

Thank you 3561

Chapter 3561: Men who have never tasted meat are all slutty (3)

after su fu got together with him, his long hair fell down and he no longer tied it up unless it was an important event. hao yun said that he liked the way she let her hair down, so she did it. however, she did not know that hao yun liked the way she let her hair down on the bed. her black hair spread out on the pillow and was very beautiful.

That day, Hao Yun did not go to work and ‘accompanied’ su Fu the whole time. Later, su Fu could not stand it anymore and urged him to go to work. He just smiled, turned to the side, and pulled her into his arms.”Then let’s rest. I’ll cook for you later.”

she hummed softly in agreement, but he said worriedly, ” “Su Fu is living with me. He might not have that many banquets to attend and might just be an ordinary person. Of course, I know you have the ability to live a better life. I don’t object to me not being such a narrow-minded man, but I can only give you a normal life. Can you get used to it?”

“What should we do? we’ve already slept together,” su Fu said faintly.

hao yun took a long time to understand what she meant. she pinched her face and said, ” say it again. ”

Su Fu smacked his hand away. just because we slept together doesn’t mean you can bully me!

...

for a moment, hao yun did not know what to say.

Su Fu leaned over and hugged him, resting his head on his shoulder softly and weakly. He smiled slightly. ” this way, it’s just right. hao yun, you’re just right too. ”

She smiled faintly, like a spring breeze.

What she wanted was never power, but a man who understood her. After leaving ye zhenggang, what she pursued was the same as 30 years ago. She would not lower her expectations. Hao Yun was the person she wanted, and she definitely did not want to make do with him. She only got together with him because she had feelings and liked him, and it was never for anything else.

hao yun was stunned.

she raised her head to kiss him and closed her eyes.”I’m a little tired. Hao Yun, can you let me rest for a while?”

hao yun’s voice was a little hoarse as she said, ” okay. ”

she slept in his arms. he coaxed her, but she could not fall asleep immediately.

He thought of many things in the past. He thought of the time when he was studying at Tsinghua University. If he had to start all over again, would he have mustered up the courage to confess to her? would he have been the only one who could get her?

hao yun smiled in relief.

Just as she said, Hao Yun was good, just right, and the SU Fu now was also good. He was not any less than before, and he still made his heart flutter and wanted to cherish him as much as he did before ...

*

in the morning, in another villa of si nan residence, ye mulin’s car was parked downstairs for about half an hour. he smoked a few cigarettes and dispersed the hostility on his body before he opened the car door and got out.

Pushing open the door of the villa, he saw Bai suili sitting there, looking at him quietly, still wearing her pajamas.

“Why are you sitting here? the heater isn’t on,” he said.

he walked over and picked her up. she struggled a little.”You’ve just recovered, I’ll walk by myself.”

However, he acted as if he didn’t hear her and carried her straight upstairs. He tucked her under the covers and said in a low voice, ” “You don’t even know how to take care of yourself when I’m not around, huh?”

she stared at him and asked, ” are you tired? ”

Chapter 3562: Men who have never tasted meat are all slutty (4)

Bai suili was held by him and only came back to her senses after a long time. She bit her lip and suddenly pressed him down on the bed, her small hands busy unbuttoning his shirt.

Ye Mulin misunderstood. He lowered his head and muttered,”You want me, don’t you?”

her little hand was still busy, until she saw his wound.

she stared at him in a daze for a while, then silently buttoned his shirt again and said in a soft voice, ” “i was so worried about you that i couldn’t fall asleep.”

only then did he realize that he was overthinking it. he said in a hoarse voice, ” “you’ve been waiting for me?”

she nodded. ” are you back in B city? will it be tiring to rush here and there like this?”

...

” yes, i’m very tired. i’m going to sleep for a while. ” He pulled her to lie down with him.

He said he was tired, but he couldn’t fall asleep immediately after lying down. He said softly, ” “i’ve brought my mom back.”

“Where’s that person?” Bai suili looked at him.

