Chapter 3581: I just want to hug you (4)

As soon as she finished speaking, the gentle hand that was massaging her changed its tone. She screamed, ” “Ye Mulin, what are you doing?” The ending note couldn’t help but tremble.

he leaned over and pressed his forehead against hers, murmuring, ” “then how many times do we have to do it to be different from your father, huh?”

She hugged him shamelessly. I don’t want to.

She lay flat on his lower abdomen like a baby. daddy ye Mu Lin, I don’t want it anymore.

he laughed, and his heart was filled with an indescribable warmth. he simply didn’t know what to do with her.

he wanted to crush her, but he couldn’t bear to do it. he didn’t feel satisfied not doing anything, so in the end, he just hugged her, his thin lips touching her ear, and said in a hoarse voice, ” “xue li, you just stay by my side and don’t worry about anything else. do you understand?”

...

Her heart trembled a little, but she squeezed out an indifferent smile on her face. “you’re so overbearing again.”

he smiled, smiled gently, and then lowered his head.”It doesn’t hurt anymore, it doesn’t hurt anymore, let’s continue to play.”

the way she looked at him was a little outrageous.

Ye Mulin chuckled and reached out to hold her chin, kissing her.

outside the window, a few electronic fireworks rose, dazzling the night sky in the gentle snow.

on the day of the second day of the lunar new year, ye mulin was going out. although he did not say anything, bai suili knew that he was going to see wen yuan or perhaps to visit the wen family. his relationship with wen yuan had been going on under the urging of the elders. although he had promised her that he had been with her and given her all his feelings and flesh, he had been with her.

however, after experiencing so much, bai suili was not like before. in the past, they could be together as long as they liked and loved each other.

When they were still married, they were on such good terms, but they were still torn apart.

She held a cup of milk tea in her hands and smiled gently. She smiled helplessly and urged her to eat the breakfast that he had made for her. Then, she walked around the streets. Ye Mulin said that they were going back to city H tonight, so she decided to walk around until four o'clock and go home.

Early in the morning, the snow from yesterday had melted, but the air was a little dry and cold, making the streets seem emptier.

She strolled around casually, and a familiar person walked out of a civilian shop and greeted her, " Bai Sulli.

It took Bai suili a long time to remember that her name was MA Chunhua. She had a fight with ye Mulin because of her.

"is there something?" She asked softly.

MA Chunhua's smile was quite reserved. it's nothing. I'm just concerned about you. I heard that something happened to your family and you got divorced. Later, I heard that you were looking for work everywhere for money. The place you work at is a little dirty.

seeing her make a fool of herself, bai suili somewhat indifferently nodded and then said, "Yes, but I found an old man to carry it now. He's good to me. Look, he bought this bag for me. It's more than a million Yuan."

MA Chunhua's face was a little ugly, and there was some envy, jealousy, and hatred in her disdain.

bai suili seemed to have thought of something. "if you want, i can introduce an old man to you. he's so generous. in the future, you don't have to be so frugal and come to such places to spend money. let me tell you, the food in these places is not hygienic. you'll get sick."

ma chunhua's face turned white and then red, and then she blurted out, "I think you're the one who's sick, you'll get aids."

"Right? but you have to be careful of your husband. Some men can't resist the temptation of a beautiful woman." bai xiuli said with ill intentions, and then looked at ma's pretty boy husband indifferently.

MA Chunhua was furious. She dragged her husband away."what a good-for-nothing, your eyes are all fixed on a woman."

Chapter 3582: you're my white mistress 1

bai suili looked at their backs and pursed her lips. just as she was about to leave, a woman stood in front of her.

The familiar yet foreign and distant Ai Wei.

Ai Wei was wearing a Western-style coat. She was tall and sexy. She flipped her hair."let's talk."

bai suili slowly walked forward. "what is there to talk about? if it's for a man, you should talk to wen yuan."

Ai Wei grabbed her arm, her voice a little tense."You know better than me that Wen Yuan has never been in ye Mulin's relationship."

Bai suili lowered her head, looked at Ai Wei's hand, and smiled faintly, Wen Yuan was the one who looked for me. It has nothing to do with lawyer AI.

