Chapter 3541: You should be fair to him 6

They shouldn't have been together again. She should have let go, but she still stayed by his side, unwilling to leave.

Bai Suli said, tears streaming down her face.

She held his hand tightly and said in a low voice, "what should i do? ye mulin, can you tell me?"

he lay there quietly and did not wake up, but the strength he used to hold her was a little stronger.

if he woke up, the first thing he would say to her would also be, " Bai Xue Li, don't leave.

in the next ward, su fu naturally couldn't sleep. she sat in the ward and quietly read a book. when ye zheng came in, he saw her in this state.

...

su fu heard his voice and looked up at him.

under the light, the two no longer young eyes looked at each other, probing.

"Ye zhenggang, what are you doing here?" su Fu asked in a low voice.

"Su Fu, let's have a good talk." Ye zhenggang forced a smile.

"we have nothing to talk about," Su Fu put the book aside and said indifferently.

Ye Zheng had just been rebuffed, but he didn't give up. Instead, he looked at his wife who was sitting opposite her.

After weighing the pros and cons, she said, " Xie Anning has already been transferred away. She will not return to B city in the future. You know it in your heart. Why aren't you going home yet? "

su fu looked at him and smiled,"how can you take back the water that has been spilled?" You don't have to use this on me. Xie Anning has been with you for so many years. Even if she doesn't have any credit, she has put in a lot of effort. Don't worry, I won't take things too hard and break you two up. Transfer her back, it'll be more convenient for you."

even though she was smiling and her tone was gentle, ye zhenggang could hear the sarcasm in her words.

"su fu, you're not willing to forgive me." he sighed.

su fu lowered his eyes. " actually, there's no need to forgive. you're already so old. "

she looked up at him again. " i just wanted you to be happy. if you're happy with her, why don't you be with her? "

"But I love you." ye zhenggang growled in a hurt tone, " i've already thought of a way to chase her away, why isn't she home yet? "

"did you break up with her?" su fu looked at him and suddenly asked.

Ye zhenggang's face stiffened, and he said uncomfortably, " "i won't look for her again."

"she's here to see you. can you refuse her?" su fu smiled faintly.

"You can't refuse," she paused.

ye zhenggang was about to say something when su fu lowered his eyes and whispered,"I really don't mind."

as she spoke, she began to read her book again, quiet and beautiful.

ye zhenggang couldn't bear to leave. he squatted down and looked at his wife."I'll accompany you, okay?"

he had not seen her for a long time, and she always refused to see him when he went to her place. if mu lin was not sick this time, he would not have seen her.

"susu, i missed you so much," he said in a low voice.

Su Fu's body froze for a moment because he called her susu.

when they were young, he would always call her that, especially when they were alone. they were so good at that time.

When did he stop calling her that? perhaps it was after having Xie Anning, or perhaps he was guilty, so he stopped calling her that. At this moment, it did not sound sarcastic, but it felt like a lifetime ago.

Su Fu looked at him and smiled faintly. find a place to rest. You still have to rush back to B city tomorrow.

He frowned and looked at her, his voice deep. "You sound like you're concerned, but you just want to chase me away, don't you? you think I'm dirty, don't you? but I'll break up with her and I won't look for her again. This body is not dirty anymore."

Chapter 3542: be a little fair to him 7

As he said that, ye zhenggang started to hug her and wanted to kiss her. He pressed her down on the sofa and started to act like an old man. All sorts of indescribable things happened.

Su Fu was stunned at first, but then he became extremely angry.

Firstly, this was the hospital. Secondly, his son was still lying there, unconscious, and he was already thinking about this and that. Was this even proper?

she was angry and wanted to push him away, but the difference in strength between a man and a woman was very big. no matter how she struggled, it was useless. besides, she was always concerned about their identities and did not want to make any noise. it would not be good for either of them if word got out.

she could only push him away and curse, ” “Ye zhenggang, are you crazy? are you a beast? why are you thinking about such things at a time like this?”

in her struggle, her hair was messy and unkempt. he had long removed her coat to the side, and he pressed her down to kiss her.

