Chapter 3231: He's too strong 1

Ye Mu Lin touched his nose and coughed lightly."Maybe, it's possible!"

"Go to hell!" Bai suili roared from inside.

ye mulin raised his hand to look at the time. he could still give her half an hour, at most.

He used this time to make himself a cup of coffee and sipped it as he looked around the suite.

to be honest, he hadn't had a good look at it since he came in, because bai suili had ordered it for him and mu bai's wedding.

He seemed to have thought of something and went to the changing room to open the Kasaya.

...

sure enough, there were a few interesting sets of clothes hanging inside.

A set of sexy white camisole pajamas and a black Kasaya. As ye Ling removed the black straps with his big palm, he could quickly confirm that this was a sexy lingerie.

he curled his lips-

What a heavy taste!

At this moment, a fair hand snatched the thing from his hand. how can you go through my things so casually? "

He raised his eyebrows and looked at his new wife.

She had a simple wash, and her face was much more pleasing to the eye without any strange things on it. Her facial features were still European, but her skin was very fair. One look and you could tell that she had been pampered for a long time.

“what are you looking at? haven’t you seen it before?” bai suili threw the two clothes into the trash.

ye mulin put his hands in front of his body. ” if you didn’t buy it, why did you throw it away? ”

how could he not know that she had prepared this for mu bai? she was no longer interested in wearing it if it was another man.

in fact, ye mulin did not have much expectation either. he was a very practical man. to him, women were just visual shock after stripping them off. then, he would do it and reproduce.

as for the fancy tricks, he didn’t appreciate them, nor was he keen on them.

However, he never thought that one day, when he especially liked his wife wearing these Kasaya strips to seduce him, he would become a completely heavy-tasting person.

However, he didn’t really appreciate it now, so he was just making things difficult for her.

“it’s such a waste to wear it for an old man like you,” bai sulli said with a cold smile.

As she spoke, she took off her bathrobe and prepared to change her clothes. She had no intention of avoiding him since she had already slept with him.

ye mulin leaned against the door and looked at her naked appearance. she was white and clear in the morning light.

Her figure had the slimness of the East and the femininity of the West, which was very pleasing to the eye.

the ye family's eldest son had never had a woman before, but many women had thrown themselves into his arms. some of them were even celebrities and models, but none of them could compare to the body in front of him.

he'd personally controlled it and even slept with hanhan.

His gaze was still nonchalant. Because he had vented his anger many times, although he found it pleasing to the eye, he was not as impatient as a young man.

Bai suili cursed in her heart. After changing her clothes, she walked towards the door. ye Mulin, goodbye! No, it's best not to see her again! My lawyer will send you the divorce agreement."

as soon as she opened the door, a large bouquet of red roses appeared, and the face of a flower delivery boy appeared behind her. "are you miss bai? these are your roses."

Bai Sulli took the Rose and threw it on the ground, "no need!"

It was simply a f * cking rose!

as soon as she finished throwing a tantrum, her wrist was held by a strong hand, and a deep voice rang in her ear."Apologize to her!"

bai xili turned around and saw ye mulin's expression. she threw her bag at his face and said,"You don't need to care! Ye Mulin, you old hooligan, leave me alone. I'm telling you, I want to divorce you!"

Chapter 3232: Too damn strong 2

"a divorce is a divorce, and respecting others is respecting others. they're two different things!" ye mu lin's voice became much sterner.

Bai suili looked at him in a daze, and her eyes started to mist up, "ye, don't think i'm afraid of you! you slept with me for a night and i didn't sue you. i'm telling you, if you continue to pester me, i'll sue you for rape."

"husband and wife making love and you want to sue me? are you sure?" He sneered, as if he was looking at an insensible child.

Bai suili's chest heaved up and down violently as she glared at him, "ye mulin, don't think that i don't know about marital rape just because you're the best lawyer."

"where's the evidence?" He pulled her closer to him and trapped her in his arms. did I hurt you or something? aren't you feeling very comfortable? "

He paused for a moment. on the contrary, behind my back, there's evidence of your violence. Why don't I Sue you for rape and see who has a higher chance of winning? "

...

bai suili took her bag and hit him. " ye Mulin, are you even a man? you came in without even saying goodbye. It hurts so much, and you still have the cheek to say that I raped you? you're so shameless, pretending to be a gentleman all day long.