...

“I’m now ye Mu Lin’s chief consultant, and I’m helping him deal with a lot of things.” ai wei responded calmly. she had never taken a girl like bai sulli seriously, and now that the bai family had fallen, she would never take her seriously. she just didn’t understand why ye mo valued her so much and did so many things for her.

each and every one of them was enough to crush his bones in politics.

After she finished speaking, Bai Sulli chuckled softly and looked up at Ai Wei. including helping him deal with the women around him? He gave you this right?”

then, she pretended to take out her phone and called ye mulin.ai wei was shocked and hit bai suili’s phone on the ground. the phone screen was broken.

Not only Bai Sulli, but Ai Wei was also a little stunned. She looked at the phone for a long time before finally picking it up and returning it to Bai Sulli. She said stiffly,“i’ll buy one for you.”

“You’re afraid I’ll tell him? He doesn’t want you to stay by his side?” Bai suili smiled faintly, but Ai Wei’s expression immediately changed, becoming particularly ugly.

After a long time, she said in a low voice, ” perhaps you don’t believe me, but I’m the kind of woman who is willing to make him successful. I don’t have to be with him, but I want to see him fly higher. He’s a new Star in politics. He can completely surpass your father and his own father. Don’t you want to see him reach the highest position? ”

ai wei’s expression was a little agitated as she spoke, so agitated that it was almost twisted.

bai suili smiled faintly. ” then you can express your efforts to ye mulin. perhaps he’ll be touched and accept you as his fourth or fifth wife. after all, i’ve taken over the third party’s place. ”

“Bai Sulli, do you have any shame?” Ai Wei’s face turned pale.

“you’re the one who’s shameless,” bai sulli sneered. ” i was pestered by ye mulin. what about you? why are you pestering a man all the time? he didn’t hire you to be his butler. ”

Ai Wei didn’t expect Bai Sulli’s mouth to become so sharp. She gritted her teeth and said, ” you’re not worthy of him at all.

bai xiuli’s cold smile faded a little as she looked at ai wei. ” is that so? then what kind of woman do you think is worthy of him? what kind of woman can watch him sleep with another woman just because she can help him climb higher? ”

she paused for a moment and smiled faintly. ” ” then he’s no different from a duck. he’s just of a higher level. ”

After she finished speaking, she looked at Ai Wei. lawyer AI, you’re an excellent woman. Why must you force your life on a man? whether he’s successful or not, no matter how high he climbs, it has nothing to do with you. It’s only related to his first wife, and that’s not a good thing either. The higher he goes, the more tiring it is to accompany him to socialize.

Chapter 3583: you’re my white mistress 2

As she spoke, she stretched and wanted to leave.

“bai sulli, that person can’t be you. if the bai family falls, you can’t stand by his side openly anymore,” ai wei whispered to her.

“is that so?” bai sulli turned around and looked at ai wei. “even so, he wouldn’t be from a commoner’s family like you. since it can’t be you, why are you so arrogant? at least i can enjoy his money and his flesh. what about you? you can only work for him until you vomit blood.”

ai wei was such a proud person. just hearing these words made her want to vomit blood. she glared at bai sulli. “bai sulli, don’t go too far.”

“too much?” “i don’t think so!” bai sulli smiled.

Pi pi smiled and left. However, her mood had completely changed. In the end, she was no longer in the mood to shop. She ate something outside and thought about it. Then, she went to the hospital to see Mrs. Bai. She did not go in. She just watched from a distance. Her mother was well taken care of and she looked very happy.

...

She looked at it quietly for a while, then went back to the city to get a new phone. She bought the same model as ye Mulin's phone. It was not suitable for girls, but it had one thing that made her feel at ease.

she missed him a little.

In the same city, they had only been apart for less than five or six hours, but she had already started to miss him.

She was very tired last night, but now she felt as if she had eaten a big meal. She was full at that time, but after digesting it, she was hungry again. She missed him very much. She wanted to hug him and let him hug her.

She bit her lip and felt that she was a little shameless, but she really missed him.

