

Thank you 3621

Chapter 3621: bai sulli, whose child is it? 1

the information that ye zheng had just received was too much for him to digest. he shook his head and sighed. ” mulin, you’ve grown up now. ”

he didn’t know what to say and finally sighed. ” “you still want to be with bai sulli, which means you hate me.”

Ye Mu Lin’s voice was suppressed. ” dad, this has nothing to do with me hating you. i just can’t control myself from loving her, just like you did to mom. ”

ye zhenggang glared at his son for a long time before he spoke softly, ” “have you ever thought that bai sulli might have a su fu by her side? maybe that child is not yours but someone else’s.”

“Even if it’s someone else’s, I’ll still snatch her over and make her my own.” ye mulin’s tone was extremely calm. he looked at ye zhenggang and said softly, ” dad, the only difference between you and me is that I put Shirley first, while you always put power first.

ye zhenggang’s face seemed to have aged a lot in the dark.

...

He took a long drag on his cigarette and said in a low voice, ” Mulin, do as you see fit.

As he spoke, he patted ye Mulin’s shoulder and smiled bitterly. ” sometimes, when i see you being so successful, i feel proud. but when i see you behind the scenes and your mother, i feel like a failure. ”

ye zhenggang’s voice was a little choked up, and he couldn’t continue. he closed his eyes and said, ” mulin, i’ll go back first. ”

He actually didn’t dare to face his failure. What a joke. A person like him, ye zhenggang, was actually a loser in the end. He had nothing and his family was separated.

after that, he walked unsteadily to his car.

“Dad,” ye Mulin called out to him.

“mu lin, do as you see fit.” ye zheng had just turned around and smiled bitterly.

Ye Mulin walked over and smiled. I’ll send you!

Ye zhenggang was slightly surprised.

Ye Mulin was already walking towards the car. you’re not in a good mood. Let me send you.

By the time Ye Zheng regained his senses, he was already in the car. It seemed like this was the first time he had sat in Mu Lin’s car.

ye mulin did not drive steadily as he said, ” actually, dad, you don’t have to be alone all the time. Mom is with uncle Hao now. You can find someone else to keep you company.

Ye zhenggang said in a fit of pique, ” if your mom found someone, I have to find one. I won’t find anyone. I just like one person. It’s great.

Ye Mulin smiled and did not say much to him. Anyway, he would look for him when he could not bear it anymore. There was no need to rush.

He sent ye zhenggang back to the old house and watched his father walk in. He stood by the car for a while. He recalled the time when he had just married Bai Sulli. He went home every day because his little wife was waiting for him.

At that time, he thought he hated her because she was really useless. She was still useless now, but he still wanted to go home and get lost with her.

his adam’s apple moved a little as he thought of their past.

ye mulin smiled. he looked up at the night sky and thought about the woman who had disappeared for a few years.

He missed her and hated her.

After a long time, he still drove away. He didn't go back to the villa immediately, but walked around casually.

his status did not allow him to do this, but tonight, he missed her so much.

The car drove past the places they had passed, and the sourness seeped into his memory bit by bit. It was not until the car stopped next to a barbecue shop that he inadvertently looked over, but his heart suddenly jumped.

just like a few years ago, she was sitting by the window. next to her was lin sisi and a small person.

Chapter 3622: Bai Sulli, whose child is it? 2

Ye Mu Lin's heart almost stopped beating. He looked straight at her, at the tiny person beside her.

She looked like him.

it was his child.

Something warm suddenly gushed out of his eyes, an inexplicable feeling.

he just watched as she spoke to lin sisi at ease, watched as she ate in a refined manner. she was different from before, and the little thing beside her was very obedient and beautiful.

her son. as his mother, she actually brought her son out for a late night barbeque. she really deserved it.

...

ye mulin squinted his eyes and forgot to drive. the car behind him honked and he came back to his senses.

When he parked the car and got out of the car to take a look, Lin sisi had already paid the bill. Bai Sulli was a freeloader, and after so many years, she was still freeloading. He even felt embarrassed for her.

ye mulin stood outside in the dark, with only a few lights shining on his face.

Even though he felt that the timing was not right, even though he felt that someone would recognize him, he still stood there without hesitation, waiting for her.

After Lin sisi paid, she walked out holding Xiaoxiao's hand and saw ye Mulin standing by the door.

she was stunned for a moment, then turned to bai sulli and said, "ye mu lin."

