### Chapter 3611: Let's divorce first (1)

his fingers caressed her arm. "you seem to be trembling? It's good that you're afraid. Stay away from me."

as he spoke, he stood up and stuffed the red wine into her hand. "It almost shattered. in the future, don't easily dress like this to attract men. men are not as easy to provoke as you think."

After that, she picked up a bottle of red wine and left without looking back.

Wen Yuan was still lying on the sofa with his eyes half-closed and his heart was still beating rapidly.

she remembered how excited he was just now.

could he be excited when he was facing his 'sister-in-law'?

...

he always said that she seduced him, but in fact, he was the one who was so excited that he couldn't wait to do it. of course, there was indeed such a thing as her seducing him.

Wen Yuan stood up and walked upstairs with the red wine. As soon as he went upstairs, he saw ye Mulin leaning against the corridor with a faint smile on his face. he doesn't look too good.

as he spoke, he took out a thick sleeping robe for her to put on.

Wen Yuan tied it up quietly and followed him to the study room upstairs. Ye Mulin sat behind the desk out of habit. Wen Yuan, I have something to discuss with you.

Wen Yuan hummed in acknowledgment and sat down on the sofa. me too.

they looked at each other, but she still let him speak first.

ye mulin pondered for a moment and took out a document. "wen yuan, i heard from mubai that he saw shirley. now that mubai is back, let's get a divorce so that qianqian can pursue her own happiness without being bound by the law."

wen yuan had no objections at all. she flipped open the document and was about to sign it, but before she signed it, she saw the words on it and was stunned."Mulin?"

he had actually given her 50 million.

ye mulin smiled. "i've arranged for you to go south to study in the United States. it's in new York. you can go there and accompany me. also, i'll ask mubai to take care of you."

"Remember, don't tell him that we're divorced. Otherwise, he won't let you get close to him." He looked at her.

Wen Yuan's expression was a little blank.

ye mulin laughed. "make him unable to bear the fact that he slept with you. make him take responsibility and ask him to divorce you."

wen yuan felt that they had been in a fake marriage for quite some time, but she did not seem to understand him very well. how did he become that man with such values? she had seen the news about him. he was an outstanding man when he went out. even when she lived with him, she also felt that ye mulin was quite noble. however, now, qianqian felt that it was hard to explain in a few words.

Wen Yuan did not reject his good intentions because ye Mu Lin said, "Wen Yuan, xiangnan is my nephew. You're my sister-in-law. Even if you're not, you're still my younger sister. It's easy to raise you two. Don't play the zither for others in the future. You're better than her."

Wen Yuan was touched. She had never thought that ye Mulin would think this way. He had always been calm. Now that she thought about it, he had indeed taken care of her a lot. He had always given her face when she was thinking about Nan and the Wen family. This time, he said that he would not announce the divorce probably because he wanted to protect her.

wen yuan looked at him and ye mulin laughed. ” i didn’t do it for you. i did it for myself. ”

wen yuan’s face was sullen.

He continued, ” I’ve prepared an apartment for you in new York. It’s not big, with two bedrooms and one living room, but the location is especially good and safe. It’s suitable for Cheng Yingluo. I’ll visit you when I’m free.

“thank you,” wen yuan pursed his lips and looked down.

## Chapter 3612: let’s get a divorce 2

Ye Mulin smiled. what are you thanking me for? Xiangnan is Mubai’s child. I can’t let him call me ‘father’ for the rest of my life. Besides, I still have to chase my wife. It’s hard just thinking about it.  
”

“Are you going to look for her?” Wen Yuan looked at him.

“it’s up to her. i’ll wait for her to come back.” ye mulin took a puff of his cigarette and smiled.

With his current status, he could not just go around looking for a woman. Besides, he had to address Wen Yuan as his wife to the public.

He couldn’t live without a wife. He felt a little sad when he thought about it, but at the same time, he was a little angry with her. Half of it was because of the people around him, and the other half was because of anger. He just waited here for her to come back and beg him.

Wen Yuan probably knew what he was thinking. He smiled and said, ” can you wait? ”

...

she paused for a moment and said something that hurt her heart, ” “Mu Lin, you should be forty this year, right?”

ye mulin snorted coldly. ” so what if she’s 40? bai suili is already in her early 30s. ”

“So, don’t let her wait too long,” Wen Yuan sighed.

