Chapter 3411: you can't buy me with money (5)

he was still holding her down. she was already in a mess, but he still looked like an elite.

she reached out and looked at her watch. "i've been busy for so long. i haven't even had a bite of food. bai suili, are you trying to win me over?" she murmured.

She looked up at his angry face and suddenly laughed.

she buried her face in the pillow and smiled gently."ye mulin, you're blaming me for not eating? I didn't ask you to look for me. Whether you're happy or not, it's up to you."

He stared at her and suddenly reached out to pinch her chin. He stared at her and said, "bai xue li, do you know you're very detestable?"

She was in front of him, but she used her actions to show her disdain.

...

She didn't even want to look at the gift he bought for her. She just wanted to go to the bar and drink.

bai suili was still smiling lightly, as if she was drunk.

She looked at him and said softly, "I used to think that we weren't compatible because you were too serious and I liked to live an extravagant life. Now I know that life doesn't count. You also know how to spend money. You also like to spend money.

as she spoke, she closed her eyes slightly. "but you bought so many things for me, but i don't feel happy at all. qianqian, tell me. what's the problem?" she asked. Do I not like money anymore?"

she laughed exaggeratedly in bed and bit her lip. no, it's US who have a problem. It's not that you're too outstanding, it's that I'm too lousy. Qianqian, ye Mulin, you see, when you're busy, I

don't even know what I should do. When I'm outside, I look at other people taking care of children. I'm even thinking if I should have a child so that I won't be lonely anymore, Qianqian.

She looked at him and cried. I have no value. The only value I have is to give birth to a child, Hanhan, and my body.

She wrapped her arms around his neck. you like to make love with me, don't you? if you don't like it, if you're not satisfied with my body, will you still accommodate me like this? will you still bring me back from the bar? don't make a fuss about divorcing me, because I'm so bad and useless. How can I be worthy of you? ”

between them, it wasn't a matter of whether they were compatible or not. they simply weren't worthy, which was why there were so many problems.

she was not independent. she used to belong to the bai family and now, she belonged to ye mulin.

It was only when she was slightly drunk that she dared to look into his eyes and tell him softly, ” ye Mulin, I'm not happy. I'm not happy at all, Qianqian.

She cried and closed her eyes. this place is like a cage. Our marriage is like a cage, and you are more like a cage. You've locked me up and made it impossible for me to breathe.

Only now did she realize that no amount of money could buy happiness.

it was only now that she knew that there was such a person that you couldn't match up to just because you were good-looking. you couldn't enter his heart just because you acted coquettishly. perhaps he would like you a little, but no matter how much he liked you or how much physical contact you had, they would always be like two parallel lines, never to cross paths.

ye mu lin lowered his head and fixed his gaze on her small face.

she was in a light sleep because she was drinking. she could hold her liquor well, but she got drunk easily when she was in a bad mood.

His heart was sour and bitter, and he muttered, ” “if you think you're not good enough for me, why don't you work harder? what's wrong with drinking and fooling around?”

Chapter 3412: i'm not someone you can buy with money 6

He held his forehead and suddenly smiled helplessly. "when you're awake, you're going to say that our values don't match again!"

he slowly got up, sat by the bed for a while, and then went to the bathroom to get a towel to help her clean up. after cleaning, he covered her with the blanket and looked at her gently for a long time.

after a long time, he got up and went to the changing room to change his clothes, but he saw that she had thrown all the jewelry away casually and didn't seem to care at all.

He let out a long breath and went back to pick them up and put them away.

after changing his clothes, he walked out and stood by the bed, looking at her calm face. he reached out his fingers and touched her face gently, his voice extremely hoarse."bai xue li, what do you want?"

she had fallen asleep and could not answer him.

...

he just stood there quietly, feeling like the whole world was silent.

After a long time, he went out and made himself a bowl of noodles. He smoked while eating.

Her home should have been full, but he still felt lonely. He wanted to shake that hateful woman awake and sweat with him, but he couldn't bear to.

Her face was a little pale, and he knew that he had been indulging in his desires these few days.

After finishing the noodles, he sat on the armrest of the sofa and looked out at the night sky for half the night.

At night, her cry of surprise came from the master bedroom. He immediately stubbed out the cigarette and walked back.

