

## Thank you 361

Chapter 361.3: what are you doing here?

There was an uproar below.

if the big bosses from all the different worlds didn't care about their status, they would have already whistled like ruffians and called for pei qiqi to be auctioned off.

PEI Qiqi forced a smile, " Mr. Meng, you really know how to joke.

" i've never joked with beautiful women, especially a top beauty like boss pei. emcee meng was also a professional. after livening up the atmosphere, he stopped. if he really acted like a lecher, no one would dare to ask him to host again.

He cleared his throat and looked down. everyone here is the god of wealth of City B. I'll thank you on behalf of boss PEI. Of course, this thank you is a little expensive. After all, everyone knows the value of this land and the commercial area of City B.

Pausing for a moment, he continued, " according to the PEI family's starting bid, 3.5 billion Yuan. I personally think that this price is very fair. We all know that zhengfu auctioned off plot 534 a few days ago, and the area is almost the same as this one. However, the terrain comparison is clear to all of you. That piece of land was auctioned off for a sky-high price of 7.8 billion Yuan. So, who will be the winner today will depend on how much effort you put up your signs.

he gestured for pei qiqi to knock on the egg. pei qiqi looked down and smiled. then, she gently broke the kasaya.

"the stakes are good. let's start the auction now." presenter meng smiled at pei qiqi. " boss pei, are you going to fight side by side with me? or are you going to watch from below? "

pei qiqi took the microphone and smiled. before she could say anything, the emcee's lips came close and said with a smile, " " trust me. if boss pei is on top, the bidding price will be at least 20% higher. "

host meng had been in all the major auctions for a long time, so he naturally knew the nature of this.

pei qiqi was in a dilemma. meng host simply held her hand and said, " then tonight, let's just treat it as boss pei hosting ran ran together with me. i'll put in the effort first, and boss pei will pay for it later. "

Just like that, he casually said a dirty joke. PEI Qiqi's face was a little red but she still pretended to be calm, " are you talking about taking money? "

host meng sighed. " it's good for boss pei to leave some thoughts for me. however, i might not have a chance anymore. let's look at the biggest auctioneer today. "

he stared at the gods of wealth below with a burning gaze."is there anyone with more than 3.5 billion?"

soon, someone raised a sign.

“3.6 billion.”

“3.7 billion.”

“3.8 billion.”

” very good. the boss of heng university has offered four billion yuan. is he trying to develop your real estate project? ” After the host finished speaking, he called out to the other side, 4.5 billion. President Lin is so generous.

“We’ve reached five billion Yuan here. The situation is very good. Should we get boss PEI to express his thoughts now? To express our condolences to the host for his hard work?” host meng turned sideways.

pei qiqi had no choice but to give him a light hug.

with this hug, another six billion was called.

seven billion.

Eight billion!

when it reached 10 billion, the momentum slowed down, and the price increased by 100 million.

although that piece of land was not bad, no one wanted to be a spendthrift who spent too much money.

when the bid reached 11 billion, he felt a sense of powerlessness. in fact, this was already a very high price.

abbot meng gave pei qiqi a look, meaning to tell her to stop while she’s ahead. moreover, the boss of this round of bidding was quite credible.

pei qiqi nodded her head.

just as he was about to knock, the door of the venue opened, and a cold voice came, ” “wait a moment.”

Chapter 362.4-what are you doing here?

That sound?

pei qiqi was stunned. she turned her head and saw tang yu.

She was far away from him, but she saw him with one look.

just by standing there, he already looked outstanding.

Beside Tang Yu were Meng Qingcheng and Xiao ran. They were all dressed like elites.

“mr. tang, are you here to bid or to challenge us?”

the reason he asked this was because the story of these two had been circulating in the high society of B city for a long time, so he had to be careful.

“i don’t know,” PEI Qiqi knew the organizers sent an invitation to Tang Yu, but she didn’t expect him to come.

he already had sun feifei, shouldn’t he avoid suspicion?

Host Meng’s eyes went dark, but he braced himself and continued to speak,”mr. tang managed to catch up with the last opportunity.”

he laughed dryly and motioned for the three of them to sit in the vip seats.

tang yan sat down and his gaze landed on pei qiqi. his dark eyes immediately narrowed.

