Chapter 3381: lawyer ye's man man courting his wife 1

The rice worm was still looking at Lin sisi.

she still couldn't figure it out!

lin sisi laughed coldly. she was about to say something when the rice weevil said weakly, " i can help you take care of a child or something. "

Lin sisi rapped her on the head. you still need someone to take care of you, yet you have the cheek to say that you want to help me look after my child. I think it's more convenient for you to call me mom.

Bai Xiuli stuck out her tongue and stopped talking.

Lin sisi looked outside. It was drizzling, and the night was like a curtain.

...

After a long silence, she stretched lazily. alright, go to bed early. Wait on me tomorrow morning.

the rice weevil's little face immediately turned red. " i don't want to. "

"You just said that you wanted to serve me, have you forgotten so quickly?" Lin sisi looked at her and laughed.

Bai suili covered her head with a blanket. I'm going to sleep!

Lin sisi looked at her cowering like a turtle and couldn't help but laugh. She went over and pulled her blanket up evilly.

the rice worm wrapped the quilt tightly.

Lin sisi laughed. you're covering it so tightly. Aren't you afraid of suffocating to death? "

"You don't need to care." The rice weevil's voice was soft.

lin sisi shook her head and walked out. in fact, bai sulli had the temper of a child.

she was stunned.

suddenly, she thought of the past. wasn't she the same? in fact, every girl was a child. it just depended on whether there was anyone willing to pamper her. if there was no one to pamper her, she had to do everything herself.

There were still people who were willing to dote on Bai suili.

lin sisi smiled and left.

after bai sulli heard the sound of the door closing, she quietly got up.

The room was dark and she turned to look at Xiao Bai. She took Xiao Bai out of the box and placed it on her palm, mumbling, " " xiao bai, i saw your father. he's here to look for me. "

her voice was soft and a little silly. " "But I don't want to go home with him. I'm angry."

"xiao bai, am i stupid? i would rather stay here," she said, choking with sobs.

She slowly laid on her knees and looked at little white in her palm. She blinked her eyes and was in a daze.

She didn't want to think about it, but her mind was filled with what had happened tonight and ye Mu Lin's words of "come back with me."

“I don’t want to go back.” She mumbled and repeated it over and over again.

On the other hand, ye Mulin had returned to the apartment. His body was slightly wet, so he went to take a shower. When he took off his clothes, he could still smell a special scent from his body.

he furrowed his brows and sniffed the clothes. then, he threw them all into the trash can.

this clearly had a hint of brother’s taste.

however, when he came out of the shower, he couldn’t help but pick up the clothes and stare at them for a long time. in the end, he still washed them.

although it was late at night, he didn’t go to sleep immediately. instead, he stood in front of the floor-to-ceiling window.

He could see Lin sisi’s apartment from this direction. Although it was far away, he felt a little at ease just by standing there and looking at it.

He stood there the whole night until the morning. His eyes were a little sore, and he realized that it was dawn.

The Auntie opened the door and came in. Seeing him standing there, she smiled and said, ” “Good Morning, lawyer ye.”

Ye Mulin pursed his lips and gave a faint smile.

The Auntie started to work. She had probably asked ye Mulin about some private matters recently, so she was much bolder. She even dared to nag as she worked. lawyer ye, don’t blame me for being a Blabbermouth. You have to find Shirley as soon as possible. This child can’t do anything and is out there. It’s so pitiful.

Chapter 3382: lawyer ye’s man man courting his wife 2

I’ve found her, ” ye Mu Lin said hoarsely.

the auntie's mouth was wide open in shock. then, she walked towards the master bedroom door."Yo, you're back! let me see if you've lost weight."

When she walked to the door, she didn't see anyone. Even the bed was neatly arranged, and it didn't look like someone had slept in it.

"Where's he?" the Auntie suddenly turned around.

Ye Mulin frowned. she wants to stay outside for a while.

"you've been apart for so long. doesn't she miss you?" the auntie looked at him suspiciously.

...

then, the auntie started to complain like crazy. " it's said that there's a quarrel at the head of the bed and the bed will close at the end. you have to bring madam back and make up with her after coaxing and lying to her. "

Ye Mulin smoked and raised his eyebrows at the Auntie.

the auntie looked as if she had been through this before, but her face turned red. " you know what i'm talking about. just sleep for one night! "

Ye Mulin's thoughts started to drift away ...