“she’s the one who made me wait for too long.” ye mu lin rolled his eyes.

wen yuan smiled and signed.

Ye Mulin kept it and planned to get Secretary li to handle it tomorrow.

After keeping the documents, he looked at her. go to sleep. I’ll sleep here.

Wen Yuan nodded and walked out.

ye mulin was alone in the study. he didn’t go to sleep immediately. instead, he took out his phone and opened the photo album. he found bai sulli’s photos.

He was thinking about mu Bai’s words. It was a child, two or three years old. He was sure that it was his child.

it had been a few months since her father came out. he stood so tall and so conspicuous. why hadn’t she come back? why didn’t she want to return to his side?

ye mulin lowered his eyes and revealed a bitter smile.

.....

he got up early in the morning, tidied up the study on the second floor, and went to the master bedroom to change his clothes. then he kissed xiang nan and said, ” “uncle has to go to work.”

xiangnan was still under the blanket. she stretched out her thin arms to hug him.”Goodbye, uncle.”

Ye Mulin smiled and kissed him again before walking out.

when she reached downstairs, she saw that ye mu bai was already there. ye mu lin smiled. ” “Did you sleep well last night?”

Ye mu Bai leaned against the back of the chair and casually flipped through the newspaper. “it’s pretty good.”

“sister-in-law, do you still want to go south?” he looked up and smiled.

ye mulin only answered him after he sat down. I slept late last night and Wen Yuan was still asleep. Her class only starts at ten O ‘clock, so I decided to sleep a little longer. I want Nan to be happy too.

“do you want nan to sleep with you?” ye mu bai seemed to have asked casually.

“Yes.” Ye Mu Lin casually replied.

Ye mu Bai was silent for a while before he spoke. “Won’t this affect Yingluo’s and her husband’s life?”

ye mu lin almost spat out the milk he was drinking. he looked at ye mu bai with a complicated expression.

After a long time, he slowly said,”we will all wait until we fall asleep, Yingluo.”

After that, he didn’t want to say anything more. The atmosphere was a little strange.

Fortunately, ye Mulin did not seem to mind. He quickly finished his breakfast and went to work. They had agreed to have a family reunion at six in the evening.

Ye mu Bai watched as he got into the car and left. Then, he retracted his gaze and looked at the morning newspaper.

it was a report on lin xueyi's concert last night. however, the headline photo was a picture of ye mulin and wen yuan walking out together.

Ye Mulin placed his hand on Wen Yuan's waist. They looked very compatible.

Ye mu Bai's gaze suddenly shifted to the stairs. Wen Yuan was carrying ye xiangnan down the stairs.

### Chapter 3613: Let's get a divorce 3

she was wearing a plain dress today, and her long hair was tied into a simple braid. she looked very gentle, completely different from the sexiness she had last night.

He stared at her and watched as she held the child in her arms and wanted him to sit down. She even smiled at him.

after that, she began to teach xiang nan how to eat by himself. xiang nan was very obedient and his personality was similar to wen yuan's, at least on the surface.

he felt that the one last night was the real wen yuan.

She was a woman who needed a man and had a strong sexual desire.

As he thought of this, there was a little disdain in his eyes. Of course, Wen Yuan did not notice that she only cared about her son, spoke to xiangnan in a soft voice, and took care of him until breakfast was over.

...

"miss nan, mom has to go to work. you have to be good at home," she said softly.

Xiang Nan nodded and looked at ye mu Bai. “can i be with uncle?”

Wen Yuan was a little embarrassed. He reached out and touched his little head, whispering, ” “xiangnan, uncle has something to do.”

xiang nan was a little disappointed, but ye mu bai calmly said, ” “i’ll take care of him. i don’t have anything to do these two days anyway.”

wen yuan thought for a while and refused, ” “You should be accompanying miss Lin.”

Ye mu Bai looked at her with a mocking gaze. “are you being sincere last night?”

“I was wrong about you last night. I thought you were my husband.” wen yuan said quickly and anxiously. he then lowered his head and said, ” ” it’s all a misunderstanding. don’t mention it again. also, my relationship with mulin is very good. i don’t want it to be affected. ”

Ye mu Bai stared at her and lowered his voice.”Do you dare to say you love him? you still dare to hook up with other people when you love him?”

“I love him.” Wen Yuan bit his lip.

