

## Thank you 341

Chapter 341 I'm posting it on my moments (2)

pei qiqi took tang xin to the supermarket. it was tang xin's first time here and she felt very fresh.

She even asked PEI Qiqi to push her like she was pushing a child.

pei qiqi pinched her face and agreed.

Tang Xin stood in the car and commanded, shouting excitedly, " Qiqi, go there and take a look. Look, the chilies there look so beautiful. he

"you actually know that it's a chili!" PEI Qiqi smiled and took a box.

After that, she picked some seafood, meat, and vegetables, which made Tang Xin drool.

"Qiqi, are you really going to cook for me?" tang xin said in a low voice.

pei qiqi acknowledged and focused on picking things. in the end, she even bought some daily necessities for tang xin.

Tang Xin was a child and was forced to use the Princess series before. She had long been tired of those pink ones, so she chose some cartoon ones.

she liked bunnies the most.

PEI Qiqi satisfied her. She's just a child, Wanwan.

for some reason, pei qiqi's heart softened when she saw tang xin's happy face.

It was as if she was happy, and he was happy ...

she shook her head and laughed at herself for being a coward.

He pushed Tang Xin to the living area and saw someone he shouldn't have seen when he wanted to pick out slippers.

tang yu and sun feifei were there as well. sun feifei's fingers were wrapped around his arm and she was holding a pair of pink slippers. she was looking up at tang yu as if she was asking for his opinion.

PEI Qiqi stopped in her tracks.

tang xin called her brother, but she didn't seem to see sun feifei.

tang yu's eyes looked over and swept across pei qiqi's face. in the end, his eyes landed on tang xin and he asked lightly, " "Why did you come out?"

Tang Xin was a little angry. When Qiqi was with her brother, she would throw herself at them now. Anyway, whether it was Qiqi or her brother, she could always hug one.

But now, Sun Feifei was clinging to her brother like an octopus ...

"i want to spend the new year with qiqi." Tang Xin pouted. there's no one around Qiqi. How can I not accompany her? "

She was also angry with Tang Yan. brother, you should accompany someone else. Qiqi will be fine with me.

in the past, if she was angry, tang yu would at least try to calm her down. but this time, tang yu actually nodded, " that's good. i'll pick you up when the time comes. " also, i told your mother that you were here."

was he trying to make her feel at ease?

Tang Xin didn't achieve her goal, so she bit her small mouth and sulked.

pei qiqi's eyes were a little dazed. she looked at him the whole time and forgot about her surroundings.

Tang Yu acted like he didn't see PEI Qiqi. He looked at the slippers in Sun Feifei's hands and said calmly, " "I'll take this pair!"

sun feifei's face immediately blushed as she mumbled, "

The two left, and their love made Tang Xin very unhappy, " Qiqi, forget it. Find a man better than my brother in the future.

PEI Qiqi lowered her eyes and smiled, " let's go!

In this city, he might see Yingluo and the others often! she thought she should get used to it.

However, when they reached the counter, PEI Qiqi still wasn't used to Yueyue.

she ran into tang yu and sun feifei again. they seemed to be waiting for the bill. sun feifei stood in front of tang yu. tang yu put one hand on her waist and the other hand naturally reached over and took two boxes.

PEI Qiqi was even more dazed. She stared at the thing in his hand and didn't come back to her senses for a long time.

Although she knew that they would have sex sooner or later, she didn't expect it to happen so soon.

She felt sour in her heart, but another voice said to herself, " "PEI Qiqi, didn't you choose this yourself?"

Yes, it was her own choice.

She lowered her eyes and refused to look!

After she paid and took the things down, Tang Xin walked beside her in silence.

Obviously, Tang Xin also saw it.

"qiqi." tang xin called her in a low voice and pulled her sleeve.

pei qiqi forced a smile,"i'm fine." carrying the things and walking straight ahead, tang xin's mouth was wide open behind her, and then she covered her eyes.

Dong! PEI Qiqi hit a wall of people. What's more, she heard a familiar sound.

she looked up and was stunned to see his handsome face.

she had a beautiful chin, a strong adam's apple, and a little hickey on yingying's face.

hickey?

