Chapter 3461: ye mulin, i might be pregnant (5)

Ye Mu Lin was amused and angry at the same time. He reached out and touched her head.”how can the child be kissed away? nonsense.”

she continued to look at him and said childishly, ” “i was so nauseated just now, but now that you’ve kissed me, i’m no longer nauseated.”

Her words pleased him. He held her head and kissed her for a while more, then leaned against her forehead and whispered, ” “Shirley, I’m really happy.”

She leaned against the door and snorted softly.”You only value the child and not me.”

he carried her into the room, picked up the luggage, and smiled. ” “If I don’t value you, why would I look forward to this child?”

as he spoke, he began to pack his luggage. a few pieces of clothes were hung up in no time.

...

Bai suili followed behind him and asked in a low voice, ” “how many days will you be staying here?”

He hung up his clothes and turned around, saying, ” “i will accompany you back to B city.”

the rice worm stammered again. ” aren’t you very busy? ”

Ye Mulin sat on the single-seater sofa and pulled her onto his lap. He smiled.”You’re pregnant. Don’t You Want Me to accompany you?”

“Yes, I do.” she obediently lay on his shoulder, feeling a little uneasy. ” “but you’re very busy. can you really stay here with me for a few days?”

“You won’t suddenly leave halfway?” she looked at him eagerly.

“i won’t,” he laughed, “i’ll always be by your side.”

The rice weevil happily wrapped his arms around his neck. ye Mulin, you’re the best.

He kissed her. are you still feeling uncomfortable? I’m going to take a shower.

her eyes were bright and sparkly, like the most beautiful look in love. ” then, mr. ye, i’ll wait for you in bed. ”

“don’t be naughty!” he patted her.

She hugged him and kissed him. I missed you so much.

after she finished speaking, she wanted to leave, but he grabbed her hand.

Ye Mulin looked at her and said in a low and hoarse voice, “We’ve only been apart for less than a day.”

She blinked, and Bao Bao said angrily, ” “but i feel like we’ve been separated for a long time.”

then, she hugged him. ” i just miss you. ”

His heart was a little wet. It was an indescribable feeling, as if his heart was overflowing.

there was nowhere to put it.

He held his little wife in his arms, his voice low and hoarse.”xue li.”

“yes.” She stayed in his arms obediently. Although her body was still uncomfortable, she felt much better when he held her like this.

“I love you, do you know that?” ye Mulin said in a low voice.

The rice weeper’s body stiffened for a moment. He raised his head immediately and even accidentally bumped into lawyer ye’s chin.

However, his expression was still very gentle as he looked at his wife very gently.

“are you telling the truth?” she bit her lip in disbelief.

he smiled but did not speak.

She blinked, took his hand, and said softly, ” “Ye Mulin, can you repeat that?”

“i’m going to take a shower,” he said as he stood up.

she wrapped herself around him and followed behind him. she hugged his arm and said,”Ye Mulin, say that again!”

he stood at the bathroom door and turned to look at her, with the expression that lawyer ye had. ” ” shower with me or wait for you on the bed. you choose one. ”

It took the rice weevil a long time to come to his senses and shrieked, ” “you beast!”

She ran away, and he pulled out his bathrobe and looked at her back, smiling ...

He had thought that he was already very happy, but it turned out that there was more happiness than happiness. He took a shower in the shortest time possible, dried his hair, and returned to his room. The rice weevil who had said that it would wait for him was leaning on the bed and playing with his phone.

Chapter 3462: ye mulin, i might be pregnant 6

“You’re still playing with your phone when you’re pregnant,” he said as he went over to take her phone.

she bit her lip. " i want to post it on my moments. a few of my classmates have already given birth and they're always showing off their children. i want to show off too. "

he looked at her and asked,"what are you sunbathing for?" Sunbathing? It didn't get bigger."

"I'm bored," she said as she sat on the bed.

"shouldn't you be accompanying me first before taking a shower?" she said, feeling a little wronged.

He looked at her and smiled. He sat on the bed and put her on his lap. I'll accompany you now.

...

"my head is dizzy and i feel like puking," she pouted.

