

## Thank you 3201

Chapter 3201: Gu ze, I don't want you anymore this time 8

"Lin sisi," Gu ze stopped her and hugged her from behind.

"where are you going?" he asked, burying his face in her neck.

"i've rented an apartment," as for the money from selling the villa, "she said softly," I've booked four apartments in a city. I'll use them for my retirement.

"mr. gu, i've already made plans for my future, so you really don't have to worry about me."

Gu ze gently closed his eyes. can you guarantee that you won't leave A city? "

"I can't," she said in a low voice,"mr. gu, stop pestering me." otherwise, i'll really leave."

...

She broke free from him, took the doll, and ran out quickly.

Gu ze's hand let go. He looked at her back and his expression twisted.

The sound of a car engine came from downstairs. He thought that she was going to drive away, but the car was still ringing and did not seem to have left the villa.

Gu ze stood there for a while before slowly walking down the stairs.

As soon as she went downstairs, she saw Lin sisi getting out of the car and kicking the car angrily.

He smiled and walked over. little fool. Did the engine die? "

Lin sisi raised her eyes and glared at him as if she had seen a ghost.

gu ze opened the engine cover. ” you’re a little fool to begin with. have you never seen someone kick a car when it’s not working? their kick will hurt yingluo. ”

Before he could finish, Lin sisi kicked him again.

With this kick, her toe bled and she cried out in pain.

gu ze immediately let go of the car cover, walked over, and squatted down. he let her place one of her feet on his shoulder and asked in a low voice, ” “Does it hurt a lot?”

it was winter, and her shoes were thick. he carefully took off her shoes and took off her socks.

Lin sisi bit her lips and stared at him blankly. She frowned.”It hurts. Be gentler.”

As she said that, she wanted to kick him with her other foot.

what a bad temper! Gu ze held her down tightly and scolded. what a bad temper!

as he spoke, he carried her back to the living room of the villa and placed her on the sofa. ”  
“Where’s the first aid box?”

“In my car,” She whispered.

“Did you take the first aid kit with you?” Gu ze asked in annoyance.

“You were the one who said to move everything clean.” lin sisi wanted to kick him again. ” hurry up and go. i’m going to die from the pain. ”

Her furrowed brows made his heart feel a little warm. He rubbed his fingers gently on her small feet before he went out to help her get the first aid kit.

lin sisi looked at his back and bit her lip.

It really hurt.

gu ze came back in a while with a pink first aid kit in his hand, but his expression was normal and did not look out of place.

He squatted down and held her little feet again. They were fair and soft.

his heart ached a little, but at the same time, he felt fortunate that he could be alone with her for a while longer.

“I’ll disinfect it first. It might hurt a little, but bear with it.” his voice was gentle, as if he was coaxing a child.

Lin sisi nodded. There were tears in her eyes, and she looked pitiful.

gu ze lowered his head and carefully cleaned her wound. when the iodophor was applied to the wound, it was cold and tingling.

Lin sisi bit her lip, looked at the wound, and snorted.

“does it hurt a lot?” Gu ze looked at her and asked softly.

Lin sisi acknowledged, ” it hurts a little.

gu ze laughed. Don’t look at the wound, just look at my face. It’s for pain relief.”

Lin sisi’s gaze fell on his face, and she said very softly, ” “Gu ze, you seem to have changed into a different person.”

Chapter 3202: I haven’t wooed a girl for many years (1)

gu ze smiled. ” then, do you like this change? ”

“i don’t know.” she chose to put it this way.

Gu ze savored it for a while and understood what she meant.

She had said it very tactfully, but the real meaning was probably that it had nothing to do with her.

he didn’t say anything else and just helped her apply the medicine.

the two of them did not speak again.

...

After the medicine was applied, Lin sisi tried to walk, but Gu ze stopped her. “i’ll send you.”

she raised her eyes to refuse, but he looked into her eyes and said very softly, ” “it’s been so long, isn’t it right to send you once?”

“Your car broke down. I’ll get someone to drive it over to you after it’s repaired,” he said after a pause.