She took a taxi back to her apartment and looked at the time. It was three in the afternoon, so she watched TV while waiting for him.

However, she was too tired last night and fell asleep while waiting. When she was in a daze, she felt someone kissing her and calling her name. xue li. ”

She opened her eyes and looked at him with a confused expression. you're back? ”

Then, she smelled a faint perfume on him. It was very elegant.

She guessed that it was the perfume on Wen Yuan's body that she accidentally got on him. She did not want to care about it but she still cared. She grabbed his collar and turned him around.

Ye Mu Lin's eyes were dyed black as he smiled faintly."what are you looking at?"

bai suli bit her lip. " i'm looking to see if there are lipstick marks on your collar. "

ye mu lin chuckled and started to unbutton his shirt."I'll take it off for you to slowly examine, okay?"

In fact, he didn't have such an intention at first. He had to go to the airport in an hour, but her soft appearance still tempted him. So, although he was a little absent-minded, he still had the intention to do it once.

bai suili was a little dumbfounded. she watched him remove everything, and then he smiled. " how is it? "

she stammered. after he took off his coat, the shirt was thrown lightly on her face. it had a faint perfume smell and his unique scent.

Bai Xiuli was furious. She bit her lip and pulled down her shirt. ye Mulin, why do you have the smell of her perfume on you? have you hugged her before? "

he stared at her and smiled. " she's my real girlfriend. isn't it normal for me to carry her? "

her eyes were red with anger. " ye mulin, you bastard. "

She hammered him with her hands, not allowing him to touch her, but he found it very interesting. He pressed her down and did not allow her to move. He even leaned close to her ear and laughed in a low voice."From now on, I'll call you Bai Xiaosan, HM?"

Chapter 3584: you're my white mistress 3

"i'm not a mistress," she glared at him.

She turned around and sat on him, strangling his neck. “Ye Mulin, who are you calling a mistress?”

he chuckled and pinched her face.”who else could it be?”

She bit her lip and turned her face away. She silently wanted to climb down, but he held her waist.”Are you angry? You came back early in the morning to check on my official aura?”

She didn’t say a word and asked him in a muffled voice, ” “Did you kiss her?”

She looked aggrieved and fragile, looking very pitiful. Ye Mulin sighed.”xue li, you don’t believe me?”

...

he held her hand and pulled it to an indescribable place. ” “I’ve hugged her and kissed her before, can she still be like this?”

she looked at him with wide eyes as if she had been scalded.

He smiled and rubbed her face. didn’t you miss me before, huh? ”

she started to bully aisha again.”Ye Mulin, how did you know?”

he pulled her down and kissed her, murmuring, ” “Because I’m your man.”

After that, the atmosphere was so romantic that no one had time to talk and they rolled around for nearly an hour. He calmed down a little, then simply packed up and took her out of the house. He sat in the car and whispered, ” ” we had dinner on the plane, and it’s just the two of us this time. uncle hao and my mother will be back in city H in two days. they have some private matters to deal with. ”

bai suili sat beside him, a little dazed. after a long while, she whispered,”Oh, what about Wen Yuan?”

Ye Mulin was driving. He turned his head to look at her jealous little face and smiled. "you finally care, don't you?"

"Did you meet anyone today?" he paused and asked.

She looked at him. there's no one here.

He stared into her eyes and smiled. Shirley, tell me the truth.

she lowered her eyes. " it's just ma chunhua. by the way, do you still remember her? she's a very fat girl. "

"Why would I remember a woman who is not pretty?" ye Mulin asked.

Bai suili was shocked by his words, and after a long time, she finally whispered, "But you weren't like this in the past. You weren't so shallow that you only looked at looks."

"why not?" He lit a cigarette and smiled. "If I didn't look at your appearance, do you think I would like you, Bai little San?"

he called her bai xiaosan again. she was so angry.

"i'll leave if you call me again," she said, glaring at him.

He drove and smoked, but his eyes were full of affection. "You won't bear to."

she couldn't do anything to him for being such a rascal. she turned her face away, feeling a little uncomfortable.

ye mulin laughed and brought up the same old topic. "Other than fatty MA, who else did you meet?"