Was she going to dress like this on stage for people to admire?

Was this auction about the land or her beauty?

he was a little angry in his heart, but his face was very cold. he had always been noble, so he only unbuttoned two buttons and sat down very leisurely.

Xiao ran’s low voice rang in her ears, ” “The bid just now was 11 billion.”

Tang Yu moved his chin and Xiao ran immediately cleared his throat, ” “12 billion.”

President yang was probably a little unwilling just now, so he quickly chimed in, ” “13 billion.”

Tang Zheng frowned. Xiao ran understood his intentions. With just a frown, he directly called for 15 billion.

this time, no one would dare to fight with sheng yuan!

However, President yang was still unyielding. 16 billion.

tang mo’s lips twitched as he smiled coldly. he personally raised his finger and spoke in an elegant voice, “18 billion.”

“20 billion.” President yang knew about Tang Yu and PEI Qiqi’s past. He also knew that Tang Yu was determined to win today.

Since he couldn’t get the land, he would be a good person this time!

However, in a moment of passion, he had become a good person-

but what kind of person was tang yu?

How could he be at his mercy?

just as xiao ran was about to raise his hand, he said indifferently, ” “no, congratulations, mr. yang.”

Then, Tang Yu got up, buttoned his shirt and laughed mockingly.

How could these little tricks escape his eyes?

he didn’t care about spending money on her, but if it was someone else, he might not be happy!

Yingluo congratulated President yang?

President yang was stunned!

President yang was dumbfounded!

president yang was at a loss!

wasn't mr. tang's imposing manner supposed to be a sure win?

She was just adding flowers to a brocade, how did it become congratulating him now?

20 billion, what an international joke!

president yang's forehead was covered in sweat. he wiped it away and it seeped out again. the expression on his face was also very embarrassed.

Host Meng was also stunned for a moment. Mr. Tang is going to withdraw?

Wasn't he here for the beauty?

this, this, what was this good?

it looked like president yang wasn't planning to shoot anymore. the contract wasn't signed, so wouldn't it be a failed shot?

Let him cry, his Commission!

pei qiqi looked at tang yu. how could she not know that he was trying to make things difficult for her?

she didn't expect that president yang would deliberately raise the price for her, so it was neither high nor low.

she naturally wouldn't make things difficult for president yang, but she was afraid that president yang would lose face!

Tang Yu looked at her and smiled, "I forgot to congratulate Yingluo, boss PEI.

Chapter 363 valentine's day (shedding tears of affection)

as tang yu spoke, he slowly walked out. behind him, meng qingcheng and xiao ran followed.

Meng Qingcheng and Xiao ran were both surprised. As long as a BOSS was put up for auction, it would never end up empty.

today, ran ran had deliberately come to destroy pei xiao qi's stage!

Host Meng, who had his stage destroyed, immediately got off the stage and chased after Tang Yu, "mr. tang, may i have a word with you?"

he was such a smart person. he could tell with one look that president yang had fallen for his trick!

Of course, the biggest loss was boss PEI!

at most, boss yang would be laughed at for a while. however, it would be difficult for boss pei's land to get a good price.

Tang Yu was already at the door. Hearing this, he turned around. Even in the dim light, he still exuded a noble aura.

He pursed his thin lips and looked at the young host. He did not avoid the people present and chuckled. if you want to talk in private, why don't you ask boss PEI to come over? ”

when he spoke, he didn't look at pei qiqi. however, his meaning was clear. he was here for her.

the atmosphere suddenly became a little ambiguous. everyone knew about tang yu and pei qiqi's relationship. they didn't know how these two enemies ended up like this but one thing was for sure- president tang couldn't let it go! it was either love or hate!

PEI Qiqi stood on the stage alone and couldn't get off.

when abbot meng saw that there was a way to turn things around, he gave her a fierce look-

‘little great aunt, even if you don't care about yourself, you have to care about my commission. you can't work for free!’

also, president yang, president yang, say something too, yingluo.

PEI Qiqi stood there and her gaze landed on Tang Yu's face.

