

Thank you 3191

Chapter 3191: whose child is it? 2

Gu ze glanced over, his expression especially cold. “Mubai is my friend.”

he strode into the hospital.

The ward on the 24th floor was very empty. As it was a VIP Ward, there were only a few rooms on each floor.

Gu ze stood at the door of the ward. Just as he was about to push the door open, ye mu Bai happened to come out.

When he saw Gu ze, he did not seem surprised at all. He just looked at him quietly for a while before saying in a hoarse voice, ” “You’re back?”

” is she inside? i want to see her. ” gu ze looked exhausted.

...

Ye mu Bai continued to look on quietly without making a sound.

“you won’t even give me this chance, will you?” Gu ze muttered,”I’m always Yingying.”

He actually couldn’t say anything for a while.

“Of course.” Ye mu Bai smiled.

when he passed by gu ze, he whispered, ” “I’m together with sisi.”

gu ze's body shook. ye mubai looked into his eyes and said calmly, "i don't know who the father is, but that's not important. i want her. i want her to be happy. i don't want her to be like this anymore."

As he spoke, he smiled faintly. "I know that sisi is going to your place. I think that if you've thought it through and you really like her, but she can't let you go, you two can still be together. But when I heard you say that you're not sure about the child, I knew that it was impossible between you two. sisi wouldn't want a man who doesn't trust her."

Gu ze's fingers were clenched into fists.

"she doesn't need to say that." ye mu bai was still calm. "there are many things that i can guess. Gu ze, she really did love you, but she's probably heartbroken now."

"you told her that i said i wasn't sure if the child was mine?" gu ze's voice was suppressed.

Ye mu Bai's body was leaning against the wall. He turned his head and looked straight at Gu ze. After a while, he smiled. "I told everyone that the child is mine. Do you think she won't be able to guess it?"

he sighed again. "gu ze, she's no longer that little fool. she's no longer the person who wouldn't resist no matter how you treat her."

At that moment, something broke out of Gu ze's heart.

He wanted to grab it, but he suddenly felt that it was far away from him.

after a long, long time, gu ze thought to himself, if i hadn't gone on a business trip that day, if i had trusted lin sisi a little more, would she not have left me?

He looked at ye mu Bai for a long time before he gently pushed open the door of the ward.

Lin sisi lay quietly, her petite face devoid of any color. Madam Lin was accompanying her by her side.

When Madam Lin saw Gu ze, her expression was very complicated. She got up and said very lightly, "let's talk!"

No matter what, she was still his ex-mother-in-law, so Gu ze had to give her some face. He followed Madam Lin to the living room outside.

madam lin went straight to the point, "gu ze, it's best if you don't come to the hospital anymore." she's not worthy of our sisi."

Gu ze's throat seemed to be blocked. After a few seconds of silence, he asked, "how is she?"

"It's not good," "the child is gone. do you think she'll recover?" madam lin said calmly.

gu ze wanted to speak, but madam lin stopped him. "this child came unexpectedly. It might be sisi's only child in her life. Don't ask whose child it is. I think sisi will answer you and say it's her own.

gu ze's heart trembled. "it's mine, right?"

Madam Lin did not say anything. She did not deny or admit it.

Chapter 3192: whose child is it? 3

thus, gu ze understood that this child was his.

For a moment, he was stunned, and his face was a rare pale.

however, madam lin had to continue. she said softly, "Mubai has already told the public that the child is his, and sisi might consider him. So, it doesn't matter who the child is, Mr. Gu. What's important is the future. Do you understand what I'm saying?"

at that moment, gu ze's eyes hurt. his heart and bones hurt together.

He tried his best to smile, but it was difficult. In the end, he looked at Madam Lin and asked softly, "can i see her?"

Madam Lin hesitated.

...

" don't worry, " gu ze immediately said. " i won't do anything out of line. "

They were all very clear about the current situation. If he came out to fight with ye mu Bai, the consequences would be unimaginable. This matter would develop into an unpredictable situation.

Gu ze was not such a person either.