PEI Qiqi's mind flashed as if she remembered something. She remembered that ball of fire-like heat.

however, she immediately felt dejected. it was left behind by sun feifei, right?

she was a little dazed. she couldn't move her eyes away and didn't move her body. only she knew that her legs were soft.

He couldn't move at all!

tang yu courteously helped her up and pushed her away from him. it was like he didn't notice her gaze.

then, he looked at tang xin, "i'll pick you up tonight."

Tang Xin was a little anxious when she heard this. Didn't they agree to let her stay?

Just as she spoke, Tang Yu was already walking towards Sun Feifei. The two of them got into the car. Before sun Feifei got in, she turned around and smiled at PEI Qiqi.

Tang Xin squeaked unhappily, "that woman is so insidious. It's like she's showing off.

she snorted softly. if it wasn't for her qiqi who didn't want him, how could that wooden beauty sun feifei have a chance?

PEI Qiqi didn't say anything. She carried her things to her car. Before starting the car, she looked at Tang Xin and said seriously, "your brother made his own choice. Don't ruin it.

tang xin wanted to say something, but she swallowed it down in the end.

after they went back, pei qiqi quietly cooked. tang xin could feel that she wasn't in a good mood so she tried to make her happy. however, pei qiqi only smiled and teased her.

Qiqi, I think you like older brother. tang xin suddenly said with certainty.

As she spoke, she stared straight at PEI Qiqi as if she wanted to confirm.

pei qiqi's fingers paused for a moment. then, she looked at tang xin and smiled without saying anything.

tang xin jumped down from the counter and wrapped her arm around her, "qiqi, is it?"

PEI Qiqi pursed her lips, "nonsense.

Tang Xin moved her body over and said childishly, "qi qi, do you dare to look at my eyes? If you dare to look at me for more than a minute and say that you don't like big brother again, I'll believe you."

"Boring." PEI Qiqi didn't want to play such a childish game with her.

tang xin pestered her, "qi qi, you're so cute."

pei qiqi ignored her, so she jumped left and right like a little monkey.

while they were playing around, pei qiqi's phone rang. she wiped her hands, "tang xin, you're going to make a fuss. the matter between your brother and i is over. "

He walked towards the living room while talking, and Tang Xin followed him like a shadow.

pei qiqi looked at the incoming call and hesitated. should she pick up qianqian because it was tang yu?

Chapter 343-refined scum

Tang Xin pinched her throat and imitated what she just said, "Tang Xin, your brother and I are over.

pei qiqi patted her hand and glared at her. then, she picked up the phone, "is there something?"

Her tone was very indifferent, and the voice on the other side was even colder. "address!"

ah? She was stunned for a moment and he seemed to be impatient, "your address, I'll pick Tang Xin up later.

tang xin also heard it. brother xuxu, who was quite disappointed, had promised to let her stay here for a few days.

pei qiqi was also surprised. she looked at tang xin and finally gave her the address. (Mr. Tang is really pretentious. He's already been here for a night and he still says he doesn't know the address!!!)

As soon as he finished speaking, the other party hung up the phone without mercy.

pei qiqi held onto her phone. actually, she was afraid. she was afraid that tang yan would bring sun feifei over. if that happened, how would she be able to take it?

tang xin pouted her little mouth and lay on the sofa, pretending to be dead.

Tang Xin, listen to your brother. PEI Qiqi was helpless too. Her relationship with Tang Yu was tense and she couldn't speak up for Tang Xin. Besides, if she forced Tang Xin to stay here, it would make her seem like she had bad intentions.

Tang Xin's voice was muffled and unclear.

PEI Qiqi looked at her and her heart softened. Tang Xin was still a child.

"at least we can have a good meal," she patted her.

Tang Xin probably didn't want PEI Qiqi to feel bad, so no matter how disappointed she was, she still got up and stuck to PEI Qiqi.

It was already six O'clock in the afternoon when dinner was ready.

There were four stir-fried dishes, two cold plates, and a soup pot on the small table.

although it was a home-cooked dish, it looked delicious!

tang xin also forgot what happened before, and her little hand secretly picked up a piece of kasaya.

