

Thank you 351

Chapter 351 Coercion (3)

just as she was a little confused, tang mo suddenly let go of her.

PEI Qiqi lost her support and her legs went soft. She almost slipped.

she was still panting, her starry eyes were slightly closed, and her small mouth was slightly swollen as she opened her mouth in a daze.

she looked very alluring. at least tang yu wanted to kiss her again. but he only looked at her coldly. his previous passion was completely wiped away. he looked down at her and said in a low and hoarse voice, " sorry. "

she opened her eyes in a daze. although he didn't say it, she knew what he meant.

His current girlfriend was Sun Feifei! He had kissed her, so he said sorry.

instantly, her heart was filled with anger.

what did he think she was?

He kicked his leg forward. Tang Yu didn't expect her to have such childish behavior. He didn't notice and let her kick him.

PEI Qiqi immediately ran towards the door. When she turned the doorknob, a force behind her pulled her back and she fell heavily into a man's arms. Instantly, his domineering aura covered her.

"Let me go." her voice was filled with anger.

He hugged her whole, trapping her in his arms.

"miss pei, you've hurt a certain part of me." his tone was very indifferent, and his words were quite ruthless.

She could not tell that he was being a hooligan!

Good looks were good!

PEI Qiqi pursed her lips, "what do you want?" Don't tell me you want me to pay for the medical expenses, Mr. Tang?"

he nodded in agreement. " it's not that serious. you did a good job bandaging my wound last time. can you help me? "

PEI Qiqi didn't think too much about it.

to her surprise, he picked her up and walked to the living room, then went straight to her bedroom.

Tang Xin was still eating, her little mouth full of dog food.

She knew it, Qiqi was walking right into the trap.

pei qiqi was stunned for a moment. then, she called tang xin's name. she felt like she was being lied to but tang xin didn't dare to care about tang yu's business.

So Tang Xin moaned and lay down, pretending not to see it.

the door closed with a bang. tang xin looked at it carefully, and then her whole body trembled.

qiqi, i will count if you have lost any bones later!

pei qiqi was carried into the bedroom by tang yu and thrown onto the bed ...

she turned over and shifted her body a few times. she pursed her lips and watched as he unbuckled his belt.

“Mr. Tang.” She covered her eyes with her hands and said in a sharp voice, “don’t forget that you have a girlfriend!

She tried to wake up his conscience.

however, the sound of clothes being taken off continued to ring in her ears. she bit her lip and knew that she could not resist him.

She leaned against the headboard and turned her face to the side, deciding to protest in silence.

then, the bed sank deeply, and she clenched her hands nervously.

After that, his breath enveloped her, and he seemed to be very close to her.

tang yu stared at her tightly closed eyes and suddenly chuckled, “miss pei, i just wanted you to check my wound. what did you think i was going to do?”

his fingers gently caressed her red lips, and his voice was deep and hoarse. “You think I want to make love to you?”

There was no moment more embarrassing than this!

PEI Qiqi opened her eyes immediately and stared into his eyes.

Tang Yu sat to the side and pulled her over, “now, let’s do the examination!

her eyes widened in shock.

Chapter 352 forced (4)

PEI Qiqi lowered her head and looked at Wanwan.

then, she blushed and looked away.”please conduct yourself with dignity, mr. tang.”

with a noble look, he said, “miss pei, i’m asking you to check my wound in a reasonable manner. why? are you overthinking it?”

she was a little angry, but no matter how stupid she was, she was not stupid enough to be unaware of his bad behavior.

she pursed her lips and did not speak for a long time.

tang yu’s voice became even more indifferent, “remove it for me and check.”

He admitted that he was bad and had bullied her, but when she closed her eyes, a demon was born in his heart.

He wanted to see her cry and beg for mercy. God knew how much self-control he had to use to not push her down to Yingying. This punishment was already the lightest.

“Will you go out if there's nothing wrong after the examination?” she pursed her beautiful lips and looked up at him.

She was wearing casual clothes at home. They were fluffy and very cute.

her long hair was tied into a buxom ponytail, and her face was as beautiful as a painting. she looked so innocent and harmless as she knelt beside him, which was very moving.

