

Thank you 3221

Chapter 3221: she is my woman (1)

Lin sisi glared at him and reached out her little hand to hit his shoulder. “gu ze, you’re so bad.”

He laughed in a deep voice and laid down with her in his arms. He held the small one in his arms and reached out to stroke her back, comforting her silently.

Perhaps because of the topic of vasectomy, Lin sisi was not as stiff as before. She stayed in his arms for a while, then turned around and looked at him. Gu ze, are you really going to ye mu Bai’s wedding? ”

gu ze lowered his head and pressed his forehead against hers, ‘he invited you too, didn’t he? sisi, let’s go together, okay?’”

“wouldn’t that be inappropriate?” lin sisi was a little hesitant.

“what’s not suitable?” He smiled and patted her little head.”alright, let’s go to sleep.”

...

she was still a little nervous, but gu ze only hugged her and let her feel the warmth of his body. he did nothing else.

Slowly, she relaxed and fell asleep in his arms.

in the morning, when lin sisi woke up, gu ze was already dressed. he bent down and kissed her on the lips. ” ” i have to go to the company. i’ll come back early in the afternoon to pick you up for the dinner party. ”

“oh,” lin sisi replied.

Gu ze did not leave immediately. Instead, he paused and muttered, "you can take a look too. we can have another wedding."

Lin sisi wrapped herself in the blanket and refused without thinking."No, it will be very embarrassing."

Gu ze pinched her little face and said,'you think I'm old? I'm a few months younger than old white."

Lin sisi leaned against the bed and stuck out her tongue. old Bai has never used it before. I don't know how it will turn out.

Gu ze smiled and did not say anything.

he went to work, and lin sisi was a little bored. she got up and walked around the villa. the servants here all knew her, and they took good care of her breakfast and lunch.

Lin sisi caught up on some sleep after lunch. In the afternoon, two sets of gowns were sent to her from the styling studio for her to choose from.

lin sisi opened the box. one set was aqua blue, and the other set was a classic black chanelle dress.

Lin sisi wanted to wear the black one, but she thought that it would be rude to wear black for a wedding, so she changed into the blue one.

That set was haute couture from a high-end brand. It was a strapless one, revealing a little of her snow-white skin on the back. The embroidery on the long skirt was exquisite, and the unit price started from a million Yuan.

"master gu specially ordered this for miss lin. it fits you very well." The staff member said in an envious tone, " in addition, Ms. Lin can keep the Chanelle set for the banquet in the future. Mr. Gu has also matched a set of Camellia jewelry for Ms. Lin. Ms. Lin can try it on.

lin sisi smiled. " there's no need for that today. it's quite troublesome to change it from one person to another. "

“That’s true.” The staff helped her comb her hair and style it. Lin sisi’s face was especially small and she was slender, so in the end, they decided to comb her hair into a bun.

It was simple, but it was especially young and good-looking. Lin sisi felt that it was very light even when she lifted the hem of her dress.

She looked at herself in the mirror and saw Gu ze coming back with a box in his hand.

“is it for me?” lin sisi turned her head.

Gu ze used his eyes to signal for the staff to leave. He slowly walked over and opened it in front of her.

There was a shiny necklace inside. It didn’t have a main diamond, but it was very beautiful and matched the dress perfectly.

“do you like it?” he lowered his head and rubbed her little nose.

lin sisi’s voice was coy and wet.”I like it.”

Chapter 3222: She’s my woman 2

“i’ll help you put it on.” he hugged her from behind and gently bit her fair neck. ” “I really don’t want to take you out!”

She only trembled for a moment and did not say anything.

Gu ze put it on for her and then stood beside her to look at them in the mirror.

lin sisi also noticed that he had changed his clothes, which were obviously for formal occasions.

“actually, you’re also very handsome today!” lin sisi gently wrapped her arms around his neck.

gu ze couldn’t help but give her a kiss. he handed her his bag and carried her downstairs.

...

He hugged her like a princess and let her rest on his shoulder in the car. An hour later, the car arrived at the GM hotel.

tonight was the wedding of the second son of the ye family and the only daughter of the bai family. it was held at the most luxurious hotel in city B, GM. even tang yu and pei qiqi, who had not appeared for a long time, appeared. however, they only showed up for about ten minutes. it was considered giving the ye and bai families a lot of face.

when gu ze arrived, he met ye muyun and tang xue ‘er.