PEI Qiqi patted her, "eat with chopsticks.

tang xin stuck out her tongue and asked while sitting, "can i have some wine? "

PEI Qiqi glanced at her, "are you an adult?"

tang xin lifted her chicken breast, "pei qiqi, you're not much older than me."

PEI Qiqi found it funny. As she laughed, the doorbell rang. She was stunned for a moment before she realized something.

he looked down at the time and saw that it was only a little past six.

did he come to pick up tang xin now?

He glanced at Tang Xin, who was curled up like a little mouse, and shook his head, "I'll open the door."

when she opened the door, it was indeed tang yu.

he had already changed into a new set of clothes. compared to when he was with sun feifei in the afternoon, he looked more relaxed now. he wore a black coat over his high-collared gray coat. the only thing that didn't change was his long, straight, and strong legs that couldn't be ignored.

pei qiqi lowered her eyes, "are you taking her away now?"

She couldn't make Tang Xin stay, but she hoped that Tang Xin could have a meal with her.

today was new year's day and she had no family. tang xin was her only family.

she thought he would answer, "yes," or "no."

however, that was not what he said. he asked her in a low voice, "What about you? do you want me to take her away or not?"

PEI Qiqi raised her eyes and looked into his deep, dark eyes. She didn't say anything for a long time.

His long legs had already stepped in, and Tang Xin sighed, "brother, look at how delicious Qiqi's food is."

She looked at Tang Yu pleadingly and didn't want to leave.

tang yu actually sat down at the dining table. he looked at it and then smiled, "it's not bad."

pei qiqi was still standing at the door. she turned around and looked at him, not understanding what he meant.

Chapter 344 refined scum (2)

"You don't mind if I join you?" He said very indifferently, without any emotion.

but when he looked at tang xin, his eyes were warm.

pei qiqi felt a wave of weakness and mumbled that he wanted to eat with them?

Today was the new year!

was he sure he wasn't going to accompany his mother or sun feifei?

she didn't move. tang zheng frowned. "miss pei?"

these three words pulled the distance between them apart.

PEI Qiqi walked over, " I'll help you get the food.

tang xin cried out, " i want to drink. "

as soon as she finished speaking, tang yu glared at her. tang xin didn't dare to say another word and just curled up like a pitiful little girl.

PEI Qiqi didn't know why, but she felt like a hen protecting her chick. She looked at Tang Yu, " you don't have to be so fierce to her.

"what does it have to do with miss pei that i'm disciplining my sister?" He looked at her with a cold gaze.

pei qiqi pursed her lips, " it doesn't matter. but this is my house. "

tang xin secretly gave her a hundred likes. qiqi was the first one who dared to challenge her brother's authority so publicly.

However, PEI Qiqi's courage was limited. After she finished speaking, she ran into the kitchen.

Without anyone to back her up, Tang Xin was very careful, for fear of angering the devil.

"you want to live here?" tang yu's tone was calm like he was asking casually.

tang xin immediately nodded like a puppy.

Tang mo glanced at her and didn't say anything.

Seeing that he didn't say anything, Tang Yu's courage grew again. PEI Qiqi came over with food and she asked for alcohol again.

PEI Qiqi thought about how Tang Xin was going to leave in a while. After some thought, she ran over and got a bottle of red wine.

"qi qi, you drink too." tang xin didn't dare to drink it alone. her brother was right beside her, staring at her like a wolf!

pei qiqi poured a small cup for herself but didn't pour it for tang yan. he had to drive later. (she didn't even know that she was the one he was thinking about!)

the atmosphere was still uncomfortable, but fortunately, tang xin had enough to say.

The man and woman, one eating and the other sipping wine, drank too much.

tang xin knew her body well, so she only drank half a glass before putting it down. on the other hand, pei qiqi finished the entire bottle of red wine.

as tang xin was talking, she saw pei qiqi's red face.

"qi qi, your face is so red." Tang Xin touched her carefully, a little worried.