The flower delivery boy was stunned.

this early in the morning is too exciting!

Her bag had left two deep cuts on his face.

ye mulin snatched her bag and threw it into the rubbish bin.

"ye mulin, you bastard!" bai sulli shrieked. "don't you know that this is a limited edition from hermès? you can't buy it even if you have the money!"

she pounced over, but her pride did not allow her to pick up things from the trash can, even if it was clean.

He turned around again, his eyes burning with anger as he clenched his fists. “I hate you!”

“Apologize!” He pulled her over and held her in his arms so that she would face the young man.
“i’ll say it for the last time. apologize.”

the young man was stunned. he quickly waved his hands. ” no need, no need. i just need to sign it to prove that i received it. ”

ye mulin sneered. ” she ordered the flowers for herself. she doesn’t need to sign it. also, apologize!
”

“i don’t want to!” Bai suili was stubborn.”Why should I apologize to a flower delivery guy? I’ll just let him eat shit!” My family name is Bai, my father is Yingluo.

but you don’t have a father. You’re just a piece of sh * t! Ye Mu Lin said mockingly.

bai suili almost went crazy, screaming,”ye mulin, what are you talking about?”

“you’re a pile of sh * t. didn’t you say that he would eat sh * t? if you don’t apologize, i’ll make him kiss you, a deep kiss! Do you want it?” he twisted her arm forcefully and roughly.

“ye mulin, i want to divorce you!” bai suili screamed again.

ye mulin held her down and said to the delivery man,”Come and eat shit!”

The little brother who sent the flowers was completely stunned ...

This man was really strong!

At this moment, not only did he not feel humiliated, but he also felt that he was enjoying it.

Just as he was hesitating, Bai suili screamed, ” “don’t come near me, i apologize.”

“You’re wrong to say sorry!” ye mu lin looked at her.

Bai suili’s eyes were full of tears, and she stared at the flower delivery man. I’m sorry, I was wrong!

“he said you shouldn’t have let him eat sh * t.” Ye Mu Lin’s voice still did not have any warmth.

“I shouldn’t have let you eat sh * t,” Bai suili said, holding back her anger.

Chapter 3233: Too damn strong (3)

After she finished speaking, ye Mulin nodded his head in satisfaction and said to the flower delivery boy gently, ” “Alright, you can go now.”

The flower delivery guy thanked him and Ziyan ran away.

Ye Mulin turned around and looked at his new wife. She looked like she was about to explode from anger.

He let go of her. don’t even think about getting a divorce. I can’t afford to lose face like this. There’s one more thing I want to tell you. In the future, wear more conservative clothes. You’re not allowed to reveal any places that shouldn’t be exposed. Do you understand? ”

as he spoke, he looked in the direction of the trash can.”as for those indecent clothes, you can wear them at home, but if you wear them outside, yingluo ...”

“You want to divorce me, right?” Bai suili was just what he wanted.

...

“I’ll break your legs!” Ye Mulin sneered at her naivety.

“Ye, do you know who I am?” his noble new wife was furious.

“I don’t think I don’t know who’s the one who married me.” “If you marry me, I’ll have to fix whatever flaws you have so that you won’t pollute the earth,” ye Mulin said coldly.

fuck!

trash! Bai Sulli cursed. a man like you who doesn’t know how to be romantic and likes to rape is the trash of earth.

“Ye Mulin, what are you trying to do?” she screamed.

Ye Mulin had already picked her up and was walking outside. As he walked, he said in a deep voice, ” “To United States!”

“I don’t want to go to United States with you. I don’t want to leave with an old man like you.” she punched him with all her might and bit him with her mouth, but it was no use. he still carried her into the elevator, went to the first floor, stuffed her into the car, and boarded the private plane.

the marriage drama between the ye and bai families was temporarily calmed down because of ye mulin’s power. ye mulin was very busy, so his honeymoon was gone. he also didn’t have a home banquet. bai suili’s passport and other things were all in his hands. when she went to United States, she could only wait obediently in the hotel for him to give birth day and night. she didn’t even have a chance to seduce a man.

as for the people involved in the fight in the hotel the day before, they were all sent to the hospital.

