

Thank you 3571

Chapter 3571: Fulfilling her New Year's wish (3)

She looked at her father's back as he cooked and felt that he had changed.

His father used to be so high-spirited and so many people looked up to him. But now, it was different. His back looked so lonely.

Bai suili's eyes were hot, a little sore, and she wanted to cry.

however, after such a long time, her tears had dried up.

When they were eating, she almost did not dare to look at her father. She was afraid of his all-knowing gaze.

After the meal, Mr. Bai coaxed Mrs. Bai to sleep. Then he went downstairs and saw Bai Sulli leaning on the railing, looking at her silently.

...

he looked at his daughter quietly. after a while, he walked over and handed her a cup of hot food."what are you looking at?"

bai sulli took the hot food, looked at her father, and said in a low voice, " I'm looking at the night view. I'm thinking that if everything went back to the past, I might not have married into the ye family.

she paused for a moment, tears welling up in her eyes."Dad, it's my fault."

"It's only a matter of time, Xue Li. This has nothing to do with you." Mr. White sat next to his daughter. They watched the endless night sky.

he sighed. " it's just brought forward. but shirley, it's because of ye mulin that father's sentence was reduced by many years. you might not know that if you want to step over someone, it's best to kill them in prison. " five years is really a gift."

he looked at his daughter.

Bai suili looked at him in shock.

Mister White smiled. even this time, it was him who took the risk to come forward. Otherwise, how could I have come out? "

He smiled bitterly, then reached out and touched Bai Sulli's head, " I won't object to you being with him. That man Yingluo loves you, but you have to think about whether you want to sacrifice yourself for Daddy and Mommy. His father is not a soft-hearted person.

Bai suili was silent for a moment. it's probably karma. Ye Zheng just got divorced, and ye Mulin's mother is with Hao Yun now.

mr. bai was a little surprised. he looked at his daughter for a long time without speaking. bai suili told him about xie anning, and mr. bai sneered,"In the end, he fell into a woman's hands. Su Fu is such a good woman, but he let down Huahua."

When he said this, Mister White's face looked a little bleak. It was the kind of face that contained a lot of information.

bai suili looked at her father in a daze.

Mr. Bai smiled. su Fu was the National goddess at that time, and everyone liked him. In the early days, your father was still a loser. He could only look at Nannan and Shirley from afar. You can't tell your mother about this.

Bai suili laughed. dad, you have this part? "

mister white smoked a cigarette and said, " "what hasn't your dad experienced? Life is full of ups and downs, it's not a big deal. I don't have much hope after I come out, so I'll just rely on your mother and find a job to support her. I owe her a lot, and I'll make it up to her in the future!"

After he finished speaking, he looked at Bai Sulli and said, "there are still more than three years left. Sulli, take good care of yourself and take care of your mother if you have the ability. I know that you have endured the humiliation, but people have to live on. Listen to dad and don't live in hatred. The government is cruel. It's either you die or I die. There's nothing to hate. Dad doesn't have the ability to take revenge, but someone will take care of it. You just wait and see.

Chapter 3572: Fulfilling her New Year's wish (4)

Bai suili nodded.

Mr. Bai said a lot more because he didn't know when they would see each other again. In the middle of the night, she said she was tired and wanted her father to accompany her mother.

it was late at night. mr. white stood in the living room for a long time before he said, "when i come out, i'll change this house. it's too big and not practical."

"En," Bai suili said,"let's move to a flat floor."

As she spoke, she started to choke up. dad, you must come back safely, okay? mom and i will be waiting for you."

mr. bai reached out and touched his daughter's hair. he nodded and turned to walk upstairs.

...

Although they were resting, who could fall asleep? after a short night, the family of three was destined to go their separate ways again.

she didn't sleep all night until the firecrackers for the new year were endless. bai sulli seemed to hear the sound downstairs. she immediately got up, put on a coat, and ran downstairs.

There were two black camper vans parked at the door. Mrs. Bai was already in one of them, and Mr. Bai was about to get in.

bai suili stood on the steps and called him dad.

