

Thank you 3351

Chapter 3351: I don't want you anymore 7

Gu Changfeng looked at ye Mulin, who was standing by the door.

This was the second time he had met ye Mulin, but it should be ye Mulin's first time meeting him!

the two men looked at each other without saying a word.

"how is she?" ye mulin asked after a long time.

Gu Changfeng looked at him and slowly stood up. "lawyer ye, right? i'm gu changfeng."

as he spoke, he reached out his hand.

...

Ye Mulin walked over and shook Gu Changfeng's hand.

the two men who had the same thoughts and were smart could naturally feel each other's magnetic field.

Ye Mulin had just noticed that the man's eyes were full of love when he looked at Bai Sulli.

gu changfeng still liked bai xuli, his wife.

This made ye Mulin very uncomfortable. He bent down to carry the drunk little woman, but she pushed him away and said drunkenly, "don't, yingluo. i don't want you to hug me."

Ye Mulin glared at her.

She was completely drunk. She looked at him with narrowed eyes. I don't want you to carry me.

she opened her eyes and looked at gu changfeng adorably, ” “chang feng, come and hug me. i don't want to go home and i don't want to see ye mu lin.”

Gu Changfeng stood there and smiled bitterly. He looked at ye Mulin and said, ” take good care of her.

No matter how much he missed her, she had already become someone else's wife.

Gu Changfeng used to think that she would marry ye mu Bai. After all, everyone knew that she liked ye mu Bai so much. However, the one who married her in the end was ye Mulin, the ye Mulin who loved her.

gu changfeng walked out after he finished speaking.

Bai Sulli was drunk and lying on the ground like a pool of mud, but now she was full of energy. She ran over and hugged Gu Changfeng.

“Gu Changfeng, don't go.” she hugged his slender figure from behind and pressed her face against his back. ” “Let's start over, okay? this time, I'll definitely like you properly. I'll definitely like you.”

Gu Changfeng did not move. He restrained himself and whispered after a long time, ” ” lawyer ye, please pull her away. she's just drunk. ”

“I don't want to.” She threw a tantrum and hugged Gu Changfeng's body tightly. “He has someone else. I don't want him, I don't want him anymore.”

As she spoke, her tears flowed out and seeped into Gu Changfeng's shirt. They were wet and hot.

He knew that he couldn't go on like this. After all, her husband was here.

Gu Changfeng regretted asking ye Mulin to come. He should have stayed with her.

He gently pushed her away and quickly left without even having the courage to look at her.

He was afraid that if he didn't leave now, he wouldn't be able to bear to leave. He was afraid that he wouldn't be able to control himself and would want to take her back.

as soon as he left, bai suili lost her balance and almost fell.

A strong arm wrapped around her waist and lifted her up forcefully, walking outside.

if he came forward, he could naturally take her away. in fact, when gu changfeng told them his name, this small temple knew that they had caught the wrong person. she was the daughter of the bai family and the daughter-in-law of the ye family. they could not afford to offend her.

hence, when ye mulin wanted to bring people along, the boss here did not dare to say a single word.

Bai suili was being held by him, and his face was ashen. She wasn't any better.

Even though she was drunk, she still recognized him.

She pounded on his shoulder and said in a hoarse voice, "i don't want to go back with you. ye mulin, you broken shoes bastard!"

ye mulin's expression turned even uglier. he narrowed his eyes at the woman on his shoulder. "you don't want to live anymore, do you?"

Chapter 3352: I don't want you anymore 8

No matter how much she struggled, he still carried her into the car and threw her into the back seat. His actions were very rough.

as he drove, he slowly fastened his seat belt and looked at the situation behind him through the rearview mirror. she was still lying there like before, like she was drunk or asleep.

His heart was as wet as water, and he started the car with a cold face.

Half an hour later, the car stopped at the apartment building. Ye Mulin carried her up the stairs rudely.

The apartment was quiet and the lights were dark.

He turned on the light, but it woke her up. She first opened her eyes to look around, then she started to make a fuss."i don't want to come back. i want to go out."

...