"Red wine won't go bad." tang yu looked at his sister and then scolded, " "i'll help her in after i'm done."

tang xin was stunned. " i'll help qiqi in. " she didn't dare to finish her sentence.

Tang mo looked at her.

“big brother already has a girlfriend,” she said boldly.

tang yu didn’t move, ” you’re afraid i’ll take advantage of her? ”

tang xin nodded hard, like a little wolfdog protecting its master.

“you’re thinking too much,” he brought out his authority as an older brother. ” clean up. ”

Tang Xin looked at this. Was her brother not going to leave?

she pursed her lips and started to negotiate. ” “If You Let Me Stay, then let big brother help Qi Qi in.”

tang mo looked at her in a daze.

“I know you just want to take advantage of Qiqi. You don’t like sun Feifei at all.” Tang Xin shouted.

sometimes, one had to admire a child’s intuition! Every word he said was accurate.

tang yu didn’t say anything. he didn’t admit or deny it. he just carried pei qiqi and walked towards her bedroom.

Chapter 345 refined scum (3)

tang xin wanted to scream, but she didn’t dare to.

what? it was her and qiqi who were celebrating the new year. why did it change to brother?

Her brother had a girlfriend. How could he be alone in the same bedroom with Qiqi?

tang xin thought about it and was still worried, so she tiptoed to pei qiqi’s bedroom door. she quietly opened the door a crack and peeked at qianqian.

he was completely stunned!

What was her brother doing?

she saw her brother kissing qiqi, and she was dazed.

brother had a girlfriend, but he kissed qiqi!

tang xin only dared to take a look and didn’t dare to look anymore.

she had a feeling that if her brother found out that she had peeked, he would skin her alive.

Tang xinzi left to clean up.

In the bedroom, Tang Yu exhaled with much difficulty and left PEI Qiqi’s mouth.

perhaps it was because she had drunk alcohol, but her entire body was soft.

tang yu’s eyes looked like they were on fire. he looked at her with narrowed eyes and even his breath was sweet. his small body was moving up and down because he had difficulty breathing.

tang yu couldn’t help but lower his head again and kiss her on the lips. he didn’t dare to kiss her too hard. instead, he just kissed her lightly, over and over again, as if he was treating her like a treasure.

she had drunk too much, but she was still a little sober.

who was he?

tang yu?

why did he kiss her?

he already had sun feifei, but he still treated her like this. what did he take her for?

her little hand struggled a little, but she couldn't break free. she couldn't avoid his kiss, so she was a little anxious and reached out to hit his face.

At that moment, the air seemed to have frozen. She turned her little face to the side and panted heavily.

there was a sense of embarrassment in the air. she didn't want to look at him, so she turned her small face away. she was more or less awake, but the more awake she was, the more embarrassed she felt.

PEI Qiqi didn't want to cry, but her eyes couldn't help but tear up. However, her tears didn't fall.

One moment, he seemed to be drunk, and the next moment, he seemed to be more awake.

Tang Yu angrily pressed down on both of her hands and continued to kiss her.

This heartless little thing had only kissed her once, yet she had used force on him!

PEI Qiqi's eyes widened. Under her gaze, he kissed her gently.

Their fingers were intertwined. PEI Qiqi struggled helplessly but she couldn't break free.

she felt even dizzy. she couldn't tell if this was real, fake, or a dream.

no matter what tang yu did, he had to take into consideration that tang xin was there. he reluctantly left her lips. he felt that he was quite despicable. he made her drunk just to kiss her!

He propped himself up and caressed her red lips with his long fingers. He stared at her red lips for a long time and couldn't help but kiss them for a while.

He raised his hand and looked at his watch. It had been about ten minutes.

She rolled to the side to calm herself down, then tidied her clothes and walked out.

Tang Xin sat on the sofa, holding a pillow, and watched her brother come out, dressed neatly ...

she thought of a phrase-a beast in human clothing!

tang xin's long hair was let down and draped over her shoulders. she was holding a pillow and looked very fragile.

Tang Yu coughed and walked over. watching TV? "

"big brother, are you not planning to leave either?" Tang Xin asked him carefully.