"What?" bai sulli was walking with her eyes lowered, but she suddenly saw ye mulin.

Her eyes froze, and she couldn't say anything for a long time.

Ye Mu Lin's gaze was deep as he looked at her. His voice was very soft."Let's talk in the car!"

He didn't even look at his son. He only said to Lin sisi, "help me take care of my son."

Lin sisi was convinced by his courage and self-confidence. He did not even ask and was already sure that this was his son. She also wanted to laugh and coughed lightly."I have no objections."

after he finished speaking, he glanced at bai sulli.

Bai Xili's eyes were unable to move away, and she kept looking at ye Mulin.

it was not appropriate for him to stay for long with his status. there were already two people who had passed by looking at him just now, so he directly grabbed her hand and dragged her to his car, not caring about his son.

Lin sisi lowered her head and looked at the little person beside her. She sighed softly. your father's condom must have broken by accident, so you're here. If not, you're a gift from the 11/11 holiday.

The little one was on the verge of tears as she watched her mother being snatched away.

lin sisi squatted down. " alright, mommy will pick you up tomorrow. can i sleep for the night? "

She had long wanted to have such a cute little kiss all to herself. As she spoke, she even gave him a big kiss.

she had the whole night to herself, and lin sisi's smile was a little perverted.

on the other side, bai suili also came back to her senses. she struggled hard,"let go of me, ye mulin, let go of me, you hear me?"

However, he didn't. Instead, he threw her into the back seat and immediately got into the car to start it. He was so fast that she couldn't react.

bai sulli felt her head hurt, it hurt so much. she got up from the back seat and glared at the back of his head. " chief ye, have you forgotten that you have a wife? "

"it's just an ex-husband and ex-wife catching up. what are you thinking?" he seemed to have calmed down. he drove with one hand and lit a cigarette, taking a long drag.

Bai Xiuli was extremely angry, but she still curled up in the back seat and looked at him guardedly."how do you want to reminisce?"

Chapter 3623: bai sulli, whose child is it? 3

he laughed softly at himself but did not speak to her.

soon, she realized that he had driven the car to the apartment where yingluo and her used to live. when the car stopped, she refused to get out. she patted the window on the other side and said in a hoarse voice, ” ” i don’t want to go down. ye mulin, think about your current status. it’s not good for you if news of you having an affair while you’re married gets out. ”

“Your dad used to have a woman too, so there’s nothing bad about it.” He said evilly, deliberately not explaining that he and Wen Yuan had been in a fake marriage and divorce, and that the divorce certificate this morning was still warm.

He refused to tell her. He was still angry with her.

but a man was a man. even if he was angry, there were some things that he couldn’t be careless about, and he couldn’t resist.

so he found her and caught her, and decided to come here in only one second. he didn’t even care about his son, since he couldn’t run away. if necessary, he could have two more children with bai suili.

...

he wanted a child, and he fell in love with the child just by looking at it. she liked to run, and she had legs. he didn’t mind constantly getting her pregnant so that she couldn’t run anywhere.

With this thought in mind, she rudely dragged her out of the car with one hand. Bai Sulli’s voice was hoarse.”Ye Mulin, don’t force me. I will really scream.”

“save your energy for a bed later.” he said very directly and rudely. he held her down and his eyes swept across her face.

Yes, she still looked the way he liked her. She was a little more mature, but she was still fair and tender. She probably didn’t suffer much outside.

Just like that, he dragged her into the elevator. He could not help but press her down and kiss her deeply.

she refused, so he pinched her cheeks and forced her to open them. he kissed her passionately and lovingly until the elevator stopped at the top floor.

as soon as they got out of the elevator, he held her with one hand and kissed her as he swiped open the apartment door. without even turning on the lights, he pressed her against the door and kissed her.

she struggled with all her might, but it was no use. his breath, his body scent, and everything about him overwhelmed her senses. she was not used to it, but she had to accept it.

he was so strong that he wanted to tear her apart. a man who had not been around for a long time was probably like this.

he was hungry and thirsty.

two minutes later, everything came to an end.

She was not the only one. He was surprised too.

Under her shocked and teary eyes, he kissed the corner of her lips and said in a soft voice, "Let's do it again,"

"I don't want to." bai suili turned her head to the side to avoid him.

it was dark in the apartment, and no one could see each other clearly. they only felt that there were tears in each other's eyes.