Just a night's sleep?

He had slept with Bai Sulli last night in the car.

but it was only a minute, or even shorter. yingying, was she not satisfied with him? Did she think that was all he could do?

ye mulin calmly smoked his cigarette, but his expression was already very uneasy. he felt that he had to make things clear. he could not bear such a crime like this.

but it was still quite troublesome with lin sisi.

As he was thinking, the Auntie gently pushed him. "lawyer ye?"

ye mu lin regained his senses and smiled."is there something?"

"when are you going to bring madam back?" The Auntie looked worried.

Ye Mulin suddenly said, " I'll give you her phone number. Give her a call and ask her to come back to get her things. Just tell her that you can't enter the master bedroom. She has the key.

He had given her phone number to the Auntie, and it was Lin sisi who had told him.

the auntie looked at him suspiciously and said slowly, " lawyer ye, don't lie to me. people in the city are full of tricks. do you not want to apologize properly and just want to trick shirley to come back? let me tell you, men can't do this! "

No, Wanwan, no, Wanwan, these two words deeply hurt ye Mu Lin.

he took a deep breath, looked at the auntie, and said word by word, " "i'll prove that i'm good!"

after saying that, she went to take a shower. the auntie was confused, and then she realized-

did lawyer ye have some unspeakable male side of him, which was why he felt so inferior? You're not confident?

The more the Auntie thought about it, the more likely it was. After thinking about it, she secretly added something very nourishing to today's meal. It was even something good that she had brought from her hometown, but she had never had the chance to.

Now was the time for her to show her hand. A married couple's life, love life, especially nightlife and sex life, was a must.

the auntie had happily prepared a sumptuous meal for ye mulin early in the morning. when he came out, he was also quite speechless. he looked at the auntie."I don't have a woman, so I don't need this."

"it's because of nourishment that there are women." The honest Auntie felt that her logic was not wrong, so she said it with a smile.

ye mulin could not help but sigh."i'm fine. i don't have a problem physically or mentally."

The Auntie was still good-tempered. young people are under a lot of work pressure. It's normal to not follow their hearts. It'll be fine after some recuperation.

He didn't want to go against auntie's good intentions. The most important thing was that he didn't want to listen to her nagging, so he ate the deer antler porridge.

however, as soon as he sat in the car, blood started to flow from his nose. it dripped onto his suit trousers drop by drop, which was a shocking sight.

Chapter 3383: Lawyer ye's man man courting his wife (3)

he frowned and made a call to secretary li. " "cancel all my plans for today, no, cancel all my plans for this week."

secretary li was shocked. what happened to the BOSS?

When she asked, ye Mu Lin's voice was very calm."go to the hospital!"

Secretary li was even more shocked. After a long time, he coughed lightly. is it very serious, lawyer ye? "

"i'm getting heaty, my nose is bleeding," ye mulin said calmly.

When Secretary Li heard this, he suggested in a low voice, "Is it because Mrs. Ye hasn't been home for a long time? Should we get her to come back? Maybe Lawyer Ye won't be so angry then?"

...

How did everyone know about Lawyer Ye's divorce? The cleaner saw many printed but invalid divorce papers in Lawyer Ye's wastepaper basket, but the colleagues in the office only dared to discuss it in low voices and did not dare to ask Lawyer Ye.

But now, because Lawyer Ye didn't have a wife, he was so angry. It must be so hard to hold it in!

After Secretary Li finished speaking, Ye Mulin's face darkened. After a while, he asked, "Is this how you guys talk about me behind my back?"

"There's definitely no Lawyer Ye!" Secretary Li coughed lightly.

Absolutely no, it definitely did!

Ye Mulin hung up the phone decisively. He then took out a few pieces of paper to cover his nose and cursed. "What the hell is this!"

His temple was throbbing with pain. He let out a long breath and started the car.

The car drove into Shengyuan Hospital, where the legendary Qin Chen had treated him.

Qin Chen was wearing a shirt and a white doctor's robe. He looked so elegant that the young nurses would secretly send him flirtatious looks from time to time. Ye Mulin's head hurt even more when he looked at him.

