

Thank you 3601

Chapter 3601: she's gone 2

KING had also made his move. later, KING told him that bai sulli must have had someone helping her, otherwise there would have been a record of it.

later on, ye mulin checked bai xili's passport records and it showed that she had left the country.

He was in France.

he chased her all the way to France, but he couldn't find her. he always chased after her, but she always managed to escape.

he had lost a lot of weight. he had been looking forward to her figure on every street. when he was looking for her, he always felt that she was behind him, and she could call his name at any time."ye mu lin."

He always turned around, but she was always not there.

...

At that time, he would stand there in a daze for a long time.

He was mentally and physically exhausted. He actually knew why she had left. It wasn't just for the Bai family. She didn't want to make things difficult for him. He didn't believe a word that Bai suili didn't love ye Mulin.

He would never believe it.

A week later, he could no longer continue his search. His job did not allow him to stay abroad. He returned to B city, and so did Wen Yuan.

wen yuan silently took out something. it was a pinky ring that the rescue team had found.

And this once belonged to mu Bai.

I saw blood at the scene, ” she said in a low voice. there were some other things like Qianqian. I did a DNA test. It’s Mubai.

As soon as Wen Yuan finished speaking, tears began to fall from his eyes. She lowered her eyes and held the ring tightly in her hand.

Ye Mulin was silent.

he looked at wen yuan for a long time before he gently placed his hand on her shoulder. he asked in a hoarse voice, ” what are you going to do next? ”

he couldn’t bear to see wen yuan go against the wen family and couldn’t bear to see her give birth to the child under the strange gazes of others. he said, ” Wen Yuan, let’s get married. You can have your freedom, just like before.

she looked at him.

“i’m not doing this just for you, i’m doing this for myself,” he said with a bitter smile.

“She’ll only come back with a peace of mind after I get married,” he sighed.

wen yuan was stunned.

a week later, the ye family and the wen family held a grand wedding, but ye mubai’s matter was not announced to the public. su fu guessed that he had sat alone at home for a long time, not allowing anyone to speak.

ye mulin brought wen yuan over and su fu sat by the window in a daze.

Ye Mulin squatted in front of her and placed his hand on the back of her hand. He said softly, ” “Mother, Wen Yuan and I have come to see you.”

su fu looked up at his son and forced a smile. ” you and wen yuan are in a relationship. ”

Before she could finish, ye Mu Lin interrupted her. mother, Wen Yuan and I are in a fake marriage. Wen Yuan is pregnant with mu Bai’s child.

su fu was stunned when he finished speaking. her eyes were filled with disbelief and sorrow.

Then, she turned to Wen Yuan.

Wen Yuan bit his lip and called out ‘mother’ with a trembling voice. However, he followed mu Bai’s lead.

She had mu Bai’s blood and flesh, and was mu Bai’s wife.

Su Fu was astounded. However, Wen Yuan was pregnant with mu Bai’s child at a time when she might have lost him. She felt much more comforted. She closed her eyes and gently hugged Wen Yuan.

Wen Yuan also gently hugged su Fu. Mu Bai’s blood flowed in her body, which slightly healed the pain in su Fu’s heart.

It seemed that there was already a conclusion as to whether ye mu Bai was alive or dead. Apart from those bloodstained clothes and his pinky ring, there was nothing else that Qianqian could find.

spring passed and summer arrived. in the late autumn, wen yuan gave birth to a boy named ye xiangnan.

ye mu lin understood what she meant. in her heart, yun nan was always on her mind, just like how he was thinking about bai xue li.

Chapter 3602: she disappeared in 1400 words

After the confinement period, Wen Yuan went to Yunnan with xiangnan. She stood there for about half an hour with the child in her arms. Then, she whispered, ” “he should have seen it, right?”

ye mulin silently put his arm around her shoulders and helped her carry the child.

In front of others, he and Wen Yuan were a husband and wife who respected each other like guests. In private, he took care of her like family. He bought a villa under Wen Yuan’s name. She lived upstairs while he lived downstairs. The servants in the family were all his trusted subordinates and would not treat them as a husband and wife.

Year after year, the one from the Bai family was released from prison. Ye Mulin asked Hao Yun to make arrangements. They sold the Bai family’s old house and bought a 160 square meter house for the two elders of the Bai family. The extra money was enough for them to take care of their old age.

mrs. bai was in much better spirits and was discharged.