Tang mo looked down at her, reached into his trouser pocket, took out a cigarette, and lit it. He blew out a long smoke ring.

Only by doing so could he suppress the evil fire in his body.

pei qiqi knelt beside him and carefully examined him. to be honest, she knew that he wasn't injured at all!

It was just that he was evil on purpose, and she was still disdainful of his power in her heart. It was that simple.

“it's done,” In addition to the examination, she also came with a ‘massage’ service.

The cigarette in Tang Zheng's hand almost burned him. She was too soft.

he lowered his gaze and looked into her eyes, but she was still kneeling there in a daze.

on the same bed! but it was no longer the past!

PEI Qiqi's eyes were a little hot. She felt an unspeakable pain. Just as he had always emphasized to her, he already had someone else by his side.

” i'll sleep with tang xin tonight. you can take her back tomorrow. ” she hardened her heart and said so.

Tang Yu tidied up his clothes and continued to smoke. When she reached the door, he said, ” are you scared? ”

PEI Qiqi's fingers landed on the doorknob and she stopped. She didn't turn around and said softly, ” yes, I'm scared.

when she was being so honest, he didn't know what to do with her. he looked at her deeply.

PEI Qiqi walked out. Her legs felt weak.

tang xin looked at her. the spread in her hand fell on the sofa. she quickly picked it up and put it in her mouth. she looked at pei qiqi as she ate.

The sun had risen from the West. Brother did not eat Qi Qi.

“i’m going to sleep.” PEI Qiqi’s voice was very calm, “I’ve already told your brother. He will bring you back tomorrow.” &Nbsp;

It wasn’t that she didn’t want to see Tang Yu, it was just that seeing him was more painful than not seeing him.

when she looked into his eyes and he kissed her, she felt a lot of pain, as if a piece of her heart had been lost.

He left and took that piece with him.

Although Tang Xin didn’t want to, she was still worried when she saw PEI Qiqi like this.

she lowered her head and let out a disappointed ‘oh’ as she watched pei qiqi walk into the guest room.

after the door was closed, tang xin carefully ran to tang yu’s place. tang yu was leaning against the bed with a calm expression. no one knew what he was thinking.

Tang Xin’s heart skipped a beat. She knelt beside him and hugged his arm, shaking it gently.”Brother, what’s wrong with you and Qi Qi? She looks quite sad.”

Chapter 353 The truth of the car accident (1)

“children, don’t meddle in adults” affairs.” tang yu said calmly.

Tang Xin pouted, ” Qiqi is also a child. Qiqi will only be twenty-one years old after the new year.

She looked at Tang Yu like she was looking at a beast.

Tang Zheng pursed his lips. He couldn’t do anything to his sister. He reached out and pinched her small face before saying indifferently, ” nonsense.

“it’s true!” tang xin gathered her courage and said, ” qiqi is still a student. brother, you’re bullying her. ”

the older brother was staring at her!

tang xin didn’t dare to make a sound and walked away like a little mouse.

After she left, Tang Yu let out a long sigh of relief. Tang Xin was right, he did hurt a child.

When Qi Qi followed him, she was not even twenty years old.

He lay down and touched the pillow under his head. It was indeed the one from Xia city.

that night, no one slept well, especially tang xin, who hugged pei qiqi and drooled the entire night!

breakfast was made by pei qiqi. she wouldn’t argue with tang yan about this.

After they finished eating, Tang Xin followed behind Tang Yu and was kicked out of the door by PEI Qiqi.

As she walked, she looked back, hoping that Qiqi would make her stay. PEI Qiqi was a little reluctant but she still had to send Tang Xin away.

She hardened her heart and closed the door.

Tang Xin carried her little bag and sat in Tang Yu's car. Every strand of her hair was dejected, "brother, Qiqi doesn't want me anymore.

Tang Yu patted her head and smiled, "you still have a brother.

"Seven-Seven is Seven-Seven! big brother is big brother! It's different." tang xin was very persistent with pei qiqi.

she didn't know why, but even though her mother didn't like qiqi and her brother and qiqi had been separated, she just wanted to be close to her.

Tang mo silently looked at her for a while before starting the car.

He still sent Tang Xin back. Tang Zhiyuan had called him several times in the past two days.

