

## Thank you 3441

Chapter 3441: ye mulin's persistence for her (2)

he stood up and walked towards the door of the study. ye mu lin also put down his clothes and his gaze fell on his father's back.

papa ye stopped at the door and turned his head back. " shirley looks like a child from an ordinary family. she doesn't look like one from the bai family at all. "

ye mu lin's heart skipped a beat and he subconsciously called out,"Dad!"

Father ye's gaze became a little deep and unfathomable. He looked straight into his son's eyes and smiled faintly."Mulin, you haven't called me dad for a long time."

He had always been very respectful and called him father.

his eldest son, Z, was very sensitive and it was a pity that he didn't follow Z.

...

Ye Mu Lin took a few steps forward and whispered as if he was pleading, " dad, i really like shirley. i've liked her for many years. "

this was not a confession, but a request.

As smart as he was, he could already feel the coming of a storm.

Papa ye's expression did not change. He smiled lightly. didn't you say you wanted to have children? that's good. It's best if you can have a pair of twins at once.

ye mulin could not continue to pester him and only smiled.

“Mulin, you’ve grown up.” Father ye patted his shoulder.

after he finished speaking, han jiu looked at him with a profound gaze, opened the door, and left.

Ye Mu Lin stood there for a while before he went out. He turned back after taking two steps.

father ye hadn’t even taken a sip of his coffee. he had left it on the desk and was in a daze.

He looked at it quietly for two seconds and then walked out in a hurry.

after she went out, she heard mama ye grumbling, ” you’ve only been here for a while and you’re already leaving. you’re such a heartless father. ”

In the whole world, Mama ye was probably the only one who dared to say that to Papa ye. When she said it, she sounded a little coquettish.

father ye hugged her. ” a child needs a private life too. ”

He took father ye with him and looked deeply at the young couple. your mother and I will be waiting for the good news. Mu Lin, don’t let us down.

ye mulin smiled and said yes. he held his rice worm with one hand and ruffled her hair. after a while, he seemed to have thought of something.”go hug mom and say goodbye.”

She gave an ‘Oh’ and went over to give Mama ye a hug. Mama ye’s heart ached very much, and she wished that she could conjure a few treasures out of her body to give to her little wife. She shook for a long time, but they did not come out.

Bai Xiuli looked at night matriarch in confusion and asked in a low voice, ” “Mom, do you want me to scratch your body?”

mama ye smiled reservedly. ” i’ll bear with it. ”

“Oh,” Bai suili replied.

“What about dad?” ye Mulin asked.

the rice worm looked at him eagerly-

Does dad want a hug too?

Ye Mu Lin’s gaze was a little deep and she could not understand it.

Mama ye was also a little confused. Since when did her son become so generous? however, she still wanted her husband to be more kind, so she stood to the side, which was equivalent to tacit consent.

Bai Sulli bit the bullet and took a step forward to give father ye a gentle hug.”Dad,” he said.

father ye’s expression had the gentleness of a superior, and he patted her shoulder.”go home with mu lin more often when you’re free.”

she nodded and watched the two old ones leave. mama ye turned around and blinked.”The next time we go back, mom has something good for you.”

“Thank you, Mom, I’ll take good care of Mu Lin.” The rice weevil’s eyes curved into crescents as he smiled.

mama ye was extremely satisfied, and she kept praising him when she went out.

Inside the room, Bai Sulli saw ye Mulin frowning the moment she closed the door. She snorted in dissatisfaction.”Look, mom and dad have just left, and you’re already revealing your true nature.”

“what nature?” He looked at her, then pulled her to the sofa and pressed her under his body. “Such a nature, huh?”

Chapter 3442: ye mulin’s persistence towards her (3)

She was pressed down by him, struggling and screaming with all her might. In fact, she knew what he liked.

So the more she struggled and screamed, the deeper he held her fingers and kissed her. They were so close that they couldn't take it anymore, but he stopped and looked down at her.

"what's wrong?" She was a little overwhelmed by his gaze. Her small hands pulled on his shirt buttons, and her eyes were filled with love.

if she was like this in the past, he would definitely not let her off. however, at this moment, ye mu lin recalled what his father had said. he thought about every aspect and every detail carefully.

the way he furrowed his brows was also very beautiful. she lay down, her slender white fingers gently caressing his brows and eyes, and looked at him carefully.

ye mu lin retracted his gaze and looked at her with a faint smile. " "why are you looking at me?"