She could not read his emotions. At this moment, he was extremely cold, as if everything around him had nothing to do with him.

her heart ached, and she felt a desire.

separating from him, she felt extremely conflicted. every time he got close to her, she felt pain and joy.

she missed him. she wanted to see him, but she was afraid that this would be the last time she saw him. she was also afraid that she wouldn't be able to control herself. this kind of emotion tormented her.

She finally walked down the stage slowly and walked to him in that dress, one step away from him.

meng qingcheng and xiao ran took a few steps back, giving them space to talk.

pei qiqi raised her head and looked at tang yu. her voice was a little hoarse, ” “What do you want?”

Tang mo looked into her eyes and saw her pretending to be calm. He chuckled. boss pei, you want to know? ”

before she could say anything, her arm was caught by him. then, the world spun, and her back was pressed against the door behind her, while his body was pressed against hers.

Her arms were pinned down by him, and the way they were pinned on both sides was a little embarrassing, but his body was blocking her. Other people only knew that she had been knocked on the door, but they didn't reveal any of their sex life.

“What do I want? boss pei, i really want to know what you want to do.” he pressed his body against hers so tightly that she could feel the changes in his body. just like that, he asked her with his beast-like body, ” ” sell the company, then escape to the horizon and never see me again, right? ”

PEI Qiqi raised her head and bit her lip, unable to say a word.

“pei qiqi, right? hmm?” he pressed against her, his noble face looking as if a storm was about to come.

she was stunned.

his aura was too strong, and she was like a weak little chick. no one dared to say a word when he treated her like this on such an occasion.

Chapter 364 Valentine's Day (shedding tears of affection)

pei qiqi closed her eyes, ” yes! ”

He reached out a finger and gently stroked her red lips, the smile on his face frozen. boss PEI, you really dare to say that.

“I've always been honest.” She opened her eyes and looked at him without fear.

He had already experienced the worst situation. What could be worse?

Tang Yu's fingers were still slowly caressing her red lips. That little face that was as fresh as a painting was now filled with stubbornness.

She was as beautiful as an oil painting, so beautiful that he wanted to kill her!

Boss PEI's honesty is all used on me, isn't it? ” As he said that, he sneered and took a step back to look at her. boss PEI, I can buy this land. 20.1 billion! The 100 million Yingluo is mine tonight!”

She opened her eyes and looked at him in shock.

he wanted yueyue to spend 100 million to buy her for a night?

Suddenly, all the embarrassment and anger surged up.

What did he think she was?

he had given her freedom, and he was with sun feifei now. now, he was spending 100 million to buy her for a night!

They were very close to each other, and the light was so dim, and she suspected that the lights had been switched off on purpose, so she couldn't see clearly.

under the cover of the darkness, she kicked him hard with her high heels. ” don't even think about it! ”

her kick was very accurate and it landed right on tang yu's side!!!

she was stunned for a moment, and he was also stunned.

He pressed her against the door again and narrowed his eyes at her. boss PEI, you have two choices. One is to press that place for me tonight, and the other is Yingluo.

her chest heaved up and down, not knowing what he would do.

Tang Yu saw how scared she was and laughed coldly, ” second, I'll get someone to turn on all the lights here and you'll help me smooth out the place that hurt me just now.

pei qiqi was so angry that she wanted to kick him again with the leg he was holding on to. however, she couldn't move because he was holding on to her leg.

boss PEI, do you think you can succeed again? His voice was low and hoarse.

It was the look he had when he was looking at her. PEI Qiqi was both embarrassed and angry. In this situation, he was actually looking at her!!!

Of course, she knew that Yingluo wouldn't spend the night with him just for a meal, tea, or a chat.

she yearned for him, yearned for his body, but was also extremely afraid of Yingluo.

But she was even more afraid that he would do something to her in public.

she closed her eyes and heard herself say 'okay'.

when she was put down, her body went soft and she almost slipped.

Tang Yu raised his finger, " 20.1 billion.

This caused an uproar at the scene. Everyone wanted to know what boss PEI had whispered to President Tang to make him change his mind.

Host Meng was shocked!

President Yang's heart was at ease!