Mr. White turned around and looked at her. He smiled and said, "xue li."

Bai Sulli's face was a little pale. Her nose was sour as she called out 'dad'. Then she rushed over and hugged Mr. White."Daddy."

mister white lowered his head and said softly, "it's only for three years. Shirley, don't be sad, and don't make any requests of him. This kind of thing is very dangerous, okay?"

she knew. she looked up and nodded hard, but she still couldn't help feeling sad.

mr. white comforted her a little more. he had always been a leader, not as fragile as bai sulli, so he left.

when he closed the car door, he couldn't bear to see that it was his fault that he didn't manage to protect his wife and child.

the two cars started slowly and went their separate ways at the intersection. bai sulli stood at the door of the bai mansion and kept looking at yingluo. her tears were about to fall, but she held them back.

She returned to the living room. Mr. Bai had made her breakfast, and it was still warm.

There was a pair of handmade slippers on the sofa. Her mother must have knitted them. She quietly finished her breakfast and took the slippers in her arms. She did not stay in the villa for long and left.

On the first day of the new year, the sound of firecrackers could be heard everywhere, but she was facing a farewell.

Suddenly, she missed ye Mulin very much. She wanted to see him.

she took out her phone and dialed his number, but the phone was turned off. she was stunned for a long time.

After a long time, she slowly walked forward. A taxi stopped in front of her and asked if she wanted to give her a ride. She sobered up and thought for a moment before smiling.”alright,” he said.

she sat in the car and the driver asked the young lady where she was going. she should have gone to the apartment, but she didn’t want to. in the end, she said, ” “I’ll just walk around B city.” Bai suili said, somewhat at a loss.

The driver agreed and began to drive around. It was the new year, and even B city was quiet in the morning. Bai Sulli sat in the car and looked at it quietly until her eyes felt a little sore.

Then, she gave the driver an address. However, she was in a daze and actually gave the address of the ye family’s old house.

when the driver heard this, he thought, f ** k, this is a place where only high-ranking officials and dignitaries live. however, the villa area that the young lady just came out from is also a place of high status.

Chapter 3573: Slept with my fiancée and younger brother (1)

the driver tried his best to pull her over. when they arrived, bai sulli paid the money without even looking.

the driver drove the car away.

however, when she got out of the car, she realized that she was at the ye family’s old residence. the hui style building was very grand and looked very imposing in the cold morning of B city. she looked at it quietly and felt as if it had been a lifetime.

she stood there for a long time without moving. in this place, there were her best and worst memories.

She turned her head and saw a black limousine silently stop behind her.

In the car, ye Mulin sat quietly with Wen Yuan beside him.

...

bai xili's eyes met his, and her heart skipped a beat.

In the car, ye Mulin's hands were gripping the steering wheel tightly as he looked at Bai Sulli quietly.

wen yuan, who was beside him, looked at bai suili and then at the man beside him. he asked softly, " "You, do you want to get out of the car and meet her?"

wen yuan's father's car was in front of them.

Wen Yuan was an understanding person, but he could not accept this kind intention. He said in a calm voice, " "No need,"

As she said this, she pressed the horn and the black, carved gate of the ye residence immediately opened.

ye mulin's car slowly slid in and passed by bai suili.

When he passed her, he saw the tears in the corners of her eyes and her lonely look.

this used to be her home, but now she was standing there like a stranger. shirley, you don't know, but this is no longer my home.

Ye Mulin closed his eyes and Wen Yuan placed his hand on the back of his hand. He smiled gently and said, " "you can coax her later."

“Wen Yuan, are you tired?” ye Mulin’s voice was a little suppressed.

He did not slap her hand away, but his expression was distant.

He stopped the car and said quietly, ” ” it’s not easy to live in a marriage that looks harmonious but is actually divided. wen yuan, are you sure you want to do this? ”

Wen Yuan lowered his eyes and smiled faintly, ” “it’s all for the family, isn’t it?”