The bedroom was dark. She stood at the bathroom door and held her forehead. it hurts.

He walked over and reached out to support her. He was both angry and amused. you can even hit your head while walking? Bai Sulli, what did you eat when you grew up? ”

she immediately hugged him and rested her face on his shoulder. ” “it’s much cuter.”

“it’s detestable!” he snorted, but still carried her and placed her on the toilet in the bathroom. tell me when you’re done. Are you going to drink so much next time? ”

“The last cup, the last cup that destroyed me was fed by you.” “Why didn’t the police arrest you for drunk-driving?” she asked with her eyes closed.

“it seems like he’s too nice to you,” ye mulin sneered.

She hadn’t gone to the toilet yet, so he carried her down and pressed her against the wall.

she sobered up and her eyes widened.”ye mulin, put me down. i want to go to the toilet.”

he pressed her down, not intending to let her go.

her eyes widened even more. ” are you not bored? i said i wanted to go to the toilet. i really want to go to the toilet! ” she said.

“beg me to kiss you again. i’ll let you go.” He looked at her with a smile.

She seemed to be in disbelief that the person in front of her was ye Mu Lin. She struggled.”You bastard, I won’t beg you.”

“then let’s continue to waste time here.” He smiled and took out a cigarette from his pocket. He lit it up with one hand and took a puff, blowing a puff on her little face.

She felt that he was extremely evil and bit her lip. “I really won’t be able to hold it in.”

“I don’t mind.” He looked at her. “You’ve decided, huh?”

she was so angry that her small face was red because of her tolerance. he looked at her and teased her.

Finally, she couldn’t help but kiss him on the lips. Her voice was like a mosquito.”i beg you to carry me over.”

ye mu and lin yan bit on their lips and carried her back to the toilet with one hand.

“get out,” she shouted in embarrassment.

he smiled and went out to wait for her at the door. she didn’t come out for a long time, but someone inside was crying and sobbing.

she was crying very sadly.

He endured it for a while, feeling as if his heart was being pricked by needles.

Chapter 3413: i’m not someone you can buy with money 7

He walked into the bathroom and sighed when he saw her disheveled face. “What should I do to make you happy?”

Her face was buried in his arms as she cried. She cried so sadly.

ye mulin hugged her and lowered his head. ” are you done in the toilet? ”

she didn't say anything, so he simply wiped her P * s for her. this had never happened before, only once.

he carried her back to the bedroom and placed her on the soft and warm bed. she fell asleep again in a daze, while he did not sleep for the entire night. he only took a nap when it was almost dawn.

When she woke up, she felt a little dizzy. There was a sound outside. It should be Auntie li.

...

he lowered his head to look at the person in his arms. she really didn't have any thoughts and was still sleeping.

He lowered his head and looked at her with a gentle gaze.

he reached out and gently caressed her facial features. no matter how he looked at her, she was pleasing to the eye.

Bai suili woke up in a daze, and as soon as she opened her eyes, she saw his magnified handsome face. She blinked gently and stared at him.

ye mu lin reached out and held her small hand, their fingers intertwined.”You’re awake?”

she bit her lower lip and stared at him. she asked hesitantly, ” “Did I get drunk last night?”

ye mulin turned over and pressed her down.

When she moved, she realized that his palm was pressing down on her hair and she couldn't move at all. She bit her lower lip.”Let me go!”

Ye Mulin looked at her face and said absent-mindedly, aren't you the little princess of the nightclub? how can you be drunk? "

"it's easy to get drunk when you're in a bad mood," she deliberately looked at him as if he was an idiot.

Ye Mulin was sure that she was really drunk last night and did not really remember. Thus, he laughed softly."I'm not going to tell you."

"Why?" Her eyes were a little round, and she looked a little stupid.

"i'm afraid that you won't be able to take this blow." ye mulin chuckled.

she continued to stare at him without saying a word.

He lowered his head and kissed her gently with his good-looking thin lips. Then, he bit his plump lips and said in a hoarse voice, " shirley, i didn't know you wet your bed when you're drunk. "

the bed-wetting man was shocked, and she stared at him.

he continued to bite her lips unhurriedly. " "you don't believe me? We've already changed the bedsheets."

she stammered, " didn't the sheets get dirty because ... because we did it? "

"we did it last night, but we didn't sleep together." He looked out the door and said, " "i did it by the door, don't you remember?"