He even bitterly thought that if he could abandon her a few years ago, Hanhan could do the same now.

However, he felt that there was an empty space in his heart. No, the place that was originally empty was now like a bloody hole. He felt that he could no longer fill it in his life.

gu ze closed his eyes slightly, trying to let the pain slowly pass, but it only became more and more painful. in the end, it was so painful that he was almost numb.

"I'll ask sisi," Madam Lin said.

after she finished speaking, she gave gu ze a deep look. gu ze nodded slightly. after madam lin entered the ward, he realized that his fingers were clenched into fists and were already drenched in sweat.

He loosened his fingers and waited anxiously.

about five minutes later, madam lin came out with a complicated look in her eyes."go in, i'll wait outside."

She looked like she wanted to say something but stopped herself.

Gu ze pursed his lips and walked in.

the VIP ward was filled with the smell of disinfectant. gu ze usually did not think much of it, but at this moment, he felt that it was very pungent. the lights were too white.

he slowly walked over and looked at the person lying on the bed. she was lying there lifelessly with a pale face, like a flower that had lost its water.

she opened her eyes and watched him approach.

“Sisi,” Gu ze’s voice was extremely hoarse the moment he opened his mouth. He did not expect this.

Lin sisi’s eyes opened a slit. Like an injured animal, her eyes were full of hurt.

Gu ze softly called her name again.

She gave a very faint smile, but that smile seemed to be frozen at the corner of her mouth, and her whole person was still.

“You’re here.” she was still looking at him and did not move.

gu ze realized that she was surrounded by tubes and all sorts of instruments.

“Does it hurt?” he asked in a low voice.

Tears welled up in Lin sisi’s eyes. She slowly shook her head, then nodded.”it hurts.”

this word seemed to have magic, and it made the bloody hole in gu ze’s heart grow bigger.

he lowered his eyes and heard her continue to speak in a weak and hoarse voice. ” aren’t you on a business trip? ”

He suddenly looked up and stared straight into her eyes.

At this moment, there was a storm gathering in his eyes, while in her eyes, there was the calm after the storm. They were always so out of tune, and they would never love each other at the same time.

Gu ze stared into her eyes and said slowly, ” Lin sisi, tell me. The child is mine, right? ”

Her eyes shrank, and then she looked down as if she didn’t dare to look him in the eye. She said very softly, ” “it’s not important anymore.”

He stared at her, not letting go of any expression she made. ” you’re prepared to be together with ye mu bai, aren’t you? ”

Chapter 3193: Whose child is it?(4)

Lin sisi looked at him and did not say anything.

Gu ze’s face was full of depression. His fingers clenched into a fist and pounded on the bed.

With a bang, his fist was immediately stained with blood, and Lin sisi’s face turned even paler.

Gu ze didn’t care about his injuries and said in a low voice, ” “lin sisi, are you in pain now?”

She stared blankly and slowly nodded.

He also nodded and smiled indifferently.”I’m in pain too.”

...

his eyes met hers, and he suddenly lowered his body and placed his head near her lower abdomen.

Lin sisi's body trembled, and her face turned as pale as snow. She asked in a trembling voice, "Gu ze, what do you want to do?"

He ignored her and pressed his face against her stomach. His bloodied palm gently touched her there. His voice was so hoarse that it seemed like he hadn't slept for three days. Lin sisi, if this child is saved, does that mean we still have a chance? "

she was stunned.

Gu ze didn't say anything else. He just stuck his face on her stomach and didn't want to leave.

after a long time, she spoke,"gu ze, there's no" if,"we've already missed so much."

she was very weak, but she insisted on finishing her words. " "We've always been like this, so let's end it!"

As she spoke, she felt a warm and moist sensation seeping into her face, making her skin feel very uncomfortable.

her heart skipped a beat and she reached out to touch his face.

it was gu ze's face.

it was wet.

he was crying.

"gu ze?" Lin sisi laughed in a daze."why are you crying? You'll have more children in the future."

gu ze's fingers clutched her hospital gown tightly. blood stained her clothes, but they did not care at this time.

perhaps, this was really the last time.