...

In fact, he had forced himself on her at first, but later on, he also felt a little emotional.

He loved her very much, and he hadn't been close to her for a long time. It had been almost a year and a half, and he missed her very much.

the woman he had slept with for almost his entire life wouldn't even let him touch her now. how could he not want to hug her at this time? how could he put her down?

su fu's clothes were in a mess. just as he was about to succeed, the door suddenly opened.

hao yun was at the door.

in such a situation, hao yun should have left immediately to avoid arousing suspicion, but she stood there without moving.

He stood there for five seconds, which was equivalent to giving su Fu five seconds.

Su Fu didn't waste these five seconds. She immediately pushed ye zhenggang away and even gave him a slap.

She grabbed her clothes and trembled slightly, not daring to look at Hao Yun.

she was extremely embarrassed.

Ye zhenggang's expression wasn't good either. Of course, he wasn't happy to be interrupted. However, that person was his most trusted subordinate, so he could only rub his nose and say, "What is it?"

"There's some movement in B city," Hao Yun whispered.

As she spoke, she went over and whispered a few words.

Ye zhenggang was a little hesitant. He looked at su Fu and then thought about ye Mulin.

Hao Yun whispered a few more words. Ye zhenggang sighed softly and walked in front of su Fu. don't blame me. I was in a hurry and didn't know how to hold back. Think about what I said. Take care of Mulin. Also, Wen Yuan is the right person for him. With the Wen family, your son will be a Dragon among men. Think about everything. I know that su Fu is not someone who only knows how to do things. You know what you should know.

after he finished speaking, he turned around and said a few words to hao yun. hao yun wanted to send him to the airport, but ye zhenggang waved his hand."No need, you stay here and take care of her. Each and every one of them is making me worry, especially Yingluo."

he did not continue, but he was referring to su fu.

Hao Yun did not say anything and only smiled.

Ye zhenggang still left.

after he left, there was a dead silence in the small ward. su fu's back was facing her, and he was still trembling slightly.

"get out," she said in a low voice.

hao yun did not. instead, he walked over and hugged her from behind.

he didn't do anything but hugged her from behind. he said in a low voice, " i'm sorry i can't protect you yet. "

Su Fu's body trembled even more. She lowered her eyes and her voice trembled."It's not your fault."

she wanted to struggle, but he held her tightly.

however, he still did not do anything to her. he only hugged her and whispered, " "Button it up properly, or I'm afraid I won't be able to control myself."

Chapter 3543: Caught in a hug (1)

He hugged su Fu tightly, his fingers clasped tightly for fear of offending him.

What su Fu felt was an unfamiliar and pure male aura completely enveloping her. Her body trembled and her legs went soft. She even indulged in it and did not want to get up or leave.

Hao Yun's hands clumsily helped her button up, but she only managed to button up one button after a long time.

Wherever his finger went, chaos ensued.

" hehe. " hao yun smiled bitterly and let go. " i didn't help a woman put on her clothes. "

Su Fu lowered his head and buttoned up his shirt with trembling hands. After a long time, she did not turn around and only whispered,"Have you ever taken off a woman's clothes?"

...

This was an extremely sensitive topic. Hao Yun was usually Swift and decisive, but she was at a loss at this time.

Because he was in front of the woman he liked.

“no, i never did,” he said after a moment of hesitation.

Su Fu’s mood was extremely complicated. She slowly turned around and looked at Hao Yun.

She slowly hugged him, and his body was extremely stiff.

she rested her face on his shoulder and spoke very slowly, ” Hao Yun, I’ve already given birth to two children for someone else. I’m not young anymore. You can actually find a younger woman to spend the rest of your life with.

he lowered his head to look at her and said in a hoarse voice, ” “But you hugged me.”

he slowly lowered his palm, and it finally landed on her back.

Finally, he hugged her tightly.

