Chapter 3591: returning to B city (2)

He had been very tired recently and had forgotten everything, so he had also forgotten to use it.

Ye Mulin pressed down on her shoulder with one hand and kissed her. He then took out a small thing from the bedside table with one hand and started to play with it.

after he was done, he buried his head in her neck.”you sleep a little longer. i’ll take a shower and make breakfast myself.”

as he spoke, he even kissed her.

“i’ll get up and do it. you can shave your beard.” “You hurt me just now,” she complained.

He chuckled when she said that. He cuddled her neck with his beard and said in a low voice, ” “where did you get pricked?”

...

she couldn’t bear to see him like this. she bit her lip. ” you know it. you’re so bad. ”

“i’ll get up and cook,” she said as she bit his lips.

After she finished speaking, she crawled out from under his body and went to take a quick shower. Just as she was about to put on her clothes, ye Mu Lin came over and hugged her. “let’s go together.”

She pushed him. you have a meeting later. Stop fooling around, okay? ”

he was not satisfied. he wiped his face and stood under the bath. there are endless meetings. How many times do I touch you in a month? ”

she wrapped herself in a bathrobe and remained silent. in the end, she didn't say anything and just went to the kitchen to make breakfast.

In the past year, she had finally learned how to cook, and her cooking skills were not bad. He was busy, but he would still pick some time to come and support her cooking.

absent-mindedly, she fried two eggs with bread and ham, drizzled them with salad, and made two hot dogs, just like the hot dogs wang scong had. she heated up the milk, fried two pieces of bacon, and mixed them with bean sprouts that had been scooped with boiling water. ye mulin had already come out, looking well-dressed.

he put on his tie as he walked over and sat down, smiling. ” “This hot dog is so familiar.”

“Yes, you can try.” she took one for him and said, ” eat it like this. ”

When he opened his mouth, she took out her phone and took a picture for him to see. Ye Mulin then remembered why the hot dog seemed familiar. He glanced at her. “Mischievous.”

as he said that, he pinched her face and ate the hot dog.

After he was done, he wiped his hands and said slowly while drinking his milk, ” “I might be a little late today.”

Bai Sulli's hand holding the fork paused. She looked up at him and said slowly,”there's something embarrassing?”

the one who had something to do was wen yuan.

For the past year, he and Wen Yuan's relationship had been dragged on. The man was not in a hurry, and the woman was not in a hurry. However, the relationship of interests could not be easily broken.

Of course, ye Mulin could not be cut off. As for the Wen family, they did not dare and were not willing to cut ties with him because they had high hopes for him. How could they be willing to cut ties with him?

Wen Yuan and ye Mulin were not in a hurry. It was ye zhenggang and the elders of the Wen family who were in a hurry. Hence, they had to organize a family gathering for them once a month, just like their period. As long as the male and female leads attended it, it would be fine. With their status, they did not care about love at all.

At this time, when this topic was brought up, Bai suili couldn't be said to be happy. She could understand him, she really could understand. She did not know anything and could not help him. She could only cook for him and wait for him to come back at night.

ye mulin's voice was a little hoarse. "xue li, it's fine."

He held her hand. nothing happened. You know it. We're just having a meal.

she nodded, smiled, and nodded reluctantly.

Chapter 3592: Returning to B city (3)

She loved him, but she could not possess him legally. Wen Yuan was the only one who could stand by his side.

ye mulin looked at her. after a while, he said softly,"Xue Li, it won't be long."

He knew that she was concerned, but he still needed the Wen family's help at the moment. He knew better than her that her father would not be able to keep his life in prison and their relationship would be over. She would not let them be together.

she hummed in acknowledgment and smiled at him.

That faint smile made his heart ache.

Ye Mu Lin reached out and ruffled her hair."I'll come back earlier to eat skewers with you, okay?"

...

“Oh,” she said softly. ” i don’t think so. your stomach isn’t good. it’ll be very troublesome if your stomach attacks. ”

He smiled and said,”then I’ll come back and make some delicious food for you.” Be good.”

he would always lean over to kiss her during working hours. ” “I have to go. Be good at home.”

she responded with an “oh” and kissed him back.”don’t drink so much.”

