

Thank you 3211

Chapter 3211: Quarreling with Wenxin and giving out candies at the same time (4)

“i’ve never seen anyone more shameless than you,” lin sisi said, biting her lip.

gu ze smiled and touched her hair. ” “i’m only shameless to you.”

Lin sisi continued to stare at him, feeling as if her illusion had been shattered.

even though she didn’t want to be with him anymore, gu ze wasn’t like this in the past.

“I’ll show you something.” Gu ze smiled.

she did not make a sound.

...

he took off his coat and revealed a grey sweater.

the sweater was crudely knitted, and lin sisi was familiar with it.

she had knitted the sweater for him when she was a little fool, and he was wearing it now.

Gu ze looked at the layer of moisture in her eyes and said in a soft voice, ” don’t cry. I know that my confession was too sudden. I wanted to take it slow, but Wenxin was like that. I had no choice.

He hugged her and said softly, ” I’ve never been with her. Not even once. I’ve never touched her. Hmm? ”

lin sisi listened to his words and her expression was a little wooden. after a while, she said in a low voice, ” “That’s not the main point.”

gu ze actually knew what she wanted to say and smiled. " let's eat first. We can talk about this slowly. Sisi, we have a lifetime.

she was still in a daze as she looked at him. " gu ze, you said forever? "

Gu ze nodded. yes. Forever.

lin sisi wiped her tears and said softly, " " gu ze, if you want to break up, you can break up. if you say it's for a lifetime, then it's for a lifetime. do you think i have to be with you just because you said you love me in front of the reporters? "

Gu ze's heart ached. He hugged her and coaxed her carefully, " " i know it's my fault. you could've rejected me. if you didn't show up at my proposal or our wedding, you could've stood me up. it's just to vent your anger, okay? "

Lin sisi looked at him for a long time before she regained her senses and squeezed out a sentence."Gu ze, are you crazy?"

Gu ze laughed lightly and said, " "Maybe!"

as he said that, he reached out to prepare the lunchbox and took care of her while she ate, just like a normal couple.

lin sisi was hungry, so she did not reject him again. after eating, she said in a low voice, " "I won't agree. One month, I only want one month."

gu ze looked at her and sighed. " you can be more direct. say that you only want that eighty million. "

She raised her eyes and gave a fake smile."that's right, i only want 80 million, not yingluo!"

before she could finish, he hugged her.

He buried his face in her neck and said in a low voice, "sisi, don't say it. Even if you think that way, don't say it."

Lin sisi was held in his arms and could not move at all. After a long time, she whispered, "can you change this sweater? otherwise, you should at least wash it before wearing it. it reeks of dirt."

she had a look of disgust on her face.

gu ze laughed. "you're the one who knitted lin sisi. now you're actually disdaining it."

lin sisi stuck out her tongue. "that's because you're an idiot. it's obvious that it's poorly knitted. you're a lab rat, but you're still so happy."

As she spoke, he looked at her with an indulgent smile on his face.

Slowly, Lin sisi's laughter stopped. She looked at him and said in a small voice, "gu ze, i've said it before. i won't marry you. let me go this time, and i won't play any tricks with you, okay?"

Chapter 3212: Back to C city, sweet and sweet (1)

He looked at her for a long time before saying, "not good."

when her expression changed slightly, he laughed again. "whatever you say."

As he spoke, he picked her up and carried her like a princess. He carried her out and placed her on a new wheelchair. He then pushed her out for a walk.

Lin sisi let him be, and the two of them looked like an old couple under the setting sun.

gu ze was very good to her, unexpectedly good. he was so good that she almost believed that they really loved each other and that they were never hurt.

lin sisi told him to stop. she looked at the clouds in the sky and smiled. Gu ze, look at those clouds. Don't they look very strange? one moment, they look like this, and the next moment, they look like that.

...

Gu ze also smiled. it's whatever you think.

Lin sisi watched with him, and after a while, she suddenly said, "Gu ze, I want to go to C city."

C city?

Gu ze was a little surprised.

That was because, although it held their best memories, it also held their deepest pain.

