" Gu ze pondered over this word and smiled. "You were the one who went to the hospital a few days ago and made things difficult for me."

he laughed bitterly, hiding a hint of self-contempt. he didn't know why he was making things difficult for her.

he was the one who said he didn't want her, but now he was blocking her at the bathroom door. what was he doing?

As he said this, Lin sisi's face turned pale again. After a while, she smiled gently and said in a daze, "Did I make things difficult for Mr. Gu? I don't think so."

"since i've said that yingluo doesn't want it, there's no need to continue this."

"besides, you've already found someone to take over, haven't you?" He replied sharply.

lin sisi glared at him, tears welling up in her eyes, but she did not reply.

The atmosphere was a little awkward.

in gu ze's eyes, her silence meant consent. thus, his expression turned even uglier as he lit a cigarette."What's so good about him? is he very good in bed?"

As soon as he finished speaking, Lin sisi slapped him.

this time, it was a little powerful. the sound of a slap was exceptionally clear.

after hitting her, lin sisi was also a little stunned. her arm was numb, and she said in a stiff voice, "please step aside."

He didn't give way and continued to block the way.

"get out of the way." Lin sisi's voice became a little shrill, and then an arm caught her.

The next second, she was pushed against the wall of the bathroom, and his thin lips were hot and pressed against her neck. He bit her gently, but it was not with love, but with a faint threat."Have you slept with him?"

Lin sisi's entire body was cold.

She suddenly felt a chill in her heart. Perhaps in Gu ze's heart, she was just that cheap. She had slept with all the men she had been with and that was why she knew them.

She should be angry, she should be angry, but she laughed and looked up at the handsome man in front of her. To be precise, he was her ex-husband.

she smiled gently and looked at him, softly saying two words, "I slept with him."

Chapter 3179: yes, i slept with someone else (3)

Without waiting for Gu ze's reaction, she spoke again in a low voice, "it's not just ye mu Bai. There are many other men you've seen in the newspapers. I've slept with Yingluo before, and they're all better than Mr. Gu in bed.

As soon as she finished speaking, her neck was grabbed by him. She looked at Gu ze again with a dark look in her eyes.

"Lin sisi," He gritted his teeth. do you still have any shame? "

"Does my shamelessness have anything to do with you, Mr. Gu?" lin sisi pushed his hand away, panting heavily. she said word by word, "I look down on you."

These few words were like a curse that affected him, arousing the anger in his body and mind.

Before Gu ze could even react, he had already kissed her on the lips.

...

It was a punishing kiss.

It was a kiss with the sweet smell of blood.

lin sisi's eyes widened and she looked at him in disbelief. she shook her head desperately to avoid his kiss, but he always had a way to pester her and even went straight into the corner.

that kind of intimate contact made her feel ashamed and angry, so she bit down without any care.

Almost immediately, Gu ze let go of her.

under the warm light, they stared at each other, their hearts beating rapidly.

“sisi,” A gentle voice came from behind him.

lin sisi's body trembled, and she slowly turned her head to look at ye mu bai.

Ye mu Bai's expression was gentle, and he even had a smile on his face. “Why haven't you returned after so long? Qin mo had something to attend to, so he left first.”

Lin sisi looked at him in a daze. She couldn't even hear what ye Mubai was saying. She only knew that he was there, looking at her with warmth.

“come here, i'll send you home.” ye mu bai smiled.

she didn't know how she got there, but she knew that her lips must be swollen and she was in a mess.

she walked up to him and looked up, her expression like a child who had been bullied. her voice was a little choked.”Old Bai?”

“call me mubai.” He sighed softly and took a tissue to help her wipe the tears from the corners of her eyes.

She was crying, and bean-sized tears rolled down, but she didn't cry out loud, which made her look even more aggrieved.

Ye mu Bai patiently helped her to wipe her tears until she stopped crying.

"be good, don't cry. wait for me in my car." ye mu bai coaxed her as if he was coaxing a child. he put his coat on her and passed her his car keys.

Lin sisi looked at him and did not move.

"Isn't it normal for the man who's pursuing you to fight for you?" Ye mu Bai was still smiling. He seemed to be smiling all the time, and his temper was so good that there was nothing to say.

