

## Thank you 331

### Chapter 331 Qi Qi's little vinegar jar (3)

she remembered the night before the engagement. he had told her that he had a sister.

When he said those words, his expression was a little disappointed, but there was also some anger. This anger came from Zhao Ke.

PEI Qiqi laughed and raised her eyes. She held the can of beer and said to the strong night wind, "Tang Yu, Happy New Year!

she drank a lot and got drunk. she just sat there and giggled. she watched sun feifei play on the big screen with tears in her eyes.

But where was Tang Yu?

why isn't he here anymore?

pei qiqi felt dizzy and smiled foolishly-

new year's eve. she didn't even spend new year's eve with tang yu!

previously, she had thought that she would spend new year's eve with him for the rest of her life, from young to middle-aged to old.

after she finished the wine she brought, she was so drunk that tang yu's shadows were everywhere.

she stood in the empty field and screamed like a madman.

tang yu

tang yu

but where was he?

she stood there all alone, as if she was the only one left in the world.

The people she cared about and cared about her had all left her.

dad, chen xinjie, jinrong, tang yu, xuxu

She slowly hugged her body and squatted down. Her small face was calm, as if she had fallen asleep ...

after a while, she suddenly stood up again and started dancing in the plaza. it was just like that night when she danced with tang yu.

pei qiqi jumped and spun without feeling tired. the spinning made her even dizzier, but it made her feel much better.

It was only in this half-asleep state that he was still her Hanhan.

she did not know if it was her own voice, but it was hoarse and powerful, and it kept echoing in the buildings.

tang yu was pei qiqi's!

one after another, they groaned.

she stood there, smiling foolishly and mumbling, " Tang Yu is mine.

in the distance, tang mo stood and quietly watched her.

pei qiqi, you coward!

Beside him was the security guard of the building. He looked in PEI Qiqi's direction with a troubled expression.

wasn't this considered disturbing the people?

However, the president seemed to be quite happy.

wasn't the president supposed to be at sun feifei's concert? Why did he come here to see miss PEI in a drunken state?

miss pei was the one who told the president that she was coming to huahua.

oh my god! oh my god!

The security guard's eyes widened as he watched PEI Qiqi smash the giant LED screen in front of Sheng Yuan.

There was a cracking sound. Then, Tang Yu ran over, hugged PEI Qiqi, and took her away from there.

sparks flew in all directions. sheng yuan's sign fell, sheng yuan was smashed, and sheng yuan's signboard fell ...

However, Tang Yu was laughing very happily. In the winter night, he hugged the drunk killer and buried his face in her neck. Because he was drunk, he felt very warm.

"You little liar." he said angrily. then he moved his face, moving his lips from her cheek to her lips. even though the weather was cold, their body temperatures were extremely high.

pei qiqi was drunk. she was in a daze as he hugged her and kissed her.

he gently raised her little hand and placed it on his face. she quickly caught it and wrapped it around his neck.

"i must be dreaming." she mumbled.

Tang Yu was panting but he was still hugging her. Then, he looked up at Sheng Yuan's screen in a daze.

There was a crackling sound of explosion, like the sound of fireworks.

Chapter 332 you're the only one i like, gao tian (1)

he was both angry and amused. there was really nothing yingluo could do about her.

He ruffled her fluffy hair and pressed her into his arms. He said in a low voice, " you're dreaming, ningningningningningqi. Let's go home, okay? "

Go home?

She raised her head and looked at him with her black and white eyes, which looked particularly attractive!

Tang Yu exhaled with difficulty, " okay, let's go home.

He bent down slightly and PEI Qiqi was stunned for a moment. Then, she climbed onto his back and wrapped her little hands around his neck. She used so much strength that she almost broke his neck.

tang mo stood up, looked at the night sky, and walked forward.

pei qiqi, can you still say you don't love me like this?

Can you still say that you don't care? can you still say that you only have jinrong in your heart?

little liar!

this time, i'll make you say it yourself.

she was drunk and thought it was a dream, so she boldly put her face on his back and warmed her hands.