“Yes.” “i’m leaving,” he said again.

She smiled as she watched him go back to his room to get his coat and car keys. In the end, she couldn’t help but run to the door to send him off and give him a hug.

After ye Mulin left, she was cleaning the house. After they came back, they did not hire a part-time helper anymore. She would just clean the house at home every day. After he went to work in the morning, she would do a simple sweep of the house, then go to the supermarket to buy groceries. She would also bring back a bouquet of flowers and put them on the house.

At noon, she ate a little, and she would make dinner with all her heart. No matter if he was busy or not, he could still come back. However, he could only eat it once a week at most, and in the end, he would still have to throw it away.

she did all this mechanically, trying to do everything a wife could do.

When she was his wife in the past, she should have done what she couldn’t. Now, she had done it, but she couldn’t be his wife.

bai suili thought as she arranged the flowers, her little face a little blank.

in the afternoon, she began to prepare the ingredients for the evening and made a table full of dishes. she knew that he would not come back. now, he was sitting with wen yuan at a family gathering. perhaps they would discuss the wedding date, she thought.

She sat on the sofa and waited until nine O 'clock. She looked at her phone and saw no news.

she was sitting and watching tv, so she wasn't hungry. she wasn't in the mood to eat alone.

later, at 11 o 'clock, she poured the food away. as she poured the food out, she watched silently and couldn't help but cry.

Her cries went from suppressed to loud. She knew that she might be sick.

an illness called loneliness was silently eroding her.

She always told herself that she was very happy and that she had to understand her. It turned out that when she liked someone and watched him be with someone else, she couldn't see how painful the future would be.

she believed him, but she was no longer naive. it was just like how the bai family was at the peak of their power and the ye family had to step aside. at that time, she had never thought that the bai family would fall.

If the Bai family could fall, what about ye Mu Lin? he was surrounded by enemies from both sides and was treading on thin ice?

She kept waiting until one o 'clock in the morning, then two O' clock, but he still hadn't returned, Hanhan.

She picked up her phone and wanted to call him, but she did not dare to.

At this moment, she finally realized that she was really nothing. Even a phone call from her was shameful.

he called her bai xiaosan because he was close to her. in fact, from a certain perspective, she was indeed a mistress.

bai suli laid there, unable to sleep.

on the other side, the ye and wen family's banquet could be called a hongmen banquet.

Chapter 3593: returning to B city (4)

in the blink of an eye, the election was just around the corner. if ye mu lin wanted to take a step up, he would need strong support.

the condition for the wen family's support was to marry wen yuan. ye mulin did not say anything and used the excuse of being busy with work as an excuse. wen yuan was not keen either. perhaps it had been too long and she had lost the passion to be mrs. ye.

She sat there, dignified and elegant, like a puppet.

the wen family, on the other hand, pressed on with every step they took, their words going from hinting to being almost direct and teasing.

ye mulin drank a lot of alcohol and engaged in social activities. he pretended to be drunk but ended up getting really drunk. in the end, the wen family took advantage of the situation and made him stay in the hotel. wen yuan, as his fiancée-to-be, naturally had to take care of qianqian.

Ye Mulin lay in the hotel for the entire night. When he woke up, Wen Yuan was sitting on the sofa opposite him. He got up slightly and sat up. He rubbed the space between his eyebrows. "You'll be here for a night too?"

...

he was sure that nothing had happened between them, because a drunk man couldn't do anything.

Wen Yuan sat there and looked at the light. He could see that her face was even paler than ye Mulin's. She stared into his eyes and said slowly, "I'm pregnant."

Ye Mulin narrowed his eyes and looked at Wen Yuan. "say that again."

"I'm pregnant." "It's Mubai's child," Wen Yuan said calmly.

Ye Mulin had always known about her and ye mu Bai's ambiguous relationship. However, he did not expect that they would get pregnant. He asked in a deep voice, "Who's behind this?"

It was easy to not want to get pregnant, and it was easy to get pregnant as well. It was just a matter of one party's wish.

"it's me," wen yuan said softly. "i want to get pregnant, but i can't contact mubai. i can't find him."