Was she really going there?

"i want to go," lin sisi nodded.

" alright! " gu ze hugged her. " we'll go tonight. "

lin sisi hugged his arm and said in a soft voice, "gu ze, i'll be your little fool again, okay?"

his body trembled for a moment, and then he smiled.

it was a wonderful night. lin sisi arrived at C city at 8 pm in a helicopter driven by gu ze.

there was an even bigger surprise waiting for her in C city.

auntie li was actually there.

If Lin sisi's foot had not been injured, she would have already pounced over.

the moment gu ze carried her down, the fountain in the entire villa was turned on. the musical fountain also started singing happily. it was a sound that had not been heard in a long time.

She had filmed an advertisement here with ye mu Bai before, but she was in a completely different mood now.

perhaps she still had some regrets in her heart, but she could make up for that regretful dream.

she stretched out her hand and felt the cool water on her palm, so she smiled.

Gu ze put her down. let's walk and see if your feet still hurt.

lin sisi supported him and stood for a while. then, she raised her voice."gu ze, can you help me take a picture?"

He smiled, took out his phone, put his arm around her, and took a photo in front of the fountain.

Her little face was a little reluctant, while he looked very happy.

After he was done, Gu ze did not let go of her. Instead, he cupped her long black hair and said in a low voice, " "Sisi, how about we live here from now on?"

she laughed in a very cute manner, as if she had returned to the little fool in the past.

"Gu ze, don't you want the company anymore?" she asked.

he reached out to straighten her hair and whispered, " " why don't you move the company's headquarters to C city and move your parents over as well? if you like, we can live together. "

lin sisi was stunned for a moment, then she looked at him. " "Is this a proposal?"

“it can be considered!” “So, do you agree?” he smiled.

Lin Sisi's gaze was fixed on his face. After a long time, she said in a low voice, “Gu Ze, if nothing happened to the Ye family, if Old Bai didn't marry Bai Suli, I would have married him.”

Her ordinary words made his expression change.

Gu Ze was not an idiot. He knew what she meant.

She was saying that she really did like Ye Mu Bai because she would not have thought of getting married if she did not like him.

Chapter 3213: Back to C city, sweet and sweet (2)

Gu Ze's voice was a little tense. The matter between you and Old White has already been resolved.

Lin Sisi looked at him quite seriously, “Gu Ze, actually, we've already turned over a new leaf.” Why do you have to be so persistent?”

Every word she said now was a rejection. Gu Ze's heart was in pain.

Did she not care about him anymore? Did she think that he was invulnerable? Or did she think that their relationship was only worth 80 million Yuan?

Gu Ze didn't say anything. His lips were tightly pursed, and he was obviously unhappy.

Lin Sisi smiled and walked towards the main house. “Didn't we agree on a month? Shouldn't we be happier?”

...

she suddenly turned around and opened her arms towards him, her voice soft and delicate.”gu ze, hug me!”

He was stunned for a moment, then quickly walked toward her.

At this moment, he was like a patient, and sisi was his medicine.

His illness would only be cured if he ate her.

he picked her up, and lin sisi immediately wrapped her arms around his neck. her voice was a little coy.”gu ze, i want to go eat skewers.”

however, he lowered his body and placed his thin lips on her ear. “i want to eat you.”

she shrieked and shrank into his arms.

she always knew what he liked. he liked little fools.

In the night, he kissed her, kissing her until her body went soft. Looking around, she really couldn’t pass through the hall in this state. Auntie li, who was at the entrance just now, was gone. She probably saw them kissing randomly.

Gu ze thought for a moment, took off his coat to wrap her up, and quickly walked towards the main residence.

There was no one in the large hall, so he decided to kiss her as he ripped off her clothes.

After going back and forth, she reached the master bedroom upstairs, which was almost clean.