Sheng Yuan hospital’s VIP Ward was dedicated to welcoming these rich men, and Sheng Yuan’s most awesome and beast-like Doctor, Qin Chen, was also waiting for them.

Ye mu Bai was still fine as he had no grudges with Qin Chen, so his treatment was normal.

however, gu ze was different. he was no different from lan yu back then. while he enjoyed doctor qin’s wonderful medical skills, he also had to be cursed at.

Gu ze and ye mu Bai were injured to varying degrees. Gu ze had a broken rib, while old Bai's leg was broken.

qin chen brought two beautiful nurses with him to change gu ze's medicine. his technique was very good-not too light, not too heavy, just enough to let gu ze die.

how could gu ze not know that this was qin chen's revenge? he gritted his teeth and asked, "where's sisi?"

Qin Chen chuckled. it's your ex-wife. You almost broke her leg at ye mu Bai's place, so of course sisi has to accompany her. Otherwise, why would she accompany you? "

The veins on Gu ze's head were popping. she's my wife this month.

"You bought it with money, right?" Qin Chen laughed. Gu ze, actually, if you didn't scheme against sisi yesterday, you two could still part on good terms. But you shouldn't have schemed against her. Do you have to scheme when you love someone? "

he just wanted lin sisi to offend bai sulli, so that she could only survive under his wings in the future. however, loving someone was not like this.

when you love someone, you should let that person fly higher.

Even if you had to look up to her, you should be happy.

Gu ze's love was too overbearing.

After Qin Chen finished speaking, Gu ze was silent.

Chapter 3234: gu ze, we can't go back to how we were 1

there were still painful beads of sweat on his forehead, but he didn't feel much pain. he only felt a little lonely.

without Lin Sisi by his side, he was very lonely.

He said in a hoarse voice, "Can you let her see me?"

Qin Chen stood up and thought for a while. "I'll ask her, but I don't think she'll agree."

Then, she said something that made Gu Ze's heart tighten. Ye Mu Bai ran away from his marriage for Sisi, and Ye Mu Lin took over. From what I know, Ye Mu Lin must have really married Bai Xiuli. Do you think Sisi will be touched by old Bai?"

Gu Ze looked at Qin Chen and slowly asked, "If it were you, would you choose Lao Bai or me?"

...

"I choose blue universe." Qin Chen said coldly, "None of you are my type."

"What?" Gu Ze's face was full of disdain. "You just like to be gay with him, right?"

This couple had such a bad taste.

"If I were Sisi, I'd choose Lao Bai," Qin Chen added after a pause.

Gu Ze's heart was cold.

He laid on the bed alone and even wondered if Lin Sisi was really together with old Bai and if she was lying on the same bed as old Bai.

Just thinking about it made his broken rib even more painful.

When night fell, his heart felt even colder. He did not know where she was now, but he guessed that she was at old Bai's place. He felt a little proud in his heart, but in the end, he could not hold it in any longer and reached out to take the phone.

After holding it in his hand for a long time, he finally dialed her number.

it rang four or five times before she picked it up. it was her soft voice.”Gu ze?”

When Gu ze heard her voice, he felt as if his throat was blocked.

he remembered qin chen’s words. he said that if he didn’t plot against her, they would part on good terms. however, that wasn’t what he wanted. he wanted her to live with him forever.

he held his breath and was more nervous than ever. ” i have no one to take care of me. i want to drink some water. can you come over? ”

Lin sisi was silent for a moment before agreeing. wait a moment.

thus, gu ze was overjoyed. he was like a young man waiting for the girl in his heart. he was restless and couldn’t find the most suave posture no matter how he lay down.

lin sisi arrived five minutes later. she was wearing a wool dress and a wool shawl.

She pushed the door open, went to pour a glass of water, and placed it in front of Gu ze’s bed. “didn’t you want some water?”

Gu ze leaned there and looked at her with a burning gaze. “where’s old bai?”

she’s asleep. Lin sisi smiled.”He’s better at acting coquettishly than you.”