"i'll take you to the hospital for a checkup tomorrow morning," he said.

"Did you buy a pregnancy test kit yourself?" he asked.

Her eyes were sparkling. ye Mulin, you know about this too? "

He pinched her face. this is common sense, okay!

She lay in his arms in embarrassment and said softly, " do you think this is a boy or a girl? "

"It's fine, as long as she's well." his voice was hoarse, but he still couldn't help but reach out and ruffle her hair.

She gave an "Oh" and obediently lay in his arms."i want a boy."

he lowered his head to look at her.

Bai suili put her arms around his neck. you'll feel less pressure after you have a boy. Dad and mom probably want a boy to inherit the ye family, right? "

his heart was filled with satisfaction again as he muttered, " it's okay. We just didn't have a boy. There's still Mubai.

"can he do it?" She raised her head and asked mischievously.

"Naughty." He reached out and knocked on her head.

Bai suili squinted her eyes and smiled, lying down and acting coquettishly,"I'm so dizzy, I still feel like vomiting."

"Are you very uncomfortable?" he frowned.

It was also his first time getting married and his wife's first pregnancy, so he had no experience.

"very uncomfortable. ye mulin, i feel that being a mother is great." the rice worm nodded vigorously.

Then, she reached out and stroked her non-existent stomach, saying softly, " "but i think he's very cute."

He laughed. it's only this big. How can it be cute? "

" it's just cute yingying. " she blinked, but her expression quickly changed. " no, i have to go to the bathroom. "

"Do you still want to vomit?" he asked worriedly as he supported her.

" no, i want to pull yingluo away. " bai sulli's face was wrinkled, looking pitiful. she quickly ran to the bathroom and closed the door.

“shirley?” he knocked on the door worriedly.

“don’t come in, i’ll be done in a while.” her voice was a little uncomfortable and weak.

“Alright, I’ll wait for you at the door.” He let out a long breath.

however, in less than five minutes, he couldn’t help but push the door open and enter. after entering, he saw her sitting on the toilet with a pale and worried face.”ye mulin, will i accidentally pull the child out?”

He was angry and amused at the same time. He stepped forward and knocked her head lightly.”Idiot!”

she was a little dazed by the slap. she felt sweet in her heart, but her expression quickly changed.”Hurry up and get out, I’m going to have diarrhea again.”

later on, not only did she pooped, but she also vomited.

Ye Mulin contacted a gynecologist in C city overnight. It was already 4:30 A. M. When he sent her over. The rice worm was a little empty. In the car, she lay weakly on his lap and said in a soft voice,”ye Mulin, am I very useless?”

Chapter 3463: ye mulin, i might be pregnant 7

His heart ached for her, and he kissed her. “don’t talk. we’ll talk at the hospital.”

She reached out and tried her best to hold his waist. She closed her eyes in discomfort for a while and endured it before she said softly, ” “ye mulin, i feel much better when you hug me like this.”

“silly girl.” His voice was low and hoarse as he lowered his head to kiss her. “alright, stop talking. we’ll be at the hospital soon.”

Oh, ” she replied and obediently closed her eyes. She only leaned her furry little head closer to him.

ye mulin raised his eyes and looked at the white sky outside. his heart was filled with endless pity. this pity was mixed with a trace of reluctance. it was an emotion that he had never felt before.

The car soon arrived at C city's Women and Children's Hospital, and the doctor Who came to diagnose her was the best gynecologist in C city.

...

After ye Mulin carried the rice weevil in, he came out. He was a little worried and smoked outside.

After ten minutes, a voice came from inside, "mr. ye!"

he quickly stubbed out his cigarette and walked in quickly. as soon as he entered, he saw his house's rice worm looking dejected, his little face pale and uneasy.

he walked over and did not speak to the doctor first. instead, he reached out and touched her head and asked very warmly, "What's wrong?"

Bai Xiuli raised her head with tears in her eyes, but with her last bit of stubbornness, she said softly, " " ye mulin, i'm not pregnant. i'm just not used to it. will you laugh at me? will you be disappointed? will you think that i'm useless? "

As she spoke, her lips trembled slightly. It was clear how big of a blow she had suffered.