After Dr. Qin finished his examination, he leaned against the office desk behind him. It's nothing serious. It'll be solved after a proper sex life.

Ye Mulin wiped the blood from his nose and glared at her. "I have a wife?"

“your wife is with sisi. if you have the ability, you can take her with you.” qin chen smiled.

“why didn’t you tell me earlier?” ye mulin exploded in anger.

Qin Chen had always been mischievous, and he smiled. the busy lawyer ye is looking for a wife? I thought you didn’t need a wife. Besides, you didn’t ask me.

Ye Mulin glared at her. you said that I’m fine just now. However, I feel very uncomfortable. I’m going to stay in the hospital for a week.

Qin Chen shrugged as if he had heard a fantasy story. lawyer ye, don’t waste public resources. You should go and earn money every day.

“but no matter how rich you are, it’s still quite pitiful to not have a wife to warm your bed.” she laughed.

ye mulin could not take it anymore and kept staring at her.

qin chen stood up straight and wrote a note. ” if you’re done, go to the hospital. Also, our hospital has launched a package. It costs one million to contact family members. If we make it big and expand the Media and Publicity, it will cost ten million. Are you buying it? ”

this was simply a black shop.

Qin Chen was ye Muyun’s personal minion.

while ye mu lin was thinking, qin chen was still smiling and said in a very detestable manner, ” “This is my personal business.”

Ye Mulin wrote down a series of numbers.”i choose the one million set meal.”

Qin Chen didn’t take it and sighed. lawyer ye, you’ve misunderstood. If you buy set meal two, you’ll get set meal one for free.

Ye Mu Lin was so angry that his nose started to bleed again.”qin chen, it’s a pity that you’re not an unscrupulous merchant!”

Chapter 3384: Lawyer ye’s man man courting his wife (4)

“We can’t do anything about this, it’s not easy to find a fat sheep,” Qin Chen said slowly.

She paused for a moment. I heard that lawyer ye is really good this time. He squeezed his ex-girlfriend into this business negotiation and won. He raised billions in one go. We don’t have such good skills. We can only rob the rich to help the poor.

ye mulin’s temples throbbed. he had long heard that qin chen was a difficult person to deal with. today, he saw that qin chen was indeed worse than the rumors.

it was a good thing he was a doctor. if he had been in the legal world, how bad would he have become?

ye mulin’s face turned cold and he wrote another check. he only had one request.”i only want package one. don’t alert the media!”

qin chen chuckled and didn’t say anything. he just let the nurse take him to the ward.

...

Of course, ye Mulin could not stay idle in the ward. There was everything here, even a study room. He made the best use of everything and asked Secretary li to send a pile of information over.

After Secretary li came over, he felt that his BOSS’s brain was probably fried.

lawyer ye, sigh, he just doesn’t want a divorce. he made such a big scene just to get his wife back?

If she had this desire to live earlier, she wouldn’t be in the hospital now. Why would she even need to make a divorce agreement?

ye mu lin lowered his head to deal with the documents as he asked,"Did Lin sisi receive the message?"

"what information?" secretary li was stunned.

ye mulin controlled his temper. " go and ask dr. qin. she will understand. "

" oh, " secretary li replied, but he had a bad feeling in his heart.

Sure enough, she went to find Qin Chen. Dr. Qin first served Secretary li a cup of tea and personally made her sit down.

Secretary li was used to seeing lawyer ye's good-looking face. Normally, he wouldn't be attracted to good-looking men, but Qin Chen, Dr. Qin is really good-looking. His every move is noble. Yes, noble.

It made her little heart thump.

She knew that Qin Chen was a woman, but it didn't matter if he was a man or a woman at this moment. The important thing was that Dr. Qin was more beautiful, more handsome, and more noble than a man.

Also, that cup of coffee was really good.

While Secretary li was in a daze, Qin Chen sipped his coffee on the sofa and smiled faintly. " oh, i forgot to tell you, secretary li. i've already sent out the press release. lawyer ye, please rest assured. "

secretary li's heart skipped a beat. " what announcement? "

" it's the statement that lawyer ye and mrs. ye want a divorce and are now regretting their courtship. " qin chen smiled. " it's written by a girl who writes soft novels in our hospital. her writing is pretty good. lawyer ye will be satisfied! "

secretary li's jaw dropped.