She looked at Bai Sulli at the door through the rearview mirror and smiled slightly. ” i envy her. she’s always willful, but she’s always been able to live well. mulin, we’re the same kind of people, but she doesn’t belong in our world. you can raise her and pamper her. i mind, but i won’t destroy you. if this can make you happier, i’m willing to let you be. ”

He tilted his head and looked at Wen Yuan. Shirley and my mother are the same type of people. I’ve heard that men will instinctively like women who look like their mother. I don’t know if this is true. I think mu Bai is the same.

Wen Yuan’s expression changed slightly at the mention of ye mu Bai.

Ye Mulin’s gaze deepened. He leaned forward and asked in a low voice,”are you really not going to consider mubai? are you sure you like a boring person like me? mubai knows a lot, and he might be able to stir up your calm and unperturbed heart.”

Wen Yuan was embarrassed by his words. He opened the door and got out of the car.

After she got out of the car, her heart was beating rapidly. She kept adjusting her breathing and told herself that it must be her imagination. Ye Mu Lin definitely did not know that she and ye mu Bai had sex after drinking. That bastard ye mu Bai said that he would not tell anyone and that they would part on good terms.

ye mulin got out of the car as well. when he got out of the car, he looked outside and saw that bai sulli was no longer there.

His heart ached, but he walked to Wen Yuan's side as if nothing had happened. "go in!"

Chapter 3574: slept with his fiancée and brother (2)

Wen Yuan looked at his poker-like face and confirmed that he was right. He did not know.

She could only apologize to ye mu Bai. That night was an accident.

Since it was an accident, she could just stop here. She couldn't continue to make mistakes with him, so she had been avoiding him these days.

However, she did not expect that not only would the parents of both parties be present at the gathering today, but ye mu Bai would also be there ...

wasn't he overseas? why did he rush back?

Wen Yuan's gaze was a little uncomfortable and his hand that was holding ye Mulin's tightened.

...

"What's the matter?" ye Mu Lin asked.

"It's nothing!" Wen Yuan forced a smile.

At this moment, ye mu Bai walked over. Wen Yuan immediately let go of ye Mu Lin's hand. I'll go and chat with Auntie for a while.

because it was a marriage, su fu also came. however, he was not ye zhenggang's wife but ye mulin's mother.

Ye Mulin watched her leave before turning to his brother. why are you back? "

” ah, a family reunion. ” ye mu bai smiled. ” but it seems like one person is missing. ”

He walked to the bar counter and poured a glass of wine for himself and ye Mulin. Then, he walked towards the balcony with ye Mulin.

Ye mu Bai looked at his own brother with an unfriendly expression. were you the one who put the drug in our bodies that night? ”

ye mulin squinted his eyes and smiled. he raised his head and took a sip of wine.”What drug? who is ‘we’?”

Ye mu Bai glared at him and wanted to grab his collar. stop pretending to be innocent! you don’t know?”

“Oh! are you saying that when i was sick, wen yuan saw shirley complaining to you, and you took the chance to sleep with her?”

Ye Mulin patted his brother’s shoulder and said with a face full of sincerity and love (haha), ” I asked you to comfort her, not to sleep with her. Mubai is my future wife. Can you restrain yourself a little? it won’t look good if word gets out.”

Ye mu Bai exploded in anger.

On what basis!

why did he have to sleep with someone his own brother didn’t want to marry?

“I don’t believe you’ll marry her!” He said coldly.

Ye Mulin smiled. since you know, why did you sleep with her? ”

his meaning was too obvious. ye mu bai’s face darkened. ” “ye mulin, i’ve realized that you’re becoming more and more black-bellied.”

Ye Mulin patted his shoulder. for the sake of the family, I've sacrificed myself for you once. Shouldn't it be your turn now? ”

as soon as he finished speaking, he walked towards the wen family's head with a smile, as if he was preparing a son-in-law.

ye mu bai let out a breath of air. ” Did these fools really expect ye Mulin to marry Wen Yuan? he was just stalling for time. wen yuan was just a stepping stone for him to jump into B city. wen yuan was foolish, but the wen family was even more foolish.

but the biggest idiot was him, ye mu bai. he clearly knew, but he still fell for it.

the thought of wen yuan's tepid appearance made his scalp tingle. she was a perfect wife, but she was not what he wanted.

the ye family was in a joyous and harmonious mood.

