Chapter 321.1-you want me to kiss you

Over there, half past seven! Tang Yu sat in the car without much expression on his face.

sun feifei would sneak peeks at him occasionally. she felt that tang yu's expression had become colder ever since he saw pei qiqi.

Before, he was just a little cold, but now he was cold, and the cold air that he emitted was almost freezing her.

It was only the second day and she had only seen PEI Qiqi once, but Sun Feifei was already suspicious of Yueyue.

Tang Yu had chosen her! However, she was not even a substitute ...

When she was with him, she was so careful that she didn't even dare to speak.

And he was polite to her, but distant.

But when he saw PEI Qiqi, she clearly saw a fanatical look in his eyes.

Sun Feifei's voice sounded like she was about to cry, " Tang Yu, do you want to be Hanhan? "

"Stop the car!" Tang Yu interrupted her.

The driver reluctantly stopped the car-

Tang Yu's gaze was on the front, " Sun Fei 'er, I think I should apologize to Hanhan.

"I'm sun Feifei." She really wanted to give him a tight slap right now. How could he not even remember her name?

"alright, i'm sorry!" He finally looked at her. I'll give you a concert. It'll be held in the music nest and there will be 5000 people.

sun feifei immediately realized what he was saying. " is this compensation? "

"No, it's a deal," he looked at her. " the premise is that we still pretend to be together. "

"Why?" Sun Feifei was stunned.

tang yu smiled faintly but there was a trace of bitterness in his smile, " i don't know. maybe, when i see her, i can't help myself! "

"Will you be with her?" Maybe it was because they were no longer lovers, Sun Feifei felt that it was much easier to talk to him. She was also much bolder.

Tang Yu gave her a warning look and she suddenly felt like she had spoken too much.

however, to her surprise, he still answered her question, " no. "

sun feifei secretly thought that huahua didn't mean what she said. (Her mouth says no, but her body is honest)

“Send Miss Sun back.” Tang Yu said to the driver. He had already opened the car door and was ready to get out.

Sun Feifei grabbed his arm. can you make a small request? ” She looked at him expectantly.

Tang Yu's deep eyes landed on her face.

can you kiss me? just kiss my forehead. she said in a small voice, very carefully.

tang yu's thin lips pursed, ” no. ”

as she spoke, she closed the door.

Sun Feifei's eyes widened as she stared at the closed door. She was going crazy!

She had just been dumped by him, and he was not even willing to let her kiss his forehead, a small request!

Such a cold man deserved to be unwanted, his marriage was run away, and he deserved to be in pain!

Sun Feifei kicked the car door and felt much better!

the driver in front gulped. oh my god, so women are also violent. once the man leaves, his true colors are revealed.

however, after a while, he heard a loud cry from behind.

” damn you, tang yu. why don't you want me? what's wrong with me? i'm good-looking, i have a good family background, i can play the piano, and i can play hanhan. even if i don't know anything else, i'm very obedient. hanhan, why don't you want me? bastard, you can't get a wife for the rest of your life. just wait for pei qiqi! ” sun feifei pulled the tissue paper, wiped her nose, and cried as she threw the tissue paper into the car.

tang yu's car completely destroyed xuxu.

as for him, it was only after he got out of the car that he realized that he did not have his wallet on him. even his phone was in the car.

looking at the long road, his face tensed up and he quickly walked in the direction pei qiqi was in.

He didn't know what he wanted to do, but he just wanted to see her in a daze now.

Just by looking at it, perhaps his heart would die!

After 15 minutes, he saw PEI Qiqi's car.

But the person wasn't there. Tang mo frowned and looked at the car.

The little girl from before saw the handsome uncle, so she ran over. uncle, are you looking for that pretty sister? ”

Chapter 322 you want me to kiss you?(2)

Tang Yu hummed in a deep voice.

The little girl was very innocent. She tilted her head and said, "sister cried just now, and her hand seems to be injured.

he was injured?

tang yu's thin lips were tightly pursed.

