

Thank you 3181

Chapter 3181: forced kiss, forced by him (1)

After a long time, he put down the newspaper and made a phone call.

It had been a long time since they had last met, but he seemed to see her every day.

Lin sisi picked up the phone and said in a calm voice, ” “Mr. Gu?”

“Do you know why I’m looking for you?” Gu ze’s tone was a little calm.

“i can’t guess,” lin sisi said with a smile.

your household registration is with me, ” Gu ze said calmly. can you bring it over and move it when you’re free? ”

...

Lin sisi was probably a little surprised and did not say anything for a long time.

Gu ze’s voice became even fainter. come and get it tonight. I have time.

Lin sisi remembered that she had an appointment with ye mu Bai tonight, so she instinctively said, ”
“I can’t tonight.”

“you have an appointment?” gu ze’s voice was cold.

lin sisi did not deny it and remained silent.

Gu ze raised his voice. Lin sisi, I’ve told you before that you can’t enter the ye family.

Seeing that she didn't say anything, he continued, " don't say that you've slept with ye mu Bai. Even if you had a child with him, the two of you would never have a happy ending.

"is this from mr. gu's experience?" lin sisi's voice suddenly became mocking. " also, mr. gu, don't you know whether i can have children or not? "

After she finished speaking, her chest heaved up and down violently, and so did he.

because these words reminded him of those passionate nights they had together. she was like a cute deer lying under his body. when he wanted her, her little face would be red. sometimes, she would also be unable to resist the temptation and sit on his body, eating his body like candy.

those memories that carried a trace of fire invaded them.

but at the same time, it also reminded him that lin sisi could not have children.

She was injured, so they had never used contraception. Now, the person had changed to ye mu Bai?

Gu ze closed his eyes slightly and said in a low and hoarse voice, " "if i don't come tonight, i might not have time to deal with such a small matter in the future."

Lin sisi was silent for a while, then gritted her teeth. "I'll go over."

"Eight o 'clock, I'll wait for you. you come alone." Gu ze hung up after he finished speaking.

lin sisi bit her lip and slowly lowered her hand.

She stood there for a long time before she finally called ye mu Bai. old Bai.

"Sisi, Didn't I tell you to just call me Mubai?" ye mu Bai smiled bitterly. old bai, it sounds like we'll never be together."

lin sisi smiled faintly. " old bai, really. we've been together for almost a month. "

Ye mu Bai actually knew what she meant, but he still asked in a relaxed manner, ” “You still don’t feel anything, do you?”

“Old Bai, I’m sorry,” Lin sisi lowered her eyes.

“Sisi, do you know why you don’t have any feelings for me?” ye mu Bai asked softly.

” because you’ve been resisting my appearance, because you thought that i would give up on you one day. ” Ye mu Bai said in a low voice, ” it’s because my situation is very similar to that person’s. We both fell in love with you in a short period of time. We both have a good background. In the eyes of ordinary people, we can find someone better, right? ”

lin sisi smiled faintly, but it was a bitter smile.

ye mu bai smiled. ” other than this, what else do you have to say? if you don’t, i have to prepare for my date tonight. ”

Lin sisi quickly stopped him. I was just talking about this.

” i have something on tonight, ” she whispered. ” let’s meet again another day, okay? ”

“Is it Gu ze?” ye mu Bai was very sharp.

Chapter 3182: forced to kiss, forced by him 2

lin sisi was embarrassed for a while, but she did not want to embarrass ye mu bai. so, she muttered, ” “It wasn’t him.”

Oh, I see. ye mu Bai heaved a sigh of relief. I’ll pick you up after you’re done with your business? ”

lin sisi was silent.

he sighed slightly. she had been in the entertainment industry for a few years, but she could not even tell a simple lie.

her reaction made ye mu bai very clear that it was gu ze without a doubt.

However, ye mu Bai was never someone who would embarrass others. He only smiled and did not say anything.

...

on the other end, lin sisi hung up the phone. she felt a little guilty and regretful.

She should not have been in contact with ye mu Bai, and she should not have agreed to try dating him.

Lao Bai was a good person, a very good person.