Ye Mulin brought her into his arms. Her little head was pressed against his chest. He reached out and rubbed her. "We're going to have a child soon, okay?"

"then, will you take back your words?" she bit her lip in his arms.

"What?" He smiled.

The rice worm suddenly became bashful and said in a low voice, " "You mean the words you said you love me?"

She looked up, her eyes full of little stars. Those little stars were shining with anticipation and fear.

Ye Mu Lin smiled lightly and reached out to rub her head. how can you take this back? ”

She was still looking at him. He smiled and murmured as if he was coaxing a child, ” “I don’t want to take it back either.”

” oh, ” his little rice weevil replied and leaned into his arms in relief.

The female doctor was both angry and amused. She said as she prescribed medicine, ” ” i wanted to say a few words, but i think you’re fine now. i’ll prescribe a box of medicine. if there are any side effects after you finish it, you might have to stay in the hospital for an iv or go home. ”

bai suili pulled his sleeve. ” i haven’t taken any photos yet. i don’t want to go home. ”

“i’ll accompany you.” ye mulin patted her.

She was relieved, but not so at the same time. She felt much better after returning to the hotel and taking her medicine. She was also more energetic, and she leaned in his arms to catch up on sleep.

however, after going through so many shocking things in one night, she couldn’t fall asleep. she kept feeling like she had obtained some kind of treasure, but she couldn’t say what it was at once.

she leaned on him and said in a low voice, ” “Ye Mulin, can you say that again?”

“the one that said i love you?” He lowered his head and asked her with a smile.

she didn’t say anything and just looked at him.

” shirley, ” ye mulin mumbled, ” i hope you can feel my love all the time. i’ll only say it one more time. ”

Chapter 3464: The most beautiful time (1)

As he spoke, he pulled her into his arms and said a few words softly.

She hugged him and did not say anything else. He patted her and coaxed her to sleep.

when she was still in a daze, he whispered, ” “Shirley, you want a child, don’t you?”

he was so happy to see her pregnant. he had never seen her so happy before.

Bai suili opened her eyes, barely opening them, and said in a daze,”Yes, I really want one.”

her little face was in his arms and she said childishly, ” ” i promise i won’t be called ye mu bai. i’ll just be called ye xiaobai, okay? ”

...

“it sounds like an idiot’s child,” he said, staring at her.

“you’re the idiot.” She punched his lower abdomen as revenge.

ye mulin smiled and hugged her to sleep.

the sky turned white, and the sky finally brightened. however, she slept very deeply and didn’t wake up until noon.

When she woke up, she was still a little dizzy, but she didn’t feel uncomfortable or nauseated anymore.

Although she felt much better, she was still a little sad about this misunderstanding. She reached out to touch her small stomach, feeling that she had a miscarriage.

Ye Mulin put down the notebook in his hand and walked over to sit by the bed.”are you hungry? i’ll get someone to send some light food over.”

she sat at the head of the bed, her long hair flowing down as she nodded.”Alright, I’m a little hungry.”

he went to call customer service, and after the call, bai sulli asked him, ” “Did Gu Changfeng come?”

he went to check out the location this morning. He said that you can go shoot if you have the energy in the afternoon. If you can’t, you can go tomorrow. He reached out to stroke her long hair and smiled. don’t worry, I didn’t say anything about your pregnancy.

“i wasn’t pregnant in the first place.” “I’m really disappointed,” the rice weevil said with a pout.

“you’ll have a child soon,” he said with a smile.

She hugged the pillow and was a little disappointed.

ye mulin kissed her for a while. the customer service brought over a light lunch and he ate it with her.

Bai suili didn’t have a good appetite, but she still ate a little. Then she looked at him and said, ” “actually, you don’t have to eat this with me. you can eat better.”

” it’s not that troublesome, ” he said with a smile. ” when you’re better, let’s go have barbecue together, okay? ”

she knew that he wanted her to be happy, but she thought about it and said softly, ” “i don’t think so. i’m afraid you’ll have a stomach ache again.”

she forced a smile at him. ” i’m fine now. you can go back to B city if you have something to do. ”

“How can I be at ease when you’re like this?” he looked at her and sighed.