"congratulations, mr. tang." The host was afraid that a long delay would cause more problems, so he quickly decided on it. He wanted to get closer to Tang Yu, but Tang Yu whispered to Meng Qingcheng, " "Qingcheng, you stay behind to handle the paperwork."

Then, he grabbed PEI Qiqi's arm and dragged her out of the door.

the scene was still silent, so quiet that one could even hear a pin drop.

The first one to recover was still Abbot Meng. He used an extremely cold voice to make the final decision,"i now announce that mr. tang of shengyuan corporation has won the title of land king. we would like to congratulate mr. tang warmly."

Chapter 365 Valentine's Day (shedding tears of affection)

Tang Yu grabbed PEI Qiqi and walked into the elevator. Her wrist was hurting from his grip.

when there was no one around, she flung his hand away, " tang yu, what do you want? "

he leaned against the wall of the elevator and looked at her coldly. " i want that land and your body. "

He said it straightforwardly and bluntly. Then he took out a cigarette from his pocket, lowered his head, lit it, and took a long drag.

He needed to calm down so that he would not strangle her to death.

He knew that she was auctioning off the company's real estate and that she wanted to move. He could understand.

without his protection, she would not be able to last long in the pei family with her little ability.

she could only kill the chicken to get the eggs. actually, he was surprised that she would do such a thing.

he also agreed! This was a good idea!

Now that their relationship was at its lowest, the PEI family's people were also hesitating. If they could get some cash into their account at this time, why not?

she actually thought of it.

tang mo looked at her. she was young and beautiful. it wasn't too much to praise her.

But she was too cruel to him, Yingluo.

pei qiqi's back was pressed against the cold elevator wall. she bit her lips and looked at his unpredictable expression.

He only looked at her like this, but her body felt a little embarrassed. Those lingering memories flashed in her mind like they were reversed.

Her midnight-like eyes stared at his thin lips shamelessly.

Because he was someone else's man now, she thought of the t-shirt he had left in her house.

She didn't know why, but her small mouth naturally said, " "You left your stuff in my house."

He was still smoking, and he gave a faint "hmm," as if he didn't care.

pei qiqi's face was so hot that she didn't continue. instead, she opened her mouth like a kitten, " "where to?"

"You're afraid?" he looked at her, his voice still cold, completely different from the rascal he was at her house.

She turned her small face away and did not make a sound.

At this moment, the elevator arrived. He walked out and PEI Qiqi followed behind him.

a black jaguar was parked at the entrance. it was a very low-key model.

tang mo opened the car door and sat in, his slender fingers on the steering wheel as he waited for her.

pei qiqi lowered her head and walked to the other side of the car and sat in it.

she had thought that he would find a presidential suite and humiliate her for all the things he had done to her.

However, she did not expect him to drive the car back to the Rose Garden ...

when the sports car passed through the black carved gate, the lights in the villa lit up one by one. the trees were all installed with small silver lights, and the whole garden looked like it was filled with fireworks.

pei qiqi opened the car door. opposite her, the musical fountain instantly sprayed water and was accompanied by serenade music.

she stood there, a little stunned and a little overwhelmed by the favor.

Tang Yu closed the car door and quietly observed her expression. Then, he stood beside her and looked around, " do all girls like it? "

PEI Qiqi still hadn't woken up, so she acknowledged him.

tang yu smiled, " feifei likes it too. "

pei qiqi was stunned and her face turned pale.

He was still smiling and seemed to be in a good mood. Then, he said lightly, " "let's go in and eat. i haven't eaten anything all night."

pei qiqi turned around and stared at his back in shock.

"miss pei, do you want me to carry you?" He suddenly turned around and asked her as he stood on the steps.

Chapter 366 valentine's day (shedding tears of affection)

pei qiqi quickly followed.

tang yu walked into the living room and took off his jacket. he handed it to the maid and ordered, " "let's eat."

the maidservant bowed. " yes, sir. "

she then looked at pei qiqi and said gently, " "hello, miss."

tang yu didn't say anything. he just gestured for pei qiqi to follow.

she was actually cold. she didn't take out her coat in the hotel. she wouldn't do it in the car, but she felt cold the moment she got out of the car.

the warm hall comforted her. she let go of her arm and sat quietly beside him.

the dining room was huge and the dining table was filled with silver utensils. there was a silver candle in the middle and the dishes were all chinese. the kind that pei qiqi was used to eating.

tang yu didn't talk much when he ate, so he quickly finished his dinner. then, he leaned back in his chair and smoked while waiting for her.