...

"What were you thinking about just now?" she asked, hugging his neck.

the expression on her face was too cute, as if she was completely immersed in love. he looked at her and smiled slightly."i'm thinking about our child."

she couldn't help but protest at the mention of this. " i didn't say that i wanted to have children. what if i didn't agree? "

Ye Mulin kissed her and kissed her freely. Their fingers were intertwined and she was almost out of breath. He then asked her softly, " "What about now? are you willing?"

"I don't want to." The rice weevil bit his lips with a pair of watery eyes.

He directly did it to her on the sofa. She hugged him and screamed, her voice trembling. ye Mulin, you must be crazy. You still need to take medicine.

“I’m not eating.” He panted softly and kissed the corner of her lips.

With her around, what medicine did he need?

Her eyes widened as she looked at the handsome face in front of her that was slightly distorted by passion. She didn’t dare to look at him, so she closed her eyes.

“shirley, look at me,” he muttered.

he wrapped his arms around her back and held her in his arms. he held her in a sweet embrace, but it was also a little painful.

Ye Mulin only knew now that love was sweet with a tinge of sourness. However, no matter how sourness or sourness there was, he could not bear to let go.

In the heat of passion, he held her hand firmly and gently spat out his emotions that he had never shown to others easily.”Holding hands, growing old together.”

She looked at him with wide eyes.

he couldn’t stand such an innocent look and lowered his head to kiss her. his hand held her firmly, as if he had forcefully intervened in her life.

Between life and death, she vaguely heard him Mutter ...

“Bai Xue Li, since you’ve already started, don’t let go easily, understand?”

she seemed to understand.

he didn’t want to say much and just kept occupying her.

isn’t it a little too good for a patient’s stamina?

after that, she lay in his arms and snuggled in. ” “I’m cold.”

ye mulin held her in one hand and held a cigarette in the other. he was smoking after the incident.

bai sulli took the cigarette out of his mouth angrily and said, ” “You said you were going to get pregnant, yet you still smoke.”

he had asked for it twice just now, but there were no contraceptives.

ye mu lin looked at her in shock.

“y-you didn’t even use that just now,” the rice weevil said, a little angry.

He didn’t bother with the cigarette, but gently touched her lips.”You mean the trap?”

“contraceptives!” she shouted.

“is there a difference?” he smiled and pinched her face.”but if you’re willing to give birth, let’s do it a few more times. maybe you’ll get pregnant soon.”

Chapter 3443: ye mulin’s persistence towards her (4)

when he leaned over again, she pressed against his shoulder and said carefully, ” “I don’t want it.”

Ye Mu Lin stopped and looked at her.

The rice worm hugged his waist shamelessly and buried her face in his neck.”i’m tired, and it hurts.”

Ye Mu Lin laughed softly and reached out to rub her head.”Does it still hurt?”

“it doesn’t hurt anymore.” Her face was pressed against his warm skin. It was so comfortable that she wanted to sleep.

He was afraid that she would catch a cold in her sleep, so he carried her back to the master bedroom.

...

The afternoon was very quiet, suitable for sleeping together.

“Ye Mulin, do you want a boy or a girl?” she asked in a low voice, half-asleep.

He was silent for a moment, then reached out and ruffled her hair. I hope it’s a boy.

as for the reason, they all knew.

Bai suili yawned and, for the first time, did not object. She only said in a low voice, “Then you’ll have to work harder,”

he smiled and lowered his head to kiss her forehead without saying anything.

After she fell asleep, he got up quietly and prepared to go to the law firm. He didn’t forget that he had an important meeting at three O ‘clock.

As soon as he got up, Bai Sulli woke up. She opened her eyes and hugged him from behind. She was very soft. “You’re still going to the law firm when you’re sick?”