"Also, she forgot to lock her car." The little girl stuck out her tongue. uncle, if you know my sister, can you drive her car away? it'll be bad if it gets stolen.

tang yu looked back at the car and then at the girl. he called her over to take a look.

the little girl came over and he reached out to ruffle her hair. "qiqi, go home early. "

"uncle, i'm not called qiqi." The little girl pouted her little mouth, dissatisfied.

Tang Yu laughed, "then, uncle, you should say sorry, okay? "

the little girl stared at him for a while, and her friends called her from a distance, so she jumped away from xuxu.

Tang Yu turned around and opened the White car door. As expected, it opened with a pull.

He sat inside and smelled a familiar light fragrance. It was PEI Qiqi's scent.

There were also a few discs in the car, and he saw a newspaper. He was very familiar with the picture published on the top.

It was taken when he was dancing with Sun Feifei. He didn't know who took the photo from such an accurate angle, but his eyes looked especially affectionate.

did she misunderstand?

That's why she cried?

tang yu's face turned cold. he started the car and quickly drove to xia city.

when he arrived in xia city, he went upstairs and opened the door. the room was dark.

Her tense body suddenly relaxed ...

He had forgotten that she didn't live here anymore. PEI Qiqi had moved away.

tang yu turned on the lights and saw that the room was much more deserted than before. he slowly walked in.

he took off his bow tie and threw it to the side. his entire body sank into the sofa. he closed his eyes and let out a long breath, "pei qiqi, if i can forget you, i will never choose to see you again. "

just like that, he closed his eyes and rested for a while. then, he picked up the phone and dialed pei qiqi's number.

however, she had turned off her phone.

tang yu's expression was even worse. after he put down the phone, he walked out and drove her car around.

at last, he saw her in a small park not far from xia city. it was late at night, and she was sitting alone on a bench in the park ...

isn't it cold? aren't you afraid of danger?

tang yu stopped the car on the side of the road and got out.

when she looked up at him, there was a moment of shock on her face.

He walked straight up to her without saying a word, only looking down at her.

she too, looked up at him ...

They looked at each other for what seemed like a century before he leaned over slightly. Their faces were level and very close, so close that his lips were almost touching hers. They were so close that they seemed to be kissing.

pei qiqi's heart beat faster. she wanted to step back, but one of his hands held her back-

she believed that if she dared to move, he would kiss her on the lips.

her breathing was chaotic as he locked her in place. she did not dare to look up, afraid that she would drown in his dark eyes.

Slowly, he opened his mouth. why are you crying? " as he spoke, his thin lips moved back and forth on her lips like a soft brush, and she did not dare to move.

It was too dangerous.

"No, I didn't!" she answered too quickly, almost sharply.

However, her closed eyes and trembling eyelashes made her look extremely fragile.

tang mo's eyes narrowed and the big hand on her back moved to the back of her head.

PEI Qiqi immediately opened her eyes. She realized what he was trying to do.

However, he was too fast. Before she could resist, their lips touched and he kissed her.

on this cold winter night, in an empty park.

Chapter 323 You want me to kiss you?(3)

the night was very cold, but his lips were very, very hot, as if he was going to burn her.

PEI Qiqi instinctively tried to push him away, but how could she move him with her weak strength?

Originally, he was holding her down with one hand, but now he was holding her face with two hands.

He kissed her deeply. He kissed her so deeply that PEI Qiqi felt a little uncomfortable. She clenched her fists and punched him, but she couldn't stop Qianqian.

He quickly caught her naughty hand, folded it behind his back, and held it in reverse. This way, she put on an embarrassing posture in front of him.

tang mo panted and released her small mouth. he raised his handsome face slightly and looked at her panting.

“Why did you cry?” he asked again.

pei qiqi raised her head and didn’t say anything.

“You want me to kiss you again?” His tone was somewhat mocking.

“i’m not crying!” she finally said. Even if she does cry, it has nothing to do with Mr. Tang.”

“Is that so?” he stared into her eyes, then suddenly got up and left.

pei qiqi heaved a sigh of relief. then, she felt a sense of emptiness and loneliness. it was an indescribable feeling.

But Tang Yu returned quickly. When she looked up, she saw her own car.

Did he drive her car here?

“are you sure you didn’t cry when you saw this and hurt your hand?” He was still cold!