She felt that lawyer ye would twist her chin off.

As expected, after she said that, ye Mu Lin immediately shouted, " Qin Chen! This bastard!"

It was really a pity that she had become a woman. Otherwise, she would be even more of a bastard than a man. She felt that there was nothing in this world that she did not dare to do. She knew that once this thing was released, it would cast a huge stone Wave in the Bai and ye families.

He didn't dare to think about Bai Xue Li's situation, or what it would be like.

that was if she was not willing to go home.

Ye Mulin immediately stood up and wanted to look for her. However, he calmed down after a while.

since things have already come to this, why don't we just let it be?

secretary li looked at his boss's expression and didn't dare to speak.

after a long time, he finally said in a low voice,"bring me the manuscript."

Chapter 3385: Lawyer ye's man man courting his wife (5)

secretary li carefully showed him the draft and looked at him eagerly.

Ye Mulin looked at it and his nose started to bleed again.

secretary li hurriedly took out a tissue to wipe his face, and then carefully said, "do you want dr. qin to make some changes?"

“change what? it’s already been sent out, if i change it, do i still want to keep my face?” Ye Mu Lin glared at Secretary li.

secretary li didn’t dare to make another sound and bit her lip.

ye mu lin wiped the blood from his nose and waved his hand. “Alright, alright, you can leave first.”

...

secretary li was still worried and whispered, ” “then, lawyer ye, shall i get you some herbal tea to cool down your anger?”

Ye Mulin waved his hand in frustration, signaling for her to leave. However, before Secretary li was about to leave, he stopped her. “Wait a moment.”

Secretary li turned around.

Ye Mulin coughed lightly and said,”call Bai Sulli and tell her that my life is in danger, Qianqian.”

secretary li blinked. ” it’s quite dangerous to be on fire. ”

“Li qinyu, do you still want to be the Secretary?” ye Mulin glared at her.

“I’ll be scolded even if I tell the truth!” secretary li muttered in a low voice. that careful and aggrieved look actually looked a little like bai suili.

Hence, ye Mulin was stunned for a moment and he stared at her for a long time.

Secretary Li’s little face turned red. lawyer ye, although you are very rich, you can’t be so picky!

“What nonsense are you spouting?” ye mulin snapped back to his senses and shouted in a deep voice, ” call me and tell me that i’m very sick. we need to discuss the inheritance. ”

“Aren’t you cursing yourself?” Secretary li was shocked.

he rolled his eyes at her, and she immediately went to make the call.

after bai sulli received the call, she was silent for a long time. secretary li thought that she would cry and shout over. after all, secretary li felt that bai sulli still loved lawyer ye very much. the way she looked at lawyer ye was also full of pink.

After waiting for a long time, Bai suili only asked in a low voice, “he didn’t die, did he?”

What?

Secretary li was crying for his BOSS in his heart. It turned out that he was not as nervous and treasured him as he thought. To think that lawyer ye was still thinking about him day and night, and even had a nosebleed.

Secretary li thought for a while and coughed. it’s like this. Lawyer ye has been bleeding non-stop since he woke up this morning. Yingluo is now in the hospital, and the rumors outside are quite bad.

bai suili was silent for a while before asking, “did i come here to sign a will?”

secretary li was crying in his heart again. ” just in case. it’s not necessarily true that hanhan will die. medical skills are very advanced these days. ”

“oh,” bai suili replied.

Just when Secretary li felt that she didn’t care about lawyer ye at all, the rice weevil asked again in a hoarse voice, ” “will he die?”

Secretary li was stunned. Was she crying?

she was at a loss for a moment. she didn’t know how to coax a girl, so what could she do?

on the other side, the rice worm was crying sadly. as it cried, it wiped its snot.”i’ll be there in a while.”

secretary li finally heaved a sigh of relief. he still cared about this.

She immediately went to the ward to report the good news, but as soon as she entered, she was stunned.

her big BOSS was leaning against the bed with a beautiful nurse in front of him. her big BOSS was having a nosebleed ...

qin chen was also at the door, taking a picture with his phone. ” perfect! this photo was very valuable. it’s an OPPE phone, simple and perfect, and exceptionally clear!”