Her body was thrown up, and she knelt down by the bed in a few moments. Her long black hair was scattered behind her shoulders, and she was very beautiful.

gu ze lowered his head, cupped her little chin, and kissed her. at this moment, he thought of something and questioned her with jealousy, ” “Did old white kiss you?”

she hugged his neck and kissed him. " i did. "

Gu ze took a deep breath and leaned forward to stop her. did he touch you? "

" yes, " lin sisi answered honestly. " there's one above, but there's none below. "

gu ze let go of her and took two steps back. " lin sisi! "

Lin sisi yawned lazily. are you trying to get back at me? Gu ze, are you telling me that you've never touched a single one of those small-time celebrities and models? "

he had touched it.

in order to be angry with her and to forget her, he had slept with someone else.

and it wasn't just one woman.

gu ze's chest heaved up and down. " then, are you interrogating me now? "

she moved over again, her little hand gently stroking his chest. " "you said that i'm your wife this month, so you're mine, yingluo?"

She was pure and sexy. She was not only a little more interesting than when she was a little fool. Gu ze was almost fascinated as he went forward and kissed her again.

This time, there were no unnecessary words. They kissed thoroughly, and thoroughly.

in the heat of the moment, lin sisi could not stand him like that. she scratched his back a few times with her fingernails and said in a wronged tone, " didn't you have a woman before? why does it feel like you haven't had sex for a few years? "

gu ze held her down and coaxed her.

he could tell her that he was only doing it for a while with those women. how could he do it like she did? he wanted to give her all his strength!

Chapter 3214: back to c city, sweet and sweet (3)

This went back and forth a few times until late into the night.

Gu ze thought that Lin sisi would be out of strength, but after the shower, she made a fuss about eating skewers.

gu ze kissed, rubbed, and coaxed her, can we go tomorrow? it's been so many times today, and your leg is in pain."

His little fool endured his kiss while hugging him and acting coquettishly. I just want to eat skewers.

"You really want to eat it?" he leaned close to her ear, his voice somewhat thought-provoking.

lin sisi opened her eyes and bit her lips as she glared at him."Gu ze, you're bad."

...

"i'll take you out to eat after that, okay?" he coaxed her in a low voice.

He didn't have such an idea at first, but now, he wanted to do it.

He wanted to bully her like this, he wanted to do it ruthlessly.

Lin sisi's eyes widened even more. Gu ze pressed her little head."Be good, Yingluo."

Then, she really obediently lay down.

Half an hour later, Gu ze came out of the bathroom looking refreshed. Lin sisi followed behind with a bitter face.

he took a coat and put it on her, smiling. "Do you want me to carry you?"

"there's no need." lin sisi glanced at him.

She vomited a little blood, and her mouth was full of the taste of barbecue.

Gu ze's barbecue.

gu ze was all smiles the entire time he was in the car. he pinched her soft little face. "You agreed just now. Why are you unhappy now?"

Lin sisi gritted her teeth. you didn't say that you're going to waste so much time.

"that's because you're a slow eater," he laughed and evilly put the blame on her. "next time, you should finish it quickly."

Lin sisi couldn't take it anymore and covered her ears, not wanting to listen.

Before Gu ze started the car, he had an idea. He couldn't help but lean over and kiss her little face. "sisi, you're so cute."

lin sisi shrugged her shoulders and allowed him to kiss her. she rolled her eyes at him again. "you only know how to bully me."

That little look made Gu ze almost not want to drive. He just wanted to carry this little guy back to the master bedroom upstairs and love him to his heart's content.

However, he restrained himself and reached out to caress her little face. I'll try not to bully you outside of the bedroom.

she glared at him again.

Gu ze felt that this was the most beautiful thing in his life.

It was as if he had no regrets in having such an imperfect but satisfying relationship in his life.

He started the car and went to the barbeque restaurant where ye mu Bai and his crew had gone to that time. He was a little proud that he wanted to get back at them here.

that time, she kissed dibai here.

That was why when he went over, he hugged her and kissed her a few times to get back at her.

lin sisi couldn't stand him anymore. " gu ze, you're so childish! "

"I'm just childish!" he smiled, lowered his head, and ordered his meal. then, he said in a low voice, " " fortunately, ye mu bai and bai sulli are married. otherwise, i would have to spend more time on them. "

"Are you trying to snatch my wedding?" lin sisi cupped her cheeks and smiled at him.

gu ze raised his eyes to look at her. after a while, his eyes were filled with a smile. he said very slowly, " " it's unlikely that she would snatch your wedding. i guess she would have an affair with you. "

"Are you willing?" he asked in a serious tone.

