Chapter 3511: I'll tell you what it means to have a good wife (1)

ye zhenggang looked at his wife and frowned, "What is it?"

su fu slowly walked to the dining table and gave him a rare smile. "sit down and eat!"

Ye zhenggang strolled over, thinking that su Fu probably cared because he had gone to Xie Anning's place last night.

he sat down, cleared his throat, and said with emotion, "su fu, i admit that i've let you down, but i'm also very uncomfortable with what happened to you. our yueyue has forgotten the unpleasant past and started over."

su fu looked at him and only poured himself a glass of milk after a long time. he said very softly, "You might have misunderstood."

"Aren't you brooding over last night's incident and trying to get back together?" ye zhenggang insisted.

...

su fu gently shook his head. "no, i wanted to tell you that i should move out. it'll be more convenient for you."

"su fu, you're the one who wanted to relieve yourself, right?" ye zhenggang jumped up in anger.

last night, he had still brushed off the matter lightly, but this time, he did not plan to let her off. he wanted to get to the bottom of it. "tell me which pretty boy it is, and i'll kill him!"

"there's no gigolo. i want to move out because of xie anning." Su Fu was also angry. don't I even have this little freedom? what right does a husband who cheated on me have to order me around?"

as she spoke, she skipped her breakfast and went upstairs to pack her things.

ye zhenggang followed behind, kicking open the bedroom door and locking it.

su fu walked out of the changing room and looked at him.”what do you want to do?”

ye zhenggang stared at her and said in a very slow voice, ” “it’s probably because we haven’t been husband and wife for a long time, so you’ve forgotten about our feelings.”

As he spoke, he walked towards her step by step. Su Fu was stunned and his voice carried a hint of shock.”Ye zhenggang, what are you trying to do? are you crazy?”

She backed away until she reached the side of the bed.

Ye zhenggang pressed down on her shoulder, his eyes seemed to be on fire.”Look at you now. You’re dressed so well because you found a pretty boy, right? what kind of person is he? do you also yearn for him to hug you?”

as he spoke, he cupped her body and kissed her neck.

Su Fu was a little old, but he had maintained his appearance very well. Ye zhenggang had not touched her for a long time, so he was excited all of a sudden, even though they had a ridiculous night last night.

He kissed her neck and moved up to her lips, but su fu pushed him away and slapped him.

this slap stunned ye zhenggang, and he looked at her in a daze.

“Get lost!” Su Fu panted and said in a soft voice.

Ye zhenggang jumped in anger,”which pretty boy is it that made you so concerned?!” I’ll find out and kill him.”

He didn't force her any further. He slammed the door and left. After leaving the house, he heard a dead silence coming from the house behind him.

Ye zhenggang turned his head abruptly and looked behind him as if he was looking at a flood or a ferocious beast.

he knew that it was the sound of his su fu's marriage breaking.

Ye zhenggang returned to his office and asked the staff. Xie Anning was already there.

He heaved a sigh of relief. He was most afraid of women being irrational. He already had one in his family, and he didn't want this one to be irrational.

Did Xie Anning take his drunk words seriously last night?

He was really unreasonable.

Ye zhenggang felt lonely and heaved a long sigh of relief. He then called Hao Yun to complain.

Chapter 3512: i'll tell you what it means to have a good wife 2

ye zhenggang made a call and poured out his grievances, " Hao Yun, what's wrong with this woman? I'm nothing now that I have a pretty boy. Ran ran can't even touch me, and she even slapped me!

He rambled on and said a lot of things.

in the end, ye zhenggang concluded, " help me investigate and find out who this pretty boy is. i will cripple him. "

hao yun felt a chill in a certain part of her body and coughed lightly. " "maybe it's a misunderstanding? maybe it's just love and nothing else?"

they're all going back and forth, hooking up with each other. How can there be so much pure love in this world! Ye zhenggang was a little frustrated. Hao Yun, the kids can't tell anyone about this. I can only trust and count on you. You can't let me catch them in the act personally, right? it's not good for the public to know.

he lit a cigarette. " talk to su fu when you have time. aren't you her junior? i remember you were in the same club as her in school. "

...