As she spoke, she looked at him anxiously. I have to go to work. There are servants at home. If you want to go out, you can leave xiangnan to them.

After she finished speaking, Wuwu went upstairs to grab her bag and then drove off.

Ye mu Bai kept looking at her.

“uncle, do you like mommy?” she asked, hugging his leg.

ye mu bai lowered his head and pinched the little thing’s face. ” nonsense. uncle has a girlfriend. ” That’s why your mom and dad like each other.”

xiang nan thought for a while and said seriously, "then, does uncle like aunt lin?" I don't think she's as pretty as her mother."

then, she complained, " your breasts are so small. "

Ye mu Bai was stunned for a moment. Actually, he had never paid much attention to Lin Xueyi's breasts. He had never measured them before. However, he thought that Nan was so young. How did he know about this?

He stared at Xiang Nan and Xiang Nan stuck out his tongue, "it's on TV!" they say men like xiongnu."

the scene of him pressing her down on the sofa last night suddenly appeared before ye mu bai's eyes.

At that time, he was close to her. He didn't know about other things, but he was really big.

he couldn't help but lick his lower lip. "ye xiang nan, you're not allowed to say that in the future."

Xiangnan looked at him and said, " Oh, " "uncle, does your name mean 'night from tonight to white'?"

Ye mu Bai smiled. what about you? do you want to go south? "

ye xiangnan tilted his head. " mom said that the place she yearns for the most is yunnan. that's why i'm called ye xiangnan. "

yun nan xi xi's ye mubai's mind buzzed for a moment, and he had an indescribable feeling.

after that period of time passed, he coughed lightly. " "That's where your parents had their honeymoon? it's really quite unique."

xiang nan glanced at him and said faintly, "it's where my mother accidentally lost a man she used to like."

Ye mu Bai was surprised.

was wen yuan being too straightforward? he had actually used his son's name to express his longing for another man. did his elder brother not mind?

Xiang Nan smiled. daddy doesn't mind. He said that he's the one with mommy now and he doesn't care about anything else.

Ye mu Bai only smiled, but his impression of Wen Yuan had worsened.

it turned out that she was not only infatuated with him. she was like this to many people.

He felt extremely uncomfortable in his heart. He told himself that this was his contempt for this woman and there was absolutely no other reason. However, he also vaguely knew that it was not as simple as contempt for her.

this woman was really good at seducing people. even a cold person like him was tempted by her.

Chapter 3614: let's get a divorce (4)

ye mu bai had brought ye xiang nan to the villa for a day and did not go anywhere. of course, lin xueyi had called him to hint that she wanted to come over.

with ye mu bai's family background, of course, she would try her best to curry favor with him. however, ye mu bai rejected her indifferently.

he put away the phone and looked to the south.

Xiang Nan had a maturity that shouldn't be present at his age."Haha, uncle, I told you that you don't like aunt Lin that much," he laughed dryly.

Ye mu Bai squatted down and looked at Xiang Nan. "Then what kind of woman do you think is suitable for uncle?"

xiang nan thought about it carefully and said, "i think mom is good."

...

"your mother has your father now?" ye mu bai laughed drily.

"Anyway, mom is the best," Xiang Nan said stubbornly.

Ye mu Bai thought to himself, 'Wen Yuan is not a good woman, but the child loves her very much. Moreover, he also likes to miss Nan.' He reached out and patted the little fellow's head. "if you want to go to United States in the future, come to uncle's place. uncle will take you there to play."

xiangnan looked at him and then whispered, " "Really? mom told me that she might be going to study for a year, so i'll go with her. she wants me to study there for a year."

"Really?" ye mu Bai frowned.

Xiang Nan nodded hard.

His expression turned serious. He felt that Wen Yuan's decision was a little too selfish. How old was Nan when he had to follow her to the United States? she only cared about herself.

He felt the need to suggest to his big brother that loving his wife was one thing, but there should be a limit.

just like that, the day passed. at six o'clock in the evening, hao yun brought su fu over. ye mulin had said that ye mubai did not feel anything after staying abroad for a long time. su fu, on the other hand, looked at him, feeling both sad and happy for a long time.

it was the same for ye zhenggang. he was probably old and had been sad for a long time. however, men could always control themselves.

two to three years had passed, but ye zhenggang still did not treat hao yun well. he did not look for another woman and retired. he was no longer interested in women and only stayed at home to tend

to his flowers and plants. sometimes, wen yuan would send his longing to the south for him to relieve his boredom.