Tang Yu sat down casually and swept his long arm to bring Tang Xin to his side. He hugged her with one hand and reached out to rub her face. &Nbsp;

tang xin's eyes widened!

She knew it!

Brother still likes Qi Qi!

Chapter 346.1! worse than! beast

Tang Yu very naturally changed the channel and then pursed his lips, "you and Qiqi seem to talk about everything?"

Tang Xin crawled over carefully and half-knelt beside him. She put her hand on his leg and held her chin, "I won't say anything I shouldn't say, such as you kissing Qiqi.

tang yu lowered his head and looked at his sister. his eyes were full of threat.

tang xin shrank a little, "i promise i won't say it, but brother, i'm sorry."

Tang Xin suddenly stopped talking and stared at Tang Yu's neck-

his gaze became extremely strange.

she touched it with her little hand and then bit her lip. "it still won't work. you've been bitten by a vixen. qiqi can't be with you."

tang yu chuckled and touched his neck. then, he chuckled, "tang xin, how did you know it was a vixen?"

"it can't be qi qi!" tang xin pouted her little mouth and said with some dissatisfaction.

Tang Yu smiled but didn't say anything. Tang Xin suddenly looked up and was stunned.

no way? Was it Qi Qi who bit him?

tang yu's fingers patted the back of her hand, "just now, you said that you shouldn't say it and that you won't tell anyone. do you remember?"

Tang Xin swallowed her saliva and nodded after a while.

she remembered!

her brother was too evil. previously, she had only thought that he was a beast, but now, she felt that he was worse than a beast!

"If you say anything, I'll send you back right now." The older brother was bullying the younger sister.

tang xin nodded with tears-

boohoo, big brother is too bad!

Tang Yu pressed Tang Xin's little head into his arms, "let's watch TV. After that, we'll go to bed early.

She didn't want to sleep early. She wanted to sleep with Qiqi.

But Tang Xin didn't dare say it!

She looked at her brother, the devil, with puppy eyes!

At 9 am, Tang Yu said, "take your medicine and go to sleep."

tang xin was a little touched. she held his big palm with her small hand and said in a low voice, "brother, am i not going to live long? "

"Nonsense," he patted her little head. " it can be cured. isn't she fine now? "

Tang Xin sniffed, " I heard mom and dad quarreling. Mom said I wouldn't live past twenty.

Tang mo frowned and felt a layer of anger towards Zhao Ke.

How old was Tang Xin? she was already very scared of this disease, but she still said this.

tang yu's heart softened a little. he reached out and patted his sister's head, " silly girl, you just need to wait for the right bone marrow and you can be cured. "

Tang Xin pouted, then hugged her knees, her eyes hurt, " brother, I've waited for so many years, but I didn't get to see you. Is it because I can't? "

He smiled and pressed Tang Xin into his arms.

"Brother, can you give me a kiss?" tang xin looked up at him, " maybe i won't be able to wait for my future boyfriend. brother, give me a kiss. " i'll just take it as i had a boyfriend before!"

tang xin pestered him pitifully.

in fact, tang yu's mood was also a little heavy. he liked tang xin, but he didn't take care of her enough.

at this time, he couldn't bear to reject her wish, so he kissed her forehead lightly and said in a hoarse voice, " our tang xin will get better. "

tang xin groaned and lay on his lap, not saying a word.

her brother had never doted on her like this before. at this moment, she felt very happy!

tang xin's little face was close to tang yu's and her little hands hugged him, " brother, from now on, we and qiqi will always be together, okay? "

she didn't hear what tang yu said clearly.

[ good night. ]

Chapter 347 even worse than a beast (2)

Tang Xin was a little sleepy. Tang Yu didn't have the heart to wake her up, so he quietly went to the guest room and found her small backpack. He took out the medicine from it and poured some water for Tang Xin to take the medicine.

tang xin called her brother in a daze.

"big brother is here!" He smiled warmly and carried her to the guest room.

after putting tang xin on the bed and taking off her jacket and pants, tang yu did all this as if he was taking care of a kid.

His heart even softened a little. Would his child with Qiqi be like Tang Xin in the future?

