

Thank you 3251

Chapter 3251: Tell them that I'm forcing you to have a child (5)

Ye mu Bai had wanted to roll up the window, but he really could not leave now.

no matter what, he was also responsible for this matter.

ye mu bai sighed, but he still opened the car door.

As soon as he opened it, Bai Sulli threw herself into his arms, held him tightly, and murmured,"i know you won't leave me alone."

Ye mu Bai let out a long breath.

Damn it, if the servants saw this, they would not be able to clear their name even if they jumped into the Yellow River.

...

However, what she saw was not a servant, but ye Mu Lin.

Ye Mulin's car drove back to the ye family's mansion. He got out of the car and leaned against the door, quietly watching them hug.

"big brother." ye mu bai's hand trembled.

ye mu lin smiled and his gaze fell on bai xue li's face.

Bai Sulli bit her lip and wanted to say something, but ye Mulin only smiled and opened the car door.

The car drove off quickly.

he didn't scold her, didn't hit her, and didn't do anything, but bai suili's heart felt even more uncomfortable.

She unconsciously let go of ye mu Bai and lowered her head."I'll go back to my room first."

Ye mu Bai furrowed his brows. Xue Li!

she paused and turned around. "mubai, don't worry. i won't make things difficult for you. " I won't let you two brothers turn against each other."

After saying that, she walked towards the main hall.

at that moment, she felt a little lonely. ye mu bai called out to her, " "Shirley, I mean, Yingluo, you don't care about him that much, do you?"

bai xiuli paused and turned around to glare at him.

Ye mu Bai's voice was soft."you actually like my brother, don't you?"

"No, I didn't," "not at all. i hate him!" she bit her lip.

After saying that, she turned around and ran upstairs. She was so fast that it was as if someone was chasing after her.

ye mu bai's gaze was somewhat profound, and he smiled.

Upstairs, Bai Sulli slammed the door shut and leaned against it. The moment she closed her eyes, her mind was filled with ye Mulin's stern and mocking expression, as well as mu Bai's words. He said that she liked ye Mulin.

how could it be? how could she fall in love with such a wild and violent man?

He's just a man who hasn't fully evolved yet!

She bit her lip and convinced herself that it must be. She would never like him.

She lay on the bed and pulled up the blanket to cover her face. However, she could not get rid of ye Mu Lin's gloomy face.

at night, he would definitely think of ways to torture her when he returned.

Bai suili felt that she was almost used to it, and she fell asleep as she thought about it.

When she woke up, it was already dark outside. The lights from The Night House were as soft as the moonlight.

bai suili stared blankly for a while, then sat up. her surroundings were dark and quiet.

Ye Mulin had not returned yet?

She heaved a sigh of relief. Feeling a little hungry, she tidied her hair and went downstairs.

At this time, it was already eight o'clock in the evening, and dinner was being prepared in the ye residence. The ye family's matriarch was commanding the servants. She was a very gentle woman, and when she saw Bai Xuli coming down, she asked affectionately, "it's time for dinner. Give Mulin a call to see what time he'll be back. Oh, by the way, Mubai and your father are not home for dinner.

bai suili could yell at everyone in the house, including the head of the ye family. however, she was too embarrassed to call ye mulin's mother because she was so gentle.

however, she also felt a little strange. how did such a gentle person give birth to such a fierce ye mulin!

Chapter 3252: Ye Mulin, I hate you (1)

"Alright," Bai suili nodded.

Just as she was about to go upstairs to get her phone, Mama ye called her, her voice still gentle.
“Xue Li.”

Bai Sulli turned around and the night matron smiled. let’s wait a little longer. You come over and chat with mom.

She walked to the sofa and sat down.

bai suili bit her lip, and after a long time, she forced a smile, and also walked over to sit down.

As soon as she sat down, the night matriarch held her hand. The motherly love shocked her, and her eyes turned red as she looked at the night matriarch in shock and fear.

...

mama ye could tell that she was uneasy, and her tone became gentler. I know you feel wronged. Mu Lin’s temper is not very good. He is not as good as mu Bai in this aspect. However, he has his own advantages. Xue Li, you have to be more forgiving. If he bullies you, you tell me. I will teach him a lesson.