Her face was flushed red. but that doesn't rule out the possibility that we went to bed later.

it's true that I wet the bed, but if you insist on denying it, I won't object. After all, it's not a very glorious thing for me to have my wife wet the bed at such an age. he said kindly.

"you're lying," bai suili pulled him closer.

He laughed softly. He laughed very happily and very good-looking.

she was angry, but she couldn't help but look at his handsome face. in her heart, she was silently convincing herself not to be conquered by his sugar-coated bullets.

“Ye Mulin, don't press down on me.” she bit her lip and couldn't help but ask.

Oh, ” he replied and moved away a little, because his phone rang.

he pressed her down with one hand and picked up the phone in his original position with the other. ”
“Secretary li,”

“Lawyer ye, are you coming over today?” Secretary li asked softly.

Chapter 3414: You can't buy me with money 8

Ye Mulin looked at the time. It was already past working hours. He paused.”i'll be there at 10:30.”

He remembered that he had an important meeting at 10:30.

Secretary li responded with an “Oh,” but his mind was full of endless thoughts-

If lawyer ye wasn't at work at this hour, he must be having a baby at home.

On the other side, ye Mulin hung up the phone and his gaze fell back on his wife.

She struggled for a long time, and her pajamas were loose because of the struggle. It was quite tempting.

...

His eyes turned dark.

bai suili looked at him guardedly, biting her lip, "Ye Mulin, what do you want?"

he chuckled and threw the phone away. he clasped her hand with both hands and raised it above his head, pressing it against the pillow with their fingers intertwined.

"Ye Mulin, go to work. Wake up." She struggled.

Her hair was in a mess as she struggled, making her look like a little lunatic.

He held her down with one hand and pushed her hair aside with the other, revealing her red face. He kissed her and said, "there's still half an hour left."

"i don't want to! ye mulin, you bastard, you're not allowed to do anything to me, yingluo, you're not allowed to do anything to me!"

She was still kissed by him. It was a deep kiss, and he was bullying her as he kissed her.

she wanted to scream and scold him, but she also heard the sound of auntie li sweeping outside. the robot sweeper was turning and making a rhythmic sound.

ye mulin let go of her lips and kissed her bright-colored lips reluctantly. he muttered, "Why aren't you calling me that? don't you like to call me that?"

she was very uncomfortable being bullied by him. she bit her lip hard, her eyes glistening with tears, and her hair was covered with fine beads of sweat. she looked very delicate.

Ye Mulin kissed her again and again fondly. if you can't help it, call her out. Auntie li is experienced too. She won't come in.

Of course she wouldn't-

he was too ruthless. her nails left a long mark on her back, and it immediately turned red.

However, this only made him treat her more roughly. He clearly knew that she was quite fragile now, but he still couldn't help but tease her.

Bai suili was bullied by him until she was better off dead, and she cried out in pain-

auntie li, who was outside, immediately turned off the robot and stuck her head in to listen.

Eh, what was that sound?

"xue li, are you not feeling well?" auntie li didn't know that ye mulin didn't go to work. she thought that bai sulli was alone in the apartment and that she was unwell.

so, he decided to come over and show some concern. although shirley didn't know anything, she was quite lovable.

auntie li's fingers were on the doorknob, and she asked politely again, "xue li."

Bai suili was anxious to death, and she desperately beat the person on top of her,"come down quickly, yingying. don't come, you bastard."

But how could that bastard stop at this time? he pressed her down and bullied Yingluo.

Auntie li is coming in, coming in, Yingluo.

bai suili's eyes were red from anxiety. "auntie, i'm fine. "

"You're still fine? your voice is drifting." Auntie Li said and was about to open the door.

the rice weevil cried. he turned his little face to the side and silently shed tears.

ye mu lin knew that he was being too detestable, so he lowered his voice and said to the people outside, "there's no need to come in,"

Auntie li was stunned.

Lawyer ye was at home. That meant she was stunned and blushed.

In the bedroom, ye Mulin gently turned Bai Sulli's small face. "are you angry?"

she bit the pillow and did not say a word, looking angry.

"You don't like it?" he laughed.