And she really wasn't worthy of him. It wasn't because of his background, but because of his clean past.

Lin sisi sat quietly for a long time. She lowered her eyes and suddenly made a decision.

Her actions might cause ye mu Bai pain, but this pain was only temporary. He would be fine in the future.

She made a call, and Xiaohong scolded, "are you crazy? Do you know if you're doing this now, you'll be torn apart by your own fans or by old Bai's fans?"

don't you f * cking know that you have to put on a good image in the entertainment industry? " Xiao Hong raged. you're good. What have you put yourself in? " What's the point of setting it up as a slutty woman? are you not planning to stay in this industry anymore? look at the money in your bank account, look at the money in your pocket, isn't it enough to spend for the rest of your life?"

Lin sisi couldn't lift her head up after Xiao Hong's barrage of words. She bit her lip and said softly, "it's enough to spend, so save it."

As soon as she finished speaking, Xiao Hong gritted her teeth and sneered, ” “You’re really promising! I’m telling you, if you really dare to do that, you’ll be in big sister Kuan’s hands. No one can clean up this mess, unless you don’t regret it and quit the entertainment industry.”

Lin sisi did not say anything.

Xiao Hong squinted her eyes and suddenly thought of something. She smiled sinisterly. but your reputation is yours. You can do whatever you want. Just think of the consequences.

although she was just an assistant, she had been with the number one financial magnate for a long time. she had long been well aware of the entertainment industry and could analyze the results of each situation.

at this moment, xiao hong was thinking to himself that after this matter was exposed, no matter which side wanted to deal with sisi, he would find a way to solve this problem. this would be a good thing for sisi.

there would always be problems if the three of them went together, so it was better to get the results earlier.

Lin sisi pursed her lips and did not say anything else.

she hung up the phone, looked at the time, and started to make preparations.

she knew that she was being unfair to ye mu bai, but she did not want to waste his time anymore. he deserved better.

At 8 pm, she prepared to drive to Gu ze’s Villa. She had been here twice.

But this time, his mood was completely different.

She stopped the car, sat down, and rolled down the window.

There was a flash of light, and her little face turned white. Lin sisi turned her head.

the hidden cameras flashed again.

About two minutes later, she opened the door and got out of the car. She walked towards the lobby.

Gu ze stood in the living room, his face dark and gloomy.

lin sisi's heart was beating fast. she walked over slowly and stood in front of him.

“why are there reporters here?” Gu ze's voice was extremely dark.

Chapter 3183: Forced to kiss, forced by him (3)

Lin sisi lowered her eyes. how did you know? ”

“You think I'm blind?” He pinched her sharp chin with one hand and said in a deep voice, ”
“You've gone crazy from wanting to be famous?”

she didn't say anything and just turned her head slightly.

gu ze laughed coldly. ” and it's just for ye mu bai to see? you want him to escape unscathed? ”

She didn't say anything, so he guessed,”you've found your conscience and are willing to let go?”

However, the next second, his expression turned extremely ugly. He pinched her chin and said, ”
“You like him? for his sake?”

...

lin sisi couldn't stand his series of accusations and slapped his hand away. ” “This is none of your business.”

gu ze sneered, 'none of my business? Lin sisi, can't you see where you're standing right now? can't you think about what you've done? by the way, the people you've arranged are still waiting at the door to shoot the wonderful scenes, right? i should fulfill your wish.'

before he could finish, lin sisi's face turned pale and she took a step back. " "What do you want to do?"

Gu ze was still sneering. He held the back of her head with one hand and her waist with the other. then shouldn't I cooperate more with miss Lin so that your wonderful performance wouldn't be in vain? "

after he finished speaking, he pulled back his hand and her body fell into his arms.

Her lips were also blocked by him, and she widened her eyes in surprise. However, he quickly pried her lips open and swept his gaze across every corner of her mouth in a very rough manner.

Lin sisi reached out to hit his shoulders, wanting to push him away. However, he held her hands up with one hand and held them up with the other. Then, he kissed her fiercely again.

As he kissed her, he stumbled to the wall. She was pressed there by him and couldn't move. He held her hand with one hand and started to caress her body with the other.

sparks and electric currents came over and over again.