Secretary li felt dizzy as she watched. Should she snatch the phone or pretend that she didn’t see it?

Chapter 3386: Lawyer ye’s man man courting his wife (6)

qin chen came over and patted her shoulder, smiling. ” “we’ll split the profits.”

Secretary li stared at her, her eyes fixed.

Qin Chen chuckled and left with his phone.

secretary li’s heart was still beating fast. at this moment, the beautiful nurse came over and patted her shoulder. she smiled and said, ” “Please don’t fall in love with Dr. Qin, okay?”

Secretary li looked at her, and the nurse smiled again. “Because doctor Qin belongs to all of us.”

he waited for her to leave.

...

Ye Mu Lin rolled down his sleeves and said unhappily, "this isn't a hospital. It's a group of demons and ghosts.

"Demons and ghosts, you still want to stay here." Secretary Li complained in a low voice.

Ye Mulin did not argue with her and asked, "Did you make the call?"

Secretary Li nodded and looked at him carefully. "Lawyer Ye, Mrs. Ye said she'll be here in a while.

Ye Mulin immediately lay down. "Do I look like a patient to you?"

"It doesn't look like it." Secretary Li shook his head and said, "he looks like a dragon horse." He was like a beast, the kind that was not satisfied.

Ye Mulin rolled his eyes at her but did not say anything. He asked her to bring the notebook over.

He waited for a long time, but Bai Sulli didn't show up. Bai Sulli didn't take a taxi and it took an hour to get here from the apartment by bus. So, Ye Mulin stayed up for an hour and had a nosebleed twice.

As soon as Bai Sulli arrived at the hospital, she was invited to Qin Chen's office by a nurse to educate him.

Of course, Qin Chen came to talk as Ye Mulin's attending doctor and spiritual tutor. After the talk, Bai Sulli walked out as if she had been frosted.

At this time, Qin Chen sent a WeChat message to Ye Mulin. There was no text, only a photo that asked if it was worth ten million.

Ye Mulin almost vomited blood again when he saw the photo of him spitting blood at the nurse.

This is a black shop!

he immediately asked secretary li to do it. secretary li's heart didn't ache at all. instead, she thought that qin chen was amazing. her BOSS had to work hard for a few months to earn a big case, but doctor qin was specialized in dealing with these big bosses. he saw that lawyer ye's face was so dark, but he still wanted to give money to qianqian.

just as he finished walking around, bai suili pushed the door open and came in.

she was dressed very plainly. just like that night, she was wearing a white tracksuit with a hoodie and a pair of black pants. her sneakers were simple and not branded. lin sisi had bought them for her from a super-commercial store. it could be said that she was very shabby compared to her past.

However, she seemed to be used to it. She walked in naturally and didn't feel anything wrong.

Ye Mulin's eyes were a little hot and his heart ached as he watched.

When did she become like this? in order to divorce him, she really did not want anything.

"You're here?" he smiled bitterly.

Bai suili bit her lip. I'm here to talk about divorce.

"What did you say?" ye Mulin frowned.

bai suili's voice was very soft. "i've asked dr. qin, and she said you might die. she also said that zhenzhen's reputation is better after a divorce than a widower. if you die and we don't get a divorce, it'll be difficult for me to find someone to take over. "

ye mulin glared at her. then, two streams of blood flowed down from his nose. he did not care and continued to stare at her.

however, secretary li, who was at the side, quickly helped him cover it with a tissue." lawyer ye, don't get angry. I said that you can't get angry. It's bad for your liver.

Chapter 3387: lawyer ye's man man courting his wife (7)

Ye Mu Lin ignored Secretary Li and only looked at the rice weevil. "You came just to say this?"

Bai Suili looked at him, her eyes filled with tears. "I don't know anything."

Ye Mulin stared at her for a long time before he asked softly, "you're here to take care of me?"

Bai Suili didn't say anything, only lowering her head. After a long while, she finally raised her eyes, "ye Mulin, will you die?"

Although these words were not pleasant to hear, Ye Mu Lin felt very pleased when he saw that she was about to cry. He asked her softly, "why do you ask?"

"Doctor Qin said that you're bleeding non-stop and that you won't live long." The rice weeper said Qin Chen's original words.

...