"she's called ma chunhua, not fatty ma." bai suili bit her lip.

“did you see ai wei?” ye mulin smiled.

he had inadvertently hit the nail on the head, and she widened her eyes in disbelief.

he looked at her and smiled, “strange?” she’s back in B city. there’s no one else who can make you care so much other than her. ”

Bai Sulli suddenly became quiet, and what he said next made her even more ashamed and angry. He held her hand and said affectionately, “now you believe that i like you because of your appearance. look at how easily you fell for bai xiaosan’s trap with just a few words. what are you if not an idiot?”

He paused for a moment and said magnanimously, “it’s a good thing I didn’t make a fuss about it. My requirements are low.” &Nbsp;

bai xiuli was instantly shocked by him, and she staggered.

Chapter 3585: you’re my white mistress 4

she looked at him silently and thought that he was very shameless.

Ye Mulin chuckled and focused on driving until they reached the airport.

Bai Sulli fell asleep and he carried her out of the car. The staff took her luggage and said in a low voice, ” “it’s a long night, do you want me to wake you up? it’s too tiring for you to carry me like this.”

” no need, ” ye mu lin’s voice was low and hoarse. “I’ll just carry it.”

As he spoke, he carried Bai Sulli and walked straight to the plane. After he sat down, he carefully took off her coat and reached out to help her adjust her position. Then he took off his coat himself, only wearing a sweater, and asked for a cup of coffee from the air stewardess. He began to look at the official documents, which showed his schedule for tomorrow.

At the same time, Secretary li reminded him silently, ” “mr. S, you can only have one cup of coffee. you can't let your stomach go to such trouble.”

...

ye mu lin was stunned for a moment before he laughed.”That's true.”

After that, he asked Secretary li to put away the empty coffee cup and then continued to read the official documents. It was only two hours from B city to H city. Soon, the plane landed on Lu Qianqian.

Ye Mulin rubbed his eyes and looked at Bai Sulli who was sleeping like a little pig. He reached out and pinched her little face.”xue li, we've arrived.”

She opened her eyes in a daze and looked around. ye Mulin, we're all here? ”

he smiled. ” yeah, we're here. we're getting off. ”

As he spoke, he unbuckled his seat belt and helped her untie it. He looked at her and said,”Do you want to walk on your own or do you want me to carry you?”

“i'll walk on my own.” She said hurriedly.

But he had already picked her up. Bai suili reached out and hit his shoulder, calling out in a small voice, ” “Didn't you say I should choose?”

he smiled. ” i've changed my mind. i want to hug you, bai xiaosan. ”

She glared at him angrily. He called her Bai Xiaosan again!

ye mulin chuckled and carried her down-secretary li's eyes were filled with stars as he watched her

...

He's so spoiled!

In the car, Secretary li sat in the front while Bai suili and ye Mulin sat in the back.

she saw that ye mulin was about to take out his laptop to handle the documents again and she quickly lay on his lap. ” “I’m so sleepy.”

Ye Mulin looked at her and said, ” “Bai Xiaosan, I need to work.”

“I don’t care, mistresses are meant to harm their customers.” she lay flat on his lap, looking like a rascal.

Ye Mulin was angry and amused at the same time. He did not know what to do with her and glared at her. “Bai Xue Li,”

her voice was also very soft,”i heard it, i heard yingluo.”

“I won’t let you work.” She blinked at him.

She shamelessly wrapped her arms around his waist. I’m concerned about you. If anything happens to you, what would I do? ” As she said that, she pressed her face against his lower abdomen and rubbed it.

He smiled and patted her little head. you just want me to rest. It’s really hard on you to go in such a big circle.

She cried out a little and glared at him. Ye Mulin laughed and reached out to stroke her soft hair. His voice was a little low.”then i’ll sleep for a while.”

She hummed in acknowledgment and obediently lay in his arms.

after that, they fell asleep together. when they woke up, they were already at si nan mansion, and the night had already darkened.

Ye Mulin got out of the car with Bai Sulli and asked the driver to send Secretary li to her apartment.

after watching the car drive away, bai suili turned to look at ye mulin. ” do you still have to work tonight? ”

“I’ve been quite busy,” he said.