One shouldn’t hit a smiling person, not to mention that the night matriarch was so kind and pleasant, so how could Bai suili say anything?

she lowered her eyes and nodded.

mama ye smiled and patted her hand. ” “You haven’t even called me mom.”

Bai Xue Li was somewhat stunned, only now remembering.

In fact, she used to see Mama ye often. After all, the two families had been in contact, and she had always liked Mama ye.

however, at that time, she was mu bai’s mother. after ye mulin got married, she unintentionally distanced herself from mama ye and never called her ‘mom’ even once.

She was a little embarrassed. It was a little uncomfortable to be criticized like this.

Mama ye, however, did not mind. She patted her shoulder. wait a while.

After saying that, he got up and went back to his room. After a while, he took out an Imperial green jade bracelet and put it on Bai Sulli's wrist. The color of the Imperial Green jade was extremely good, and it was at least a hundred million. Bai Sulli was a little stunned and subconsciously wanted to take it off.

It was obvious that this was an heirloom and she could not accept it. She still wanted to divorce ye Mu Lin.

However, she couldn't move back no matter how hard she tried. Instead, her wrist was red.

mama ye's heart ached. " it's just a little toy. don't mind it so much. what if you get hurt? "

As she said this, she looked up and saw her eldest son standing at the entrance with a briefcase in his hand. It was obvious that he had just returned. She couldn't help but say,"Mulin, come here quickly. Your silly wife is being silly."

Ye Mulin's gaze went past his mother and landed on Bai Sulli's face. She also saw that he seemed to be a little guilty about hugging mu Bai today.

His eyes dimmed. time to eat.

he walked over naturally, put his briefcase aside, and pulled bai sulli towards the dining room. bai sulli wanted to yell at him, but she didn't dare to say anything because of the night matron.

mama ye looked on and smiled slightly. the relationship between this pair of children was not that bad.

At least, as his mother, she knew Mu Lin's personality better than anyone else. If he hated her, why would he come home every day?

mu lin used to sleep in the office and stay in hotels all year round when he was on business trips. now, he would go home to sleep for half a month. it would be a lie to say that shirley did not manage to keep his heart.

mama ye smiled and followed him.

after bai suili sat down, she glared at ye mu lin.

he didn't care and coldly ordered the servants at home to serve the meal. bai shirley snorted coldly, " " you should have come back earlier. everyone's waiting for you. the kitchen staff and the dishes will only get off work at 10:30 pm. "

ye mu lin looked at her coldly and said slowly, "When did you learn to be so considerate of others? Who's the one who's going to get up for supper in the middle of the night?"

Chapter 3253: ye mulin, i hate you 2

Bai Xiuli exploded in anger. you're the one who stayed up late. I've spent so much energy on supper, but now I don't even have the right to eat supper? "

Mama ye was originally drinking soup. She was an extremely elegant person, but now she almost spat it out.

There was too much information in those words!

She gave her eldest son a reproachful look.

mu lin, this is your fault. you want to enjoy the rights of a husband, but as a wife, you can't even have a late-night snack?

when did the ye family become so petty?

...

that's right, she could tell that her indifferent eldest son was very stingy with his wife, as if he was fighting with her every day. in fact, shirley didn't have any major shortcomings. she was just a little shallow and a little lazy. she just needed to take care of her. with his eloquence, it wouldn't be a problem to coax a woman. it just depended on whether he was willing to do it.

As for Mu Lin, he had always been angry.

the ye family's matriarch suddenly thought that perhaps mu lin was angry because of the comparison between wanwan and mu bai?

Because Shirley wanted to marry the second brother, the first brother was angry, so he used this method to get attention?

night matron found it hard to digest, so she slowly drank the soup.

Ye Mu Lin looked at Bai Xue Li with an unfathomable light in his eyes. After a while, he said in a calm voice, " "in the future, if you want to eat, just ask me to make it. don't make so much noise that everyone in the house can't live in peace."

"You know how to cook?" Bai suili glared at him.