” mm. ” he turned around and pulled her into his arms for a kiss. ” there’s something important to deal with. sleep a little longer. ”

She mumbled a sound of acknowledgment, then lay down and slept in a daze.

ye mulin buttoned up his shirt and fastened his belt. he was about to leave, but when he saw how soft she was sleeping, he was a little reluctant. hence, he bent down and kissed her for a while before saying in a hoarse voice, ” “i’ll come back early.”

she opened her eyes and put her arms around his neck.”Lawyer ye, can I take a day off?”

he raised his eyebrows.

The rice worm looked at him carefully and said slowly, Gu Changfeng came back from abroad. He invited me to dinner, and I agreed. I told you about it last time.

ye mu lin continued to look at her with a deep gaze.

her small hands played with his buttons in an attempt to please him, and her small hands touched xi momo’s. ” you can’t be so petty. i promised him. ” It’s just a meal and I won’t get any broken shoes.”

He was so angry that he laughed. He reached out and pinched her small face. send me the address of the restaurant. I’ll pick you up after I’m done with my business.

“I’ll drive there.” she said softly.

“Take a taxi. I’ll pick you up later. be good.” He insisted, ” otherwise, you’re not allowed to go out.

“overbearing,” she said as she hugged him tightly.

“Will you listen to me?” He smacked her P \* s and looked at her with a heated gaze.

The rice worm’s little face rubbed against it. be good.

he laughed and pinched her face in revenge.”I shouldn’t have agreed to your request. Keep your distance, understand?”

“oh,” she said.

ye mulin got up in satisfaction and went to the changing room to take a grey windbreaker. she lay on the bed and looked at him.

he looks really good in a windbreaker, yingluo.

As she looked at it, her heart warmed up and she rolled a few times on the bed.

After a while, her phone rang. It was a message from ye Mulin.

he sat in the car and typed word by word, " I'll bring my phone with me so that it'll be easier for me to check!

she picked up her phone and replied, " Overbearing!

Ye Mulin smiled and started the car to leave. As he left, his gaze fell on the BMW that she often drove. A few seconds later, he looked away from the Kasaya.

after a while, he thought of something and called her.

Bai suili picked up.

don't expose your clothes, " he said in a low voice. do you understand? wear a high-collared shirt.

Chapter 3444: i said you're not allowed to drink 1

"I know!" She stuck out her tongue.

Ye Mulin smiled as he hung up the phone and focused on driving.

His stomach was still a little uncomfortable, so when he arrived at the office, he asked Secretary li to make him a cup of shuweining (didn't you say you didn't need to take medicine?). He felt much better after drinking it. After a short pause, the person in question came over. It was a very serious criminal case, so ye Mulin had to spend a lot of energy.

When he finished sending off the person involved, he raised his hand and looked at his watch. It was already five o 'clock.

he stretched his back and asked secretary li, ” “There’s no more talk today, right?”

Secretary li shook his head and said,”no, lawyer ye.” if you’re not feeling well, you can leave early.”

...

ye mulin was about to speak when his phone rang. he saw that it was a message from bai sulli.

She and Gu Changfeng had agreed to meet at the immortal forest restaurant, which was not far from the office.

Ye Mulin kept his phone in his pocket and said calmly, ” everyone’s been working very hard during this period of time. We’ll be having a team building at the law firm tonight. Secretary li, please do a headcount and order a meal at immortal forest restaurant.

Immortal forest restaurant?

Team building?

Lawyer ye was really generous. One had to know that the average spending at immortal forest restaurant was 2000 Yuan, one of the highest-class restaurants in B city. Normally, even if they went to buy a bag, they would not be willing to go to immortal forest restaurant to have a bite.

secretary li was in an excited mood. after announcing this news, the entire office was in an uproar. the female lawyer and secretary were all complaining that they were not dressed enough today and that they did not carry their bags well enough.

as secretary li had expected, all of them were present. no one was absent. there were more than twenty people in total. the average person was less than \$3000. lawyer ye had so many that he could pluck a hair from his body.

she immediately made a reservation and came over to meet ye mulin. ye mulin was already preparing to leave, so he took his briefcase and walked out.

Secretary Li happily watched her boss leave and then quickly went to touch up her makeup.

the people from the law firm gathered at the restaurant's parking lot and went in together.

the moment she entered, she was stunned. was the person sitting with a super handsome man still lawyer Ye's wife?

oh, she was really radiant today. she looked like her first love.