Ye Mulin did not visit them because he was Wen Yuan’s husband in name. If he went to visit them, he was afraid that Bai Xueli would not come back.

...

He became more and more introverted and silent day by day. In this house, there were children and Wen Yuan, but he was very lonely. He often missed Bai suili after dealing with business and wondered when she would come back.

It had been so long. He couldn’t tell if it had been two or three years. Ye xiangnan was about to go to school, but she still hadn’t returned.

he missed her very much. he missed this heartless idiot.

he had thought of retiring and quitting because he was tired. he wanted to go all over the world to catch her back, but after so long, his heart had slowly hardened.

Didn’t she have the ability to leave? she had legs, why didn’t she crawl back on her own?

he had always been lonely, and he hated her day by day.

the only thing that could comfort him was xiao-xiaobai. after a few years, it had already grown into a lady. ye mulin did not know if it was because he had been single for a long time and had not slept for a long time, but when he looked at the little turtle, he felt that it looked delicate and pretty.

Wen Yuan was still working while she taught music in University. She was very good at playing the piano. Ye Mulin had heard about her before and felt that it was a pity that she was not an artist. However, Wen Yuan was not interested in those things. She told him that her greatest interest in life was ye mu Bai, who was now his son.

after ye mulin heard this, he was a little envious of mu bai. if only bai sulli was half as determined as her, how good would that be?

He thought to himself in the study as he smoked.

Just then, Wen Yuan knocked on the door and entered. may I disturb you for a moment? ”

Although they had lived together for a long time, they were still distant and polite to each other. Neither of them were particularly warm people.

She walked in and ye Mulin snuffed out the cigarette in his hand. what’s the matter? ”

She nodded and said, ” let’s have a meal together tomorrow!

he smiled. ” what’s the matter? you got paid? ”

Wen Yuan had been supporting himself ever since they got married. He did not need his money. She had a decent income as a teacher, but it was impossible for her to live an extravagant life. To her, it was already good enough to have such a good place to live and to give her son a good environment. At this point, she also agreed that a fake marriage with him was the best way. Otherwise, she would be abandoned by the Wen family and lose her job. She did not know what kind of life and future she could give her child. Hence, she was especially grateful to ye Mulin.

She waved the thing in her hand. I took a job. A famous musician is sick and can't attend her concert. I'm going to be a substitute.

"this is fake." ye mulin frowned.

"two million," wen yuan said. "i only need to play for two hours. this is my salary for three years."

"if you need money, you can tell me," ye mulin sighed.

Wen Yuan shook his head. I'm not short of money. I just want to save more money. In the future, if I think of Nan Zhizhi, I might bring her abroad and visit the places that Mubai has been to. There are many places where money is needed.

she had thought about it before. she couldn't always occupy the position by his side. she had to cancel her engagement with ye mu lin. she wanted to buy a house, and a house in B city would cost at least ten million. she actually needed the money, but her backbone didn't allow her to say it.

When she said this, ye Mu Lin nodded his head. alright, be careful. Don't bring trouble to yourself.

"Let's have a meal after we get the money. It's to thank you for taking care of me." wen yuan smiled. "also, this is my wish to miss nan. he always thinks that you are too serious."

At the mention of Xiang Nan, ye Mu Lin smiled. He liked this child.

thinking of nan, he was very much like mu bai when he was young, very clever.

xiang nan called him 'uncle' at home and 'father' outside. wen yuan probably taught him to do so. it was hard to imagine that xiang nan had never made a mistake at such a young age. he would be amazing when he grew up.

he thought, "when is the concert? i'll go and support it, even though i'm using someone else's name."

Wen Yuan shook his head and smiled. with your status, it's better if you don't go. It's too ostentatious.

Chapter 3603: Mubai didn't die, he's back (1)

In the past two to three years, he had already reached a very high position. Ye Zheng had just stepped down and ye Mulin was still in that position. His every move was eye-catching. The higher his position was, the more uneasy Wen Yuan felt. She thought about it and said, "it's almost time. why don't we get rid of our marriage? it's not good to drag it out."

ye mulin closed the document beside him and said, "that's it for now!"

since he had said so, wen yuan could not say too much. he left after saying good night to him.

ye mulin sat there, no longer in the mood to deal with work. he reached out and picked up a photo frame. on it was a photo of him and bai sulli. she was nestled in his arms and smiling happily.

they had filmed it in city H. he felt sweet and a little pained when he thought about that period of time.

how did she feel when she was with him?