Su Fu’s body trembled, and she tried her best to control her expression. This was the first time she was hugged by a man other than her husband, and this person was even someone beside ye zhenggang.

she knew that she was in the wrong, but she wanted to hug him at such a fragile moment. she wanted to be hugged by him.

everything seemed to be in a mess. hao yun finally could not hold back and kissed her.

their soft lips touched, and he could not take it even with a single touch. he had never known that women could be so soft and fragile, as if they would break with a single touch.

But very quickly, the male instinct in his body made him hold her tightly, and his kisses rained down like a storm. He kissed her almost madly, his large palm landing on her shoulder, and his eyes were dyed with a layer of black. can you? ”

He didn't have such plans. He didn't want to possess her, at least for now.

however, he couldn't stop. the man who had been thirsty for decades was almost ignited at the touch.

Su Fu did not say anything and just looked up at him in a daze.

she had read all the books he had brought her, and she liked all the small gifts. he understood her.

She had no qualms. She wanted this man to hold her, and she was even afraid that he would go back on his words.

because of ye zhenggang's existence.

Su Fu's decision to sacrifice himself was a crazy decision.

she unbuttoned her shirt. she wanted him to love her. she wanted to be hao yun's woman.

After Hao Yun's excitement, she hugged her, including her clothes. His lips were on her neck, and his voice was hoarse. su Fu, don't be impulsive.

“you don't want me? Or do you regret it?” she asked in a low voice.

Hao Yun closed her eyes and replied, “No.” It's because you deserve the best.”

he wanted to, but he couldn't possess her under such circumstances. it would be unfair to her. she was emotionally unstable and fragile right now. she should think about it. she should be prepared before being with him.

Su Fu didn't say anything else. She just hugged him, the man she had known for many years and was two years younger than her ...

Ye zhenggang stood at the door of the ward and looked on in shock.

Chapter 3544: A hug, caught (2)

Ye zhenggang stood at the door of the ward and looked on in shock.

His most trusted subordinate and his wife were hugging each other.

he narrowed his eyes and almost stopped breathing.

Su Fu's clothes were in a mess, but the way she pulled was definitely not the same as before. Also, she held Hao Yun's hand so tightly that it was impossible to say that there was no ambiguous relationship between them.

they had an affair!

ye zhenggang narrowed his eyes and said in a deep voice, "you two, when did this happen?"

...

the people in the ward were shocked and immediately separated.

"tell me, when did this happen?" ye zhenggang shouted.

He was on a rampage now. His subordinate was having an affair with his wife, and he was still acting like a fool.

how laughable, how laughable. he trusted hao yun so much and told her everything.

when he left, he thought that hao yun was calm and could comfort su fu, but how did he comfort him? he had to comfort him in bed.

ye zhenggang felt that it was especially ironic. he felt that he was an idiot. he was so angry that he was about to go crazy.

Hao Yun draped her coat over su Fu's shoulders. In ye Mulin's eyes, it was extremely glaring.

"Tell me, when did this happen?" he shouted angrily.

"It was just now." su fu was extremely calm. " we're going to get a divorce. ye zhenggang, don't you expect me to keep my chastity for you? "

ye zhenggang stared at her and laughed sinisterly,"you've become more open-minded. did su fu seduce you?"

"no, i seduced him." su fu said fearlessly.

I like her, " Hao Yun sighed softly. I've liked her for many years.

he didn't back down and looked straight at ye zhenggang. " i want to marry her. "

ye zhenggang laughed coldly, as if he had heard the funniest joke in the world.

He looked at them and said, " what right do you have to marry her? she's still my wife. Don't forget your own status.

"because i love her," hao yun replied in a neutral tone.

these four words were said with incomparable determination, causing ye zhenggang to be in a daze for a moment.

he remembered the oath he made on the altar when he married su fu. he said that he would love su fu no matter if he was rich or poor, healthy or sick, and would never leave him.

however, they were still alive and well, and they had already broken their oath.

ye zhenggang looked at su fu and said in a desolate voice, "What about you? do you like him too? do you want to be with him too?" she asked.