He didn’t cry because of her, and he didn’t give her any warmth because of her injured hand.

He didn’t soften his heart because of a kiss.

He placed the newspaper in front of her and looked at it. His heart slowly calmed down.

She looked up at him and pursed her lips. Then, she said calmly, ” I went to see my dad today, Tang Yu. I cried because I missed him. I didn’t cry because of other things. It was just a coincidence that I got this newspaper.

He stared into her eyes, not letting go of any change in her expression.

PEI Qiqi’s face was calm the entire time, not letting him see through her.

Slowly, his expression turned colder. He straightened his body and looked around. I’ll send you back.

his gaze fell on her wrapped palm, which was probably scalded by the fireworks.

PEI Qiqi retracted her hand and rejected him subconsciously, ” no need. I will go back by myself.

and then, if you stay here, you might be raped by a Vagabond, and I will be the last person to see you. By then, I will not be able to clear my name. He said ruthlessly.

PEI Qiqi pursed her lips tightly. In the end, she got up and walked to her car with him.

she didn’t ask him why he was driving her car, nor did she ask him why he was looking for her.

because if he asked, everything would go back to square one.

she wasn't overthinking things, but she understood him very well.

For some reason, PEI Qiqi felt sad for him. At first, she thought she was helpless, but now, she felt that Tang Yu was hurt even more than she was.

with her fingers on the door handle, she said softly, "Tang Yu, don't come looking for me anymore.

"you think too highly of yourself, miss pei." Tang Yu's face tensed up, "I'm just doing a good deed every day.

she didn't argue with him and just quietly opened the car door and got in.

They didn't say a word along the way.

"Your address." He suddenly said.

pei qiqi raised her eyes and stared at the car lights that kept on passing by. she then whispered the address.

Tang Yu didn't say anything. The car was driving so fast that her heart was about to jump out.

"Mr. Tang Zhenzhen, drive slowly." Her voice was a little hoarse.

tang yu pursed his lips and slowed down the car. however, he still said mockingly, "i thought you would want to get rid of me. "

She was smart enough not to answer.

Tang Yu didn't say anything else. He just drove the car to her apartment for a chat.

Chapter 324-admit that you missed

me the car stopped, but he didn't move. she didn't dare to move either.

"Thank you for sending me back." She lowered her eyes.

Tang Yu's fingers were still on the steering wheel. He was silent for a long time before he said, "One hand, can you still go down?"

Ah?

pei qiqi was a little surprised.

Tang Yu's voice was still cold, "I'm hungry! you haven't eaten yet."

After she finished speaking, the atmosphere in the car became a little awkward.

PEI Qiqi tilted her head and looked at him. After a long time, she nodded.

She opened the door and got out of the car. Tang Yu followed her.

It was a moderate-aged building, and she lived on the sixth floor.

when she came down from the elevator, she took out her keys for a long time but couldn't take them out. in the end, tang yu opened the door for her.

The house was very clean, just like where she lived.

Tang Yu looked around and asked her, ” “where’s the washroom?”

“in the inner room of the room.” She was supposed to bring him there, but considering their current relationship, it wasn’t appropriate for them to stay in the same room!

besides, he already had a girlfriend.

PEI Qiqi pursed her lips, ” if you want to use it, you can find it easily. I’ll go down.

He watched as she walked towards the kitchen before slowly making his way to her room.

Just as he had expected, the bedroom was clean and tidy, which was what she had always liked.

There was a pillow on the bed, just like the one in Xia city.

He looked in PEI Qiqi’s direction and suddenly walked over. He picked up the pillow, opened the cover and sniffed it.

He smelled a faint scent of Cologne, which was the brand he often used.

In other words, this pillow had been used by him before. When PEI Qiqi moved it away, she didn’t ask for anything but a pillow! And it was his.

how could he believe that she didn’t love or like him at all?

Tang Zheng narrowed his eyes, quietly put down the pillow, and went to the bathroom.

After washing his hands, he walked straight to the kitchen and saw her downstairs.

“It’s inconvenient with my hand, so I can only make it simple.” she said softly, not looking at him. she probably heard his footsteps and knew that he was there.