"so you want to find a father for the child in your stomach?" ye mulin frowned.

I'm not looking for her. After tonight, everyone will know that we're sleeping together. Mubai and Bai Sulli will also think so," Wen Yuan said faintly. "I have no other choice. Ye Mulin, you too."

ye mu lin rarely lost his composure, so he couldn't help but get angry. "You're crazy, Wen Yuan."

"I'm not crazy." wen yuan looked at him. "ye mulin, i'm just telling you that this is the reward for everything you've done. you plotted against ye mubai and me. we don't know where he is now. you can only acknowledge this child."

Ye Mu Lin walked back and forth a few steps before he paused. "Are you forcing me to find mu Bai?"

"You like him?" he sneered.

wen yuan suddenly shouted at him hoarsely, "yes, I like him. I'm going crazy. I have a child but he disappeared. What can I do? ye Mulin, tell me, what should I do?"

ye mulin calmed down and looked at wen yuan. ” ” think carefully. you’ve announced that there’s no turning back for us. ”

Unless he gave up the power in his hands, then the Bai family would be finished, and he would be finished.

in fact, no matter what, he was finished. in this game of power, it had ended because of ye mu bai’s disappearance.

he couldn’t care less about his headache and dialed ye mu bai’s number. the cold voice of the mobile service staff came from the other end.”i’m sorry, the number you’ve dialed has been turned off.”

“It’s been a few days. Why didn’t you tell me?” he cursed softly and looked at Wen Yuan.

“a week.” wen yuan’s voice was calm. ” if i tell you, you will have time to plan. i can’t give you the chance. ”

Ye Mulin stared at Wen Yuan and sneered, ” “You’re really not bad. I’ve underestimated you before.”

Chapter 3594: Returning to B city (5)

He made a call to King. help me find out where Mu Bai is.

with that, he smoked and walked back and forth, waiting for the results. at this time, he really wanted to curse.

Wen Yuan just looked at him, his face extremely pale.

Ye Mulin paused and looked at her. He suddenly thought of Bai Sulli. She also had this expression when she was helpless. When he thought of this, his expression became gentler.

Besides, she and mu Bai's relationship had indeed started on her own.

at this moment, her phone rang. it was a call from KING, and his voice was serious. " we haven't heard from mu bai for almost a week. there were only incoming calls and no dialing records. there were no bank transactions either. the only thing we can confirm is that he was last seen in the northern region. "

...

ye mu lin closed his eyes, "you mean yingluo?"

King didn't dare to be vague and said in a low voice, " "something might have happened to him,"

this disappearance was not good for ye mulin. he held the phone for a long time before he said hoarsely, " "help me investigate again, at all costs."

He had to find mu Bai now. This matter was too important.

king nodded.

Ye mu Bai hung up the phone and looked at Wen Yuan.

Wen Yuan's face turned paler. She looked at him and said in a trembling voice, "ye Mulin, I don't want to abort the child.

This was mu Bai's child. Of course, he did not want to abort it.

However, Wen Yuan was his girlfriend in name. This time, he was really treading on thin ice.

"wen yuan, give me a few more days. everything will be fine once i find mu bai," he said hoarsely.

Wen Yuan looked at him and his lips trembled. I wanted the child because I wanted to break away from our relationship. I wanted him to give me an official status. I didn't want to continue like this but he didn't want me. I thought that he would settle down after we had a child. Ye Mulin, is Mubai still in love with Lin sisi? ”

” that's not important, ” ye mulin muttered.

the most important thing was that wen yuan was pregnant.

He was a little angry. Did women lose their minds once they fell in love?

Would a child solve the problem?

He suddenly thought of Shirley. Ever since she miscarried a child, she had been particularly afraid of having children, so she had to take more precautions than he did.

his thoughts were a little far-fetched. he looked at wen yuan again. wen yuan hugged him and said softly, ” “i'm sorry, ye mulin. i don't know what to do. i seem to have ruined everything.”

She lowered her eyes. it's fine if you blame me. No matter what, I'll definitely keep this child. This child must bear the surname ye.