Hao Yun said softly,"you still remember?" But su Fu might not remember."

"She has a good memory." Ye zhenggang grumbled, then said, " "What do you think about Xie Anning's matter?"

father ye was feeling quite uncomfortable now because he didn't seem to be able to get rid of her.

He knew that he had to break up with Xie An ning if he wanted to get su Fu back, but how could it be so easy?

Hao Yun was silent. you have to make your own decision. Talk to her.

"Yeah, take it slow!" Ye zhenggang sighed and continued to speak.

at the door, xie anning opened the door a crack and then closed it again.

his heart was beating fast, and his face was filled with unwillingness. Ye Zheng was about to throw his hands away and quit. He didn't want her anymore after so many years. He had promised her last night.

How could she allow herself to be thrown away like this?

She went back to her office, sat on her office chair, and scratched her head. After a long time, she bit her lip.

She had no choice but to fight with her back to the wall.

xie an ning immediately made a phone call. her voice was very soft, "Associate Hospital director Wang, I would like to ask for your help,"

Three days later.

Xie Anning came to the ye family's mansion during work hours.

su fu was still unable to move out successfully because ye zhenggang had used all sorts of methods. when he heard the servant say that xie an ning had come to visit, su fu was surprised, but he still invited her in.

Xie Anning and su Fu used to be very close. Because of work, Xie Anning would come over from time to time, and su Fu would always treat her to handmade biscuits he made.

It wasn't until he saw Xie Anning hugging ye zhenggang in the house that su Fu realized the true identity of this Secretary was to warm her husband's bed.

meeting again at this time naturally would not be very pleasant.

Su Fu was wearing a light beige robe, and his hair was braided in a comfortable and homely manner. He exuded the comfortable aura of a lady from a noble family.

when xie an ning saw su fu, she felt a little inferior. some people were like this. they did not need to do anything and were born with a halo. su fu was such a person.

"Is there something important that you want to tell me?" su fu held a cup of tea and spoke politely.

xie anning gently licked her lower lip and spoke with some difficulty, "it's like this, i, yingluo, am pregnant."

as she spoke, she placed a pregnancy test in front of su fu.

su fu looked at the paper quietly and did not pick it up to read.

“it’s been more than a month. i want to give birth to yingluo,” xie anning’s voice was soft.

su fu raised his face and looked at xie anning, ” does ye zhenggang know? ”

Chapter 3513: I’ll tell you what it means to have a good wife (3)

she was actually a little surprised. long after she had given birth to mu bai, ye zhenggang had already had a vasectomy. he was already so old, so it was impossible for him to want a child. moreover, it was a child born from a mistress. he cared so much about his feathers, so how could such a thing happen?

Therefore, Xie Anning’s stomach was either empty or she was pregnant with someone else’s child.

However, su Fu did not expose her. What was there to expose? he would just let her and ye zhenggang fight each other.

“What do you want?” su Fu asked softly.

xie an ning’s voice was a little tight,”he promised to marry me.” But I know he still has feelings for you, Yingluo.”

Su Fu looked at her. you mean you want me to take the initiative to withdraw and divorce ye zhenggang so that your child can have a status? ”

...

Xie An ning’s face was Haggard, ” teacher su, I’ve really let you down. But I know that you’re a kind person. You wouldn’t be willing to see a child disappear just like that. Moreover, the child was upright. Don’t you love him very much? ”

su fu gestured for her to stop and smiled faintly.”you’ve already had a child with him, how can i still love him?”

xie an ning’s expression was uneasy. she then knelt in front of su fu and choked,”i’m begging you. it’s my first time being a mother, and it might be my only chance in this life.”

Su Fu looked at her and did not ask her to get up. He only said seriously,”Are you sure you want to have a shotgun marriage? Have you ever thought about what the public will say? a mouthful of saliva from each person will drown you!”

“as long as you help me, you can tell me that you have no feelings for him anymore. i can marry him in secret.” Xie An ning’s eyes were filled with tears.