Gu ze’s mind was in a mess. He could not think of how Lao Bai was acting coquettishly. Was he leaning on her shoulder and asking her to feed him food and water?

As he thought about it, hesitating if he should do the same, Lin sisi spoke again, ” ” if there’s nothing else, i’ll take my leave. there’s no nurse there to take care of her. ”

She was about to leave when Gu ze reached out and grabbed her wrist. He said in a deep voice, ” “don’t go.”

he grabbed her arm, and lin sisi backed away, but he held on tightly. she had no choice but to say, ”
“gu ze, don’t be like this.”

He looked at her and asked softly,”have you made your choice?” Have you chosen to be with old Bai?”

She shook her head blankly. Then, she looked into his eyes and suddenly nodded.”Yes. i’ll be with him.”

she had lied to him, if that was what made him let go so easily.

Gu ze gently closed his eyes. I don’t believe you.

“It’s true!” “gu ze, i’m sorry. our yingluo really can’t go back,” she said in a low voice.

she struggled to break free from his hand, bit by bit, as if she was trying to break free from his life.

Gu ze’s hand loosened.

Chapter 3235: gu ze, we can’t go back to how we were 2

Gu ze’s hand loosened as if he wanted to let go of her, but he quickly clenched it again.

not only did he hold her tightly, but he also pulled her into his arms.

When she pressed on his ribs, Gu ze cursed in a low voice, but he did not let go of her. Instead, he held on to her tightly.

their eyes met, and he stared into her eyes.”tell me you’re lying to me!”

lin sisi was forced to bury her face in his neck, and her voice was a little moist.”Gu ze, your injuries will get worse.”

“if you don’t love me, why do you care about my injuries?” He said almost willfully. Then, he pinched her chin with one hand and kissed her forcefully.

...

Lin sisi retreated, and he pressed her head with one hand.

this way, her body pressed even closer to him. lin sisi could almost hear his injured bone being crushed inch by inch.

her eyes widened as she struggled with all her might. however, every moment of her struggle only made him feel more pain.

gu ze didn’t care at all and kissed her madly.

He didn’t even care about his ribs and pressed her down, eager to possess her and prove that she was still his.

the consequences were very serious, but he did not succeed. his head accidentally hit the nurse’s bell, and when the nurse came in, there were several sisters-in-law who came together.

The scene was chaotic. Lin sisi’s clothes were in a mess, and Gu ze’s ribs were broken again.

when qin chen rushed over from home, he simply wanted to saw gu ze’s rib and break it.

he’s already injured to this extent, yet he’s still thinking about xxoo! How big of a heart did he have?

Qin Chen took two hours to connect Gu ze’s ribs. When he came out of the surgery, he saw Lin sisi standing at the door. She took off her mask and walked over, smiling. “Are you alright?”

lin sisi looked at qin chen and suddenly went up to hug her.

it had been a long time since they had hugged like this, and it had been a long time since they had been alone like this.

qin chen froze for a moment, then lowered his head and hugged lin sisi.

She was so small, and she was in her arms. Just like in the past, they were together in New York.

Lin sisi rested her face on Qin Chen's shoulder and said softly, "Sister Chenchen, you remember now, don't you?"

qin chen didn't answer her directly, but hugged her tightly. "Sisi, that's all in the past."

She turned around and held her little face. everything is fine. hmm?"

lin sisi looked at qin chen and smiled, her eyes filled with tears.

She nodded hard and looked at the person she used to like very, very much. He hugged her again.

what should I do, sister Chenchen?" she mumbled. I still like you very much.

qin chen laughed. "it's very simple. i'll talk to lan yu later and take you back. i'll take turns to pamper you. "

lin sisi rolled her eyes. "forget it. i'll be killed by lan yu. "

At this time, Lan Yu was getting impatient from waiting in the parking lot and came directly to find Qin Chen, just in time to hear it.

She walked over with a smile and pinched Qin Chen's face."what, i can't satisfy you? you still want sisi to warm your bed?"

regarding sisi's past of liking qin chen, he was the most familiar with yingying.

“Do you really think you’re that good?” Qin Chen rolled his eyes.

lan yu pulled her into his arms and looked at lin sisi. ” “Do you want to go back with us?”