He looked at her. with uncle Hao. They'll be together in the future.

she was a little shocked. she couldn't digest the fact that yingluo was really together like this?

"How did your father agree to it?" she asked him softly.

Ye Mulin lowered his head and looked at her. He did not answer her question. She pursed her lips and did not say anything.

after a long time, he pulled her into his arms and rested his chin on the center of her hair. he whispered, "bai xue li, you better stay by my side, don't even think about running away, or else i won't let you off, you hear me?"

She raised her head to look at him, but he didn't let her. He pressed her small head down.

bai suili bit her lower lip, lowered her head, and didn't say anything, only obediently staying in his arms.

He was very cold in the beginning, but he became warm later on.

he opened his mouth, "bai sulli, i don't want you to see my face, but let me tell you, i will never become another ye zhenggang, and you will never be su fu. do you know what i mean?"

She thought about it for a long time but still didn't understand what he meant, so she said directly, "i don't know."

He seemed to be a little angry, and then he stopped talking.

"oh," she replied and looked at him.

ye mu lin closed his eyes and said fiercely, "sometimes, i really want to strangle you."

"if you're going to jail, then don't." She said softly.

He opened his eyes and stared at her.

“i’m doing this for your own good,” she said in an even lower voice.

For the first time, he kissed her on the lips. His voice was muffled. shut up, or I’m afraid I’ll really strangle you to death.

She was kissed by him for a long time before she pushed him away and said anxiously, ” “i know, i know, yingluo.”

He always looked at her with some anticipation.

I know what you mean, ” she said. you’re saying that we won’t get a divorce, right? ”

He looked at her in a reserved manner and did not say anything.

bai suili bit her lip. ” but we’re already divorced. you still have wen yuan. ”

Ye Mu Lin’s face darkened and he sneered.”Bai Xue Li, your understanding is really very high and mighty.”

he turned over and ignored her. he seemed to be angry.

she stared at his back for a long time, then lay flat and sulked.

What she said was the truth. In fact, there were more conflicts between them than between ye zhenggang and su Fu. Did he think that all of this would be over just because he said a few words? wen yuan would not have disappeared.

she was clearly not in the wrong!

however, she was still worried when he didn’t say anything for a long time. her heart softened and she leaned over to hug his back.”are you really angry?”

Chapter 3563: Fall in love with him again (1)

ye mulin ignored her for a long time.

She was a little anxious. She climbed over his body and crawled to the other side, hugging him from the front.

This time, she didn't say anything and just hugged him. Anyway, he would only get angry if she spoke.

Ye Mu Lin only lowered his head to look at her after a long while. He said in a deep voice, " " bai sulli, if i could, i wouldn't have divorced you. i wouldn't have made you cry. "

after he finished speaking, he suppressed his emotions and did not say anything else.

Bai suili's arms around him tightened. Silently, her face was pressed against his chest, feeling the heat there. His steady heartbeat made her feel at ease, and she slowly fell asleep.

...

In a daze, she asked him, " "ye mulin, we won't be separated anymore, right?"

he hadn't fallen asleep. his body trembled when he heard her words, and then he lowered his head to stare at her.

After looking at her for a long time, he smiled faintly. yes, we won't be separated.

she wrapped her arms around his neck and rubbed herself in his arms.

When Bai Xiuli woke up in the afternoon, he was no longer in bed.

she sat on the bed in a daze for a while before she lifted the blanket and ran out barefooted. she ran downstairs but did not find him. she ran to the study room and saw ye mulin and hao yun there. they seemed to be discussing something.

bai sulli stood at the door and wanted to leave, but ye mulin had already noticed her.

&Nbsp; Hao Yun was the same. He smiled. I'll take my leave then.

“wait a minute, i still have something to discuss later.” ye mu lin stood up and walked towards the door.

he looked at bai sulli, lowered his head, and stared at her toes for a while. ” go back to your room and put on your shoes. ”

“Oh.” she wanted to run away.