These were probably sweet words of love. How could a rice weevil resist them? she smiled at him, then got up and walked behind him to hug him gently. She put her face on his back and said softly, ” “Ye Mulin, I really want to be with you forever.”

“Silly girl,” he said with a smile as he held her hand.

she decided to just hug him whole and desperately act coquettishly. ye mulin could not do anything about her, so he pulled her into his arms and kissed her carefully for a while. he kissed her so much that her blood was boiling.

He only let her go when there was a knock on the door. He let her sit down and continue eating while he went to open the door.

Gu Changfeng was standing at the door. He looked at ye Mulin and nodded.”How’s Xue Li?”

before ye mu lin could speak, bai xue li hurriedly said, ” i’m fine, especially fine. i can go for the shoot in the afternoon. ”

Ye Mulin walked over and knocked her head unhappily. “you’re not obedient at all.”

however, he saw that she was still in good spirits and did not want her to sink into the pain of ‘losing the child’, so he nodded. ” “I don’t have anything to do in the afternoon, so I’ll go with you.”

Chapter 3465: The most beautiful time (2)

he had just finished speaking when his rice weevil looked at him eagerly.

Ye Mulin smiled. why? is there a problem, Mrs. Ye? ”

mrs. ye thought to herself, he’s so childish, innocent, and shameless. mrs. ye? he’s clearly declaring his sovereignty in front of gu changfeng. men are all so shallow, childish, and naive.

However, as Mrs. Ye, she still had to give Mr. Ye some face, so she muttered softly, ” ” of course, no problem. ”

gu changfeng smiled, but he felt bitter in his heart.

ye mulin ruffled his little wife's hair."I didn't feel like eating just now, but now I have such a good appetite."

...

She bit her lip and glared at him ...

Can't you give me some face!

The afternoon's shoot went very smoothly, much better than Gu Changfeng's. Bai Sulli was in a very good state. She was wearing a plaid shirt, so she didn't need to pretend to be young. She was in her current state, looking like she was being loved.

her eyes would light up when she looked at ye mulin.

This set of 'first love' did not belong to Gu Changfeng, nor did it belong to Bai Sulli. It belonged to ye Mulin.

gu changfeng's long lens took this set of photos, but after the photos were taken, he also felt like he had completed a journey in his life. he even wanted to name this set of photos 'let go'.

as expected, the photo won an award a month later.

it was a prestigious gold award in berlin, and it was being broadcast live on many tv stations. ye mulin and bai sulli were sitting on the sofa at home and watching it.

Mrs. Ye cupped her face in her hands. wow, Gu Changfeng took such a beautiful picture of me!

mr. ye tilted his head and looked at his wife. "I raised him well!"

"didn't you want to have children?"

as he spoke, he carried her up and walked towards the bedroom.

Bai suili wrapped her arms around his neck and smiled. "mr. ye, you're jealous."

"yeah, i'm jealous. the consequences will be very serious." He lowered his head and bit her lips lightly.

the rice worm looked at him softly and was put on the bed by him. she hugged his neck and begged for mercy, " "Stop it, okay?"

"I want it," he said as he kissed her.

These three words crushed her.

it turned out that when he liked someone, he only needed to say three simple words. as long as he wanted to, she would be willing ...

after they were done, she lay in his arms and said in a small voice, " "ye mulin, do you think she'll be pregnant this time?"

he smiled and reached out to stroke her little head. " "If I can't get pregnant, I'll try harder next time."

She crawled over and lay in his arms. Her small hand was gently drawing on his chest. Her hair was also scattered on his body, tangled.

"go and take a shower." ye mu lin kissed her.

" oh, " she replied, and he carried her to the bathroom.

After washing up, he went to the study to deal with some things. Bai Sulli lay down alone, her little hand scratching the White pillow, her heart a little sweet.

in the month that she had been back from C city, he had been very nice to her and would come back early every night. if he was late, he would call her and ask her to go to the law firm to go home together.

they were like an old couple, living a very dull life. if it were in the past, she would never find it fun, but now she felt especially good, yingluo, so good that she felt it was good to continue like this.