“lin sisi, do you hate me?” gu ze asked in a low and hoarse voice.

he was the one who raped her, and that was why the child was gone.

she should hate him.

yes, she should hate him. how could she forgive him and be with him again?

Lin sisi was silent for a long time before she whispered, ” “I don’t hate you anymore, Gu ze. If that little fool in the past tried her best to like you, then I don’t think she would want to hate you. It’s just that we’re not suitable for each other.”

gu ze closed his eyes tightly, and his cold and hard lines were tense. his fingers were clenched again, and he was holding her so tightly that she almost felt pain.

but she endured it.

it hurt, but not as much as when she lost her child.

She did not want to experience that heart-wrenching pain again.

she had suffered for him three times. that was enough.

“Lin sisi, What if I don’t let go?” Gu ze muttered after a long time.

She probably didn’t expect him to be like this. After being stunned for a while, she said in a low voice, ” “gu ze, it’s impossible between us.”

“Because of Mubai?” his voice turned cold again, as if he could not accept this result.

Lin sisi paused for a long time before she whispered, "do you think we can still be together because of this child?" but gu ze, without yingluo, the relationship between us has never been because of ye mubai. it's because we don't trust each other."

she seemed to have grown up a lot, and she was also a lot more indifferent."When I said that I don't hate you, it's not just because I've let go. If I had trusted you in the past, we might not have reached that stage. We're both too proud and don't allow each other to hide anything from us. Gu ze, I didn't know before, but now I know that you have my Yingluo in your heart, but I don't dare to have you in my heart anymore."

Chapter 3194: Gu ze, I'm the one who doesn't want you this time around 1

for some reason, gu ze asked, " "Do you have Mubai in your heart?"

Lin sisi did not answer his question. She only closed her eyes weakly.

At that moment, Gu ze understood that no matter who she had in her heart, there would never be a place for him.

at that moment, his mood was particularly complicated. he wanted to make her stay, but he didn't know how to do it.

he stared at her face for a long time before he said in a low voice, " I've never been a soft-hearted person, and I've never regretted my choices. However, if I were to start over, I would have a different choice.

lin sisi's eyes were closed, and her long eyelashes trembled. it was a heartbreaking tremble.

...

gu ze leaned forward and slowly moved closer to her.

When his temperature was getting hotter and hotter, and his lips were getting closer and closer, Lin sisi suddenly opened her eyes.

their eyes met, and they were very close.

his lips pressed against hers, not deep, but just a light touch.

She widened her eyes.

Gu ze looked into her eyes, as if he could see through her soul. "I lost you, didn't I, little fool?"

when he said this, lin sisi's tears fell immediately.

she couldn't hold back her tears, and they almost covered her face.

he called her a little fool. he finally admitted that she was a little fool in his heart, but they could never go back to how they were.

she looked at him, her lips trembling. "gu ze, i can only be called lin sisi from now on. "

His lips moved back a little, and his voice was extremely hoarse."I know,"

He finally let go of her, but his eyes were still entangled in her gaze, unwilling to leave.

Lin sisi bit her lower lip and lowered her eyes."mr. gu, you should go."

He didn't make a sound and continued to look at her.

lin sisi kept her eyes lowered, not daring to look at him again. she was afraid that if she did, she would regret it and hug him.

She hugged him and asked, Gu ze, do you still want me?

gu ze looked at her deeply and said in a low voice, ” “i’m leaving.”

She said to leave, but she couldn’t move a single step.

lin sisi slowly lay down and closed her eyes.”I’m a little tired.”

he no longer had any reason to stay.

When Gu ze walked out, he saw ye mu Bai and Madam Lin.

madam lin quietly went into the ward to accompany lin sisi. ye mu bai looked at gu ze and said very indifferently, ” “Let’s have a chat!”

gu ze nodded. he also knew that this conversation was not simple, but he needed to be clear-headed at this moment, even if it hurt to be clear-headed.

the two men came to the rooftop, and the wind blew loudly. ye mu bai looked at gu ze and threw a punch without saying anything.

it was a hard hit, and gu ze took a few steps back. blood trickled down the corner of his mouth.

he did not resist, nor did he retaliate. he just looked at ye mu bai. ” come at me again! ”

Ye mu Bai did not hold back. The second and third punches came one after another.

in the wind, ye mu bai’s angry roar could be heard. ” “Do you know what this child means to her? This might be her last chance to be a mother.”

how could gu ze not know?