Qi Qi was not boring by nature, but the environment she grew up in was somewhat distorted, so she was a little cold to outsiders.

he covered tang xin with the quilt and sat for a while before getting up. when he left, he heard tang xin's voice, " qiqi, i don't want to go back. "

Tang Yu laughed in his heart. He didn't know why Tang Xin liked Qiqi so much.

He turned his head and wanted to comfort Tang Xin, but when he turned his head, he was a little stunned.

because tang xin was drooling!

He's already so big, and he's still drooling?

Tang Zheng shook his head, took a paper towel from the side and wiped it for her before closing the door and walking out.

when he reached the living room, there were already people sleeping on his left and right. the two little ones!

he held his forehead and laughed at himself. clearly, he couldn't bear to see them spending the new year alone and left his mother behind to come here. now, one was asleep and the other was drunk, so he was all alone.

he stood there for a while and looked at the television.

even if she was alone, she still felt a little satisfied.

at 12 am, he turned off the tv and walked into pei qiqi's bedroom.

he took off his sweater and long pants, leaving only a black bullet head. he lifted the quilt and lay down beside her.

PEI Qiqi was originally curled up there, but after feeling his warmth, she sneaked over and buried herself in his arms. Her little face rested on his shoulder as she muttered, "

Tang Yu lowered his head and looked at her in the dim light. His long hair was like ink on the pillow and wrapped around his body.

Her little face was slightly red from drinking too much, and her body was warm.

His fingers slowly fell on her back, and there was an unquestionable gentleness in his eyes.

pei qiqi, you still dare to say you don't love me?

He held her in his arms and closed his eyes. This was the first time he slept with her without any Jade-like desires.

In the middle of the night, the fireworks continued to set off outside. Tang Mo's dark eyes opened and he said softly, " Happy New Year, Qiqi.

And, little fool, you can't escape!

when pei qiqi woke up, she felt her back was sore and the sun was glaring.

She forced her eyes open and was stunned.

tang yu was in front of her.

it was tang yu without any clothes on-even if he had a pair of underpants on, it couldn't hide anything.

and at this moment, she was nestled in his arms, her little mouth facing his shoulder. more importantly ...

There was her saliva on it.

PEI Qiqi's eyes widened. She wanted to move away from Wanwan, but her body was empty and she fell straight off the bed.

A large hand caught her and she fell into his arms.

He groaned, probably because of the pain.

PEI Qiqi buried her face in his chest and whispered, "what are you doing on my bed?"

Tang Yu's big palm was still on her waist. This way, their bodies were pressed together and she felt a sense of danger.

Chapter 348 even worse than a beast (3)

PEI Qiqi didn't dare to move and only asked him softly.

Tang Yu's fingers pressed down but in the end, he let her go. He leaned against the headboard and looked at her.

"you and tang xin slept in one room each. miss pei, do you want me to sleep with tang xin and my sister?" His tone was very light, not at all like how he would be in the morning.

"No," PEI Qiqi replied weakly.

"and don't worry, i won't do anything to you. after all, yingluo," he was interrupted before he could finish.

pei qiqi said angrily,"i know you have a girlfriend."

He was obviously stunned for a moment, and then there was an imperceptible smile in his eyes. that's right!

after saying that, there was no need for them to lie together anymore. he got up and put on his trousers and sweater.

However, there was a box on the ground-

He bent down and picked it up. He had bought it at the supermarket today.

PEI Qiqi saw it too. Her face was a little pale. She pursed her lips and didn't say a word.

Tang Yu looked at her and put the small box into his pocket without explaining anything.

Indeed, there was no need to explain anything to her.

she turned around. "i'll come again tonight. "

PEI Qiqi was stunned and her voice trembled, ” “What do you mean?”

tang yu was very calm, ” i’m worried about tang xin being here! ”

” if you’re worried, you can take tang xin back. ” she probably said that out of spite.

He had done it with Sun Feifei, and now he was sleeping with her. Why did he have a set of cassock in his pocket that was meant for another woman?