Su Fu looked at the woman in front of him who he had watched grow up. She was only a few years older than Mu Lin, but she had climbed into Mu Lin’s father’s bed and even cried about having a child. Did she really not feel that life was ridiculous?

su fu was silent for a long time.

xie an ning kept looking at her, her expression somewhat pitiful.

su fu finally opened his mouth, but his voice was a little heavy.”i’ll walk the path i’ve chosen, even if i have to kneel.”

“thank you!” xie anning said with tears in her eyes.

after she left, su fu hung up the phone and called ye zhenggang, ” “Come back when you’re free!”

Ye zhenggang’s heart skipped a beat, but he still returned to the old residence in advance.

Su Fu sat in the small living room, still looking as pale as a chrysanthemum. Ye zhenggang sat opposite her and couldn’t take his eyes off her.

When people were old, they might think of their wife's kindness, and the women outside would always be a little hysterical.

su fu's voice was faint,"xie an ning was here. let me have a look at this."

as she spoke, she showed him the hospital certificate.

Ye zhenggang stretched out his hand to take a look, and his expression changed drastically.

The pregnancy certificate!

his expression was very bad. he put it down heavily and looked at his wife."It's impossible to have this child."

but I've confirmed it over and over again. She said that it's your child and even hoped that I could divorce you. Su Fu paused for a moment before slowly saying,"I'm willing, it's all up to you."

ye zhenggang was flustered and exasperated."Su Fu, are you just looking for an excuse to divorce me? don't even think about it. "

He took the certificate and got up in a hurry. When he got up, he was dizzy from anger.

He didn't leave and went to Xie Anning's residence.

the car stopped and he went upstairs. xie anning was half-lying on the bed, looking very fragile. when she saw him come in, she said softly,"You already know."

ye zhenggang walked in front of her and threw down a list. he said coldly, " I've been tied up before. How could I have a child? since you have a child, it's definitely not mine. You must have another man. So, we're over.

xie anning immediately sat up from the bed, "how is that possible?"

"If that's the case, why didn't su fu say anything?" she mumbled.

"Why don't you tell me?" ye zhenggang's face was cold.

at this moment, he was flustered and exasperated. after speaking to xie anning, he was about to leave. xie anning immediately got off the bed and held him from behind. she muttered, "zhenggang, i was wrong. i shouldn't have lied to you, yueyue. i'm not pregnant. i don't have any other man. it was su fu who harbored ill intentions. she knew that you had a vasectomy, right? she dug a hole for me to jump into. zhenggang, i'm innocent."

"stop your acting!" ye zhenggang pushed her away and saw her fall onto the bed. he said coldly, "Xie Anning, you used to say that you didn't want a status, but look at your own face now."

"my face?" xie anning laughed with tears in her eyes. she took a pillow and threw it over, "ye zhenggang, which woman would sleep with a man for more than ten years without any ulterior motives? which woman doesn't want to get married and have children? which woman would be willing to be a shameful mistress?"

...

she shook her head. "i begged her. i went on my knees to beg her. she knew that i didn't have a child but she still agreed. ye zhenggang, do you know why?" Because she doesn't love you anymore, she wants to get rid of you. In this world, I'm the only one who loves you the most, and I'm the only one who cares about you."

her face was covered in tears, but ye zhenggang was unmoved. "you must be crazy."

He turned around and left. Behind him, Xie An ning was crying uncontrollably.

That night, Xie An ning committed suicide.

in order to placate her and not create any scandals, ye zhenggang gave in and didn't break up with her. however, he didn't promise to marry her either.

the concession he made to su fu was to let her move out of the ye family mansion and live in qin garden.

Half a month later, Hao Yun appeared in Qin garden. Su Fu was making desserts, and because the temperature of the oven was high, she only wore a loose floral dress.

hao yun stood at the door and watched until she saw him.

they looked at each other for a long time before hao yun smiled and took out a bag of food. " i brought this from city H. try it! "

Su Fu straightened his body and walked over to take it. "i thought you were going to give me books again."