Chapter 3586: helping bai xiaosan vent his anger (1)

He was about to walk into the villa when Bai Sulli pulled him back and said in a small voice, ” ye Mulin, let me ask you, what kind of position does your Qianqian want to climb to? ”

He looked at her for a long time before he smiled warmly.”Why are you asking this?”

She looked at him and said stubbornly, ” “ye mulin, i want to know.”

He lowered his eyes and thought carefully for a moment, then whispered, ” “A position that can protect you, just right.”

She bit her lip and said, ” Oh. then she put her shoulder on his shoulder and wrapped an arm around his waist. She said in a low voice, ” “Ye Mulin, I don’t want to be a mistress.”

his heart warmed up, and he murmured, ” “i know.”

...

when he returned to the villa, the servants were not around. he made a simple meal, and she was making a fuss about wanting to learn. he let her be, but after teaching her for a long time, she didn’t learn anything and only learned to make trouble for him, hanhan.

At night, he still had sex with her twice. Bai Sulli was afraid that his body couldn’t take it, so she bit her finger and pushed him.”i don’t want it anymore, yingluo.”

Ye Mu Lin did not let go of her and his voice was a little hoarse. "You've starved me for a long time."

She looked at his face that was stained with love. She could not bear to reject him and gave in to him.

the next day, ye mulin went to work at the city council. after listening to secretary li's schedule, he tightened his grip on the cup and said, "ask ai wei to come over."

Secretary Li's heart tightened. He knew that this was not a good thing. He hesitated for a moment. "I'll go get her."

she walked over in her high heels and knocked on ai wei's office. "consultant ai, mr. S is looking for you. "

Secretary li knew very well that Ai Wei had probably offended the person in Mr. S's family. In the past two years, Ai Wei had done a lot of things for ye Mulin, but her treatment was not bad either. Also, subordinates were not allowed to interfere with the private life of their superiors. Lawyer AI was too arrogant.

Ai Wei's face darkened when she heard that. She looked at Secretary li. "did night S say something?"

Secretary li shook his head. she didn't say. She just doesn't look too happy.

"Then Bai Sulli must have told her something," Ai Wei lowered her head and muttered.

When Secretary li heard this, he couldn't help but add, "Lawyer AI, there's something I don't know if I should say."

ai wei looked at her.

Secretary li sighed. without miss Bai, there wouldn't be this Mr. Ye today. Haven't you seen it clearly? "

ai wei was a little shocked. she looked at secretary li and mumbled, " how is that possible? how can that be? he's such an outstanding person. Bai suili will only be a burden to him.

"That's because of love. Night S was willing." secretary li smiled indifferently. " lawyer ai, you're overthinking it. " She still didn't directly say the words 'it's your own wishful thinking'.

Ai Wei's expression was a little ugly. She ignored Secretary li and walked straight to ye Mulin's office.

She entered and closed the door gently. Mu Lin, you were looking for me? "

"Just call me Mr. S." ye mulin's voice was very calm. then, he put down the pen in his hand and looked up at ai wei."Take a seat on the sofa."

ai wei was a little uncomfortable with his attitude, but she still sat down.

Ye Mulin sat on the sofa opposite her and said, " "you met xue li? I mean in B city?"

"she told you?" ai wei was a little agitated.

Chapter 3587: helping bai xiaosan vent his anger 2

no, I guessed, " he said quietly, " "shirley's very innocent. she shows everything on her face. ivy, i'm talking to you today to tell you not to bully her. i used to say this, and i'll still say the same thing."

Ai Wei couldn't sit still anymore. She said in a low voice, " so you're helping her vent her anger now? "

ye mu lin stared into ai wei's eyes and said slowly,"It's obvious, isn't it?"

he paused, ignoring ai wei's ashen face, and continued, " we only have a working relationship. don't overstep your boundaries in the future. otherwise, i won't keep a consultant who is involved in my personal life by my side. do you understand? "

ai wei's lips trembled as she retorted,"ye mulin, i really want to know what you love about her."

ye mulin suddenly remembered the conversation he had with bai sulli about her appearance. he said that he liked her appearance, but he probably liked her personality. she was simple, coquettish, and shallow. it was easy to get along with her because he could bully her as much as he wanted. after they got married, he did bully her a lot, but as he bullied her, he felt a little reluctant to do so.