He knew very well that if he didn't take mu Bai's surname, he would have to take his.

no one would doubt wen yuan's claim that the child was his. he would not be able to explain himself even if he had ten mouths.

“give me some time,” ye mulin sighed.

wen yuan slowly sat down on the sofa and said softly, ” “Ye Mulin, I'll only give you three days. If you can't find him, I'll tie you up for the rest of my life. He'll come back eventually, won't he?”

ye mulin understood that wen yuan was a little crazy. she wanted to stay at the ye residence and wait for mu bai.

Perhaps it was because he was unwilling to accept it, or perhaps it was because he loved mu Bai, but he had never touched her at all. Why should he be the scapegoat?

he walked to the floor-to-ceiling window, lit a cigarette, and took a puff before saying faintly, "Wen Yuan, when did you start to like Mubai?"

"from the very beginning," wen yuan replied with a smile.

he turned around abruptly, his eyes filled with disbelief, as if he had seen a monster.

Chapter 3595: actually, bai sulli is also pregnant (1)

The blood in ye Mulin's body was almost frozen. Wen Yuan continued, "Do you know how many years I've been his fan?"

her eyes were filled with infatuation and fanaticism. it was wen yuan, whom ye mulin had never seen before.

he had always felt that wen yuan was gentle and mild-mannered.

However, he had never thought that Wen Yuan would have the ability to like someone. She liked him so quietly that he, ye Mulin, was in trouble.

"i'll give you the answer in three days," he said calmly as he wiped his face.

"I won't abort the child if he doesn't show up in three days," Wen Yuan stood up and said softly.

...

"you know what i mean." she looked at ye mu lin after she finished speaking.

Ye Mulin cursed in his heart. However, he could not just care about him and Bai suili at this moment. Finding mu Bai was the most important thing. When he left the hotel, his face was as dark as water because he knew that the whole world would probably know that he had spent a night here if Wen Yuan wanted to.

At this point, he could not underestimate Wen Yuan at all, but he could not blame her.

ye mulin returned to the apartment. it was quiet in the apartment. bai sulli was still asleep.

he walked in quietly, took off his shoes, and lay behind her, hugging her. ” “are you angry?”

” did you drink a lot last night? ” bai xiuli asked in a soft voice.

he grunted and buried his face in her neck. he said in a low and hoarse voice, ” “shirley, i have something to tell you.”

She hummed and did not turn her head.

he hugged her tightly and lowered his voice.”Wen Yuan is pregnant.”

her body stiffened in his arms. he hugged her tightly and said in a low voice,”it’s not mine. it’s mubai’s child.”

this time, bai suili turned around in his arms and looked at him in shock.

the meaning in her eyes made him speechless, and his face darkened.”do you think mubai and i will use the same woman?”

She just looked at him eagerly.

Ye Mulin sighed. I’ve said that I have nothing to do with Wen Yuan. ” but i also fell into her trap, shirley. she has liked mubai for many years. her target has never been me, but mubai. ”

bai suili still didn’t understand, ” she’s pregnant with mubai’s child. she can just marry mubai. ”

she plotted against the child. Mubai can't be found. Something might have happened to him. Ye Mu Lin stretched out his hand to caress her little face."xue li, if mu bai doesn't appear, i might have to marry him."

He didn't say anything else, but Bai suili understood.

fame and fortune were no longer that important to him. he had to consider her father.

After he finished speaking, she looked at him and wrapped her arms around his waist. She buried her face in his arms."Ye Mulin, I don't want you to do this."

he lowered his head and said gently, " it's my fault, shirley. i gave wen yuan a chance. " also, that's mubai's child and your father. i can't ignore these things."

he reached out and ruffled her hair. " i'll find mubai, okay? "

" oh, " she said and nodded. " i know. i also believe that we will find it. "

her voice was very soft, and there was a hint of carefulness in her eyes. ye mu lin kissed her forehead."Be good. Go and make me some breakfast. I'll lie down for a while."

she obediently went to help him make breakfast. in the kitchen, she was still absent-minded and the oil splashed on her hand. it hurt, but she endured it and only washed it with cold water. as she washed it, she felt a little embarrassed.