Lin sisi's body quickly softened. She shook her head and said, " "don't, don't run!"

"you don't want to?" gu ze's lips moved back a little, and his large palm cupped her with interest while he looked at her mockingly. " that's not how your body expresses itself. Also, those reporters are probably eagerly publishing these photos now that they've obtained them. Aren't you surprised that we'll be the headline tomorrow? "

lin sisi couldn't take it anymore. she didn't know where she found the strength to push him away.

He raised his hand and a slap landed on his face.

Gu ze turned his face to the side and slowly turned around. He gently licked his lips and stared at her. "you're looking to die?"

he raised his hand so high that it looked like it would fall down at any moment.

lin sisi looked at his hand, pursed her lips, and suddenly closed her eyes.

She even raised her little face to face him.

Gu ze's gaze landed on her small face and stared at it for a long time. There was a sinister fire in his eyes that was faintly burning. After a long time, he put down his hand and said hoarsely, "I won't hit you."

Lin sisi opened her eyes and met his gaze.

This was the first time he had spoken to her in such a tone after she had recovered her memories.

he was not unfamiliar with it. judging from the meaning behind his words, it was the kind of tone that acknowledged that she was once his wife.

Therefore, Lin sisi was stunned and could not say a word.

They looked at each other in the dark. After a long time, Gu ze held her hand.

Chapter 3184: forced to kiss, forced by him (4)

He held her and dragged her into the living room. Only then did she realize what he had done. She struggled and said in a low voice, "I'm here to get something. just give it to me. i'll get it done soon."

gu ze laughed coldly. ” you’re here to take something, but you’re using me. lin sisi, do you think my place is somewhere you can come and go as you please? ”

lin sisi was standing in the living room. when she heard a sound, she turned around and saw that the door of the villa was slowly closing. it became airtight.

“Gu ze, what are you trying to do?” she turned around and stared at Gu ze.

“I’m not going to do anything. I’m just going to keep you here for one night. I’ll help you with the photo I took just now.” after he finished speaking, he put his hands in his pocket and walked upstairs.

She called him twice, but he didn’t respond. Lin sisi was worried about her household register, so she couldn’t not take it since she was already here. Thus, she could only chase after him upstairs.

...

when she was halfway there, she suddenly felt a little scared. she had been here for so long and had not seen a single servant. then, she immediately understood that gu ze had deliberately sent everyone away.

She felt uneasy and continued to head upstairs.

but just as she went upstairs, she thought of something and quickly ran downstairs.

However, it was too late. A strong arm grabbed her, and the next second, she fell into his arms.

his body was very hot, as if he had been through a high temperature.

lin sisi was shocked. he had already carried her up and was walking straight to the master bedroom.

In the dark bedroom, she was thrown onto the huge bed. Lin sisi screamed, and then his tall body pressed on top of her. Her lips were blocked, and her mouth was immediately filled with the faint smell of his cigarette.

lin sisi was stunned for a moment before she understood. she shook her head to the side. ” gu ze, you’re crazy. let me go.”

“I won’t.” he held her down, his eyes so deep in the dark that it scared her.

However, she knew very well that he would not let her go easily.

So she stopped struggling and only asked in a low voice when he kissed her, ” “will you take responsibility?”

gu ze froze for a moment. he raised his head and stared at her in the dark.

Lin sisi suddenly laughed and asked again, ” “Will you take responsibility?”

his body froze there. after a long time, he slowly lifted his body and flipped to the side. he said quietly, ” “I won’t,”

She thought that he meant that he would never touch her again. Although her waist hurt, she still struggled to get up, but the moment she moved, he pressed her down again.

their bodies were pressed against each other, and there was a moment of surprise before he pressed her down again.

It could be considered as rape. He came very quickly and ended very quickly as if he had endured for a long time without a woman. However, he started again very quickly. Over and over again, he tortured her waist until it was about to break.

lin sisi couldn’t stop him and could only let him continue to burn.

Again and again, it was as if his life was being burned away.

In the end, she couldn’t help but beg for mercy. She said in a low and hoarse voice that it hurt, and Gu ze let her go.

however, he was already bleeding.