...

Ye Mulin's expression softened when he thought of this. His eyes were also filled with gentleness, which Ai Wei had never seen before.

she felt an indescribable sadness in her heart, but she forced herself to stay awake."I'd rather you choose Wen Yuan."

Ye Mulin returned to his senses. He looked at Ai Wei and said very indifferently, "I don't need you to ask about my business."

he couldn't take it anymore, and his tone became more and more indifferent. "ai wei, you should resign."

"ye, you fired me for her?" ai wei's breathing stopped.

She stood up and became agitated. She stared at him and said, " I quit my job at an international company for you. I've been in city H for so long and I've done a lot of things for you.

"I won't keep anyone who hurts her by my side." Ye Mu Lin's voice was emotionless.

Ai Wei was a little hurt. She stared into his eyes."ye mulin, how could you do this?"

“I can. besides, it’s your own choice to resign. if a person can’t even plan their own life, then they’re not a mature person.” He added in a calm voice.

Ai Wei closed her eyes. you’re planning to go back to B city? that cannibal place? ”

She didn’t believe that he would leave her out!

however, ai wei had overestimated herself. ye mulin fired her firmly. what he didn’t tell her was that he had used her because he was cruel to himself and to xue li. in other words, he had used ai wei.

however, it didn’t matter as long as he could achieve his goal.

ai smiled and the corners of his mouth trembled slightly. ” it’s really not bad. however S mr. ye, let me tell you something. wen yuan may be able to tolerate your relationship with bai suili, but the wen family may not be able to. now that the bai family has been defeated, there are many people who want to beat the dog when it’s down. of course, they may also beat the dog to see who the owner is. ”

she had just finished speaking when ye mulin narrowed his eyes and stared at ai wei. his eyes were filled with anger.”ai wei, what did you do?”

ai wei laughed lightly. ” i didn’t do anything. i only let the wen family know about bai suili’s existence. i only let them know that on new year’s eve, that bai guy was released from prison for one night. i let them know how unreliable their future son-in-law is. they’ve failed in investing in you, unless you marry wen yuan immediately. ”

Chapter 3588: helping bai xiaosan vent his anger (3)

“crazy.” ye mulin stared at her.

she had been monitoring him and bai sulli all this time. she had done it very discreetly, and ai wei actually knew about it.

Ai Wei did not care about his anger. She laughed softly."Eavesdropping is a basic skill for us lawyers. Night, you've been in politics for so long and you've forgotten about it."

"get lost," he said. Ye Mulin's voice was cold. However, he changed his mind and dialed the internal line. security, come in and take consultant AI under control.

Ai Wei was stunned and immediately shouted,"ye mulin, you can't do this to me. you can't do this to me."

however, it was no use even if she screamed her lungs out. she had to eat the bitter fruit herself.

...

after ye mu lin gave the order, the guards immediately came over and restrained ai wei while waiting for ye mu lin's instructions.

ye mulin's voice was calm. " lock her up in the violent room. no one is allowed to let her out without my orders. no one is allowed to come and see her either. "

After he finished speaking, he took his coat and went out. As he walked, he called Bai Sulli.

no one picked up the phone. he gritted his teeth and quickly jumped into the car to drive back to si nan mansion.

On the way, he made a few more calls, but she still didn't answer.

Ye Mulin stepped on the accelerator and sped back to the villa.

he opened the door of the villa and quickly walked upstairs. when he reached the bedroom, he was stunned.

There were clothes everywhere, from the outside to the inside, and her black lace bra.

His heart trembled as he was afraid that something had happened to her.

She walked straight to the bathroom and pushed the door open.

bai suili was lying in the bathtub, her head resting on the edge of the bathtub. her face was red, and she seemed to be asleep.

her seaweed-like black hair was loose, and her lips were red and lustrous. she looked very attractive when she opened her mouth slightly.