Lin sisi couldn’t help but laugh. I don’t want to warm sister Chenchen’s bed.

“you can also warm me up,” lan yu coughed lightly.

qin chen directly brought this fickle husband home.

Chapter 3236: Gu ze, we can’t go back to how we were 3

In the parking lot, Lan Yu was a little worried as he asked his wife, ” “are you really not going to care about sisi and gu ze anymore?”

“How?” qin chen rolled his eyes at him and fastened his seat belt. ” you should be able to tell who sisi likes. it’s impossible for her to be with lao bai. i think sisi should be relieved that bai xuli forced her to marry him. do you think she will be with lao bai again? ”

lan yu touched his good-looking chin and smiled. ” “You’re right.”

Qin Chen sighed. but Gu ze is too calculative. He wants too much. Sisi will be very tired if she’s with him. She might not be willing to be with him.

lan yu didn’t say anything more and started the car to go home.

in the hospital, lin sisi stood in the corridor. after a while, gu ze was pushed out. the anesthesia had not completely worn off, but his mind was already somewhat clear.

...

gu ze’s parents also came. when they saw lin sisi, the atmosphere was a little strange.

“auntie, you’re here. i’ll take my leave first,” lin sisi whispered.

mrs. gu called out to her, looking a little hesitant. ” “i have a few words to say to you.”

Lin sisi pursed her lips and forced a smile. “alright,” he said.

mrs. gu looked at mr. gu.

father gu nodded. ” i’ll stay here and take care of gu ze. ”

Gu ze’s eyes opened a slit as if he was about to wake up, but also as if he was not.

lin sisi looked at him for two seconds, but still went out with gu ze’s mother.

after they left, mrs. gu did not speak immediately. instead, she sighed.”sisi, we didn’t know that you and gu ze were married before. when we found out, you were already divorced. We also know that Gu ze likes you very much now and wants to get back together with you, but please understand our hearts as parents. We just want our children to live well.”

She wiped her tears. old Gu and I used to have a daughter too, but she was too stubborn and didn’t think things through. She jumped off a building and died. Now, we’re only left with Gu ze as a son. We’ve always hoped that he could marry Wenxin, but he lied for you and said that he had a vasectomy. Actually, it was Wenxin who had no choice but to tell us that she was pregnant. We believe that she’s a good girl and won’t do anything stupid.

qi zhen looked at lin sisi and said slowly, ” “Sisi, do you understand what I mean?”

After hearing this, what else could Lin sisi not understand?

she smiled very lightly. ” i understand. my past doesn’t meet your standards as a daughter-in-law. but don’t worry. it’s impossible between gu ze and me. i’ll leave. ”

Mrs. Gu was a little relieved. I’m relieved to hear you say that, but I still feel a little guilty towards you. After all, you’ve sacrificed a lot for Gu ze, especially that child Yingluo.

lin sisi's heart felt as if it had been pricked by a thorn. she laughed softly."the child is not gu ze's."

when she said that, mrs. gu felt uncomfortable and a little disappointed. she mumbled, " "it's not our gu ze's."

"yes, it's not his." lin sisi lowered her eyes. " alright, that's all. i'm leaving. "

"my boyfriend and that place, i'm going to take care of them." she pointed to the opposite side.

Mrs. Gu was even more dejected. you have a boyfriend again? "

" that's right. he's called ye mu bai. gu ze knows him too. you know aunty too. " Lin sisi spoke very quickly, as if she was avoiding something. Then, she opened the door of the opposite Ward and dashed in.

the moment she entered, she was hugged by someone. that person said, " "Sisi, you can cry if you want to!"

Chapter 3237: Gu ze, we can't go back to how we were 4

lin sisi leaned on ye mu bai's shoulder and said in a soft voice, " "No, I don't want to cry."

Lao Bai did not say anything and only held her in his arms.

After a long time, she vaguely heard him say, " "Sisi, you still have me."

lin sisi was stunned. after a long time, she raised her eyes, which were filled with tears in the dark."Old Bai, can you not be so melodramatic?"

He kept looking at her, and then he smiled gently and said softly, " "i was just joking with you."