The last word was dragged out for a long time, and then disappeared because of the discomfort.

with her eyes closed, her body trembled slightly, and after a while, her teeth chattered."Let me go."

he looked at her and knew that she was afraid of the cold because she had drunk too much, so his face became even colder. he carried her to the bathroom and threw her in the corner. he went to turn on a tub of hot water and then threw her down with her clothes.

Bai suili almost drowned. She instinctively clung to the edge of the bathtub like a puppy in the water.

but soon, she felt that the water was very comfortable, so she didn't want to move. she put her face there and closed her eyes to rest.

she was really tired after a night of trouble, so she lay there for a long time without making a sound.

Ye Mu Lin stood there with a cold gaze.

It all started because of her misunderstanding, but the result made him want to crush her.

she dialed gu changfeng's number. she still remembered that man's number after so many years. did she really not like him? or did she like warm men like gu changfeng and mu bai?

ye mulin touched his pocket and wanted to smoke a cigarette. however, he took it off when he was holding it in his mouth and stared at her for a long time.

he picked her up, wiped her roughly with a towel, walked into the master bedroom, and threw her on the big bed. she woke up at once and looked at him with her big eyes.

ye mu lin looked at her and said in a faint voice, "are you still going to find gu changfeng?"

She looked at him for a long time, as if she had sobered up.

She slowly lowered her head and leaned against the bed without making a sound.

ye mu lin touched his aching forehead and looked at the heartless little girl. he sneered, " "Why aren't you talking?"

she moved closer to him again, as if she was afraid that he would catch her and hit her.

He felt a sharp pain in his heart.

Bai Xiuli lowered her eyes and said in a soft voice, " I, Wanwan, don't want you anymore. Is that okay? "

She raised her eyes and looked at him. Her eyes were a little confused, but they became firm after a while. "Ye Mulin, I don't want you anymore."

He looked at her quietly. you've drunk too much.

As he spoke, he wanted to go out for a smoke, or he would want to strangle her to death.

However, Bai suili opened her mouth behind him, " " let's get a divorce. i don't care if you bring me to my father or not. i'm going to get a divorce and hanhan will starve to death alone. i also don't want to see my husband eating with another woman while i stupidly bring him food. "

“Ye Mulin, why am I so silly? how can a man like you like someone like me?” “I was too naive,” she said as she wiped her tears.

Ye Mulin looked at her and started to smoke. He frowned.”Bai Xue Li, have you really thought about what you’re saying? You’ve had too much to drink. Take a nap and we’ll talk again tomorrow.”

Chapter 3353: i don’t want you anymore (9)

Bai Sulli looked at him, her eyes fixed on him, and her expression was a little naughty. ye Mulin, do you know what others call me? ”

His expression was very unsightly.

bai sulli stretched out her white legs and smiled gently, ” “The little princess of the nightclub. i don’t get drunk that easily.”

She said it with a smile, but only she knew that her heart was bleeding.

Ye Mulin looked at her without much expression.”So?”

“so, we’re getting a divorce?” “I don’t have to be with you, and you don’t have to be with me,” she said indifferently.

...

“bai sulli, how did you know?” he put out the cigarette.

he stared at her little face. ” you’re drunk and you’re fooling around. you called gu changfeng here just to tell me that you have a lot of men following you around and waiting to take over you, right?
”

“Yes.” “At least he’s younger and more loyal than you,” she said, smiling.

“You saw me in bed with her?” he sneered.

bai suili looked at him and sneered,”Ye Mulin, are you playing word games with me? you know that she’s interested in you, so why did you still eat with her and even support her? did you say that when i came back at 10 am, you needed 10 am to discuss business?”

Ye Mulin did not explain because if he said that he wanted to send Ai Wei to the hospital, she would probably make a bigger fuss.

Gu Changfeng? ” he just frowned. just because of this, you went to Gu Changfeng? ”

“Yes,” she sneered. ” lawyer ye, you’re a little too early. otherwise, you’d be able to see me having an affair with him. ”

she kept calling him a pair of broken shoes, which made him feel very depressed. he said with a cold face, ” “Bai Xue Li, you’d better shut your mouth, or I’m afraid I’ll strangle you to death.”