But everyone had their own thoughts.

The Wen family left after having lunch. Ye Mulin sent Wen Yuan off and su Fu wanted to leave as well. She contacted Hao Yun and she said that she would be back in half an hour so she waited in the living room downstairs.

ye zhenggang walked over and placed a cup of flower tea in front of her. “He's not here yet?”

“There's some traffic on the road now.” Su Fu nodded.

she looked at the flower tea. it was the kind she used to love, so she smiled and said, ” thank you. ”

Ye zhenggang looked at her and felt a little upset. Did she become younger because of Hao Yun? as long as he thought of her being forced to do those things by Hao Yun, he would feel extremely unhappy.

Chapter 3575: Slept with his fiancée and brother (3)

however, night slag dragon didn't show it, because it would make him look too LOW.

He sat beside her and asked casually, " "did he treat you well?"

su fu was stunned for a moment, probably not expecting such a question. he smiled faintly and said, " "It's pretty good."

ye zheng was about to say something when su fu said softly, "I've already registered our marriage."

after that, ye zhenggang fell silent for a long time. his face was indescribably gloomy, as if every frown was filled with disappointment and sorrow. after a long time, he sighed and said, " "su fu, you're not giving me any chance."

Su Fu was much calmer now and said softly, "don't be like this. i, yingluo, can't be with him without a status. i'm already so old, but i still have to be decent."

...

Ye zhenggang had just recovered from that moment, and he perked up. "what about his family? are they good to you?"

"They're all good." Su Fu smiled. I can't do much due to my status. It's fine to just have a meal with my family.

Ye zhenggang lowered his eyes and didn't speak for a long time. After that, Hao Yun came over.

he and ye zhenggang had almost stopped contacting each other. some things were done by secretary li. when ye zhenggang looked at hao yun again, it was as if a lifetime had passed. he had an indescribable feeling.

He was especially considerate as he watched Hao Yun hold su Fu's waist and get into the car.

He thought that she must be happy to be loved with all her heart. He suddenly called out to her, ”
“su fu, wait a moment.”

Su Fu sat in the car and rolled down the window to look at him.

Ye zhenggang turned around and went to the study room. He took out a precious mahogany screen and gave it to her. It was carved by a master and was worth collecting. Su Fu had always liked this.

He placed it on her hand and smiled.”live a good life in the future.”

As he said this, his eyes were fixed on her.

she was still that orchid-like woman, but he was no longer the high-spirited ye zhenggang.

“thank you,” su fu replied with a smile.

hao yun nodded at ye zhenggang, went around to open the car door, and started the car.

In fact, Hao Yun knew very well that ye zhenggang had let go of her because he still loved su Fu.

It was just that that kind of love, after being broken, was difficult to make up for.

A woman like su Fu was still proud and unwilling to compromise.

in the car, su fu looked at the small screen and then put it down. ” put it in your study later. ”

don’t mind me, ” Hao Yun smiled gently. I’m glad you like it.

“no.” su fu sighed,”i don’t like it that much now. it’s true that i like to read, but huanhuan ...”

she suddenly turned her head and looked at hao yun. ” because you like me like this. ”

Hao Yun's ears were a little hot and red from her sudden confession. He held her hand and said softly, "Save these words for me when we get home, okay?"

She smiled faintly and looked out of the car window.

the new year's firecrackers continued to sound, signaling the arrival of a new year and the beginning of everything.

"i feel sorry for your parents if i can't have a child," she sighed.

Hao Yun was an only son, and his parents were both old professors at Tsinghua University. He was already feeling a little aggrieved marrying her, and since there was no future for him, she was still worried about ran ran.

Hao Yun held her hand. I won't force it. Sometimes, it's in my life. she said.

he paused. "actually, i don't really want a child. i'm afraid that it's too hard on you, yueyue."