"That can't be eaten as a meal," Hao Yun said with a smile.

he sat down and watched her make a pot of flower tea to go with the snacks he had brought.

no one said anything. they just sat there quietly, tasting her tea and his snacks.

She hadn't felt the peace and quiet for a long time.

"Are you alright?" he finally asked.

"It's pretty good. You know about Xie Anning, don't you?" su Fu whispered.

"Xie Anning is only temporary. It's only a matter of time before President ye gets rid of her," Hao Yun said in a fair tone.

"you're here to persuade me?" su fu smiled.

hao yun's gaze fell on her face, and her adam's apple moved slightly. " what do you want me to do here? "

su fu poured him a cup of tea and said faintly,"I just hope that you're only here to have a cup of tea and eat something with me."

Hao Yun swallowed all her words and nodded. "Yes, that's it."

su fu looked at him and wanted to say a lot, but in the end, he did not say anything.

however, hao yun said, " let's wait for mulin to grow up! "

He had su Fu in his heart and knew her greatest wish, so he wanted to help her fulfill it. He really felt happy with other Wanwan after drinking tea.

Chapter 3515: A bad habit that developed after the miscarriage (1)

su fu looked at hao yun and lightly said,"Mu Lin is back too, right?"

Hao Yun shook her head. no, I came back alone. I have to rush back to city H later.

Su Fu was a little surprised and looked at him.

The referee finished his cup of tea and smiled slightly."i'm relieved to see that you're fine. su fu, you deserve to be treated well and pursued."

so, don't say that he traveled thousands of miles just for a cup of tea and that it was too hard on him.

She was worthy of his pursuit.

...

After Hao Yun left, su Fu sat there the entire night, his eyes fixed on the cup of tea that Hao Yun had just drunk.

He came back a week later with ye Mulin to see su Fu.

in front of ye mulin, hao yun and su fu naturally restrained themselves.

he had actually said it out loud, but he did not overstep his boundaries. su fu did not say whether he would accept it or not. he always appeared by her side courteously and with restraint, not to cause her trouble.

after ye mulin and su fu had dinner, he said that he was leaving. hao yun left with him, but when he was in the car, he remembered something.”i forgot my briefcase, i’ll go get it.”

ye mu lin looked at his back and seemed to be deep in thought.

When Hao Yun returned to the living room, su Fu was still sitting. He went over to pick up his briefcase and coughed lightly.”I’m leaving.”

she looked up and nodded. hao yun took out a small box from her bag. ” “It’s just a little toy.”

After he left, su Fu opened it. It was a specimen. The leaves of the France parasol trees unique to city H were pressed neatly together. They were golden and she could almost smell the autumn scent of city H.

Su Fu chuckled and made a bookmark out of the specimen. He later put it in his book when he read.

On the other hand, Hao Yun got into the car. Ye Mulin drove the car himself. uncle Hao, are you going to my father’s place? ”

” oh? ” hao yun paused. ” tomorrow! ”

ye mulin left the courtyard and turned the steering wheel. ” “i’ll send you home.”

Hao Yun nodded.

he was also a very sensitive person, so he was not sure if mu lin knew anything.

After sending Hao Yun back, ye Mulin went straight to Bai suili's small apartment. It was already ten O'clock at night when he arrived, but the lights in her apartment were still dark. His car was parked below her building. He sat in the car and took out his phone. He hesitated for a moment but still did not call her.

he sat in the car and waited quietly.

bai suili came back at 12 midnight. she was stunned when she saw his car when she got out of the taxi and slowly walked over.

Ye Mulin sat in the car and looked at the black stockings, short skirt, and short white coat on her. She was very beautiful, but it was not an expensive piece of clothing.

he opened the door and got out of the car, walking quietly to her.

she seemed to be in a daze, as if she didn't expect him to appear here.

After a while, she suddenly laughed sharply. ye Mulin, do you really think that my place is your Xiao Hun's nest in B city? "

without waiting for his answer, she took her small handbag and walked briskly towards the old stairs. when she passed him, he smelled the scent of cheap perfume.

he suddenly grabbed her wrist. " where did you go to work again? "

bai xili turned around and stared at him."yeah, what's wrong?"