Tang Yu’s eyes were filled with a smile again. Before he could say anything, Tang Xin was standing at the door with a little rabbit in her arms. She looked at PEI Qiqi, ” Qiqi, do you not like me? that’s why you’re chasing me away?”

PEI Qiqi’s lips moved but she couldn’t say anything.

tang mo chuckled and walked into the bathroom. he said very lightly, you’d better explain it to Tang Xin.

pei qiqi looked at the teary-eyed tang xin and the cold-faced tang yu. she had a feeling-  
she should be the one leaving!

Let the brother and sister occupy this place!

When she turned her head, Tang Xin was still looking at her. Suddenly, PEI Qiqi felt a headache.

“qiqi.” It was that extremely soft kitten meow again.

when tang yu came out of the bathroom, he saw that pei qiqi was still being pestered by tang xin. his mood suddenly became better. under the morning light, his noble appearance was extraordinarily handsome. he bent down and picked tang xin up, ” “Alright, stop it.”

tang xin was in tang yu’s arms. she leaned on tang yu’s shoulder and made a face at pei qiqi, looking like a villain who had achieved success.

pei qiqi suddenly felt a little envious.

however, she could only hide this envy in her heart.

PEI Qiqi sat there. This was her home, but she suddenly felt that she was the outsider.

the faint smile on her face froze.

In the end, she shook her head.

tang yu took tang xin out for breakfast. he didn’t call pei qiqi, so she naturally wouldn’t follow.

however, he didn’t take tang xin’s small luggage with him. she was surprised and suspicious. she wanted to ask, but she was afraid that tang xin would stick to her again.

So, after a restless morning, Tang Yu brought Tang Xin back at around 10 pm.

Then, he went out for lunch and came back in the afternoon for dinner. More importantly, he looked like he was not going to leave and was going to stay the night.

Chapter 349 Forced (1)

After dinner, Tang Xin lay on the sofa and watched TV with great interest.

Tang Yu walked out to the balcony to smoke. He was wearing a pair of black pants with the same sweater on top. With his short hair, his facial features looked even more defined.

He leaned on the balcony and smoked two or three cigarettes at a steady pace.

his noble appearance made her house seem a little cramped, but he looked quite at ease.

were he and tang xin going to spend the whole new year at her place?

pei qiqi stood in the living room and bit her lower lip. after some thought, she still walked to the balcony.

Tang Xin suddenly opened her mouth, " Qiqi, if I were you, I wouldn't put myself in danger.

the little guy's eyes were fixed on the tv, and he said in a mature tone, " i see that my brother is like a hungry wolf. he's quite desperate. "

PEI Qiqi thought she heard wrong. Tang Xin was so young, but she actually knew the words 'desperate'!

"i'll deal with you later." pei qiqi warned.

Tang Xin chuckled and stuffed her mouth with snacks, eating like a little mouse.

however, he'll be stuffed with dog food later.

Qi Qi didn't have the time to deal with her. Brother would definitely deal with Qi Qi first.

tang xin felt that she was quite unkind.

PEI Qiqi glared at her again before opening the door to the balcony. After closing the door, she pulled the curtains.

tang xin sneered at silly qiqi!

Tang Yu was still smoking. He was leaning against the wall. Behind him was the bustling night scene and countless fireworks were blooming behind him. However, none of these could compare to his nobility and he didn't have a single trace of the secular world.

his dark eyes watched as pei qiqi pushed the door open and entered. he flicked yan jie and looked at her, " "is there something?"

pei qiqi stopped three steps away from him and raised her head to look at him.

the lights on the terrace were not on, and he had his back to the outside, so she could not see his expression clearly. she only felt that he was a little unfathomable.

" when are you bringing tang xin home? " As she said that, the fireworks outside were reflected in her eyes, like countless little stars blooming, brilliant and dazzling.

tang yu just looked at her and didn't say anything for a long time.

pei qiqi felt a little uneasy. she pursed her lips and looked at him.

He finally opened his mouth, and his voice was abnormally hoarse. are you finding her annoying? "

i'm just finding you annoying!

pei qiqi didn't say anything.

it's not convenient for my mother to stay at her place, so she can only stay here for a few days. He said indifferently, as if it was a matter of course.