PEI Qiqi bent over like a little kitten eating. She could feel that he was in a good mood and he would probably eat her after she finished eating.

Tang Yu didn't rush her. He just smoked his cigarette and looked very patient.

Finally, she was full and looked up at him in a daze.

"go to the bedroom upstairs and wait for me." he said briefly, then got up and went upstairs.

PEI Qiqi stood up and felt her legs go soft. However, she still slowly walked upstairs.

Everything here was luxurious and dreamy to the extreme. Even the handrails of the stairs were made of crystal.

There were a few rooms upstairs, and based on her intuition, she pushed open the door to the room directly East.

It was a large European-style bed, with ivory furniture and a light blue round bed curtain. Under the crystal Light, the carpet was spotless.

the light blue curtains fluttered in the night wind. pei qiqi pursed her lips, kicked off her shoes, and walked over barefooted.

She opened the window and saw a large red rose Garden. There were countless Night Lights on the foundation. Under the night lights, she could almost see the fragrance of the roses.

at the door, two maidservants came in with flower baskets and said in a low voice, ” “miss, sir has instructed you to take a bath first.”

pei qiqi turned around and watched as they spread the rose petals on the white bed. then, she bent over and left.

she bit her small mouth. what was he doing?

shouldn't these be done to sun feifei?

Suddenly, she had an idea and called out to the maidservant, ” “What date is it today?”

“My lady, today is the 14th!” The maidservant said with a lowered head.

Number 14?

valentine's day?

PEI Qiqi was stunned and her breathing became chaotic.

She was a little scared. She was extremely scared, Yingluo.

She ran towards the door. She couldn't stay. Her instincts told her that what he wanted was more than just one night.

However, she bumped into Tang Yu at the door and her chest hit him.

he held her shoulder. ” what happened? ”

PEI Qiqi's head drooped and she didn't speak for a long time.

Tang Yu, ” she said softly after a long time, ” let me go.

“If today's date has caused you to misunderstand, then there's no need to.” He walked to the front of the bed and lay down, patting the spot beside him. “I just wanted to have some fun.”

she turned her head to look at him and suddenly saw a box of t-shirts on the bedside table.

it was the same as the one he had left in her house, and it was unopened.

PEI Qiqi looked at him and was a little shamelessly happy that he hadn't used this on Sun Feifei yet.

“come here.” His voice was hoarse, and there was an unquestionable Jade-like desire in it.

[yesterday, the children in the browser square scolded the readers to their heart's content and urged them to abuse me thousands of times. i treat the readers like my first love ~ first love, today is the birthday of the little author, please don't scold me, please caress me, please caress me]

Chapter 367 testing her DNA (1)

PEI Qiqi slowly walked over and half-knelt beside him.

Tang Yu's eyes quietly looked at her.

she was not used to doing this, so her movements were a little clumsy.

He didn't look down on her. He held the cigarette in one hand but didn't light it. He lowered his head and looked at her small face.

Finally, he said in a hoarse voice, " continue.

PEI Qiqi didn't move. She just knelt there and raised her head. She struggled helplessly like a young beast, " I don't want to.

but she couldn't refuse. he grabbed her little hand forcefully and whined,

(Shyface's 10000 words were omitted in the middle)

in the midst of the chaos, he growled in her ear, " "PEI Qiqi, you liar."

however, she was unconscious and had no idea what he had said.

the night was dark.

Deep love

two in the morning.

He walked into the bathroom and took a shower. He wore a bathrobe and sat by the bed. PEI Qiqi was in a deep sleep. Her small hands hugged his pillow as if she was used to it.

He looked at her silently for a while and then stuffed the pillow into her arms.

PEI Qiqi's little face leaned against it and she mumbled, " Tang Yu.

his originally indifferent face became a little gentle, and his slender fingers pinched her small face. " little liar, i'll deal with you like this next time! "

in fact, he knew best that he was just finding an excuse to be with her!