Su Fu lowered his eyes. When he looked up again, his eyes were filled with determination. "yes, i like him. i want to be with him."

ye zhenggang felt as though he was struck by lightning, and he didn't come back to his senses for a long time.

you're crazy, " he mumbled when he came back to his senses. you must be crazy. Have you forgotten the promise we made when we got married? "

"I forgot about you." "ye zhenggang, we've reached our end." su fu closed his eyes.

Ye Zheng had just gone through the most difficult part and had calmed down a lot. His expression turned cold. "Su Fu, I have to take you away."

"You can't," su Fu looked at him in shock.

"I can," he stared at her and hao yun. " i'm your husband. "

as he spoke, he walked out and two men came in to catch su fu. hao yun couldn't stop him as he was a scholar after all.

"you will understand my efforts in the future." ye zhenggang got someone to bring su fu out first while he looked at hao yun. his eyes were calm, but they hid his anger.

Chapter 3545: caught in a hug (3)

hao yun still stood there quietly and said, ” “I don’t regret it.”

ye zhenggang walked over slowly and looked at his former beloved general. his voice was low and deep, ” you don’t regret it? Do you know how much I love her?”

Hao Yun’s face was tense, and her voice was full of restraint. “i don’t know how much you love her. i only know that you hurt her. how could a woman like su fu tolerate xie an ning appearing by your side? In what way is Xie Anning better than su Fu? tell me. ”

“She’s my wife. You don’t have to care about this.” “hao yun, you’ve really disappointed me. from today onwards, you don’t have to stay by mu lin’s side anymore.” ye zhenggang growled with a disappointed expression.

Hao Yun’s body tensed up as though a string had snapped. He looked at ye zhenggang and said in a soft voice, ” are you saying that if I leave Mulin, you’ll let your own son face a pack of wolves alone? ”

as he said that, his voice grew louder,”do you know what kind of life he has been living for the past year?” You’re always so full of yourself and think that what’s best for the mother and son, but have you ever thought about what they want? Have you ever thought about what would happen without me?”

...

“i’m his father, who are you?” ye zhenggang’s voice was cold.

hao yun chuckled with a complicated expression. ” i’ll be his stepfather. ”

With that, he walked out. When he reached the door, he said lightly, ” “I won’t leave. I’ll wait for her.”

He turned around, his eyes red.

“Bastard!” Ye zhenggang shouted.

Hao Yun walked out. Ye zhenggang didn’t leave city H that night. No matter how big the matter was, it couldn’t be as big as a fire in the backyard.

When the sky was slightly bright, he walked into ye Mulin’s ward. Bai Sulli was still awake.

ye zhenggang stood at the door and watched for a while before walking in. he looked extremely tired, and he looked like he had aged a lot.

Bai suili saw him get up.

Ye zhenggang took a look at his son, who was still not awake.

at this time, he had no one to talk to, so he actually said to bai suili, ” your aunt ran ran is a little depressed. she actually chose hao yun. ”

bai suili was actually very sad at first, because ye mulin’s lying here made her heart ache.

However, when ye zhenggang said this, she was really confused.

what did he mean by that?

was auntie wanwan ye mulin’s mother? was she the person she used to call ‘mother’?

ye zhenggang walked over and stood by his son’s bed. he looked at his son and muttered, his mother won’t change her mind and wants to be with Hao Yun. Do you think Mu Lin will agree? ”

I don’t know, ” Bai suili shook her head. maybe he’ll agree.

Ye zhenggang’s expression changed, and his voice became stern, ” “Why?”

Bai suili looked at him and smiled,”If he was like you, I wouldn’t be here, would I?”

Ye zhenggang looked at her with a complicated feeling.

He had always thought that this girl was not worthy of his son. She was not even worthy of Mu Lin's feelings, but now he had a feeling that Bai suili did not know what had happened, but she vaguely understood Mu Lin's feelings. She understood Mu Lin's deep love, which was why she was willing to stay by Mu Lin's side and here.

at this moment, ye mulin woke up. he tilted his head and looked at them. his voice was a little weak."xue li, help me up."

bai suili looked over and said in a low voice,"You lie down, don't get up."