Chapter 3576: Slept with my fiancée and brother (4)

It was almost three o'clock in the afternoon when ye Mulin had sent Wen Yuan off.

as he drove, he took out his phone and dialed bai sulli's number.

The call went through and he asked in a deep voice, "Where are you?"

"Have you eaten?" he asked.

she seemed to be stunned for a moment. after she came back to her senses, she whispered, "I've eaten."

ye mulin wanted to talk to her. he really wanted to talk to her now. he asked her softly, " where are you now? I'll come and pick you up.

...

Bai Sulli stood on the street, looking at the shops on the side of the street, and said softly, "I'm shopping."

His facial expression became gentler, and he lowered his voice. " where are you? i'll come and pick you up. "

She took a deep breath and said in a hoarse voice, " "Don't you have to accompany Wen Yuan?"

he paused for a moment and held the phone in his hand for a long time without making a sound.

silence spread between them.

after a long time, he finally spoke in a hoarse voice, " shirley? "

she was upset, but she still told him her address and waited for him there.

when ye mulin drove over, bai sulli was sitting in a coffee shop by the street. it was the new year, but the coffee shop was still very full. he parked the car and sat in the car. he saw his sulli sitting by the window, looking over in a daze.

He rolled down the window and smiled at her.

bai suili sat there and looked into his eyes. she saw warmth in his eyes.

after a long time, she also smiled.

Ye Mulin opened the car door and closed it with his long legs. He then walked in her direction.

bai sulli called the waiter over and ordered a glass of mandheling for him. then she watched him take off his coat and sit opposite her.

He looked at the simple meal in front of her and knocked on the table lightly. "This is what you meant when you said you wanted to eat."

"No." She sipped her coffee and her eyes widened."I was jealous at noon."

Ye Mulin did not expect her to say that. He was stunned for a moment before he laughed. Then, he knocked her head lightly with his finger. you're getting better at talking.

"will you marry her?" she widened her eyes and looked at him innocently.

at this moment, the waiter brought ye mulin's coffee. he took a sip, looked into her eyes, and said slowly,"if i say yes, will you leave me?"

"I guess so." She lowered her eyes and said in a low voice, " what should I do? "

As she spoke, she raised her eyes to look at him.

ye mu lin reached out and ruffled her hair. he smiled."i won't,"

She wanted to ask what 'no' meant, but her little bit of pride prevented her from saying it. Instead, she smiled and said, " "oh right, thank you for last night."

ye mulin did not say anything. he only drank his coffee and looked at her warmly.

outside the transparent window, the sky was snowing, and his smile was very warm.

at this moment, she would no longer complain that he had become like her father because she liked this warmth. at this moment, she also knew that regardless of whether he married wen yuan or not, he would always love her and bai suili.

” ye mu lin, ” she called his name softly, ” “let’s go and see the snow together.”

“it hasn’t snowed in B city since we got married,” she said, holding her face in her hands.

actually, this was their first time spending the new year together after they got married, but they were already divorced yingluo.

He said yes. When they walked out of the cafe, he held her hand and helped her put on the scarf. They walked into the gentle snow together.

At this moment, she felt warmth in her palm. She was happy.

Chapter 3577: Why did you divorce me in the first place? 1

The gentle snow fell on her shoulders, hair, and eyebrows.

after walking for a long time, her entire body was covered in a layer of snow white.

bai suili tilted her head and looked at ye mulin, smiling.”ye mulin, you seem to be santa claus.”

ye mulin laughed in a deep voice. he turned to the side and brushed her hair aside. ” bai sulli, your hair has also turned white. if we continue walking like this, it can be considered that our hair has turned white. ”

She didn’t expect him to say this either. She smiled and reached out to help him wipe the snow from his eyebrows. you too.

he gazed at her, his hand sliding down to hug her waist. he leaned over and kissed her gently, on the street of B city.