Chapter 3596: actually, bai sulli is also pregnant (2)

when she woke up in the morning, she felt like puking. she should have told him, but now she was not sure if she should tell him. all this time, he had been the one carrying everything, and she could not help him with anything.

Wen Yuan was pregnant and she was afraid that mu Bai would not be able to find her.

bai suili pursed her lips and silently made breakfast for him. when she went to wake him up, he had already woken up and taken a shower, with only a short bath towel around him.

She was speechless for a moment and could only stare at his sexy Apollo's belt.

he had lost a lot of weight, but his body was still very attractive. he was strong and sturdy, very attractive.

she stared at him in a daze for a while. he had already taken off the towel and threw it on her head. he smiled as he put on his clothes."It's been a few years and you still haven't had enough."

...

Bai suili pulled off the bath towel on her head and looked at him eagerly. When she found that he was wearing outdoor clothes, she asked in a daze, " "didn't you say you were going to rest?"

He buttoned his shirt, fastened his belt, and went over to press on her shoulder. "xue li, i have to go find mu bai."

"I have to go to the city where he disappeared,"

" mm. " she was very well-behaved, but the expression on her face made his heart ache. for a moment, he regretted telling her, but he was afraid that she would misunderstand if he didn't tell her.

"I'll bring Mu Lin back," ye Mulin said after a pause.

"i'll wait for you." she bit her lip and hugged him.

He reached out to stroke her little head. be more optimistic, okay? "

she fell on his shoulder and looked at him. he smiled. " "Xue Li, we will always be together!"

he didn't say anything else and brought her to the dining room for breakfast. after breakfast, he went to the airport with hao yun and the famous detective KING.

They went to Yunnan and located the place where ye mu Bai had last disappeared. It was in the mountains, and it was here that ye mu Bai's signal was cut off.

The wind was very strong. Ye Mu Lin stood there and looked down. His face was very tense.

no one's mood was more complicated than his at this time. it was very likely that he would lose mu bai and bai suili at the same time.

send a search and rescue team and a helicopter. No matter what, we have to find him. He said in a deep voice.

this was KING's old line of work, so he used his personal connections to hire a professional team. of course, the pay was not low.

after digging at the border for three days and searching the entire area, ye mu bai was still nowhere to be found.

However, ye mu Bai's phone was found at the foot of the mountain. It was broken into a few pieces.

When the search and rescue personnel handed ye mu Bai's phone to ye Mu Lin, he held it in his hand and pieced it together piece by piece, as if he was piecing ye mu Bai together.

He stood in the wind for a long time before he said in a low and hoarse voice, " continue looking.

he believed that mu bai was still alive. he firmly believed that.

That day, ye Mulin stood on the cliff for a day and a night.

His mu Bai, the MU Bai that Shirley had liked for so many years, and he had been holding the broken phone in his hand so tightly that his palm was almost bleeding.

The night wind was very cold, and he stood in the wind until the sky turned white.

“mu lin, we have to rush back to B city later,” hao yun’s voice sounded beside her.

No matter what, she had to tell ye zhenggang and su Fu about ye mu Bai. Hao Yun didn’t dare to think if su Fu could accept such a blow.

ye mu lin closed his eyes and said in a low voice, ” “Don’t say anything, we haven’t found her yet.”

Chapter 3597: actually, bai sulli is also pregnant (3)

hao yun sighed in her heart and then nodded. ” ” alright, i’ll stay. mulin, you go back to B city. ”

Ye Mulin looked at Hao Yun and only spoke hoarsely after a long time, ” “Uncle Hao, I’ll leave this to you.”

his voice was a little choked up. after he finished speaking, he looked at the foot of the mountain again. hao yun understood his feelings.

After Hao Yun married su Fu, she naturally treated su Fu’s two sons as her juniors. She was naturally sad, but someone had to do this.

He patted ye Mulin’s shoulder and said in a hoarse voice, ” “hang in there, you’ve persevered for so long.”

ye mulin’s thin lips pursed tightly and he hummed in agreement.

...

that day, he returned to B city. he told ye zhenggang about mu bai’s disappearance but kept it from su fu.