“I have nothing to say even if you want me to,” she said, lowering her eyes.

“very good,” he said. he looked at her coldly. ” what about now? are you going to look for gu changfeng after the divorce? ” what is mubai?”

she didn’t make a sound, only holding her knees and lowering her head.

At that moment, she seemed very fragile, as if everything that had happened just now was just her disguise.

“I’ll leave tomorrow morning.” she said softly, ” ye mulin, i’ll fulfill your wish. ”

As she spoke, she lifted the bed and walked to the door where little white was.

she picked it up and looked at it, then put it back. ” “take care of this little turtle.”

ye mu lin's heart was cold and hard. " bai xue li, you can go as you wish, but i don't want this turtle kasaya either. "

She felt a sharp pain in her heart.

he continued to look at her. " there's a limit to your stubbornness. it's fine if you drink and drive drunk, even if you spend hundreds of millions of yuan on it. but you asked gu changfeng to comfort bai sulli. do you think that i will pamper you no matter what you do? "

she looked up at him. " then throw it away. it's up to you. "

She walked back to the big bed and buried herself in the quilt. Her voice was very soft."I'm going to sleep."

ye mulin squinted his eyes and looked at her for a while before he walked out.

the door was slammed loudly.

little white shrunk its turtle head and then carefully popped its head out again. its two green bean-like eyes were a little confused.

ye mulin walked out and smoked a cigarette, unable to vent his anger. only then did he feel that he was very hungry.

he walked to the kitchen and dialed ai wei's number to ask her if her foot was okay.

Ai Wei smiled and said it was nothing. She wanted to ask about his personal matters, but he didn't give her a chance to hang up.

Chapter 3354: I don't want you anymore (10)

ye mulin made himself a bowl of noodles. however, when he sat down to eat, he lit a cigarette.

on the contrary, his face was cold and he didn't even touch it.

He leaned against the back of the chair and smoked the cigarette quietly. All he could see was her holding Gu Changfeng.

She cried and made a fuss, but it was all for Gu Changfeng.

Ye Mulin's eyes were cold. He sat there until late at night.

There was a small pile of cigarette butts in front of him. He blinked his sore eyes and looked at the noodles that had turned cold.

...

He didn't have any intention of eating it and just poured it into the trash.

he did not return to his room to sleep. instead, he went to the study and spent the entire night reading documents.

when it was almost dawn, he walked back to the bedroom. bai sulli was lying quietly, as if she was sleeping very well.

he stood there and looked at her, not knowing what to do with her.

Little white crawled around in the box and made a soft sound.

He turned his head and looked over, his eyes cold. Xiao Bai immediately shrank his head and did not dare to come out again.

Ye Mu Lin narrowed his eyes and picked up little white to take a closer look.

Finally, he snorted, ” “I’ll stew you if you don’t listen.”

xiaobai had been shrinking her head.

In the end, ye Mulin still put it back. He walked into the bathroom of the master bedroom to take a shower. After taking a simple shower, he took out a few simple clothes from his luggage and put them in. When he came out, he stopped in his tracks.

he was going on a business trip.

it was a last-minute decision made yesterday, and he was going with ai wei and another lawyer. secretary li would be going as well.

if it was before, he would have told her, but now, there was no need to!

one was ren ren, the other was a tsundere. he didn’t want to pamper her like this all the time.

he was especially unhappy that she was hugging another man at random.

He didn’t explain Ai Wei’s matter because it wasn’t necessary. What could happen in public?

Instead, he was still angry with her.

ye mu lin left for his business trip without leaving a word behind.

In fact, Bai suili was awake. She heard him take a shower and drag his suitcase out, so she knew he was leaving.

Was he on a business trip?

would he be with ai wei?

she closed her eyes, her fingers gently tracing on the pillow. she thought to herself that they were indeed not suitable for each other.

She was angry and drunk, so she went to Gu Changfeng, but he was so angry that he didn't tell her about it even when he was on a business trip ...

Last night, she had said that she wanted to move out, but he had said that it was up to her.

perhaps, this was his attitude.