Secretary Li took the lead and stopped.

Then, she looked at lawyer Ye. She thought she would see lawyer Ye's dark face, but instead, she walked straight to Mrs. Ye and kissed her on the lips. "we'll go back together, okay?"

Bai Suili raised her eyes and looked at him. "Ye Mulin?"

He straightened his body and reached out to Gu Changfeng. Mr. Gu, long time no see.

Gu Changfeng stood up and clenched his fist, "It's been a long time indeed. Many things have changed."

Ye Mulin smiled. it's different for Mr. Gu. But for me, everything is the same. It's good.

then, he leaned over and whispered to his wife, "don't drink."

the rice worm grunted and watched him walk into a big bag at the side.

the atmosphere in the private room was quite gloomy. Ye Mulin lit a cigarette and looked around."What's going on?"

"Lawyer Ye, why don't you take care of some family matters first?" Secretary Li said softly.

He laughed drily, "what family matters can there be?" Shirley made an appointment to have dinner here, so I booked this place and took her home."

his attitude was normal, and slowly, everyone believed him. the atmosphere became warm again.

Ye Mulin took out his phone and sent a message to harass his little wife from time to time, making her absent-minded even on a 'date'. He also let her know that her husband was watching them from next door.

Chapter 3445: i said no drinking (2)

on the other side, bai suili heard her phone ring and looked at it.

It was from ye Mulin, and there were only a few words. You're not allowed to drink, or else you'll ...

The ellipses at the end made her feel ashamed.

he was too shameless.

Her face was flushed red, and she quickly threw her phone down.

"Ye Mulin's message?" Gu Changfeng smiled.

...

bai suili quickly denied, "no, how could it be him?" It's an advertisement."

Gu Changfeng smiled.

at this moment, bai sulli's phone rang, and the three words "ye mu lin" were clearly displayed.

The atmosphere was getting a little weird, and the rice weevil forced a smile. “well, it’s just a coincidence.”

She picked it up and lowered her voice.”What is it?”

Ye Mu Lin said in a low voice as he puffed out smoke, ” “Why didn’t bai Sulli reply?”

“I’m eating,” She said these words affectionately (through gritted teeth).

the other party chuckled. ” i won’t disturb you then. ”

Bai suili put down the phone and looked at Gu Changfeng. Gu Changfeng, old people are like this.

gu changfeng smiled and said,”really?” the old man you’re talking about is qianqian and ye mulin?”

“Of course it is!” She leaned closer to him. you don’t know about the generation gap between us. Old people are stubborn and can’t be persuaded. They are especially attached to Wanwan and her wealth, as if he is the richest person in the world. Look at how ostentatious he is even here for team building.

Gu Changfeng was still smiling as he held the appetizer in his hand.

after complaining, bai xiuli was satisfied and was about to go eat the delicious food when a gloomy voice came from behind her, ” “i’m an old man? stubborn, stubborn, and rich, huh?”

the rice worm was stunned on the spot. the fork in its hand fell to the ground, making a crisp sound.

She didn’t turn around, but looked at Gu Changfeng and bit her lip. Gu Changfeng, why didn’t you tell me? ”

gu changfeng smiled. ” i wasn’t sure that you were talking about lawyer ye. now that i’m sure, it seems a little too late. ”

there was a tinge of regret in his eyes, as well as the disappointment of being late.

in the end, she still fell in love with this strong man.

ye mulin smiled at gu changfeng. then, he placed his hands on the young lady's shoulders and secretly exerted some force. " i'll settle this with you later. "

After saying that, he left without sending any more harassing messages. However, Bai Sulli's heart trembled with fear after eating this meal.

Gu Changfeng lowered his eyes. Shirley, have you ever thought about whether you're afraid that he'll be annoyed or angry? " he asked.

"Is there a difference?" She picked up the fork, looking a little listless.

gu changfeng smiled,"there's a big difference. think about it."

He changed the topic. by the way, there's something I wanted to tell you. Yingluo, I want to take a themed photo to participate in an international award. I've found many models, but none of them are the one I want. Finally, I thought of you and I think you're very suitable. Do you want to try? "

bai suili was a little dumbfounded,"me?" To be your model?"