"Ye Mulin, let go of me and pretend that none of this has happened." her voice was filled with sobs and she was a little embarrassed. in her heart, he was a married man, and now she had sex with him.

Whether or not she was willing, she was still embarrassed.

she didn't want to see him, so she avoided him.

the darkness made her senses extra sensitive. she could smell the faint fragrance of flowers. the tip of her nose twitched as ye mu lin said in a low and hoarse voice, ” “it’s white roses. auntie li comes over every day. just like before.”

She was stunned, and then she burst into tears. She leaned against the door and cried softly. She looked at him and said with a choked voice, ” “ye mulin, what are you doing?”

He looked into her eyes in the dark and said in a soft voice, ” I want you. Do you understand? ”

He reached out and gently pressed on top of her. The hall brightened up, and everything was revealed, including the tears at the corner of her eyes and the way she looked so miserable because of him.

Chapter 3624: bai sulli, whose child is it? 4

Ye Mulin looked at her, his voice low and hoarse. didn’t you miss me? ”

As he said that, he removed the rest of her y-clothes in a perverted manner, and then looked at her-

That gaze was quite perverted. It looked at him as if he was looking at everything. It was as if he wanted to take a closer look like he was using a microscope, checking every pore.

not only that, he was the same, he even brought her to see him.

In the vast space, only their shallow breaths could be heard, blowing on each other’s faces.

He touched her face and caressed it bit by bit. Then, he carried her up and walked straight to the bedroom they used to live in, throwing her onto the luxurious bed.

...

The middle part of the bed was deeply sunken, and she moved herself to the head of the bed in fear, but it was no use.

he dragged her over, and without turning on the lights, he pressed her down and madly tried to tease her throat again and again. he did not let her go even when she cried until her throat was hoarse.

No matter how slow she was, she could tell that he was trying to get her pregnant on purpose. Not only did he not use any protection, but he also made it easy for her to get pregnant. Every time she screamed and refused, he would press her down and kiss her, forcing her to accept everything.

For the entire night, he did not let her off.

At one o'clock in the night, Wen Yuan called. As his wife, she probably had to show some concern.

ye mulin was still feeling warm. after receiving the call, he glanced at bai sulli and answered the call in front of her. his voice was calm."i'm not coming back tonight. you and xiangnan should sleep early."

Wen Yuan said something and smiled gently. Then he looked at Bai suili.

He had been working on it for two hours. This time, he was not as anxious as before. He seemed to be a little slow, and there was a sense of punishment in it. He spoke absent-mindedly and did not miss a single task.

bai suili was extremely embarrassed, biting her lip so hard that it almost tore.

Later, she bit her clenched fist and tears welled up in the corner of her eyes. She was extremely embarrassed.

After that, he hung up the phone and threw it aside. Then, he looked at her and said expressionlessly, "Let's continue."

bai suili turned her head and choked, "ye Mulin, you've gotten the person you want. Let me leave. I won't be a mistress.

“is that so?” he laughed softly. ” you have a backbone now? Your dad came out to talk to me about backbone. Have you forgotten how you used to cry and beg me while crawling on my bed? Bai Sulli, this isn’t the first time Wen Yuan has appeared. You didn’t act like this in my bed before.”

he said mockingly, but he did not let her go. he still had his fun.

When he was satisfied as he wished, the sky was about to turn bright, and she had already fallen on the bed, exhausted. There were still tears on her face, and her face was white with a bit of redness after sex.

ye mulin was tired from the night, but he could not fall asleep at all. he was still very excited. he reached out and touched her face lightly. there was not much expression on his face as he muttered, ” you must think i’m crazy. yes, i’m crazy. bai sulli, you have no idea how i’ve spent the last few nights alone. ”

“i really want to kill you!” he added.

Of course, he couldn’t bear to kill her. He could only bear to love her to death.

he fell down and pulled her into his arms possessively. she was exhausted now, so she was very obedient and did whatever he wanted her to do. In fact, when she fainted earlier, he was still forcing himself on her and repeatedly doing it with her.

his body was satisfied, but his heart that had been empty for a few days was still empty. he had to settle this with her.

Chapter 3625: bai sulli, whose child is it? 5

in the morning, ye mu lin woke up instinctively.

he raised his hand and looked at the time. it was seven o ‘clock.

She was supposed to get up because he had so much to do and was very busy.

He thought for a while on his pillow, then called Secretary Li and ordered, "I'll be in the office at ten o'clock. Cancel my schedule."