Lin sisi was in a daze for a moment. She looked at the bloodstains on the white bed sheet and was a little lost in thought.

Her little face was pale, as if she couldn't feel the pain. She just looked at the blood.

Gu ze also seemed to be shocked. He got up and went to the changing room to get some clothes to wear. He also made a set of his own clothes and buttoned it up for her. He said decisively, "to the hospital."

Lin sisi blinked and looked at him. "Do you want to be on the news?"

"are you going to sue me for rape?" He asked her seriously.

lin sisi was silent.

he had indeed raped her tonight, so rough that she didn't feel anything.

Chapter 3185: She was forced to kiss him 5

"Give me your household registration book," she said in a low voice after a long time.

what? " Gu ze narrowed his eyes. is this an exchange? "

"Sort of," Lin sisi muttered.

"otherwise, you'll have to rely on me to force myself?" gu ze sneered and picked her up. " then you better sue me! " he said.

He carried her and walked straight down the stairs. When he reached the ground floor, he carried her with one hand and opened the door of the front passenger seat with the other. He carefully placed her in the car. When he was about to close the door, Lin sisi grabbed his arm and said in a low voice, "Gu ze, household registration."

gu ze was about to bend over when he heard her words. his eyes tightened and he looked at her with a gaze full of focus.

...

at that moment, there was a pure male possessiveness in his eyes.

"Are you moving your household register out so that you can enjoy the night?" he asked her slowly.

Lin sisi sat in the car and lowered her eyes."You clearly know."

"I didn't know you cared so much about him." Gu ze stared into her eyes. if I don't give it to you, I'll be fulfilling your wish instead. Isn't that so? "

with that, he slammed the car door so hard that lin sisi, who was sitting in the car, trembled.

she raised her eyes and saw that gu ze had already sat down beside her. he did not say anything else and just started the car.

They didn't say anything along the way.

Lin sisi would not ask for trouble, but she was angry. What did he take her for? Did he really think that she would not dare to call the police?

when they arrived at the hospital, the car slowly stopped. lin sisi looked at gu ze and pursed her lips.

Gu ze also looked at her and said in a cold voice, "I'll carry you."

He held the car door with his fingers and wanted to get out, but Lin sisi stopped him. She asked in a low voice, ” “Mr. Gu, have you ever thought about what we are now?”

His body froze.

you’re holding onto something to trick me into sleeping with you once. Is there any meaning to that? ” she smiled lightly, and her smile was so obedient that it looked like she was entertaining those big producers. gu ze gritted his teeth.

he looked at her coldly. he knew that she would not say anything nice, but he still sat there and reached out to wipe the rearview mirror. then, his gaze fell on her face. ” what are you trying to say? ”

“Mr. Gu, you don’t want your fiancée to know that we slept together, do you?” Lin sisi smiled even more obediently.

she took out a small recording pen and said, ” ” once those photos are exposed, i promise that this will fall into wenxin’s hands. ”

“You can give it to her, I don’t care.” Gu ze’s face suddenly came over. “I can’t find her, do you want me to give her to you?”

the color of her little face changed, becoming somewhat pale.”Gu ze, what are you trying to do?”

“I’ve already done what I wanted to do, but you’re not very useful.” Gu ze’s voice sounded a little lazy.

Lin sisi was furious. She glared at him and whispered after a while, ” “i’m in pain.”

Gu ze looked at her sideways. His gaze was a little gentler. Then, he immediately got out of the car and carried her to the ER.

it was obviously embarrassing to see such an illness in the middle of the night, but gu ze didn’t seem to mind. he carried her over.

the female doctor on duty looked at the two of them and roughly understood what was going on.

moreover, these two faces were familiar. one was a financial giant, and the other was a popular star. moreover, she was a female star who was rumored to be in a scandal with the best actor. however, she was being carried to the hospital in the middle of the night by another man, and she was even wearing men's clothes.

there was only one possibility-ye xingdi had been cuckolded.