...

she just left. ye mulin, who had been here for so long, smiled helplessly. it was not that he could not investigate, but he did not want to. he was also a proud man.

her father had already left, and her father had already come out. nothing could stop them from being together, and she was still resentful about not coming back.

Year after year, he had almost given up all hope and felt that she might not come back.

ye mulin's heart was in a mess while xiao-xiaobai was crawling around in the vat and looking at him with its green bean-like eyes.

ye mulin took it out and let it crawl on the office table for a while. he sighed. "you miss your mother too, don't you?"

in the end, ye mulin still went to watch wen yuan's concert. on that day, the stadium was filled to the brim with people. wen yuan was sitting in the middle of the stage with his hair down. he was wearing a white dress and playing lin xueyi's famous song. the audience could only see a little of his side profile. as they looked alike and the lights were on, no one realized that it was wen yuan.

Ye Mu Lin sat in a corner and kept a low profile. No one recognized him.

He listened to Wen Yuan's music and felt sorry for her. He had heard miss Lin play the piano on a certain occasion before. He had thought that Wen Yuan's skills were better than Lin Xueyi's, and it was a pity that Wen Yuan did not become a musician.

Ye Mulin listened quietly. He was listening to Wen Yuan play the zither today, not Lin Xueyi.

Of course, Wen Yuan's performance also satisfied the audience. Every song received a warm round of applause. Everyone felt that Lin Xueyi's performance tonight was much better than usual.

other than one person who was unhappy, the other person was lin xueyi. she was not a fool. of course, she could tell.

but she proudly didn't expose him, only asking her manager where she found a substitute.

When her manager said that she was a music teacher from a certain University and that she would definitely not tell anyone, her expression finally eased a little.

then, she looked at the tall man beside her. " mubai, i wouldn't have done this if i had a choice. "

The man she was calling out to was ye mu Bai, the greatest director in Hollywood. He was a man that all the female celebrities in the industry wanted to get to know. She was very lucky to have this man's eyes on her. He said that her side profile when she played the piano was very beautiful.

ye mu bai was holding a bottle of red wine in his hand. he looked displeased. ” you can postpone your injury but you shouldn’t have found a substitute. why didn’t you discuss it with me? ”

lin xueyi was stunned for a moment. she dug her fingernails into the back of her hand and said in a wronged voice, ” “Because you only have three days, I want to play for you.”

The tall man’s face was cold as he glanced at him. but the person playing on the stage now is not you, but an unknown woman.

Chapter 3604: mubai didn’t die, he’s back (2)

He held a glass of wine and stood at the edge of the backstage. From this direction, he could see the woman’s side profile very clearly.

it was so familiar that his heart throbbed, as if he had seen it somewhere before.

he then looked at lin xueyi and felt that she did look a little like her. otherwise, she wouldn’t have been able to pass herself off as lin xueyi.

“If she’s in the music industry, your status might be threatened,” he pointed out.

Lin Xueyi was already feeling uncomfortable, but now, her smile became even more forced. are you saying that I’m not as good as a female teacher? ”

however, ye mu bai ignored her and tilted his head. ” ” listen, there’s something in her music that you don’t have. it’s soft and delicate, but it’s also tough, like an extremely thin steel wire. ”

...

lin xueyi walked over and looked at wen yuan with him. she had always wanted to please ye mu bai. not only did she want to become a celebrity in the music industry, but she also wanted to enter the big screen. she needed ye mu bai's resources.

and she liked him.

he exuded a mysterious aura. he was really a very charming man, and she wanted him.

She clasped her fingers against his and was about to say something when the concert ended. According to the procedure, Wen Yuan went backstage and she took his place to go on stage for a walk.

when wen yuan walked in against the light and entered the backstage, she was stunned.

she looked straight at ye mu bai and lin xueyi's fingers on his arm. it was obvious that they had a very close relationship.

Ye mu Bai was not dead, and he had a woman who was in love with him.

Wen Yuan just stood there, his gaze entangled with hers. She did not move at all. She just looked at him, at the man she once loved so much, at the man she was in so much pain.

she liked him and had looked up to him for many years. she had also gotten close to him and had skin contact with him. she would recognize him even if he turned into ashes. now, he was standing in front of her. it was him, but it was also not him.

wen yuan looked at him in a daze and could not bear to look away. she called his name softly, "mubai,"

his voice was soft and trembling.