He took one punch after another. Each punch hit his flesh. It was very painful, but only that kind of pain could make him sober up a little, and make him feel that he was really alive.

Ye mu Bai was tired after taking so many hits. Gu ze lay on the rooftop and looked up at the sky.

“You’ll treat her well, won’t you?” he whispered after a long time.

Chapter 3195: gu ze, i’m the one who doesn’t want you this time 2

Ye mu Bai stood there and panted heavily. you’ve given up? ”

Gu ze lay down and smiled helplessly. “So What if I don’t give up?”

He looked up at the sky and the clouds floating in the sky. His voice was filled with unspeakable pain.”Help me take good care of her.”

ye mu bai stared into her eyes. ” gu ze, have you ever thought about the fact that she still needs you? ”

“you always let go so easily,” he sneered.

“No.” Gu ze closed his eyes. Mubai, ” he said, ” she really doesn’t want me anymore this time.

...

ye mu bai was stunned for a moment. he wanted to say something, but he could not say a single word.

as for gu ze, after lying down for a long time, he finally struggled to stand up. he picked up his gray coat and patted it. he laughed bitterly.”i’m leaving.”

Then, he walked towards the exit.

every step he took was difficult, and every step he took made his heart ache. it was as if every step was digging a hole in his heart, and it was dripping with blood.

but he still had to smile.

his woman had been pregnant with his child, but he had lost her. however, when he was not by her side, he had even suspected that the child was not his. ye mu bai had told the public that the child was his qianqian.

Now, he had nothing left.

the child, little fool, and lin sisi were all gone.

The sun shone on him. He raised his hand to block the sunlight and looked at the sky. He felt that it was so glaring.

gu ze revealed a smile. it was a very complicated smile.

it was a little self-deprecating and indescribable.

this was not the first time he liked someone. he had silently liked qin mu for eight years, but that kind of like could be a blessing. as long as she was living well, he didn't mind still silently waiting for her.

However, it was different this time. Lin sisi's departure had dug a hole in his heart. She had taken away what belonged to him.

even if she was happy in the future, he would still feel regret.

Perhaps it was because they were once husband and wife. Even though it was short, she once belonged to him. She was Gu ze's wife.

Gu ze left the hospital. He did not go home. Instead, he went to his villa in C city.

He went to the backyard and stood in front of the small dirt mound he had buried himself. He slowly knelt down and dug out the dirt bit by bit, taking out the bag that contained the sweater.

When he opened it, the clumsy sweater inside was still very new, as if it had not been washed by the years. It was as if everything was as good as new, as if his little fool was still waiting for him in the villa.

it was as if every time he came over, she would pounce on him, hug him, call his name, and say that she missed him so much.

Gu ze held the sweater in his arms and whispered, ” ” i suddenly realized that i’ve been very bad to you. a long time ago, i thought that i liked you very much, or even fell in love with you. in fact, that wasn’t love. it was just like a child finding a new toy. once he found that the toy wasn’t fun, he threw it away decisively. ”

“Now, it’s impossible for me to have it again.” he smiled bitterly and hugged the sweater. a hot tear slowly fell from the corner of his eye.

under the autumn sun, it was crystal clear and dazzling.

Gu ze waited in C city for a day. When he returned, he started up the villa again. He hired a few gardeners and cleaners. He kept everything in his and Lin sisi’s master bedroom. He even got someone to turn on sisi’s favorite music fountain all day long, even when she was not around.

when he returned to B city, he took the sweater with him and wore it closely.

He had finally admitted that Lin sisi and little fool were the same person. However, she was no longer willing to be his little fool.

Chapter 3196: Gu ze, I’m the one who doesn’t want you this time 3

after that, a few things happened in B city.