Tang Yu was frozen for a moment and angrily hit her. She cried out in pain and that was even more outrageous, Yingluo.

He pursed his lips and wanted to be more stern, but the corners of his mouth still couldn't help but curve up.

Qingcheng was right, he was poisoned by PEI Qiqi's chicken soup.

On New Year's Eve, the gentle snow fell from the dark sky, adding some gentleness to the winter night.

recently, it had been snowing, but no steamed buns could be piled up.

tang yu carried pei qiqi and walked further and further away while the security guards were busy ...

sheng yuan had been hit by someone, and the president had run away with the murderer on his back. what was going on?

PEI Qiqi laid on Tang Yu's back and started singing. Her singing was terrible but luckily, Tang Yu didn't mind Hanhan.

two tigers, two tigers run fast, run fast, " she sang into his ear. After she finished, she even took a small bite, " Tang Yu, is my singing better or Sun Feifei's piano better? "

"You sing well." he was lying through his teeth.

she chuckled behind him and put her arms around his neck. she said softly like a little girl, " "i knew you wouldn't like her."

"yes, i only like you." his voice was gentler than the night and the snow.

as he spoke, he turned his face to the side and asked the little guy behind him, ” “What about you? do you like me?”

“i like it.” she hugged him tightly and buried her face in the back of his neck. ”  
don’t tell anyone! Especially Tang Yu!”

tang yu’s heart seemed to have been struck by something. it was like a strong electric current was running through his body.

The electric current numbed her, and her heart was soft and sour.

“qi qi, who am i?” His voice was hoarse.

At this moment, a few drops of snow fell on the back of his neck, but he still felt that it was hot.

Because she was by his side.

He had almost lost control.

Of course, PEI Qiqi felt it. She chuckled, but her little mouth didn’t stop moving.

He heaved a heavy sigh of relief and confirmed that she was really drunk.

“Qiqi, Who am I?” he asked again in a hoarse voice.

“Daddy!” She hugged him very affectionately.

tang yu’s face darkened.

Did she think he was PEI Minghe?

can i kiss pei minghe like this?

his face was dark but she put her face on his back again, ” tang yu’s father. ”

This was simply asking for his life!

Tang Yu’s father teased this little guy. He was really going to die!

His heart immediately warmed up. He felt that this little snow would be warm on his body.

because ... She was there.

Chapter 333 you’re the only one i like, gao tian (2)

tang mo turned his head, freed up a hand, pulled her small head over and kissed her fiercely.

She struggled behind him but couldn’t break free. Her neck was hurting from the twist.

Tang Yu, let go of me. My neck hurts. She grumbled softly and bit her lip, looking very pitiful.

he also knew that he was meng yilang. there were many people on the road who were looking at them in a daze.

He was finally done kissing her. He patted her fluffy little head to express his praise, no different from how he treated a little pet.

the snow was getting heavier. tang yu put her down, took off his coat and wrapped it around her. then, he carried her on his back again. it wasn't that he couldn't get into a car, but he wanted to carry her and walk all the way.

pei qiqi laid on his back. she was a little sleepy but she couldn't bear to sleep, so she sang on his back ...

every single one of them sounded terrible, but tang yu loved them.

"Our Qiqi's singing is really good!" He smiled. He carried the little guy very lightly.

after walking for two hours, they finally arrived at her apartment.

after he put her down, pei qiqi blocked the door. her little hand gently stroked his chest and her eyes were hazy from alcohol, " " this is my yingluo tang yu. shouldn't you go and accompany your fiancée? "

Her expression was particularly childish, but her actions were a little cowardly. People.

tang yu stared at her and smiled, " qiqi, did you forget? you're dreaming. "

was he dreaming?

yes!

she was indeed dreaming!

pei qiqi looked straight at tang yu like a little wolfdog staring at a bone.

tang yu smiled faintly as he held his coat in his hand. he said softly, " "qiqi, open the door."

hence, she rummaged through her pockets, but she couldn't find the key.

at that time, tang yu's heart was in a state of complete despair as he tried to imagine a man holding it in for two hours and reaching the door without a key.

he suddenly pulled her into his arms and kissed her fiercely.

she was almost out of breath in his arms, and her face was so hot that the coldness that she felt outside disappeared in an instant. even the thin snow on her clothes was burning.