She made an extremely simple bowl of egg noodles. Now that it was almost done, she turned off the fire and filled the bowl.

“i’ll carry it!” tang yu reached out and placed the two bowls on the small dining table.

of course, this place couldn’t be compared to the rose garden he lived in, and it was also a world apart from xia city. however, it was clean and had a different kind of warmth.

PEI Qiqi sat down. She glanced at Tang Yu and lowered her head to eat her noodles.

Her eyes were a little hot. She didn’t think that one day, she would be able to eat with Tang Yu.

And it was a Kasaya that she had made herself.

Tang Yu ate very quickly. He was probably really hungry. When Xuxu urged him to put down his chopsticks, PEI Qiqi looked up, ” do you need me to cook another bowl for you? ”

“There’s no need for that. You probably won’t be able to finish it.” As he said this, he had already taken the initiative to move some of her bowl to himself.

pei qiqi was stunned for a moment. in the past, this was understandable but with their current relationship, it was obvious that they were no longer compatible.

she wanted to say something, but tang yu had already lowered his head and continued eating. he was just eating a simple bowl of noodles, but he could still eat it elegantly!

PEI Qiqi lowered her head and ate her noodles in small bites. Then, her sharp senses noticed that after he finished eating, his eyes were on her.

She felt a little uncomfortable and forced herself to finish the noodles. Then, she looked up. Mr. Tang, it's getting late, ran ran.

Chapter 325 Admit that you missed me (part two)

"it's inconvenient, isn't it?" He looked at her with a deep gaze. I don't have a cell phone and I don't have money with me. You want me to walk back?"

Her heart was beating a little fast. I have some change here.

she wanted to get up, but he pressed her down. his eyes were locked on her. "do you want me to leave so much?"

pei qiqi was a little stunned. she looked at him and couldn't speak.

Her hand was still in his grasp.

After a long while, he suddenly spoke. it's snowing outside. I'll stay here for the night. I'll leave tomorrow.

She weakly said no.

"don't worry, i won't do anything to you!" I have something important to do tomorrow morning, " he said indifferently. miss PEI, you seem to have forgotten that I have a girlfriend.

pei qiqi really wanted to curse!

If you have such a strong sense of morality, then why do you still want to eat my noodles? (it's not that some of the children below are thinking a lot because of the sentence " ". in fact, the author really didn't mean it that way. it's just the next step!!!)

However, she couldn't refuse him. It seemed that she had a guilty conscience.

Her small red lips moved. there's a small guest room here. You can make do with it for the night.

tang yu smiled faintly and his expression was very noble.

However, after a while, PEI Qiqi regretted it.

she was used to living alone, so she didn't lock the door when she was washing up in the bathroom.

Tang Yu walked into the bathroom with a clean towel. PEI Qiqi was outside the bathroom, wiping herself with the towel.

She looked so much more alluring than when she wasn't wearing anything.

tang yu was only wearing his shirt and pants. he looked at her for a while and then started to unbutton his shirt.

PEI Qiqi covered her body with her hands and her voice trembled, " Tang Yu, what are you doing? "

“Take a bath!” he said very naturally, his voice cold and hoarse.

pei qiqi pursed her lips, ” you, get out. ”

tang yu looked at her but still went out.

however, he only walked to the bedroom outside and quickly removed his clothes. he threw them on her bed one by one.

” ridiculous president tang being separated ” ” ridiculous president tang being separated ” ” ridiculous president tang being separated ” ” ridiculous president tang being separated ” ”

He opened the bathroom door again. PEI Qiqi was on the verge of tears.

Did he know what this meant?

They had been separated. How could this be?

she couldn’t be bothered to wash herself. with one hand covering her body, she squeezed beside him and ran out for a walk.

however, pei qiqi was still too naive. she sat on the bed and waited for him to leave her bedroom.

tang zheng took ten minutes to shower and came out. when he came out, there was only a small bath towel around his waist, which couldn’t cover anything.