Chapter 3415: I'm not someone you can buy with money (9)

She was still crying, her voice soft and soft.

so he left heartlessly. she immediately looked up at him. "Ye Mu Lin Junjun"

"I'm going to take a shower and go to work," he said as he kissed her.

she was a little anxious. she got up and hugged him, burying her face in his neck.

"what's the matter?" he chuckled.

she didn't make a sound and just hugged him.

...

ye mu lin's wicked sense of humor was fully displayed. he reached out his hand and gently rubbed her face."You clearly like it, but you have to pretend not to."

she wanted to let go of him, but she was afraid that he would really ignore her, so she could only clench her teeth.

When ye Mulin pressed her down again, she turned her small face away in embarrassment. He smiled gently and kissed her.

Bai suili had been bullied by him very badly, but at the last moment, she could see that he had hit the nail on the head.

because he had to go to work at 10!

She bit her lip and hugged him willfully. When he was about to get up, she kissed him on the lips without a care.

ye mulin lowered his head and looked at the woman in his arms with a pampering gaze. he pressed on her shoulder gently."Xue Li, don't make a scene. I have something important to do."

She didn't care and kissed him stubbornly.

at first, he didn't have a choice and coaxed her to deal with it, but after dealing with it, he couldn't help but cry.

She had successfully made him break the contract.

secretary li's phone calls came one after another. finally, he picked up the phone and said in a hoarse voice, " "change the date."

He threw the phone away after he finished speaking.

while he was hot, he was also a little angry. he bullied his little wife over and over again.

it was already noon by the time they were done.

Auntie Li's face was red as she finished cooking. After cleaning up, she left.

Ye Mulin took a bath and came out feeling refreshed. He looked at the dishes and found that they were what the rice weevil liked.

He smiled and went back to the bedroom to sit on the bed. "Get up and eat."

Wrapped in the blanket, the rice weevil turned around and faced him with its back. "I don't remember."

He laughed, "You're at loggerheads again?" Weren't you the one who took the initiative just now?"

She spoke softly, her voice a little hoarse, like a little sheep, "But I didn't ask you to come a few times. I only want to do it once."

Ye Mulin was angry and amused at the same time. He sat down and patted her back. "You messed up my meeting, and you're still angry?"

She ignored him and said, "I want to sleep."

"Eat before you sleep." "Or I'll pull you up and do it a few more times," he insisted.

She turned over and glared at him. "I don't believe you have any energy left."

"Is that so?" He lay down and held her waist, pressing her against him. "Do you still think so?"

She was scalded by him and bit her lip in embarrassment, anger, and fear.

"Do you still want to get up?" He lowered his head and pressed his lips against hers, kissing her affectionately. "Actually, I don't have anything to do in the afternoon. I don't really mind spending the whole afternoon in bed with you."

She glared at him and suddenly sat up, even hitting his chin.

she curled up at the head of the bed. ” i’m getting up. ”

“If you were so obedient earlier, you wouldn’t have screamed so miserably,” he said with a smile.

He got up. I’ll go get some rice. Brush your teeth and wash your face.

“I don’t want to.” She provoked.

he stood at the door, picked up little white, and said slowly,””It just so happens that we’re short of soup today. This little guy is quite nourishing.”

“you put it down!” bai sulli screamed. she didn’t care about her messy clothes and ran over barefooted to put little white down. then she ran to the bathroom.

he stood behind her and watched her quietly. then, he chuckled softly.

In fact, she was quite easy to deceive.

Chapter 3416: i’m not someone you can buy with money (10)

When she came out, ye Mulin was already waiting for her in the dining room. He was reading the newspaper as he ate.

his white shirt was well-ironed, his tie was tied with a grayish-blue pattern, and his cufflinks were also quite exquisite. in short, everything was pleasing to the eye.

bai suili sat down and looked at him a few more times.

ye mulin put down the newspaper and looked at her. ” what’s the matter? ”

bai suili pursed her lips and started eating. ” ” nothing, i just feel that you’ve been dressing a little flirtatiously recently. you weren’t so particular in the past. ”

He used to wear classic black and white shirts and suits. He rarely used things like cufflinks, and his tie was more old-fashioned than it was now.

...

when he heard her say this, or more accurately, she was complaining, he smiled. ” “Shouldn’t a married man clean himself up? It’s also a duty to make Madam happy.”

bai suili was still biting her lip, staring at him ...