He also knew the reason why Tang Xin left home. It was probably because Zhao Ke's Affairs were reported in the news. In fact, Tang Yu wasn't surprised. He had heard about it a long time ago, but he didn't take it to heart even though Qingcheng had mentioned it a few times.

he had never cared about unimportant people or matters.

however, he didn't expect zhao ke to be so careless as to sell the photos to the newspaper.

Tang Zhiyuan was still angry, but Zhao Ke restrained herself a little, but she was still strict with Tang Xin.

After Tang Xin went back, she had to live with her tail between her legs, which was quite pitiful.

Tang Yu watched Tang Xin walk into Yan Hui. The car stopped for a while and then drove away.

Now that Tang Xin was back, he had no reason to go to PEI Qiqi's place.

.....

The house without Tang Xin was a little cold and cheerless, even though PEI Qiqi had turned the TV to its maximum.

in fact, she knew very well that it wasn't because tang xin was missing, but because tang yu was missing.

when he was around, she was flustered, but when he was not around, her heart was empty.

when pei qiqi told him that she was afraid, she was telling the truth!

She was afraid that she would get used to it, afraid that she wouldn't be used to the days without him, afraid of Hanhan.

when pei qiqi went to clean up the bedroom, she realized that tang yu had placed the t-shirt on her bedside table.

She stared at it for a long time, then finally swept it into the trash can, sweeping it out with the garbage in the house.

when she went downstairs, she took the newspapers from the past few days and went upstairs to read them. she laid on the sofa and flipped through the newspapers. suddenly, her eyes froze. she saw zhao ke's half-naked photo and immediately sat up to look at the head of the magazine.

Chapter 354 The truth of the car accident (2)

pei qiqi looked at it for a long time and her fingers clenched.

a thought suddenly appeared in her heart, and this thought made her unable to remain calm.

her gaze fell on the photo for a long time, and then she saw the name tag of a hotel on the bed of the photo.

She immediately got up, changed her clothes, and went out with her bag.

she drove to the hotel and went to the front desk. the lady at the front desk looked at her suspiciously. "miss, do you want to book a room?"

pei qiqi shook her head, "i want to check the room's records. is that okay?"

"This is not in accordance with the rules! but if you have special needs ... the lady at the front desk laughed drily. Her eyes were burning as she looked at PEI Qiqi. Her meaning was very obvious.

PEI Qiqi wasn't an unreasonable person. She took out a thousand Yuan from her bag and placed it on the counter. She bit her lip, "my boyfriend might have betrayed me and gotten together with a rich woman. I want to investigate.

the lady at the front desk looked at pei qiqi sympathetically and put the money into her bag. she said angrily, "i hate this kind of scumbag the most. tell me your name, i'll help you check."

"help me check the girl's name. they usually use the girl's name to register." pei qiqi's fingers clutched her bag tightly, "her name is zhao ke. the ke from wang ke."

The front desk lady's exquisitely manicured fingers tapped a few times, and Zhao Ke's name appeared.

"there are only two records. she booked a room with a man named rong lei." the lady at the front desk looked at pei qiqi with sympathy, "is rong lei your boyfriend?"

PEI Qiqi lowered her eyes and looked like she was about to cry, "yes!"

in fact, she was shocked.

Rong Lei?

isn't that zhou meilin's gigolo?

How did he end up with Zhao Ke?

At this time, the front desk lady had already searched Rong Lei's name and pulled out a long list of hundreds of messages.

She looked at PEI Qiqi pitifully, "your boyfriend is very strong. In three years, he checked in more than 200 times and there were more than ten women.

PEI Qiqi forced a smile, " don't tell anyone that I'm here to check the records.

of course. A scumbag like him should be left behind. the front desk lady also felt that it was a pity. how could such a beautiful young lady have such a scumbag!

However, after PEI Qiqi left, the lady at the front desk looked at the records again and understood, " this man is a pretty boy!

she snorted softly. it was bad enough that she had cheated a woman of her money, but she had also harmed such a beautiful young lady!

PEI Qiqi sat in the car and felt a little uneasy.

Zhao Ke, Zhou Meilin, and Rong Lei were all worried about her car accident!