She was just short of a baby, she thought with some happiness.

Then, she sneaked into the bathroom and took a pregnancy test. It was still a red line. She was a little dejected. She had obviously worked very hard and ye Mulin was also very capable. Why did she not get pregnant last month?

However, I should be able to get pregnant this month!

Chapter 3466: the most beautiful time (3)

Because she wanted to get pregnant, Mrs. Ye was especially active and enthusiastic at night. Mr. Ye enjoyed it very much, so much so that he didn't want her to get pregnant so soon. He felt that they had just gotten married and should play for a while more.

Of course, the rice weevil had no way of knowing his dark thoughts. She only thought that he was like her, eager to have a child immediately.

So she didn't get pregnant. She sighed as she ate with Lin sisi. sisi, do you think I should go for a physical examination? why can't I get pregnant? ”

Lin sisi winked at her. do you want to get your lawyer ye to investigate? ”

the rice worm's expression was very silly and sweet.”Sisi?”

Lin sisi coughed lightly. no matter how powerful ye Mu Lin is, what if the survival rate of his little tadpoles is low? then it would be useless no matter how hard he works.

...

bai suili's expression was somewhat fascinated, and she ate the food in one bite. after a while, she seemed to be on steroids, " i've never thought about this. i'm always looking for reasons on my own. "

lin sisi looked at her full of energy and couldn't help but smile. she took the bill and went to settle it.

Bai Sulli was now Mrs. Ye again, but she still liked to exploit her. Lin sisi protested many times, but it was useless, and she was too lazy to protest.

on the other side, the rice weeps had already flown out. " "sisi, thank you for treating me to a meal. i'll treat you another day!"

Lin sisi gave her a 'you've got it' expression. Forget it, she probably wouldn't be able to wait until this day in her life.

she had just paid the bill when she saw a person standing beside her.

She was slightly stunned as she looked at Gu ze.

gu ze also looked at her and smiled. " "come out for dinner?"

"I just ate with Bai Sulli. She went back first," she said.

Gu ze raised his hand and looked at his watch. it's late. I'll send you.

she subconsciously said no, but he insisted, " " we haven't seen each other for a few months. don't you plan to have a cup of tea with me? "

"President Gu, you're not that free, are you?" Lin sisi lowered her eyes.

as she was about to leave, gu ze reached out to pull her back. he was a little strong, but he probably realized that he was being rough, so his voice was a little softer.”Just take it as an old friend.”

“Gu ze, you know.” Lin sisi shook her head.

“You don’t care where I went?” Gu ze frowned.

“Many people are willing to care about you, President Gu.” “Let go of me,” Lin sisi said in a low voice.

gu ze grabbed her and walked outside. when they were outside, he let go of her and said indifferently, ” “I went to Switzerland for a surgery. It was quite a big one, and it was a narrow escape.”

Lin sisi looked at him with a shocked expression. However, she hoped that she would not believe him. I don’t believe you.

“really, sisi. i thought i didn’t have long to live,” he said, looking at her.

He stepped forward and hugged her. In the night, he said softly, ” “i told myself that if i could come back, i would think of a way to get you back.”

She couldn’t move in his arms.

Her body stiffened, and she was in a daze for a long time before she whispered, ” “let’s find a place to drink tea?”

She looked at him and realized that he seemed to have lost a lot of weight. He looked a little out of shape, but he was still good-looking.

Gu ze’s throat felt like it was stuck. After a long time, he nodded. okay, let’s find a place to sit.

Half an hour later, they were sitting face to face like old friends. He ordered a pot of oolong tea and a small cup of rose honey tea for her.

Chapter 3467: lin sisi, can you be with me?(1)

Lin sisi took a sip from her small cup and asked softly, "How is it now?"

"He's recovering quite well." "but the doctor told me to recuperate and not have sex," gu ze said indifferently.