However, ye zhenggang would still miss su Fu, as he was still living in that old house.

He was the only one living in the old mansion, and there were only servants left.

He was very lonely. Sometimes, when he fell asleep, he would dream. He always felt that this house was the same as before. There was su Fu, mu Bai and Mu Lin, and even that little girl Bai Xuli was dreaming. He wondered if he could Protect This House if he could do it again.

he thought that if he regretted it, he would.

If he didn't destroy the Bai family, Bai Xuli, that good-for-nothing girl, wouldn't leave, Mu Lin wouldn't alienate him, and su Fu wouldn't leave him for that bastard Hao Yun.

With this thought, he woke up alone. He really wanted to continue sleeping like this and never wake up. He didn't know what meaning there was in living.

Really, there was no meaning at all.

at this moment, ye zhenggang looked at his ex-wife who was on hao yun's shoulder and comforted her softly.

He hated it!

He hated it!

he wanted to comfort su fu on behalf of hao yun. su fu was clearly his, so what right did hao yun, that old thing, have to touch him?

Just thinking about how Hao Yun, that old thing, coaxed su Fu on the bed every day and night, just to possess su Fu, ye zhenggang was so sad that he almost died. He teased his su Fu for being so beautiful.

## Chapter 3615: Let's get a divorce (5)

But now, he could only look on helplessly, unable to do anything.

Moreover, he found that su Fu had become more beautiful. Although he had maintained himself well when he was with him, he was still over fifty years old. But after being with Hao Yun, he seemed to have become younger. His face was ruddy and radiant like a woman in her forties, and he was very well nourished.

he could only watch as he aged while su fu became younger and younger.

he was looking at her like this, but she was completely unaware. she only had hao yun in her eyes, just like how she only had him in her eyes in the past. hao yun had nothing to do with her in the past.

just as ye zhenggang was feeling unhappy, ye mulin returned with wen yuan.

He walked side by side with Wen Yuan as they spoke. His expression was very gentle. Wen Yuan smiled and reached out to hold his arm gently, but he immediately let go.

...

Su Fu knew what was wrong with Xiang Nan. He also knew that eldest brother and Wen Yuan's marriage was fake. He did not understand what was going on when he saw them putting on an act. However, when she found out that mu Bai had a girlfriend, she understood everything.

Thus, su Fu did not make a sound.

ye mulin walked into the living room and patted wen yuan's hand. " go and have a chat with mom. "

wen yuan hummed in acknowledgment and put his coat away before talking to su fu.

ye mu bai had been staring at her ever since she came in. he had a thoughtful expression on his face.

He really couldn't figure out this woman now. With his big brother, he really felt that no woman would dare to marry him and still have the heart and strength to develop their relationship. His big brother had power, money, and a good body. He could satisfy all women in all aspects.

Wen Yuan, what kind of woman was she?

One thing was for sure, he did not like Wen Yuan very much.

He was only secretly observing her.

However, Wen Yuan only spoke to su Fu for a short while before he went to the kitchen. Although there were always servants at home to cook, as the mistress of the house, she still had to take care of it. She would also make one or two dishes when necessary. Xiang Nan liked the dishes she made, so Wen Yuan often cooked. Ye Mulin had never objected to this. He was also an old-fashioned man and his living habits were still in the old mansion. He and Wen Yuan lived together, which meant that they lived together. In fact, there were not many interactions and conflicts. Perhaps Wen Yuan was similar to ye Mulin in some ways.

After Wen Yuan left, ye mu Bai immediately retracted his gaze. However, ye Mu Lin continued to stare at him indifferently.

ye mu bai knew nothing about this.

After a while, the tea was finished. There were no servants here, so ye mu Bai went to the kitchen to get some water.

he saw wen yuan.

wen yuan was standing in front of the kitchen counter with two servants beside him, watching her cut the vegetables.

wen yuan was wearing an apron and his long hair was tied up and placed in front of his chest, revealing a fair neck. it was very tender and beautiful.

ye mu bai walked over and stood beside her. ” you know how to cook? ”

The hot air that he breathed out as he spoke fell on her soft neck. Wen Yuan trembled and turned to look at him with a surprised expression.

ye mu bai looked at her and curled his lips slightly. she did not know what he meant by that smile, so she continued to cut her vegetables and said in; low voice; ” “Xiangnan is still young, he’s a bit picky with his words.”