It was as if something had broken out of its cocoon!

that thought flashed through her mind. she wanted to catch it, but she couldn't.

she tried her best to calm herself down and closed her eyes to think about what had happened that day.

The car accident, Zhou Meilin urged Rong Lei to come back?

Rong Lei and Zhao Ke had a falling out? That's why there was that photo in the newspaper?

She thought about it for a long time and decided to check it out in the newspaper.

PEI Qiqi rushed to the address given by the 'urban bulletin'. It was a small building that wasn't very bright. It didn't match the name it was given.

xiaowen had checked the address for her. she had been a secretary for a long time, so she must have some channels.

because it was the new year, the news agency was very quiet. the old man in the reception room looked at pei qiqi and stopped her, " young lady, who are you looking for? "

pei qiqi stopped in her tracks and smiled,"i want to buy a news section. i don't know which department to look for!"

Chapter 355 the truth of the car accident (3)

the old man in the radio room put on his glasses and looked up. " you're looking for director xu. he's working today, so you can go in and look for him. "

pei qiqi nodded and walked in.

There were two rows of offices inside, and most of them had their doors closed. Only the door of the innermost room was open.

PEI Qiqi stood at the door and saw a middle-aged man sitting inside. He was wearing a black coat and had a cigarette in his hand. He was reading a script.

director xu probably heard footsteps. he looked up and saw pei qiqi standing at the door.

"do you need something?" director xu looked at the young girl and asked politely.

PEI Qiqi walked in, took out a newspaper and placed it in front of director Xu. She asked softly, "did a man named Rong Lei give you this photo?"

Director Xu only took one look and remembered that there was indeed such a thing.

"This section is usually sold for 5000 yuan. As it involves the privacy of certain people, I took 20000 yuan." He didn't hide anything.

Pei Qiqi lowered her eyes and suddenly laughed, "then you must have other photos here, right?"

Director Xu narrowed his eyes and backed off. He looked PEI Qiqi up and down, "why? you want to buy it?"

"do you have a grudge with these two people?" he asked suspiciously.

"My boyfriend! that woman stole his Wanwan. PEI Qiqi lowered her eyes, "I won't let that woman have an easy time.

Director Xu sneered and opened his drawer to search for something. At the same time, he said to Pei Qiqi, "I've seen this kind of drama many times. Isn't it just a man? It's not worth it. Doesn't this kind of man just have a good-looking skin?"

Even though he said that, he still took out the photos and placed a thick stack on the table. He pressed his palm on it and said, "I can sell these photos to you, but I have to say this first. Whatever happens has nothing to do with me and I won't take responsibility!" Of course, I can't say that I sold these photos. It's all up to you."

As Director Xu spoke, he took another cigarette and said in a faint voice, don't be fooled by our reputation outside. In fact, we've been out of business for a long time. We're just an empty shell. Otherwise, why would we accept such a job?"

PEI Qiqi pursed her lips.

Director Xu gestured with his fingers. "5000 a piece. No bargaining. If you can accept this amount, we have a deal."

Pei Qiqi took the photos and looked at them one by one.

She frowned. To be honest, the photo that Rong Lei had put in the newspaper was really a great show of mercy!

These photos were the main show!

She was almost naked and unsightly.

Director Xu looked coldly at Pei Qiqi and couldn't help but feel surprised-

This little girl looked at these and could actually remain calm.

PEI Qiqi counted the photos. There were about twenty.

"A hundred thousand! I'll buy it and give you 200000." PEI Qiqi didn't need to say anything more to understand what Director Xu was saying.

"Alright, don't worry about what will happen next," he nodded.

he put the money in a paper bag and passed it to her. pei qiqi pursed her lips and took out two hundred thousand from her bag. one look and she could tell that he had prepared this.

director xu took the money and didn't say anything else. he personally sent pei qiqi off.

beside the mailroom, he watched as pei qiqi walked away. then, he took out two hundred yuan bills and handed them to the old man, "keep your mouth shut."

Chapter 356 The truth of the car accident (4)

the old man in the radio room got the money for free, so he naturally wouldn't say anything.

director xu narrowed his eyes and looked in the direction of the stairs. he suddenly felt as if he had seen the girl before.

Where had he seen it before?