Chapter 3546: he had always loved her (1)

Ye Mulin looked at her and still struggled to sit up."Help me up, be good."

what kind of obedience was this? bai suili was unwilling, and she glared at him.

Ye Mulin stared into her eyes and repeated,"help me up,"

She was unwilling, but she couldn't refuse. She carefully helped him up and put a pillow behind his waist. She also carefully lifted the quilt to see the minimally invasive wound.

if it wasn't for the fact that the situation wasn't so good, ye mu lin would have laughed out loud at her little action. he sat down, and although it was a little painful, he could bear it. he lowered his head and said to bai xue li,"go get me a glass of water."

"The doctor said you can't drink water." she bit her lip and looked at him.

...

Ye Mulin stared at her. His entire body was weak, but the gaze he used to look at her with was especially bright and warm.

bai xiuli lowered her head and went to get some water. she even said in a low voice, "I can only moisten my lips."

He nodded.

Their interaction made ye zhenggang extremely uncomfortable. He stared at his son and said, "Mulin, think about Wen Yuan."

"there's no conflict," ye mulin whispered, "dad, what did you say about uncle hao and my mother, wanwan?"

Ye zhenggang felt that this son of his did it on purpose. Didn't he hear it clearly just now? why did he have to say that he was cuckolded before he would be happy?

However, he still said, "your mom is going to be with Hao Yun. She can't stay."

Ye Mulin looked at his father and said, "you have someone else. Why don't you let go? everyone won't be in a difficult position anymore."

ye zhenggang felt suffocated. "mulin, what did you say?"

"I wish for mom to be happy," ye Mulin muttered.

It was probably a man's idea. In ye Mulin's heart, his mother needed protection. The only time he begged his mother was for Xue Li. That time, his mother broke off from his father for them. This time, he chose to protect her and Hao Yun.

Ye zhenggang was so angry that he almost went crazy. He paced back and forth in the ward for a few rounds, then stopped and looked at his son. She's your mother, yet you let her be with another man, and he's the man who watched you grow up."

"He has liked my mother for many years." Ye Mu Lin was unusually calm.

Ye zhenggang looked at his son carefully and suddenly realized something. Mulin, did you already know about this? ”

ye mu lin pondered for a moment and nodded.”Yes, I’ve been able to tell for a long time.”

From the moment Hao Yun gave him the first book, he already knew, but he never pointed it out. This was because Hao Yun’s love and persistence for her mother were worthy of her. A woman was not destined to only love one man after giving birth to a child.

if a man wasn’t good, a woman could still find a new relationship, and hao yun was the most suitable person.

Ye zhenggang stared at his son with an unfamiliar gaze.

“You’re good. Mu Lin, are you taking revenge on me?” he muttered after a long time.

“Never,” “I just feel that if you still love her, you should make her happy,” ye Mulin said in a low voice.

“dog fart!” Ye zhenggang cursed and panted heavily, ” what kind of theory is this? ye mulin, you’re really good.”

“I’ll kill him now. I’d like to see who your mother is happy with.” He turned around.

“Don’t you dare!” “hao yun, you’re one of my people now,” ye mulin said with a firm voice.

Chapter 3547: he had always loved her (2)

“You are rebelling! Who is your father?” ye zhenggang shouted.

ye mu lin gently lifted the blanket. his movements were extremely slow, but each and every one of his subtle movements was shocking.

Bai suili pressed his hand down. you can't get out of bed.

He grabbed her hand and stood up with the help of her strength. When he stood on the ground, his body was a little unstable. He swayed a little, but he immediately stabilized himself.

She walked towards ye zhenggang step by step and finally stood face to face with him.

One was furious, while the other was extremely weak. They were father and son, but at this moment, they were opposing each other, and neither of them lost to the other in terms of aura.

...

ye mu lin looked at his father and said word by word, " I have to protect my mother. Hao Yun, you can't touch her.

"Your mother is still my wife. How can she be with Hao Yun?" ye zhenggang narrowed his eyes.