However, ye Mu Lin suddenly stretched out his hand and grabbed her arm. His voice was very soft.”i won’t suddenly disappear,”

Oh, ” she said again. This time, her gaze lingered with his for a long time. When she left, she was a little flustered. Ye Mu Lin smiled slightly behind her. He smiled quite happily.

She ran away barefooted, very quickly.

ye mulin looked at her with a faint smile on his lips. when he walked back, hao yun smiled. ” “She’s very obedient to you,”

Ye Mulin went back and sat down. I used to listen to you, but now I’m feeling embarrassed.

he lit a cigarette. ” she’s not very obedient. she still hates me. ”

hao yun just laughed and didn’t say anything. in fact, she could see through huahua at a glance.

they continued to discuss business and left in the afternoon. hao yun invited ye mulin and bai xuli to have lunch at his place, but ye mulin declined politely. " your wound still hurts a little. you should rest at home. "

hao yun thought about it and decided to let it go, so she left.

After he left, ye Mulin walked into the bedroom. Bai Sulli had already changed her clothes and shoes and was looking at him.

He smiled. what are we having for lunch? "

she looked at him and whispered,"can your body take it?" You were just discharged not long ago."

Ye Mulin's voice was low and hoarse. I'm alright.

"Let's go down for dinner." He ruffled her hair.

Oh, " she replied and obediently went downstairs to eat with him. While eating, she would look at him from time to time.

"What are you looking at?" ye Mulin looked at her and smiled.

she bit her lip. " well, isn't your mother here? i want to see her. "

ye mulin continued to eat and smiled at her. "it's not convenient."

"What's so inconvenient about that? we're both women." Bai suili bit her lip and looked at him.

Chapter 3564: she fell in love with him again (2)

"Don't you think it's weird that her Hao Yun is together now?" ye Mulin asked after a long while.

“If you don’t mind, why should I be awkward?” she stared at him and whispered, ” “ye mulin, you really don’t mind? i’ve heard that many straight men would mind.”

He looked at her, his eyes fixed on her, and smiled faintly. “I only care about whether my wife sleeps with someone else.”

her face blushed, but she didn’t say anything and continued eating.

Ye Mulin suddenly spoke again. that’s right. You used to call me ‘mother’. Why did you call me’ your mother ‘now? ”

when she heard what he said, she first looked up at him, then bit her lower lip and said in a low voice, ” “We’re not in that kind of relationship anymore.”

...

“then what’s our relationship now?” He stared at her with a burning gaze.

” i don’t know. ” bai suili looked at him.

he chuckled. ” bai sulli, you actually know it very well in your heart, don’t you? ”

She bit her lip and did not make a sound.

He didn’t mind and didn’t make things difficult for him. Bai Sulli realized that ye Mulin seemed to have changed into a different person. He had become more tolerant and wasn’t as angry as before. She didn’t know if she was happy or unhappy with this change.

She finished her meal in silence and looked at him. I want to go for a walk. Do you want to come? ”

She actually wanted to take him out for a walk because other than eating and sleeping, he was always working in the study room and smoking. Even she felt a little weird when she saw him.

Her eyes were full of anticipation as she looked at him, looking a little cute.

this made ye mulin think of the time when they moved to the apartment not long after they got married. she was also this cute, but the next day, he had angered her to death.

so now that she was making a small request, how could he refuse?

he reached out to hold her hand and walked out. " the sun is pretty good. i want to go out for a walk too. "

bai suili followed beside him, looking down at his hand holding hers, and felt a little guilty.

they were not supposed to be together anymore. the bai and ye families and wen yuan really should not be together.

However, she still fell into it again. She didn't want to let go. She didn't want to let go of him.

ye mulin put on a coat and brought her around the neighborhood. the environment here was especially good. although it was winter, there were many green plants and even flowers.

he held bai suili's hand at first, then she simply supported him and walked away. ye mu lin smiled."Bai Sulli, don't treat me like a patient. I'm fine now. Didn't we do it yesterday?"