He couldn't remember after thinking for a long time!

In the end, she suddenly thought of something. She ran back to her office and flipped through the old newspapers.

It was Wan Wan and Mr. Tang from Sheng Yuan who were in the frame together.

he remembered that the girl's surname was pei. she was supposed to be engaged to mr. tang, but the rumors said that she ran away from the engagement.

Director Xu's body went soft, and he felt that he had been involved in something terrible.

he walked to the radio room again and handed a cigarette to old lin."if we leak out any information about what happened today, we won't be able to keep our jobs."

Elder Lin nodded.

"No matter what, we're going to stay here until we retire!" Director Xu patted his shoulder again.

He went back and gave another 10000 Yuan to old Lin. "Remember, stick to this matter and don't say that you've seen this girl."

if they didn't say it, this matter had nothing to do with them. if they said it, they would lose their lives.

... Downstairs, PEI Qiqi was sitting in the car.

She closed her eyes and her mind was in a mess.

the one who didn't want her to marry into the tang family the most was zhao ke.

the person who hated her the most was zhou meilin!

but, how bold was zhou meilin?

did she really dare to hire someone to kill her?

pei qiqi's lips tightened.

she went to the place where zhou meilin was being held.

she requested to see zhou meilin, but the person inside shook his head. ” zhou meilin refused to see you. ”

pei qiqi was a little disappointed. if zhou meilin didn't want to see her, she couldn't force her.

“did she say anything else?” She asked the warden.

“No, but I did ask why Pei Huan didn't come.” The person thought for a moment and shook his head.

He looked at PEI Qiqi. what? aren't you her daughter? ”

“I am! it's just that I have some conflicts with my mother. she looked at the warden. can you pass the message again? ” Just say that PEI Huan came with me. ”

The warden looked at her with a deep gaze.

pei qiqi took out an envelope and said in a low voice, ” “i just want to ask two questions. it won't cause any bad influence.”

the warden took the envelope, pondered for a moment, and then said indifferently, ” i also want to see if the person involved is willing. the instructions from the higher-ups are not to force him! prisoners are also human beings, they have the rights to be civil servants.”

he stared at pei qiqi and then dialed the internal line, ” xiao zhang, go and tell zhou meilin that her daughter pei huan is here. ”

after he hung up, he looked at pei qiqi, ” i'll only give you five minutes. ”

“thank you,” he said. PEI Qiqi knew that this was her only chance, so she followed a prison guard to a small reception room. There was a wire fence in the middle.

when zhou meilin came out, her hair was a bit messy, and she was wearing a simple prison uniform. her face was yellow, and she looked down. she must have suffered a lot in there.

pei qiqi thought about it and agreed. pei huan didn't ask and zhou meilin didn't have anyone to help her, so naturally, she was in dire straits.

when she saw pei qiqi, zhou meilin's dull eyes brightened for a moment and then quickly dimmed. she excitedly said to the female prison guard beside her, ” “I don't want to see her! I want to go back! Yingluo, I want to go back!”

She was speaking incoherently.

however, the prison guards had received orders from their superiors to detain zhou meilin and not allow her to move.

if he moved, the electric baton would be gone.

zhou meilin's body curled up. she was unwilling, but she didn't dare to move.

Chapter 357-I'm willing! I just like it!

PEI Qiqi walked over. There was only a wire between her and Zhou Meilin. She looked at Zhou Meilin with her dark eyes, ” I just want to ask you one thing.

Zhou Meilin seemed to have prepared for her arrival.

She lowered her head and her eyes, her voice a little hoarse. where's PEI Huan? i only want to see my huanhuan."

pei qiqi looked at the old woman in front of her. really, she's a far cry from before. in the past, he had only thought that zhou meilin was gaudy, dressing up in red and green despite her age, but it was better than the poor look she was in now.

"pei huan won't be coming." pei qiqi smiled lightly, "pei huan is with a producer now. she wants to be a star. "

zhou meilin was dumbfounded. she jerked her head up and stared at pei qiqi. her eyes were wide open as if they were going to pop out.