Lin sisi had retired from the entertainment industry, and the ye family was in a crisis. For a time, they were as unpredictable as the Lin family back then.

At the critical moment, ye mu Bai and Bai Sulli got engaged. Moreover, ye mu Bai also withdrew from the entertainment industry and worked behind the scenes to help the ye family.

this series of events had caught people off guard in just a few days.

it had only been two months since lin sisi's miscarriage.

gu ze put down the newspaper in his hand and was silent for a long time. he suddenly took his coat and walked out of the office.

...

Outside, Xu Qiaonan looked at him in surprise."master gu, we're about to go on a business trip."

business trip?

gu ze's facial muscles trembled. he immediately remembered that he missed lin sisi the last time he went on a business trip.

If he hadn't left, sisi's child wouldn't have been lost. If he hadn't gone on a business trip, he and Lin sisi would have had a chance to get back together because of the child.

Gu ze smiled, but his tone was firm. "no matter what it is, push it back. i have private matters to deal with in the next three days. "

"is it lin sisi?" xu qiaonan asked instinctively.

Gu ze narrowed his eyes.

he didn't like xu qiaonan asking too much about his personal life. now that xu qiaonan kept asking, he was a little disgusted."secretary xu, i told you not to ask about my personal matters."

“President Gu, please look for Lin sisi, but don’t forget about miss Wen,” Xu Qiaonan said bluntly.

wen xin was still gu ze’s fiancée in name. if president gu chose to look for lin sisi, he would have to get rid of wen xin first.

gu ze’s steps paused. he turned to look at xu qiaonan and said in a calm voice, ” “I know.”

After saying that, he quickly walked into the elevator.

he went to the villa where lin sisi usually stayed. she was not at home, and only auntie li was there.

with ye mulin’s help, auntie li’s daughter had successfully cleared her name and returned to the country. now, auntie li was helping out in lin sisi’s villa. however, gu ze knew that lin sisi had left the entertainment industry. soon, she would not be able to afford to stay in such a villa.

however, he didn’t say much to auntie li. he just gave her a business card. ” C city is the same as before. also, if you want to find a job in the future, you can come to me. ”

Auntie li was in a daze and mumbled, ” “Mr. Gu, please.”

sisi’s parents live in A city. Do you have the address? ” gu ze asked.

auntie li was stunned for a moment, then she said, ” “there are.”

she ran back into the house and passed him a note. ” “sisi gave this to me.”

Gu ze reached out and took it. He looked at the delicate handwriting on it and the symbols of a little pig. The corners of his mouth rose slightly, but he also felt a little sad at the same time.

after going through so many things, he actually felt very happy that his sisi could still maintain this childlike innocence.

auntie li looked at him with a faint smile and whispered, ” “Mr. Gu, you can’t let sisi know what I said!”

Gu ze came back to his senses. yeah, I won’t say it. Also, call me Gu ze in the future!

“I can’t! Mr. Gu is Mr. Gu.” auntie li refused and waved her hand, but she secretly thought to herself: there might not be a future for him.

Gu ze didn’t know that Auntie li was thinking so much and took his leave.

He drove for a few hours to A city and arrived at the place where Lin sisi’s parents lived. As it was only a third-tier city, Lin sisi bought a rather large villa for her parents for their retirement.

Chapter 3197: Gu ze, I don’t want you anymore this time

gu ze could see that the little garden inside was very well-maintained through the black carved gate. mrs. lin and mr. lin were taking a walk in the courtyard, and they looked very peaceful.

Gu ze waited for a while but did not see Lin sisi, so he took out a cigarette and lit it, waiting quietly.

About ten minutes later, Mrs. Lin saw him. After some thought, she walked over and opened the door.

Compared to the last time, Madam Lin’s expression was much gentler, probably because her mood had calmed down.

Gu ze threw the cigarette butt away and stepped on it. He nodded and smiled at Madam Lin.”Mom.”

He and sisi had been husband and wife for a while, but they rarely had the chance to see Madam Lin, let alone call her ‘mom’.