She lowered her head and pretended not to see it, but her face was a little hot.

when she saw his long and slender legs just now, her whole body felt weak, as if something had broken out of a cocoon.

tang yu glanced at her, ” do you have a hairdryer? ”

She looked up and saw his back. Her bedroom was too small, and he seemed a little cramped here. His presence was too strong, almost everywhere.

Moreover, he was only wrapped in a small bath towel.

“I’ll take it.” She got off the bed carefully and walked to a small cabinet. She squatted down to take it.

When she stood up, she bumped into Tang Yu, who was standing behind her.

Chapter 326-admit that you missed me!

pei qiqi coincidentally bumped into him.

the atmosphere seemed to have frozen. pei qiqi raised her little face and looked at him pitifully.

Tang Yu’s eyes were deep and bottomless. He looked down at her and teased her.

he pinched her small chin and moved her to the side, not letting her see his sorry state. ” are you so eager to throw yourself into my arms? ”

He took the hairdryer from her hand and calmly bent down to pick up the bath towel. He wrapped it around his body again and casually dried his hair.

PEI Qiqi just stood there. She didn't even know that her feet were numb.

just now, just now, she saw him urging her to shake her head wildly. she didn't dare to think about it again. she was afraid that if she looked and thought about it again, she wouldn't be able to resist pouncing on him.

tang yu quickly finished drying his hair. he put down his things and walked out.

after he left, pei qiqi couldn't fall asleep. her hand didn't hurt too much, but she was still in a daze.

With him around, she always felt uneasy. Sometimes, when she closed her eyes, she would suddenly wake up when she felt a little sleepy. She would always feel that someone had suddenly entered the room and teased her.

after staying up like this for half a night, she finally couldn't fall asleep. she got up quietly and wanted to see how the snow was coming down from the balcony in the living room.

she had just pushed the door open when she choked on the smoke outside.

She instinctively wanted to go back to her bedroom, to that safe little world, but her waist was quickly caught by someone, and then she was pressed against the door, pressed tightly ...

he had a burning masculine aura on him that overbearingly touched her.

"tang yu." her voice was extremely weak, and her body struggled slightly.

However, her tiny strength was no different from a kitten in front of him. Instead, it made him more powerful.

She could only look at him helplessly, her watery eyes seemed to be immersed in a layer of water in the dark.

"you're not calling me mr. tang anymore? hmm?" He lowered his body to look at her, and before she could react, he kissed her little mouth.

she turned away in embarrassment, but he held her small head with one hand and held her in place.

Mixed with the smell of tobacco and men, he domineeringly touched her.

" don't whine. " pei qiqi's voice was broken. she pushed him with her injured hand. even though it hurt, she still pushed him.

she couldn't, she couldn't be like this with him anymore.

Tang Yu suddenly stopped. His deep eyes looked at her, " you don't want it? "

his black eyes coldly watched as she struggled, suffered, and despaired from the torture.

PEI Qiqi's forehead was covered in sweat. She drooped her head to one side and tried her best not to make such a weak sound.

"You don't even want this?" he closed in on her, a small flame burning in his dark eyes, enough to ignite her.

don't, don't, don't, don't, ran ran. she shook her head desperately, almost crying.

She couldn't take it at all and almost fell limp on his palm, looking very embarrassed.

Tang Zheng leaned close to her ear and said in a low and hoarse voice, "really? then what is this?"
pei qiqi closed her eyes and refused to look.

"You don't dare to look? you don't dare to admit that you're thinking about me?
Hmm?" he tortured her even more, yingluo.

Chapter 327-help me investigate!

PEI Qiqi finally cried out. She hung one hand around his neck and moved her lips close to his with
her misty eyes. She wanted to kiss him as if she was begging him.

tang yu's dark eyes looked at her quietly. all his actions stopped.

She then let go of her and smiled. miss PEI, I think you've misunderstood.

Her eyes narrowed, but he was still smiling and said very calmly, "I have a girlfriend.

he took two steps back and admired her current appearance.

pei qiqi grabbed her pajamas and covered her body. she glared at him, "you bastard!"