Chapter 3186: She was forced to kiss him 6

The female doctor, on the other hand, was seriously helping Lin sisi to check, but while treating her professionally, she also posted on her moments to complain. She secretly took pictures of Lin sisi and Gu ze, and the content was very simple ...

her heart ached for best actor ye for a second, and he was cheated on. his rumored girlfriend and man were playing a tearing game in the middle of the night!

This speed was simply the speed of light.

after sending the message, the female doctor helped lin sisi up and said gently, " " apply some medicine and take some anti-inflammatory pills. otherwise, it will affect your pregnancy in the future. "

Affect pregnancy-these four words made Lin sisi stunned for a moment. Not only her, but even Gu ze was also a little dazed.

this was because lin sisi could not possibly be pregnant.

...

lin sisi laughed lightly."I know."

She then looked at Gu ze. help me get my medicine. Sorry to trouble you.

The female doctor had just posted on her moments, but looking at her current attitude and expression, it didn't seem like the relationship between a rich man and a small-time artiste. So, the female doctor took a pen and pretended to do business."Your relationship?"

"ex-husband and wife."

"She is my wife."

They said it almost at the same time.

Then, the doctor couldn't stay calm anymore. With their relationship like this, if he annoyed her, he could Sue her and send her to jail.

Lin sisi probably thought that she had misunderstood, so she confirmed again, " "We're ex-husband and wife, but not anymore."

gu ze's expression was a little ugly, but he didn't act up. he went to get her medicine and came back.

the female doctor had already secretly deleted her post, but she did not know that it had already been reposted. she watched gu ze and lin sisi leave and sighed."actually, they look more compatible."

on the other side, gu ze put lin sisi back into the car and got in himself. he tapped his fingers on the steering wheel twice and turned his head."you want to rest at my house?"

lin sisi was obviously stunned and did not say anything for a long time. after a long time, she slowly said, " "i want to go home."

"come to my place, and i'll give you the household registration." gu ze looked at her.

She raised her eyes and looked at him with sourness in her eyes, as if she was not sure.

Gu ze smiled lightly. you don't believe me? ”

She didn't make a sound and quietly let him start the car.

however, when they arrived at gu ze's villa, he placed her on the bed in the master bedroom and gave her some water to take her medicine. he did not mention anything about her household registration.

“didn't you say you were going to give me that?” lin sisi was a little uneasy.

gu ze first stood by the bed and looked at him with a deep gaze.

Lin sisi, ” he said in a low voice after a long time. Wanwan, when we were making love, did you feel anything? ”

His voice was gentle, but at this moment, he was a little lost.

Lin sisi pursed her lips. we were probably having sex just now, not making love.

he stared at her, his eyes so deep that they seemed to be embedded into her soul.

Lin sisi's body trembled, but she did not make a sound, nor did she compromise.

after a long time, gu ze sighed. ” are you thinking in your heart that this is rape? ”

his gentleness was actually an aggressive force deep in his bones. lin sisi flew into a rage and glared at him. she laughed coldly.”Mr. Gu, you already know. Why do you have to say it?”

A trace of bitterness appeared in his eyes as he sneered, ” “didn't you ask me if i wanted you last time? you were still unhappy after i hugged you?”

No matter what, Lin sisi was still a girl. She couldn't take his insult and slapped him.

Chapter 3187: Mr. Gu, I'm not willing to do it anymore (1)

this time, gu ze ruthlessly grabbed her thin neck and threw her hard onto the soft bed.

her body was already in pain, and this time, it was worse than death.

gu ze cupped her face and kissed her hard. lin sisi refused, so he held her hand down and did not give her a chance to escape.

However, he did not continue. Instead, he looked at her deeply. "Does it hurt?"

lin sisi pursed her lips and did not say anything for a long time. she had a very stubborn tone.

gu ze lowered his head and deliberately bit her lips. he lowered his voice. "if you don't say anything, let's do it a few more times."

...

She immediately widened her eyes and looked at him, her eyes filled with shock.

"Why?" she asked with difficulty after a long time.

"isn't it good for us to separate? You have a fiancée, and I have my own life. Let's mind our own business. Mr. Gu, you're so powerful now, there's no need for you to do anything for me. " lin sisi's lower lip twitched slightly in a self-deprecating manner.

gu ze grabbed her wrist with one hand and suppressed his voice. " "Because you used me for ye mu Bai."