"mu lin went to United Kingdom to study when he was 16," mama ye said gently,"he worked and took care of himself."

bai suili glanced at ye mulin, feeling a little guilty for some reason ...

She was now 26 years old and had not cooked a single meal. In reality, she did not know anything and did not have a job. She was just a rice weeper. No wonder ye Mu Lin did not like her.

with a depressed heart, she lowered her eyes and ate gloomily.

mama ye looked at her son and saw that he was looking deeply at his wife.

she gave him a look, and ye mu lin's expression changed slightly, but he still took a piece of hoof foot and put it in bai xue li's bowl. he coughed lightly and said, " "This one is for replenishing collagen."

bai suili looked up at him and threatened him,"I don't like to eat it."

"I like it when you eat it." he held her hostage, his natural desire to control her overflowing.

mama ye had no choice but to come out. " mulin, do you know how to be in love? you can't be so rude to young ladies. "

she's my wife. There's no need to spend so much effort on her. Ye Mu Lin stood up and nodded."mom, i'll go upstairs to read a document first."

he gave his mother a good night kiss and went upstairs with his briefcase.

The night matriarch was a little speechless. She turned back to look at Bai Sulli and tried to smooth things over, " "I've been like this since I was young. I hate it."

"He just hates me, that's all," Bai Sulli said with a smile.

for a moment, mama ye didn't know what to say.

however, she still took care of bai suili's mood, and she was still a little uneasy until she went upstairs.

mu lin was obviously angry. in fact, she could understand. after all, shirley had hugged mu bai today. it was a big blow to the proud and arrogant mu lin. it was good enough that he was just cold.

She had the heart to care, but it was really inconvenient for her as a mother and mother-in-law to do something like this.

bai suili returned to her room. ye mulin was not in the bedroom. from the closed door of the study, he was inside.

she remembered that he had seen what happened today and felt that it was about time to lay all his cards on the table. perhaps he would agree to the divorce in a fit of anger, yingluo.

“Ye Mu Lin!” He reached out and knocked on the door.

Chapter 3254: ye mulin, i hate you (3)

there was no response from inside. bai suili pursed her lips and pushed the door open.

ye mulin was sitting behind the desk, smoking. when he heard her voice, he raised his head and looked at her with a deep gaze.

bai suili entered the room and closed the door.

“is there something?” Ye Mu Lin was calm and his voice was restrained.

Bai suili stood at the door, her back against the door, and her voice was very soft, ” “ye mulin, let’s get a divorce!”

He didn’t make a sound, just quietly smoking his cigarette.

...

Bai suili pursed her lips and continued,”You’ve also seen that I like Mubai, not you.”

After she finished speaking, ye Mu Lin glared at her. “Bai Xue Li, you really want to leave me, don’t you?”

she looked at him for a long time before she whispered, ” “Yes.”

he lowered his eyes, picked up the document on the table, and put it down. ” “take a look at this. if you agree, sign it.”

Bai suili's heart beat faster. She looked at the document and remembered that he had gone out today to prepare this?

ye mulin looked at her and said in a calm tone, "You don't dare to look?"

She was provoked and snorted coldly. "Why wouldn't I dare to look?"

She walked over, picked up the document, and looked at it. She was stunned.

it was different from the shameless contract they signed last time. this time, it was clearly more formal.

It was clearly written in the contract that they would divorce in three years.

the premise was that she had to give birth to a child for him, and the breakup fee was 1 billion.

Bai Sulli blinked and looked up. ye Mulin, do you think I need to sell myself out? "

when she said this, the bai family was like the sun in the sky. even the ye family had to rely on the bai family in some aspects, so she had the confidence to say this.

"you don't have to choose, and you'll be bound to me for the rest of your life." ye mulin smiled.

bai suili stared at him.

They had been married for a few months, and he had taken possession of her almost every night except during her period. However, to a certain extent, they were no strangers.

bai xiuli lowered her eyes and her eyelashes trembled slightly. then, she tore up the document and looked up at ye mulin. "I know you look down on me, but I won't sell myself out, and I won't have a child with you."