“I couldn’t tell that you were a good mother.” ye mu bai’s words were filled with mockery.”but don’t you think it’s a little cruel to send such a young child abroad?”

Chapter 3616: Let’s get a divorce first 6

as wen yuan was cutting the vegetables, his hand movements slowed down and her voice became clear. ” “Did Xiang Nan tell you?”

Ye mu Bai did not reply. She continued to cut the vegetables and said, ” “I’ve discussed this with Mu Lin.”

“Don’t you think you’re being too selfish? For your dream?” ” your dream is to play the piano well and then play it for someone else, ” he said sarcastically. ” do you think two million yuan is enough to dismiss you? ”

Wen Yuan’s face was a little pale. She turned around and looked at ye mu Bai.”what do you mean by that?”

At this moment, the servants in the kitchen saw that the situation was not right-

There was a lot of tension between second young master and Madam, and there was also some unspeakable ambiguity between them. Would the brother-in-law and sister-in-law of ordinary families speak like this? It didn’t seem like it. It definitely wouldn’t.

...

madam looks like a decent person, so the indecent one must be second young master, yingluo.

There were only the two of them in the kitchen, so there was no need to stand on ceremony.

“if you’re short of money and it’s not convenient for you to tell my brother, i can give you some,”  
ye mu bai said in a soft voice.

When he spoke, he was very close to her. His hot breath blew on her skin. Then, he saw that the skin around her ear bone was slightly red. Ye mu Bai was not a man who was very lustful. He could usually reject women who sent themselves to his door. He had never even had sex with Lin Xueyi.

However, when he saw the sanctimonious woman blushing, he couldn’t help but reach out and gently touch her earlobe.

As soon as he touched her, her body trembled. Wen Yuan lowered his head and cut the vegetables. His voice was very low and a little hoarse. ” why are you giving me money? ye mubai is the wanwan you told me to stay away from you. are you buying me with money? do you want me to sleep with you? do you want to sleep with big brother’s wife? ”

she said it naturally and then looked up at him, her eyes penetrating his heart.

Ye mu Bai immediately grabbed her wrist and narrowed his eyes.”is this another trick you used to seduce me?”

Wen Yuan bit his lips. let go of me. I’m your sister-in-law.

not only did he not let her go, but he also pulled her into his arms. they were in the kitchen, and there were many people coming and going. if they were not careful, they would be seen. he must be crazy.

Ye mu Bai lowered his head, and his lips were very close to hers. He said in a low and hoarse voice,  
” “Which woman would say such things to little uncle? or did you want to do it with me from the beginning? if my big brother can’t satisfy you, you can only endure it. If I find out that you’re fooling around outside, I’ll kill you.”

As he spoke, he released her and said in a cold voice, " "You're So Vain that you're not worthy of my big brother."

wen yuan looked at him. " ye mu bai, " he suddenly said, " this is who you are! "

He was stunned for a moment.

Wen Yuan lowered his head. His fingers trembled as he continued cutting the vegetables, as if nothing had happened.

As the mistress of the house, as the daughter-in-law of the ye family, she could only swallow the matter just now. If things got out of hand, she would be the only one who would be embarrassed.

Ye mu Bai took a cup and poured some water. He was about to turn around when ye Mu Lin's voice came from behind him."what kind of dishes have you prepared? xiangnan asked me to take a look."

Wen Yuan's body stiffened for a moment and he felt a little uncomfortable. He had no morals at all because there was nothing going on between her and Ye Cao and Mu Lin. However, ye mu Bai was different. He had hugged sister-in-law just now. Did yang see that?

as ye mulin spoke, he had already stepped in. he stood behind wen yuan and peeked his head out in a daze.

Chapter 3617: Let's get a divorce first 7

Ye Mulin was very close to Wen Yuan. He even held her waist with one hand. don't cook too many dishes. Don't work too hard.

wen yuan was not used to ye mu lin being so close to her. her body was trembling instinctively. however, ye mu bai thought that she was guilty.

Ye Mu Lin immediately let go of Wen Yuan and spoke to ye mu Bai as if nothing had happened.

ye mu bai felt that he should stay away from wen yuan. at the very least, he should not be too close to her. she was too dangerous.

on the way back to the hall, he said to ye mulin,"i heard from xiangnan that wen yuan will be going to new York to study music for a year or two."