...

madam lin was a little stunned by his words. she only regained her senses after a while and smiled faintly. Mr. Gu, you're being too serious. I might not be able to bear this title.

gu ze had been in the business world for a long time, so he was naturally very familiar with the ways of the world. he understood madam lin's resistance to him, so he didn't force it. instead, he smiled tactfully."sisi and i used to be husband and wife, so it's only polite to call me that now."

madam lin couldn't find the right words to say, so she decided to say, " "Are you here to look for sisi? She didn't come back."

"she doesn't live in B city either." gu ze frowned.

"she's already put that villa up for sale. she'll probably move to a smaller apartment in the future!" madam lin smiled. he might come back to A city to live with us."

Gu ze was stunned.

return to A city?

Was she not staying in B city anymore?

he knew in his heart what this meant to lin sisi. it meant that she had let go of everything, including gu ze.

he didn't say anything for a long time. madam lin could read his mind, so she sighed."Gu ze, it's not that I have feelings for you. It's just that you and sisi are really impossible."

" of course, old lin and i can't persuade her to be with you, " she said in a low voice. " you've hurt her too deeply. "

Gu ze knew all of this. He pursed his lips and said in a low voice, " "i understand."

mr. lin also walked over. after all, he was a man of such a high position, so he was quite open with his etiquette. he invited gu ze to have a cup of tea. gu ze was obviously a little flattered, but he quickly nodded.”okay, dad.”

mr. lin glanced at his wife, his meaning unclear.

No matter how dissatisfied Mrs. Lin was, she had to give her husband some face. Thus, they walked back together. She went to make tea, and Gu ze took the opportunity to look around the villa.

mr. lin’s voice rang out. ” it can’t be compared to the past, but i’m very satisfied to be able to live like this. however, sisi’s life is too hard. a while ago, when mubai’s incident happened, we all asked sisi to come back to A city, but she refused. ”

This was quite different from what Madam Lin had said. Gu ze looked at Mr. Lin and slowly asked, ” “can you tell me what’s going on with the ye family?”

mr. lin smiled. ” ye mu bai’s father hasn’t been doing too well recently. the bai family can help him strengthen his position. it’s normal for ye mu bai to choose to marry bai sulli under such circumstances. sisi doesn’t blame him. ”

he added,”oh, right, sisi and mubai are good friends.”

These words had a deeper meaning. Gu ze immediately understood and said in a low voice, ” “I didn’t do a lot of things well.”

“No,” Mr. Lin sighed,”you and sisi are different from her and Mubai.”

Chapter 3198: Gu ze, I don’t want you anymore this time 5

After Mr. Lin finished speaking, Gu ze quickly understood and felt an unspeakable sadness.

however, this kind of sadness could not be said.

he just drank the tea that madam lin had brought him in silence. after he finished the tea, he had no reason to stay.

They should have been family, but they didn't even have a chance to have a meal together.

When Gu ze got up, Mr. Lin knew what he wanted to say, so he said, " " gu ze, i know you want to get sisi back, but i want to ask you, if sisi was still that little fool, would you still want her by all means? "

gu ze could not answer and only said in a low voice, " "I don't know. I only know that I want to find her at this moment."

...

after that, he walked towards the door.

madam lin sent him off.

Before Gu ze got into the car, Madam Lin said, " "Gu ze, don't blame uncle and Auntie. We don't want to see sisi get hurt again."

gu ze nodded heavily. " i understand and can understand. But I promise I won't hurt her again. If I can, I want to take care of her for the rest of her life."

gu ze covered his eyes. " i didn't know she could get pregnant. "

"after qin chen recovered his memory, he operated on sisi," madam lin said in a low voice. After sisi's miscarriage, Qin Chen blamed himself, but this is fate."

gu ze pursed his lips and sighed. in the end, he did not say a word.

there was no way to start.

In the end, he still got into the car and returned to B city to look for her.

He had searched many places, all the places that she could have been, but he had not found her.

Later on, he heard that she had gone on a trip and he didn't know when she would be back.