Lin sisi laughed so hard that tears welled up in her eyes. Then, she looked at him and said softly, " I'm not willing to marry Gu ze. I'll be loyal to whoever I marry. I won't cheat on you. If you love me, I love you too. If I don't love old Bai, I'll divorce him and get back together with you. But this is not very possible. If I marry him, it'll be because I love him.

Chapter 3215: back to C city, sweet and sweet (4)

gu ze's expression was a little hard to describe in a few words. he looked at her. "are you in love with him?"

lin sisi lay on her stomach and looked at him. she said slowly, "just a little bit more."

Gu ze knew in his heart that she did like Lao Bai. It was just that she did not have the opportunity and time to develop it to that stage.

However, he could also guess that Lao Bai had never touched her before. Otherwise, she would not be so indifferent when she mentioned Lao Bai.

He didn't continue the conversation. Men were petty in this aspect. He didn't want to keep mentioning Lao Bai and keep reminding her of Lao Bai.

At this moment, the boss just happened to serve the skewers. When he saw Lin sisi, he could still remember that she was a young girl from a few months ago.

...

however, the man who was with her last time was not this man. it was another very handsome man. of course, this man was also very handsome.

the boss took one more look, gu ze glared at him, and the boss immediately ran away.

"gu ze, you're so fierce." "Don't be like this." Lin sisi pulled him.

Gu ze was about to say something when Lin sisi glared at the rabbit heads on the plate. God, they're actually eating rabbits.

"That's too cruel," Lin sisi glared at Gu ze.

Gu ze was a little helpless. you don't like to eat it.

"I like it!" lin sisi grabbed one and ate it with great relish. "it's just a little too little. order a few more."

Gu ze, Yingluo

"I thought you weren't going to eat it."

"It smells really good. Gu ze, do you want one?" lin sisi laughed as she ate.

She knew that he did not eat these things.

Gu ze sighed. no need. I'm not eating.

She made an "Oh" sound and said with some pity,"Actually, the taste is really good."

Gu ze was helpless. even if it's delicious, don't eat too much. I'll have your favorite skewers later.

she obediently responded with a "mm". her little hands were oily as she looked for tissues. gu ze grabbed her little hands and helped her wipe them one by one. "don't get it on your body."

Lin sisi smiled at him.

at this moment, gu ze felt as if they had returned to the past, and her mind was more mature than before, and she felt even more wonderful.

it was as if he had just begun to fall in love.

It was his every time, and also sisi's first time.

gu ze smiled and opened a bottle of beer for himself. lin sisi asked while gnawing on the rabbit head, "You're not driving later?"

“you drive.” He said matter-of-factly.

Lin sisi snorted, took a bottle of beer, and drank half of it. “i can’t drive it now.”

gu ze glared at her and suddenly pulled her hair. ” “Are you disobedient?”

lin sisi leaned on his shoulder and smiled. ” “You just don’t listen.”

she seemed to be drunk as she hugged his arm. “if i’m disobedient, do you still want me?”

at that moment, gu ze’s heart clenched. he thought of that night when she ran to the hospital to ask him if he still wanted her. he rejected her that night.

His heart tightened, and he reached out to pull her into his arms, hugging her very tightly.

Her small face was pressed against his chest, and she felt his heart beating very, very fast.

“Gu ze?” Lin sisi called out his name uneasily.

Gu ze’s voice was suppressed. don’t talk, sisi. Let me hold you for a while.

“What’s wrong with you?” she asked in a small voice.

in exchange, he hugged her even harder. then he whispered, ” “I want it even if you don’t listen. Don’t leave me in the future.”

Chapter 3216: back to C city, sweet and sweet (5)

She buried herself in his arms and did not say a word.

They just snuggled together like this, and no one spoke.

after a long time, gu ze finally let go of her and smiled. ” “Let’s drink together.”