Ye Mu Lin passed a cigarette to ye mu Bai and smiled."Yes, I have to support Wen Yuan's hobby."

...

"Then you're not worried?" ye mu Bai blurted out.

Ye Mulin did not seem to understand his true intentions. He took a puff of his cigarette and said, what's there to worry about? Wen Yuan can take good care of xiangnan. Besides, it's better for xiangnan to be with him. I'm too busy to take care of her.

Ye mu Bai coughed lightly. aren't you afraid that she'll waste her time in United States? after all, she's only in her early 30s.

This time, ye Mu Lin understood and frowned. "Wen Yuan is a good woman."

brother! ye mu Bai clenched his fists tightly. yang, if you can, please don't be so busy!

at this time, ye mu bai patted his shoulder and said something that would make ye mu bai go berserk in the future. " Wen Yuan and I have no problems with our married life. There's nothing wrong with my body either.

Her words were very straightforward. Ye mu Bai couldn't possibly say that his sister-in-law seduced him. In fact, he wasn't any better. He had actually seduced Wanwan.

Ye Mulin continued. Wen Yuan and xiangnan have gone to new York. You have to take care of them. After all, xiangnan is still young.

Ye mu Bai only nodded his head after a while. He was cursing in his heart and was very resistant.

he even felt that this was wen yuan's scheme to get close to him on purpose.

He was thinking, she wanted him to take care of her, and then take care of her on his bed? what was she up to?

At this moment, he did not realize that whenever he thought of Wen Yuan, he would think of getting into bed and making love. He was clearly the one with impure thoughts.

Ye Mubai and ye Mulin returned to the living room. They would be eating in about half an hour. Wen Yuan made two dishes, both of which were nantagoons. However, ye Mulin still tried them. Her cooking skills were not bad, so he took a few more glances at her.

He also saw the wound on her finger. It had not been bandaged and was a little prickly.

He remembered that her hand was also playing the zither. He remembered that Lin Xueyi loved her hand to the extreme, but Wen Yuan's hand was used to pick up the vegetable knife, as if he did not care at all.

wasn't playing the piano her dream? was her dream to be a gunner?

he despised her in his heart.

at this moment, ye mulin held wen yuan's hand and said in a low voice, " " you hurt your hand. i'll go upstairs and help you bandage it. "

"no need," wen yuan looked up.

Ye Mulin looked at her. His dark eyes were silent and oppressive.

Wen Yuan still followed him upstairs. At this moment, su fushen assisted, " "Mu Lin and Wen Yuan are so loving."

"Did I not treat you well?" Hao Yun passed her a piece of fish.

his cooking skills were originally average, but now he could win a grand prize. su fu's good complexion was all thanks to him. with his company, she was really getting younger and younger. he was also willing to pamper her to the heavens.

## Chapter 3618: let's get a divorce first 8

As for whether she had a child or not, Hao Yun really did not care. In fact, she did not even want to have one.

In reality, su Fu was not young anymore. If he gave birth, he would face aging, his physical fitness would decline, and he would not have time to enjoy life. He did not care if she was old or ugly, but he wanted his su Fu to be happy for the rest of his life, not to carry on the Hao family's bloodline.

All he wanted was su Fu, not a child-bearing Tool.

su fu understood this, so after her menopause, she did not force herself to take care of her body and just let nature take its course.

Things between the couple had always been good, and it did not decrease because of her health. It was probably because Hao Yun was gentle enough to her. It was wonderful every time, and she felt like she was being cherished.

of course, other than the fact that he would inevitably be a little rough after drinking, she didn't hate it. she felt that he made her want to hug him more at that time, but she never said that it was good. otherwise, he would always want to drink.

...

upstairs, ye mulin closed the door of the study room and brought wen yuan the first aid kit. as he bandaged her wound, he asked, "What's going on?"

because of the pain, wen yuan sniffed softly and said, "He said I seduced him."

“Do you have any?” ye Mulin smiled.

“there is.” Wen Yuan told the truth and then could not help but sigh, ” “mubai has changed a lot. he wasn’t like this before.”

In the past, mu Bai had always been gentle, but now he was very resistant to her, and even a little disgusted.