"So, you didn't plan to rape me in the first place, right?" The mockery in Lin sisi's eyes deepened.

Gu ze sneered and suddenly sat up. He handed the phone to her. "Didn't you say I'm going to rape her? we'll call the police!"

lin sisi held the phone and bit her lip. " "Don't think I don't dare!"

"Then call the police." Gu ze's face revealed an extremely arrogant expression. Then, he quickly removed her coat. Not only that, but he also stripped her of almost all her clothes.

He leaned over her ear, his thin lips gently biting the soft flesh on her ear. "didn't you say i'm going to rape her? call her."

"gu ze! you bastard!" lin sisi was so angry that she cursed.

gu ze laughed lightly. " you don't dare to? "

with that, he began to kiss her. he kissed her very intensely, as if he wanted to do it again.

lin sisi bit her lip and leaned her head weakly on the pillow. she said very softly, " "I'll really call the police."

"you report." gu ze said nonchalantly and continued to kiss her.

Lin sisi's hand was trembling as she held onto her phone. She could not make a sound for a long time.

"Not fighting?" Gu ze sneered.

He leaned over her and dialed the number for her.

When the toot beeped, Lin sisi was shocked and immediately threw the phone away as if it had been burned.

Gu ze's eyes were firmly fixed on her face. He stared at her for a long time before he lowered his head and continued. But this time, he was not so rough. Instead, he kissed her very gently.

it was indulgent and seemed to be deeply pampered.

when he pried open her lips, she resisted, but he did not allow her to escape. he kissed her deeply and forced her to be with him.

In the end, he did not want her, but her body was touched by him one by one, and he only let go after a long time.

lin sisi's body was covered in hot sweat. she panted and turned her little face to the side, looking a little embarrassed.

Gu ze propped himself up and looked at her. He suddenly said, " "i haven't decided yet."

she suddenly opened her eyes and looked at him.

"Lin sisi, give me some time to think about it." He said in a low voice. He even lowered his head and nibbled on her lips. There was a very special taste.

lin sisi was stunned for a moment, then she smiled bitterly." "What is Mr. Gu thinking? Do you want to lower your status and start a relationship with me that has no results or a short marriage?"

"it's a feeling." He said in a deep voice, dissatisfied with her attitude.

Lin sisi laughed mockingly. After that, she leaned her head on his pillow and looked at him quietly."mr. gu, i'm not willing to do it anymore."

Chapter 3188: Mr. Gu, I'm not willing to do it anymore 2

Gu ze's eyes were fixed on her, and as if he did not hear her, he asked again, " "what did you just say?"

“Mr. Gu, I’m not willing to do it anymore.” lin sisi smiled faintly. ” i want to start a new life. whether it’s me or the little fool in your heart, it’s all in the past. we both want to leave your life. ”

his expression became very ugly, as if he had a special feeling about her sentence of ‘you and the little fool in your heart’.

the atmosphere was a little tense, but lin sisi was still lying down. she smiled gently and said, even if you don’t admit that I’m her, I’m her. Unless I die, Gu ze, you can really separate me from her. Do you want me to die? ”

The veins on Gu ze’s forehead were popping out as he stared at her.

lin sisi shook her head gently and repeated, ” “i’m not willing anymore, gu ze.”

...

Gu ze’s face was cold,’is it because of ye mu Bai? Because of the appearance of an outstanding man, you’re dismissive of me? lin sisi, i’m telling you, yingluo!”

Mr. Gu, I know everything you told me. Thank you, but there’s nothing between Yingluo and Mubai. He’s a very good friend of mine. lin sisi lowered her eyes. ” i also want to protect him. so, please don’t involve him in the matter between you and me. ”

Her protection of ye mu Bai made Gu ze extremely uncomfortable. He stared at her. “You want to protect him?”

“Yes, every sincere person should be treated well.” she did not back down.

Gu ze laughed. you came to my place. What do you think ye mu Bai would think? ”

“i’m friends with him.” lin sisi looked at him. ” as for us, ” she said, ” even if we had sex, we would still be strangers. ”

“you’ve never slept with him, have you?” gu ze leaned in closer to her.