In fact, he really was the kind of man who didn’t need women, except in bed.

He knew how to cook, and he took care of his appearance. On the other hand, she was the one who needed to be taken care of. She didn’t know anything, and her only contribution was to make him happy in bed.

But now, he was saying that he was making her happy.

Bai suili lowered her head and didn’t speak.

ye mulin’s gaze became gentler. ” are you still angry that i didn’t come back earlier to accompany you yesterday? ”

She shook her head.

“Or you don’t like the gift I bought?” He smiled. I’m just trying to make you happy. If you don’t like it, I’ll take you to buy it next time. Didn’t you say you wanted to go to Milan? ”

“fashion week is over, what’s the point of going?” She said in a low voice and took a big bite of rice.

Ye Mulin stared at her with a straight gaze. then what kind of Shirley do you want? ”

She suddenly looked up at him.

he looked at her with a smile, but there was a deep look in his eyes that she could not understand.

She just stood there, stunned.

after looking at each other for a long time, he reached out and gently stroked her hair, whispering, ”
“I’m right here, huh?”

Her gaze became straighter.

he smiled and lowered his head to eat.

after eating, she even washed the dishes before leaving. when she left, bai sulli sat on the sofa in a daze.

he leaned over and kissed her on the forehead. ” “I’ll come back early.”

She looked up and stared into his eyes in a daze.

he smiled again and reached out to stroke her hair.

He was very busy. He said he would come back early, but he still couldn’t do it. However, he still called her.

Oh, ” she said. She didn’t go out and ate the leftovers from lunch.

at night, she went to sleep alone. when she woke up, it was already midnight.

He had not returned yet.

she sat up and looked at the time in a daze.

she thought of what he had said. he was there.

However, he was standing so far away and so high up. She might not be able to make it in her lifetime.

she bent down and hugged herself.

She couldn't tell if she was feeling sorry for herself or if she felt that she was ridiculous.

He had not returned for the entire night, so she had sat on the bed for the entire night.

at about six in the morning, there was movement outside the door. she moved.

ye mulin walked in and was surprised to see her sitting on the bed. he then said sternly, "Bai Sulli, who allowed you to sit here the whole night?"

She looked at him pitifully. I just woke up.

He obviously didn't believe her. He walked over and bent down to look into her eyes, but she turned her head away. He bit his lip."you didn't sleep the entire night too."

ye mulin took off his coat slowly and threw it aside."Men and women are different."

Chapter 3417: I'll be with you, hmm?(1)

she raised her head and looked at him. " what's different? "

the way she looked at him was very fragile.

Ye Mu Lin smiled lightly and sat by the bed, ruffling her hair.”men are more resistant to aging.”

“But you’re eight years older than me.” She looked at him without moving and stabbed him.

Ye Mulin laughed softly and did not say anything. He just lay down and threw his coat aside. He rubbed his brows.”i’m so tired.”

this was actually a man’s trick. some women would not fall for it, but based on a man’s understanding of bai suili, it was only limited to her stamp album and mu bai.

...

Ye mu Bai was also unfathomable. How could she see clearly? the one who understood him the most wasn’t ye Mu Lin.

however, it was still useless. compared to lawyer ye, she was just a little white.

her heart softened when she saw him lying down in pain. she looked at him and said, ” “you’re working overtime?”

He closed his eyes and smiled when he heard her speak. He opened his eyes, looked at her, and pulled her into his arms.”he went to find a woman.”

she fell into his arms. there was a unique smell of tobacco on his body, and there was also some body breath that indicated that he had not taken a bath. it meant that he had been soaking in tobacco the entire night and definitely did not smell like perfume.

ye mu lin smiled when he noticed that she was sniffing around him like a puppy. he closed his eyes and rubbed her face into his arms, almost suffocating her.

as she struggled, he finally spoke, ” “i’ll tell my secretary not to put on any perfume.”

Bai Xiuli was stunned for a moment. Then, she raised her head and looked at him with a blank expression.

he looked back at her.

After a while, she said in a low voice, "so, you're saying that if you have perfume on you in the future, it'll belong to another woman and not the Secretary? is that right?"

"there won't be anyone else," He turned sideways and hugged her like he was hugging a pillow. you're so tired from sleeping now, Bai Sulli. It's hard to raise you, so you have to work harder.