...

she was a little scared and looked helpless. ” ye mulin, someone will see us. ”

then let’s see. he pressed his forehead against hers, his warm breath on her lips. xue li, sometimes i feel tired and want to give up. but i still can’t. ”

he didn’t say much. he only told her his difficulties.

bai suili wanted to retreat, but he didn’t let her and just hugged her like this.

In the gentle snow, in the vast heaven and earth, he continued to hug her.

the scene of them hugging was captured, but they didn’t notice it.

because they had been outside for too long, the snow on their bodies melted when they got into the car, so they simply took off their coats.

Bai Sulli took out a paper bag from the side and handed it to him. “A New Year’s gift.”

ye mulin looked at her in surprise. then, he took the bag and opened it.

it was an LV scarf, the color low-profile and reserved.

“i like it very much.” he smiled, then looked at her. ” is this a gift or a thank you? ”

“Are they different?” She looked at him, tears welling up in her eyes.

He pinched her face and smiled. ” there’s a difference. a gift is a gift, and a thank you is a thank you. but, wanwan, you should use something else to thank me. ”

He looked at her meaningfully and stretched. I was busy before the new year, but I have to go to work on the third day of junior high.

This was a typical example of an old man trying to gain sympathy in exchange for shameless Jade desire.

bai suili didn't understand it before. she was such an innocent little girl, but now she understood.

she glared at him and kept looking at him. " you're just taking advantage of me. "

" yes, " he admitted. " i'm a normal man. "

He started the car and drove in the direction of the apartment. Bai Sulli bit her lip and kept looking at him.

To her surprise, after returning to the apartment, he did not immediately ask her to do anything. Instead, he asked her to change her clothes and went to the kitchen by himself.

bai suili entered the bedroom. it was exactly the same as before, nothing had changed.

Some of her clothes were still there, and she had also added some winter clothes.

she looked at him in surprise as she held the unsheathed tag.

Did he already know that she would come back?

bai suili tilted her head and looked in his direction, her eyes misty. after a long time, she pursed her lips and didn't say anything. she changed her clothes and went out.

ye mulin was preparing dinner when he heard her footsteps."let's also celebrate the new year."

bai suili suddenly hugged him from behind and said in a low voice,"ye mulin, why did you divorce me in the first place?"

his body stiffened for a moment, then he lowered his head and said in a hoarse voice,"Xue Li?"

She sniffed, "I want to know. Ye Mulin, I want to know about Yingluo."

Chapter 3578: I just want to hug you (1)

As she spoke, she was a little agitated and her fingers that hugged him were very, very strong.

Ye Mu Lin held her hand and his gaze landed on their entangled hands. He smiled faintly. "Shirley, do you think we're divorced?"

As he spoke, he pulled her in front of him, his fingers gently caressing her face, his eyes especially gentle.

Bai suili was slightly stunned. Looking into his eyes, she stuttered, "Don't we have one?"

He shook his head. no, not in my heart.

as he spoke, he lowered his head and kissed her gently. he was not in a hurry to possess her, as if he had a lifetime to entangle with her.

...

Bai Xiuli raised her head. It was a little difficult for her because he was too tall and she was only wearing indoor slippers.

after a long time, he finally loosened his grip a little. she complained softly, "you're too tall."

His eyes flickered and his voice turned hoarse. "you didn't complain about the size at the critical moment!"

She blushed and bit her lip. She retorted, not knowing what to do. "What? what size?"

ye mulin bit her lips. "you clearly know, but you're still pretending not to know."

After he finished speaking, he carried her to the small dining table and let her sit down. "Let's rest for a while." then, he stuffed a cup of hot fruit tea into her hands.

bai suili looked at his back. black trousers with a gray sweater easily made him look high-class.

When he was a lawyer, he always gave people a feeling of arrogance, but now that he had taken the path of being close to the people, she always felt that he was a little like an elder and was not used to it.

She lowered her eyes. If he was doing this for her, did he like this job?