Lin sisi was drinking her tea and almost spat it out. She looked at him and was a little speechless. Gu ze, why are you bringing this up? "

he was rather serious. " because i want to be with you, so i have to tell you that i can't have sex for the next year. it's not good for my illness. "

"What's wrong with you?" Lin sisi could not help but ask.

gu ze paused for a moment. " it's a very serious stomach problem, but it's much better now. it shouldn't be a problem for me to live to 70 or 80 years old. "

...

she lowered her head and did not ask further.

gu ze reached out and gently held her hand. " "Sisi, what do you say?"

she looked up in surprise. " oh, i wish you a good recovery. "

his eyes were burning. " do you have anything else to say to me other than this? "

"What do you think I should say?" Lin sisi smiled. President Gu, I'm not a little girl anymore. I know about men's tricks. President Gu, you've escaped from death. But when I lost my child, when President Gu asked me who the child was, it was Mubai and Qianqian who accompanied me.

his face was ashen.

Lin sisi felt a sharp pain in her heart. Hurting him did not make her happy. Instead, it made her feel worse.

her voice was low. ” gu ze, let’s be happy with each other! it’s not that i’m cruel, but i’m so heartbroken that i can’t care anymore. have you seen the words on tv recently? i think they’re very appropriate to describe our relationship.”

He was still staring at her.

Lin sisi softly said, ” “Lanyinxu fruit.”

after saying that, she stood up gently and walked towards the door.

late at night, she straightened her back.

it had been so long. she had left him for a long time, and she had been living well alone.

she really could not find a reason to return to his side. he was sick and there was a doctor.

but if her heart was sick, who would treat her?

She couldn’t even save herself, how could she save him?

lin sisi walked out and felt that her face was a little cold. when she looked up, she realized that it was raining. the streets in the late autumn were wet and bright from the rain, making them seem cold.

It was only then that she realized that she had not brought her coat and handbag with her when she walked out. Just as she was about to turn around, a coat was draped over her shoulders, and then a large hand held her hand. It was not as cold as before, but rather a little icy.

"I'll send you back." his voice was a little hoarse, and then a woman's handbag was stuffed into her arms. Lin Sisi couldn't break free from him, so she could only follow him into the car.

he was driving an off-road vehicle. the body of the vehicle was very domineering, which did not match his thin appearance. fortunately, his temperament made up for it.

Lin Sisi got into the car, flicked her hair, and told him the address. He said he remembered.

she fell silent and did not say anything else.

he started the car, and when he was about to smoke his second cigarette, Lin Sisi couldn't help but remind him, "Your body doesn't seem to be suitable for smoking."

"The doctor only told me not to do any strenuous exercise. He didn't tell me to smoke." "Can't I smoke without a woman?" he laughed at himself.

"if i don't smoke, can you be with me?" he asked her in a serious tone.

"then you should smoke," Lin Sisi said without thinking. "you deserve to die."

Chapter 3468: Lin Sisi, can you be with me?(2)

Gu Ze coughed lightly and looked at her, speechless.

however, he put out the cigarette and focused on driving. he drove a little slowly, and in the rainy night, only the sound of the rain and the sound of the shower could be heard.

no matter how slow the car drove, it would still reach the destination eventually. the car stopped below her apartment, where Ye Mulin had stopped last time. Gu Ze tilted his head and looked at her. "i'll send you up."

Lin Sisi shook her head. I don't think so. Thank you for sending me back.

She unbuckled her seat belt and wanted to get out of the car, but her wrist was held by a strong hand. He stared at her and said in a very soft voice, ” “sisi, talk to me for a while.”

lin sisi lowered her eyes and was silent for a while before she whispered, ” “what else do we have to say? gu ze, you should hate me for lying to you.”

...

“we’re even now, aren’t we?” she said slowly, looking up at him.

” we’re even now. it’s fair, so we can start over. ” His eyes were burning.

“We can’t go back,” Lin sisi laughed.

as she said this, she looked into his eyes and said,”just like that child of ours. we can’t get him back once we lose him.”

gu ze’s expression changed. he raised his hand as if he wanted to touch her face, but she turned her head to look at him.

In the end, he did not.

turning his head, he looked at the rainy night in front of him and said in a quiet voice, ” “sisi, we can heal together. you won’t be the only one in pain.”

She placed her hand on the back of his. He trembled and turned to look at her.