She didn't know why, but these words were very sour and sweet, and they also entered her ears.

The unwillingness and grievances in her heart had almost disappeared. She admitted that she had no backbone and returned to his side so easily. In fact, she was still unhappy and unwilling, but she could not refuse.

It didn't feel good to be wandering outside.

she carefully leaned against him and rested her face on his shoulder. "Will you drive me away again?"

ye mulin frowned and looked at her. "when did i chase you away?"

"You're chasing me away by being so intimate with Ai Wei." she protested in a low voice.

As soon as she finished speaking, he slapped her hard on the butt. where were you and Gu Changfeng hugging in front of me?"

The thought of this made him angry. He pinched her face until it was almost deformed. It was very brutal.

"It hurts, it hurts, it hurts." She said repeatedly with tears in her eyes.

ye mulin saw that she had become well-behaved and obedient, so he let go of her. however, he still snorted.

bai suili bit her lip and buried herself in his arms, poking his chest with her little hand. ” “If you don’t shower, you’ll stink.”

“don’t mess around,” he grabbed her little hand and pulled it to an indescribable place. ” if you continue to mess around, i’ll do you a few times and you’ll be honest. ”

She didn’t dare to say anything else, for fear that his beast-like nature would be triggered and she would obediently stay in his arms.

perhaps it was because she was obedient, but his voice was much gentler. ” “bai xue li, be good, i’ll accompany you, okay?”

“i don’t need your company.” she turned around.

However, he immediately pulled her into his arms again, holding her in his arms like a child. “If you don’t want me, who do you want?”

Chapter 3418: i’ll accompany you, hmm? 2

“I just don’t want you to keep me company.” She bit her lip.

He was silent and did not speak for a long time.

She thought that he was angry, so she did not say anything.

He was angry, but she was still angry. She didn’t come back the whole night.

She was silently angry and played with her fingers. She was very tired and sleepy, but she couldn’t fall asleep.

Ye Mulin wrapped his arm around her waist and leaned his face closer to her. but I want to be with you.

...

Her body trembled, and she lowered her eyes as she cried silently.

He knew she was crying. it's my fault, " he whispered. I shouldn't have worked overtime. I should have come back earlier.

The rice weevil did not speak. She turned around and hugged his waist, throwing herself into his arms.

she hugged him tightly and felt wronged.

Actually, she was not wrong, but she felt that she was useless.

She did like him, so she tried her best to throw a tantrum because she knew that she was not worthy of him.

He had so many tricks up his sleeve. He could make use of his ex-girlfriend, and he could make use of her completely. She was afraid.

She was afraid that one day he would do the same to her. This was even scarier than him being ambiguous outside.

She was not happy because she had tasted feelings beyond money.

"ye mulin, i'm so scared of yingluo that i don't dare to stay by your side." she tried her best to control herself, but she still couldn't help but break down and cry.

what did she do wrong? she was originally fine and had the most stable life. she chased after every man that she liked and threw them aside when she didn't like them. she could use her family's power to force her favorite mu bai to marry her, but she married mu bai's brother.

she hated him, but she couldn't help but like him.

Only when she liked him did she realize how ridiculous, ridiculous, and unworthy she was.

If Ai Wei had not appeared, she would have peacefully enjoyed his love and his money.

however, ai wei appeared and gave her a tight slap to wake her up.

it turned out that she and ye mulin had been living in two different worlds.

all her nonsense, all her unhappiness, and all her leaving were because she was afraid and didn't dare to face it.

She cried like a child, confused but also a little cute.

Ye Mulin was actually very tired as well. However, his little wife was crying so hard that he had to comfort her.

He gently stroked her little head and softly said, "I remember a few months ago, you told me that Qianqian liked me, right?"

She raised her head and accidentally hit his chin.

there was a look of tolerance on his face as he pushed her away a little and said with some disdain, "actually, i really don't want to like you because you're so stupid, but there's no other way. if wanwan likes you, then she likes you."

if i like you, i like you, yingluo.

she blinked her eyes slightly, unable to believe what he had said.

Was this a confession?

ye mulin looked at her silly expression and smiled. he reached out for the wallet he had taken out from the bedside table and threw it to her. "see for yourself."

she didn't quite understand and asked, "Did you get me another card with no limit?"