He nodded and took out a large stack of money from his bag. There seemed to be hundreds of thousands of Yuan in it.

here's 500000 Yuan. The shooting time is three days, but you may have to go out of town. Please consider it. He looked at her with a straight face.

Bai suili's eyes sparkled, as if it was the first time she had seen money.

She had thought about being independent, but she had never thought about what she could do. It was probably moving bricks. Now, she could get 500000 Yuan with a smile. She stammered as if she was dreaming.

## Chapter 3446: I said no drinking (3)

Bai Xue LAN looked at the 500000 Yuan, her eyes wide.

After a long time, she asked softly, "I just need to take a few photos and these will all be mine, right?"

"yes," gu changfeng smiled.

as soon as she finished speaking, bai sulli had already put the 500000 yuan into her hermes platinum bag. while packing, she said in a low voice, "i'll take it."

gu changfeng leaned back and chuckled, "don't you need to discuss this with ye mu lin?"

"Why should I discuss my own matters with him? besides, I'm making money for the family." she said childishly.

...

However, she was a little troubled. Her Platinum bag only had about 200000 Yuan in it, and she was stuck with another 300000 Yuan.

"put it in this," gu changfeng said with a smile as he handed her the bag.

"Why didn't you say so earlier?" she glanced at him and quickly put the money away.

gu fengchang didn't know whether to laugh or cry when he realized that she was slow in doing everything except for two things that were particularly swift. one was to chase men, and the other was to count money.

However, she had wooed all the men, and the one she married in the end was the one who had been chasing her.

gu changfeng smiled bitterly.

He didn't tell her that the series he was going to shoot was called "first love. he had indeed found many models, but he couldn't catch the innocence in their eyes, and he couldn't catch what he wanted to express.

only bai suili could give him what he wanted, so he came to her.

He also never felt that his existence would cause any changes in Bai suili's marriage, because between her and ye Mulin, ye Mulin had always been the dominant one. Qianqian had always been.

we're going to city C, " Gu Changfeng said in a low voice. are you sure you want to go? "

Bai suili looked at him and slowly said,"won't you shoot the pink grass?"

"You know about it too?" he smiled.

"It's an internet celebrity." She took a small sip of wine and bit her lip. "there shouldn't be any problem."

The main point was that she had taken the money, so she had to convince the 'old man' no matter what.

gu changfeng did not say anything more. he just handed her a contract. the meal was full of mixed feelings.

it was hard to say whether ye mulin's appearance was good or bad. he had no ambiguous thoughts in the first place, and bai sulli didn't have any either. however, that man's sudden appearance was enough to show how much he cared.

'it's good,' gu changfeng thought.

He still left early, not even eight o'clock.

he stood at the entrance and said in a low voice, "I'll wait for your news."

the crystal light in the hall shone on his face, making him look clean. Bai Suli suddenly felt that he was really a very beautiful person, so beautiful that the things she had done before seemed particularly inhumane.

her feelings were a little complicated, and for the first time, she reflected on whether she had hurt others. She absent-mindedly agreed, "I'll tell you tomorrow morning, okay?"

He smiled, as if he wanted to reach out to caress her head, but after thinking about it, he retracted his hand. Alright, I'll go back first.

He looked inside and said, "Go in quickly. Don't run around."

Bai Suli hummed in agreement. She was quite obedient.

She and Gu Changfeng had known each other since they were young, and she had a guilty conscience when it came to relationships, so she was especially nice to him.

Gu Changfeng looked at her deeply again and left.

Bai Suli looked at his back for a while and did not go in immediately. Instead, she took out her phone and sent a message to Ye Mulin.

Chapter 3447: Didn't I say no drinking (4)

She thought to herself that it wasn't appropriate for her to go to their team-building.

She kept her phone and wanted to go out to call a taxi. However, she had only taken one step when Ye Mulin called.

When she picked up, her voice was muffled. "You're so silly!"

"Come here." "Give me a moment, I'll be done in a while," he said in a gentle voice.

bai sulli turned her head and saw ye mulin standing not far away with his phone.

She bit her lip and walked over. how much longer do you have? ”

...