With that, she left in a rage.

ye mu lin's gaze fell on her back as the door slammed shut.

his originally gloomy thoughts were actually a little brighter, and the corners of his mouth were slightly raised.

his gaze shifted to the pile of documents again. he picked them up and threw them into the trash.

What a bad temper!

he lit another cigarette and walked out of the study to his bedroom after he was done smoking.

Bai Sulli hadn't gone to sleep yet. She was leaning against the bed and painting her toenails, the bright red kind.

Ye Mulin glanced at her, then went into the changing room to get a bathrobe and went to the bathroom.

As soon as he left, Bai Sulli raised her eyes and looked at his back. After her toenails were dried, she took out a fashion magazine and read it.

It was the latest season's jewelry, from a certain luxury brand.

bai sulli would buy it every season. she was engrossed in it when ye mu lin came out.

the moment he saw the magazine she was holding, he frowned and took it away. he looked at it and asked, "you want to buy it?"

"Can't I?" she took the magazine from his hand and continued to read. "I didn't use your money. the card i'm using is all from my dad."

Ye Mulin laughed coldly. you're not keeping a low profile at all. Your father gave you a card on the surface. Aren't you afraid that something will happen to you if you spend a few million Yuan a month?"

bai suili raised her eyes and looked at him eagerly.

Chapter 3255: ye mulin, i hate you (4)

Ye Mulin looked at her. I'm afraid you don't know about the recent situation. But how would you know? what else do you know besides these things? "

bai sulli bit her lip and glared at him. " yes, i'm ignorant and incompetent. what's wrong with that? did i eat your rice? "

ye mulin threw the magazine to her and did not make things difficult for her. instead, he leaned against the headboard and opened a small drawer. he took out an envelope and threw it to her.

bai suili was a little suspicious. she opened the envelope and saw a card inside.

"give me money to spend?" She waved it around. is there 1 billion in here? "

"You really don't know what suffering is," ye Mulin sneered.

...

He took the card from her hand. it's fine if you don't want it.

Bai suili took it without any backbone, biting her lip,"I want it. I can't sleep with you for nothing."

ye mulin sneered. he leaned against the headboard and lit a cigarette.

she snatched the cigarette from his mouth and said without thinking, " "no smoking!"

Ye Mulin knew a little about her. She was a rice worm that was afraid of death.

he didn't insist. instead, he stubbed out the cigarette and said slowly, " "The limit of this card is 20 million. Whatever you want to buy, use it in the future. Don't spend your dad's money anymore."

as he said this, he paused for a moment, but he did not explain it clearly to her.

The reason why he did not enter politics was also because mu Bai did not want to attract too much attention. Their father could retire after his term ended, but if he and mu Bai entered politics, their father would not be able to leave so easily. There were many people who wanted to destroy the ye family.

Some things that were not up to the table required money. He or mu Bai could cover up for the ye family in this aspect.

Of course, Bai Sulli didn't think of this. Every day, she did nothing but post delicious food and tens of carat diamond rings on her social media. In the past, he felt that it was especially bad and superficial, but now he felt quite happy.

the phrase "the ignorant are fearless" was used to describe people like her who were bold and brainless.

since he was not allowed to smoke, he did not force him. he had to find something interesting to do.

when he pressed her down, bai sulli was stunned and immediately resisted subconsciously,"bastard, you clearly did it during the day."

if there were 12 hours at home, at least four of them were spent on her. she was worried that she would suffer from kidney damage.

Ye Mulin pressed her hand down and removed her bathrobe firmly. He did not have much expression on his face. is there a rule that says that we can't come at night after we do it in the day?
„

He was as rough as ever. Bai suili bit her lip and endured it. Probably it was too painful, her tears came out. She silently turned her face away, feeling a little humiliated.

in addition to the card he gave her, she felt that she was selling herself.

in the past, she would resist and struggle, but now she didn't. because the more she resisted, the more violent he was, so she simply let him do it. usually, he would let her go after two or three times.

ye mulin saw that she was on the verge of tears. he bent down and bit her on the back of her ear. his voice was a little hot."Are you uncomfortable?"

Bai Xiuli burst into tears and cursed, " what do you think? It's so painful."