"It's only been two days and your true nature has come out again?" "didn't you say you don't like money anymore?" he said disdainfully.

"i still like her, but i don't like her every now and then. don't take her seriously. " she stuck out her tongue and opened his wallet.

after opening it, she was stunned.

there was a familiar photo in the wallet.

Because it was her.

bai suili from high school.

Chapter 3419: I'll accompany you, hmm?(3)

She blinked and looked at him in disbelief. "ye mu lin?"

lawyer ye closed his eyes and placed his hands behind his head. "i don't know what happened at that time."

Bai suili looked at the photo and coughed lightly. "you have a good eye. but how old was i when ye mulin was around 16 or 17? You're a beast."

he opened his eyes and sneered at her. that's because you've already had three or four boyfriends, and you're still chasing Mubai all day long. I feel embarrassed for you.

" then why do you still like me? i'm a sullen girl. " She said with some joy.

“bad taste.” ye mu lin closed his eyes again.

...

She finally put down her wallet reluctantly and crawled over to him. She asked in a low voice, ”
“Then how did you get together with Ai Wei?”

he grabbed her arm and pulled her into his arms. ” “Don’t ask anymore. I won’t answer even if you ask.”

She bit her lower lip and laughed softly. ye Mulin, have you been secretly in love with me for a long time? ”

“Shut up!” “Time to sleep,” he said in a cold voice.

But his little wife got up and pulled at her pajamas in a hurry. “Didn’t you just say that if I don’t behave, you’ll f * ck me a few times? do you still keep your word?”

Ye Mulin was already about to fall asleep, but she kept making a ruckus. He glared at her. “Bai Xue Li, can you be a little more reserved?”

“Who told you to be blind?” “shouldn’t we celebrate today’s event? it’ll leave a deeper impression on us.” she said confidently.

Ye Mu Lin looked at her and asked softly, ” “do you really want to do it a few times? You’re not afraid of pain?”

she nodded and snuggled into his arms.

his chin was pinched by him, and he almost couldn’t bear it anymore.”bai xue li, you really know how to make trouble.”

“you said you would accompany me.” She said softly and blinked.

Ye Mulin stared at her and suddenly pulled her in, kissing her lips a little roughly.

everything that followed was brutal.

He rudely beat her up a few times, until not a single bone was left, and she didn't even have the strength to call out. Only then did he stop. Before Bai suili went to sleep, he secretly thought in his heart that she would never listen to his confession again.

The moment he confessed, she was exhausted.

It still hurt.

he didn't know how to restrain himself even at his age.

She complained and then fell asleep. She slept rather soundly.

No matter what, ye Mulin could not fall asleep directly. He carried her to the master bedroom and washed her up. The bed in the master bedroom could not be slept on, so he brought her to the guest room. However, the young lady said that she could not fall asleep and wanted to sleep in the master bedroom.

He pinched her chin and said fiercely, "i really want to throw you out and sleep on the streets."

"I know you can't bear to. You've liked me for so long." She chuckled in his arms, but then closed her eyes in exhaustion.

He was so angry that he raised his hand to hit her P * ss, but seeing how badly she had been beaten up by him, he raised his hand high and then gently put it down.

Bai suili lay in his arms and smiled faintly.

he could only carry her to the master bedroom to change the bedsheets. the original ones really could not be used anymore. he had gone crazy today and he did not use that, so there were red mist everywhere. ye mulin felt that it was too much and ridiculous.

the rice weeper was still in his arms and refused to come down. he had been carrying her with one hand and changing the sheets with the other. after he was done, he felt that he would live two years less.

He complained after lying down. She buried herself in his arms and said in a daze, "Who asked you not to come back for a night? if you don't come back again, I'll teach you a lesson."

all the loneliness and helplessness in ye mulin's heart were soothed by her words.

Chapter 3420: I will accompany you for 1400 words

he looked down at the rice weevil in his arms and smiled. "okay."

she drowsily slept for a while before suddenly opening her eyes."It seems like you're still getting off easy this way."

He pinched her face and said in a low voice, "I'm so tired."

She hugged his waist childishly and said in a small voice, "I thought you didn't know how tiring it was."

ye mulin closed his eyes. "xue li, i'm also a human. i'm just an ordinary man."