“then who’s going to drive?” She lay in his arms, her voice soft and sweet.

gu ze half-hugged her. ” i’ll drive. okay. ”

As he spoke, he gave her an extremely ambiguous smile. Lin sisi immediately understood.

...

Her face turned red, but she didn’t say anything.

The boss served another large plate of skewers. Lin sisi sat beside Gu ze like a happy little bird.

He hadn’t seen her like this in a long time. He reached out to ruffle her hair and ordered a few bottles of beer.

gu ze had drunk a little too much and was slightly drunk. lin sisi was the same.

they were all in high spirits. after that, she sat on his lap and ate, just like any other ordinary couple.

he wasn’t the high and mighty president of hengtong, and she wasn’t the lin sisi from the entertainment industry. she was just going to be his little fool again, being fed by him and talking happily in his arms.

her eyebrows were as exquisite as a painting, which was his favorite look.

Of course, people liked her like this. Because she was too good-looking, she attracted the attention of some bad guys around her. First, they whistled at Lin sisi. Gu ze glanced at her, pulled her up, and threw a dozen 100 yuan bills on the table.”There’s no need to look.”

There were about five or six men at the table that was staring at Lin sisi. They were all quite young, in their twenties. Seeing that Gu ze was about to leave, they immediately surrounded him. "Brother, you look rich. You want to leave so early?"

The other person also chuckled. "Big brother, it couldn't have slipped, right? You should at least let us take a few more looks at such a pretty girl!"

Gu ze asked very indifferently, "what do you want?" "you want money?"

He took out all the money in his wallet, which was about 10000 Yuan in cash. "Take this and you can go find a pretty girl."

Lin sisi pulled his hand. Gu ze, you're just like them. You're insulting us women.

gu ze patted her hand, indicating for her to keep quiet.

Lin sisi hugged his arm and hid behind him to watch the show.

the leader came over, took the money, and then smiled at gu ze. " "Brother, you're insulting us. Why don't you be more thorough? look at your outfit and the car you drove here. It's worth at least a few million. How about this? we won't be greedy. We'll just give each of us 880000 Yuan."

Gu ze lowered his head and looked at Lin sisi. wifey, do I have that much savings? "

"No, I didn't," Lin sisi pouted. you won't have anything even if I sell you. The car and house are all borrowed.

Gu ze looked over again. did you guys hear that? my wife doesn't agree.

the yellow-haired leader snuffed out the cigarette in his hand. " what a character, sister-in-law. You don't want your chastity anymore!

the yellow-haired man turned his head, and someone immediately brought over 20 bottles of beer. he then looked at gu ze.”the rule here is that if you want to take your girl away, you have to fight one by one until you knock us down. do you dare?”

he gave gu ze a provocative look.

Gu ze looked at him and sneered. there are six of you. I’ll choose alone? ”

“you can add your girl.” The man said with ill intentions.

“I won’t let my woman drink with others!” Gu ze laughed coldly again.

Chapter 3217: back to C city, sweet and sweet (6)

He picked up a bottle. didn’t you say you wanted to drink? do you want some? ”

He gave Lin sisi a look.

“you can’t drink from six people.” lin sisi pulled him.

“i’m fine!” he smiled. ” didn’t you say that you wanted to go to the washroom? I’ll give you the car keys, go and get me some hangover medicine. I’m afraid I can’t take it later.”

gu ze said as he took off his coat and handed it to lin sisi.

Lin sisi hugged his coat and took out her keys from her pocket. She looked at him worriedly.

...

“hurry up and go. come back later and see how i’m going to get them drunk.” He smiled and patted her again.

lin sisi's gaze met his.

there was a touch of warmth in gu ze's eyes, and she could understand what he meant.

she nodded obediently, her voice soft. "Then drink slowly. I'll come over after I'm done with the washroom."

gu ze laughed and watched her run in the direction of the parking lot. he then turned around and looked at the leader."how is it? let's blow three bottles first."

The leader was still looking at Lin sisi's back when he suddenly laughed. "This girl looks like a celebrity."