Lin sisi looked at him and smiled. but I will be in pain. Gu ze, I will be in pain. When I’m with you, I will be in pain. I will think of all those sad things. I’m not happy at all.

Her voice was clear in the rainy night. you see, I’m fine now. I might spend the rest of my life like this. It’s good to be alone, really.

As she spoke, she wanted to move her hand away, but he quickly caught it.

He held it very tightly, as if he didn't want to let go for the rest of his life. His voice was low and hoarse. "but i'm not good, lin sisi. i'm selfish, i don't want to let go."

he was sick, not just physically. after he recovered, he missed her even more.

He wanted her to be his wife, even if he had to give up everything.

Gu ze grabbed her with one hand and took out a document from the front compartment of the car with the other. He gently placed it in her hand. I was afraid that I might not be able to make it back. If that was the case, I chose to hand Hengtong to you.

lin sisi seemed to be stunned for a moment, then she laughed softly. " for me? "

she looked at the document in her hand and her voice suddenly became a little sharp. " Gu ze, you're gone. Have you ever thought about my feelings when you leave all these things behind and force them on me? "

He was stunned for a moment.

lin sisi did not look at the documents seriously. she did not look at the astronomical figures. she threw the documents onto gu ze's hands and face. she cried and muttered, "I don't want to."

after saying that, she pushed open the car door and ran towards the stairs of the apartment. gu ze's face looked like it was covered in snow. he immediately jumped out of the car and chased after her. he caught her in the dark corridor and pressed her against the wall.

lin sisi struggled, feeling as if she was about to be squashed flat by him. she turned her face away. "gu ze, let me go."

the lights in the corridor were broken, so it was dark. they couldn't see each other's faces clearly, and only their rapid breathing could be heard.

Chapter 3469: lin sisi, can you be with me?(3)

“i won’t let go,” gu ze’s voice was hoarse.

After he finished speaking, he lowered his head and kissed her.

Lin sisi’s eyes widened, and she subconsciously tried to kick him, but Gu ze quickly stopped her.

his lips were so hot that no matter where she turned her face, he would always find a way to find her lips.

she tried her best to resist and hit her head, but she couldn’t stop him.

He reached out and held the back of her head in place, kissing her passionately and passionately. He entangled her as if he wanted to kiss her until the end of time.

...

finally, when the two of them were out of breath, he let go of her and said in a hoarse voice, ” ” sisi, i’ve said that i’m selfish. i’m willing to use the rest of my life to make up for what i owe you. ”

she panted and looked at him. her eyes were clear and bright. those were tears.

gu ze reached out and gently caressed her face. ” i’ll give you time, but i’ll pursue you again. ”

There was a hint of fierceness in her eyes, but he smiled and leaned over to kiss her on the lips before leaving.

After taking a few steps, Lin sisi called out to him, ” Gu ze.

He turned his head and kept a distance of two steps away from her.

lin sisi tilted her head and said softly, " you said you want to be with me and compensate me. Are you willing to give Hengtong to me? now, not after you die.

who knows what will happen after death? " she said mockingly. a man's sweet words always sound good.

he frowned and looked at her, his voice low and hoarse."did you just say sweet talk?"

she smiled.

gu ze suddenly walked over, grabbed her hand, and pulled her outside. his voice was a little hoarse. " "I will prove it."

lin sisi was stunned. she struggled to break free. " what do you want? gu ze, you're crazy. it's so late. i want to sleep. "

however, he dragged her into the car and started the car without any hesitation. after driving for about five minutes, he called his lawyer. " go to my villa, now. "

after that, he hung up the phone and drove with a straight face.

Lin sisi's heart started to beat faster. She had realized what he was trying to do, but didn't he think that he was being childish?

she hit the car window and shouted angrily in a low voice, " "Stop the car, Gu ze, I told you to stop the car."

He didn't stop and continued driving straight ahead. About half an hour later, he returned to his residence, which was also the place where Lin sisi had stayed for a while. Here, he had even raped her, and it was also that night that she had a child. However, the child didn't have Yueyue.

she sat in the car, looking at the endless night sky, and sat quietly without moving.

"gu ze, why did you tear open my wound?" she asked softly.

in the dim light, there was light on her face. she was crying.