Tang Yu hugged her with one hand and buried her face in his chest. Then, he kicked her hard.

the door opened innocently!

they stumbled in, kissing, and the door was kicked shut.

PEI Qiqi was pressed down on the sofa and kissed. Her hair was a mess and her coat was thrown aside. It was folded with his coat and wrapped around his shirt. It looked messily mesmerizing.

she felt like she was standing in the clouds. she was in a daze and couldn't tell if this was a dream or reality because of the alcohol.

Let's just treat it as a dream, that she was drunk ...

the kiss got deeper and deeper. tang yu couldn't control himself anymore. he let out a deep breath, " qiqi, who am i? "

"Daddy." she pressed her face against his chest and said childishly.

if he continued to endure, he wouldn't be a man anymore.

He carried her into the bathroom.

PEI Qiqi was being tortured to the point where she wished she was dead, but he still continued to force her to answer ...

“Do you like jinrong?” He turned her little face and asked fiercely.

The little woman nodded dumbly. “I like it.” He did like her in the past. Ran ran was an honest woman.

tang yu was about to go crazy. she was so honest. he hit her with his big hand.

he let out a deep breath. ” what about me? ”

Chapter 334 you're the only one i like, gao tian (3)

pei qiqi looked at him eagerly and then swallowed her saliva, ” you look so delicious! ”

Tang Yu's thin lips twitched. He watched as she slowly kneeled down and teased him.

he never knew that pei qiqi had such a hobby!

however, such a hobby was the best thing for a man.

he grabbed her fluffy hair. it was a little painful, but he was more happy.

On New Year's Eve, the fireworks outside rose into the night sky one by one and bloomed on the gorgeous black silk curtain.

they were like two fish, entangling with each other. this was probably what the ancient saying of pleasure between fish and water was.

Tang Yu didn't seem tired at all. As for PEI Qiqi, she looked like she had eaten her last meal and couldn't have a next one.

time was exhausted, and both parties were willing!

.....

when pei qiqi woke up, it was already 10 am.

When she got up, she felt as if she had been run over by a truck, and her head hurt.

he held his forehead and looked around. nothing was different.

it was her bedroom, and it was clean everywhere. she was even wearing a set of pajamas.

did he drink too much?

However, she vaguely remembered that she was with Yingluo and Tang Yu.

it must be an illusion.

she lifted the quilt and got out of bed. she couldn't remember how she came back. when she went to the bathroom to brush her teeth, her pajamas slid down, and her skin was white and smooth. it didn't look like she had been touched at all.

however, pei qiqi still felt that there was something wrong with her body. as for what it was, she couldn't tell. she only felt a little tired and a little sour. what was even more terrifying was that her lips were a little numb as if she had eaten something for a long time.

She flipped through it carefully, and a large number of unhealthy images of Yingying suddenly flashed through her mind.

in the bathroom, she knelt in front of tang yu and looked up at him.

pei qiqi's eyes widened. she couldn't believe that she was really doing this ...

She didn't even wash off the toothpaste, so she looked around the house. She went to the bathroom to take a closer look, but she couldn't find a single hair on Yingying.

she bit her lip and covered her face. perhaps, she was really dreaming.

When she went downstairs, her car was gone. She took a taxi to Sheng Yuan building and saw her car there. However, her Xuanji car was destroyed. She wondered which kid had painted her car with " LOVE "!

It was really full. She couldn't wipe it off even if she tried. PEI Qiqi looked around. The murderer had already run away.

Sheng Yuan's huge screen was playing a short film. Jian Jia's eyes widened. It was Tang Yu.

he was leaning against the railing of the courtyard. he was wearing a gray sweater and looked very homely. he held a glass of red wine in his hand and smiled as he gave his blessings.