Lin sisi thought about it and agreed. She acted like she was going to get up. Gu ze smiled. ” have a seat. i’m a little hungry. i’ll make a bowl of noodles before i leave. do you want it? ”

lin sisi was a little dazed and softly called out, ” “Gu ze, Yingying.”

“Just the time for a bowl of noodles.” There was actually a hint of coaxing in his voice.

lin sisi didn’t want to argue with him. she felt that if they argued too much, it wouldn’t just be words. if he was angered, he might even suffer.

hence, she let him go downstairs and sat on the sofa to read a magazine.

Gu ze walked into the kitchen, and after about two minutes, he stuck his head out.”Sisi, can we use the ingredients in the fridge?”

Lin sisi was stunned for a moment. Oh, I don’t know.

She was afraid that he would poison her, so she still hopped over on one foot. Her embarrassed look made Gu ze laugh, but he still stood there and waited for her to go over. He opened the fridge again.”Are these all useful?”

lin sisi looked around and then looked at him with a blank face. ” “i’ll ask auntie li!”

She wanted to make a call, but Gu ze stopped her. “forget it, throw them all away. i’ll go buy some fresh ones.”

“Just order take-out,” Lin sisi objected.

She felt like f \* cking dogs in her heart. Why was she discussing this with Gu ze here?

Shouldn’t they be patting each other’s butts and walking away in peace?

However, they just stood there and discussed what to eat for lunch like a normal couple.

after she finished speaking, gu ze crossed his arms in front of him and said with a look of disapproval, ” “The take-out is all earth trench oil.”

He made a decision,”I’ll also add some ingredients to your new house.” but lin sisi, do you know how to cook?”

“I won’t,” lin sisi’s answer was very straightforward.

gu ze laughed. ” if you don’t know how to, then you’ll have to learn. ”

With that said, he was about to carry her into the car when Lin sisi jumped back. I’ll stay here. You can go alone. Don’t buy too much. I really don’t know how to cook, and I don’t intend to learn.

gu ze still went forward and carried her. ” “i’m worried about leaving you here alone.”

“i’m not a child anymore.” Lin sisi pursed her lips and was unwilling to go out with him. She even jumped to the sofa and sat down.

Gu ze followed her over, bent over, and placed his hands on the armrests. “What if something unexpected happens?”

“Anyway, I’m worried.” He reached out and picked her up, not allowing her to refuse.

lin sisi was a little anxious. she clenched her fists and pounded on his shoulders. ” gu ze, you can’t do this. we’re not related anymore. we’ve divorced long ago, and our household register has been moved away. ”

As she spoke, her nose started to sting. the child is gone too. Let go of me.

Gu ze’s expression immediately softened, but he also felt a little heartache. we can still have children in the future. If we can’t get pregnant, we can adopt. We can adopt as many as we want.

Chapter 3203: I haven’t wooed a girl for many years 2

lin sisi had been patting his shoulder, but her movements slowed down and she stopped. then, she held her breath and looked at him, as if she was not sure what she had heard.

gu ze smiled bitterly. ” sisi, can we start over? ”

“not good.” Her voice was calm, and so was her gaze.

gu ze’s heart ached, but he still said in a gentle voice, ” “it doesn’t matter if it’s not good. i’ll wait for you slowly.”

He still brought her to the car with determination. He carefully put her down and took a tissue to wipe her tears.

lin sisi sat down and lowered her eyes. ” gu ze, so you know how to coax girls too. i thought you didn’t know how to. ”

...

Gu ze’s voice was also very soft. I used to coax you before. When you were a little fool, I always coaxed you to sleep, Yingluo.

Before he could finish his sentence, Lin sisi interrupted him, ” “you’re not allowed to say anything more.”

Gu ze gave her an extremely ambiguous smile and started the car again.

lin sisi didn’t want to talk to him anymore. she was forced to go with him now. when she got the money and her foot recovered, she wouldn’t care about him.

Gu ze’s car was not fast, and it took about half an hour to reach the supermarket. Lin sisi refused to get out of the car.”I’ll wait in the car.”

“Let’s go down together. You can pick whatever you want to eat.” he unbuckled his seat belt and looked at her. “if you don’t do it yourself, i can help you.”

lin sisi glared at him. ” gu ze, why didn’t i see that you were so shameless in the past? ”

in the past, beauty is in the eyes of a man. You saw that I was good in every way. Now, you see that ye mu Bai is good in every way, right? ” gu ze’s tone carried a hint of a cold smile. he seemed to be very upset.