It was also very hateful.

she was taking a comfortable bath while he was scared to death.

ye mulin patted her face and lowered his voice. Shirley, the water's cold. Why did you fall asleep? ”

“You're back?” she opened her eyes.

“why are you back so early in the morning?” she asked as she looked around.

As she said that, she got up from the bathtub. Then, ye Mulin's nose started to bleed.

what happened next was a chaotic scene. she covered his nose to stop the bleeding. water was still dripping from her body, and his clothes were wet.

he was young and impetuous, so he had been extremely restrained these days. it was inevitable that he would go overboard.

in the end, the bed looked more like a crime scene than an affair.

Ye Mulin was leaning against the headboard and talking to Secretary li on the phone.

Bai Sulli was lying in front of him, disinfecting his nose and wiping his face with tissue paper. She complained in a low voice, ” ” you're already so old, yet you still don't control yourself. you're

bleeding everywhere. people who don't know better might think that i've taken away your virginity.  
”

he found it funny and hung up the phone. he looked at her. “will there be blood?”

she rolled her eyes at him. ” you didn't go to work in the day just to come back and fire a cannon? ”

“How rude.” He didn't intend to explain too much to her, so he just said, ” “don't go out for the time being. also, i've fired ai wei, so don't bother with her in the future.”

bai xue li was a little surprised, looking at him eagerly.

“is it strange?” he smiled.

“what did she do?” bai suili asked slowly.

“She caused you trouble.” Ye Mulin did not change his expression.

“Something's wrong!” She stared into his eyes. you wouldn't be like this if it was just a few words of gossip. She must have done something, right? ”

Chapter 3589: Helping Bai Xiaosan vent his anger (4)

He didn't want to give her too much pressure, so he only said, ” she took a photo of us and sent it to the wen family. ”

what? ” Bai Xiuli's eyes widened. why did she do that? ”

Ye Mu Lin did not answer her question. He only reached out to rub her little head and smiled.

he lay down for a while, recovered his energy, and went back to work. however, he had assigned four guards to protect the villa. bai sulli looked at the guards through the window and felt a little uneasy. ye mulin whispered, ” don’t go out these days. I’m afraid the Wen family will do something to you.

He hugged her and rested his chin on her head. He looked worried, but he did not let her see it ...

at this time, he was being attacked from both sides, and he had to protect xue li and his father, so it was inevitable that he would have to pretend to be polite to the wen family.

...

This was the price, the price he had to pay for taking this step.

There was no way out.

he hugged her for a while and closed his eyes. Shirley, I’m going to work. Be good at home. If I go to my mom’s place, I’ll have someone follow me, okay? ”

He was worried about her, so he didn’t hide it from her completely. Letting her know the danger was also a form of protection.

she grunted and turned around in his arms. then, she helped him adjust his clothes and looked up.”I’ll wait for you.”

“good girl.” ye mu lin kissed his forehead.

She bit her lip, looked at him, and whispered, ” “Ye Mulin, in the future, can you not come back so suddenly?”

he was about to leave, but he couldn’t bear to see her like this. he lowered his head.”how am i?”

“It will be very tiring.” She placed her small hand on his button and pulled it gently. you’ve been out of control recently.

his tone was a little grumbling, but it extinguished the anxiety in his heart. he smiled. ” bai xiaosan, i’m already very restrained. ”

He kissed her again and said in a somewhat reluctant and hoarse voice, ” “i really have to go. i have a meeting to attend to later.”

He raised his hand and looked at his watch. I haven’t read much about the meeting yet. I’ve been spending all my time on you.

He smiled a little, a little ambiguous.

bai suili’s face turned red, and she hugged his waist,”You’re clearly the one who likes perverted things.”

ye mulin only smiled. he did not have time to be entangled with her. he tidied his clothes and went downstairs.

After returning to the City Hall and returning to the office after the meeting, he remembered that Ai Wei was still locked up. After thinking about it carefully, he went over personally.

the door opened.ai wei was sitting on a chair, looking at ye mu lin with her back against the light.

“you went back and confirmed that she’s fine, didn’t you?” ai wei’s voice was a little tense.