"where's xie anning?" "What is her role in your marriage?" ye mu Yun asked coldly.

Ye zhenggang clenched his fists. Mulin, this is different. I have never thought of getting a divorce.

"betrayal is betrayal, what's the difference?" Ye Mu Lin's face was as white as a sheet of paper. He only said one sentence to his father, " "In my mother's heart, her perfect world has long been destroyed."

ye zhenggang's body swayed, and his expression was extremely ugly. he looked at his son in disbelief, " "Mu Lin, Don't You Want Me to make up with your mother?"

"I do, but I want her to be happy even more." Ye Mulin said as he covered his lower abdomen.

bai suili wanted to help him up, but he gently pushed her away. he stared at his father and firmly said, "Let her go,"

Ye zhenggang laughed lightly. what about you? would you rather see Bai suili get married? " watching her with someone else? mulin, what's the difference between us? why do you have to make things difficult for dad?"

Ye Mulin's eyes were bloodshot. father, don't you know if I betrayed her? "

Under such a domineering attitude, ye zhenggang was actually a little afraid. This son of his didn't back down at all. He wanted to fight to the death with him!

Ye Mulin didn't back off, and Bai Sulli stood beside him without saying a word.

she seemed to have understood something. she bit her lip and looked at ye mu lin.

His words kept ringing in her mind: dad, don't you know whether i betrayed her or not?

what did he mean by that?

Her eyes were misty, and she didn't dare to think further.

"mu lin, are you threatening me?" ye zhenggang sighed.

"I don't dare to." "How would I dare?" ye Mulin smiled bitterly. "father, you can just do whatever you want to make me wish i were dead. you can also make my mother wish she was dead. she'll be locked up in a cage for the rest of her life. how would we dare to do that? every one of us lives under your y-power, including mubai."

Ye zhenggang was completely defeated by her words. He closed his eyes and said, "is this what you all think of me?"

ye mu lin did not answer. he only gave him a complicated look.

Ye zhenggang didn't stay any longer. He stumbled out of the room and when he reached the door, he held onto the door frame and said in a desolate voice, "mu lin, i don't care if you believe me or not. the only person i've ever loved in my life is your mother."

With that said, he gritted his teeth and left.

ye mulin was standing, but he couldn't hold on any longer. bai suili supported him.

Chapter 3548: He had always loved her (3)

"Help me to the bed." He said in a hoarse voice.

Oh, " she replied and quickly helped him over, taking care of him carefully and carefully.

after ye mulin lay down, the gauze under his lower abdomen started to ooze blood. he was afraid that she would be afraid, so he said to her with difficulty in a calm tone, "go and call the doctor."

bai suili stared at him and asked in a low voice,"You don't have any problems?"

He looked up at her with a gentle gaze.

Bai Sulli ran to call the doctor, but she turned back after taking two steps. She knelt on the bed and hugged him very carefully, but she ran away after a while.

...

Ye Mulin's face was very pale, but he smiled faintly as he watched her running away.

she was smiling with happiness.

bai xue li, you idiot.

He had never betrayed her, but he hoped that all the pain she had suffered in the past had never happened, including the unborn child.

he closed his eyes to hide the pain in his dark eyes.

The doctor came soon, and Bai suili followed with a nervous face.

The doctor checked and said softly, "the wound is bleeding a little, but it's fine. You just need to change the medicine.

the nurse then handed over the tools. after the doctor swiftly changed the tools, he still advised, Mr. Ye, it's better not to get out of bed for the next two days. It's better to rest. If you work, it's best to stay for half a month. Normally, you should rest for a month. Your health is more important. Don't tire yourself out.

ye mulin grunted in agreement. bai sulli reminded him,"the doctor said i can't start working for a month."

ye mulin looked at her and smiled.

He had always been good-looking, and even though he was sick, he still looked good when he smiled.

bai suili looked at him pitifully.

ye mulin lay down and looked at her. his voice was gentle. Shirley, go and make some porridge for me. Do you know how to make porridge now? "

"i will." She bit her lip.

the nurse at the side felt a little soft in her heart. leader ye's voice was really nice when she called out 'shirley'.