Ye Muyun had always been good-looking, and Tang Xue ‘er had inherited her parents’ good genes. If they just stood there, people would think that they were married.

gu ze went over and exchanged a few words with ye muyun. they used to be superior and subordinate. after gu ze left, ye muyun still took care of him very well. now that they met, they couldn’t help but exchange a few words.

When ye Muyun saw Lin sisi, his gaze became deep in thought.

“does she know what you’re thinking?” he looked at gu ze and smiled.

gu ze looked at lin sisi, who was talking to tang xue ‘er, and said in a low voice, ” “She doesn’t know yet.”

ye muyun laughed again. ” she’ll find out very soon. gu ze, are you sure you want to tell her everything so quickly? ”

“a long night brings many dreams!” gu ze smiled. ” or maybe she can’t guess it. ”

ye mu yun looked at his wife and smiled. ” “do you think she’s as stupid as my custard bun?”

gu ze took a glass of red wine, pondered for a moment, and then smiled.

ye mu yun also took a cup and clinked it with his.”as expected, you guys will probably fight tonight. Don’t drink too much, you won’t be able to control your strength.”

gu ze’s heart ached, and his voice was soft. ” “i won’t do anything to her.”

one time was enough, the price was too great.

at this moment, lin sisi and tang xue ‘er came over. tang xue’ er walked in front of ye muyun and yawned. ” “Brother, I want to go home and sleep.”

Even now, she was still used to calling ye Muyun ‘brother’. Clearly, ye Muyun enjoyed it very much.

he hugged his wife and said, ” “There’ll be an exciting show later, don’t you want to watch?”

“i want to sleep.” tang xue ‘er hugged his arm.

after ye muyun found out that she was pregnant, he wasn’t interested in anything other than sleeping. if it wasn’t for today’s special occasion, she wouldn’t have come.

he smiled and took his leave, though it was a pity.

Gu ze watched them leave and turned back to look at Lin sisi. “What are you looking at?”

lin sisi stuck out her tongue. ” your ex-boss seems to be more handsome than you too. ”

Gu ze glanced at her. he’s the child of ye Liangqiu and Qin Anlan. His genes are slightly better than mine.

in fact, many people didn't know that ye muyun took his name from tang yu when it came to business. when he was ten years old, he sold himself to the tang family for a custard bun. it was quite crazy. it was probably because the qin family had many children that they were willing.

Gu ze suddenly thought of Qin Mu, the girl he had liked for many years. His originally blurry mind became clearer at this moment. Perhaps he could see her Wanwan and Zhou chongguang tonight!

Chapter 3223: She is my woman (3)

Just as Gu ze was thinking, Qin Mu, whom he had liked for many years, appeared with Zhou chongguang, holding hands.

His gaze was fixed on Qin Mu for a long time.

lin sisi also looked up at him.

a moment later, gu ze's gaze fell back on lin sisi's face and he smiled.

The atmosphere at that moment was a little strange.

"Gu ze." Qin Shu came over to greet her with a faint smile. His gaze fell on Lin sisi's face, and he smiled very gently.

...

even zhou chongguang was smiling very gently.

He was very tolerant towards his wife's former admirers. It was probably because he was confident that Qin MU's gaze would always be on him.

there had never been anyone else.

lin sisi looked at zhou chongguang, then at qin mu, and then at gu ze.

Gu ze was looking at Qin Mu, and Lin sisi suddenly smiled.

“what’s wrong?” gu ze held her hand and asked very gently.

Lin sisi’s voice was so low that only he could hear her. “i’m laughing at you.”

At that moment, Gu ze’s face was a little twisted, but he quickly returned to normal.

at this moment, lan yu also brought qin chen over.

Qin Chen had accidentally recovered his memory in a car accident and started wearing men’s clothes again. His hair had also been cut much shorter. Although he wasn’t as manly as before, it was enough for Lan Yu to beat his chest every night.