All of a sudden, she broke free from the prison guard and ran to the wire fence. Her fingers that were as thin as a chicken clutched onto the wire fence as though she was trying to grab PEI Qiqi. She couldn't stop saying, " " how is that possible? how could my huanhuan sleep with someone else? she's the lin family's madam, and she's pregnant! "

her fingers tugged at the corner of pei qiqi's clothes and her eyes widened, "pei qiqi, you must be talking nonsense. you are jealous of huanhuan and that's why you said that, right? "

pei qiqi didn't break free. she just looked at zhou meilin indifferently with a cold smile on her lips, "jinrong became a vegetable and pei huan aborted the child! they got a divorce and pei huan took 50 million yuan to exchange for these. didn't you know?"

Zhou Meilin's yellow face became even uglier. She kept shaking her head, unable to accept it.

everything she did was for her and pei huan to have a better life! Why did this fool get a divorce?

Just that stomach alone could ensure that he would not have to worry about food and clothing for a lifetime ...

It had to be said that Zhou Meilin knew her daughter's character very well. She knew that PEI Huan couldn't take hardship and could only rely on others.

"i saw her the day before yesterday. she was with that man." PEI Qiqi's lips curled into a faint smile, "and she also sucked | Poison!"

zhou meilin's fingers clenched tightly, and then loosened. she covered her ears and screamed hoarsely and mournfully, "no, no, yingluo, how could yingluo be yingluo? "

a prison guard rushed over and hit her with an electric baton. " "Be good."

zhou meilin's body went numb from the pain. her gray lips trembled, and her body also knelt down.

it was a subconscious reaction. pei qiqi looked at it and could tell that zhou meilin had been hit a lot.

she still stood there indifferently and looked at zhou meilin, "all of this was caused by you. if you didn't plot that car accident, jinrong wouldn't have become like this, and pei huan wouldn't have lost her footing. "

Zhou Meilin squatted down, her hair was like a mess of grass, and her face couldn't be seen. She could only hear her Mutter, " "Yes, I caused this, it was me! But shouldn't you be the one to die? Shouldn't you, you bastard, be the one to die?"

pei qiqi's heart turned cold. she raised her head and closed her eyes, " auntie, is it worth it for you to squat here your entire life for a gigolo? "

Zhou Meilin raised her head and smiled at PEI Qiqi. Her smile was really scary.

" what do you know, pei qiqi? you probably don't know what a relationship is! " "i do. i like rong lei," she said with a cold smile.

Chapter 358 i'm willing! i just like it!(2)

After she finished speaking, she realized that she seemed to have revealed something, so she immediately closed her mouth and refused to say anything more.

PEI Qiqi looked at her and felt that she was pitiful ...

after being sentenced to prison for so many years, she still felt that she had made a sacrifice for love.

"Rong Lei is also involved in this!" she asked directly.

Zhou Meilin looked at her guardedly. There was a touch of caution in her eyes, like a female Wolf.

Then, she let out that same mournful voice, " PEI Qiqi, don't even think about getting anything out of me. I did that alone. It has nothing to do with anyone else.

PEI Qiqi didn't say anything. She took out a photo from her pocket and handed it to the other side of the fence.

Zhou Meilin's eyes shifted and then fell on it.

her eyes seemed to be frozen as she stared at it.

it was a selfie of zhao ke and rong lei, both naked and having sex!

She didn't believe it. She didn't believe Yingluo.

"pei qiqi, this must be synthesized right? Rong Lei would never know Zhao Ke, this b * tch. | It's a human's." Zhou Meilin stood up all of a sudden, her fingers gripping the wire fence so tightly that she almost bled.

PEI Qiqi coldly watched as she struggled and looked at how she wished she was dead.

At that moment, she was a little pleased.

zhou meilin, are you in pain now?

you've been betrayed by rong lei, and it hurts! You would rather die than Live! But when you hurt dad like that, did you care about the feelings between husband and wife?

She didn't need to ask, she already knew the truth.

it was zhao ke!

Everything was planned by Zhao Ke, and Zhou Meilin was just a fake name!

however, this was what she deserved.

PEI Qiqi took a step back, stunned.

“pei qiqi, it's that pair of dogs. | Male | the female schemer set me up.” zhou meilin fell to the ground and shouted hoarsely, “ i'm going to kill that b * tch, zhao ke. ” | People!”