Ye mu Bai stared at her and said in a deep voice, "You know me?"

at this moment, lin xueyi's expression turned ugly. "xiaomei, take this lady out."

she was a well-known musician, and she could not let this woman steal her limelight or mu bai. she definitely could not.

Xiaomei was Lin Xueyi's manager. Even though she felt that it was inappropriate, she still squeezed out a smile and said, " " miss wen, you've completed your mission. here's your check. "

as she spoke, she stuffed the check into wen yuan's hands and said in a low voice, " " miss lin has a bad temper. please bear with her. you know that. "

however, wen yuan did not even look at the check. he continued to stare at ye mu bai and she said softly, " "mubai, you don't recognize me anymore? i'm wen yuan."

ye mu bai only stared at her with a cold expression on his face. yes, he was cold. he was not like this in the past. he was a very warm man.

Wen Yuan was stunned and continued to look at him.

lin xueyi was getting impatient. she picked up the check and threw it at wen yuan. I already said that you can leave after taking the check. Miss Wen, what exactly are you trying to do? don't tell me you think that you can replace me by playing a piano? "

"Call security," she said to Xiaomei.

then, she held ye mu bai's hand and said in a soft voice, " "you come with me, i said you wouldn't go back on your word."

ye mu bai glanced at wen yuan. then, he let lin xueyi hold his arm and walked to the front desk.

Chapter 3605: Mubai didn't die, he's back (3)

Wen Yuan stood there and she could only hear waves of applause.

She had lost all her strength, and there was only one thought in her mind.

it didn't matter if he was alive or back. the woman beside him wasn't a problem because she was wen yuan.

At the front stage, when Lin Xueyi held ye mu Bai's arm and went on stage, ye Mu Lin was also shocked.

He looked at ye mu Bai and thought of Wen Yuan. 'Wen Yuan must have seen them earlier!'

lin xueyi elegantly bowed to the audience and introduced ye mu bai to them. the fans below the stage were screaming.

...

lin xueyi smiled happily. she felt that ye mu bai's willingness to attend proved her position in his heart.

So, when she walked backstage after the curtain call, she invited him. "Mubai, we can celebrate tonight."

ye mu bai's lips curled into a mocking smile. "To celebrate that you didn't get exposed?"

She was a little unhappy and felt that he was too straight forward, but she actually liked his arrogance. Otherwise, there were so many stunties abroad. If he was a little more casual, how could she have a chance?

She raised her head and looked at ye mu Bai. Her voice was gentle. "mubai, let's have a meal later. i'll be living alone. "

the hint was obvious, and all adults knew it.

actually, they had been together for almost half a year, but he had never touched her. lin xueyi was wondering what he was waiting for. he was already a man in his thirties. did he not need anything?

So, she must get him tonight. She didn't believe that a man with such mesmerizing hormones like him couldn't do it.

Besides, even if he could hold it in, she was a normal woman, and she couldn't hold it in either.

as she said this, ye mu bai seemed to think for a moment, but in the end, he still nodded. " "alright," he said.

Lin Xueyi smiled but her smile disappeared after a while. She looked at Wen Yuan and frowned. "What are you still doing here?"

wen yuan was wearing the same evening gown as her. he was also a woman with good looks and a good temperament. she found him an eyesore.

wen yuan walked closer and she looked up at ye mu. " "you're my man!"

"You know me?" Ye mu Bai seemed to have just looked at her.

wen yuan's voice was choked with sobs. " yes, we've known each other for a long time, many years. "

then, she stretched out her hand. there was a check for two million yuan on her palm. she looked at lin xueyi and said softly, " "I don't want the check."

Lin Xueyi sneered,"you don't want the check. Do you want my man?" is there something wrong with you, miss wen? is there something wrong with the way you conduct yourself? or did you come all the way here just to set up a trap to snatch mubai away? aren't you thinking too much? i've seen scheming women like you every day. please leave. take the check and leave immediately."

after she finished speaking, she threw the check at wen yuan's face, as if she was humiliating him.

ye mu bai furrowed his brows. " xueyi, you've gone too far. "

Even though it was a reprimand, there was a hint of pampering in it.

lin xueyi immediately restrained herself and squeezed out a smile. ” ” mubai, i just don't like it when people use me to get close to you. ”

“she's just an irrelevant woman.” Ye mu Bai's voice was very calm.