He couldn't always get her drunk!

It's just a little expensive.

he sat for a moment, then walked out to the study.

Meng Qingcheng was standing there. When he saw Tang Yu enter, he first checked.

Sure enough, he saw the Hickey on her neck. He asked mockingly, " " did pei xiao qi leave this behind, or did sun feifei do it? "

tang zheng glanced at him and sat down. " what did you find? "

Meng Qingcheng stopped joking and said seriously, " there are quite a few.

he took out a photo. " look at this. "

tang yu took it and squinted his eyes. he was surprised to see a photo.

the woman on it was zhao ke!

And that man was stunned.

“This man is called Rong Lei!” meng qingcheng said lightly, “ you should be familiar with this name. he’s zhou meilin’s gigolo. i didn’t expect him to have such a relationship with zhao ke. ”

Tang Yu was still holding onto the photo. He looked at it for a while before asking, “ where did you get the photo? ”

Pei Xiao Qi went to the hotel. She must have bought the newspaper from the newspaper. However, no matter how the people I sent to ask, the newspaper kept their mouths shut and did not say a word. Meng Qingcheng continued, “ yesterday, she went to see Zhou Meilin. After that, Zhou Meilin went crazy. She got this photo from there.

After he finished speaking, he looked at Tang Yu, “ don’t you think this matter is weird? ” why did pei xiao qi investigate zhao ke out of the blue?”

she suspects that the pretty boy was behind jinrong’s incident. Even though he said that, Tang Yu had other thoughts.

This kind of thought was almost impossible to understand.

Tang Yu held the photo tightly, “ Qingcheng, from now on, you don’t need to investigate this matter.

Meng Qingcheng nodded, “ okay then. I shouldn’t ask too much about your matters.

They were all smart people and knew not to interfere.

meng qingcheng left quickly. tang yu sat in the study room for a long time and smoked half a pack of cigarettes.

It wasn’t until the sky was getting brighter that he noticed something. Looking at the endless blue sky outside, he finally made a phone call.

when he returned to the bedroom, pei qiqi was still fast asleep. her hair was spread on the pillow and her white arms were stretched out of the blanket. only half of her face was exposed.

Chapter 368 her DNA test (part two)

Tang Yu held the photo tightly, “ Qingcheng, from now on, you don’t need to investigate this matter.

meng qingcheng nodded, “ okay then. i shouldn’t ask too much about your matters. ”

They were all smart people and knew not to interfere.

meng qingcheng left quickly. tang yu sat in the study room for a long time and smoked half a pack of cigarettes.

it wasn’t until the sky was getting brighter that he noticed something. looking at the endless blue sky outside, he finally made a phone call.

When he returned to the bedroom, PEI Qiqi was still fast asleep. Her hair was spread on the pillow and her white arms were stretched out of the blanket. Only half of her face was exposed.

filled with thoughts, he walked over and sat down heavily, his fingers gently touching her cheek.

Qiqi, is it what I guessed? Is it because of that that you want to leave me and refuse to marry me?  
how much do you know?

her face was warm, her mouth was slightly open, and the breath she exhaled was sweet.

Tang Yu's fingers moved across her little face. Then, he reached out and pulled out a strand of hair. Holding it in his palm, he felt a little hot. He closed his eyes, went to the changing room, changed his clothes, and drove out.

Early in the morning, the air was still very thin. He drove for about half an hour before he realized that it was a little early.

he stopped the car by the roadside and smoked a few cigarettes until his lungs hurt before he turned off the engine.

with his elbow on the window, he frowned and took out his phone to call tang xin.

tang xin was happy to receive his call. she had been bored out of her mind these days.

Her father and mother were always quarreling, and they had to fight when they wanted to. She had to live with her tail between her legs.

"Big brother." tang xin's voice was very sweet. " you're the one looking for me! "

tang yu's voice was a little hoarse but gentle, " have you had breakfast? i'll take you to breakfast?"

Tang Xin immediately asked,"are you going to Qiqi's place?"

Tang Yu thought of the woman who was still sleeping on his bed. He basked in the sun and said lightly, " "no, i'm eating outside."