“gu ze, you’re so lame,” lin sisi snorted.

he suddenly moved closer to her and lowered his voice.”if i appear in front of you every day, will you find me annoying?”

she sat still, afraid that his hot lips would touch her.

gu ze looked at her and smiled. then, he sat up straight again. ” it doesn’t matter if you hate me or hate me. i’ll still appear. ”

He opened the door and got out of the car, then walked over to her side and carried her down. He carried her horizontally in his arms, not afraid of other people’s eyes.

Lin sisi was stunned for a moment before she reached out to hit him. Gu ze, you’ve gone crazy. Others will see you.

“Then we’ll see.” he was still unmoved and carried her straight towards the elevator.

lin sisi paused for a moment, then bit her lip. ” aren’t you afraid that the reporters will take pictures of you and write nonsense? ”

“You still have a fiancée,” he added.

“If you don’t like it, I can call off the engagement at any time.” he lowered his head and gave her an ambiguous smile.”but don’t you think it’s better to steal a glance?”

Lin sisi was so angry that she raised her fist and hit him again.

gu ze laughed happily, sweeping away the darkness of these days.

after that, he simply grabbed her little fist and warned her in a low voice, ” “i’m going to kiss you if you hit me again.”

Lin sisi glared at him.

“you don’t believe me?” gu ze smiled.

she quickly retracted her hand and glared at him.

Gu ze laughed happily again and did not say anything else. Then, he looked at the shopping cart and directly dragged one over for her to sit in.”although i’ve always wanted to carry you, you’re too heavy.”

Lin sisi could not do anything to him. The current Gu ze was simply a Rascal.

she glared at him.

he pushed her, his good-looking face coming closer, and murmured, ” “Give me some face. I’m already at the age of an uncle, and I haven’t wooed a girl in many years.”

Chapter 3204: i haven’t wooed a girl for many years (3)

Lin sisi glared at him.

” i’m chasing you, lin sisi, ” gu ze said seriously. ” don’t tell me you can’t feel it? ”

“can i refuse then?” she smiled faintly.

Gu ze didn’t say anything and just pushed her away, avoiding the crowd as they walked into the supermarket.

There were more and more people around, but she still felt uneasy. Gu ze, you should at least wear sunglasses.

“Why are you wearing sunglasses?” he thought for a moment and understood. ” you had to put on an act when you were a celebrity. but lin sisi, you’re not a celebrity anymore. you don’t need it anymore. ”

...

and you're not the girlfriend of a movie King, " he said slowly. it's normal for you to be with me.

lin sisi bit her lip. " mr. gu, don't forget that you have a fiancée. i don't want to be tied to you anymore. "

He smiled and pushed her into the supermarket. As he picked out the ingredients, he said very casually, " "You care so much about my engagement with Wenxin."

"if you really mind, i can cancel it at any time," he said, his voice lowering.

Lin sisi did not have such thoughts, but she was a little angry at Gu ze's attitude. What right did he have to be so confident?

"you can tell her now!" he sneered.

the corners of gu ze's lips curled up. " really? "

lin sisi didn't say anything. she lowered her eyes, took two bottles of milk from the shelf, and threw them into the shopping cart.

Her tantrum made Gu ze laugh. He pushed her and bent over as he teased her. "By the way, you haven't done anything to anyone else after leaving me, have you?"

lin sisi knew what he was talking about and sneered. " "of course there are. it's normal to play by the unspoken rules in the industry."

"I didn't." He suddenly said.

lin sisi was stunned for a moment.

What was he saying? did he know that this was very childish?!

yes, it was very childish!

Gu ze spoke again, 'but I don't think any man can stand your temper. Of course, except for old Bai. But old Bai's family is in trouble, and he has to compromise if Bai Xiuli's family can help.'