"ye mulin, can you not say these things?" she said softly, her face red.

He lowered his head to look at her, his gaze gentle.

After that, Bai Sulli discovered something to her horror. Ye Mulin had been a government official for more than a year, but his aura seemed to have changed. It was not that he was greasy, but that he used to have the aura of an elite cold-faced lawyer. Now, he seemed to be easy-going and had the special feeling of a person in power.

She kept looking at him. Ye Mu Lin laughed lightly."what's wrong?"

I just feel that you're different. You're like those people in the news, just like my dad and your dad. She said as she looked at him without blinking, as if she was still studying him.

"are you saying that i'm old?" ye mulin frowned.

He paused again and lowered his voice. I'll let you know tonight that I'm different from them!

Chapter 3565: she fell in love with him again (3)

"You're different from them. You're especially shameless," she glared at him.

ye mulin looked around and hugged her instead. his voice was especially hoarse. " then, can i be shameless for once now? "

As he spoke, he lowered his head and kissed her on the side of the corridor.

under the France parasol tree, something like cotton floated down, falling on her hair and his shoulder. with this kiss, it was very romantic.

After the kiss, he pecked the corner of her lips lightly and muttered, " "what do you feel?"

Bai Xiuli widened her eyes and looked up at him. After a long time, she said in a low voice, " "it's just a little sinful."

...

his eyes darkened for a moment, then he silently held her in his arms. he lowered his voice and said, " shirley, i can't do anything to the past, but i promise i won't mess up qianqian again. "

He paused and lowered his voice. " although i also feel that this promise is very bad, shirley, this is the biggest promise i can make to you right now. "

Her lips quivered, but she didn't say anything because she didn't know what to say.

after a long while, she said softly, " i really feel guilty. my father is in prison and my mother is in the hospital. i don't dare to think about what they would do when they find out that i'm still with you after my father is released and my mother wakes up in the hospital. will they hate me to death? however, i can't care about that now. "

She looked up at him. I admit that I can't forget you, but if Yingluo ...

she was a little choked up. " if you're going to get married one day, i'll leave. i can't be a man's mistress. don't make things difficult for me then, okay? "

His gaze was deep as he stared at her for a long time before he agreed.

Her heart was broken, and she couldn't help but hug him.

She felt that she was unworthy and looked down on herself. However, ye Mulin's existence was like poison to her. She thought that she was the same to him.

Neither of them was better off than the other. Neither of them was more relaxed than the other. They were all in pain.

"if i go to hell, will you come and find me?" she murmured while hugging him.

"i won't," he smiled. " how can i bear to let you go? "

He hugged her and lowered his head to kiss her again. After they got together again, today was the best time for them. There was no Jade, only an old couple snuggling up to each other.

after a long time, they walked forward again. the sunlight was very warm.

However, he stopped after walking a hundred meters. In front of him were Hao Yun and su Fu.

Two pairs of young men and two pairs of old men were looking at each other. The atmosphere was a little confusing and uncomfortable.

ye mulin, who was the first to speak, turned his head and said to bai suili, ""didn't you say you wanted to see mom? why are you so stunned now?"

his words were very subtle, and the other two people present could hear that he still regarded bai sulli as his wife. it was only bai sulli herself who didn't hear it. she immediately ran over and hugged su fu.

She wanted to call him 'aunty' but could not. She buried her face in su Fu's arms and acted coquettishly.

Hao Yun felt a sense of danger. She felt that the wife she had just gotten might not be hers alone. There were so many people to share her with.

How could su Fu know about his dark thoughts? he lowered his head and touched Bai Sulli's head, "You're still acting like a child."