His wife had once again turned from a famous model into a man.

however, he still had a strong interest in her.

qin chen was working in the hospital now and also performed surgery, but she couldn’t do the super bad surgery. when she was in new York, her hand was injured by rong lei and wasn’t as flexible as before.

However, when she returned to the hospital, she was still the Prince Charming Dr. Qin that the young nurses idolized. Many young nurses argued not to get married because of Dr. Qin!

the addition of qin chen and lan yu made lin sisi relax a lot. this group of people was also quite amazing-

There were many love triangles and quadruplets.

fortunately, lan yu's ex-wife, tang xue 'er, was taken away by ye muyun. otherwise, it would be even more chaotic.

Everyone chatted for a while, and the men tacitly took their women away. In this day and age, hehe, there were many people who were not strong-willed.

lin sisi followed gu ze into the hall. she looked up and saw his gaze on qin mu, who was not far away.

She chuckled again and lowered her eyes. as expected, there was still a difference between a moment of passion and true love.

qin mu was the white moonlight that he couldn't have in his heart, while she, lin sisi, was wanwan's passer-by who accompanied him on his journey.

from his gaze, she could tell that qin mu would always be the white moonlight in his heart.

It just so happened that she didn't take it seriously this time.

at this moment, gu ze placed his hand on lin sisi's shoulder. ye mubai and bai xueli also walked out at this time.

the moment they appeared, lin sisi's face turned pale.

She finally realized that she had been tricked by Gu ze.

She had planned to escape unscathed a month later, but she had fallen into this man's trap.

Gu ze had used her and ye mu Bai's short past and Bai Xueli's power to escape.

And she, Lin sisi, was destined to have nowhere to run.

she wasn't afraid, but she knew how it felt to be crushed by power in this world.

when her father was still in power, she could be as arrogant as she wanted. killing a person was as easy as killing an ant. otherwise, she could be stepped on.

tonight, under gu ze's plan, she and bai sulli were wearing the same clothes.

Chapter 3224: She is my woman (4)

the same haute couture dress, one on bai sulli and one on lin sisi.

she was also ye mu bai's ex-girlfriend in name. even an ordinary woman wouldn't be able to stand this kind of provocation, let alone the high and mighty bai sulli.

lin sisi's eyes were fixed on bai sulli, and she asked in a very soft voice, "gu ze, do you want me to have no way out?"

she had offended bai xueli, and she could only be safe under gu ze's protection.

he really had a good plan.

before gu ze could speak, lin sisi spoke again, " "will you use the same method on qin mu?"

...

Her hand was held and he said in a low voice, " "Sisi, you understand why I'm doing this, don't you?"

"yes," She took a step back, but her hand was still in his grasp, and she could not break free.

lin sisi looked at gu ze. " i'll leave you in a month. i'll take 80 million and leave. "

she said it cruelly and heartlessly, ” gu ze, you know that i’m an actor. you wanted me to be your wife for a month. i acted well and coaxed you to be happy. this is my professionalism. there’s nothing wrong with it. ”

he stared at her and lost control at someone else’s wedding. ” “Then what about my heart? is it destined to be torn into pieces by you?”

lin sisi laughed softly. ” so, when your heart was breaking into pieces, you chose to let someone else tear me apart? ”

Gu ze reached out and pulled her into his arms. “i will protect you.”

Lin sisi’s expression was very ugly. After a long time, she smiled gently.”protect or possess? Gu ze, you haven’t changed at all.”

she lowered her eyes and said,’the one who has lost his power is destined to be trampled on and hurt without being informed, right? you treated me like this in the past, and now you want to do the same to me. ”

she broke away from him and did not follow his script. in front of so many people, in front of ye mu bai and bai sulli, she smiled at ye mu bai. ” “Old Bai, are you still willing to marry me?”

when lin sisi said this, gu ze was stunned.

ye mu bai was even more stunned.

however, when he saw the gown lin sisi was wearing, he knew what to do.

he had become the cannon fodder for gu ze’s scheme.

Ye mu Bai’s eyes were filled with heartache.

if the girl he liked really said to him, ” old bai, i regret it, i don’t want to let you go, i don’t want to see you get married to someone else, ” then he would choose to walk over it. no matter how hard it was, he would hold her hand and never let go.