"can't we stay at your place?" she said without thinking.

tang yu looked at her for a long time and then slowly said, "pei qiqi, sun feifei is different from you. she won't be happy if tang xin stays at my place."

pei qiqi was stunned. she felt like something was stuck in her throat. it was extremely uncomfortable.

"yes, she won't be happy," she looked up at him again. "then she'll be even more unhappy if you stay at my place."

tang yu didn't reply. he took out another cigarette and lit it up. he slowly took a puff.

"what about you, pei qiqi? if i bring tang xin back and let sun feifei stay there, will you be unhappy?"

As he spoke, he took out the box of 0.01 from his pocket and placed it on the balcony. He smiled. will you?"

PEI Qiqi's eyes couldn't help but stare at that thing. She felt like she was about to suffocate, Yingluo.

She could not answer his question.

If she said she would, it meant that she cared about him. If she said she wouldn't, she couldn't say something that went against her heart.

However, it was obvious that he didn't want to let her go. His voice became sterner, "PEI Qiqi, will you?"

She was shocked, and her heart started to beat wildly again.

tang mo's long legs stepped over to her side.

The tip of his shoe was almost touching her, and his slender fingers pinched her sharp little chin, lifting it slightly.

she looked at him, then immediately lowered her eyes and wanted to retreat.

however, he didn't allow it. he forcefully pinched her chin and forced her to look up, "pei qiqi, do you want me to treat her like that?"

she was stunned for a moment, her little mouth slightly open, and she looked at him helplessly.

she clearly knew what he was talking about, and she clearly knew that she was in danger, but she just couldn't move her eyes away.

his burning breath enveloped her, and she couldn't move at all. she could only watch him lower his head in a daze.

His thin lips were above her lips, his straight nose touched her, and his dark eyes looked into her eyes ...

He was so close to her that her legs went soft!

pei qiqi's little hand grabbed onto the wall beside her. her fingers were turning white.

His lips slowly sank down, only touching hers lightly, and then stopping.

Immediately, his deep voice rang out and he pressed his lips against hers. "do you want me to do that to her?"

Her small hands clenched even tighter, and she leaned back to escape the pressure he brought.

but he was also getting lower and lower, so it looked like she was sending herself to him.

just as she was about to fall, his large palm grabbed her waist and a mocking smile appeared on his lips, "pei qiqi, do you know that when you lie, your eyelashes flutter? "

she bit her lip and really wanted to find a mirror to look at herself.

But now, she didn't dare to move, afraid that he would do something to her again.

his fingers gently caressed her red lips. in the dark night, the red seemed a little charming.

His slender fingers caressed her gently, his face close to her ear, and his voice low and hoarse. "do you want me to treat her like this too?"

Her body was extremely stiff, and his voice was very alluring, especially in this cold night.

PEI Qiqi pursed her lips and her eyelashes couldn't stop trembling.

He didn't take his hand back and just looked at her intently. She saw a small flame burning in his eyes.

She couldn't help swallowing her saliva. Tang mo wanted to kill her.

he let out a long breath and suddenly retracted his hand.

Before she could react, he pressed her against the wall and covered her small mouth with his thin lips.

pei qiqi's eyes widened. she placed her palm flat on the tile behind her and it felt cold.

His kiss was like a punishment, but it also seemed like he was using all his strength to kiss her lips, which were a little painful.

she struggled, but he pressed her palm down hard and slowly moved it to the top of her head.

He nailed her firmly to the wall, and the kiss became deeper and deeper.

he didn't seem like he was going to control himself. pei qiqi could only submit. she raised her little face and allowed him to kiss her again and again ...

She knew that they had been together for a long time and knew what was going to happen next. She wanted to stop it, but her whole body was powerless. She couldn't stop anything. She could only be kissed hopelessly and accept it passively.

however, she knew in her heart that she missed him. she missed him very much.

Every night, every morning, she would miss his Wanwan.

they kissed like this for a long time before she slowly opened her eyes and looked at him. her red lips parted slightly, and her voice was hoarse. Tang Yu's Xuanji ”