But just as he finished speaking, a man's voice rang out in his ear. The voice was very low, but it was especially pleasant to hear. Mubai, Wen Yuan is not an irrelevant woman. She is your sister-in-law.

as soon as he finished speaking, the person who walked out from the corner was ye mulin.

Everyone, including Wen Yuan, ye mu Bai, and Lin Xueyi, was stunned.

Ye Mu Lin and ye mu Bai looked very similar, and their names were also similar. No one had any reason to doubt the words of someone with ye Mu Lin's status.

Chapter 3606: mubai didn't die, he's back (4)

Wen Yuan raised his eyes and looked at him in shock.

Ye Mulin smiled faintly and walked over to put his arm around her shoulder. are you dumb? ”

He took the two million Yuan from her and smiled. “just take it as your future sister-in-law buying candy for xiangnan. oh right, yingluo.”

he raised his eyes and looked at ye mu bai. ” mu bai, you haven't met your nephew, right? i'm thinking of coming here. ”

At this moment, a small person ran over, hugged ye Mulin's leg, and called out 'daddy'.

ye mulin carried ye xiangnan up and then put one hand around wen yuan. he looked at ye mu bai and said, ” “my son looks like me, right?”

...

ye mu bai was still frowning. then, he cursed, " Fuck!

he wasn't such a rude man before, but now he had evolved into a monkey that hadn't fully evolved like in foreign countries, rude and arrogant.

Wen Yuan was stunned. His body stiffened as he looked at ye Mulin.

he just smiled. " we're family. "

then, he looked at lin xueyi. " i am mubai's older brother, ye mulin. mubai might have forgotten about us, but we welcome him home at any time. also, if miss lin is interested, you can come to our house as a guest. however, if you continue to speak rudely to my wife, i may not welcome you. "

In fact, Lin Xueyi did not want such a powerful person to appear. However, ye Mu Lin's status was not something that a young musician like her could shake. Moreover, she was also tempted. With such a status and mu Bai's status, it would be a great help to her career if she married into the ye family.

hence, she knelt down and licked him, and her licking was especially ugly.

Ye mu Bai looked at Lin Xueyi in surprise. He said indifferently, " "Are you going to the celebration alone?"

how could lin xueyi let go of such an opportunity? she hugged his arm and said in a very understanding manner, " "Mubai, I want to keep you company."

Ye mu Bai patted her hand. I have something to do. Be good.

although he was very gentle, he did not allow for rejection. lin xueyi was unhappy, but she could only hold back her smile."alright, i'll look for you later."

Ye mu Bai's gaze had already fallen on ye Mulin and ye xiangnan, who was in his arms, followed by Wen Yuan.

his gaze stayed on wen yuan's face for about three seconds before he said in a low voice, "brother, tell me about the past tonight."

He lit a cigarette. in the past few years, I've forgotten a lot of things. However, I haven't forgotten them completely.

At least, he believed ye Mulin when he said that it was his brother. It was all because of his intuition.

Ye Mu Lin smiled and walked out with Xiang Nan in his arms. Wen Yuan looked at ye mu Bai.

Ye mu Bai took two steps forward and slowly forced her into a corner. He lowered his head and whispered into her ear, "Did we sleep together, sister-in-law?" he asked.

wen yuan widened his eyes and stared at him. "ye mu, bai qingqing."

He sneered. your eyes are filled with restlessness and desire for me. Why can't my brother satisfy you? "

He reached out and gently caressed her face."don't hit on me, woman."

She turned her face away in embarrassment. I didn't.

"Is that so?" As he spoke, he had already reached out to hold her hand.

she was wearing a gown, so there was only a thin piece of cloth stuck to her inside. it couldn't hide anything at all, and he could easily feel her everything.

Ye mu Bai looked at her without restraint, and his voice was so hoarse that it seemed to contain hot sand."i hate women who don't mean what they say. but i'm not interested in you, so don't come and provoke me."

Chapter 3607: mubai didn't die, he's back 5

As he spoke, he suddenly let go of her in a particularly bad attitude.

wen yuan took a few steps back and looked at him in shock.

Ye mu Bai looked at her and smiled. don't look at me like that. It makes me want to commit a crime.

“Do you remember that, sister-in-law?” he muttered.

he's so vile.

Wen Yuan bit his lip and took the lead to walk in front. After taking a step, he said in a low voice, ”
“you're thinking too much,”

...

was it?