Ye mu Bai thought of that night when he told sisi that he was going to marry Bai Sulli. At that time, he and sisi had already progressed to the point of kissing.

Sisi did like him, but not to the extent of love.

if she had hugged him that night and told him not to marry bai suili, he would not have married her.

But at that time, sisi only gave a shallow smile and said, "it doesn't matter, old Bai, you can marry her!"

Sisi and he had the same background, and no one understood his situation better than she did.

If he married Bai Xili, the ye family would be able to survive this crisis. If he didn't marry her, he, ye mu Bai, would be nothing. He wouldn't be able to give sisi anything. What movie King? under the power of power, he was nothing.

at that moment, he looked at lin sisi. at that moment, their minds were connected.

she wasn't making things difficult for him, but she was giving him a way out and a chance to reject her.

she had shouldered everything on her own.

ye mu bai's heart ached for her.

Chapter 3225: she's my woman 5

He looked at Gu ze.

gu ze also looked at him.

sisi,” he slowly said, ” stop messing around. Go back with Gu ze.

At this time, Bai suili, who was standing at the side, walked towards her.

lin sisi was very slender and petite, while bai sulli was 170 cm tall.

“Lin sisi, you still dare to fight with me for my man?” Bai suili leaned forward.

...

Lin sisi smiled lightly. in the past, your father was just an Adjutant by my father’s side. Bai Sulli, what you’re doing now is just the leftovers of my game.

“he’s the same.” she pointed at ye mu bai.

Bai suili smiled lightly. Of course she didn’t like Lin sisi.

The Lin family had fallen, and now the ye family was completely relying on the Bai family’s help. She was going to slap the little princess in mu Bai’s heart right now.

mu bai did not say it, but she actually knew that mu bai had liked this little b * tch for a long time.

He had liked her since she was young. At that time, Lin sisi was gay and followed behind Qin Chen all day long. That was why Mu Bai did not lay his hands on her. Now, Gu ze had toyed with her in the blink of an eye, and he actually took her back as a treasure.

now, she wanted mu bai to see clearly who was the treasure and who was the trash.

bai suili directly raised her hand, and before anyone could react, she slapped lin sisi.

Lin sisi’s face was smacked to the side.

she did not care about bai and turned her face to the side, looking at gu ze.

there was a faint trace of mockery at the corner of her mouth.

Gu ze went forward to hold her hand, but it was too late. Ye mu Bai had already hugged her.

she was so small, curled up in his arms.

bai suili stood there and looked at ye mu bai.”You want to break off the engagement?”

ye mu bai lowered his head and looked at lin sisi, who was in his arms.”Do you still mean what you said just now?”

lin sisi looked at him.

ye mu bai laughed bitterly and reached out to caress her face, which had a five-fingered mark. ”
“What should I do? my heart aches when you get hit.”

he raised his eyes and looked at the people around him, including his parents. he said firmly, ” “i
don’t want to marry him anymore, let ye mulin marry him!”

gasps could be heard all around-

F * ck, there was such a thing.

Ye mu Bai hugged Lin sisi and looked at Gu ze. “I thought you’d wait for her, wait for her to
recover from the pain in her heart, but you don’t love her. You put yourself first in everything. that’s
why i’m taking her back.”

Ye mu Bai had kissed Lin sisi in front of so many people on his wedding day.

Lin sisi was also stunned.

She didn't want him to do this. Getting slapped was also going against Gu ze.

Her eyes were wide open, but in ye mu Bai's eyes, she looked a little cute. His heart ached for her, but he was also gentle. Lin sisi, you're not the only one who doesn't play by the rules. I can do it too.

Lin sisi was dumbfounded.

she really didn't want him to do this for her. what would happen to the ye family?

could she create a ye mu bai? could she turn back time?

It was a little too much!

Gu ze narrowed his eyes and immediately reached out to pull Lin sisi over. "she's my woman!"

"Is this how you treat your woman?" ye mu Bai immediately hit her.

with a bang, the punch was not light!

The two men started fighting like wild beasts out of nowhere. The people present were all famous people, and no one dared to take a picture of it because of their status. However, the wedding had to go on anyway. Ye Mubai and Gu ze were chased into the lounge by the eight burly men. They could fight as they pleased, and Lin sisi was also carried over.

beauty and the beast, let them play it themselves.