“Is there any meaning to this? is it fun to force someone who has hurt you? Or do you think that by giving me everything you have, I will be willing to return to your side?” she cried and laughed. ” gu ze, you used to value your career very much. you sacrificed me for your career. you sacrificed that little fool. now, if you say you love me, i have to go back to the past obediently? wouldn't i be too cheap then? ”

“I'm the cheap one!” I'm begging you, ” Gu ze said hoarsely. I'm begging you to be with me.

lin sisi smiled. ” what about your parents? would they be willing to let you be with a woman with a past? i might not be able to get pregnant again. gu ze, forget it. broken things can't be put back together. i don't want to work anymore either. i'm very tired. ”

Chapter 3470: lin sisi, can you be with me?(4)

“i want to go home,” she said, leaning against the back seat.

“this is your home.” he said firmly.

at that moment, a black buick stopped beside their car. lawyer lin came over and greeted them as soon as he got out of the car. ” “Master Gu.”

But when he saw Lin sisi in the car, he understood. He thought that they were going to settle their marriage issue, so Gu ze rolled down the window and said very indifferently, ” “go to my study room first, i'll be there in a while.”

lawyer lin was a little uncertain, so he went in with his briefcase and asked a few servants, but the servants couldn't give him any answers.

in the car, lin sisi looked at gu ze. ” aren't you afraid of embarrassing yourself by making such a big scene? aren't you afraid of losing face? ”

...

with that, she opened the door and got out of the car.

she was sure that he wouldn't. he was just scaring her and trying to move her.

she would sign it and see how he would end up.

what she did not see was that gu ze looked at her with a gentle and indulgent expression. he opened the car door and walked towards the second floor.

In the study room, lawyer Lin had already opened his laptop and was working. He was shocked, but President Gu had the right to make the decision. Even though it was such a big issue, he still carried it out.

The servants brought over hot tea. Lin sisi held it and sipped it in small mouthfuls, not saying a word.

gu ze's voice was especially clear in the dark. "all the shares of hengtong under my name will belong to miss lin, but i will retain my position as the ceo of hengtong. as for my salary, it will be decided by miss lin. "

as he spoke, he looked at lin sisi with a smile. "i'll be working for you in the future."

lawyer lin, who was about to write a document, said that this supper was dog food. president gu didn't want anything else when he was chasing a woman. he didn't want his assets, and he didn't want his face.

Sure, he would write whatever President Gu said. The document was typed out very quickly.

lawyer lin handed it over to gu ze for a look. gu ze only took a rough look before signing and stamping it with his personal seal. in addition, he even prepared hengtong's official seal and stamped it together. one could see his sincerity.

after he was done, he took a few thin pieces of paper and pushed them in front of lin sisi. his voice was very gentle.”Sisi, it’s your turn to sign.”

Lin sisi looked at the words on it. She enlarged them one by one and then blurred them out.

she lowered her head and picked up the two pieces of paper.

at the side, lawyer lin was thinking to himself, sign it, sign it. once you sign it, hengtong, which is worth tens of billions, is yours.

Sign it, child!

but lin sisi tore the document into pieces and threw it at gu ze’s face. ” “gu ze, i’m not going to be crazy with you.”

After that, she walked outside.

gu ze laughed lightly and chased after her.

Lawyer Lin shrugged his shoulders helplessly. Did men and women nowadays view money as dirt? He was really willful!

he didn’t stay any longer and went downstairs to leave.

when they passed by the master bedroom on the second floor, they heard lin sisi’s scream from the master bedroom. it seemed like president gu was doing something extremely embarrassing!

Lawyer Lin’s face turned red and he left quickly.

the youngsters nowadays couldn’t even control themselves.

meanwhile, in the master bedroom, lin sisi was being touched by gu ze.

She lay down and looked at him in shock. Her small mouth coldly spat out a few words, ” “you’re lying!”

he said that he couldn’t f * ck his life and she actually believed him, so she dared to come up with him. he was a liar!

gu ze hugged her, kissed and rubbed her, and said in a hoarse voice, ” “i did lie to you, but i really miss you.”