The short clip kept repeating itself. PEI Qiqi's eyes heated up.

Was it because he was with Sun Feifei last night that he was in such a good mood?

pei qiqi didn't know how long she looked at it. then, she kicked the car hard and the car started to buzz.

She bit her lip, opened the door, and got in. Just like that, she drove through the city. On the way, she was quite eye-catching. She found a place to wash her car, but after looking at it, she said that it couldn't be washed off and had to be repainted.

The 4S store would probably be closed during the new year, and she would need a car.

just think about it and endure it!

she drove around again. because it was the new year, there was no one around to tease her.

[isn't it sweet? Is it sweet? If it's sweet, if you have the money, support it. If you don't have the money, support it by yourself. Please add it to your collection, please recommend it, please comment on it, please give it a tip ~]

Chapter 335-who is that man

as he drove, he started to feel a little lonely.

pei qiqi wanted to go to the hospital to see jinrong, but the nurse said that the lin family had taken him back.

she stood at the entrance of the nursing home for a long time, thinking that she might not be able to see jinrong in this life.

after that, she parked her car in the shopping mall's parking lot and walked around by herself. only by walking non-stop would she not feel that the new year was so cold.

the lcd screens in the mall were all playing tang yu's short videos. it was crazy.

pei qiqi felt that he was everywhere, so annoying.

At a restaurant on the first floor, PEI Qiqi met PEI Huan.

She stood outside the dining room and was hesitating if she should go in to eat when she saw PEI Huan.

pei huan was with a middle-aged man. the man looked decent, good looking, and had good taste. however, at his age, he was qualified to be pei huan's uncle. one could also imagine that he had a family.

PEI Qiqi had never thought that the proud and arrogant PEI Huan would take this path.

She was a little stunned and stood there for a long time, unable to move away.

at this moment, pei huan also saw her. she leaned over and said something to the man beside her. the man turned his head and saw pei qiqi. he smiled and stood up to leave.

pei huan waved at pei qiqi. pei qiqi hesitated for a moment but still pushed the door open and walked in.

The waiter recommended enthusiastically. PEI Qiqi said indifferently, "i have an appointment."

She walked straight to PEI Huan and sat opposite her.

For a long time, the two of them looked at each other and did not speak. In the end, it was PEI Huan who chuckled, "long time no see."

pei qiqi pursed her lips, "yes. long time no see."

pei huan's beautiful hand supported her chin and she smiled, "pei qiqi, are you going to ask me who the man was?"

alright then. Who is that man?" pei qiqi was expressionless.

PEI Huan's smile was a little charming, which did not match her age.

she played with the wine glass with one hand and softly spat out two words from her red lips, "godfather!"

pei qiqi didn't say anything.

"pei qiqi, you're a pure young lady of the pei family. you should know what godfather means, right?" "yes," pei huan laughed like a cat. "i'm your father in the day and i can do whatever i want at night."

She laughed and became a little irritated. She waved at the waiter and ordered a few expensive dishes. Then, she looked at PEI Qiqi, "did you see that? Even without the PEI family and the Lin family, I'm still living well. pei qiqi, i have everything you have and i have everything you don't."

As she spoke, she took out a long and thin cigarette from her bag and lit it up. Just like that, she started smoking. This made PEI Qiqi think of Zhao Ke.

Zhao Ke was also like this, she could smoke very seductively.

“after leaving tang yu, life must be hard, right? i saw it too. tang yu has a new girlfriend and she’s pretty!” PEI Huan felt a little happy. why are you looking at me like that? Do you think I’ve fallen? pei qiqi, don’t give me that. we’re selling it the same way!”

pei qiqi lowered her eyes and smiled, ” yes, it’s the same. ”

the same. Just try a smoke. After you smoke, you’ll forget about Lin jinrong, forget about Tang Yu, and forget everything about the PEI family. pei huan’s long and narrow eyes stared at her. she leaned forward and put the cigarette in front of pei qiqi.

pei qiqi felt like she was choking!

she shifted and then stared at pei huan. ” You suck| poison?”