His gaze was deep.

you're saying that if you give me 300000 Yuan, I should be waiting for you in B city? " Bai suili smiled lightly.

"You know my temper," he continued to stare at her.

Chapter 3516: A bad habit that developed after the miscarriage (2)

Bai suili looked at him. your temper? " Ye Mulin, you don't think I'll still let you have your way, do you?"

she turned around and left, not even bothering to look at him.

ye mulin followed her. when she opened the door, he pushed her in with one hand.

The door closed quickly, and she was pressed against the door by him for a kiss.

there was a faint smell of tobacco in his mouth. it was the unique scent of a mature man. she had once been so obsessed with him, but she did not dare to easily fall for him in front of others.

After the kiss, she did not push him away. Instead, she tilted her head and looked at him."I need money. Ye Mu Lin, if you want to provide for me, I'll give you two million a month."

...

he stared at her with an unfathomable gaze, and she looked at him provocatively.

"Then don't go to work there," he muttered after a long time.

she flicked her hair and said indifferently, "Of course you can. No one likes to be hugged."

Ye Mulin let go of her and took out his checkbook to write a check for her. It was two million dollars.

bai suili reached out to take it, and lowered her eyes, "Thank you, Mr. Ye."

It was as if she was a woman who had a good time. She silently kept the check and gently undressed him. Ye Mu Lin held her hand down. His eyes seemed to be on fire as he carried her up and walked towards her bed.

Pressing down on her, he muttered, "move to another place. you've turned this place into a dog's kennel in just a few days."

Even a place to make love was almost not available.

bai suili did not object. she pulled his neck down and took the initiative to kiss him. ye mulin's desire that had accumulated for a month was completely released.

probably because he was in a hurry, he didn't have time to take any precautions. after she was done, she lay down for a long time before suddenly getting up and saying in a low voice, "i'm going out for a bit."

"it's almost daybreak, where are you going?" ye mulin sat up.

"to buy medicine." she said in a small voice, then looked at him. "i can't get pregnant, can i?"

Not only was she not willing to get pregnant, but she could not get pregnant. How could the Bai and ye families have a child?

just like that child back then, she had aborted it herself. if that child hadn't been aborted, it would have made things difficult for many people. at that time, would he have let her give birth to it?

Bai suili realized that she didn't dare to ask such a question. She was afraid that he would give such a cruel answer.

She was too cruel to the child and too cruel to herself.

Ye Mulin looked at her and remained silent for a while before saying softly, "I'll buy it for you tomorrow morning."

She didn't persist and slowly lay down.

he hugged her from behind, and after a long time, he asked her in a low voice, "Xue Li, do you hate me?"

She didn't answer him directly, but asked him, "you're giving me money because you pity me, or because you simply want to sleep with me?"

The person behind him froze. After a long time, he said in a low and hoarse voice, "sleep first!"

The next morning, he bought her medicine and breakfast.

When he returned to the small apartment, he walked lightly and quietly. Bai Xiuli was still sleeping, exhausted.

he was a little rough last night and did it a few times without any gentleness. she probably couldn't walk well today.

Thinking of this, he sat by the bed and put down his breakfast and medicine. He said softly, "I have something to deal with and can only come in the afternoon. I'll take you to your new place in the afternoon, okay?"

Bai suili was in a deep sleep. She turned over, her back facing him.

Chapter 3517: A bad habit that developed after the miscarriage (3)

The strap of her pajamas slid down, revealing half of her delicate shoulder. There were red marks on it, left by him last night.

Ye Mulin looked on quietly, his fingers caressing her body gently. There was a look of restraint on his face.

He could give her money and sleep with her, but he could not promise her, at least for now.

he left and finished his work. it was already four in the afternoon when he returned to her small apartment.

When he opened the door, Bai Sulli was still lying down, but she had already taken the medicine on the table and had taken a few bites of breakfast.

he walked over to wake her up, but he didn't expect her to be awake. her face was pale and ugly, as if she was trying to endure great pain.