"You can say whatever you want." his expression turned cold, "pei qiqi, i told you. i
won't wait for you at the same place forever."

he even said to her a little cruelly, "Feifei is more obedient and sensible than you."

as he spoke, his dark eyes stared into hers, not letting go of any slight changes in her.

pei qiqi's body was warm, but her heart was cold.

she leaned against the door tightly and stared at him in a daze.

slowly, the corners of her lips curved into a faint smile. "congratulations then."

After she finished speaking, she felt an unspeakable fatigue. She released her fingers, opened the
door, and walked into her bedroom.

the door closed, and she leaned against the door with her eyes closed. she couldn't help but cry.

Tang Yu was too despicable.

She sobbed softly, then squatted down and hugged herself with one hand.

She had said that she would not cry anymore, but she still could not help but cry when he treated
her like this.

PEI Qiqi thought that maybe she should leave this city. She couldn't stand seeing Tang Yu and sun
Feifei after they got married. She would go crazy.

she had previously planned to move the pei family's headquarters away, so selling that piece of land would not be a bad thing for the company. in fact, they would have more liquid funds.

even though this wasn't what she wanted, yingluo.

Now, she even admitted that she was timid and was running away.

he was too strong, she couldn't resist yingluo.

Outside the door, Tang Yu was only wearing a white shirt and long pants. Just now, he was lying when he said he didn't want her. He wanted her so much that he went crazy, but he wasn't a man who couldn't control his lower body.

he wanted her, but he would never touch her before she was honest with him.

He had his pride.

Tang Yu pursed his lips and returned to the small guest room. It was small so he made do with it and laid there for the night.

the next morning, he left. he used her phone to call meng qingcheng.

downstairs, meng qingcheng watched as the elegant tang yu came down. he looked around and remembered tang yu's absence last night. he smiled, " don't tell me sun feifei lives here. "

then, he handed a phone to tang yu, " "you left it in the car. by the way, i have some bad news for you. i heard from the chauffeur that miss sun did a lot of indecent things in the car. you wouldn't want to know."

"scrap the car," tang yu opened the car door and sat inside the car not because sun feifei did anything to the car, but because he had sat with sun feifei before and pei qiqi had seen it.

Meng Qingcheng chuckled, " such a waste.

he peeked upstairs again. he didn't need to think to know who was living here. other than pei qiqi, there was no one else.

tang zheng got into the car and closed his eyes. " qingcheng, help me find out who qiqi met two days before the engagement. check the bodyguards and their phone numbers. "

Chapter 328-help me investigate

meng qingcheng laughed dryly. " you've fallen into her hands. "

Tang Yu didn't say anything. He just smiled, " "I'm going back to the Rose Garden to change my clothes."

the car turned around and went to the rose garden.

at 10 am, meng qingcheng walked into tang yu's office with a printed list of phone numbers. he placed it in front of tang yu and sat down across from him.

" i asked around. the day before the engagement, pei xiao qi was alone and told her bodyguards not to follow her. she must have gone to meet someone. there was a

number on the phone that matched the time. it must be the person pei qiqi was meeting. ”

tang yan held the paper and looked at it. meng qingcheng pointed at the number. ” this is it. look at ran ran. ”

tang yu picked up his phone and dialed the number, but there was a voice message, ” “i’m sorry, the number you’ve dialed is not in service. please check it before dialing.”

meng qingcheng also heard it and said indifferently, ” it seems like this person consciously used an alternate account to contact Pei Xiao Qi.

tang yu naturally knew this too. he muttered to himself, ” are there any other clues? ”

” there shouldn’t be any at the moment. i think it’s better to follow them. maybe we can find something else. ” meng qingcheng shook his head and suggested.

tang yu’s long fingers played with his phone. after a while, he said calmly, ” get someone to monitor her phone and watch her. if there’s anything unusual, report to me. ”

meng qingcheng shrugged and laughed, ” you’re sure? What about Sun Feifei? Which one would be bigger and which one would be smaller? however, i don’t think pei xiao qi would agree to it. ”

Tang mo glared at him.

“alright, pretend i didn’t say anything.” Meng Qingcheng raised his hand and suddenly sighed, ” “pei xiao qi has been burning incense for several lifetimes!”

Tang Yu’s voice slowly deepened, ” don’t alarm her.