“bai sulli, what's there to cry about? you've chosen your own path. either you see it and don't say anything, or you can leave freely.”

She thought angrily, but when she heard him close the door, she couldn't help but cry.

she told herself not to cry.

she told herself that it was not a big deal and that she did not like him that much.

Even if they broke up or got a divorce, it was no big deal. He didn't like her, but there were many people who liked Yingluo, who was willing to pamper her.

she lay there quietly. she wanted to get up, but she stayed in the bed for a long time.

she didn't know what she was thinking about. he was clearly a scumbag, so why was she still thinking about him?

At nine O'clock, the cleaning lady came over. She didn't know what had happened between the two of them, so she walked to the door and asked very kindly, ” “miss bai, what do you want to eat today?”

bai suili sat up and rubbed her eyes,”oh, i won't be having lunch at home. you can just clean up.”

Chapter 3355: The rice weevil ran away from home (1)

the auntie didn't think too much about it and just nodded."okay, then i'll be gentle so that i won't disturb your sleep."

"no need," bai sulli shook her head. "i'll be going out in a while."

"i thought you'd like to sleep a little longer since you woke up so early in the morning," the helper smiled.

Bai Sulli's face was a little pale. In fact, she used to like to sleep in, but now she couldn't sleep.

She immediately got up to brush her teeth and wash her face, and then thought of packing her things.

however, she was standing in this house that she had only lived in for two days. everything here was bought by ye mulin, and she could not even bring a single piece of clothing with her.

...

No, she only had Xiaobai.

Ye Mulin said that he didn't want Xiao Bai and wanted to throw Xiao Bai away. Hence, she should take Xiao Bai away.

she walked to the door and picked up little white. after staring at it for a long time, she whispered, "daddy doesn't want you. follow mommy. mommy will find you a better stepfather in the future."

She carried a small bag and carried Xiao Bai out of the house.

She didn't take anything with her. She kept his bank card and all the jewelry he bought for her. She only took her own things and Xiao Bai.

She was very light and was only carrying a little jerk, so the Auntie naturally did not suspect her. She even smiled and said, " " let's go out. be careful outside. the cars outside don't even have eyes now. "

"I understand, aunty," Bai Sulli smiled.

The Auntie liked her a lot. She looked like a very obedient and innocent young lady. She had been working here for two years and lawyer ye had never brought a girl back. This time, it was his wife.

The helper watched her leave with a smile and then continued to work.

about ten minutes later, the landline in the house rang. it was ye mulin.

He was at the airport.

"is shirley still sleeping?" he asked in a low voice.

"Miss Bai has already gone out," the Auntie said without thinking.

Ye Mu Lin's brows jumped and he immediately asked,"Did she bring any luggage with her?"

"Ah, no, I just carried a small bag." there's also a little turtle, " the Auntie said with a smile. he probably went to set it free.

Ye Mulin's hand tightened around his phone and he closed his eyes."I know."

she wasn't setting them free, she was simply running away from home.

Or rather, he had left his world.

just as the auntie was about to hang up, ye mu lin asked in a low and hoarse voice, " "Go to the bedroom and see if she left anything on the bed."

the auntie took the wireless phone and walked over. after a while, she said, " there's a shiny ring on the bed, a necklace, and a bank card. They're all miss Bai's.

it was nothing at first, but now the auntie was feeling uneasy.

these must have been bought by sir for miss bai. if miss bai stayed, it meant that she was wanwan.

she didn't know what to say for a while. after a long time, she asked hesitantly, " "mr. ye, do you want to come back and look for it?"

"no, she'll come back when she's done." Ye Mulin hung up the phone.

The Auntie was extremely anxious. What should she do now? Mr. Ye really didn't take miss Bai seriously. Little girls need to be coaxed.

on the other side, ye mulin was holding his phone and looking down.

his fingers moved slightly, as if he was about to make a call, but in the end, he put his phone back into his pocket and walked straight to the private plane.

ai wei and secretary li walked behind him.ai wei said,""does lawyer ye often quarrel with his wife?"

Chapter 3356: the rice weevil runs away from home 2

secretary li didn't say anything, but he thought to himself, 'you haven't stopped since you came back.'