She raised her eyes and looked at PEI Qiqi. Then, she grabbed the wire again, “ you will help me, right? ”

pei qiqi laughed coldly, “ auntie, no one can help you. don't you think you're reaping what you sow? ”

Zhou Meilin was dumbfounded, tears streaming down her old face.

PEI Qiqi turned around and walked towards the door. Then, she paused, “ ” from the day you sent me to mr. zhong, from the moment i stepped into tang yu's room, it was all wrong. ”

After she finished speaking, she quickly left the dark place.

Behind them, Zhou Meilin's wailing voice could be heard. As she walked, it gradually drifted away.

when she went out and breathed in the fresh air, she could still smell the stench of decay.

He seemed to be able to hear Zhou Meilin's crying.

pei qiqi leaned against the car door and let out a long breath.

She took out three cigarettes from the car, lit them up, and stuck them into the soil.

he squatted down in the direction of pei minghe's grave and muttered, “ ” dad, zhou meilin has received her retribution. ”

after that was zhao ke.

she had harmed jinrong. she had caused the death of lin yun's child, yingluo.

The law's punishment for her was too light. PEI Qiqi knew how to make Zhao Ke feel worse.

losing the title of mrs. tang would probably make zhao ke feel worse than death ...

pei qiqi closed her eyes. just like what zhao ke said, they weren't fated to be mother and daughter in this life. they were destined to be enemies!

After a while, the warden suddenly walked out. When he saw that PEI Qiqi was still there, he heaved a sigh of relief and sighed, “ “zhou meilin is crazy.”

pei qiqi was stunned for a moment. then, she lowered her eyes, “i will pay for her medical expenses. you guys take good care of her.”

she took out a card and handed it to the warden, “call me if you don't have enough.”

She wanted Zhou Meilin to live because her father didn't want to see her!

Chapter 359-what are you doing here?

by the time pei qiqi returned to the city, it was already night time. today was the fourth day of the first month of the lunar year. the streets were livelier than usual and people were walking to and fro. however, it only made her seem even more lonely!

When she was waiting at the traffic light, there would be young men and women pointing at her car and laughing. When more people laughed, PEI Qiqi finally remembered that her car was being criticized.

She thought, 'I'll still take the company's car to the hotel tomorrow. This car really doesn't look like it!'

Later, she went to the PEI family's building.

it was the new year and only one security guard was on duty. when he saw pei qiqi, he quickly stood up, "Boss PEI."

pei qiqi smiled lightly, "i'm just here to take a look. You go do your thing."

The security guard hesitated for a moment before carefully asking, "is boss PEI really moving the company away?"

PEI Qiqi smiled lightly. that's right. Actually, with the PEI family's current situation, they don't need this kind of expensive land.

How could she not know that after selling this piece of land, she would probably never be able to buy it back?

but she needed the money.

The PEI family's shareholders had been secretly moving, and his father had only left him 38% of the shares.

If one day, these people waited for an opportunity to make a move, she would really be powerless to turn the situation around.

instead of waiting for that day, she might as well start by taking advantage of these people's greed.

PEI Qiqi knew this was cutting her own flesh, but she had no choice.

the security guard didn't say anything more. he just did his job and let pei qiqi walk in.

the pei family's business wasn't that big. it only had a few hundred employees, and they occupied a separate building with a rest area for the employees. the total area wasn't that big or small, but in the center of B city, it was considered very expensive.

she walked to the office and sat at the place where she had sat for a long time before packing her things-not only her things, but also pei minghe's.

when she left, she stood at the door, her eyes glistening as she slowly closed the door.

as the evening lights came on, she carried the paper box to the car and actually had a feeling of not knowing where to go.

Her phone rang. She looked down and saw that it was Xiaowen.

boss PEI, don't forget to go to The Pearl Hotel tomorrow night. I went to confirm it again today. The venue and other things have been set up. I've hired a slightly famous host, but it's a little

expensive. xiaowen felt that it was a pity. when old mr. pei was still around, he had been reluctant to sell this piece of land. if it had not been so difficult for boss pei, they would not have reached this stage.

pei qiqi acknowledged, " thank you, xiaowen. "

" what's there to thank me for? i'm boss pei's secretary. this is my job. besides, i'm getting paid for it. " Xiaowen said sincerely.