Meng Qingcheng chuckled. I’m just afraid that you can’t control yourself. Last night, you slept at ran ran’s place. Can you control yourself? ”

it’s been a few months since i’ve had sex. how could i not eat a little lamb when it’s right in my mouth?

Tang Yu didn’t bother with him. He flipped through the documents, ” okay, you can leave now.

after meng qingcheng left, he put down the pen in his hand and let out a long breath.

indeed, he probably had internal injuries, yingluo.

however, before tang yu could find out anything, he received news that the pei family was moving.

and that piece of skin was bought by pei minghe many years ago, and now it had risen to several billion, and was the most valuable thing in the pei family.

Tang Yu knew exactly who she was trying to avoid.

little liar, you said you didn’t want to that night!

It was clearly not to the point where the mountains and rivers were empty. however, he still approved of her actions.

pei qiqi actually had some business sense!

xiao ran stood in front of tang yu and didn’t even dare to make a sound.

in the past few months, the president had been in a bad mood. the employees of sheng yuan had a hard time as well. it was supposed to be the off-season at the end of the year, but the results were as good as the peak season.

However, this didn't make the CEO smile at all. His face became colder and colder. Although he was still handsome, she still missed the approachable Mr. CEO.

"where is the pei family moving to?" Tang Yu clutched the invitation and his voice was tense.

Xiao ran quickly replied, " in The Pearl Hotel's vip room.

and there were many old friends! xiao ran thought unkindly.

Chapter 329 Qi Qi's little vinegar jar (1)

Xiao ran thought to himself, 'it's so lively!'

Tang Yu looked at the time. It was the fifth day of the first month.

she couldn't wait.

"Tell the organizer that I'll be there." tang yu said lightly.

xiao ran wasn't surprised, but he felt pity for sun feifei. she had already taken half a step into the tang family, but she might have to take it back.

Xiao ran left and Tang mo sat quietly. The phone on the table rang.

He reached out to answer the call. It was his second Secretary's voice. " president, miss sun is looking for you. do you need me to bring you in? "

tang mo was stunned for a moment before he remembered it was sun feifei.

on the night of new year's eve, she would have a concert at yin chao. sheng yuan was the investor and had invested 100 million yuan.

When he and sun Feifei maintained this superficial relationship, he still needed to cooperate with her. Of course, more than that, he wanted her to cooperate with him.

"bring it in!" Tang Yu said lightly. Then, he pulled on his tie and waited.

not long after, sun feifei's voice rang out, " tang yu, i'm just reminding you that my concert is the day after tomorrow. as your boyfriend, don't forget. "

He hummed indifferently and was extremely cold.

sun feifei didn't know why she was so infatuated with him in the past. he was clearly a heartless man.

"Also, my parents asked if you would like to have a reunion dinner with us after you're done." She admitted that she was making things difficult for him.

Tang Yu's deep voice rang out, " I think from the day we started working together, we should at least make sure that the other party won't be the one holding us back. If you need me to solve such a simple problem for you, then I don't mind changing teammates.

sun feifei knew that he was calling her a pig! He was furious, but it was not convenient for him to act up.

Because the conditions he had given her were very attractive, Yingluo wanted to be famous. In the music industry, she needed a strong background, and she wanted to take this opportunity to soar.

“Alright, I’ll explain it to them myself.” she said in a low voice. then, tang yu hung up the phone.

sun feifei really wanted to scold someone, but no one was scolding yueyue.

She was sure that Tang Yu didn’t have any feelings for her. Otherwise, a man wouldn’t be so cold.

tang yu hung up and called meng qingcheng, ” ” cooperate with sun feifei’s manager and report the concert to the media. ”

meng qingcheng understood him the best. of course, he knew what he was thinking. he smiled, ” i will definitely let pei xiaoqi see how much you love sun feifei. ”

Wasn’t it easy to make a woman jealous?

He was throwing money at another woman.

thus, within a day, all the street signs, billboards, and electronic screens in B city were filled with the music of that concert, and the main title was ‘xuanji sheng yuan’s future wife of the ceo’.

these advertisements were all from sheng yuan, so it was hard for pei qiqi not to know.