Lin sisi suddenly understood what he meant, and her pupils shrank. Then a white and tender arm reached out from his coat and grabbed his wrist."don't."

She shook her head gently. no!

her eyes were filled with pleading.

ye mu bai reached out and touched her small face. it was cold everywhere, and it was a temperature that could only be felt after being soaked in tears. he could not help but feel his heart ache.

he was a very considerate person. he was happy to have a fight with gu ze here, but sisi might not be happy. thus, he reached out and pulled her into his arms. " okay, let's go back. "

Lin sisi didn't break free, and she didn't want to break free at this time.

her legs were weak, and she needed support.

As for that person, he didn't want her in the first place. She didn't need to explain anything to him, and she didn't need to avoid him.

Ye mu Bai took Lin sisi away in front of Gu ze, and Gu ze quietly watched them from behind.

Chapter 3180: Yes, I slept with someone else (4)

Gu ze's heart felt cold as if it had been soaked in something.

it was very cold.

she couldn't touch it, and she couldn't wipe it away. it was more like lin sisi's tears.

at this moment, even if ye mu bai were to fight with him, it would be better than this. his heart was in so much pain that it was about to clench, but he could not vent it out.

The light from the ceiling fell on his face, covering it with a layer of darkness.

gu ze suddenly recalled that night when lin sisi stood at the door of his ward with a pale face and asked, "do you still want me?"

...

but today, she was leaving with someone else.

it turned out that it was nothing more than this.

He clenched his fingers into a fist, loosened them, and clenched them again. He did this a few times as if he could vent his anger.

he didn't even know what he was angry about. was he angry that she left, or was he angry that she didn't take him so seriously, or was he angry that she said that hanhan slept with someone else?

that night, gu ze was drunk in a bar.

He desperately drank the wine to numb his nerves.

he wanted to forget everything. he wanted to forget the little fool in the villa in C city. he wanted to forget lin sisi.

He drank as much as he could, trying to tell himself that they were not the same person. He was thinking about little fool, and he hated little fool. All of this had nothing to do with Lin sisi.

Gu ze even acted out of character and began to walk between socialites and small celebrities. Occasionally, there would be news of President Gu spending a lot of money to get a smile from a beauty.

his self-discipline seemed to have ended.

at the same time, ye mu bai and lin sisi's scandal often appeared in the headlines together with him. there were often photos of them eating together, watching movies together, and even going out for fun.

Those photos were not explicit. They looked like a normal couple. However, that made it even more obvious that they were not just in a scandal. They were for real. They had even attended a charity banquet. Ye mu Bai did not avoid it and walked down the red carpet with Lin sisi.

The scene of them holding hands was on all the headlines, and it was on the news for several days.

gu ze sat in his office and flipped through the newspaper. his gaze quietly fell on the photo.

he was so engrossed that he didn't even hear what xu qiaonan said.

"master gu." miss Aileen called, " Xu Qiaonan said in a low voice. she said that you've asked her out for dinner tonight. She's just reminding you.

Gu ze was stunned for a moment and put down the newspaper in his hand.

of course, xu qiaonan also saw it, and his eyes darkened.

In fact, she knew very well why her boss had been involved in so many scandals recently. It was because ye mu Bai had appeared by Lin sisi's side.

If it was like in the past, Lin sisi would only accompany the producer to drink and dance or something, President Gu probably wouldn't care so much. But to have a high-quality man who was not inferior to him in all aspects appear by his ex-wife's side, any man would feel uncomfortable.

Xu Qiaonan understood that this was a common problem among men.

Gu ze's finger lightly pressed on the newspaper and said, "help me pick a gift for her."

Xu Qiaonan knew that miss Aileen was going to say goodbye.

In fact, master Gu had only picked a few pretty girls recently. They were all for fun and had no intention of using his heart.

However, she just couldn't figure out why President Gu was so unhappy. Why didn't he use heartwarming instead of choosing those women from far away?

she didn't dare to ask, so she just bowed and left.

the moment she left, gu ze's fingers fell on the newspaper again. his eyes were lowered, and no one knew what he was thinking.