Chapter 336 who’s that man?(2)

PEI Qiqi was shocked.

“so what? pei qiqi, do you still think you’re the spotless little saintess from before? without tang yu, you’re just a piece of meat on the chopping board. when those men want to eat you, you won’t be able to escape.” PEI Huan laughed coldly as she placed the cigarette on her lips.

pei qiqi only felt sad for her.

“Alright, I’m in a good mood today. Let’s have a meal together. We can be considered a family.” PEI Huan stubbed out her cigarette. eat. You look so pitiful on your own.

Only PEI Qiqi’s loneliness could comfort her. It made her feel that she, PEI Huan, wasn’t the most miserable one.

She, PEI Qiqi, fell in love with Tang Yu but was also cast aside.

PEI Huan looked like she had seen through the world and pointed out, ” men are all the same. They just want your young body. When they pamper you, you’re a good baby, but when they’re done playing with you, you’re nothing.

PEI Qiqi remained silent. She felt that PEI Huan had changed a lot.

“you know what? i’m in the entertainment industry now, and that man just now is the vice president of KING entertainment. he can make me famous!” “I just want to sleep with him,” PEI Huan said nonchalantly.

“is that so?” PEI Qiqi stared into her eyes,”is this what you want?” Where’s Your Love for jinrong?”

pei huan's eyes were originally smiling, but now they became sharp. "love? PEI Qiqi, stop joking. I love him. Does he love me? he gave you his heart and his life, but what did he leave for me? a child? i'm so young, have i been with him for a lifetime?"

"jinrong, what if you wake up one day?" PEI Qiqi closed her eyes, " PEI Huan, didn't you regret it then? "

pei huan was stunned for a moment, but she quickly regained her composure. " how is that possible? he won't wake up. "

she chuckled again. " so what if he's awake? he still likes you and the man just now. he can give me happiness. qianqian, being with him makes me taste the happiness of a woman, not being a widow with lin jinrong!"

"pei qiqi, do you know what it feels like to be a widow? Do you know what it feels like to be ignored by your husband? you don't know how ironic it is that lin jinrong only touched me once, yingluo?" PEI Huan raised her head. the moment I aborted the child, I told myself that I would never love him again, Yingluo.

PEI Qiqi was speechless.

She and PEI Huan sat opposite each other and ordered a table full of dishes, but no one touched them.

before she left, pei huan said, " pei qiqi, the hatred between us will never be resolved, hanhan. "

pei qiqi looked at the endless night sky and smiled, " pei huan, you could have lived another life. "

It was she herself who had cut off her own path. It was her willfulness that had caused her to live a sad life.

when pei huan went out to get the car, she saw a car that had been sprayed with a lot of english words.

as she looked at it, her eyes became a little hot.

It was all about LOVE.

but later on, she saw what was inside. it was pei qiqi's car.

Then, PEI Huan's eyes froze.

Slowly, she smiled bitterly.

pei qiqi, you idiot. you don't know how much tang yu loves you!

On the chassis of the car, there were two inconspicuous English letters-Ty.

pei qiqi, i won't tell you. i'll let you struggle, yingluo.

PEI Huan raised her head and there were some tears in her eyes.

She and PEI Qiqi were different.

Chapter 337 The incident with the Yanz sect (1)

pei qiqi sat there for a long time again. it was so long that the waiter asked her softly, " miss, do you need to pack it up? "

She turned her head and looked at the waiter, her eyes a little straight.

"Miss, do you need to pack it up?" the waiter was very patient with such a beautiful girl.

pei qiqi pursed her lips and looked at the untouched dishes. she said lightly, " "Let's pack it!"

Although she was hungry, she had lost her appetite after meeting PEI Huan.

Although she didn't like PEI Huan and just like what PEI Huan said, the hatred between them would never be resolved. However, PEI Huan was still her father's child. No matter how cruel PEI Qiqi was, she still felt pity for PEI Huan.

She walked out with the lunchbox and didn't take her car. She just strolled around the streets.

Behind her, there was always someone following her. When PEI Qiqi turned around, that person was gone.