Chapter 3226: She is my woman (6)

at the wedding scene, bai suili's expression was still in shock.

with a slap, she sent mu bai away.

mu bai said that he didn't want to marry her anymore. he wanted to be with lin sisi.

What did Lin sisi have right now? other than her face, she had nothing. Even her chest wasn't as big as Bai Xue Li's.

Bai Sulli was a very willful girl. Since she was young, she could have anything she wanted. Ye mu Bai was someone she wanted but could not have. Seeing that they were about to have meat tonight, Lin sisi's two words managed to hook him away.

Before Bai suili could cry out, her hand was held.

...

she was stunned for a moment. she wanted to call out to mu bai, but when she looked up, it was the ye family's eldest brother ...

Ye Mu Lin!

her eyes widened-she didn't want to marry this stoic man. legend had it that he couldn't make it, so he never had a wife.

she tried to break free, but her eyes met her father's.

His eyes told her that it was not the time for her to be willful. She had to clean up the mess she had caused.

Bai suili's eyes were filled with tears, and she wanted to cry.

Ye Mu Lin's tone was very cold and his voice was very low. don't think that I'm doing this willingly. Let's cooperate!

"Our marriage is fake, isn't it?" she asked in a trembling voice.

Ye Mulin did not answer her.

a family like theirs would never allow a fake marriage. mu bai was completely willful this time. he could not let bai suili go again.

Ye Mu Lin knew that in the Bai family's eyes, Bai Xue Li's value in marrying him was far higher than mu Bai's.

he had no intention of getting married, but now he had no choice but to make a sacrifice.

He was a good lawyer, but he didn't know how to coax girls, and he didn't have the patience to do so.

In particular, he didn't like Bai suili at all.

Shallow, exaggerated, and probably with a knife on her face. She was a far cry from the traditional woman in his heart. Among so many women from prestigious families, he only found Qin Mu slightly more pleasing to the eye. The others, like Qin Chen, he Huan, Tang Xue 'er, and Lin sisi, were all ugly and ugly ...

to put it bluntly, the eldest son of the ye family, ye mulin, looked down on women.

His temper was not as good as ye mu Bai's. He was a workaholic!

Moreover, the wedding ceremony was simple and brutal, and he took Bai suili away.

Everything happened so quickly that it was unbelievable.

This man was a man of action.

Since he was married to her, he had to discuss the conditions with her, then sleep with her and give birth to the heir of the ye family.

that night, bai suili experienced the peak of her life, then the lowest point.

The man that he had squinted at, ye Mulin, was simply a devil.

She was thrown onto the bed.

meanwhile, her newly-wedded husband was sitting on the sofa at the end of the bed with a stern face as he loosened his tie ...

bai suili wanted to cry-

Wow, the wedding night that she had prepared so carefully, the sexy pajamas, the 1982 red wine, and the roses were all gone, and she was going to spend a night with this man?

he still couldn't do it!

"Don't cry!" ye mu lin's voice was low, but it was unexpectedly sexy and pleasant to the ears.

he rubbed his brows and looked at her. "should we do it first and then sign the contract? or should we sign the agreement first?" he asked.

"do one, your mother!" "ye mulin, you bastard! you're ten years older than me! are you trying to eat young grass?!" bai suili cursed.

she quickly climbed out of bed and ran towards the door, but he quickly grabbed her hair, dragged her back, and threw her onto the bed.

ye mulin loosened his tie and gave a faint smile. "let's do it first and then talk! a marriage in reality might help you wake up."

Chapter 3227: You're not losing out either, it's my first time too 1

Ye Mulin pulled off his tie and dragged Bai suili over.

“what do you want to do?” she shrieked. Ye Mu Lin, are you crazy? I like ye mu Bai, not a boring workaholic like you!”

Ye Mulin directly peeled off the haute couture piece. The newly appointed Mrs. Ye screamed again.”ye mulin, what are you trying to do?”

“We’re married, miss Bai. I’m just exercising my husband’s rights now. “He started to kiss her neck.