Chapter 3566: She fell in love with him again (4)

Su Fu gently patted her and said in a low voice, "Xue Li, it's done.

bai suili was still hugging him. apart from being a little excited, she was also embarrassed. in fact, she was uncomfortable, and so was su fu. she was an elder, and now that she was with another man, she didn't look good.

in the end, bai sulli still went to hao yun and su fu's house as a guest. su fu made flower tea and snacks for bai sulli and talked as usual. the two men went into the study again.

in the small flower hall, bai suili looked at su fu and felt that he was a little different. although he was still very loving, the magnetic field around him was different, as if he was glowing.

She thought for a while and thought of a word, and that was to be loved.

it was probably because she was loved that she was shining.

...

she sipped her flower tea and asked softly, "has uncle hao been good to you? mom, are you happy?"

"I'm happy." su fu patted her head. "shirley, do you think mom is bad?"

"No, mom, you're especially good." Bai suili shook her head. it's true."

she lowered her head. "it's ye mulin's father who didn't cherish you."

"You knew?" su fu asked softly.

Bai suili nodded, lowered her head, and said in a low voice, "Xie Anning is already dead."

Su fu's expression froze for a moment. After a long time, he smiled faintly. "that's a bit of a pity."

"i remember that she used to go to the old mansion often. she was a tough girl. why would she be willing to follow ye zhenggang? yes, he has the charm of a superior, but isn't it better to find a man of the same age and get into a good relationship?"

as su fu spoke, he reached out for the flower tea and took a sip. he sighed softly, "It's a pity."

bai xiuli looked at her, not knowing if she should comfort madam ye. she felt that she should say something, but she was not sure.

"mom," she whispered after a long time, "did you get together with uncle hao for revenge, or do you really like him?"

Su fu's old face blushed. He looked at Bai Sulli and took another sip of flower tea, saying faintly, life is only so long. I'm not young anymore. Where would I find the time to think about revenge? wouldn't I be torturing myself with the mistakes of others?"

“oh,” bai suili replied and lowered her head, looking very cute.

“eat something,” su fu smiled.

The two of them talked about other things. Bai suili was still a little uneasy, which su Fu could see and understand.

she sighed in her heart. after so many things had happened to this child, he was indeed a little different from before.

After chatting for the whole afternoon, su Fu invited them to dinner. She cooked with Hao Yun while Bai suili and ye Mulin were watching TV in the living room. She fiddled with ye Mulin and said in a small voice, ” “Don’t you think it doesn’t look out of place?”

what’s wrong with that? as long as they’re happy, it’s fine. “you want me to break them up?” ye mulin smiled.

she lowered her head. ” i didn’t mean that. ”

he looked at her lowered head and said in a low voice, ” i know. i’m just teasing you. ”

She looked up at him, her expression as if she was looking at how detestable he was. He smiled and reached out to hug her. It was very warm and natural, as if they were at home.

Bai suili was a little anxious, biting her lip,”Ye Mulin, your mother and uncle Hao are in the kitchen.”

Chapter 3567: Fall in love with him again (5)

“Aren’t they doing fine?” ye mulin pinched her cheeks. ” we’re pretty good too. ”

Bai suili bit her lip. we're different from them, aren't we? "

"How is it different? it's almost the same!" ye mulin smiled. " tell me. "

She didn't want to say it. She lowered her eyes and whispered, " "you obviously knew."

"Oh," he said deliberately,"you're saying that we're all living together illegally, right?" You're right."

Bai suili was angered by him and retorted in a low voice,"Uncle Hao doesn't have any other girlfriend."

...

At the mention of this, she was a little bothered and did not say anything for a long time.

He looked at her with a smile on his face."What's wrong?"

"it's nothing, and nothing can happen," she said, a little muffled.

He didn't stop her from wriggling out of his arms and only looked at her smile.

"I won't like her," he said in a low voice after a while.

bai xiuli tilted her head and looked at him. he smiled and pinched her face.

this wasn't a guarantee, and it made her feel more conflicted and sinful. when bai sulli was eating, she was a little distracted.

ye mulin picked up a piece of meat and placed it in her bowl. he smiled."hurry up and eat."