Secretary Li, who was standing at the side, was about to vomit blood. Dr. Qin really did his best to get 20 million yuan.

However, wasn't lawyer Ye's rice weevil a little too easy to trick?

The rice worm still looked at him with tears in its eyes. After a while, it said softly, "Doctor Qin said so."

Ye Mulin pinched his nose and looked at her. "It's not very good, Yingluo."

Secretary Li's eyes widened. Was it really good for lawyer Ye to be like this?

However, it was effective on the rice weevil. As she looked at it, tears fell from her eyes. She bit her lips, and her white teeth almost broke them. "Then why don't you ask Ai Wei to take care of you?"

Ye Mulin gave Secretary Li a look-

what kind of situation is this? why are you still standing here?

Secretary Li received his signal and immediately left, even closing the door behind her.

In the quiet ward, Ye Mulin washed his face and said softly, "She's not my wife, why would I let her take care of me?"

"She enjoyed your body, so she has to take responsibility." The rice worm said anxiously.

Ye Mulin felt an itch on his nose again, but he held it in and coughed lightly. You're the only one who's ever enjoyed my body as one. Don't you think you should take care of me?"

She glared at him with watery eyes, but she did not say a word.

"Bai Sulli," Ye Mulin sighed, "you're still angry at me at this time?"

She seemed to hesitate for a long time before she said softly, "What about the divorce?"

His heart ached when he heard that. She was still thinking about this!

He smiled bitterly. Don't worry. If I feel like I can't make it anymore, I'll sign my name and set you free. By then, you won't be a widow.

"Really?" She looked at him worriedly.

Ye Mulin lowered his eyes, "When have I ever lied to you, Yingluo?"

"You said you're working overtime, but you're eating with Ai Wei. You're lying to me."

For a moment, he could not find any words to refute.

After a long while, he sighed. if you don't want to take care of her, then go back. I'll still sign the agreement when Hanhan can't make it. Besides, I'll leave all my assets to you.

Bai Sulli reached out her hand. I don't have money for a taxi. Can you take out a hundred dollars from your inheritance for me to take a taxi? ”

he glared at her.

did she just say inheritance? did she really want him to die so badly?

The rice worm probably knew what he was angry about and quickly changed her words.”I'm talking about property!”

The tone of her words sounded like she was acting coquettishly. Even ye Mulin's heart fluttered and he lost all his anger.

Although he had hugged her last night, he still wanted to hug her when she spoke like this. It was just a hug, even if it was just a hug and a kiss.

Chapter 3388: lawyer ye's man man courting his wife 8

now that she was standing in front of him, he felt that he missed her very much.

he had indeed hugged her.

He held her in his arms and felt that she had lost weight. She didn't always smell like perfume, but only had her own scent. It was refreshing, and it made one's heart ache.

He pressed his lips against her neck and murmured, ” don't go, Shirley. Stay with me.

He buried his face in her neck and sniffed her breath ...

Only then did she realize how bitter lovesickness was.

...

he missed her, he missed her very much.

however, the rice weevil had misunderstood. she thought that he wanted her to accompany him for the last time.

she remembered what qin chen said. he said that ye mulin had a terminal illness and probably wouldn't recover. she had to prepare!

She didn't want to feel bad for him because he was so evil and always forced her.

he had gone to hong kong with ai wei. he had used everything to make her sad. he only had money in his eyes. he was a profit-seeking lawyer, so she had nothing to miss.

However, she still felt a little sad. Would such a powerful man die of embarrassment?

her heart softened, but she didn't say anything.

Ye Mulin held her tightly in his arms and caressed her hair. Shirley, I won't treat you like that anymore. I'll cook for you every night, okay? "

When Bai suili heard this, tears rolled down her face. you're already like this, and you're still cooking? "

she was silent for a while before saying in a low voice, " "Give me 100 yuan, I'll go and pick up little white."

Ye Mu Lin could not believe what he had just heard. He wanted to ask her but he said, " "i haven't forgiven you yet. You still have to get a divorce."

"Alright," he looked at her and smiled.

he took out 1000 yuan from his wallet to give her a taxi, but she only took 100 yuan and ran away.