Lin sisi's eyes widened and she kept looking at him.

Gu ze laughed lightly and stepped back. " "it's quite interesting,"

he got up and walked out without forcing her.

As soon as he left, Lin sisi felt her entire body relax, and she collapsed on the bed.

She had laid in this place before, and her mood was completely different now. That time, she had seduced Gu ze during his engagement for revenge. Her mind was full of revenge, but now, she was a lot calmer.

She did like him, very much. Otherwise, she wouldn't have come to the hospital so late at night to ask if he still wanted her.

He didn't want it. He had said so many nasty things, and she felt that it was time to end it. Perhaps they weren't suitable for each other. She had let go of a lot, but he hadn't let go yet. She didn't like to force herself.

sometimes, the impulsiveness of a relationship was at that moment. after that moment, there was no longer the Lin sisi who would shamelessly run to the hospital in the middle of the night to confess to a man.

when everything cooled down, she felt that everything was over.

Her leg still hurt and her head was groggy, but Lin sisi still sat up and looked at the night sky outside.

after sitting for a while, she got up and stood in front of the floor-to-ceiling window, drawing the curtains.

the night wind was very cold, and everywhere was cold, but she still needed to do this to keep her mind calm.

Today, Gu ze's suggestion was very tempting, but she did not agree.

he said he hadn't thought about it yet, but she couldn't wait for another person.

after being exposed to the night wind for half the night, her body naturally would not recover. when the sun rose, she felt her body heat up again. she lay back on the bed silently, thinking that this was the last time.

Chapter 3189: mr. gu, i'm not willing to do it anymore (3)

she fell asleep in a daze and vaguely felt the mattress beside her sink in.

Lin sisi opened her eyes and saw Gu ze sitting beside her.

In the morning, he seemed to have taken a shower. There was a particularly refreshing smell on his body, and he was neatly dressed in the type of outdoor clothes, the classic black and white suit.

"you're awake?" gu ze's voice was quite calm. " i still have something to do later. yingluo, if you're okay, go back. this is your household registration. "

as he spoke, he placed something in her hand. lin sisi looked down and saw that it was a household registration page.

"Whenever it's convenient to move it." Gu ze looked at her deeply and said, 'I'm going to the airport for a business trip overseas. there's a servant at home who knows how to cook, so you can leave after eating."

...

Lin sisi's head was leaning on the pillow. She felt that her head was very hot, and so was her body. Her back was even covered in sweat.

She knew that her fever was probably very serious. She should have asked him to stay and let him take her to the hospital, but when she saw his cold face, she did not say anything.

gu ze's gaze fell on her face quietly. after a while, he got up."I'm leaving, that's all! don't let me see you again."

"I'll leave this place as soon as possible." Lin sisi lowered her eyes.

"That's true!" He nodded in agreement. ye mu Bai will be unhappy if word gets out that you're staying here.

lin sisi retorted, but after thinking for a while, she still didn't say anything.

gu ze got up, and the mattress followed.

She looked up at him.

Gu ze also smiled, but there was no smile in his eyes. I also feel that we don't seem to be fated to meet. We're always going in circles. Lin sisi, this time, we'll really break up. Let's not meet again.

her throat seemed to be blocked by something, and she felt a little uncomfortable.

it was finally time for them to face each other in peace, but usually, it was time to say goodbye.

lin sisi nodded and only said one word, "alright," he said.

Gu ze took one last look at her and slowly walked out.

The moment the door closed, Lin sisi gently fell back onto the pillow. She was very tired and wanted to sleep.

She closed her eyes and felt that her life was very long, so long that she was almost at a loss.

She fell asleep and vaguely felt that her body was very, very hot. She wanted to remember it but couldn't do it.

Last night, she had been willful for a while, and now she was acting like this.

when the fever was particularly unbearable, she wanted to cry, but she couldn't.

she had a vague feeling that she had lost something, but she couldn't figure out what it was that had slipped away.

She was having a fever upstairs and was finally discovered by Gu ze's servants. It was already four hours later.