The doctor tactfully took her away. There were only ye Mulin and Bai Sulli in the ward. She was cooking porridge in the kitchen. Her voice was soft, but it sounded very happy to him.

Ye Mu Lin lay down and unknowingly fell asleep.

when bai suili came over after making the porridge, she saw that he was asleep. she didn't wake him up, wanting him to sleep a little longer.

She sat by the bed and looked at him. She couldn't control her hand and reached out to gently stroke his eyebrows.

The same sentence rang in his ears again, "don't you know if I've ever betrayed her?"

She bit her lower lip, her fingers tracing his eyebrows, straight nose, and then to his lips.

His lips were thin, but they had a nice shape. When he was angry, he would kiss her particularly coldly, but sometimes it would be especially warm, just like his temper.

Bai suili's mood was a little complicated. She bit her lower lip and wanted to take back her hand, but he woke up ...

his black eyes stared at her, and his voice was extremely hoarse. "what are your thoughts?"

she was shocked and met his eyes. then, she stammered, " "What thoughts can I have? I don't have any thoughts at all."

ye mulin continued to stare at her. he gently put his arm around her waist and pressed her down. "then why did you touch me just now?"

"i'm yingluo calling you to have some porridge." she bit her lip and spoke carefully.

he pressed her down, but she was afraid of touching his wound, so her movements were a little awkward and a little hard.

Chapter 3549: he had always loved her (4)

he looked at her and smiled. "are you going to feed me?"

She started to bully him again, staring at his face. Then, she seemed to have made up her mind. "okay, i'll feed you."

she helped him sit up and placed a pillow on top of him. she took the porridge and sat beside him to feed him.

ye mulin drank the bowl quietly. she asked him softly if he wanted more. he stared at her and quietly said, "i want it."

bai suili's face turned red, and she bit her lip as she stared at him.

Ye Mulin laughed. but I can't do anything with my current state, right?"

...

she didn't make a sound and quietly cleaned up the dishes. she also ate something simple.

he called her over. she hesitated for a moment before sitting down on the sofa by the bed.

Ye Mu Lin looked at her and said in a low and hoarse voice, "what do you think of my mother and Hao Yun?"

her eyes were wide open, but she didn't say anything.

he knew that she was unwilling to publish it because they were divorced, so he smiled. "they're pretty good. Love is important in life.

“What about you?” “Are you in love with Wen Yuan?” she finally asked.

ye mu lin’s gaze was deep as he stared at her.

after a long time, he smiled faintly. ” bai sulli, in fact, you already knew the answer in your heart, didn’t you? ”

He reached out for her to come over. She didn’t want to go over, but she was afraid that he would get up, so she went over.

he let her lie on the edge of his bed. his slightly cold fingers caressed her as if he was petting his beloved little pet. his voice was very low and hoarse. ” hmm? ”

She wanted to raise her head, but he wouldn’t let her. He just pressed her down and said in a lower voice, ” “Shirley, remember what I said today, okay?”

she was a little dazed, not knowing if she should remember something.

Ye Mulin did not say much and just let go of her. Then, he made a call to Hao Yun.

after that, he made a few more calls. after he put down the phone, he stared at bai sulli’s bright eyes and said, ” i must protect hao yun, not only for my mother, but also for myself. ”

bai suili’s voice was dry. ” you, ran ran, also want to climb up? ” That’s why he wanted to protect Hao Yun?

ye mulin looked at her and did not deny it. yes, desperately trying to climb up. Without Hao Yun, it would probably take twice the time.

“Hao Yun is more useful to me than the Wen family,” he changed his words.

he didn’t expect her to understand the deep meaning of his words, but bai suili did.

he was saying that wen yuan and xuanji were just stepping stones for him to climb up.

“But you’re being unfair to Wen Yuan.” she said softly. she had long forgotten that she and wen yuan were love rivals.

“So what?” ye Mu Lin smiled.