She thought to herself that perhaps it was because he subconsciously rejected her as a person. He didn’t forget it all. His consciousness resisted her existence because she had used some means to get pregnant. When he found out that she had broken the condom, they parted on bad terms. That morning, they had an intense argument.

after that, he went to yunnan. when she found out that she was pregnant and wanted to find him, she could no longer find him.

He had forgotten her. He had forgotten everything. He had accepted his family, but he had resisted her.

Wen Yuan was a meticulous woman. She could sense this. Hence, she would not reveal her cards to him easily. Furthermore, he had Lin Xueyi by his side.

she was willing to take a gamble.

she raised her eyes and looked at ye mulin.”Mu Lin, you should go find Bai Xue Li, don’t let her wait too long, because the feeling of waiting is really not good.”

after ye mulin finished bandaging her wound, he smiled.”she’ll come back eventually,”

The one from the Bai family had returned, and she couldn’t possibly stay away from home forever.

he did not intend to forgive her easily for leaving without saying goodbye. at the very least, he would give her a good beating.

“When are you leaving?” he smiled and looked at Wen Yuan.

Wen Yuan turned his face away and looked out of the window. He then said softly, “ye Mu Lin, perhaps you’re right. My life shouldn’t just be ye mu Bai. I should also make plans for myself and Xiang Nan.

She smiled. I want him. If he doesn’t love me, I don’t think I’ll want him either.

It was because his cold words made her realize that they could not just roll around in bed. Just like in the past, when she did it with him, the gentle and kind ye mu Bai had never thought of marrying her.

In his heart, there would always be a little fairy called Lin sisi.

That was why his current girlfriend’s surname was also Lin!

This was probably his subconscious choice. Actually, Wen Yuan would rather that person be Lin sisi. That way, at least he would be happy and she would also give up.

Chapter 3619: don’t let your own fertile water flow into others ‘fields 1

Ye Mulin patted Wen Yuan’s shoulder and consoled him, “ “You have a child with him. You’re Wen Yuan. If you can handle him in the past, you can do it in the future. I believe you.”

As for Lin sisi, mu Bai would not stand a chance. Lin sisi and Gu ze had been together for so many years, but they had not completely broken up. It was impossible to say that they did not have any feelings for each other.

wen yuan smiled faintly and moved his hands. ” the dressing is good. ”

“It’s alright.” Ye Mu Lin smiled.

when they went downstairs, one after the other, they looked like a loving couple.

Ye mu Bai sat there and stared at them from the moment they went downstairs. His expression was a little profound.

...

Ye Mulin pretended that he did not see her. He helped Wen Yuan to his seat and even served her some food. your hand is injured.

wen yuan smiled slightly.

Ye mu Bai furrowed his brows.

after the meal, they chatted for a long time. su fu wanted ye mu bai to stay at her place for a few days, but ye mu bai said indifferently, "Mom, I have to go back to new York tomorrow."

su fu's face was instantly filled with disappointment. she was originally very beautiful and would make men's hearts ache when she was unhappy. it was not just hao yun, but ye zhenggang as well.

hao yun was gentle as she consoled her wife. "Su Fu, Mubai will come back in the future. It's not like we can't see him anymore. Children have their own lives."

"you can't understand my feelings," su fu patted his hand.

Hao Yun smiled bitterly.

ye zhenggang was a little excited. that's right, mu bai was his and su fu's son and had nothing to do with hao yun. of course, he couldn't understand the feelings of being a parent. hence, he pretended to say, "that's right, hao yun, you never had a child, so you can't understand su fu and my feelings."

However, su Fu didn't buy it. He glanced at him and coldly said, "i wonder who forced him to study directing. otherwise, he wouldn't have fallen so hard that even his parents couldn't recognize him. "

su fu was still sad. after all, she had experienced the pain of losing her beloved son and needed mu bai by her side now.

Ye mu Bai had forgotten about it. However, he still softened his heart and lowered his voice when his beautiful and weak mother was pleading with him. alright, I'll stay for two more days. but i won't disturb you and uncle hao. you can stay here."

su fu felt a little sad again. ye mu bai took a deep breath and changed his words."If you're not afraid of me disturbing you."

it's fine. I'm working during the day. Your mother will be bored at home. Hao Yun said gently.

This matter was settled. At ten O 'clock in the evening, ye Mulin and Wen Yuan stood side by side to see the guests off.