She felt that PEI Qiqi was actually a good boss. Compared to old Mr. PEI, she might not be as easy to talk to, but she gave her a little hope.

of course, there was still a long way to go, and it was not something that could be done overnight.

She thought for a while and said, " even if the company moves, I'll still be your Secretary. I'm alone anyway. I'm fine with going anywhere.

pei qiqi smiled lightly,"okay." i'll see you tomorrow."

" by the way, i've already prepared the dress. you can just change in the lounge. " xiaowen added as she recalled something.

pei qiqi sighed in her heart. she had to wear an evening dress to sell her smile when she was selling her ancestral property.

However, no matter how unwilling she was, she knew very well that she had to deal with this kind of occasion.

Chapter 360.2: what are you doing here?

In the lounge of The Pearl Hotel.

PEI Qiqi looked at herself in the mirror and was a little dazed.

She was a land seller, and now it seemed that she was showing off her beauty in disguise!

She didn't know that Xiaowen had prepared such a set of clothes for her.

The black knee-length dress was really simple in style.

The square collar that had been dug out was not too revealing at the front, and only her shoulder blades were exposed at the back. The dress was knee-length ...

it was just that the two tender arms like lotus roots, as well as the large snow-white muscles on her neck and back, were all bare and fair, and they were mesmerizing under the light.

fortunately, her long black hair was draped over her back, blocking a little of the color, but those two tender legs challenged a man's self-control, and people could imagine infinite things just by looking at them.

there was only one word to describe her entire person-
fragrant, soft, and smooth!

xiaowen was also stunned. she always knew that pei qiqi was beautiful, but when she was wearing this dress, she looked so beautiful.

she was fantasizing in her heart. in the past, when mr. tang was facing boss pei and the two of them were lying on the same bed, did he still need to sleep?

Xiaowen's fingers couldn't help but touch it. Wow, it felt so good.

PEI Qiqi only had a thin layer of makeup on her face. Her midnight-like eyelashes were thick and curled. Her red lips were a natural color as if they were moist. They were so fragrant and soft that one would want to gobble them up in one bite.

xiaowen thought unkindly that boss pei would probably be worth more than that piece of land if he stood out like this.

however, she did not dare to say this out loud.

PEI Qiqi looked at her and said lightly, "Let's go," he said.

Xiaowen was also wearing a black dress. She was a little restrained, so she pulled her clothes and followed PEI Qiqi out.

of course, they were not fighting alone. a few of the younger middle-level members of the pei family had also been pulled over, and they were all strong and imposing.

as they walked into the auction hall, the lights were a little dim, but they could still see that the decorations had been carefully arranged.

"the organizers like to play this kind of game! i heard that it's based on psychology. in such an environment, people's kidney hormones will soar, and they'll accidentally raise the sign." little wen lowered her voice and whispered into pei qiqi's ear.

pei qiqi glared at her, "does the kidney hormone care about this?"

xiaowen laughed dryly. "almost! it's almost the same!"

the two of them sat down in their seats. at this moment, almost everyone had arrived. the lights were dim so not many people noticed pei qiqi.

But who was this host? How could a host in B city, who was very good at dealing with things, let go of the auction house?

He first said some funny things and then instructed the lighting to look for PEI Qiqi, "we're here to see where the beautiful boss PEI is. Please coordinate the lighting.

PEI Qiqi felt a little uncomfortable sitting there. The handsome male host had already spoken, "now, let's have our boss PEI come on stage. Let's give a beautiful opening to tonight's auction.

Applause rang out from the audience. Then, the emcee came down personally and extended his hand towards PEI Qiqi like a gentleman.

pei qiqi didn't want to embarrass him, so she placed her hand on his wrist and walked up the stage with him.

there was enough light. she stood there, her white skin shining, and she was so beautiful that it was shocking.

then, the emcee said the same thing as xiaowen. ” if i didn’t know that shangxian road’s plot of land was being auctioned today, i would have thought that the auction item tonight would be the beautiful boss pei. ”

as he spoke, he bent down and kissed the back of pei qiqi’s hand.