She struggled for a while, and just like before, he held her down.

Ye Mulin was a little depressed. He frowned. are you really not feeling well? "

"f * ck you!" bai xiuli cursed.

ye mulin frowned. " be more civilized. have you forgotten your identity? "

Chapter 3256: Ye Mulin, I hate you (5)

after he finished speaking, he lost the interest to chat and fought to the end.

Because of the medicine she had taken, he had protection now. When he was done, he exhaled and looked at the woman under him. Her nose was red and her body was trembling slightly, looking very uncomfortable.

He didn't go straight to the bathroom like before. Instead, he leaned against her, reached out, and touched her hair. He asked hoarsely, " "What are you not satisfied with? are you uncomfortable?"

Although he had never compared himself to her, he felt that he was not bad among men. Why was she not satisfied?

Bai suili covered her face with the quilt, not wanting to talk to him.

he was so rough, yet he still had the nerve to ask her if she was feeling unwell?

...

not every woman would feel pleasure after being raped!

Her attitude annoyed him again, and he pulled the blanket away. Just as he was about to get angry, he saw the bruises on her back that he had left behind, and his anger immediately disappeared.

he touched the spot with his fingers and asked in a low voice, " "does it hurt?"

"It's more painful inside," she sounded angry. " ye mulin, you still have the cheek to say that you want a child. i've been injured many times because of this and i've been taking medicine all the time. do you think that the child will be healthy after birth? "

he was a little stunned. he had not expected her to say this.

Bai Xiuli lowered her eyes. in your heart, I'm just a tool for you to vent your anger. You don't have to worry about me. You don't have to worry about whether I'll get hurt.

Ye Mulin turned to look at her and asked again, " "Does it hurt a lot?"

this time, his voice was more or less gentle.

"It hurts," Bai suili pursed her lips and said in a low voice.

Ye Mu Lin sat up. let me see.

"no," she said, stunned.

However, the lights were already on, and he looked at her carefully, not allowing her to refuse.

bai suili was a little embarrassed. she turned her face away and gritted her teeth,"Ye Mulin, you're a bastard."

“yes, i’m a bastard.”

“i hate you.” her breathing became erratic because of his actions.

he laughed in a low voice, his chest shaking. she was a little surprised, probably because he rarely laughed.

the way he smiled was not bad, but she felt that it was even more detestable.

Ye Mulin checked that there was not much of a problem. However, she was in pain every time and did not seem to enjoy it. He felt that there was a problem.

If he had to give in a little so that she could settle down a little in this marriage, he was willing to try.

ye eldest brother got out of bed and went to the study.

Bai suili’s heart was filled with curses. This man had slept with her in the middle of the night, and he was even talking about work?

A workaholic!

She kicked the blanket angrily, but her leg was still twitching in pain. She scolded him a few more times before closing her eyes and going to sleep.

Just as she was about to fall asleep, a tall figure came up to the bed.

then, he kissed her.

in the dark, she opened her eyes wide and passively felt the entanglement of their lips and teeth.

He rarely kissed her, so she rarely had such a feeling. That strange, masculine smell kept drilling into her nose, no, into her body.

it was even more intimate and secretive than the most intimate thing.

why did he kiss her?

Was there something wrong with his brain?

Bai suili's eyes were wide open, almost at a loss as she looked at the man in front of her.

ye mulin laughed softly and wrapped himself in the blanket with her, which made it even hotter ...

Chapter 3257: Ye Mulin, I hate you (6)

he kissed her from top to bottom, without missing a single trace.

She kept her eyes wide open. Her hand was originally on the pillow, but when he let go of her, she didn't know where to put it. In the end, her hand gently hugged his black head ...

(10000 words of boss ye's kidney function were omitted)

When it was all over, she bit her small mouth as she lay on the bed, her fingers gently drawing on the pillow.

it was as if his body had been baptized by a storm, and then finally soothed by he feng.

it was an indescribable feeling, a feeling that she had never felt before. it was as if she was having sex with him for the first time.

...

ye mu lin lay down, his long fingers twirling her hair.

he needed to think about how he should treat his wife.