Gu ze was waiting in B city for someone to appear again.

their next meeting was three months later.

at this time, it was almost the new year, and the weather was very cold. however, lin sisi had returned from some city with a tanned face.

gu ze saw her at her villa. she was moving at the time, and it had only been three to four hours since she set foot on B city's land.

Lin sisi carried the boxes into the car. She looked up and saw Gu ze. Then, she looked at Auntie li.

Auntie li pretended to do something else and turned away.

lin sisi smiled and looked at gu ze. " why are you here? "

Gu ze's eyes were deep as he stared at her for a while before he said in a low voice, " "i heard you're back."

he shifted his gaze to the luggage in her hands. " what are you doing? "

"i sold my house and moved." Lin sisi said it lightly, but Gu ze's heart was a little sad.

If it wasn't for him, Lin sisi might still be in the entertainment industry, enjoying the best resources that Qin mo had given her.

He opened his mouth, his voice extremely hoarse, ” “If you didn’t sell the house, you wouldn’t have come back, right?”

Lin sisi smiled and continued to take the things that Auntie li handed over and put them in the car.

Gu ze suddenly grabbed her arm and said in a low and hoarse voice, ” I can buy it and give it to you. There’s actually no need to move.

lin sisi’s eyes widened as she looked at him in disbelief.

gu ze continued to look at her.

after a long while, she asked softly, ” gu ze, what is this? a mistress? or compensation? ”

she shook off his hand and continued to move her things. gu ze followed her and wanted to help her, but she rejected him.

“I know you bought the house, but I’m short of money. You can have the house, but you can’t give me the person.” Lin sisi quickly moved the last box of things and called for Auntie li. Auntie, how’s the preparation of your things? ”

Chapter 3199: Gu ze, I don’t want you anymore this time

“i only have a small suitcase,” auntie li said with a complicated expression.

Auntie li was feeling uneasy. sisi, how about this? I’ll go back to my hometown. You’re no longer in the entertainment industry, and you still have to support me while working an ordinary job. I feel bad. I can find a job myself when I go out.

the main thing was that sisi was about to move into a house that was only eighty square meters. if she moved in, it would be too crowded, and it would be inconvenient for sisi to have a girlfriend in the future.

Lin sisi thought for a moment. will you be with your daughter? ”

“That’s for sure,” Auntie li nodded.

“That’s good.” Lin sisi smiled.

...

she took a bag from her car and counted out 100000 yuan for auntie li. ” this is your salary for the next few months. ”

Auntie li was shocked. I can’t do that. Ten thousand is already a lot. Besides, you helped me with that matter.

lin sisi shoved the money to her. ” the person who bought the house is a sucker. he gave us an extra few hundred thousand. take this money. your daughter’s case is mubai’s favor. you can treat him to a good meal. ”

Auntie li didn’t say anything else. She carried her own small luggage, and Lin sisi called a taxi for her.

Gu ze watched as she was busy. When she was done, he touched his nose. you’re still in contact with ye mu Bai? ”

“Occasionally!” Lin sisi checked the things and turned to look at Gu ze. “I have to go.”

gu ze stood there without moving. lin sisi licked her lips and whispered, ” “Do you want to go in and take a look? the things inside are all left behind according to the rules.”

gu ze looked at her and slowly said,”you know i bought it. why do you still want it?.”

“because i’m short of money!” Lin sisi said it matter-of-factly, and there was a sense of carefreeness in her words.

Gu ze put his hand in his pocket and took out a cigarette. go and take a look. As the previous owner of the house, shouldn't you also explain yourself and not just run away? ”

Lin sisi smiled and did not say anything. She went in with him.

She told him about the structure of the house and some of the facilities inside.

Gu ze listened to her indifferently. When she was done, he lifted his chin and said, ” “Don't you want to take a look at this?”

“you want to see it?” lin sisi lowered her eyes.

“Of course, I bought the house. I have the right to do so, don't I?”

he continued to speak unhurriedly.

“Alright then,” Lin sisi nodded.