...

what's wrong? " ye Mulin asked in a low voice.

she tilted her head to look at him and smiled weakly."i'm fine. it's just an old habit."

she sat up and thought for a while before saying, " " she's been suffering from menstrual pain since the miscarriage. she's been feeling uncomfortable after taking the medicine this time. "

"Why didn't you call me?" his voice was stern. " you've been holding it in since this morning? "

Bai suili looked at him, her gaze somewhat unfamiliar,"what identity should i use to call you? Mr. Ye, I know my current status very well."

his expression suddenly became even uglier. he didn't say anything and just went to get her coat and hugged it tightly. he also asked if she had a hot water bottle, and she said she did. he filled one for her and put it in her arms, then carried her downstairs.

when he carried her down the stairs like a princess, her tears flowed down, but she turned her face away so he wouldn't see it.

he was afraid that he would be weak and fall in love with this feeling again.

he put her down in the back seat and said in a low voice, "If you're in pain, just lie down. We'll be at the hospital in a while."

she nodded.

but she didn't lie down. instead, she leaned against the back seat and held the hot water bag tightly, as if she was holding her only warmth.

when she arrived at the hospital, she found an experienced female doctor to take a look at her. the female doctor examined her and took an x-ray. she also asked about her marriage and childbirth history. "I'm divorced. I lost a child."

the female doctor looked at ye mulin and felt that she had seen this young man somewhere before. she then looked at the x-ray in her hands and muttered, "i didn't rest well during my last miscarriage. it seems that my uterus is too thin. it'll be difficult for me to have children in the future. also, don't take morning after pills anymore. let the man take better measures. it'll be more beneficial for future births."

as the female doctor spoke, she prescribed some chinese medicine to stop bleeding and warm her meridians for her to take home.

ye mulin prepared the medicine and carried her away.

on the way back, he sat her down beside him and handed her a cup of warm milk tea. "I didn't take good care of you."

Her face was still very pale. She lowered her head and took a sip of milk tea. The warm tea was a little comfortable.

She shook her head nonchalantly. we're getting a divorce. You have no obligation to take care of me.

Ye Mulin's fingers gripped the steering wheel tightly. He paused for a moment before he finally asked, "Do you hate me?"

Bai suili smiled and said nothing, only turning her face out of the window.

"Whether you hate me or not, life has to go on," she finally said after a long while.

He suddenly felt extremely uncomfortable in his heart. When did his Bai suili become so passive?

"little white is dead," she suddenly added.

his fingers tightened.

Bai Xiuli looked up. see? I can't even protect little white. Qingqing is just a child.

Chapter 3518: a bad habit that developed after the miscarriage (4)

ye mulin tilted his head and looked at her. he pursed his lips tightly and felt a deep sense of powerlessness.

This child was a pain that could not be mentioned between them.

"We'll have more children in the future," he said with difficulty.

Bai suili's eyes reddened, and she smiled lightly. is that so? ye Mulin, do you think so? "

then, she said with a choked voice, " ye Mulin, you might have many children in the future. I will have children too, but our Yingluo will not have any more children.

the atmosphere froze.

...

Bai suili looked at him. don't you always ask me if I hate you? If you want to hear the truth, I can tell you that I hate you. Do you still want to be with me? aren't you afraid that I'll go crazy and kill you one day?"

"You won't," His voice was deep and desolate.

Mr. Ye, " Bai Sulli said softly, " I'm not interested in your people or power. I only like your money.

He stared at her and leaned over. is this how you convince yourself? "

she lowered her eyes and smiled faintly. " perhaps. if saying that would make mr. ye feel better. "

if he continued, they would not be able to get along, and he would be stupid enough to continue. so, he started the car and drove into a villa area. it was very high-end, and he heard that many celebrities lived here.

Bai suili sat in the car and looked at the villa. She smiled faintly."mr. ye is so generous."

She did not reject him. She opened the door and dragged her weak body in. Ye Mulin went over to help her.