Ex-girlfriends are indeed the most Lethal Weapon in the world.

After ye Mulin boarded the private plane, he turned on his laptop and started working.

Secretary li poured him a cup of coffee, but hesitated.

ye mulin's gaze landed on the cup of coffee and he said in a deep voice, " "if you're not sure if you can say this, then don't say it."

secretary li was a very honest girl, and she liked bai suili very much, so she spoke out bluntly, " any girl would get angry. Lawyer ye, you're too demanding.

...

Ye Mu Lin looked at her with a very superior expression.

only the state officials are allowed to set fires, " Secretary li muttered softly. the commoners are not allowed to light up the lamps.

"You don't have to say anything," ye Mulin said coldly.

"if you don't want to say it, then don't." secretary li took the documents and sat down at the side. at this time, ai wei happened to come out of the bathroom. when she heard this, the atmosphere became a little strange.

however, she did not mind. she sat beside ye mulin and said softly,"if i'm the one who caused the misunderstanding between you and miss bai, i can go and explain."

ye mu lin's gaze landed on the screen and his voice was very indifferent."It's not related to you."

the reason why he and bai suili were like this wasn't because of ai wei, and it had never been because of him.

if it was only about ai wei, he would coax her.

but he was doing it for gu changfeng.

After ye Mulin finished speaking, Ai Wei felt a little uncomfortable. She only smiled and did not say anything else.

Ye Mulin continued to work and did not say anything. He would discuss anything with Ai Wei through email.

under ai wei's calm appearance, she was also becoming a little impetuous.

Originally, she had been confident that ye Mulin had not gone back to look for Bai Sulli because they might have been living separately.

Perhaps that girl was so willful that ye Mulin couldn't take it anymore. She still had a chance, but he still treated her coldly. She was uncertain.

Perhaps this trip to Hong Kong could bring their relationship to the next level.

sometimes, this kind of thing had nothing to do with the law, but with morality.

ai wei's thoughts drifted away. ye mu lin had been discussing with her for a long time and she was not in the right state of mind, so he ended the call.

he didn't look good.

He had never liked women who did not distinguish between private and professional matters.

the private plane arrived in hong kong in two hours. they had an emergency meeting with the legal team of the big company overseas. ye mulin and his assistant were the representatives for the chinese side, while ai wei was representing the foreign company.

This contract was huge and would take at least a few months to settle. There were too many details involved.

under ye mulin's dominance, the foreign delegation did not gain any advantage. when the meeting ended, ai wei's expression was not good, but she still forced a smile.

after sending off the company representative, she walked towards ye mulin."how is it? do you want to go out for a meal? i heard that there are a lot of delicious food in hong kong."

ye mulin kept the documents and said, "i'm not going. you can ask secretary li to come along."

Ai Wei's expression was a little dejected, and she said softly, "alright then!"

Secretary li came over and whispered, "I have a friend in Hong Kong. I'll meet him later." &Nbsp;

She did not want to eat with such a scheming woman. It would affect her digestion.

Ye Mu Lin looked at Secretary li thoughtfully and did not say anything.

he had never meddled in such matters.

when he walked out, the streets were bustling, just like what he remembered.

but her mood was already very different.

Chapter 3357: the rice weevil ran away from home (3)

he stood on the streets of hong kong, thinking that if he hadn't fallen out with bai suili, he could have brought her here. after the meeting, he could have taken her to eat delicious food. perhaps she would have taken him because she was the best at eating.

when he went back to work after they were done eating, she would throw a tantrum with him and pester him.

ye mulin stood quietly on the street. he took out a cigarette, lit it, and took a puff before walking towards the hotel opposite.

he was not in the mood to do anything else. he only had work to do.

He worked in the hotel suite until 11 O 'clock before he remembered that he had not eaten.

Sitting in the office chair, he was lost in thought for a while, but he was thinking about where Bai suili was.

...

did she eat?

she had brought xiao bai with her and she would not be going back. where was she now?

was she with gu changfeng?