"oh," she said, and did not say anything else.

...

when he lowered his head to look at her, she was already asleep, sleeping soundly.

Ye Mulin chuckled and hugged her to sleep.

Ye Mulin had pulled an all-nighter last night, and with the clingy little thing at home, he had decided to rest for the day. When Bai Sulli woke up in the afternoon, she saw that his eyes were still wide open.

Ye Mulin was already dressed neatly and was as pleasing to the eye as usual. It seemed like he had been awake for a long time.

when she woke up, he immediately bent down and bit her face. ” you’re awake? ”

she hummed in acknowledgment and looked at him.

He smiled. I made breakfast. Are you going to get up by yourself or do you want me to carry you? ”

She lay on the bed softly, her small head subconsciously rubbing against the White pillow softly.

He looked at her and made the decision for her. He reached out and carried her to the bathroom, then put her down. wash your face and brush your teeth. Get out quickly, or I’ll think you’re seducing me.

after that, he walked briskly towards the door. bai sulli called out to him from behind, ” “There’s no one as unreasonable as you, alright?”

he turned around and said quite indulgently, ” i came back from working overnight. there was a little girl who pestered me to do it three times. bai sulli, don’t you think this little girl is reasonable? ”

she blushed and waved her hand. ” get out. i’ll be right out. ”

He chuckled and turned to leave.

Bai suili brushed her teeth in front of the mirror, her thoughts a little far away ...

Ye Mulin seemed to have changed into a different person. What was he thinking?

She tidied herself up and walked out. When she sat down to eat, ye Mu Lin said softly, ” “Shirley, let’s have a child.”

she bit into her sandwich and looked at him. ” didn’t you say that i haven’t been able to take care of myself? it’s not the right time now. ”

“I don’t care about you two,” he said with a faint smile.

she didn’t make a sound and silently bit into her sandwich.

his voice was very gentle. ” i’m almost 35. we’ve been married for a few months. isn’t it normal to have a child now? ” Or Yingluo, you don’t want to give birth to my child?”

she suddenly felt that the sandwich in her hand didn’t taste good anymore. after taking a bite, she put it down and said softly, ” “I haven’t thought about it.”

He reached out to hold her hand. I understand that you’re uncertain about our marriage, but Shirley, a child can indeed make a family more stable. What I want the most is not a child, but a stable marriage with you.

She looked at him and bit her lip after a while. don’t use the law firm’s tricks against me.

“Actually, I’m not stupid,” he laughed softly.

bai suili lowered her head, and after a long while, she said in a low voice,”It’s not like that. The order is wrong.”

he looked at her quietly, knowing that those who should come would come.

she didn’t know how to do anything, but like he said, she wasn’t stupid. she would know what she wanted, yingluo.

bai suili looked at him and slowly said, ” you want me and our child, but i’m not sure if i want to spend the rest of my life with you. are you trying to tie me down with the child? ”

after she finished speaking, she looked straight at him.

Ye Mu Lin was silent for a moment before he smiled.”You’re really not stupid.”

She blinked her eyes-

did he just admit it?

Bai Sulli couldn’t believe it. When she looked at him again, he was already eating very elegantly. after eating, I’ll take you back to the old house. My mother asked me to take you back several times, saying that you’ve lost a lot of weight and that I didn’t take good care of you.

She was still looking at him. Suddenly, she put down the sandwich in her hand and ran back to her room.

when she ran back, her face was red.

“What’s the matter?” he looked at her.

Bai suili bit her lip, hesitating for a while before asking,”Did you have a kiss this morning? did you have a kiss?”

“Are you using a condom?” Lawyer ye asked on her behalf out of kindness. Then, he saw his little wife’s face turn even redder.

she didn’t say anything and just looked at him.

He slowly wiped his lower lip and looked up at her. ” i forgot that you were the one who crawled into my arms this morning. you were begging like that, how could i have thought of the safety measures, yingluo? ”

“you did it on purpose,” bai suili said angrily.

mrs. ye, you need evidence for everything. ” He reminded her kindly, ” besides, you’re the one who took the initiative today. If you’re pregnant with an unexpected child, I’ll be a victim to a certain extent.

She glared at him.

He was really shameless to the extreme, vividly displaying the face of a lawyer.