After walking two streets, PEI Qiqi placed the lunch box in her hand on a green platform and continued walking forward.

She walked to the corner and stopped, then looked over in that direction.

a woman and a little girl quietly walked over and picked up the lunchbox.

The woman and the little girl were both dressed in tattered clothes.

at this moment, the woman opened the lunch box and carefully fed the little girl the food inside.

probably because they had never eaten such delicious food before, the little girl ate in a hurry, and so did the woman.

PEI Qiqi looked from afar and saw a small car beside the woman. On it were some bottles of clean water and other things.

The little girl had probably been exposed to the wind and the sun for a long time, so her face was a little dark, which made her eyes even more clear.

while she was eating, she looked up and saw pei qiqi.

pei qiqi pursed her lips and gave her a warm smile. then, she gestured for her to wait there.

pei qiqi quickly ran into the mall and bought a beautiful rabbit the size of a child. she took out her card and took out about 100000 yuan from all the teller machines.

it was packed in a thick bag and carefully wrapped in another layer.

she ran out, but the little girl was still standing there, waiting for her to kiss her.

PEI Qiqi slowed down her pace and ran over again. She stuffed the soft rabbit into the little girl's arms and the heavy bag. She said in a low voice, " "Happy New Year."

The little girl's face was red. PEI Qiqi reached out and touched her head, " you have to listen to mommy.

the woman at the side stood far away. after pei qiqi left, she walked over and opened the things in her daughter's arms. she was shocked. inside was money neatly tied up. there were about a hundred thousand yuan.

qianqian couldn't have looked everywhere for pei qiqi. how could she have found her?

"Mom." The little girl hugged the rabbit and said in a small voice, "mom, can i take a day off today?"

The woman hugged her child tightly. Her lips were a little dry, but she still kissed her daughter in her arms. okay, mommy will rest for a day. Now, I'll take our RUO RUO to buy new clothes.

after they left, pei qiqi walked out from the back. she was a little envious and envious.

she had never been hugged by a woman before and she didn't know what it felt like. she was only hugged by tang yu once, awkwardly.

Just as PEI Qiqi was in a daze, her phone rang.

Chapter 338 the incident with the yanz sect (2)

She looked down and saw that it was Tang Xin's call. She thought about it and picked it up.

Tang Xin sobbed, " Qiqi, my parents are fighting. They're fighting so hard.

He had played in the past, but it had never been like today.

pei qiqi was stunned for a moment. then, she heard tang xin continue, " i heard that dad slapped mom several times because of some photo. qiqi, dad has never slapped mom like this before. "

pei qiqi was speechless. she didn't want to interfere in zhao ke's matters.

" qiqi, can you come over and take me to your place for a few days? " tang xin begged her in a soft voice, afraid that she wouldn't agree, so she quickly said, " "Brother wants to accompany first aunt, and brother has a girlfriend now, Yingluo."

tang xin stopped and knew that she had said the wrong thing.

pei qiqi didn't mind it too much. she smiled lightly, " what if your parents are worried? "

tang xin pretended to be indifferent and said, " it's okay. i told you i'm with my brother. it's not like this has never happened before. they can't care about me when they fight. "

PEI Qiqi sighed and finally agreed to Wanwan's request.

It could be loneliness!

she went to get the car and drove to yan hui, arranging a meeting place with tang xin.

-Yan Hui.

Tang Xin packed a small bag and walked downstairs carefully, not letting Tang Zhiyuan and Zhao Ke find her.

At this moment, Tang Zhiyuan's eyes were red from all the fighting. He grabbed Zhao Ke's hair and forced her to look up. " look carefully. the photo on this is not you. who is it? "

Zhao Ke swallowed her saliva and did not dare to make a sound.

She saw a photo of herself lying on the bed. She was naked and only wrapped in a bath towel. Her face was a little blurry, but those who knew her would be able to tell that it was her.

This photo was on the entertainment headlines today.

Tang Zhiyuan was also a person who liked to read entertainment news. After he flipped to the news, he gave Zhao Ke a few tight slaps. At that moment, he was still angry.