Ye mu Bai chuckled softly and followed behind her.

ye mulin had already sat in the car. with his status, he naturally sat in the back seat. wen yuan went over and xiang nan called out for his mother. she followed him and sat in the back seat. when ye mu bai came over, the back seat was too crowded with four people so he could only sit in the front seat.

Actually, it wasn't a big deal. There wasn't anything good about being squeezed together, especially when they were a family of three.

ye mu bai sat there with his long legs. when he heard ye mu lin say that they were going back to the villa, the driver started the car.

Ye Mulin had already called ye zhenggang and su Fu. Because it was too late, they arranged to meet tomorrow and stay the night at his villa.

After driving for about half an hour, the car turned into a quiet private passage. Ye Mulin's Villa was right in front of them.

The car stopped and ye Mulin wanted to get into the South car. He held the car door with one hand and let Wen Yuan get out of the car. They looked so loving. Wen Yuan was stunned. Ye Mulin was not like this in the past. However, she was always smart. She smiled and held his arm, leaning gently beside him.

ye mu bai got out of the car and happened to see this scene. his gaze fell on wen yuan.

She looked very gentle and good-looking. Her figure was alright, and her entire appearance was alright. She was neither warm nor hot, the harmless type. At this moment, she was snuggling up to the man's side and looked very happy.

ye mu bai thought coldly in his heart. with a husband like ye mu lin, what else was there for her to be dissatisfied with? did she still want to fool around outside? just because she had a pure and innocent face?

He walked over and called the child "uncle". He then carefully looked at the child. He looked quite similar to his brother and was very obedient.

ye mu bai smiled and carried xiang nan over. xiang nan immediately wrapped his arms around his neck.

The child's body was warm and fuzzy. Ye mu Bai's cold heart warmed up as he kissed ye xiangnan.

However, as soon as he looked up, he saw ye Mulin taking off his coat and placing it on Wen Yuan's shoulders. He held her with one hand and walked forward. Wen Yuan was not short but he looked very petite in ye Mulin's arms. They walked in front and ye Mubai's eyes were filled with anger. He felt that this woman was not behaving herself and not that they were in love.

When they arrived at the villa, ye Mulin asked Wen Yuan to coax xiangnan to sleep. He asked her to change her clothes and come down. His voice was very gentle when he said these words. It was

completely the tone of a husband to his wife. Wen Yuan was still not used to it. However, she did not refute him and was very gentle to him.

she carried the child upstairs. after she was done coaxing him, she changed into a set of home clothes and went downstairs. she personally brewed coffee for them. after ye mu bai took the coffee from her, he looked at her again. that look was a little cold.

Wen Yuan then sat on the sofa. As soon as he sat down, ye Mulin hugged him in his arms. They looked so loving as if he was used to doing this. He hugged his wife while chatting with ye Mubai calmly and reminiscing about the past.

Chapter 3608: mubai didn't die, he's back 6

ye mulin did not mention a word about wen yuan. some things could not be changed now. for example, mu bai had lin xueyi by his side. if he wanted to take her back, he could only do the opposite. he thought that with wen yuan's intelligence, he should be able to figure out his intentions.

Indeed, Wen Yuan could do it. She stayed in ye Mulin's arms obediently and listened to their conversation attentively. Occasionally, she would hold ye Mulin's hand and look at him in a daze as he spoke.

ye mu bai did not really understand this woman. they were clearly very loving, so why did she say those things to him? he must have remembered it wrong. this woman seemed to love his big brother very much, and his big brother should not have any problems in that regard. could it be that wanwan wanted her to be dissatisfied and want to develop her career outside?

Just like that, they chatted for the entire night until one in the morning. By the time they ended the topic, Wen Yuan had already fallen asleep in ye Mulin's arms.

Ye Mu Lin lowered his head and patted her face."Wen Yuan!"

She opened her eyes in a daze. Mu Lin, are you done? "

...

he hummed in agreement and then said to ye mu bai, ” “i’ll carry her upstairs first, then i’ll come down to talk to you.”

ye mu bai looked at the woman and let ye mu lin carry her gently.

ye mulin was simply a movie king. he hugged her and laughed. Wen Yuan, you’ve gotten heavier. I can’t carry you anymore if you continue like this.

wen yuan nestled in his arms and said in a low voice, ” ye mulin, don’t you think your acting is a little too much? ”

he smiled and looked at her,”don’t like it?” if you don’t like him, i’ll tell him now that our marriage is fake, and you can go and pursue him now, yingluo!”