Ye zhenggang was silent for a long time. He used all his authority to look for ye mu Bai. In addition, he sealed off the news.

The negotiation with the Wen family was difficult because Wen Yuan was pregnant and was ye Mulin's girlfriend in name.

Ye zhenggang was in a terrible fix.

it was already the fourth night when ye mulin returned to the apartment.

when he returned to the apartment, bai sulli was sitting on the sofa. the sunset behind her made the entire sky red. hearing him come back, she slowly stood up and looked at him."How is it? did you find Mubai?"

Ye Mu Lin shook his head. I couldn't find him.

He walked over and hugged her without saying anything.

He hugged her gently and rested his face on her shoulder. His voice was hoarse."We found his phone at the foot of the mountain. It's broken, but we're still looking for it."

Bai suili's body stiffened, and after a long time, she bit her lip and looked up at him,"mubai, he's hanhan."

"he'll be back." ye mulin pressed her back into his arms and said in a low voice, " "he'll definitely come back,"

" oh, " she replied, but her heart was as heavy as his.

she did not ask him what to do with wen yuan or wen yuan's stomach, because she knew the consequences of asking. she was forcing him to make a stand and making things difficult for him.

Mu Bai could not be found, and she did not want him to be sad again.

she wrapped her arms around his neck and placed her face on the corner of his chin. she said in a low voice, ” “i do.”

She did not tell him that she was pregnant.

This child had come at the wrong time. He vaguely remembered that the night they had just returned to B city, he had drunk too much after attending the celebration party and had brought her to bed a few times in the evening. It had been too fast and too urgent, so he had not been able to take care of it.

It had been almost two months, and it was time for a reaction.

however, she could not tell him that they had another child.

She hugged him and placed her hand on his back, gently stroking his back and comforting him silently.

it had been so many years, and they had been through so many ups and downs together. she was no longer the childish bai suili. she would think for him, and she would feel the same way as him.

She had liked mu Bai for many years, but she loved ye Mulin deeply, and she would love him for the rest of her life.

Mu Lin, Qianqian, ” she said softly. This seemed to be the first time she had called him that. She always called him ye Mulin. In the past, she would occasionally call him hubby, but it was very rare to call him that.

“You’re going to marry Wen Yuan, huh?” she asked in a low voice.

his body immediately stiffened and he looked down at her. ” “Bai Xue Li, what are you talking about?”

her little face was pale, but she tried her best to force a smile. ” i know you did it for me, ye mulin. i don’t want to put you in a difficult position. i know what the consequences will be if you fall out with the wen family, wanwan. ”

Chapter 3598: Actually, Bai Sulli is also pregnant (4)

She laughed and laughed until she started to cry.”can you just treat it as me being selfish? i don’t want to see my dad unable to come out, i don’t want my mom to be agitated again, yingying!”

her tears were burning his heart. he looked at her and said in a hoarse voice, ” “You want me to marry her, what should we do?”

it didn’t mean that the marriage was only in name. he couldn’t step down easily from his position, and divorce was very difficult.

His father was divorcing his mother because he was going to retire soon. How could Yueyue divorce him when he married Wen Yuan?

A marriage formed by benefits was harder to eliminate than a broken relationship. She also understood that.

“This is the best choice, isn’t it?” Bai suili bit her lower lip.

...

She was fragile, but her eyes were firm.”Ye Mulin, you and I both know.”

he stared at her and said in a hoarse voice, ” “i thought that you would be on my side.”

she laughed softly. ” how should i put it? we’ve already reached this stage. ye mu lin, you can’t give me a marriage. you can’t possibly think that i’ll continue to be the third party with you, right? do you think that i’ll be happy if you call me little third bai? ”

She lowered her eyes. that's it. You marry Wen Yuan. We'll end this.

ye mu lin's head hurt badly. he took a step back and looked at her. it seems that you've thought for a long time before coming to this conclusion. Bai Sulli, is this the only method your brain can think of? ”

“What else? You want to marry me? then, i'll watch my dad die and my mom go crazy?” She laughed mockingly and looked straight into his eyes. ye Mulin, we've agreed before that you'll protect my father when I'm with you. Now that you have to marry Wen Yuan, I'll naturally leave you. If I don't leave you, are you going to wait for my father to be killed in prison? don't tell me that your crazy father can't do it.