"This piece of meat is so fat, you'll get fat," she said while looking at him.

He took the meat back, ate the fat one, and gave the thin one to her.

She was speechless, but under the gaze of three pairs of eyes, she still bit the bullet and ate the meat. It tasted good.

After eating, she looked at him eagerly. It was delicious, could he have another piece?

ye mu lin smiled and gave her another piece of meat.

She ate carefully and then smiled. "it's so delicious, mom. can i come here every day for free food?"

"of course you can." Su Fu agreed.

The remaining two men looked at each other speechlessly, but there was nothing they could do as long as they were happy.

ye mulin still understood hao yun very well. after eating, he took bai sulli away. when she left, she didn't seem to be reluctant. he stared at her. "you still can't bear to leave? you're staying for the new year?"

she walked silently. it was a little cold, and it was useless to wrap her clothes around her. in the end, she hugged his arm. "the new year is coming."

ye mu lin's body stiffened for a moment, then he muttered, "Do you want to go back to B city for the new year?"

"can i?" she looked at him.

then she stopped and said softly, "Ye Mulin, can I make a New Year's wish?"

He looked straight at her, then whispered, "Sure, I'm willing to fulfill any wish you have."

she took a step forward and gently hugged his waist. ” “i want to spend the new year with my parents. i want to see them. ye mulin, am i very stupid? i always feel that when i was with them, none of this ever happened and the bai family is still fine.”

the night was cold, and she was in his arms.

his embrace was very warm. she knew that she should not be greedy, but she could not help it.

“ye mulin, i really feel sinful. i’ve let dad and mom down by being with you,” she said in a low voice.

as she spoke, she began to cry. she didn’t cry out loud, only silently shed tears.

He didn’t feel good when she cried. He lowered his head and gently stroked her little head. Shirley, don’t cry.

he raised his head and looked at the cold winter night, muttering, ” “Five years will pass by very quickly.”

Chapter 3568: She fell in love with him again (6)

She didn’t say anything. She just hugged him in the cold night and took in the little warmth from him.

she didn’t know how long she could hold him for. one year, or two years.

in her heart, she knew that he and wen yuan had reached a consensus about her existence.

no matter how much she denied it, it couldn’t change the fact that she was now interfering in their perfect marriage.

she didn’t want to think about the future. she just wanted to hug him right now.

Ye Mulin's chin rested on her little head. He did not speak and only hugged her.

...

in the following days, he was very busy. she often went to su fu's place to disturb him. fortunately, hao yun was busy too. the two women kept each other company, and the days seemed to have returned to the past.

It was just that this calmness was so calm that it made people panic.

in the blink of an eye, it was almost the new year. ye mu lin was busier than usual. in the beginning, bai sulli could only see him in the news, just like how she used to see her father in the news. sometimes she would sit in front of the tv and stare blankly.

She didn't know why he wanted to keep her by his side. Like?

she felt that he liked his current position very much, or perhaps even higher. she was a little flustered. he was very good to her. would he one day be like how ye zhenggang treated su fu?

no, that's not it. she was playing the role of xie anning, while wen yuan was the role of su fu.

She felt a little sad as she sat in front of the TV and looked at her man.

that night, he didn't return after midnight, and the next day was new year's eve.

She laid on the bed and did not fall asleep. She kept waiting for him, and she did not know what she was holding on for!

She would be returning to B city the next day. She couldn't see her father, but she wanted to see her mother. Hearing that her mother's illness was much better was probably the greatest comfort.

when she was in a daze from her sleep, she felt a cold wind blow past her. when she opened her eyes, she saw ye mu lin leaning against her.

He didn't turn on the lights and just leaned on her as if he wanted to kiss her.

"what time is it?" she asked hoarsely.

"the weather seems to be very cold," she added without waiting for him to answer.

mm. he replied absent-mindedly, " it's two O 'clock. I'm so tired.