Ye Mu Lin's eyes were cold. He stood there quietly, but he could not control his thoughts.

last night, she told him about the divorce and hugged gu changfeng in front of him. when she said so much, he did want to let it go. yingluo, perhaps they were not suitable for each other. he would suffer if she was unhappy.

However, even after they separated, they did not seem to be happy.

he sat there and irritably snuffed out his cigarette. but after a while, he lit up another one and called room service to order food.

while waiting for dinner, he went to take a shower. he didn't plan to go out, so he only wore a bathrobe.

The doorbell rang. He thought it was the waiter delivering the food, so he opened the door and went out.

Ai Wei was standing outside the door.

Ai Wei, who was dressed very sexily.

she was wearing a silk nightgown with suspenders underneath. from the looks of it, she did not seem to be wearing any undergarments. her hand was covering it gently. no matter how he looked at

it, it was seductive. moreover, ye mulin was very tall. he only needed to look down to be able to see that side of spring.

Ai Wei's intentions could be imagined when she came over in the middle of the night dressed like this.

Mulin, I brought some documents. Shall we work overtime together? " she waved the file in her hand.

Ye Mu Lin's gaze swept across her and he said indifferently, " "I'm already preparing to rest."

ai wei's expression was a little disappointed, and she let go of her fingers.

Honestly, she had a great figure and it was not any worse than his wife's. However, Ai Wei had overlooked one point. Ye Mulin was not a lecherous demon. He had been abstinent for so many years and it was not like he had not had any beautiful women throwing themselves at him. If he wanted a woman, he only needed to spend some money. There was no need for him to find a business partner to make things complicated.

ye mu lin's eyes turned cold when he heard her words."Ai Wei, I'm a married man. Wear more clothes next time you see me. I don't want to be on a gossip magazine."

With that, he took a step back and closed the door.

Ai Wei stood at the door, feeling a little embarrassed. She couldn't believe that she had been rejected.

She knew that she was very alluring dressed like this and no man could resist it. Moreover, ye Mu Lin was in a bad mood and usually needed a woman to comfort him.

at this moment, the male waiter came over to deliver the food. when he saw ai wei at the door, although he was well-trained, he couldn't resist the hormones in a man's nature. his eyes were fixed on yingluo.

Ai Wei felt insulted and immediately covered her chest. She angrily walked to her room and slammed the door.

The waiter knocked on ye Mulin's door. After a while, ye Mulin opened the door and asked the waiter to push the food cart in.

the meal was very sumptuous and the taste was not bad, but ye mulin only ate a few mouthfuls before he put down his chopsticks.

he looked up at the night sky of hong kong.

He missed that superficial and useless worm.

he was a man of his word. he really wanted to return to B city, but he couldn't let go of this case.

he picked up the phone and gently flipped through the call records.

Chapter 3358: the rice weevil ran away from home (4)

Ye Mu Lin's fingers flipped through the pages and finally stopped at that grid.

It was marked with the words 'rice worm'.

her phone.

what was she doing now? it was so late at night. where else could she go if not home?

She wouldn't go back to the Bai family, and she wouldn't go back to the mansion. Where would she go? she had returned the card to him. did she have money to use the kasaya?

Ye Mu Lin was not a person who worried about others, but he was worried sick about Bai Xue Li.

...

however, he could not do anything.

after hesitating and thinking about it, he still dialed the number.

The phone rang for a long time, but no one picked up.

he wasn't the type to pester her, but he still continued to call the kasaya over and over again.

After about ten minutes, the call finally connected. It was her voice on the other end. "I think I've made myself very clear. Ye Mulin, I'll look down on you if you call me again."

She hung up after saying that.

he could tell that the place she was in was very messy, and he could tell that it was a bar or a nightclub.

ye mu lin's brows were deeply furrowed. he leaned there for a long time before he called mu bai again.

At this time, ye mu Bai had already gone to bed. After leaving the entertainment industry, his work and rest had become particularly Buddhist, and the voice on the phone was still a little muffled. "Brother."

Ye Mulin's voice was very cold. I'm going to divorce Bai suili. I don't want to be cuckolded before I get divorced.

ye mu bai sat up and touched his forehead. "so?"