He, Tang Zhiyuan, was a man of status. Although he knew that Zhao Ke had been a little unbearable in the past and had been with a few men, he didn't care because he didn't love her, Hanhan.

She had Tang Xin and she was beautiful. She just had to be obedient in the future. Moreover, even if she ate secretly outside, he wouldn't ask if she didn't make it ugly.

They had long been United on the surface but divided on the inside!

but now, with such a big commotion, would he still have any face in the future?

tang zhiyuan pushed zhao ke's head to the front of the newspaper and told her to read it herself.

zhao ke's hair was disheveled, and she looked like a crazy woman. her lips trembled as she looked at the photo.

She could recognize that it was the place where she and Rong Lei met up. The photo must have been there for several years.

this b \* stard, he said he would delete all the photos last time!

Just because two days ago, he had asked her for a million Yuan, but she had refused to give it to him, he had set her up like this!

zhao ke gritted her teeth. " zhiyuan, these are all things of the past. it's not like you don't know about it, wanwan. "

Tang Zhiyuan slapped him again. things from the past? Zhao Ke, do you think I'm a fool? Isn't the ring on her finger a wedding ring?"

Zhao Ke can't deny it anymore, sob sob.

her body suddenly went soft. she knelt in front of tang zhiyuan and cried, " Zhiyuan, Zhiyuan, I was wrong. It was my fault. I was careless. I won't do it again. I broke up with that person, can you forgive me? "

Chapter 339 The incident with the Yanz sect (3)

Zhao Ke knew that Tang Zhiyuan cared about Tang Xin, but he was more concerned about his face. even if she didn't die this time, she would still lose a layer of skin!

She couldn't live without the title of Mrs. Tang. She didn't want to live the life she had before.

Thinking back to those days, thinking about those gray walls, those old and broken furniture, and that dirty man, it was even more unbearable than killing Zhao Ke.

she knelt in front of tang zhiyuan and repented. " zhiyuan, i was wrong. i promise i won't see him again. i won't have such a photo again. "

Tang Zhiyuan grabbed her hair and pulled her in front of him. He squinted his eyes and looked at her. Suddenly, he threw her away. you're on your own.

zhao ke lay on the ground and didn't get up for a long time. she just coughed.

After-long time, she got up and walked to Tang Xin's room, but she saw that it was empty.

where's tang xin? where did she go?

zhao ke's heart was in a panic, and she was unspeakably confused.

Tang Zhiyuan didn't divorce her because of Tang Xin. Otherwise, he would have been determined to remarry Lin Yun last time, ran ran.

So, she had to hold on to her daughter tightly. As long as Tang Xin was there and Tang Xin called her 'dad', Tang Zhiyuan wouldn't be willing to divorce her.

zhao ke looked for tang xin like crazy and called her phone, but it was turned off.

In the end, she gave Tang Yu a call.

Tang Yu was surprised to receive her call.

He looked at his mother without saying a word, then went outside and continued, "wait a moment, i'll get someone to take a look."

In the past, when Tang Xin ran away from home, she would mostly go to Xia city, but now he no longer lived in Xia city, so Tang Xin naturally wouldn't go there to waste time.

He hung up the phone and thought for a moment before calling PEI Qiqi.

When PEI Qiqi picked up the phone, she saw Tang Xin running over. She looked at the number and picked up, "Hello," he said.

tang yu's voice was especially cold, "is tang xin at your place?"

PEI Qiqi saw that Tang Xin had already opened the car door and sat beside her, "yes, she's with me.

Tang Yu was silent for a while, "I know.

with just three words, he hung up the phone.

PEI Qiqi looked at her phone and didn't quite understand what he meant.

You know? Then she didn't need to send Tang Xin back?

he put down his phone and looked at tang xin. tang xin put her hands together, as if she was trying to please him.

"your brother's on the phone." pei qiqi asked her indifferently, "do you want me to send you to his place?"