He had just gone to the study to take a look at Yingying. All men liked to watch it, and as a gifted student, he quickly applied what he had learned and made his wife very satisfied.

there were a few times when he could feel her.

however, wasn't he spoiling her too much?

Ye Mulin was not a man who liked to pamper a woman. He felt that doing so would damage his dignity. He liked it when she was afraid of him. He liked to control everything.

However, now that she was lying there softly because of him, a pure male joy surged in his heart. It was very contradictory.

Ye Mulin instinctively wanted to smoke again, but he hesitated for a moment in consideration of Bai Sulli. In the end, he still smoked.

Unexpectedly, she didn't stop him when he was smoking. Instead, she closed her eyes and moved closer to him.

Just like that, ye Mu Lin made his decision.

after he finished smoking, he pulled up his blanket and went to sleep.

the next morning, he was probably addicted to the food. he dragged her out of the blanket without her consent and did it again and again. it took a total of two hours. in the past, she would scold him after they were done, but now she was very obedient and just lay there motionless.

Ye Mulin suddenly felt that this was quite interesting. It seemed that this was more satisfying than making her cry violently. Of course, she cried too, but this kind of crying was different.

he couldn't describe it, but any man who had had a woman before would understand.

ye mulin chuckled and rubbed her eyes. " sleep a little longer. i'm going to work. "

Bai suili didn't make a sound, and she didn't have the strength to talk to him.

After a while, her lips were blocked by something soft.

those were his lips.

she was stunned for a moment. she opened her eyes and looked at him in a daze.

"I'm going to take a shower," ye Mulin smiled.

She was in a daze for a long time before she finally said, "your Yingluo isn't sick, right?"

ye family's eldest son's face immediately darkened and he glared at her.

Naturally, she did not dare to provoke him again. She closed her eyes and pretended to be asleep.

Ye Mulin's mood improved. She was still afraid of him after all.

He was about to leave, but he stopped and said in a low voice, " "You're not allowed to seduce Mubai again, or I'll break your legs myself."

"why do you care!" Bai suili's face turned to the side.

He had wanted to get angry at her, but then he thought about it and gave up.

Why was he so calculative with this shallow woman?

He went to take a shower. When he passed by the mirror and saw his slightly raised mouth, he couldn't help but pause.

he looked very satisfied, but was there really a need to be so satisfied?

he deliberately darkened his face, but after a while, he couldn't help but smile.

After the shower, he changed his clothes and looked at her when he passed by the bed.

or did he think that she was shallow and a rice weevil?

Chapter 3258: Are you still going out to fool around?(1)

Bai suili was still asleep.

Ye Mulin went downstairs in a good mood. His mother always woke up early. She smiled when she saw her son's expression. "You're up so early, did you sleep well?"

Ye Mulin was used to having a Western breakfast. After drinking a cup of black coffee, he said to his mother, "It's not good,"

Mama Ye looked at him carefully and smiled. "You don't look like you didn't sleep well. Mu Lin, when did you become so insincere?"

Ye Mulin lowered his eyes and smiled faintly.

Mama Ye looked at her eldest son. In fact, Mu Lin's looks were not inferior to Mu Bai's. It was just that he was usually too strict, so people had overlooked his looks.

...

The mother and son ate calmly. After a while, Bai suili actually came down. She usually didn't get up until noon.

She was wearing silk pajamas and her hair was a little messy. She yawned as she walked down the stairs. When she saw that Ye Mulin was still at home, her eyes widened. "I'm hungry."

ye mulin put down the cup of coffee in his hand and looked at his wife with a serious expression.”Aren’t you going to greet your elders so early in the morning?”

bai xiuli’s eyes widened as she thought,”did i eat your food?”

But when she thought of the card she had gotten last night, she realized that she had really eaten his food.

ye mulin looked at her.

she couldn’t say it out loud, especially when it sounded too weak in front of him.

Mama ye was very easy-going. Mulin, look at how serious you are. You don’t have to be so serious in court. If you come home earlier in the future, go out and have dinner with Shirley. Young couples don’t have to stay at home with me every day.

Eating with this poker face?