"so, for the next few days, help me look after her. go and find her now. no matter what method you use, keep her and wait for me to come back from hong kong." ye mu lin's voice was emotionless.

ye mu bai was also stunned for a while before he suddenly laughed softly. brother, isn't it good that she's out creating trouble? if she's unlucky enough to have a wild man outside, I don't think you'll be able to tolerate it. It's good that she's divorced.

"I don't want to be cuckolded during our marriage." Ye Mulin gritted his teeth.

ye mu bai chuckled. " it's not like i'm the one who's being cuckolded. why should i be in a hurry? "

he paused for a moment. " brother, you actually don't trust her at all. in your heart, she's not only superficial but also has no bottom line, right? You actually look down on her from the bottom of your heart, thinking that she can sleep with anyone at any time. But let me tell you, Bai Sulli won't. Even if I took the initiative to pull her in, she wouldn't do it until the last moment."

he paused for a moment and continued, " " actually, you don't understand her at all, and you don't trust her. it's good that you're divorced. i can see that she's in pain too. "

"You've seen her before?" ye Mulin narrowed his eyes.

yeah, we had some drinks together last night, and Gu Changfeng was there too. Oh, you might have met him before. I don't think I need to describe him to you again. He's a young man who has won countless World Awards. He's much younger than us two old men. He's also gentle and caring. If I were Shirley, I would choose him too. After all, Gu Changfeng doesn't have a messy ex-girlfriend." Ye mu Bai said impolitely. Then, he hung up the phone and turned it off.

On the other end, ye Mulin was almost going crazy. He was half lying down with his phone in his hand and almost wanted to smash it.

in fact, mu bai was right. he had always looked down on bai suili. he always thought that nothing would happen to ai wei and himself, but no one had ever believed her.

he was happy that she liked him, but he had never believed that this love was so precious and difficult.

Chapter 3359: The rice weevil ran away from home (5)

it wasn't until the sky was almost bright that ye mulin called bai xili again. he wanted to tell her that everything could be discussed when he came back, and they could have a good talk.

But this time, she didn't give him a chance to speak and turned off her phone.

ye mu lin narrowed his eyes and his expression was cold.

hence, he did not look too good in meetings today and was sharper than usual. secretary li was worried for ai wei when she saw that her boss looked like she had just eaten explosives.

however, she was also worried about her boss. the photo of him wearing a bathrobe and standing at the door of the hotel room with ai wei made the headlines again.ai wei was dressed so sexily.

secretary li didn't like lawyer ye. he had asked for it since he didn't have a wife to warm his bed. a good man shouldn't let other women take advantage of him.

...

lawyer ye didn't give ai wei a chance, but this kind of indirect rejection was a disguised form of encouragement, especially since you have a wife. you even created an opportunity for your wife to meet your ex-girlfriend. that's your fault!

After the meeting today, everyone had been scammed. Even AI Wei's face was pale and ye Mu Lin's face was as if it was covered in a layer of ice.

in the middle of the match, ai wei did not go out for a breather. instead, she looked at ye mulin."Does Yueyue mind what happened last night?"

she looked at him. " she's already a willful little girl who ran away from home. ye, why do you still care about what she thinks? "

Ye Mulin looked at Ai Wei, his eyes as cold as ice."did you get someone to take the photos?"

"no, i didn't!" "I'm not that low-level," Ai Wei denied,"I don't like to fly around the world in my own pajamas."

Ye Mu Lin smiled faintly and said,"it's good that you didn't!" don't forget that you're the legal representative of this company. the closer we get to each other, the more trouble you'll get into. don't lose your career if you don't have feelings for me. "

his warning made ai wei's face turn pale.

She had almost forgotten about this.

Then, she almost choked out her voice as she asked, " "You let people take pictures on purpose, but you didn't stop them even though you knew?"

he did not answer the question.

He wouldn't tell Ai Wei that he just wanted a certain woman to see some news about him when she was wandering outside.

he didn't mind showing up with ai wei again and making her jealous.