He reached out to take her bag and frowned. “did you drink?”

“A little bit.” She said in a low voice as she looked at his face.

Ye Mulin helped her carry her things and put an arm around her shoulder. “Let’s go in and eat more.”

“i’m full.” She looked at him strangely.

Ye Mulin chuckled. I’m afraid that you won’t be in the mood to eat since we’re meeting for the first time. You’ll only be looking at her.

She was furious. stop making slanderous accusations.

however, after they entered the private room, she slapped herself in the face because he ordered a few more dishes that she especially liked to eat. so, her stomach was full, and she ate for a while more, extremely satisfied.

She put down her chopsticks and met his gaze. She bit her lower lip. it’s what I like to eat? ”

ye mulin slowly sipped his tea and smiled. didn’t gu changfeng order for you just now? ”

“How would he know what I like to eat?” She mumbled softly, ” ye Mulin, you’re too petty. Everyone here is from your law firm. Can’t you be a little more shameless? ”

He had enough of bringing an entire law firm to catch them in the act of adultery.

ye mulin glanced at her and smiled, not saying anything.

However, his eyes fell on the extra bag that she had. He thought that it should be money, and it was given to her by Gu Changfeng. Why did Gu Changfeng give her money?

Ye Mulin remained calm and poured her a glass of red wine. Bai Sulli did not drink it and only chatted with Secretary li.

the surrounding atmosphere was also peaceful.

ye mulin played with the cup in his hand and smiled faintly. " why don't we go to the clubhouse to relax later? "

Bai suili looked at him.

"What's the matter?" he smiled.

"you've just recovered. you can't drink, and you have to drive." she reminded him.

Ye Mulin was sitting together with her, so he naturally pressed her on his shoulder. However, he was speaking to his subordinates in the law firm."I'm not drinking, I'm just participating."

naturally, secretary li gave his boss the most face. he jeered, " "Lawyer ye, you just need to pay."

"I'll take half a day off tomorrow if I drink too much," ye Mulin smiled.

F \* ck, there's still such an operation. The group of people was boiling.

However, the boss laughed again. you guys are about the same age as Shirley. She likes to play too. You guys take care of her later. I'll sit by the side.

bai suili was not a fool. as soon as she heard this, she knew that this was a mission for her subordinate to force her to drink.

“Don’t we need to prepare for pregnancy?” she muttered.

“it’s fine to have some red wine,” he said with a smile.

As he spoke, he seemed to have thought of something and opened Bai Sulli’s bag. my wife is treating today.

He opened it, and it was full of money.

Bai Xue Li’s heart ached.

That was her hard-earned money. How could he take it away so shamelessly?

however, she couldn’t do anything in front of so many people. she could only watch helplessly.

“You can’t bear to, can you?” ye Mulin pinched her face.

Chapter 3448: i said no drinking (5)

“it hurts, it hurts, it hurts.” bai suili slapped his hand away and glared at him.

How could he use her money and touch her cheese?

Ye Mulin’s long arm naturally reached out and wrapped around her shoulder. He looked at her. “As the lady boss, you can’t even afford a meal?”

“I don’t earn money. You should be the one paying.” The rice worm struggled.

What a joke. This was the first time she was earning money. How could she let him spend it all? she had to spend it on herself.

Ye Mulin continued to look at her and chuckled. "If you don't earn money, where do you get it from? Oh, I remember now. You must have withdrawn it from my account."

...

no, it's a reward from Gu Changfeng. She was anxious and revealed everything.

as soon as she said it, she regretted it and looked at him with her big eyes.

She was afraid that he would be angry.

After all, he cared a lot about Gu Changfeng.

Surprisingly, he didn't get angry. Instead, he gave her enough face in front of his subordinates and patted her head. "Our Xue Li has also earned money. That's all the more reason to celebrate."

the rice worm was touched and realized that it had fallen into his trap. it stared at him.

Lawyer ye rubbed her face. Mrs. Ye, I will help you save money.

she believed him.

however, half an hour later, she almost wanted to strangle him to death. he was the one who chose the club. he chose the most luxurious club in B city. an ordinary bottle of foreign wine cost tens of thousands. she counted the money in her bag. how could it be enough to drink?

as for his subordinates, they weren't here to drink. they were here to drink water, like tap water.

bai suili sat next to ye mulin, feeling sorry for her small amount of money. she had to be forced to drink one or two glasses of wine by secretary li and the others.