This place was much better than the old and shabby apartment she used to live in. She sat on the sofa while ye Mu Lin squatted down and said gently, " "I'll carry you upstairs, okay?"

She looked at him and said softly,"I want to drink some brown sugar water, is that okay?"

he gazed at her and placed his hand on her leg, patting it gently. " "I'll make it for you."

With that, he got up and went to the kitchen, and she watched his back.

just like before, he was still tall and handsome. she didn't know if it was because he had the aura of an official, but his temperament seemed to be more stable. she couldn't see through him except for physical contact, but she had never seen through him before.

they had hired two servants, but ye mulin still personally boiled brown sugar water for her. he brought it over to her and helped her drink it slowly.

after drinking, she passed the cup to him and said softly, ” “i want to sleep for a while.”

the sky was already dark, and the crystal lights in the hall were bright, illuminating each other’s expressions clearly.

Bai suili didn’t want him to see her, so she turned her face away.

He carried her upstairs and placed her on the bed in the master bedroom. He ruffled her hair and said, take a nap. I’ll get you a hot water bottle. When you wake up, take your medicine and we’ll have dinner together, okay? ”

She did not object and closed her eyes gently.

Ye Mu Lin’s fingers brushed past her face. He only got up and went downstairs after a long time.

when he went downstairs, his mind was a little heavy. with every step he took, he seemed to hear what she had said to him in the car ...

“Ye Mulin, if you want to hear the truth, it’s that I hate you.”

“i can’t even protect xiao bai, let alone a child, yingluo.”

his heart clenched and ached.

She instructed the servants to prepare her favorite dishes and personally boiled the medicine to warm it up for her to eat when she woke up.

Chapter 3519: I don’t mind, really (1)

In the middle of this, he received a phone call from his father. The content was very strict, and it was probably about Shirley.

Mulin, I heard that you've arranged for Bai Sulli to stay in the villa, is that true? " ye zhenggang was a little unhappy. a family that had fallen should be kept in contact with less, not to mention being raised openly.

"i'm just taking care of her," ye mulin replied indifferently.

ye zhenggang was silent for a moment. " your uncle wen's daughter is back. you've met her before. her name is wen yuan. she's a nice girl. " think about it, it's an exchange of conditions. as long as wen yuan doesn't mind, you can keep the one in your villa if you want to, but you can never marry her. "

"what if i don't want to see wen yuan?" ye mulin asked as he held his phone.

ye zhenggang puffed out a mouthful of smoke and said, " "Then you should know that there's no excuse for adding another crime. mu lin, it was you who saved the bai family, but your feelings for bai xue li have also harmed them. you should know what to do."

...

Ye Mulin was expressionless. I'll see Wen Yuan! Dad, you can't touch Shirley. If you do, you know what will happen to me!"

he hung up the phone.

But when he looked up, he saw Bai Sulli standing on the stairs, looking straight at him.

ye mulin did not know how much she had heard. he kept his phone and said, " "why are you up?"

He went over and helped her upstairs. He personally helped her to the bed and leaned over to cover her with the blanket.

After settling down, he was about to straighten his body when she suddenly hooked her arms around his neck.

ye mu lin's body stiffened.

This was the first time she had been so close to him since their divorce. He held his breath."xue li?"

His voice trembled a little, and there was even a trace of humbleness.

"are you going on a blind date?" she asked softly.

he didn't answer immediately. instead, he stared at her for a while before he pulled her hand away and straightened his body.

He walked to the floor-to-ceiling window and gave her a desolate back view. His voice was deep and hoarse."Bai Xue Li, there are many things that I, like you, don't have a choice in."

he turned around and stared at her. at that moment, she was not sure if his eyes were red.

he enunciated each word slowly. " if i go on a blind date, will you still be with me? "

the air seemed to have frozen.

they used to be husband and wife, but he might soon belong to another woman, and she was the mistress he could not see, the lover and mistress, the vixen he kept outside.

bai suili's nose was a little red. she shrank into the bed and hugged herself.

she laughed indifferently."It doesn't matter. As long as you pay me, I don't care about my status."

he looked at her, and bai suili gave him a smile filled with earth energy.

his hand trembled as he lit a cigarette, but he didn't smoke it. he quickly walked over and leaned over to kiss her. he used his body to his advantage and quickly covered her. his thin lips kissed her, and he even pinched her chin with one hand to make it easier for him to kiss her deeper so that she couldn't struggle.