Tang Xin was a little disinterested, " it's not Qiqi's place. I don't really want to go.

" you only have qiqi in your heart and no longer have me as your brother? " tang yu spoke with a bit of authority.

tang xin always had him in her heart, so she said in a particularly flattering manner, " "of course there is! alright, i'll accompany you for breakfast."

as she spoke, she did not forget to add, " "if you're really lonely, you can look for sun feifei, your little sweetheart!"

"my heart has been eaten by a dog!" he said without any expression ...

PEI Qiqi was that dog!

Tang Xin exclaimed, " then whose heart is it in my stomach now? "

Was it a dog's?

tang yu's face darkened as he said the location and then hung up.

this girl was getting more and more crafty.

He looked up at the morning light in front of him and pursed his thin lips tightly.

half an hour later, tang yu and tang yu sat down at a hong kong-style breakfast restaurant.

tang yu ordered a dozen kinds of snacks and a bowl of healthy porridge for her. tang xin was extremely satisfied.

She watched as Tang Yu sat smoking. His mouth was stuffed and he couldn't speak clearly, " "Big brother, why aren't you eating?"

tang yu put out his cigarette, " i've eaten. "

Tang Xin smiled a little naughtily, " you must be missing me.

He looked at her with a dignified expression.

Tang Xin was finally full and looked at him, " smile, it's rare to see you.

seeing her like this, tang yu's heart softened and he smiled.

"Brother, you look so good when you smile." tang xin leaned over and hugged his arm.

Chapter 369 testing her DNA (part three)

tang yu reached out and touched the center of her hair. his eyes narrowed and he pulled out a strand of hair.

Tang Yu's heart ached. He looked up at him suspiciously but Tang Yu was already clenching his fists, " what's wrong? "

tang xin frowned, " i think my hair was pulled just now, maybe it was hooked somewhere. "

tang yu smiled and rubbed her head, " "How about now? are you feeling better? does it still hurt?"

"Much better," She looked at him and smiled sweetly. She reached out and hugged him again. brother, can you take me to find Qiqi? "

tang yu coughed, " i don't think i can. i have something to do later. "

"Then I'll go by myself. The chauffeur is here, so I'll only be there for a while." Tang Xin stuck to him.

Tang Yu looked at his sister, " Qiqi is sleeping. She will probably wake up in the afternoon.

Tang Xin's little mouth opened wide-

it was almost ten o'clock, but qiqi was still sleeping!

And how did her brother know that he was sleeping?

"Then, where is Qiqi sleeping?" Tang Xin swallowed her saliva and remembered the phone call that night. Her brother and Qiqi's voices in the back seat.

her little face was a little red. tang yu didn't know that the little guy had eavesdropped on his conversation. he paused for a moment and softened his heart, " let the driver take you to the rose garden. " I'm busy, so I'll be back in the afternoon."

tang xin was happy for a moment, but she quickly looked at tang yu suspiciously, " brother, don't you already have sun feifei? "

Tang Yan glared at her and Tang Xin didn't dare to say anything more.

anyway, she felt that the one her brother liked was qiqi. as for other things, she couldn't care and didn't dare to care.

But big brother is really Black-bellied, Yingluo.

tang yu sent tang xin to the car and gave the driver some instructions before closing the door for her.

he watched the car drive away from his sight before he got into his own car.

he reached out and put tang xin's hair into a transparent plastic bag. there were two other bags there, and inside were pei qiqi's kasaya and his own!

tang yu looked at it for a long time before he started the car.

The White sports car drove into a private hospital. He got out of the car and walked to the second floor of a small building.

The doctor received him. It was president he.

"mr. tang." dean he broke out in a cold sweat. he didn't know why tang yu was here.

"I need to do a few DNA comparison." Tang Yu said lightly.

DNA?

the dean was a little surprised. he looked at tang yu with a meaningful gaze ...

Could it be that a woman was pregnant with Mr. Tang's child, and now Mr. Tang was confused?

Tang Yu only glanced at her and Dean he didn't dare to say anything else. He took the three bags and labeled them with numbers.