If she didn't drink, her husband would come over and chat with her. As they chatted, she would drink.

At the end of the party, she probably drank a bottle of red wine and was half-drunk.

When he went to pay, he counted that it was more than 980 thousand.

Bai suili turned her head and looked at her husband.

lawyer ye leaned against the bar counter and said in a relaxed voice, ” “I can pay, but on one condition.”

“What condition?” Her voice was a little soft. As long as she thought of how she had been busy for a few days and had to drink all the wine, and that she could only pay half of it, her heart would ache.

ye mulin’s eyes were bright. he stood up straight and walked over to pinch her soft face.”i’ll tell you when we get home.”

She watched as he paid the money and couldn’t help but ask, ” “you’re not angry?”

He was just about to sign the papers when he heard what she said. He paused for a moment, but he still signed it quickly.

the cashier bowed respectfully. ye mu lin walked a few steps before turning his head. you mean you promised to work for gu changfeng? ”

She didn’t say anything and just looked at him.

she wasn’t sure if he would agree to it because he didn’t touch the money.

Everything he did tonight was just to tease her, so that she could explain herself clearly.

there was nothing going on between her and gu changfeng, but she still felt a little guilty, because they had been together before.

however, she wasn't willing to give up such an opportunity so easily. she didn't want to be a star, but she wanted to try the feeling of making money. it was the feeling of landing on the ground. in the future, she would be a different bai sulli.

She wasn't that great. She said that she was trying to achieve value for society, but she just wanted to prove that she was good.

ye mulin lowered his head and looked at his little wife's eyes. she was looking at him with desire and caution.

He reached out to hold her hand and whispered, "you really want to go, don't you?"

she bit her lower lip. "as long as i go to C city for three days to take a few photos. 500000 yuan is already very good. "

Chapter 3449: shirley, i'm jealous (1)

"you won't be short of money. if you need money, you can tell me." he remained unmoved.

It was late at night, and there were only the two of them around, so he had discussed this with her.

bai suili was a little disappointed by his words, but she didn't refute him and just looked up at him.

Her eyes were filled with hurt.

"We'll talk when we get home." Ye Mulin pulled her hand.

She stubbornly did not move, acting like a child.

...

He knew that she was throwing a tantrum when she acted this way after being with her for a long time.

Ye Mulin stopped in his tracks. He lowered his head and muttered, let's talk about it when we get home. Otherwise, my answer will be No.

The rice weevil was extremely upset, his pursed lips trembling slightly."ye mulin, you're too despotic."

he laughed and stared at the angry girl. " "You're really angry?"

"What do you think?" She walked in front, fuming.

ye mulin followed behind her and smiled.

after getting into the car, she still did not make a sound. she remained silent, still holding the bag in her hand.

he glanced at her and started the car. the two of them were silent the entire way.

When they got home, Bai suili got in the car and didn't get out. She said softly, " "i want to go,"

ye mulin unbuckled his seat belt and looked at her. "We'll talk about it at home."

However, she stubbornly refused to move and repeated, " "i said i want to go. Ye Mulin, I'm not doing this for Gu Changfeng. I'm doing this for myself."

He looked at her serious face. After a while, he placed his hands on the steering wheel and tapped it lightly. Then, he slowly said, " how did you know that I would definitely not agree? "

The rice worm was stunned and asked in disbelief, " "you'll agree?"

"are you getting off or not?" he asked.

“Down.” she immediately acted like a little wife and said without a backbone.

ye mu lin glanced at her and did not say anything else. he opened the door and got out of the car.

bai suili bit her lip and immediately followed.

in the elevator, he leaned against the wall and looked down at her.

The rice weevil couldn't stand his gaze and immediately hugged his arm, whispering, ” “Ye Mulin, thank you.”

He remained unmoved and said in a reserved manner, ” “I said I have conditions.”

she didn't make a sound and just hugged him like a spoiled puppy.

“How old are you? why are you still acting like a child?” he frowned.