The newly appointed Mrs. Ye cursed in her heart. This workaholic actually knew how to kiss and didn’t do it violently.

but the next second, tears burst out from the corners of her eyes. he had narrowed his eyes so that he would come straight to her.

...

” ye mulin, you b * stard! you’re shameless! i’m so sorry for you! ” bai xiuli’s eyes widened as she looked at her husband who had just taken over the position.

he narrowed his eyes. he was actually still looking like an elite when he was doing this kind of thing.

there was no expression at all.

Bai suili angrily punched his shoulder, biting her lip, tears falling.

however, none of this could stop ye mu lin. he did not stop at all and did not show any mercy to the woman.

he didn’t show any mercy to her just because it was her first time. he leaned forward and whispered into her ear, ” don’t you dare seduce Mubai in the future. You’re his sister-in-law, do you know that? ”

bai sulli glared at the hateful man. “I’ll seduce him. I’ll take him to bed tomorrow.”

In exchange, he was rough!

“are you a pile driver?” she cried out in pain.

it really hurt. he was like a machine without flesh and blood.

” mrs. ye, thank you for your praise. ” Ye Mulin was still expressionless. He then announced the second event.”You can’t cause trouble in the ye family, understand?”

bai suili bit her lip. ” i promise, i will steal a man every day. ”

“then i’ll publish the photos of you and those men, do you want them?” he pinched her face and turned into an even more powerful pile driver.

F * ck, it hurts.

bai sulli grabbed his back and tore his shirt apart. she was like a mad woman, but the man spent their wedding night with her rudely and gnawed at her until not even her bones were left.

from the beginning to the end, there was not a second of pause, and it took three hours and eight minutes.

by the time everything had calmed down, it was already early in the morning.

Ye Mulin stood up and pulled up his clothes. He did not even change his posture.

Looking at Bai Sulli who was lying there like a dead fish, he smiled faintly, ” you didn’t lose anything either. It was my first time too.

Bai suili had not yet removed her makeup, and upon hearing his words, her originally weak body was immediately revived,”First time, your mother!”

the habit of scolding people is very bad. You have to remember that you are Mrs. Ye now. Ye Mulin frowned and took out his phone from his pocket. He called his Secretary.”Come over for a moment, there’s a marriage agreement that needs to be signed.”

bai suili got up from the bed and jumped behind ye mulin. she gritted her teeth and said, ” ” i’m not your wife. we’ll get a divorce tomorrow. ”

“You weren’t satisfied just now, so Wanwan wants a divorce?” ye Mulin frowned.

He took her down and placed her on his lap.

to be honest, bai suili was very beautiful, but it was a superficial kind of beauty. everything she said was european in style, even her breasts, he suspected were fake.

Therefore, he went to test it. Unexpectedly, it was real.

Chapter 3228: You’re not losing out either, it’s my first time too 2

slap! his face was slapped by her.

Ye Mulin grabbed her hand and seemed to be deep in thought. I wasn’t familiar with it just now, but I think I know it now.

f * ck, he was really a genius that he had chosen. he was able to draw inferences from one case.

he hadn’t changed it for three hours just now. was he playing with a fried dough twist now?

however, bai suili had to admit that he was really f * cking powerful. even his screams were filled with excitement.

When ye Mulin’s Secretary came over, she was also quite speechless. Her BOSS was suddenly getting married and she had not even prepared a gift before coming up with the marriage agreement.

...

Ye Mulin's shirt was stained with blood. It was unknown if it was his or Mrs. Ye's. In short, his usually strict appearance looked a little disheveled. The newly appointed Mrs. Ye was even worse off. She only had a bathrobe on and her face was pale. The makeup on her face was all over the place and her neck was full of hickeys. They were very dense.

it seemed that BOSS had his own feelings for that place.

As the Secretary's heart was trembling, Bai Xiuli shouted, "I want a divorce."

ye mulin was unconcerned. "you've been on your R period these past few days. we've done it four times. you might be pregnant with my child now. how are you going to get a divorce? besides, the ye clan and the bai clan can't afford to lose face like this."

I don't care. I'm going to get Mubai back. bai xue li wasn't afraid of anything, and to a certain extent, she was the same as lin sisi in the past, able to get anything she wanted.