“i don’t want to.” “he’s no longer the mu bai of the past,” wen yuan replied without thinking.

Ye Mu Lin smiled and brushed away the hair on her forehead. In a flash, he disappeared into the corridor.

Ye mu Bai watched the couple’s lovey-dovey process, and his hand that was holding the coffee cup tightened.

he even wondered if they would fall on the bed and kiss each other when they were upstairs. his brother would only come downstairs after he was satisfied. after all, wen yuan looked quite delicious.

He suddenly felt a little uncomfortable. What was this? she had provoked him and said those words before, and now she was showing off her love in front of him. He felt that he had been fooled by this woman.

Ye mu Bai wanted to take a big gulp of coffee to calm himself down, but he realized that his cup was almost empty, so he had no choice but to put it down.

He sat on the sofa and waited for a while before ye Mu Lin came down. It should have been five minutes. Ye mu Bai's mind started to race again.

Ye Mulin went downstairs and paused at the top of the stairs. He looked at his younger brother and then went down. He smiled."he missed nan and woke up. he only went to sleep after i told him a story."

Ye mu Bai was stunned for a moment before he coughed lightly."I thought Yingluo"

"What did you think?" Ye Mulin seemed to be in good spirits and was very talkative. Then, he said something dirty that was common between men. do you think I only have five minutes? "

Ye mu Bai's mind went blank again. He had an indescribable feeling. He convinced himself that they had already had a child together. How could they not have slept together? i just slept with him. what does that have to do with you?

Thinking about it this way, she felt a little better. Then, she started to talk about the past with ye Mulin.

most of the time, ye mulin said it and he listened. of course, ye mulin deliberately avoided bai xuli and wen yuan's past.

However, after he finished speaking, ye mu Bai said, " " i've forgotten a lot of things, but some people can still remember that i saw bai sulli overseas with a well-known photographer. she even had a child. do you remember that she used to have a crush on me and cried that she wanted to marry me? "

Ye Mu Lin was stunned.

he almost lost his composure.

he held the coffee cup and pretended not to care.”How old are the children?”

Ye mu Bai furrowed his brows. he looks like he’s two or three years old. He should be around Xiang Nan’s age.

Ye mu Bai clenched his fists tightly. After a while, he smiled faintly.”It’s pretty good, not bad.”

his heart was in turmoil, but he did not show it on his face. then, he chatted with ye mu bai for a while and told him what he wanted him to know. he did not mention anything about what he did not want him to know.

In the end, he arranged for ye mu Bai to sleep in the guest room. When he was about to leave, ye mu Bai was a little stunned.”You’re not sleeping here?”

“Sleep here?” Ye Mulin laughed softly. Mubai, I’m a married man. If I don’t sleep with my wife and sleep with my brother, I’ll be laughed at.

...

As he spoke, he patted ye mu Bai’s shoulder and smiled. “Wen Yuan is waiting for me. I’ll go upstairs first.”

ye mu bai watched as he walked out of the room. his steps were a little fast as if he could not wait to return to his room.

was she in a hurry to go back and make love with wen yuan?

Ye mu Bai’s mind went into a frenzy again.

he looked around the room but couldn’t find any wine. he usually had a glass of wine before going to bed, so he went out to find a bottle in the living room and bring it back to his room to drink.

the living room was a little dark. he turned on the light, but he was stunned the moment he turned it on.

There was a couple hugging each other on the sofa. They should be kissing, right?

Ye Mulin was sitting while Wen Yuan was sitting on his lap. He was wearing a champagne-colored silk spaghetti strap nightgown. The strap slipped off and his hair was placed in front, revealing half of his fair and beautiful back. The cream color was very thin and smooth. The nightgown was very short and only covered the T-section. His legs were very attractive.

ye mu bai looked at her and shamelessly realized that he had a reaction.

he had a physiological reaction to his sister-in-law.

He coughed uncomfortably. I want to drink some red wine.

Ye Mulin let go of Wen Yuan and patted her. He said in a low and hoarse voice, ” “go upstairs and wait for me.”

He even took a coat and draped it over her shoulders, his eyes gentle and a little lustful (applause for boss ye’s acting skills, he really put in a lot of effort).

Wen Yuan bit his lip and walked upstairs barefooted.