Bai Sulli suddenly wanted to walk into ye Mulin's world. She seemed to be enjoying his kindness and care, and perhaps even sacrificing herself.

she didn't even dare to think too deeply about it. her father had said that it was impossible for someone like him not to spend the rest of his life in prison. hence, ye zhenggang was willing to let him off not because of their old relationship. it was very likely that he had come to an agreement with ye mulin.

bai suili looked at him quietly and suddenly felt that she was very useless. she had been complaining that if she hadn't married him, he wouldn't have been so sad and wouldn't have lost a child.

however, she had never thought that he was sadder than she was. he had lost his marriage and child, and his family had betrayed him. he was also under pressure. her heart beat faster. was he doing all this for her?

Ye Mulin was still cutting the vegetables. He was very serious.

However, she could not control the excitement in her heart. She walked over and hugged him gently.

"Xue Li." "If you continue to act like a spoiled child, we won't have any food to eat," he said helplessly.

She buried her face in his back and said in a low voice, ” “Ye Mulin, I just wanted to feel your warmth.”

his hand paused for a moment, and he turned to look at her. ” “Do you want to deeply feel it?”

as she spoke, she was about to put down the knife and have an intimate contact with her. bai sulli closed her eyes and screamed in disgust, ” “I don’t want to.”

“who was the one who kept teasing me just now?” he chuckled as he pinched her waist.

“You’re cutting vegetables. It doesn’t smell good.” She was still smiling and biting her lip.

he looked at her and lowered his head to kiss her. she blushed and turned her face away. he chased after her from her cheeks to her lips and kissed her for a long time before he said in a hoarse voice, ” “Then we’ll rest after eating?”

Chapter 3579: i just want to hug you (2)

Not only did he ask, but he was also staring at her with a burning gaze.

Her face drooped uncomfortably, and then she looked at him and asked in a low voice, ” “You really want to?”

he hummed in acknowledgment, kissed her, and continued to cook.

She hugged him from behind again, looking very dependent on him. Ye Mu Lin only smiled slightly and did not say anything.

he made a table full of delicious dishes, and bai sulli’s little stomach was round. while eating, she praised, ” “you’re really capable of entering the hall and going to the kitchen.”

“what about the bed?” ye mu lin looked at her and asked slowly.

...

she stammered, " how can you say that? "

he smiled and lit a cigarette. " this is the most important point, okay? if you don't cook well, you can hire someone to cook. if you don't cook well, you can hire someone to replace you? "

bai suili glared at him. " it's a pity that you're not going to continue being a lawyer. "

after she finished speaking, she noticed a hint of disappointment in his eyes. her red lips trembled and her voice was hoarse. " ye mulin, i didn't do it on purpose. "

in this moment of disappointment, she finally realized that his favorite job was a lawyer, not power.

And he might sacrifice his interests and ideals for her.

For a moment, she didn't know what to say. She was afraid that she would say something wrong.

ye mulin was only stunned for a moment before he returned to normal. he reached out and touched her head, saying in a low voice, " bai sulli, all work is fun. it's not what you think, huh? "

Then, he looked at the cups and plates on the table and nudged his chin at her. "help me run the bathwater. i'll take a bath after i'm done."

Oh, " she replied, but her eyes were still staring at him.

he looked at her and asked,"do you want me to go and make one now?" Shall we go together?"

she immediately ran away.

after she left, ye mulin's gaze immediately became a little dazed. he stared at her for a long time before he finally cleared the table and placed the dishes into the sink. he did not wash them immediately. instead, he lit a cigarette and stood there smoking.

It wasn't that he didn't feel anything. He did like being a lawyer. It was addictive.

He liked the feeling of standing in court. He liked the feeling of competing with the other party's lawyer. It was a great feeling. Now, he had to put on his mask and smile affectionately. When people called him Mr. Ye, he had to be gentle, as if he had become another person.

he didn't like this, but he didn't want to lose bai suili even more.

Ye Mulin let out a long puff of smoke. He was afraid that she would find out, so he put it out before he finished smoking. After washing the dishes, he washed his hands twice before walking towards the bathroom in the master bedroom.