"don't get it wrong!" Tang Yu sat on the sofa, " how long will it take? "

Dean he looked at Tang Yu, " all three? "

Tang Yu looked at him indifferently, " how long will it take? "

"Normally, it would take a week! However, three days will be enough for Mr. Tang's matter." dean he wiped his sweat.

Tang mo pursed his lips.

"mr. tang, i really can't give you any less. I also want to be faster." the director broke out in a cold sweat.

Tang Yu looked at him for a long time before saying, " okay then, three days it is.

after he finished speaking, he paused for a moment, but he did not have any intention of leaving.

dean he was stunned for a moment, and then immediately said, " don't worry, mr. tang. there is absolutely no second person who knows about this. "

tang yu didn't say anything and walked out of the building.

When he returned to the Rose Garden, PEI Qiqi was still there because Tang Xin was pestering her.

## Chapter 370 Testing her DNA (part four)

Tang Yu got out of the car and closed the door. He saw Tang Xin and PEI Qiqi sitting on the sofa and seemed to be reading a magazine.

their faces were so close to each other that he could easily compare their looks.

in the past, how could he not notice that tang xin and pei qiqi's faces were similar to a certain extent?

However, even now, he still didn't think PEI Qiqi and Zhao Ke looked alike.

The face came from the heart, and Zhao Ke's face had long been desired. how could the beauty of wang, qiqi, and tang xin be the same?

as for tang xin, even if she had a mother like zhao ke, she had been sick since she was young and she was his biological sister, so tang yu never had any other thoughts about her.

of course, he did love her, but he also kept some of his feelings.

pei qiqi wanted to say if she was zhao ke's daughter!

Tang Yu let out a long breath. He still hadn't thought about Yingluo.

He clearly remembered that year when he lay beside his mother and reached out to touch her lower abdomen.

lin yun said gently. it should be a little baby girl.

From then on, he knew that he would have a younger sister, until one day, he saw his mother covered in blood.

his sister had lost yingluo.

Later, Zhao Ke gave birth to Tang Xin. He actually hated the child, but he couldn't bear to see Tang Xin as weak as a little mouse.

His feelings towards Qiqi were more complicated than Tang Xin's.

this wasn't just a matter of whether he loved her or not. he was going to marry her and even spend every day with his mother.

She closed her eyes to hide the complicated look in her eyes.

PEI Qiqi raised her head and saw Tang Yu. Her body froze.

Tang Xin looked at her and whispered, " Qiqi, are you afraid of your brother? "

pei qiqi pursed her lips, " i'm not. "

"If you don't, why don't you dare to look at your brother?" Tang Xin raised her eyebrows, a little naughty.

PEI Qiqi glared at her and stood up, " I'll go back first.

she was wearing the clothes that tang yu had prepared for her. she stood up and wanted to leave.

Tang Xin wanted to keep him, but seeing that her brother didn't speak, she didn't dare to say anything.

when pei qiqi walked past tang yu, he suddenly reached out to stop her.

She looked up and silently watched him in a daze.

Last night's events were like fireworks in the middle of the night, fleeting. She did not forget that their current relationship was not that close.

"I'll send you back." he did not forget that she did not bring any money with her and her bag was left in the hotel.

PEI Qiqi didn't reject him, " take me to Xiaowen's place. I'll get my keys.

Tang Yu turned around and walked out. PEI Qiqi followed behind him in a daze.

tang xin looked at it eagerly and her eyes were hot. what was going on? why did he just leave her here?

Tang Yu drove the same car as last night. PEI Qiqi sat down and didn't make a sound.

When she woke up in the morning, he was no longer in bed, and Tang Xin came in a while.

she had wanted to leave a long time ago, but tang xin kept pestering her.

at this time, she was sitting beside him and felt that he was exuding a cold aura. he was a completely different person from the man who had crazily taken her last night.

"The address." He held the steering wheel and said coldly.

PEI Qiqi turned her face, " 21 Huanghai road.

he didn't make a sound as he started the car. the car was driving very fast and pei qiqi's face slowly turned pale.

she had slept late last night and was a little carsick. she felt terrible and clenched the handrail above her tightly.

Probably sensing that something was wrong with her, he finally slowed down the car but did not stop.

"why not?" He asked indifferently.