"No need," "brother is always with aunt during the new year. if i go, aunt won't be happy," tang xin said.

pei qiqi looked at her and didn't say anything. then, she started the car.

Tang Xin immediately fastened her seat belt and said, " " qiqi, your car windows are so cool. where did you put them on? "

"someone drew it, not pasted it." PEI Qiqi glanced at her, " aren't you afraid that your parents will worry? "

tang xin's two slender white fingers touched each other and she looked down, " they probably can't control me now. "

"Can you let me stay with you for a few days?" she begged PEI Qiqi.

PEI Qiqi pursed her lips and didn't say anything. She just drove the car back to her place.

When the car stopped, Tang Xin was sure that she was safe. She sat there without moving and asked in a small voice, " what did brother say? "

in reality, she was still afraid that tang yu would catch her ... her mom wasn't in a good mood, so she probably wouldn't have a good life either.

Chapter 340 I'm posting it on moments (1)

PEI Qiqi glanced at her,"nothing much." &Nbsp;

"so i can live with you?" Tang Xin asked carefully.

pei qiqi saw many stars in her eyes and a feeling of kinship rose in her heart.

She thought that with Zhao Ke around, she wouldn't have much feelings for Tang Xin, but Tang Xin was so different ...

she was as weak as a small animal, making people want to love her.

pei qiqi reached out her fingers and gently touched tang xin's little head, " it should be fine for now. "

It was only temporary. Tang Xin was satisfied. She opened the door and jumped out of the car. Then, she took out her phone and started to take selfies with PEI Qiqi's car. However, she also saw her mother's call.

Tang Xin chose to ignore ran ran.

when pei qiqi walked over, tang xin put her phone away, " qiqi, i've posted it on my moments. don't worry, i've blocked my mom. " she won't be able to see it. "

seeing her trying to please her, pei qiqi felt both angry and amused. she brought her to her apartment and helped her settle down.

pushing the door open, tang xin cheered and jumped on the sofa. she had never been so wild before, and her pale face was flushed.

PEI Qiqi took her bag into the guest room. When she came out, Tang Xin was lying on the sofa and said softly, " "I love this color the most. It's so comfortable."

PEI Qiqi shook her head and walked into the kitchen to take a look. Then, she came out again, " Tang Xin, I'm going to the supermarket to buy some ingredients. Are you going to stay at home or come with me? "

Tang Xin jumped up. of course I'm going with you.

After getting into the car again, Tang Xin looked down and played with her phone. She saw Tang Yu's comments on her WeChat moments-

-Where?

Tang Xin secretly looked at Qiqi and saw that she was focused on driving, so she privately messaged Tang Yu-

I'm going to the supermarket with Qiqi. Qiqi has to cook for me.

after she sent the message, she waited for a long time, but nothing came up.

really! There was no reaction at all. She thought that her brother loved Qiqi so much that he could not forget her!

it turned out that she forgot about the old people when there was a new one. how was sun feifei better than qiqi? she was beautiful but she was like a wooden beauty. she could not be compared to her qiqi.

tang xin pouted and didn't say anything, feeling a little disappointed.

in fact, she wanted to call her brother over. she hoped that her brother and qiqi could be together!

Tang Xin was still a child and couldn't hide things in her heart. After a while, she asked pitifully, " " qiqi, you really don't like my brother? "

pei qiqi didn't say a word. her fingers were on the steering wheel and her grip was a little tight, " tang xin, don't ask like this in the future. your brother has a girlfriend now. it's not good if you misunderstand. "

Tang Xin buried her head, looked outside, and sighed, " " qiqi, if i were you, i would definitely like big brother. "

In Tang Xin's heart, Tang Yu was the perfect incarnation.

PEI Qiqi smiled and didn't say anything.

tang xin looked out of the window and suddenly felt a little sad. she saw how loving qiqi and her brother were when they were together.

Could it not be true?

If this wasn't true, what else was true?

However, no one could answer Tang Xin's question. She could only look outside in a daze.

in fact, she was quite envious of qiqi. at least she could live for a long time, unlike her, who might not be in this world anymore one day.