“I'm scared, I'm really scared,” she mumbled.

He glared at her.

she smiled at him and said, ” “You can't possibly think that I returned to your side because I really like, love you, right?!”

ye mu lin clenched his fist and said indifferently, ” ” of course i'm doing this for my family. the ye family has caused the bai family so much trouble. how could i like my enemy again? ”

“Do you really think so?” he asked in a low voice.

She bit her trembling lips and closed her eyes.”yes.”

“it doesn't matter if he is or not. I won't allow you to leave me. ” he stared into her eyes. ” and i don't believe a single word you say. ”

As he spoke, he pulled her into his arms and kissed her madly. His hands held her arm firmly, not letting her escape even a little.

this kiss was full of punishment, and she had nowhere to escape.

When it was over, her lips were stained with blood. He stared into her eyes and said hoarsely, "you'd better not have any thoughts of running away, or I'll let you know how to write regret."

after he finished speaking, he made a call and asked secretary li to send four people over.

Bai suili was pressed down on the sofa by him and looked at him in shock. you want to put me under house arrest? "

He hung up the phone, looked down at her, and said in a hoarse voice, " "at most two years."

he reached out to stroke her hair and smiled, but it was a bitter smile.

Hence, she understood that the child in Wen Yuan's stomach must have a name. However, he did not know that she could not wait any longer. If the child in Wen Yuan's stomach had a name, then her stomach could not have a name. She did not want to give birth to this child in B city. She did not want others to look at this illegitimate child with strange eyes.

she was very clear that if she gave birth to this child, it would cause great trouble to ye mulin and her parents, wanwan.

she couldn't wait. she couldn't wait for yingluo.

Chapter 3599: Actually, Bai Sulli is also pregnant (5)

ye mulin's men came over, and he personally watched her eat before he left. of course, she was locked up by them.

when she heard the door open, she slowly sat up on the bed and reached out to cover her lower abdomen.

For the sake of her child, for the sake of her parents, and for ye Mulin, she must leave him.

At this moment, she thought of Ai Wei's words. bai suili, it's selfish of you to stay by his side.

She lowered her eyes and smiled bitterly.

That's right. She had been selfish for so long and enjoyed his care for so long. Mu Bai's life and death were not in vain. She really could not use a child to make things difficult for him.

...

Really, she wanted him to be happy. If she left, would he be able to do whatever he wanted, even if he was tired and didn't want to stand in that position?

she bit her lip, her fingers gently rubbing her lower abdomen, her heart in pain.

she thought about it for a long time, and finally, she called secretary li-

*

Ye Mulin stood in his private office and slowly smoked his cigarette. The office was very dark and he did not turn on the lights.

The dim light shone on the side of his face, making his lines look even colder.

After a long time, he raised his head, and there were tears in the corner of his eyes.

wen yuan and mu bai's matter was his miscalculation. mu bai's disappearance was an accident that caught him off guard.

as a man, everything that was happening right now, even bai sulli's emotions added up, was not as important as mu bai's life. he was sulli's man, but he was also mu bai's big brother.

There was only a cigarette butt left between his fingers. He dialed Wen Yuan's number.

wen yuan picked up the call immediately. ye mu lin's voice was very low and hoarse."i can't find mubai."

Wen Yuan was silent for about a minute before she said softly, " "I'm going to see him,"

she was referring to her going to the scene.

Ye Mulin agreed that he would satisfy Wen Yuan's request and calm her down no matter how busy he was.

He had just returned from Yunnan and had a lot of things to do, but in the end, he still brought Wen Yuan to Yunnan.

before he left, he called bai suili and told her that he would be going to yunnan for two or three days.

she listened woodenly and did not make a sound.

" xue li, the situation has not reached that stage yet. don't be discouraged. wait for me, okay? " ye mulin said in a low voice.

after a long time, she stiffly hummed.

Ye Mulin hung up the phone and immediately set off with Wen Yuan. There was also an obstetrician accompanying them.