Lin sisi's face darkened.

she believed him when he said that he had not wooed a woman for a long time.

he was really saying whatever she hated to hear!

lin sisi's face darkened, and gu ze asked again with ill intentions, " Lin sisi, why can you forgive old Bai But not me? is it because you slept with me and never slept with old Bai? "

Lin sisi's face turned even darker, and she could not be bothered with him.

as a straight man, gu ze felt that he had hit the nail on the head. of course, her expression was already very ugly, so he didn't provoke her anymore and focused on choosing the ingredients.

he took a full hour to pick. lin sisi wasn't too hungry at first, but now she was really hungry.

however, she didn't say anything and followed him to pay the bill.

At the checkout counter, Gu ze had already taken out his wallet to pay, but he suddenly took out two large boxes of family planning products with the word "du" in the beginning from the shelf in front of the cashier.

"You're using it?" Lin sisi looked at him in a daze.

gu ze smiled. " then, are you the one using it? "

lin sisi glared at him, but the cashier couldn't take it anymore. she looked at lin sisi's foot and said, " "Sir, your girlfriend is already like this! Pay attention to your position."

"any good suggestions?" gu ze asked with great interest.

The cashier coughed. just don't do it downstairs.

"We will be careful." Gu ze nodded in understanding.

After he finished speaking, he paid the bill with a calm expression.

He took the things and pushed Lin sisi. She whispered,""push faster, i don't want to embarrass myself with you."

Chapter 3205: be my wife for a month (1)

Gu ze laughed in a deep voice and looked at Lin sisi. is this kind of thing very embarrassing? then didn't you always pester me to do it?"

"Gu ze, I'm begging you to save some face, okay?" Lin sisi glared at him.

"Not good." he suddenly smiled helplessly. " lin sisi, she's not good at all. "

because if he wanted to save face, she would have run away long ago.

His sudden sadness made the atmosphere between them very depressed.

when they arrived at the parking lot, he placed the things he had bought in the trunk and carried her into the car.

...

When he got into the car, he slowly fastened his seat belt. He looked ahead and said quietly, " Lin sisi, I still have more than 20 million Yuan to pay for the house. Be my wife for a month and I'll transfer 100 million to your card.

he turned his head and looked at her seriously. " "It's the kind that we're going to have sex with, real guns and bullets."

he had already bought the tanks.

He thought that she would give him a slap after he finished speaking, but Lin sisi did not.

she seemed to be seriously considering it. after about two minutes, she smiled.”Alright! 80 million a month, it’s so much easier to earn than I did in the entertainment industry.”

gu ze’s eyes were on her face. he smiled and started the car.

they didn’t say anything else until they reached the parking lot of the villa. gu ze unbuckled his seat belt. lin sisi thought that he would come over and carry her out of the car, but she didn’t expect him to carry her directly to the bedroom on the second floor.

Her body was pressed against the soft bed. He kissed her deeply and tore her clothes off with one hand almost barbarically.

“Gu ze.” lin sisi’s head was on the pillow, and she helplessly called his name softly, ” “i don’t want yingluo!”

we agreed that we’re going to have sex. his voice was panting, and the sparks in his eyes were even more frightening. ” i’m a businessman. lin sisi, do you think i’d do something that would make me lose money? ”

He was too rough and barbaric.

seeing that she was crying, gu ze’s heart ached as he kissed her little face. his voice was hoarse.”i’ll be gentle.”

after they were done, lin sisi lay on the bed, her entire body sore. she did not care about herself and just stared at the ceiling in a daze.

Gu ze’s mood was much better after he had vented all his anger. He licked her lips.”i’ll carry you to the bathroom to take a shower, okay?”

lin sisi looked at him and shook her head. ” i’m a little tired. go and cook. ”

After she finished speaking, she patted his arm and closed her eyes.

Gu ze liked her the way she was.

when he forced her, he thought that she would be angry and would refuse. after all, they really broke up because they lost their child. he didn't expect her to be willing to start again with him.

He felt an indescribable satisfaction in his heart and kissed her face. " okay, i'll make it. i'll make your favorite small ribs, okay? "

Gu ze didn't know about other men, but after he had not had sex for a long time, he suddenly felt very happy after eating meat.

He went downstairs to look at the time. It was already past three in the afternoon, and only then did he realize that he had been pressing on her for a few hours. No wonder she would cry out in pain and refuse to let him touch her again.