As she said that, she reached out and pressed the light. The light in the ward suddenly softened, and the tears on her face could be clearly seen.

...

“Sisi, you’re not such a fragile person.” Ye mu Bai sighed.

In fact, the only explanation was that she cared about that person, so she couldn’t stand his mother’s words.

At that time, he really wanted to rush out, pull her over, and say domineeringly, ” “She’s my woman.” Then, he kissed her.

But he didn’t. He didn’t dare. He was afraid that sisi would want to turn back. He was afraid that he would personally block her way back. If that happened, he wouldn’t be able to forgive himself.

He was indulgent towards her, and his love for her was so strong that he would rather see her happy ...

it would be fine even if she chose to be with someone else.

lao bai felt that he was enjoying the poignant beauty. he probably acted in too many dramas and was too immersed in the character.

However, this was the first time he had ever thought of cherishing a girl so recklessly, so he didn’t want to force her. He didn’t want to kidnap her with anything.

He looked at Lin sisi, and Lin sisi looked back at him.

After a long time, she finally smiled very, very softly.”old bai, it’s really good to have you here.”

“I’m fine, why did you reject me?” he patted her head.

lin sisi helped him to the bed and sat on the edge of the bed, supporting her chin. ” i saved you from the fire and water. ”

gu ze was deep in thought. after a while, he suddenly laughed softly.”You didn’t expect things to turn out like this, did you?”

Lin sisi was lying on one of his injured legs, her little chin resting there. Old White’s face was twisted in pain.

he took back his words. she was not a little angel, she was a little devil.

lin sisi laughed, moved her chin away, and sighed softly.”You didn’t expect your brother to take in a Little Vixen like Bai Sulli, did you?”

As she spoke, she raised her eyebrows. I heard that you and Bai Sulli liked each other before. How is it? how far have you developed? ”

ye mu rolled his eyes at her and then kicked her with his uninjured leg. ” nonsense. ”

However, he could not help but sigh in a gloating tone, ” “She’s my sister-in-law now.”

rather than saying that he had been in love with bai suili, it was more like a nightmare. he really couldn’t stand her temper, but he didn’t know if his brother could stand it.

lin sisi laughed. she lay down beside ye mu bai, and there was a hint of nostalgia in her eyes.”i actually miss the past. at least i didn’t have any troubles.”

ye mu bai reached out and pulled her hair. ” “your problem now is gu ze, right?”

she did not deny it and remained silent.

“Sisi, let’s go back to A city! If it’s too difficult, then find a man and get married.” “If you don’t choose me, I don’t want you to be lonely,” he said in a sad voice.

Lin sisi was a little surprised. She looked at him and then laughed. old Bai, you’re acting again. Don’t be like this. I want to get along with you.

“i’m not willing to make do with this.” He said without giving any face.

Chapter 3238: gu ze, we can’t go back to how we were 5

Lin sisi was still smiling.

Being with Lao Bai was really relaxing. All her troubles seemed to disappear with him.

however, they were just friends, but not lovers.

that night, she slept beside lao bai, lying down with her clothes on. lao bai told her many jokes, and she laughed and laughed before falling asleep.

ye mu bai reached out to turn off the light, and his gaze fell on lin sisi’s face.

her little face was calm, but even in her sleep, she still looked unhappy.

...

he knew that it was because of gu ze.

only a man who could make her feel pain could make her heart beat faster and make her love and hate him.

He, ye mu Bai, was not that man. In her life, he was just like Lan Yu.

and gu ze appeared just in time.

He reached out his hand and gently brushed away the loose strands of hair on her face. He smiled faintly and carefully leaned over to kiss her forehead. good night, sisi.

lin sisi slept until noon the next day.

She received Gu ze's call. Lin sisi, where are you? "

She was sitting in ye mu Bai's ward, while Lao Bai was nowhere to be seen.

lowering her eyes, she said softly,"gu ze, what i said yesterday was all true. i'm together with old bai."

As she spoke, she took off her sweater. She only had a white spaghetti strap top on her body. She half-crawled into the blanket.

The door opened.

Gu ze stood at the door with his chest wrapped in bandages. He held his phone and looked at her. He saw her lying on old White's bed with only her bra on.