"maybe it is." gu ze also smiled and blew a bottle.

The yellow-haired man was not to be outdone. He blew out a bottle in one breath.

then, the two of them finished two more bottles. gu ze's head was a little dizzy, but he still smiled and opened ten more bottles."this time, i'll give you five bottles at once."

The blonde smiled. you've got guts. But tonight, it's either your girl or you serving us. Have you thought it through? do you want to get drunk? "

gu ze's eyes swept over the few good-looking ones and smiled. "How about I let my wife watch how I f * ck you guys one by one?"

The Blondie covered his face and laughed, and his brothers laughed along.

in the end, the yellow-haired man took his hand away and looked at gu ze. "I can't tell. Do you think I'm an elite? I'm so evil in my bones. Come, let's do it. It's hard to say who's going to do it.

gu ze knew that he couldn't stop drinking when he was talking to this group of people. once he stopped, their minds would turn around. thus, he laughed as he took the wine bottle in his mouth and drank it one by one.

the result was that their yellow-haired boss vomited after drinking the third bottle.

He vomited so violently that he almost vomited white foam.

gu ze looked around and smiled. ” anyone else? ”

his subordinates saw that he was fine and became a little timid. at this time, the yellow-haired man was vomiting and shouting, ” kill him! Let’s beat up this pretty boy.”

One of the yellow-haired man’s men immediately stepped forward, ” “let me compete with you.”

Gu ze’s long fingers opened a few more bottles, and it was still five bottles per person. “it’s still the same. do you want some?”

the man swallowed his saliva as he watched.”ha!”

However, it was probably too much. The fourth bottle was not enough. He covered his mouth and vomited.

Gu ze continued to pick two more and downed four at the same time. When it came to the fifth, he felt that he could not hold on any longer.

there were two more people on the other side.

With one hand supporting himself, he opened another ten bottles with the other. He raised his eyebrows and said to the little black-haired boy, ” “come?”

“i’m guessing you won’t be able to pass with these five bottles,” the black-haired boy sneered.

he had calculated that gu ze had drunk a total of more than ten bottles. these five bottles were bound to collapse. as long as he survived these five bottles, he would be able to kill one of them, one of him, and one of his mother.

gu ze watched as he picked up the bottle. he squinted his eyes and was about to drink as well, but the bottle in his hand was held by a small and delicate hand.

He took a look and saw that it was Lin sisi.

Chapter 3218: back to C city, sweet and sweet (7)

“I’ll drink with him.” lin sisi snatched the beer bottle from his hand, raised her head, and gulped down the whole bottle.

his heroic spirit made the little black hair on the opposite side tremble.

lin sisi put down the empty bottle and picked up another bottle. after three bottles, the little black hair was completely drunk.

The last person on the other side actually didn’t dare to drink anymore. He was cut by the yellow-haired boss. you’re disloyal. You’re not even as good as a woman.

However, no matter how hard he tried, that thing just wouldn’t come out.

“can we go now?” lin sisi smiled.

...

“go, go. don’t let me see you guys again.” the blonde waved his hand.

lin sisi smiled and squatted down to stare at the blonde. ” “I haven’t killed you yet!”

She looked at Gu ze. you’ll do it? ”

Gu ze rolled his eyes at her. I don't have such a hobby. Even if I do, do you think I can eat Lin sisi up with her looks? ”

The yellow-haired man heard.

f * ck, it's really that female celebrity. so this man is yingluo's hundred-billion-dollar president gu?

The Blondie trembled and swallowed his saliva.

He must have been blind to not recognize this Great Buddha. If they really did f * ck President Gu, would they be executed by thousands of people?

just thinking about it made the blondie wet his pants.

Lin sisi hugged Gu ze's arm and chuckled. “Gu ze, you had so much fun!”