In a good mood, he made four dishes and a soup. After he was done, he slowly went upstairs to call her for dinner.

Lin sisi had fallen asleep. She was in a deep, deep sleep.

gu ze reached out and touched her face gently. he called her, but she hugged the pillow and refused to get up.

He looked like a Rascal.

Chapter 3206: Be my wife for a month (2)

he was enticed by her outstretched leg and no longer called out to her. instead, he lay down beside her and kissed her lips again and again until he picked her up.

lin sisi opened her eyes and felt his presence. her small hand gave him a light slap on the face. ” why haven’t you had enough? ”

as he spoke, he closed his eyes. his entire body felt weak.

Gu ze fiddled with it bit by bit and placed his finger by her mouth for her to bite lightly.

They had never been on such good terms before. They had never communicated so willingly. This time, he was more excited than before and did not let her go. By the time it was over, it was already dark.

he carried her to the bathroom. he was going to let her go, but he couldn’t help it. he gently pressed her against the wall and couldn’t help doing it again.

...

It was already eight o’clock at night when Lin sisi finished her meal.

she sat in the living room, and gu ze served her food.

her little face was stiff and she didn’t look too happy. gu ze didn’t think much of it and knew that she was angry.

The little girl had been touched by him many times, and she was sore and in pain. Thinking about it, she felt pitiful.

after she had finished eating, he carried her to the bed and pulled up the bathrobe to check on her.

lin sisi got the wrong idea. she closed her legs and sighed.”No matter how much you want me, I don’t have the strength to keep you company.”

Gu ze’s eyes were burning as he looked at her. He licked his lower lip and said in a low voice, ” “Sisi, let me see if you’re hurt.”

that place had endured him for so long. no matter how much he had scruples, it was impossible to say that he wasn't injured at all.

And she was so delicate.

Gu ze followed her and whispered in her ear, " "You didn't have anyone else after we split up, did you?"

He was a man, and he had tasted it so carefully today, so it was impossible for him to not have any points.

lin sisi glared at him and bit her lower lip. " it's none of your business. "

gu ze smiled and did not force her to say it. instead, he got up and went to get an ointment.

He squatted down in front of her. Lin sisi was a little shy and did not want him to apply it.

"don't move. i can't help it if you move." he chuckled and gently applied the medicine for her.

lin sisi lay down and felt the gentleness of his fingertips.

she looked at the light on the ceiling and suddenly burst into tears.

she used to long for someone's love and gentleness, but now that she had it, she didn't feel anything.

gu ze looked up and saw that she was crying. he was stunned."why are you crying? did i hurt you?"

"No, I don't." She shook her head.

Gu ze wrung the medicine and gently placed it on the bed. Then, he slowly lay down and hugged her.

His face was on her neck, and he said very, very softly, "I'm sorry, Lin sisi!"

His fingers slowly caressed her face. let's start over again. This time, I'll cherish you.

She didn't agree and continued to cry quietly.

He couldn't take it when she cried, and he couldn't help but kiss her tears away. He kissed her lips, and then his body crumbled, and he couldn't help but want her again.

gu ze felt that this kind of life was too wonderful.

The feeling of having Lin sisi by his side was too wonderful.

He had even planned to have a child with her after she recovered in half a year. Before that, they would hold a wedding. This time, he would give her a wedding that all women in the world would envy.

Thus, when Gu ze was at work, he had Xu Qiaonan bring over a thick stack of magazines and flipped through them one by one.

He was watching with great interest.

### Chapter 3207: Be my wife for a month (3)

Gu ze originally thought that only women would be passionate about this kind of thing. It turned out that when men looked forward to it, their feelings were exactly the same as women.

xu qiaonan was surprised to see gu ze like this. he couldn't help but ask softly, "President Gu, are you going to marry miss Wenxin?"

Her surprise was not without reason. Because Gu ze had no feelings for Wen Xinya, the fact that the engagement was not canceled was just a little useful.

However, her question reminded Gu ze of something. He had an engagement with Wen Xinya.

therefore, if he were to be with lin sisi, he had to deal with wenxin first. he had to do it beautifully so that lin sisi would not be slandered.