Ye Mulin looked at her as if he was looking at a willful child. we've slept together. Do you think Mubai will still want you? "

Bai suili glared at him, tears welling up in her eyes, slowly gathering in the mist.

tears started to fall.

She did not make a scene anymore. She just looked at him, at the man who had violently taken possession of her just now. Really, this man was too strong. All her resistance and stubbornness were not worth mentioning in front of him.

he would not be soft-hearted towards her. when she was in so much pain, he only cared about enjoying himself.

she laughed coldly in her heart. did he think that she didn't know that he was actually enjoying it?

this man was pretending to be sanctimonious even when he was enjoying it!

“Ye Mulin, you’re bullying me.” Bai suili glared at him and said softly.

he was so much older than her. he was tall and strong, and he forced himself on her.

She hated him to the core. She hated him to the core. To hell with the marriage agreement. It was this demon who wanted to control her.

there was no love between them. everything he did was for the ye family and for ye mu bai.

The way he took possession of her was the same as how he took possession of a chicken.

ye mulin looked at her and frowned. ” stop messing around. i’m taking a private plane to United States at six o ‘clock tomorrow. ”

“Didn’t you say that I’m getting married to you? don’t you have a honeymoon?” bai suili took a lamp and threw it at him. ” “You’re a bastard. What do you take me for? I don’t want to marry you. The moment you left, I drugged your precious little brother and climbed into his bed.”

Ye Mulin crossed his arms in front of him and stared at her. are you angry because you didn’t have a honeymoon? ”

“I’m angry because I’m marrying an old man like you.” bai suili was extremely angry. ” i won’t sign your so-called marriage agreement. if you don’t divorce, i’ll spend all your money and make you a cuckold. ”

Ye Mulin’s expression was very ugly. I can give you my money to spend as long as you can spend it all. However, if you dare to put a hat on my head, I will definitely kill you so that you won’t have the strength to go out and find a man in the future.

Chapter 3229: you’re not losing out either, it’s my first time too 3

His Secretary looked at his boss in surprise, as if he had opened the door to a new world.

Was this shameless man Yingluo her boss?

Was it the boss who never smiled and never joked?

didn't the boss not like women? but why did he look like a sex machine now?

ye mulin looked at his secretary. " go out first. get the driver to pick me up at six. "

The Secretary swallowed his saliva and left, thinking that the boss was not going to hold the wedding night until dawn!

...

she had to admit that she was right.

After the Secretary left, ye Mulin shifted his gaze to his newly-wedded wife."do you want to go to United States with me or stay in B city?"

"Is there a difference?" Bai suili's face was guarded.

"There's not much of a difference." Ye Mu Lin said indifferently.

bai xiuli stepped back. " then i choose to stay in B city. "

"Alright," he said, looking at her.

as he spoke, he picked her up horizontally, went to the bedroom, and threw her on the bed ...

"what do you want now?" she screamed.

wasn't this his first time? this was the first time an old man was so scary.

this time, ye mulin took off his clothes piece by piece and threw them away. his clothes were reduced one by one, and his figure was slowly revealed.

He had the body of a supermodel, so pleasing to the eye that it would make one's nose bleed.

But that didn't stop her from hating him.

you chose to stay in B city, so I have to guarantee that you'll be well-behaved for the few days I'm not around. Ye Mulin said expressionlessly. Then, he shyly said 10000 words.

bai suili was stunned for a moment, but he got away with it. she opened her eyes wide and punched him with all her might,"bastard, it's my first time."

Was he into sex games?

she was really in pain.

She cried so hard that she couldn't control herself. Slowly, she lost the strength to struggle, and could only lie on the pillow and cry silently.

She looked rather fragile like this. Ye Mu Lin kissed her face."You're very obedient."

he worked even harder until five in the morning.

Bai suili had reason to believe that if he continued like this, he would have an affair with a corpse, and she would be that corpse.

Ye Mu Lin was too brutal, he was simply not human.

He didn't see her as a woman at all, but as a machine like him.

When he left her body, she used the last of her strength and said, "i'm definitely going to divorce you."

Ye mu Sen was getting dressed and frowned when he heard her words. why do you still want a divorce? " am i not able to satisfy you?"

f * ck him, did he think that yingluo only needed to feel good in her marriage and not like or love?

bai suili didn't want to speak, so she turned around and ignored him.