Hao Yun drove while su Fu pulled ye Mubai into the back seat. Ye zhenggang was the only one standing there, not knowing what to do. It was lonely without home.

he watched as su fu and mu bai left. he wanted to grab them, but he could only hold onto the air.

he only sighed when the car was out of sight. Mulin, I was wrong, wasn't I? your mother now treats me like air and doesn't even bother with me.

Ye Mu Lin smiled very indifferently. perhaps.

his eyes met his father's. one was in his twilight years, while the other was like the sun in the sky.

ye zhenggang looked at his eldest son. he could vaguely see how he looked like back then, high-spirited and vigorous. mu lin was still young, not even 40 years old yet. he still had endless possibilities. thinking about this, he felt that he was not in the wrong.

However, upon closer inspection, he felt that Mu Lin was a little different from himself.

“mulin, are you happy? is it tiring to be in this position?” he asked in a low voice.

I'm tired. ye Mu Lin exhaled and looked at Wen Yuan. His voice was gentle. “Take xiangnan back first. It's getting late and xiangnan needs to sleep.”

wen yuan nodded his head and smiled at ye zhenggang, ” “Miss Nan, say good night to Grandpa.”

thinking of nan xiaoxiao, she went over to hug ye zhenggang. ye zhenggang's cold heart finally warmed up. he kissed his eldest grandson and said, ” “Miss Nan, go and sleep.”

he looked at xiangnan, and the more he looked at him, the more he looked like the young mu lin, who would definitely have a great future.

As he thought about this, ye zhenggang's expression became gentler. Wen Yuan smiled and carried xiangnan into the main residence.

...

only ye zhenggang and ye mulin were left at the parking lot in front of the gate. ye zhenggang was about to leave, but seeing that his son seemed to have something to say, he didn't.

ye mulin took out a cigarette and lit one for each of them. this made the old man feel a little overwhelmed by the favor. however, this kind of favor was not a good thing. as he smoked, he asked carefully, ”Mu Lin, you're not telling me that you don't want to work here anymore, right?”

“what do you not want?” ye mu lin turned his head and asked him with a faint smile. ”I don't really like it, but I also know that you can't just step down from this position whenever you want.”

he puffed out clouds of smoke and said in a faint voice, ” father, you know in your heart how many people I have to step on to get to this position. How many people will hate me and the ye family to the core? they'll even involve the Wen family and uncle Hao's family in this. Do you think I can get out of this unscathed? ”

“dad knows the pressure,” ye zhenggang patted his shoulder.

Ye Mulin stared at him with a deep gaze. He suddenly said, ” dad, Shirley’s pregnant. It should be mine.

ye zhenggang was shocked. it had been so long, why was bai suili mentioned again? and a child?

no matter what you think, ” he said without thinking, ” you’re not allowed to think about divorcing Wen Yuan. Xiangnan is so cute. She looks just like you when you were young.

“xiang nan is mu bai’s child.” Ye Mu Lin’s tone was indifferent.

ye zhenggang almost choked on the smoke. ” what did you say? ”

” wen yuan and i are only in name. before we got married, wen yuan was already pregnant with mubai’s child. it’s just that mubai didn’t know about it. he doesn’t even remember what happened between him and wen yuan now. and qianqian. ” Wen Yuan and I have already divorced. Secretary li just completed the procedures.

Ye zhenggang’s hand stopped in mid-air as he held the cigarette between his fingers. He didn’t come back to his senses for a long time.

“Ye Mulin, you bastard,” he suddenly said after a long time.

” what else can we do? let wen yuan marry someone else with mubai’s child? ” Ye Mulin sneered. she has always liked Mubai. She will marry Mubai in the future. I’m just telling you the truth.

ye zhenggang was really angry, and he couldn’t help but say, ” “you’re doing this for bai sulli, aren’t you? you don’t care about anything else for her.”

ye mulin did not deny it. ” that’s right. i did it for her. so, dad, this is the best outcome. ”

“Have you thought of the consequences of divorcing Wen Yuan?” ye zhenggang gritted his teeth.

” wen yuan is still the daughter-in-law of the ye family. the wen family will consider it. however, isn’t it good for zhenzhen to marry mubai again? we should keep the goodies within the family. the wen family’s connections are still in the ye family, aren’t they? ” he said that on purpose to anger ye zhenggang to death.