The servant panicked and called Gu ze. Gu ze was on the private plane and his phone couldn't be reached. The servant had no choice but to call 120. The entrance of this villa was guarded by reporters.

When Lin sisi was carried out, her pajamas were stained with blood. Coupled with the female doctor's WeChat moments, it was a big show of being tortured by a prostitute.

The servants in the house were shocked, because there was a lot of blood on the bed upstairs.

She then called Gu ze, but he could not be contacted. The servants could not contact Wen Xin either.

since miss wen was mr. gu's fiancée, mr. gu had to know about this matter.

wen xinya hung up the phone and smiled coldly. she held her phone and slowly dialed the satellite phone of gu ze's private plane.

Chapter 3190: whose child is it? 1

xu qiaonan picked up the phone. after listening for a few seconds, she lowered the phone. she was silent for a long time before she walked in gu ze's direction.

Gu ze was dealing with work. He saw Xu Qiaonan coming over from the corner of his eye and asked,"is there something?"

xu qiaonan pursed his lips and said softly, "Master Gu, something has happened in B city."

"what is it?" Gu ze looked up and thought it was only business.

Xu Qiaonan's voice was soft. it was Lin sisi. She was sent to the hospital. I heard that she lost a lot of blood. Xuxu was in President Gu's Villa at the time.

Gu ze's brows immediately furrowed and he muttered, "What's going on?"

...

xu qiaonan didn't say anything. how could president gu ask her about this? he should know what was going on.

The lower half of his body was bleeding. To a woman, it was just that kind of thing.

Just thinking about it made Xu Qiaonan's lips tremble unnaturally. She was very confused about her boss's entanglement with Lin sisi.

But no matter what, she couldn't hide this kind of thing, so she whispered, "I heard that the servants in president gu's house said that it might be a miscarriage."

a miscarriage?

"what?" gu ze narrowed his eyes. "how did you have a miscarriage?"

Lin sisi shouldn't be able to give birth to Yingluo. He had never verified it and had only heard about it.

He and Lin sisi had only had sex once or twice recently. She was almost unable to get pregnant.

as gu ze was deep in thought, xu qiaonan said, "Master Gu, do you want me to confirm it again?"

Gu ze's heart was in a mess. Furthermore, he did not want his Secretary to get too involved in Lin sisi's personal matters. Thus, he waved his hand. I'll make the call personally.

As he spoke, he closed the document and made a call personally.

He did not call home, but ye mu Bai's phone.

After the phone rang a few times, ye mu Bai picked it up and said in a hoarse voice, "she's in surgery. The child is gone.

At that moment, Gu ze's heart felt as if it had lost all its weight and fell to the bottom.

"What are you talking about?" his voice was slightly hoarse.

"Sisi had a miscarriage." "he's your child, isn't he?" ye mu bai asked seriously.

Gu ze was silent for a moment, and his voice was very slow. "I don't know. I'll ask Lin sisi."

ye mu bai's voice suddenly became extremely low. gu ze, if you need to ask her, then i advise you not to. "

Gu ze was stunned.

"the child is mine," ye mu bai said softly.

After that, he hung up the phone.

on gu ze's side, there was a toot sound from the phone. when he heard this sound, his heart suddenly clenched.

xu qiaonan walked over and asked him softly, master Gu, we'll be at the airport in two hours. The contract will be signed in three hours. Take a look at Yingluo.

“arrange for a private plane to return to china immediately after signing the contract.” Gu ze’s voice was very decisive. Xu Qiaonan wanted to say something, but he didn’t.

Gu ze returned to B City 24 hours after the incident. He went to the hospital where Lin sisi was at. The entrance of the hospital was surrounded by reporters.

when the reporters saw him, they immediately swarmed up. ” Mr. Gu, what do you think about miss Lin’s miscarriage? ye mu Bai has already admitted that the child is his. Do you really not mind spending the night with a pregnant woman? ”

gu ze’s face was completely black. he walked forward while the security guards stopped those people, not letting them get close to him.

however, the reporter’s question was still very tricky. President Gu and Best Actor ye are close friends, right? does that mean Lin sisi will be your partner? is this how rich people live? ”