“I'm eight or nine years younger than you.” She pressed her face against his shoulder. what's wrong with acting coy? ”

The corners of his mouth rose slightly, but he didn't say anything.

when they arrived at the apartment, he put her money on the coffee table, unbuttoned his coat, took off his clothes, and threw them on the sofa. then, he sat down and looked at her. “Alright, explain!”

Bai suili was a little angry. explain? what do you want? ”

He looked at her. I'm going to tell you about you and Gu Changfeng.

“I haven't asked you to explain what happened between you and AI Wei!” The rice weeper exploded.

“I’ve kissed her before, but not to the point of a deep kiss.” To her surprise, he actually said it directly.

Bai suili looked at him in a daze.

he reached out to hold her hand and pulled her over to sit in his arms. he said in a low and hoarse voice, ” I just haven’t had a kiss with my tongue. What about you and Gu Changfeng? ”

In his arms, she suddenly felt her hair stand on end and wanted to be held tightly by him.

After that, his dark eyes locked onto her, and his fingers gently landed on her lips, caressing them. “shirley, i’m jealous.”

She sat on one of his legs and looked at him in a daze.

She knew that he was jealous, but she never thought that he would say it so bluntly.

He pressed harder on her lips. She let out a soft cry and instinctively bit his finger.

ye mulin’s gaze turned dark and he held her sharp chin. ” are you angry from embarrassment? ”

“I’m not.” She said anxiously, then lowered her eyes and didn’t say anything.

He noticed her expression and his heart ached, but he told himself that he couldn’t afford to argue with her.

...

he had liked her since a long time ago, but at that time, she liked mu bai and a bunch of boys. or perhaps she didn't like him at all. she was just young, willful, and fun to play with. it was him who didn't look for her earlier.

in the blink of an eye, ye mu lin's heart was in turmoil and his expression became much gentler.

the rice worm blinked. "you're not angry anymore, right?"

He looked at her and smiled. "Yes, I'm not angry anymore."

The rice weeper cried out and threw itself into his arms.

ye mulin's voice was low. "but i'll go and discuss the contract, okay?"

She looked up from his arms and stuck out her tongue. "I heard from Secretary li that you don't even accept cases that cost millions of Commission, unless it's a criminal case."

"My wife's case, do you think I should take it?" He held her chin, his voice dangerous.

Then, he seemed to have thought of something. "as for your reward, buy me a gift!"

she nestled in his arms comfortably and poked his heart with her little hand. "I knew lawyer ye would take advantage of me."

His eyes darkened again, and he carried her to the master bedroom. He muttered in a particularly serious tone, "i'll personally teach you what it means to loot a burning house."

she exclaimed and said in a small voice, "There was one in the afternoon!"

he had already pressed her against the soft bed. after kissing her, he raised his hand and looked at the watch on his wrist. "there's still half an hour until tomorrow. why don't we take a bath and come back? this is tomorrow's share. there are three times tomorrow. are you willing to come once or do your part for the three times tomorrow?"

bai suili looked at him. she didn't know that there was such an algorithm.

"I think I'll just choose Yingluo once," he stammered.

However, how could she be considered the Big Bad Wolf's husband? he would come again after one time.

She panted lightly and leaned against his shoulder, saying no. we agreed on this one time.

Lawyer ye threw his watch that was worth a million dollars into her arms and chuckled. "It's already past 12 o'clock, Bai Sulli,"

late at night, her voice came from the apartment, "ye mulin, you profiteer."

but no matter how much she resisted, it was useless. she was still gnawed by him until not even a bone was left.

he only went to bed when it was close to three o'clock. he had had enough of being crazy, but the result of such a wild action was that both of them were exhausted.

Before she fell asleep, she lay in his arms and said weakly, "Lawyer ye, you've been indulging too much recently."

He smiled.

For a man who had been married for less than a year and had a young and beautiful wife, which man would not indulge?

He patted her back and said hoarsely, "again?"

"I don't want it." She immediately hugged him and complained before she fell asleep, "I'm so tired."

He laughed silently,"you didn't even use any strength."

thinking back to the night, she realized that she was actually quite tired. how could she not be tired after all the begging and screaming?