In his heart, he took Wen Yuan's health very seriously. Rather than Wen Yuan, it was more like the child in her stomach. He had prepared for the worst. If mu Bai could not come back, the child in Wen Yuan's stomach would be mu Bai's sustenance.

It was already night time when they reached the border of Yunnan.

It was pitch black all around. Wen Yuan stood on the high cliff and looked down at the deep abyss below. He shouted in pain, " "ye mu bai! I know you're not dead. Come out if you're a man. "

Her tears floated in the night sky, turning into specks of Starlight.

I've liked you for a long time, ye mu Bai, " tears flowed freely on her face as she muttered, " " i'm pregnant. bastard, come out and take responsibility. "

however, there was only her voice in the valley. ye mu bai had been missing for far too long.

Wen Yuan stood there with a blank expression on his face. After a while, she turned around and looked at ye Mulin."i don't care if he's dead or alive, i'm going to marry him."

ye mu lin nodded.

Chapter 3600: she's gone 1

he understood that the reason she had forced him before was to make him look for ye mu bai. however, he could no longer hide the current situation. she wanted to give birth to ye mu bai's child. she wanted everyone in the world to admit that this was ye mu bai's child.

if it did not belong to ye mu lin or any other man, it would belong to ye mu bai. this was very important.

perhaps she would be chased out of the wen family because she had disobeyed their wishes. perhaps she would have nothing, but she would not regret it because she had loved.

ye mulin stood beside her. after a while, he placed his hand on her shoulder and gently hugged her thin body to give her some warmth.

Wen Yuan could not help but cry. She leaned on his shoulder and sobbed, " "I'm sorry, ye Mulin. I've been lying to you."

What could he say? he could only say that he wanted to use her too, but it was a freak combination of factors.

...

Wen Yuan stood there for half the night and only returned in the early hours of the morning. They left again at dawn. She stared at the search and rescue team without blinking. Ye Mulin had asked someone to set up a small tent here and let Wen Yuan stay inside. However, she would always run out to take a look.

ye mulin did not know what to do with her. in the morning, he received a call from the guards that had been transferred over from his house.

he looked at his phone and frowned slightly. he picked up the call immediately. ” what’s the matter? ”

“Mr. Ye, miss Bai is missing.” the man said with a trembling voice.

ye mulin’s hand that was holding the phone tightened. ” how could she have disappeared? ”

Secretary li came by yesterday. He left alone, but we don’t know why he was the one who stayed in the apartment this morning. the man trembled as he spoke, wishing he could dig a hole and hide.

“I’ll come back immediately and ask Secretary li to stay,” ye Mulin’s voice was tense.

He hung up the phone and walked towards Wen Yuan.

Wen Yuan stood there, looking at the misty cliff and turning his head to look at him.

ye mulin walked over and stopped. ” wen yuan, i have to go back to B city. shirley is missing. she thought i would marry you. ”

wen yuan was a little surprised, but he immediately smiled, ” “You should go back and explain to her.”

She paused for a moment. I’ll handle the Wen family. Ye Mulin still has to thank you.

in the end, she said that she would return in three days, regardless of whether she could find it or not.

At this moment, the morning light shone on her face. One could see the determination on her face. However, ye Mulin knew that this was easier said than done. Her parents and her family would definitely force her to not want this child.

It would be fine if mu Bai was still around, but if she couldn't find him, how could she keep the child?

"Come and find me when you return to B city," ye Mulin muttered. The child is Mubai's. As the child's uncle, I have no reason to not care."

As he spoke, he held Wen Yuan's hand. He did not expect that he had a child of his own and that Bai suili had run away with the child.

When he returned to his apartment in B city, Secretary li was still there. Under ye Mulin's interrogation, she revealed in a few words that it was Bai Xiuli who begged her, and she let her go in a moment of weakness.

Ye Mulin didn't make things difficult for her and let her go. He himself kept calling Bai suili's phone, but it was turned off.

he started to look for her at every high-speed rail station, airport, and even passenger bus in B city, but he found nothing. he was sure that she left by taxi, but he didn't know where she went.

B city alone was extremely big, and it was very difficult to find someone who was deliberately hiding.