I'm getting married, " he said in a low voice. but it's not Wen Xinya. It's Lin sisi.

...

Xu Qiaonan was shocked.

she didn't expect gu ze to be with lin sisi again. didn't wanwan break up with them?

However, as the Secretary, she could not question him, so she asked carefully, " "is this president gu's idea or lin sisi's idea?"

gu ze continued to read the magazine and said, " "sisi doesn't know what i mean."

"you're not allowed to go out and talk," he said to xu qiaonan.

Xu Qiaonan agreed and then pursed his lips. She didn't leave because she knew Gu ze had something to tell her.

As expected, Gu ze spoke up after a while, " "arrange a press conference for me."

Xu Qiaonan's voice trembled slightly."Master Gu?"

"i want to cancel my engagement with wenxin. Sisi won't be happy either." Gu ze looked at her and saw that she did not move. why? is it difficult? "

“Miss Wen didn’t do anything wrong.” Xu Qiaonan’s face was pale.

“it’s her fault that i don’t love her.” Secretary Xu, ” Gu ze said impatiently, ” if you think you can’t handle this, I’ll get someone else to take over your position.

“i understand, president gu.” xu qiaonan nodded, embarrassed.

she went out to make arrangements, but the first thing she did was to call wenxin so that she could be prepared.

That afternoon, a huge piece of news broke out in city H. Miss Wen, the second-largest shareholder of Hengtong Corporation, announced that she was pregnant.

She was Gu ze’s fiancée. There was almost no need to ask to know who this child belonged to.

gu ze looked at the news, threw down the remote control in his hand expressionlessly, and pressed the internal line. ” “Ask Xu Qiaonan to come in.”

Xu Qiaonan came in five minutes later. He didn’t look too good.

Gu ze stood in front of the floor-to-ceiling window. The light behind him enveloped him, making his face look even colder.

Secretary Xu, you’re fired from now on, ” he said coldly. you don’t have to ask me why!

She had revealed his intentions to Wen Xinya, so she was prepared.

she announced her pregnancy.

what a good move!

but he, gu ze, had never met a single hair on wenxin’s head. how could he get her pregnant?

can i get pregnant just by looking at it with my eyes?

xu qiaonan was still standing upright. ” lin sisi isn’t good enough for you! ”

her overstepping her boundaries finally caught gu ze’s attention. he said in a cold voice, ” then who is worthy of her? Secretary Xu, is it you? ”

xu qiaonan’s face turned even paler. she smiled miserably. I’ve never dared to think about it. But compared to Lin sisi’s unbearable past, I’d rather you marry Wenxin. At least she really loves you.

gu ze almost lost his composure.

“Get lost. you’d better be clean in the company, or i’ll send you to jail.” Gu ze said coldly. Then, he called the security and personally watched Xu Qiaonan pack up his things and leave.

After doing all this, he calmed down and began to feel a little scared.

He ran ran didn’t know how to explain it to Lin sisi!

Chapter 3208: quarreling with wenxin and giving out candy at the same time (1)

Gu ze sat in his office for about half an hour before he called Wen Xin.

wen xinya picked up the call quickly.

Gu ze chose to get straight to the point, ’what do you want? To get your dad out of prison?’

Wen Xinya smiled gently. the child in my stomach is not as impressive as this. I don’t dare to hope for it.

since you know it’s impossible, why did you lie to the media? it won’t do you any good. gu ze’s voice had a hint of gloominess. ” you can still remedy it now! ”

“Why do you want to remedy it?” “gu ze, have you ever thought of the possibility that i still like you?” wen xinya’s voice was a little ear-piercing.

...

gu ze laughed lightly. Back then, you were the one who exposed my marriage with Lin sisi, right? you were also the one who got someone to film sisi, Lan Yu, and Qin Chen going to the movies, right? wenxin, did you forget all these things?”

Wen Xinya was silent for a long time before she said in a low voice, ” you were the one who gave up on her that time. You’re already engaged to me, so you shouldn’t have provoked her.

“even if i didn’t, i did.” Gu ze’s tone was calm. if you think that announcing your pregnancy will stop anything, then you’re too naive. Your stomach is empty. You have to think of a way to get a child now, right? ”

wen xinya froze.