The Blondie's body went soft again-

As expected, his surname was Gu.

gu ze pinched her ear. ” i already told you to get in the car first. why did you come back? ”

lin sisi smiled foolishly. ” you're back! the hero saves the damsel in distress! ”

“you're a bear, not a hero.” Gu ze shook his head and walked out first.

lin sisi followed behind him and took his wallet. she threw the few thousand dollars at the blondie. ” “You're so useless. Go treat your kidney!”

as she spoke, she hung on gu ze's arm and walked out. gu ze let her play and looked very accommodating.

The yellow-haired thug stood there limply, then looked at his group of disappointing brothers and sighed. he's squinting like he's seeing a ghost. I actually believed in love again.

The little black and gray fur also nodded in agreement. "Boss, us too."

Blondie was covered in urine, but he didn't care at all because he wasn't soaking in urine, but ...

Love!

On the other side, Lin sisi was hanging on Gu ze's arm and softly asked, "gu ze, do you really not want to vomit?"

"I don't want to." He snorted coldly, still angry at her for running back.

Lin sisi held back her laughter. but from your expression, you look like you're holding back your desire to go to the toilet.

"Shut up!" he said rudely.

lin sisi laughed secretly. "gu ze, i suddenly realized that you're very manly. you actually didn't call the police! "

"Men have their own ways of doing things." finally, he couldn't help but turn to look at her. "Lin sisi, I don't want you to think that I'm a man with only a few filthy money."

"but you have a lot of stinky money, and i like your stinky money." She laughed secretly and ruined his plan.

"Lin sisi!" Gu ze was angry.

"Do I have to be punished for telling the truth?" Lin sisi blinked, looking innocent and mischievous.

Gu ze finally couldn't take it anymore. He reached out and pulled her into his arms. He kissed her and bit her. "Lin sisi, I really want to kill you."

lin sisi's eyes were pure. " gu ze, you've drunk so much. are you okay? "

he glared at her.

a bottle of wine had appeared in her hand out of nowhere. she held back her laughter."I can use this to kill you!"

Chapter 3219: back to C city, sweet and sweet 8

Lin sisi looked at him and bit her lip, her face innocent. "then just kill him."

he stared at her and asked softly, " "really?"

lin sisi hugged him, looking a little impatient, but even more delicate. " Gu ze, are you done? you keep finding excuses.

he grabbed her and dragged her to a small hotel nearby. he threw two hundred yuan at her and went to the room with the key.

In that small and shabby room, they were extremely vivid.

he had used everything that he had never used before, was unwilling to use, and had no face to use.

...

she was the same to him.

No one cared about their faces, no one cared who they were, they just enjoyed each other's bodies until they were exhausted.

After that, he hugged the large, sweaty bed while Lin sisi lay on his stomach. Her little finger gently stroked the bed as she said happily, ” “gu ze, how good would it be if we could always be like this?”

he smiled. ” if this continues, i’ll probably be out of money. ”

He reached out and pinched her face. how many times have I done it today? have you counted? ”

Lin sisi tugged at him and complained, ” “that’s why i said you’re old.”

Gu ze put one hand behind his head and looked at her. “i still want more. if i want more, i’ll have to wait for an hour.”

Lin sisi chuckled and climbed into his arms. She reached out and wrapped her arms around his neck.”i’ll have to call you uncle in the future.”

gu ze was still looking at her. suddenly, he grabbed her arm and pressed her down. the next second, she called out softly, ” “Wasn’t it supposed to be in an hour?”

“are you still going to call me uncle?” he bit her ear.

this time, he deliberately tormented her, making her wish she was dead so that she would no longer have the energy to provoke him.

She was only allowed to sleep late at night.

early in the morning, gu ze was woken up by lin sisi. she was still lying in his arms, looking up at him like a baby with a face full of curiosity.

Gu ze smiled and kissed her little mouth. “why aren’t you sleeping? what time is it?”

He reached out for the watch on the bedside table and looked at it. He hummed.”It’s only eight o’clock. Sisi, you’re so energetic.”

lin sisi continued to look at him. ” gu ze, aren’t you hungry? ”

Gu ze laughed. He clearly knew what she was talking about, but he still deliberately asked, "hungry again?"

As she spoke, she pretended to come over. Lin sisi screamed, "I'm talking about the stomach."