She brought him upstairs and took him to every room to take a look. Gu ze looked very carefully, especially her bedroom. He simply didn't let go of any clues. Those who knew were taking back the house, but those who didn't would think that he was catching them in the act of adultery.

Especially when he checked the pillow, picking up every strand of hair to compare, for fear of finding evidence of a wild man.

Lin sisi didn't care at first, but she got a taste of it and was a little annoyed.”gu ze, we're not related anymore.”

“I'm looking at the house.” he said calmly and continued his search.

lin sisi was a little angry. she sat on the sofa and let him look for her however he wanted.

Gu ze patiently searched for more than half an hour and found nothing, so his face was like a spring breeze.

“You’re done?” Lin sisi looked at him.

“but i still have a question.” gu ze nodded.

Lin sisi just looked at him.

“There seems to be a problem with the bathroom.” “can i go and take a look?” gu ze asked in a low voice.

Chapter 3200: gu ze, i don’t want you anymore this time 7

lin sisi was really a little tired, but the silly but rich buyer wanted to take a look, so she dragged her body up and walked into the bathroom with him.

“what’s the mirror above for?” gu ze pointed at the mirror on the ceiling above the bathtub and asked.

“It’s just that I can take a look when I’m bored in the shower,” Lin sisi said without thinking.

gu ze nodded in agreement, ‘when a husband and wife sleep in the same room, they can look up. it’s pretty good.’ That’s very thoughtful.”

he suddenly leaned over and whispered in her ear, ” “lin sisi, have you ever been in this bathtub with a man?”

Lin sisi turned around and stared at him.

...

“It has nothing to do with you!” He said in a low voice after a long time.

She thought that Gu ze was going to be angry, but she didn’t expect Gu ze to just nod his head in agreement.

lin sisi pursed her lips. ” do you have any other questions? ”

Gu ze returned to the master bedroom and looked around. “have you moved everything here?”

” of course i did. ” lin sisi glanced at him, thinking that he was bored.

Gu ze smiled and walked to the head of the bed. He lifted the mattress and revealed a little doll.

Lin sisi’s face burned up, and she reached out to take it.

this was her habit. placing a small toy under the mattress was a habit that she had developed since she was a little fool. sometimes, she would flip out of the bed to play, and gu ze would return to the bedroom after his shower and carry her along with the toy. he would fold her in his arms and play with her. when she cried and screamed, he would force her to bite the small toy.

now, these obscure and hot memories all came back with this little toy, and for a moment, the air was a little warm.

but after a while, lin sisi fell silent.

She quietly took the little thing and lowered her head.”i’ll take it with me.”

gu ze looked down at her and said softly, ” “sisi, you don’t have to take them with you. you can stay here, okay?”

he stepped forward and hugged her gently, giving her a warmth she had never felt before. ” let’s be together again. ”

She was so small, and he lowered his head to absorb the warmth from her body as he held her in his arms.

When Gu ze hugged her, he suddenly felt that he had actually been wandering around all these years. He used to take care of little fool because he needed her.

She liked him because she liked him, and he needed her because she filled up his spiritual world.

Such a simple logic, yet he had never seen it clearly.

Gu ze lowered his head and pressed his handsome face against her small face. The tip of his nose rubbed against hers gently. It was quite intimate.

the person in his arms froze.

After a long time, she seemed to come back to her senses and pushed him away forcefully.

There was shock and hurt in her eyes.

“mr. gu, you’re overthinking it.” “i’m just giving you the house,” she said, her breathing a little erratic.

gu ze’s hand was empty, and his expression was a little disappointed. he said softly, ” “lin sisi, let’s get back together.”

He wanted to reach out to pull her, but Lin sisi took a step back. She lowered her eyes and said very softly, ” “It’s impossible.”

She looked up into his eyes. if Mr. Gu is not satisfied with this house, we can terminate the contract.

His gaze was deep as he looked at her for a long time before he sighed.”i’m satisfied. how could i not be satisfied?”

lin sisi stood still. ” mr. gu, ” she said in a low voice, ” just transfer the balance to my account. also, i’m leaving. ”