Ye Mulin looked on quietly, his heart aching.

secretary li came in and closed the door. " lawyer ye, i saw mrs. ye running away in tears just now. "

ye mulin opened his laptop and paused for a moment before saying,"she thought i didn't have much time left, so she was willing to come to the hospital to accompany me."

Secretary li hesitated for a moment. I don't think that's a good idea. I saw her crying very sadly.

ye mulin looked at secretary li and said in a soft voice, " " then you want me to give up such a good opportunity and continue to live without a wife? "

secretary li only dared to whisper. " even so, you can't do this without a bottom line. you'll get angry if you know. "

Ye Mulin did not say anything.

because she couldn't resist the sugar-coated poison that qin chen fed her.

however, he waited from now on. after waiting for two hours, she still hadn't returned. thus, he became more and more impatient. he couldn't handle his work anymore and felt that there was something wrong with this place.

secretary li just looked up at the sky. you were the one who insisted on staying here.

Instead of Bai suili, father ye scolded her.

on the phone, father ye's words were very strict. " "Mu Lin, why didn't you tell me that you and Xue Li have been fighting for so long? do you know that your feelings are not just between the two of you, but also between the bai and ye families?"

Then, he said a lot of important things. Ye Mulin thought that his father's stand would be firm, but in the end, he suddenly changed the topic. forget it. We don't know what will happen in the future.

Then, he hung up.

ye mu lin's expression darkened.

With his sharp eyes, the Bai and ye families did not seem to be as close as before. Otherwise, his father would not have let it go with a scolding.

Chapter 3389: Lawyer ye's man man courting his wife (9)

just as he hung up the phone, the door of the ward was pushed open. he thought that bai suili had returned, but it wasn't.

It was Ai Wei.

Ai Wei was holding a fruit basket in her hand, the very high-end kind. She was still the same as before, wearing a high-end suit and the most fashionable perfume.

The gloominess on ye Mulin's face had yet to disappear. Seeing that it was her, he was too lazy to deal with her. He leaned against the bed and asked, " "why are you here?"

"I'm here to see you. After all, you're seriously ill, aren't you?" There was a hint of mockery in Ai Wei's tone. what, you can't even let an old friend visit you? lawyer ye, you're so heartless to your old friend. A photo can make me lose the right to negotiate and you've easily earned billions. You must be very proud now. Why did you return the money to the hospital? "

she laughed again. " let me guess. it must be your wife. by the way, how could you let her see the photo after what you did? "

...

on the other hand, secretary li was amused.

This time, she was on lawyer AI's side.

lawyer ye was too despicable. he bullied mrs. ye like she was a child and even used the beauty trick for a man's career. he was really despicable.

However, when Secretary li thought about the generous reward of 100000 Yuan this month, she felt that lawyer ye did not do anything wrong!

ye mulin glared at ai wei. "if you didn't dress like that, would i have a chance?"

ai wei was even angrier. "you clearly know that i'm the only one who can keep you in check. how can those foreign lawyers know you as well as i do?"

"if it were you, you wouldn't be able to change the result either. i just want it to end earlier." ye mulin said impatiently, "take your things and leave now."

ai wei was a little embarrassed. she had not expected ye mu lin to be so heartless.

ye mulin looked at her and said in a soft voice, "Is it hard to understand? think about what you and Bai Sulli said. ai wei, i don't need you to meddle in my marriage. i'm telling you this one last time, no matter what happens between me and bai sulli, i won't be with you."

ai wei almost couldn't stand still, and her voice was trembling. "You're telling me everything because you're no longer useful to me, right?"

"I thought that you would understand me a little and would no longer have any thoughts about me. ai wei, it's much easier to be an old friend than a lover, isn't it?" he looked at her and smiled.

Ai Wei understood from this moment on that no matter how good she looked, how much perfume she sprayed, or how sexy her pajamas were, she did not have any feminine qualities in front of ye Mulin. He had never taken her seriously.

She was a little sad and didn't even know what to say.

at this moment, the door of the ward was pushed open, and bai suili was standing at the door.

She could not see Ai Wei from her angle. She only looked at ye Mulin and said pitifully, he gave me 100 yuan for the taxi, but I told him to keep the change. So, I didn't have money to take the taxi when I came back, and I took the wrong bus.

his tone was like that of a stray puppy, pitiful.