Bai suili was still running the water, and the water was about to overflow, but she was still lost in thought.

Ye Mulin walked over, picked her up, and threw her into the bathtub.

"Ye Mu Lin!" She shrieked.

She peeked her head out from inside and was a little angry. He was too hateful. Her clothes were new, and he ruined them just like that.

Ye Mu Lin laughed lightly and said lazily, "Didn't you just say that you want me to do that?"

he stood in front of her and began to take off his sweater.

Bai suili screamed and covered her eyes, "What are you doing? don't take it off!"

There was a doting expression on his face. "some people think that i'm like an old grandpa now. should i be more brutal?"

after he finished speaking, he stepped in. he wasn't in a hurry to do anything to her. he held her in his arms and kissed her. "do you still think i look like your dad?"

Chapter 3580: I just want to hug you (3)

Bai Sulli's clothes were fine, but they were soaked in water and he was holding her in his arms.

He was so clean and tidy.

she was not used to it, so she struggled and said in a low voice, "ye mulin, can you let me go first?"

he stared at her little face and said in a hoarse voice, "not good."

"Tell me, do you still think you look like your dad?" he kissed her.

He moved his thin lips to the back of her ear and kissed her. can your father give you this feeling? "

...

she couldn't stand his perverted behavior and turned her face away. "Don't say anymore."

He smiled. I thought we needed to make things clear.

she hooked her arms around his neck and kissed his chin. "Didn't you say that Yingluo was thinking about that? why do you keep saying this?"

Ye Mulin's thin lips moved over to kiss her lips. After that, no one said anything else, only the sound of kissing could be heard ...

He carried her out and kissed her against the bathroom wall. He even turned on the shower, and the hot water quickly warmed the wall. It was very comfortable.

Bai suili was a little uneasy. She struggled for a moment and said in a low voice, "ye mu, Lin Qianqian, don't torture me like this!"

he pressed against her and kissed her. his voice was immersed in boundless jade desire, and because of this, it became particularly fierce. "I love you."

He stopped kissing her and nibbled the corner of her lips. Shirley, I love you.

she wanted to say something, but she frowned and started to cry.

her small hand pounded on his shoulder and she cried softly, "ye Mulin, let go of me. It hurts. I don't want it anymore."

His heart should ache when she was in pain, but he wanted her to remember this feeling. He wanted her to remember that his love would be sweet and painful. He wanted her to feel his pain.

on the first day of the new year, bai suili was really tortured miserably and kept begging for mercy. his heart ached for her, but he still enjoyed it.

just like when they were newlyweds, he liked to be rough.

Finally, everything calmed down. She lay on the bed and continued to sob. Her fair face was buried in the pillow, and her eyelids were slightly swollen from crying. Her long eyelashes trembled slightly, and there were two drops of crystal tears on them.

Ye Mulin leaned over and kissed her eyelids. "Are you uncomfortable?"

her face was buried in the blanket, and her voice was nasal. she was still angry."go away,"

he chuckled. "you really want me to leave?"

As he spoke, he pinched her soft face."You're really willing to?"

he was already dressed, but she was still lying there in a daze, looking very embarrassed. she didn't have the strength to get up to put on clothes or take a bath.

She knew very well that he still had such a bad taste at this moment.

“ye mulin, you’re too despicable.” she gritted her teeth and glared at him.

He smiled, sat on the bed, and pulled her into his arms, covering her body with a thin blanket.

“shall i help you rub it?” he asked in a hoarse voice.

“I don’t want to.” she sounded aggrieved. ” ye mulin, don’t touch me anymore. do you hear me? don’t touch me anymore. ”

He chuckled, but he still touched the place where she had endured him. He gently rubbed it and said in a gentle voice, ” “Does it still hurt?”

She was initially angry because he was too bad, but now that she was in his arms and he was so gentle, her anger disappeared. She said in a low and hoarse voice, ” “much better,”

As she spoke, her thin arms hugged him childishly, deliberately angering him.”Don’t think that just because you’ve done it a few times, you’re not like a father anymore.”