Bai suili refused in her heart. She immediately squeezed out a smile and sat at the dining table. mom, I like to be with you.

mama ye patted her little hand in relief. ” Xue Li is very obedient. Mu Lin, you can’t always bully her.

as a mother, naturally, when she saw the hickey on bai suili’s neck, xuxu’s heart ached a little, but she was also a little happy. her son had finally been enlightened. before this, she was worried that her son was too unromantic, but now it was all good.

Bai suili was eating her breakfast and did not notice that ye Mulin had smiled slightly when she called him ‘mom’. The smile was very faint, only the corners of his mouth twitched slightly.

But then, he became stern again and looked at her. “Bai Sulli, have you brushed your teeth?”

bai suili chewed on a small croissant and frowned, ” “i didn’t? can’t i have breakfast if i don’t brush my teeth?”

she said as she continued eating.

ye mulin glared at her. ” go upstairs and brush your teeth before coming down. ”

“I don’t want to.” Bai Sulli bit her lip. I still have to sleep later. It’s unnecessary to brush my teeth now.

Ye Mulin snorted coldly,”you can even find such an excuse? Bai Sulli, you are Qianqian.”

“You’re just a superficial worm.” “if you don’t admire me, why did you marry me?” she looked at him provocatively.

she was taking advantage of the fact that ye mulin did not dare to act rashly in front of mama ye, so she argued with him.

however, she had really underestimated men. all men were the same. no matter how decent a man was, once he opened the door to a new world, he could also be very shameless.

ye mulin was like this.

He gave a faint smile and looked at her. “Do I need to admire you when I marry you? Generally, it’s fine as long as you can carry on the family line.”

Bai suili understood what he meant. He wanted to warm her bed.

Chapter 3259: are you still going out to fool around? 2

She was so angry that she didn’t even want to eat breakfast. She put down the bread and ran upstairs.

“Remember to brush your teeth. I especially hate lazy women.” he said coldly from behind her.

Mama ye was stunned for a moment before she said to her son, ” “Mulin, when did Wanwan become so calculative?”

ye mulin picked up his coffee and took a sip.”it’s discipline!”

Shirley’s not a kid anymore. You don’t have to be so strict with her. Mama ye continued to persuade him.

Ye Mulin only drank his coffee and did not say anything!

...

After breakfast, he went to the law firm. He was a very busy man, the kind of workaholic that Bai Sulli had described. He liked work, and work was his eye.

but now, he would occasionally think of his wife.

especially last night, when she cried and wrapped herself around him, it made him reminisce.

It turned out that women could be so soft. He couldn’t help but regret it. He should have been gentler to her before. It was much more interesting than the simple physical fight before.

His Secretary was very surprised that he was so distracted. After all, lawyer ye never got distracted at work.

When she was holding the document for ye Mulin to sign, the little Secretary could not help but ask softly, ” ” what’s lawyer ye so happy about? ”

ye mulin kept his expression and looked at his secretary. he said calmly, ” “It’s nothing!”

the secretary nodded and stood up straight.

After ye Mu Lin finished signing, she said softly, ” ” lawyer ye, it’s my birthday today. i’ll treat everyone to a meal. do you want to go? ”

ye mulin raised his head and looked at his secretary.

The Secretary had been working for him for several years, and his work had always been as he wished. As his boss, he should give him some face for a birthday meal, so he smiled faintly. "alright," he said.

the secretary didn't expect her boss to be so forthright. she twisted her hands and hesitated."lawyer ye, you can bring your family."

after saying that, he turned and ran.

ye mulin only realized that he had been teased after she left. however, he was not angry.

however, bringing bai suili was a different story.

he picked up his phone, but decided not to.

She only knew how to shop and talk about beauty and fashion, so she probably wouldn't get along with the female lawyers in his law firm.

he still didn't make the call. in the afternoon, he squeezed out some time to pick a gift for his secretary.

Since it was a rare birthday, ye Mulin was not stingy. He picked a bag worth more than 50000 Yuan as a reward.

he wanted to go back to work immediately, but when he walked to the first floor counter, he saw a necklace.

after standing there for about five seconds, the girl immediately came forward and said with a smile,"is there anything you need, sir?"