She turned over, and the finger marks and kiss marks on her back were all clearly seen by him.

Ye Mulin put on his clothes and walked over to sit down. He touched her back gently with his finger."does it hurt?"

That shouldn't be the case. He had known Bai suili for a long time. She had thick skin and was very good at fighting. How could she be so fragile after one night with him?

He could not understand.

bai xiuli suddenly turned around, her eyes red."Get lost!"

He had taken away her first time, second time, third time, so many times, and he still had the face to ask her that. His thing didn't seem to be made of meat, but iron.

she glared at him, her eyes reddening. in the end, she buried her face in the pillow.

Ye Mulin originally felt a thousandth of pity for her, but when he saw her face, he hesitated."Go and wash your face. You look like a ghost."

Chapter 3230: You're not losing out either, it's my first time too 4

Gosh!

he still had the cheek to dislike her? why didn't he dislike her when he pressed her down and f * cked her the entire night?

He got out of bed and pulled up his pants!

bai sulli threw a pillow at him. she was already thinking that as soon as he left, she would find a gigolo to make him a cuckold.

She hated him!

she especially hated him!

...

she hated him to the core.

If it wasn't for him, she would have been together with mu Bai last night. Mu Bai would definitely be moved by her wearing that sexy nightgown.

She would live with mu Bai like a princess and a Prince, not with this egoistic maniac.

he wasn't the man she wanted. he was arrogant, his body was hard, he was rough and not gentle, and he had no expression when he did that kind of thing. she was not happy at all, and all she felt was pain.

Also, there were so many of his shortcomings that she could hardly count them!

the more bai suili thought about it, the sadder she felt. she felt that she had probably raped ye mulin in her past life, which was why he treated her like this.

her first time was gone, just like that.

She started to cry, not softly, but loudly.

she didn't like him anyway, so she didn't need to pretend to be a lady. it would be best if he hated her now and wanted to divorce her.

Thus, she cried even harder, her tears and snot all ugly.

it was time for ye mulin to leave. however, his new wife was lying there and crying like a crime scene. how could he leave?

bai suili was crying while paying attention to the movements around her. when she found that he hadn't left, she wailed,"you go, get lost. i'm going to find a gigolo."

his face was livid, and he leaned over to look at her cat-like face. " "with your current state, no matter how much money you give, the gigolo might not be willing!"

"I'll pay for it. I'm willing to. It's none of your business." she buried her face in the pillow and sobbed. she felt that she couldn't live anymore. the sky was falling.

ye mu lin looked on helplessly and impatiently.

In his life, women were troublesome creatures, and the one in front of him was simply a low-level creature.

In his eyes, everything about her was fake, but Xiong had tested it and it was true.

And the Halo behind her was also someone else's, and also fake.

One of them could not be any more fake, while the other was a useless rice weevil. Other than providing a channel and a Purple Palace to give birth to children, there was no use at all.

And this woman kept saying that she was going to make him a cuckold.

ye mu lin had a terrible headache. he held his forehead and looked at the woman on the bed.

He was the one who bullied her so badly. Initially, he thought that with his Yingluo's good performance, a woman as promiscuous as her would be happy to cater to him. However, other than screaming for the entire night, she did not even say 'great'.

He lowered his head and looked at himself. Was his ran ran not good in that aspect?

ye mulin pondered for a moment. in order to prevent himself from being cuckolded in a few days, he made a decision.

he brought her to United States.

However, he had to convince her.

Lawyer ye's way of convincing people was also very unique.

he picked her up and went to the bathroom to wash her ghostly face with water.

Bai suili took a big gulp of cold water, while desperately shouting,"you have to use makeup remover oil. ye mulin, you bastard!"

Ye Mulin frowned. can't I use facial cleanser? "

he was definitely a straight man!

bai suili really wanted to f * ck his ancestors. she wiped her face and said, " if you don't use that, it won't wash off. go out and i'll wash it myself. "

he seemed to doubt her words and warned her,""If you dare to escape, I'll catch you."

"You'll kill me, right?" she slammed the bathroom door shut.

She wanted to f * ck him to death right now!