Ye Mulin’s voice was calm. Ai Wei, you should leave. Resign and go overseas or anywhere else. Just don’t let me see you.

She held her breath. ye, have you thought it through? you’re in danger!

” if there are fewer stupid people like you around me, i think the danger will be much lower. ” “If it wasn’t for our past relationship, I wouldn’t have let you off,” ye Mulin’s voice was indifferent.

Because those photos would put Shirley in danger at any time, unless he left her.

Ye Mulin could not stand the loneliness of the long night. He could not stand the days without her. Otherwise, he did not know how he could endure it.

after he finished speaking, he did not look at ai wei again and walked straight out to ask the guards to withdraw.

Those people didn't know how consultant AI had offended Mr. Ye. They only knew that consultant AI had disappeared from this building from this day on.

Chapter 3590: returning to B city (1)

the spring was warm and the flowers bloomed. the days that followed were very sweet and peaceful.

bai sulli waited for him at si nan mansion every night. sometimes she would go out for a walk, sometimes she would find su fu to cut the mountain and arrange flowers. every month, she would return to B city to visit her mother. the doctor said that her mother's condition was under control and might return to normal in less than a year. there was also good news from her father. her performance was particularly good and she was taken care of there.

bai xue li knew that this was because of ye mu lin.

her feelings for him were mixed with many factors. there was love, gratitude, and reliance. she couldn't even distinguish them herself.

She liked the feeling of waiting for him at home. It was warm and reassuring.

spring passed and summer came. summer passed and autumn arrived. during winter, ye mulin was transferred back to B city and was in a very important position. it had only taken him less than two years to enter politics. it could be said to be a miracle in politics.

...

In the early winter, Bai Xuli and ye Mulin moved back to B city together with su Fu and Hao Yun.

after returning to B city, hao yun resigned and went to be a professor at tsinghua university, teaching chinese.

All of professor Yan's students knew that he had a very beautiful wife. They called her master's wife, su Fu. Master's wife came to deliver lunch to professor Yan every day, and they had a very good relationship.

After a month or two of settling down, the weather in B city had gotten colder, and ye Mulin had become busier. After returning home, he would often lie down on the bed without his clothes on and fall asleep. Bai Sulli would call him to death, but he would not wake up. Because of this, she had complained many times that he was getting more and more greasy, but he had just laughed it off.

Early in the morning, Bai Xiuli woke up and looked at the ice on the window, lost in thought.

At this moment, ye Mulin woke up. He placed his face on her neck and kissed her gently."what are you thinking about?"

His voice was hoarse and had the unique magnetism of men.

Bai suli retracted her gaze and looked at his black head, asking somewhat absent-mindedly,"What time did you come back last night?"

she would usually wait for him, but she couldn't wait until 12 o'clock and wanted to sleep, so she didn't know when he would come back.

Ye Mulin focused on nibbling on her and smiled. it's almost two O'clock. I had a celebration party last night, so I had to entertain them.

She grunted and reached out to stroke his hair. "Then drink less. If you keep drinking like this, your stomach will get worse."

He chuckled and then buried his face in it. She panted. " don't mess around. i'll go make breakfast. you still have to go to work later. "

Ye Mulin looked up and took the watch from the bedside table. He placed it beside the pillow and glanced at it. "there's still half an hour. i'll hurry up."

She couldn't stand him. Really, he was very busy and didn't make do with many things. In private, he definitely wasn't like the noble young master he used to be. However, he wasn't willing to make do with this matter and would do it whenever he had the chance.

She was more tolerant of him, so when he wanted her to cooperate, she would usually twist her little face and let him do it when she really had no strength. Anyway, whether she cooperated or not, he was very interested.

Just like now, she had no strength left. She clenched her fist and endured it. When she turned her head, she saw that his watch was already pointing at seven o'clock. She quickly pushed him."aiya, it's already time."

he was still warm, so he kissed the tip of her nose, which was covered in sweat, and lowered his voice."Let's wait a little longer."

She pushed him again. hurry up. There's also that 'ye Mu Lin'. You didn't use that.