The female shopkeepers of these luxury brands had sharp eyes. They could tell that ye Mulin was a rich man with one look, so their attitude was extremely warm.

ye mulin's expression changed slightly. he walked over and pointed at the necklace. " i'll help you wrap it up. "

it was not very expensive, but he liked the style very much. it was simple and elegant. there was a 50-carat diamond in the middle. the chain was made of colored gold, but it was very well made.

the shop assistant was very excited to see that business was doing so well. " sir, you really have a good eye. this is our tiffany limited edition, and it's called 'gift of love'. you must be giving it to madam, right? "

She glanced at the bag in his hand. "this shop's bags are also very tasteful. your wife must also be a very tasteful person."

ye mulin looked at the bag in his hand and smiled. he did not explain and instead said, " "Yingluo likes to exaggerate."

Chapter 3260: Are you still going to fool around outside?(3)

When ye Mulin said that, the female employee became even more elated and smiled even more professionally. do you like it? our brand also has low-key and luxurious ones. Do you want to see them? "

The female employee pointed at a row of high-end designs, all of which were worth millions.

ye mulin did not really appreciate it, but he still had his eyes on a 30-carat six-clawed diamond ring. he asked the female shop owner to take it out.

the girl's heart was trembling. this was the treasure of their brand, and the diamond ring was worth more than 80 million.

there was only one in the world, because it was made from the heart of a south South Africa diamond.

It was extremely dazzling.

...

Of course, the price was also dazzling.

The shopkeeper's gaze was still a little cautious when she was recommending.

Ye Mulin looked at it again. help me wrap it up.

The shopkeeper's eyes widened in disbelief.

This, this, this, this was done?

he won it with just over 80 million, and he didn't even bring a woman to try it on?

The shopkeeper was so excited that she stuttered, " "would you like to pay by card or cash, sir?"

"Are you going to use a truck to transport cash over?" ye Mulin looked at her.

the shopkeeper was incoherent. " i'm sorry. i was just too excited. "

With more than 80 million Yuan, she could buy a house in a third-tier city and make a down payment in city H with the Commission.

god, a golden egg really fell from the sky.

very quickly, she completed the procedures and handed it over to ye mulin. she was a little envious as she wondered which woman could make this man pay for her.

"she's my wife," ye mu lin replied.

the expression on the female employee's face was a little dreamy. as expected, the best was reserved for the wife.

The Secretary only had a bag that was worth tens of thousands.

Ye Mulin returned to his office and closed the door. He was not in the mood to deal with work.

He took out the diamond ring and looked at it. In fact, he didn't know why he wanted to buy it.

He understood the meaning of a diamond ring.

It didn't just represent marriage, but also a promise.

Frowning, he made a promise to Bai Xue Li?

that shallow rice weeper?

He had always looked down on her. Other than her body, which gave him great pleasure, he really felt that she had no other good points.

However, as a wife, especially the wife of a man like him, the biggest advantage was that her body could make him willing to go home earlier. Moreover, her body was extremely suitable for carrying children.

However, he couldn't be as stupid and shallow as her.

Therefore, it would be better to have a boy and have him teach him personally.

Ye Mulin did not realize that he was looking forward to his marriage with Bai Suili.

As for the diamond ring, he decided to put it aside for now. He put it in the drawer and threw the box with the necklace into his briefcase.

At six o'clock in the evening, he got off work and called his mother to tell her that he wouldn't be back for dinner. Mama Ye said that she would tell Shirley.

When his mother said this, he didn't object at all. He just smiled and agreed.

after that, more than 20 people in the office went to the party together. it was the secretary's birthday, so ye mulin would not let her pay for it out of her own pocket. he swiped his card, and the meal for two tables cost 20 to 30 thousand yuan.

It was only eight o'clock after dinner. Of course, they had not enjoyed themselves to their heart's content. Hence, the person with the rich nightlife recommended a bar. However, everyone was not willing to let go of their financial backer, ye Mulin, and they pestered him to go with them.

ye mulin didn't mind. when he went, he threw his bag to the little secretary.

The Secretary opened it and was stunned.