Her long hair was scattered on her shoulders, and her eyes were a little red ...

Gu ze's eyes suddenly turned red. He was still holding the phone and asked her, " "are you sure?"

The phone in Lin sisi's hand slid down, and she looked straight into his eyes. She said softly, " "I can't be more certain."

Gu ze's figure swayed. He held the door frame with one hand and smiled very lightly. That smile was very cold and self-deprecating. After a long time, he spat out, " "I'll transfer 80 million to your account."

lin sisi did not say anything.

gu ze's eyes were fixed on her. he suddenly asked in a determined tone, " "lin sisi, are these days really nothing to you? or are you blaming me for scheming against you?"

"it has nothing to do with scheming." She looked at him and smiled. the past is the past. Gu ze, I said that I'll be your wife for a month. When the time is up, everything will return to how it was before.

Gu ze looked at her as if he was looking at a stranger.

He still remembered that when they were in C city, she called him Gu ze. She said that she was very happy. Every time they made love, she would always call his name ...

gu ze, gu ze, gu ze. she said, "gu ze, how long have you been holding it in for you to keep coming like this?"

But as she complained, she hugged him even tighter.

Were those intense emotions all acting?

she had never forgiven him.

gu ze took a step back. the gauze on his chest was already stained red with blood, but he didn't care. he continued to stare at her.

He stared at her body that was lying on Lao Bai's bed.

"Did you guys do it last night?" he asked her softly.

At this moment, Gu ze's mother appeared behind him and supported him. She called out worriedly, "Gu ze!"

lin sisi's lips moved as she looked at him. then, she smiled. yes, I did. I said I wanted to be with old Bai.

as soon as she finished speaking, gu ze spat out a mouthful of blood. lin sisi's blood was frozen.

Chapter 3239: gu ze, we can't go back to how we were 6

But she could only look at Gu ze.

he was powerless.

He could not do anything.

there were too many things between them. there were the things he had done to her, her weakness, and his parents' opposition.

Lin sisi was not so naive to think that they would be happy as long as she spoke.

So, she would rather give up.

...

besides, she didn't plan to stay with him for a long time. she didn't want to taste the feeling of loving someone so humbly again.

gu ze, who was at the door, took a few steps back. mama gu supported him and looked at lin sisi with a hint of disgust. "you just don't like gu ze and don't want to be with him. you don't have to anger him like this. he was injured by your man."

Gu ze's mother said unhappily, "a woman like this can make a man abandon his wife at a wedding. what kind of woman can she be? gu ze, don't be so stubborn."

gu ze's gaze was still fixed on lin sisi. he said to his mother in a soft voice, "mom, don't say anymore."

Mrs. Gu still wanted to say something, but she was worried about her son, so she changed her words. alright, I won't say anymore. Go back and ask Dr. Qin to come and take a look. How much turtle soup does this mouthful of blood need to make up for it? "

gu ze looked at lin sisi again.

She leaned on the bed and looked at him.

in the end, he retracted his gaze and returned to his ward.

at this moment, ye mu bai appeared out of nowhere and looked at lin sisi quietly. "if you can't bear to part with him, just say it. i think gu ze still wants you to come back to his side. i don't know how much turtle soup will be needed to make up for that mouthful of blood just now."

lin sisi laughed, her voice soft. "You only know how to make me happy."

lao bai sighed softly. "i heard everything. but sisi, put on your clothes. if you were willing to lie in my arms like this last night, we would have become a real husband and wife by now. there would be no need to lie."

lin sisi rolled her eyes at him, put on her sweater, and continued to sit on the bed.

lao bai sighed again and sat down, "those who don't know would think that you're a patient!" Let me lie down for a while."

after lying down, he complained again. "gu ze was really heavy-handed. look at my legs. i won't be able to walk for at least a month. i might even be impotent."

Lin sisi looked at him and coughed. "have you done it before?"

"Sisi, don't speak the truth," Lao Bai shrugged.

she laughed so hard that she almost choked on yingying's food. she leaned on his arm and said softly, "old bai, you must find a very pure girl. really, otherwise, it'll be a waste of your pure body."