Ye Mulin looked up and said in a low and hoarse voice, ” “That's why you're only here now?”

she hummed in acknowledgment and walked in to take out little white. ” “but i didn't leave xiao bai on the bus.”

There was once when she took the bus and fell asleep, and Xiao Bai had forgotten about it.

she chased after the bus for three stops and the skin on her feet was torn. that was the worst moment of her life.

After that, when she found Xiao Bai, she hugged him and cried for a long time.

It was only then that she realized that she was nothing without the Bai family and ye Mulin. She had no home to return to.

after she finished speaking, a trace of heartache flashed across ye mulin's eyes, which was caught by ai wei.

Ai Wei thought bitterly in her heart, so that's how it is!

It wasn't that he wasn't interested in all women. At least, he liked Bai suili.

ai wei smiled bitterly and was about to leave.

at this time, bai suili also saw her and instinctively took two steps back.

...

Bai Sulli, " ye Mulin said in a deep voice, " if you dare to walk away, I'll break your legs and throw little white into the pot.

with tears in her eyes, she said, " ye mulin, i hate you to death. "

She turned around to leave, but he still caught her in two or three steps. With one hand in his arms, he looked at Ai Wei."I won't send you off."

Ai Wei was thoroughly humiliated and prepared to leave with a cold face.

bai suili spoke softly behind him,"you're taking the fruit basket away?" Isn't she here to see a patient?"

"it's lawyer ye who doesn't want it," ai wei held back.

"i'm hungry." the rice weevil rubbed his stomach. I've been starving for half a day."

ye mulin knocked her head. " why didn't you say so earlier? "

It was already quite late when she came over in the morning. Did she run back and forth for two hours on an empty stomach?

she didn't say anything and just looked at him.

Ai Wei couldn't stand this kind of little white rabbit, so she stuffed the fruit basket into her arms. here you go.

she couldn't understand how a family like the bai family managed to raise such a weirdo. she was supposed to be a ruthless character, but why did she seem like a punching bag instead? ye mulin even pampered her like a treasure.

When she left, she glared at Bai suili.

the rice weevil watched as she slammed the door shut and opened the fruit basket. he washed an apple and ate it before looking at him again. "is she angry from embarrassment?"

Ye Mulin ignored her and ordered Secretary li to buy a lunchbox.

After Secretary li left, he looked at the Apple-eating rice weevil. "Can't you be more mature? You eat anything that belongs to anyone!"

He was furious. ai Wei's last glance was mocking him.

Bai suili said in a low voice while gnawing, "I've already gotten over it."

He looked at her unhappily, not daring to expect her to say anything good.

as bai suili gnawed, tears fell from her eyes."Actually, it doesn't matter if Yingluo has slept with you or not. Anyway, Yingluo won't live long, so there's no point in arguing about this."

he was angry and amused at the same time. so, all her magnanimity was because she thought he was going to die.

He was so angry that he didn't know what to do. The one who was eating the Apple said that he was hungry, threw the Apple to the side, and came over to hug his waist, burying his face in his arms."Ye Mulin, I will definitely take good care of you before you die (so that your inheritance will be well spent)."

she was so sad that her tears were falling. no matter how angry he was, he couldn't scold her.

besides, he hadn't been hugged by her like this for a long time. he missed it.

In his arms, Bai suili said softly, "it's fine if you still want to have multiple wives before you die. i can get ai wei back. you don't have to be so depressed."

Ye Mulin's face instantly darkened and he pushed her away.

She looked at him with tears in her eyes.

"before i die, i only want you to be with me." ye mulin gritted his white teeth.

after he finished speaking, he pulled her into his arms again. this time, he seemed to have some ill intentions.

He kissed her and lowered his head to kiss her passionately. His intention was obvious. He wanted to take her to the bed.

She wanted to reject him, but when she thought about how he was going to die soon, she held back and obediently raised her little face to let him kiss her.

her face was fair and clean, unlike before when she used to put on the most expensive skincare products every day. however, because she was young, her skin was still very good, and she was less charming and more innocent.

just looking at her like this, he felt a little excited and wanted to hug her.

He cupped her small face and looked at her carefully. His fingers also gently stroked her delicate little face, and his voice was particularly low. "bai xue li, have you missed me these days?"