“You’d better pray that the man you find is useful.” gu ze sneered and hung up the phone.

Then, he made a call to the public relations department. “Arrange a press conference.”

the public relations department was also trembling as they waited for instructions. secretary xu had just been fired, and president gu’s incident had caused a huge ruckus. wenxin had played president gu, and everyone in hengtong knew that president gu and she were only in name.

They rarely even appeared in the same frame, let alone have a child.

“Master Gu, what are your instructions?” the manager of the public relations department asked with a serious expression.

“Just ask the reporters to come over.” Gu ze’s tone was calm as he hung up the phone.

An hour later, the press conference was held on time. Wen Xinya was there too. She held the pregnancy test results for one month and looked very confident, as if she was going to marry into the Gu family.

Gu ze sat on the stage and ignored her. Wen Xinya was surrounded by reporters. She happily introduced the things to take note of during pregnancy to the others and then walked in front of Gu ze.

“congratulations, miss wen.” gu ze said without any expression.

Wen Xinya smiled lightly and lowered her voice. Gu ze, did you call me over to announce our marriage? this is the right choice.”

” i’m afraid i’ll have to disappoint you, ” gu ze sneered. ” i want to cancel the engagement. ”

Wen Xinya did not believe him. She smiled and said, ” ” gu ze, i’m pregnant. do you know how much of an impact it will have on you if you cancel the engagement and then get together with lin sisi? ”

“i know.” “but i feel disgusted to be with a scheming woman like you for even a second longer,” gu ze said in a low voice.

Wen Xinya’s expression changed.

Gu ze smiled faintly and looked at the people below. He asked the staff member beside him softly, ” “We can start now.”

The staff announced the start of the press conference very simply and rudely. The reporters began to ask questions like crazy, most of which were related to Wen Xinya’s stomach.

Wen Xinya had already made up her mind, so she forced a smile.

she didn’t believe that tang yao would really dare to cancel the engagement. she didn’t believe it.

## Chapter 3209: Quarreling with Wenxin and giving out candy at the same time (2)

tang yao didn't answer the questions that the reporters asked. he just listened to their questions and then sincerely wished wen xinya well. he also greeted the child's father.

the reporters were in an uproar.

wen xinya was president gu's fiancée. what did she mean by asking about the child's father?

however, those reporters loved to write about the secrets of the rich. this twist was too explosive, but they liked it.

wen xinya's face trembled and her voice was sharp. "gu ze."

"are you going to insist that the child is mine?" Gu ze gave her one last chance and said in a low voice, "as long as you say that you're not pregnant, there won't be any misunderstandings."

...

he smiled charmingly after he finished speaking.

That smile, in Wen Xinya's eyes, was terrifying.

she knew that she should follow his words to minimize the loss, but she was not willing to.

If she didn't bite, their engagement would be called off. Gu ze was crazy. Only crazy people would want to be with Lin sisi.

gu ze had gone crazy, but she wasn't. she definitely couldn't let this happen again.

wen xinya gritted her teeth. "gu ze and i have some misunderstandings. my child is gu ze's."

The scene was in an uproar.

Gu ze's gaze was deep as it landed on Wen Xinya's face. He smiled lightly and adjusted the microphone. I don't want to explain that nothing happened between miss Wenxin and I after being engaged for so long. There's no way to prove it, but I can prove that the child isn't mine.

he nodded to the person behind him. the notary immediately stepped forward and took out a medical report from his briefcase. " this is a vasectomy procedure list. Mr. Gu ze had already done it in a certain hospital forty days ago, so it's impossible for him to get a lady pregnant.

the notary's voice was stiff, but what he said was very fair and credible. moreover, the list from the hospital and the chief surgeon were all here.

Wen Xinya could not sit still and her face turned pale.

she didn't believe that he knew vasectomy. why did he do it?

She immediately thought of Lin sisi's miscarried child. When Xu Qiaonan said that it was Gu ze's child, she didn't believe him. But now, she could.

Gu ze did vasectomy to prevent Lin sisi from getting pregnant, but he actually did this!