Ye mu Bai felt that he should not be looking at her, but he still followed her figure and looked at her legs and back. Based on a man’s intuition, her body was very soft and suitable to be hugged.

“I’ll get you some red wine.” ye mulin smiled and got up. he walked to the wine cabinet and picked two.”which year do you like?”

Ye mu Bai walked over and picked up a cigarette. “i’ll take this.”

when he took it, ye mu lin did not let go. he looked at ye mu bai and said in a low and hoarse voice, ” Mubai, Wen Yuan is your sister-in-law. I love her very much. Do you understand what I’m saying?
”

ye mu bai was stunned for a moment. then, he looked at his elder brother. at this moment, ye mu lin let go of his hand, and the red wine in ye mu bai’s hand almost fell to the ground.

” don’t worry, big brother, ” he said with a smile. ” i’m not interested in other people’s wives. besides, she’s your wife. ”

“That’s good.” Ye Mulin smiled like a spring breeze. bring Lin Xueyi back tomorrow for our parents to see. It’s better to settle down earlier. You’re already in your thirties.

After he said that, he went upstairs, and his steps were more hurried than before. Ye mu Bai stood downstairs and watched him go upstairs. After that, he heard the sound of the door closing. Then, there was a faint sound. He did not know if it was his imagination, but he kept hearing the rough panting of a man and the soft shrieks of a woman.

ye mu bai’s eyes turned cold when he thought of that woman’s body.

when did his big brother’s taste become so bad? she was a woman who only knew how to use her looks to please others.

He took the wine back to his room and poured himself a glass. He drank it in one gulp and poured himself another glass without even tasting the extreme sourness.

after drinking it, she became more and more awake. as she lay on the bed, she recalled the scene of that beautiful body sitting on ye mulin’s lap. as a woman who had given birth before, she had really maintained her figure well, and it was very fair.

Ye mu Bai’s throat moved uncontrollably as he lay there. The woman’s body, which had not been there for a long time, also involuntarily tensed up.

“damn it.” He refused to think about that body again and convinced himself to fall asleep as soon as possible, but it still didn’t work. He couldn’t fall asleep at all, so he got up and finished the bottle of red wine. He felt that it wasn’t enough, so he walked out to the living room without turning on the light, wanting to get another bottle of red wine.

...

but the lights in the hall were on, and there were people.

In the middle of the night, his dear sister-in-law was wearing a thin spaghetti strap nightgown. It was not the previous one, but a thinner and more transparent one. She was half-squatting in front of the cabinet and seemed to be choosing a red wine.

From ye mu Bai's direction, he could see that there was nothing under the strap.

The light shone on her back and she could almost see everything. He suddenly felt his mouth go dry and his tongue become impatient. He didn't make a sound and just stood in the dark.

she seemed to have picked what she wanted. she straightened her body and was about to leave when she looked up and saw ye mu bai.

Wen Yuan's expression was one of shock. He did not move at all and suddenly reached out to hug himself.

She bit her lip, took a step back, and then fell on the sofa.

ye mu bai walked over gently and stood in front of her. he even stood in the middle of her body rudely.

he looked down at her for a while, then bent down and teased her.

wen yuan closed his eyes and turned his face to the side, "i don't want to."

Ye mu Bai picked up the red wine that she had dropped. His body was on top of hers, and his face was so close to hers that she could see her pores clearly.

Her skin was very fine and clear, with a touch of red. He didn't know if it was because of sex.

thinking of this, his thin lips curled up slightly. he looked at her trembling eyelashes and murmured, "are you afraid of me or are you expecting me to kiss you?"

“I didn’t.” she slowly opened her eyes. her chest was rising and falling, and it was really very attractive.

Ye mu Bai was also a normal man. He admitted that he had been seduced by her.

His fingers gently caressed her face, his voice hoarse. “you know that i live here, so why did you dress like this? What kind of person do you think you are, and what kind of person do you think I am, huh?”

His fingers gently pinched her chin and then moved down. Her breathing became a little messy, and she bit her lip as she looked straight at him.

against the light, his face looked particularly deep and ruthless, as if he would tear the thin clothes on her into pieces if he wanted to.

“Get up,” Wen Yuan finally said.

“What do you think you want to do?” his gaze fell on her undergarments that could not block anything. ” want to make love with you? my dear sister-in-law, don’t forget who you are. don’t always look at me with a longing expression. if you really do it with me, will my brother still want you, hmm?”