If she really loved him, she would believe his final explanation and wait for him to return in B city.

ye mulin stayed in hong kong for three days. it was supposed to be five days, but ai wei was called back to san francisco to report on work. in fact, the company no longer trusted her because of her private relationship with ye mulin.

"i never thought that you're a man who would use underhanded means to deal with a woman," she said to ye mulin before she left.

Ye Mulin only looked at her and said in an indifferent voice, " "Lawyer AI, I don't want to find an opponent who knows my weakness."

"she's your weakness?" ai wei's heart trembled.

"You said she's your weakness?" she repeated.

she took a step back and suddenly laughed, " "I understand."

she left and went straight to the airport.

secretary li looked at ye mulin and said softly, ” “Lawyer ye, Mrs. Ye will be very sad if you do this. Any woman who sees those photos will be unhappy and will not believe that you are innocent.”

Chapter 3360: the rice weevil ran away from home (6)

“is that so?” ye mulin looked at secretary li.

Secretary li could not help but look at ye Mulin as if he was an idiot. lawyer ye, actually, I feel that after you and Mrs. Ye get married, you can take your wife’s last name.

ye mu lin narrowed his eyes and stared at her.

secretary li’s little face was bitter and he winked. ” “That’s what it means!”

“bai, you call me an idiot!”

how could a man with such a high iq like ye mulin not understand what she meant? he glared at her after he understood what she meant. ” shut up. if you say another word, i’ll leave you in hong kong. ”

...

Secretary Li Ran behind him with small steps. She didn’t dare to speak loudly and only dared to whisper, ” “Aren’t you worried about how you’re going to find your wife?”

Ye Mulin opened the car door with a cold expression.

secretary li followed him and sat down. she squeezed out a smile and said, ” lawyer ye, i know you’re soft-hearted, but when you’re facing mrs. ye, you can actually give in. ”

Ye Mulin was someone who never opened his heart to others. However, he was feeling really depressed at the moment. Hence, he patted his pants and asked calmly, ” am I not giving in to her enough? ” she got drunk and found an ex-boyfriend to anger me to death.”

secretary li's eyes widened. he actually felt that this lawyer ye was a little cute.

she swallowed hard and asked in a low voice, " " isn't her ex-boyfriend lawyer ye's younger brother? the nation's husband? "

"If it was Mubai, do you think I would be so angry?" ye Mulin said coldly.

How was Secretary li supposed to respond to this?

"Yes, they are family." Secretary li could only laugh dryly.

She cursed in her heart, but she also thought happily, how many exes did Mrs. Ye have?

just as she was thinking about it, ye mulin's voice was heard. " she has many boyfriends, more than the female lawyers i've seen. "

these words were so sour that secretary li couldn't help but laugh, but then she immediately covered it up.

Ye Mu Lin glared at her and did not say anything else.

"lawyer ye, why aren't you saying anything?" Secretary li asked carefully. He really wanted to dig out something.

Ye Mulin turned his head to look out of the car window. After a moment of silence, he said, " " actually, she only had one serious ex-boyfriend, gu changfeng. "

He was not sure if Bai Sulli would come back to him. Just like what mu Bai had said, Gu Changfeng was young, handsome, and rich. He could fly all over the world, unlike him, a heartless lawyer whose hands were stained with the blood of his agents. Bai Sulli said so.

He sighed softly.

it was normal for her to like someone else.

In the evening, he returned to his apartment.

Even though he knew she wasn't there, he still held his breath when he opened the door. He was still hoping that she would run out of the bedroom barefooted, hug him, and say, "Why did you only come back now? Xiaobai and I are starving."

However, when the door opened, the room was filled with darkness and silence. At that moment, he felt a sense of powerlessness.

He put down his luggage, looked around the room, and then walked into the master bedroom.

The place where little white was placed was already empty.

He touched it gently with his fingers, then looked at the head of the bed.

there were a few things placed there. he walked over and stood there, looking down.

After a long time, he reached out to pick it up and touched Yingying one by one.

"rice weevil, you don't want me to take care of you anymore, do you? what is this? i was the one who suggested abandoning it, how could the rice weevil run away by itself?" When he opened his mouth, his voice was already hoarse.