After a long kiss, both of their breathing was a little messy, especially Bai suili.

She looked at him, panting. I really don't care.

It would have been better if she hadn't said it, but once she did, he pressed her down and continued to kiss her madly. Even the clothes on her body were not spared.

Bai Xiuli was stunned for a moment, then she struggled, but he didn't care at all, as if he had gone crazy.

Chapter 3520: I don't mind, really 2

After a long time, he let go of her, his voice low and hoarse. Bai Sulli, the person I care about has never been anyone else.

he didn't care about the process. he didn't care if a woman named wen yuan was round or flat standing beside him, or if she would become his fiancée. what he cared about was what bai suili said, and what he cared about was the final result.

they would grow old together.

but she had forgotten.

hatred had made her forget what he had once said to her, and she did not believe that he could do those things.

She said she didn't care. As long as she had money, she didn't care about status. Did that mean she didn't care about him either?

...

He had been harsh to her, but he had to be this harsh to her because he loved her.

she raised her head to look at him. her little nose was red, and she looked a little pitiful.

“i won’t marry any woman,” ye mulin said in a low voice. He didn’t say anything else and just got up and covered her with the blanket. “sleep for a while. i’ll call you for dinner later.”

she laid down, but she could not fall asleep.

she clearly knew that she and ye mu lin were like walking into a high-speed plane. there was a limit to what he could control and what he could give her. there were many things that he could not make the decisions for himself.

in fact, she didn’t want it either.

What else could those surnamed Bai and ye have apart from money and flesh?

no, there shouldn’t have been anything. bai suili laughed until tears flowed down her face.

That night, he didn’t mention it again, and neither did she. He slept with her in his arms, and his mind was heavy.

After a night, her stomach was much better and did not hurt anymore. In the morning, she told him that she was going to shoot an advertisement.

ye mulin had already stood up and was putting on his tie. when he heard her, he looked over.

Bai suili sat on the bed, holding the bed sheet in her hand, her eyes lowered.”i can’t possibly follow you forever, right?”

he slowed down the speed at which he was tying his tie. after a while, he said in a low voice, ” “that’s true, you don’t have to rely on me for your entire life.”

After he finished speaking, he pulled off his tie and said a little irritably, ” “but you’re not allowed to take photos of guo lu.”

“I know,” she nodded.

she knelt on the bed, and he walked over to hand her the tie. she helped him put it on gently, her hands very flexible.

“It’s done,” She raised her head. are you coming over tonight? if not, I’ll ask sisi out for dinner.

ye mulin raised his hand and looked at his watch. ” i won’t be back for dinner. but i’ll be back at night. ”

He paused for a moment and suddenly asked with a frown, ” “How are Lin sisi and Gu ze?”

Bai suili was a little surprised, because ye Mu Lin was not a gossip.

she lowered her eyes and said, ” just like us, but sisi doesn’t want money. ”

The last sentence was somewhat self-deprecating.

Ye Mu Lin was silent for a while before he muttered, ”They will be together.”

She looked up, not quite understanding what he meant, and he had already left.

She slowly sat up, put on a long shirt and long pants, and went downstairs to eat her breakfast.

The servants in the house carefully waited on them at the side. They introduced themselves, one with the surname Li and the other with the surname Wang.

bai suili also didn’t hear it clearly, so she just lazily smiled, ” just call me miss bai. i’m not staying here for long. maybe a few months, maybe a year. ”

the two aunties didn’t dare to talk nonsense and only spoke perfunctorily. they did a good job in taking care of and cleaning, mainly because mr. ye paid them a high salary and seemed to dote on this miss bai a lot.