As he spoke, he lay flat on the bed and placed a hand on his forehead."But I can rest for three days."

he turned his head to look at her in the dark, waiting for her to be surprised.

bai suili was surprised, but not happy. she stuttered, " aren't you mr. S? shouldn't you stay and work? "

"What a cruel little thing." he reached out and pinched her small face, his voice low. " bai sulli, who told you that mr. S has to work during the new year? "

"i know," her voice was a little soft, and then she looked at him. " "Then where are you going to spend the new year? your mother is here!"

He pulled her into his arms. She felt that his body was cold and wanted to break free. Ye Mu Lin took off his coat, took off his shoes, and climbed into the blanket.

she was so angry that she screamed. " you climbed into bed without even taking off your shoes. ye mu lin, you're too despicable. "

He laughed and lay flat. are you despising me? " he asked in a low voice.

As soon as she finished speaking, she pulled her into her arms and buried her face in her delicate neck. Bai suili angrily shouted, " "i smell smoke. ye mulin, let me go."

he laughed. " i don't want to. "

as he laughed, he began to kiss her. as the temperature of his lips became higher and higher, bai sulli's voice trembled."Isn't Yueyue tired?"

He turned over and gave her a deep kiss before saying, " "You still have this bit of strength."

Chapter 3569: Fulfilling her New Year's wish (1)

After that, the tone of the kiss changed, and she couldn't resist it, but it still burned thoroughly once. After it ended, he hugged her and took a quick shower. Lying on the bed, he muttered, " I'm taking a private plane at eight tomorrow morning. Shirley, remember to wake me up.

She looked at him. ye Mulin, are you going back to B city too? "

he murmured in agreement and then closed his eyes."yes, we'll go back together."

she didn't say anything, thinking that he was going back to B city for the new year.

she closed her eyes and gently hugged him.

In the morning, ye Mulin woke up first. He opened his eyes and looked at the woman in his arms. He pinched her face lightly."shirley, wake up."

...

She opened her eyes in a daze, even more sleepy than he was.

Ye Mu Lin smiled. you're up. Otherwise, we'll have to wait for a long time for the private plane.

as he spoke, he lifted the blanket and went to get some clothes for her. as he put on his own clothes, he said, " "It's cold in B city. Wear more sweaters."

are you going back with me? ” Bai Sulli looked at him with a sweater on.

after putting on the sweater and long pants, he said, ” “Didn’t we agree on this last night?”

She blushed. What did he mean by ‘it’s time to say it’?

He was really shameless. Now he was saying these words without blushing or having a heart beat.

bai suili put on a sweater and said in a low voice, ” “it doesn’t look good.”

Ye Mulin walked beside her and whispered, ” “I’ll send you home first, then I’ll go home.”

She looked at him, feeling a little uneasy ...

Home? Did she still have a home?

Just as she was in a daze, ye Mulin had already carried her up and walked towards the washroom. He said in a calm voice, ” brush your teeth and wash your face. If the private plane doesn’t make it in time, your New Year’s wish won’t be realized.

She let out an “ah” and looked at him.

he smiled and did not say anything.

At eight o’clock, the private plane flew to B city. It was rare that he did not deal with work but was reading a magazine instead. After that, he took a short nap. Bai Sulli was at a loss and uneasy, so she sat on the side of the cabin and looked outside. When the plane landed, ye Mulin also woke up. He looked at her and said softly, “I’ll send you back.”

“no need,” she shook her head. I’ll go to the hospital myself.”

he stared at her for a while. ” i’ll send you. it’s very convenient for a chauffeur to pick you up. ”

She still wanted to say something, but she realized that if she continued to refuse like this, it would seem a little distant, so she didn't say anything.

The chauffeur waited for them to arrive and opened the door for them to give way. Ye Mulin sat in the car and closed his eyes to rest. He had been working for the past few days and only rested for four to five hours a day on average.

bai suili looked at the green color in the corner of his eyes, and said in a low voice, "If you're so tired, why did you have to do it last night?"