How much did he love Lin sisi for him to do this!

wen xinya's face was covered in tears. she continued to watch gu ze act and said in a very gentle tone, " " miss wenxin and i will settle this peacefully. of course, miss wenxin's reputation may be affected, but i believe that the child's father will take responsibility for it. "

Wen Xinya raised her head and said, 'you did it for Lin sisi, right? Her child is yours, isn't it?'

The reporters did not expect Wen Xinya to bring up Lin sisi. However, they liked this topic. The camera and microphone were pointed at Gu ze again.

gu ze smiled. " lin sisi and i have been together since the beginning. we have never been apart. so, i want to apologize to miss wenxin for the trouble that our engagement has caused you. "

he paused for a moment before continuing.”as for lin sisi’s child, it’s mine. she and ye mu bai are only together for the sake of popularity. i believe everyone can understand.”

“Because I couldn’t help but cause Lin sisi to have a miscarriage,” he said with a sincere expression,”I felt very guilty, so I went to get a vasectomy. sisi, we’ll have another child.”

Chapter 3210: quarreling with wenxin and giving out candy at the same time (3)

the female reporters present screamed-

Oh my God, I can’t help it!

oh my god, president gu is so manly.

they were clearly a divorced couple and they were clearly fighting with wenxin. why did they feel like they were being given candy?

Especially when President Gu was rich and handsome!

Wow, give us a dozen of this President Gu!

...

“President Gu, are you going to marry miss Lin sisi?” the female reporter asked frantically.

“As long as she’s willing,” Gu ze smiled.

there was another scream.

” president gu, don’t you love miss lin sisi very much? why do you love her? from what we know, yingluo isn’t particularly outstanding. ” there was also a very sharp female reporter who asked, ” and if you really loved her, why did you abandon her a few years ago? Choose miss Wenxin?”

Gu ze's eyes were filled with love. sisi is very beautiful. She's the type I like. As for whether she's outstanding or not, that's definitely not the standard for a man to choose a partner.

the female reporter laughed. " then, president gu's standard is to be beautiful? "

"You can say that!" Gu ze smiled. but I need to like the type. I don't like all good-looking women.

wen xinya got shot!

she looked extremely upset, but no one cared about what she thought. everyone's attention was on lin sisi, and no one remembered that wen xinya was pregnant.

And Gu ze also conveniently confessed his love.

the press conference was being broadcast live on a certain channel in B city. before the live broadcast, lin sisi's phone was exploding with calls.

The person on the phone was none other than the BOSS of a certain station, the bored President, Qin mo.

thus, lin sisi had been watching the news from the beginning to the end. when gu ze took out the report, lin sisi ran back to the bedroom and took out two big boxes of things.

This was the t-shirt that Gu ze bought. When they made love, he used it in a serious manner.

fuck! His!

He had clearly undergone vasectomy, yet he still used this thing. He was too despicable.

Lin sisi bit her lip and threw her things aside. She hugged a pillow and started watching the interview again.

she had acted before, so she knew what was real and what was fake.

Gu ze was serious.

It was true that he said he would marry her.

lin sisi slowly put down the pillow in her hand, her face slowly turning cold.

He said that they would be husband and wife for a month, and she did it for 80 million Yuan.

But now that he said he wanted to marry her, she didn't want to.

she stared at the screen and couldn't hear what was being said. she only knew that all the chaotic sounds in her ears were surging towards her.

Lin sisi sat there until Gu ze returned.

he had bought dinner. seeing her sitting on the sofa in a daze, he smiled and said in a low voice, "i knew you wouldn't eat well when you're alone at home. i've brought dinner back. after dinner, we can go out for a walk."

lin sisi lowered her head and looked at the two large lunchboxes in front of her. she said softly, "My feet still hurt a little."

"so, i bought a wheelchair. i'll push you." He smiled at her. then it doesn't hurt anymore.

lin sisi raised her eyes and looked at him. she suddenly picked up two large boxes of condoms and threw them at him."gu ze, get lost!"

The t-shirts inside fell out one after another, and they fell all over the sofa.

lin sisi's chest heaved as she glared at him angrily.

gu ze picked them up and put them back one by one."i'm not afraid that the knot isn't strong enough. what if the thing i produce has strong vitality?"