As she drove, Sun Feifei’s figure flashed across the road. Occasionally, she would reveal more.| The company promoting the bone used Tang Yu and sun Feifei’s photo to combine the two together.

PEI Qiqi pursed her lips and drove the car to Pearl Hotel. She was here to confirm the situation of the auction venue on the fifth day of the new year.

To her surprise, when she suggested moving the PEI family, everyone agreed with her because the land was also part of the PEI family’s shares. The land was dead, and now that it had been changed into money, everyone agreed.

pei qiqi also knew that after selling it, the pei family would also welcome a| The waves were turbulent.

after confirming the venue, she came out and saw a few short-term workers handing out flyers at the door.

When she saw PEI Qiqi walking over, she immediately came over enthusiastically, ” miss, this is our Miss Sun Feifei’s concert at music nest. You must go and listen! Ms. Sun Feifei was the youngest pianist in the country, and Mr. Tang from Sheng Yuan had dedicated his heart to her concert. There might be some mysterious interactions between them. Of course, the big screen in Sheng Yuan’s building will also be broadcasting it live.”

PEI Qiqi didn’t reach out to take it. She just indifferently put on her sunglasses and walked towards her car.

However, no matter where she went today, there would be posters that forcefully stuffed the papers with Tang Yu and Sun Feifei's faces into her hands.

There were about ten tickets in her car.

PEI Qiqi sat down and took a look at the paper. Then, she smiled bitterly and teased,

he used to dote on her so much, and now, he was doing the same to others.

she thought of that night, thought of how he suddenly stopped looking at her. he said that he had a girlfriend.

That's right, he has a girlfriend. Yingluo could tell that Sun Feifei was a good person.

it was very suitable for him!

pei qiqi started the car expressionlessly-

tang yu, i won't cry. i won't cry.

this city made her feel depressed and breathless because he was everywhere.

For the first time, PEI Qiqi felt that auctioning land was a wise choice.

xuanji new year's eve.

With Sheng Yuan's actions, the sound nest was able to hold thousands of seats even though it had only been a few days.

all the major media outlets were fighting to report on it, and the flashes lit up half of B city's sky.

Sun Feifei stood under the bright lights, dazed by Tang Yu's side.

She felt that although Tang Yu wasn't anything special, his money was a good thing, Yingluo.

she had been playing the zither for so long, but she had never felt so glorious.

She smiled sweetly. After some thought, she wrapped her arm around Tang Yu's.

Tang Mo's eyes narrowed. He didn't push Yingying away but smiled at the cameras.

and all of this was accurately transmitted to the live broadcast in front of sheng yuan's building.

on new year's eve, there was no one in front of the building. only pei qiqi was wearing a thick coat and sitting in the square. she hugged herself as she watched him stand with another woman.

She stared at his face and looked at him. Actually, Tang Yu, this way, we'll be able to stay up for the new year and spend it together.

She allowed herself to let loose one last time, just one more time, to look at him in a daze like this.

PEI Qiqi closed her eyes. When she opened them again, all she saw was Sun Feifei sitting in front of the piano, quietly playing. Tang Yu was nowhere to be seen.

behind them, there was a mysterious interaction that made pei qiqi smile. she picked up the beer beside her, opened it, and poured it into her mouth.

she wasn't used to drinking, so she choked a little and her tears flowed out.

That feeling was the same as the first time he smoked.

but that time, tang yu smacked her on the butt.| after that, she had never smoked ever again.

pei qiqi smiled and finished the can of beer in no time. she brought six bottles over.

“I haven’t congratulated you yet.” she looked at the screen and smiled foolishly. the moonlight shone on her body, making her seem particularly lonely.

she loved him, so much so that her heart ached.

The more she loved him, the more she didn’t dare to be with him.

” tang yu, i often think that if i loved you less, would i have the courage to be with you? to hell with the guilt, to hell with the things from our past lives. we are us. why should we pay for other people’s actions, hanhan? ” she mumbled and shook her head, ” no, the person who gave birth to me hurt your mother like that. i can’t do that, hanhan. ”