"are you mocking me?" ye mu bai looked at her.

"Is it that obvious?" "I'm serious," Lin sisi said, smiling.

he looked at her and suddenly pulled her into his arms, hugging her a little tightly.

Lin sisi allowed him to hug her. After a long time, she said in a low voice, ” “Old Bai, if there’s a next life, I’ll definitely find you first,”

she didn’t say anything else, and he didn’t ask.

He understood what she was thinking.

It wasn’t that he didn’t work hard, wasn’t determined, or didn’t persevere. It was just that she couldn’t let go of her past, whether it was those unbearable things or the time with Gu ze.

Or rather, only Gu ze could make Lin sisi let go of the past. No one else could.

Old white hugged her like an older brother.

After a long time, Lin sisi looked up. do you want to get Bai Sulli back? ” she asked.

Chapter 3240: gu ze, we can’t go back to how we were 7

“No need,” Ye mu Bai smiled. I know my brother’s personality the best. He will definitely sleep with you that night. This is a habit of a lawyer. Everything is completely legal.

Just thinking about ye Mulin’s poker face, Lin sisi felt that Bai suili was so pitiful. She felt that the slap she had given her was too light.

She hugged her knees and leaned side by side with old white as she spoke.

“Aren’t you worried about Gu ze?” ye mu Bai asked her softly after a long time.

Lin sisi was stunned for a moment before she said in a low voice, ” sister chenchen will tell me if something happens. ”

ye mu bai did not say anything more and just ruffled her hair.

...

He did not ask Lin sisi if she still loved Gu ze. He thought that she probably did, but she had too many concerns in her heart, and Gu ze was still unable to trust her. They were like two parallel lines that would never be able to walk together.

she stayed in ye mu bai's ward for a few days until gu ze suddenly appeared on sunday afternoon.

Unlike before, he was dressed neatly this time, with a black coat over his gray sweater. He didn't look like he had two broken ribs.

Lin sisi was sitting in front of ye mu Bai's bed, reading an English book to Lao Bai.

after gu ze opened the door, his eyes dimmed. "do you have time?"

Lin sisi put down her book and turned to look at him.

gu ze smiled lightly. "i want to talk to you in private. is that convenient?"

He had noticed that she was wearing casual clothes. Although she did not reveal anything, there was an indescribable intimacy when she was alone with ye Mulin.

so, he subconsciously took another step back.

Lin sisi looked at old Bai. I'm going out for a while.

"follow your heart." ye mu bai held her hand and said.

lin sisi pursed her lips and retracted her hand. she walked out and closed the door. "there's a small reception room over there. let's talk there."

Gu ze nodded and walked over first.

lin sisi followed behind.

Inside, Gu ze closed the door and silently took out a check from his pocket and put it in her hand.

Lin sisi trembled and looked up.”Gu ze, Yingluo actually doesn’t need it.”

he smiled bitterly. ” you’ll be my wife for a month. all you need is 80 million. i’ll pay for the house through my bank account. ”

Lin sisi held the check in her hand. She did not reject it but instead thanked him softly.

just as she finished speaking, gu ze hugged her.

her hands were in the air. she wanted to struggle, but she gave up and let him hold her.

Gu ze’s face was buried in her neck, and his voice was very, very low. “Lin sisi, you don’t plan to be with old Bai, do you?”

She did not make a sound.

He continued, ” if you were with him, you wouldn’t need this eighty million. Old Bai’s net worth is in the billions. You won’t take my money.

Lin sisi’s hand drooped down. After a long time, she said in a low voice, ” “gu ze, this doesn’t mean anything.”

he hugged her even more tightly and asked her again, ” “you really don’t want to turn back? Lin sisi, you’ve been feeling nothing for me this past month, and you don’t feel like you’ve returned to how you were before?”

he let go of her and said softly,”as long as you want, i can give you anything. as long as you turn back, i can give you anything.”

Lin sisi raised her head and stared into his eyes. but if I have to give up my freedom and self-esteem, I'd rather not have anything. Gu ze, if you feel that Xuxu has suffered a loss, I can accompany you for a few more days.

his eyes were fixed on her, his expression somewhat aghast.