Bai Xiuli was stunned for a long time before she finally mustered up her courage and whispered, ”
“Then will you sleep with her?”

after asking, she felt that it was meaningless, so she lowered her eyes and didn’t speak.

ye mulin let go of her and stared at her for a while before smiling.”then, do you want me to sleep with her?”

She did not say anything.

“Will you be angry if I sleep with her?” he asked.

she raised her eyes and looked into his smiling eyes. after a long time, she shook her head.”I don’t know.”

“i’ll get angry if i don’t know.” “Don’t worry, I can’t do much now,” he said with a weak smile.

“what about after that?” She looked at him. After saying that, she regretted it. She shouldn’t have said it.

Chapter 3550: he had always loved her (4)

After she finished speaking, ye Mulin smiled and looked at her. His eyes were filled with a faint smile.

Bai suili felt a little helpless and bit her lower lip. that ... I didn’t mean it that way.

“Then what do you mean? you want me to sleep with her?” he asked in return, his voice trembling and a little low.

She looked straight at him and stood up stiffly.”I’m going to the washroom.”

He took her hand.

bai xue li lowered her head, and he was looking at her.

...

“I don’t want to answer this question.” she said in a low voice.

“why?”

“There’s no why!” “Ye Mulin, let me go.” She was a little annoyed.

However, he still held onto her hand and refused to let go. you asked me.

but you didn’t answer me, ” Bai Xiuli said angrily.

He looked at her, but she didn’t say anything and stubbornly looked back.

After a long time, he spat out two words, No.

bai suili was stunned-

“are you satisfied now?” He smiled and closed his eyes. I want to sleep for a while. Don’t go away.

she lowered her head and stared at him holding her hand in a daze.

“Lie down with me for a while,” he said in a low voice.

he used some force, and she lay down naturally. she wanted to refuse, but she was afraid of hurting him, so she had to lie down with him.

it was very quiet in the ward. he was probably too tired and had been sleeping the whole time.

bai suili bit her lip. after a long time, she felt that he had fallen asleep, so she gently leaned over and rested her face on his shoulder.

she hugged him gently.

this little hug seemed to be stolen because he might be wen yuan’s husband in the future. he had said that he would not sleep with wen yuan. however, what about their engagement and marriage? would they not sleep with each other for the rest of their lives? That was not realistic.

Bai suili felt a dull pain in her heart. She told herself that she should not have loved him anymore.

It shouldn’t be, Yingluo.

She closed her eyes and buried her face in his. She took in his warm breath.

Wen Yuan stood at the door and looked at everything in the ward quietly.

” do you still want to get engaged to him, wen yuan? ” ye mu bai asked softly. ” some men will like a woman for their entire lives. you know the reason. why do you still want to continue? ”

wen yuan lowered his eyes. ” he is the most suitable person for me. ”

“suitable? is it appropriate to be respectful to each other?” “wen yuan, i thought you were very smart,” ye mu bai muttered.

Wen Yuan lowered his head and muttered after a long time, ” “he needs me.”

” he needs you for bai sulli. can you see that he’s very happy with her? he’s also very happy even when he’s sick. do you know how long it’s been since he’s had a good night’s sleep? it’s all for her. everything he does is for bai sulli. even if sulli doesn’t know that she misunderstood him, he’s still doing it because of love. ” Ye mu Bai growled.

Wen Yuan looked at him and smiled bitterly, ” “As Long As He Needs Me.”

“You’re so stupid,” ye mu Bai cursed.

he turned around and left, throwing a rare tantrum.

wen yuan also left. at this time, it was a world of two people that she could not interfere with. she still knew her own limits.

After Wen Yuan and ye Mubai left, ye Mulin, who was lying on the bed, opened his eyes and looked quietly in the direction of the door. He lowered his head and kissed Bai Sulli who was in his arms. He then closed his eyes and rubbed her fluffy little head.

“Xue Li.”

Bai suili:

she had been sleeping the entire time. he was clearly the patient, but she was sleeping even more soundly than he was.

he was really like a little pig!