"if you want it, then do it." He smiled and pulled her into his arms. He kissed her hair and pressed his chin against the center of her hair, murmuring, "tomorrow, you're going back to the apartment, okay?"

As he spoke, he held her hand. There was a set of keys in her hand. She had left the keys behind before they went to city H. Did he notice?

"Why?" Her voice was trembling.

His eyes were still closed, and he sighed softly. "I think you're there. I think I can find you at any time."

as he spoke, he rubbed her hair. " bai sulli, don't talk now. let me sleep for a while. "

returning to B city wasn't any easier than returning to h city. he had to make preparations for his return and integrate into this circle. there were too many things he had to do, yingluo, but he couldn't tell her. it would only harm her. this was good. he would protect her, yingluo.

Chapter 3570: fulfilling her new year's wish (2)

The car had been driving when Bai Sulli suddenly turned around and asked, " "Why is it here?"

Outside the car window, every blade of grass and every tree was so familiar that it made her heart tremble.

It was the Bai mansion from before. After the Bai family was defeated, it was confiscated. Later, she heard that there was an auction. Why did he drive her here?

The car stopped. Ye Mulin turned his head and said softly, "I've bought this place. I've sent someone to pick up your father and your mother seems to be in good spirits. However, they only have one night's time. Your father has to go back. It's better for your mother to receive treatment in the hospital. Someone will come to pick them up tomorrow morning. Wait for me at the apartment after you've tidied up. We'll return to city H on the second night of the new year.

she was still looking at him, her voice hoarse. "How did my dad get out?"

Although he was only sentenced to five years in prison, she knew that these five years were no ordinary five years. It was difficult for her to even meet him, let alone get him out for one night. He had taken such a big risk. If others found out about this, his future would be gone.

...

Ye Mulin looked at her and placed his hand on the center of her hair. His voice was warm. this is your New Year's wish. I have to find a way to fulfill it, right? i'll pick you up from the apartment in the afternoon the day after tomorrow."

she looked at him, still in a daze.

He turned to the side and opened the car door for her, his voice extremely low. "It's not convenient for me to show my face. Get out of the car."

Only then did she wake up from her dream. When she got out of the car, her footsteps were light.

at this moment, ye mulin rolled down the car window and smiled. "Shirley, Happy New Year.

she was still in a daze, so she said, "Happy New Year."

then, she watched the window roll up and the car drive away. bai sulli watched for a while and then ran into the villa.

Mr. And Mrs. Bai were both there. Mr. Bai had lost a lot of weight. He was squatting in front of Mrs. Bai and talking to her. Mrs. Bai seemed to be in good spirits.

bai suili stood on the steps and looked at the familiar scene, her eyes filled with tears.

“Dad, mom.” She walked in and hugged Mr. And Mrs. Bai.

Mrs. Bai was in good spirits, but her mind was not very sensitive. She could not remember things and thought that things were the same as before. So, she smiled and said, Shirley, what are you doing? go wash your hands. Your father is spending New Year’s with us tonight. He doesn’t need to go out and comfort us. He’ll stay with us today.

When she said this, her spirit was indescribably happy. Bai Sulli only felt a little sad. She looked at her father, and Mr. White smiled very lightly.

” yes, ” she said. ” daddy won’t be going out today. ”

She still wanted to cry, but she quickly wiped the tears from the corners of her eyes and forced a smile.

this kind of reunion was not easy. she knew that ye mulin had paid a huge price for it. she could not mess it up. perhaps the next time she saw her father would be a few years later.

mr. bai had personally prepared the new year’s eve dinner. mrs. bai had been complaining that the servants at home had become lazy and no one had cooked.

bai suili said, ” dad gave them a day off to let them reunite. ”

Mrs. Bai was happy again. She watched Mr. Bai cook, and Bai Sulli watched them quietly go to the side. Xuxu wanted to give them more time to spend together.

in the past, when her father was still in power, he didn't have time to be at home. now, she finally had a day.