"then feed me first, hmm?" he turned over and pressed her small body down to kiss her to his heart's content.

He didn't really do anything to her. He just kissed her and enjoyed this beautiful moment.

Lin sisi had been tormented by him until she looked like a little lunatic. Her long black hair was in a mess, and her little mouth was slightly red and swollen. She looked even younger. He smiled. She was not young anymore, but perhaps it was because her skeleton was too small and she was heartless, so she really looked younger than her peers.

he kissed her again and again. lin sisi reached out and wrapped her arms around his neck. she smiled naively. "I want to eat breakfast at a five-star hotel."

She acted coquettishly again. Gu ze, there are many bugs here. I've been bitten by many.

"It's true. Let me see." He chuckled, lifted the blanket, and carried her into the small bathroom.

fortunately, there was always a half-body mirror in the bathroom, and she was held there.

Gu ze reached out and rubbed the Hickey on her neck. "is this the place?"

Chapter 3220: Back to C city, sweet and sweet (9)

Lin sisi dodged him and leaned on his shoulder. "Not here,"

he smiled and went down again. "here? or here? hmm?"

Every time he moved to a different place, she would scream until Gu ze could not take it anymore. He laughed in a deep voice. is this all? are there any other places? ”

Lin sisi turned around and hugged him. “no more!”

She leaned on his shoulder and begged for mercy in a low voice. I really can’t take it anymore! I don’t want it, okay?”

gu ze smiled and let her go. he carried her back to the simple room and helped her put on her clothes.

...

Lin sisi lay comfortably in his arms and asked softly, ” “where are we going?”

didn’t you say that you want to have breakfast at a five-star hotel? let’s go and get a room. Gu ze helped her put on her clothes and put her down. He stood up and put on the black Bullet head without any hesitation.

Lin sisi’s little face was slightly red as she watched from the side.

he had a really good figure. she was very curious as to how he could maintain such a good figure even though he sat in the office every day.

her little hand reached out and secretly poked her twice. gu ze glanced over and she immediately ran away.

When they walked out of the shabby hotel, the sun was just right outside. Lin sisi hung on his arm. President Gu, do you feel like you’re indulging in too much? ”

“what do you think?”

she just walked around him and always had something to say. gu ze found her annoying later on and caught her in his arms for a kiss.

after that, she didn't get to eat the five-star breakfast, so he brought her back to the villa and fooled around for the whole morning. he only allowed her to catch up on her sleep in the afternoon.

During the week in C city, they were very indulgent, as if there was no tomorrow. It was as if they didn't need to care about anything. Other than eating and sleeping, they spent the rest of their time making love.

a week later, gu ze brought her back to B city.

because ye mu bai and bai suili's official wedding was about to take place, gu ze had to attend.

he brought lin sisi to his villa. at first, lin sisi was unwilling, especially when she was not willing to lie on his bed.

gu ze knew that she would not be able to get over what happened that day because he had forced her on this bed.

after that, the child that she didn't have that night was gone.

he came out of the bathroom and saw lin sisi lying on the sofa and reading a magazine. she was wearing an oversized bathrobe. it was his.

He walked over and bent over to hug her,"why aren't you sleeping?" You've been crazy all day, are your feet tired?"

Lin sisi sat up straight in his arms and said in a low voice, " I don't want to sleep yet.

Gu ze picked her up and placed her on the soft bed. He said in a low voice, " time to sleep.

her small body wanted to get up. he pressed her down and said with a gentle expression, " be good. "

lin sisi looked into his eyes and bit her lower lip, unable to say a word.

Gu ze's face was buried in her neck, and his voice was very low and hoarse. "Sisi, I'm sorry for that day."

She stared into his eyes for a while before she wrapped her arms around his neck. She didn't say anything and just buried her face in his arms.

After a while, he felt his clothes on his chest getting wet and hot. He hugged her tighter."don't cry, okay? We'll have a child."

"you've already had a vasectomy." She said gloomily.

Gu ze smiled and kissed her hair. " i lied to you. if it's really a vasectomy, why do i always have to wear one? you're so silly! "