Secretary Li could tell that his voice was a little hoarse, so he asked with concern, "Chief Shou, are you feeling unwell?"

Ye Mulin turned his head and looked at the woman who was fast asleep. His voice was hoarse and sexy. "No, it's too comfortable."

...

Secretary Li's mouth was wide open, but she soon understood.

Bai Suili was back, otherwise, how could she be comfortable?

She tried her best to hold back her laughter and said in a business-like manner, "Alright, I'll make the arrangements."

You can't finish your work, as long as you're happy.

Ye Mulin hung up the phone and used his arm as a pillow. After a while, he turned to look at the woman in his arms.

He felt annoyed and satisfied at the same time. He lowered his head and nibbled on the tip of her nose, but she could still fall asleep.

What a pig. She hasn't changed at all from before. She's already a mother, but Yingying hasn't changed at all.

He was annoyed at her, but he was also happy that she had not changed.

He bit the tip of her nose again. Bai Suili bit her lip and snuggled into his arms. Stop fooling around.

He stared at her for a long time before he lay down and closed his eyes.

When she woke up again, she was awoken by something ...

bai sulli gently retreated from his arms, and just as she was about to move away, he woke up and held her in his arms again.

He looked at the time and saw that it was already past ten O 'clock.

he cursed under his breath and called secretary li in this position. " i'll go to the office in the afternoon. "

yes, I've already made arrangements, " Secretary li replied politely. you don't have any plans this morning. Please send my regards to miss Bai.

Ye Mulin laughed as he hung up the phone. He then looked at the person in his arms expressionlessly. I just went to the office this afternoon. How many more times can we do it now? "

"Ye Mulin, do you have a hyperdrive?" Bai suili was furious and glared at him.

She casually took his black shirt from the side and put it on, and he let her be. However, when she slipped past him, the visual impact was quite big. It was not even enough to hold her waist, and one could see it from her loose collar.

he grabbed her again and pulled her to his side. " let's talk. "

as he spoke, he took a cigarette from the side, lit it up, and took a puff."Let's discuss the conditions?"

"i'm not selling it," bai suili said through gritted teeth.

"Oh, really? You're sleeping with me for nothing. When did you become so generous?" He squinted at her and even blew a smoke ring on her face.

“ye mulin, you old man! you’re so greasy now!” bai suili kicked him a few times in anger.

Every time he opened his mouth, it was all dirty.

Ye Mulin looked at her and smiled. “are you despising me?”

he paused for a moment and pinched her chin with a dark expression. ” “zhenzhen, you have been with gu changfeng for the past few years.”

Actually, he could feel that she had never had a man before and was very inexperienced.

he should have been gentler last night. she was in a terrible state because of him. she was probably hurt.

at the thought of this, ye mulin pulled her over and stretched his hand over ...

“what are you doing?” bai suili screamed.

“don’t move, i’ll check,” ye mu lin said in a hoarse voice. He held her in place and did not allow her to move.

Chapter 3626: Bai Sulli, whose child is it? 6

Bai suili was lying in his arms, her voice hoarse, ” “Ye Mulin, you bastard.”

“don’t move,” he said in a hoarse voice.

Then, he turned over, pressed her down, and checked her inside and out.

Bai suili’s face twisted to the side. are you done? ”

His gaze was even more scorching than his touch. She couldn't move at all, and her hands and feet were soft.

after ye mulin finished examining her, he did not let her go. instead, he lay down and held her waist with one hand."the child was born naturally?"

...

She did not make a sound.

"i don't feel anything," he whispered as he leaned closer to her.

she was a little confused, not knowing what he meant.

"it's the same as before, very comfortable," ye mulin said softly.

these were definitely hooligan words. she turned her face away, feeling a little embarrassed.

At this moment, Wen Yuan called. He glanced at her and answered the call.

"wen yuan, how about going south for an interview at a kindergarten? " he asked calmly. in fact, nan was about to go abroad with wen yuan and this time, it was just training.

Wen Yuan smiled and said,"it's good." are you coming back for dinner tonight? i made some dumplings myself."

ye mu lin's gaze was fixed on bai xue li.

Bai suili also heard him, and she glared at him, her eyes misty.

then, ye mulin said softly, " "i'll be a little late tonight, so i'll be back at eight. let xiangnan eat something first. a child can't go hungry."

wen yuan agreed gently and did not say much else.

bai suili, on the other hand, had just witnessed the daily warmth between a couple. she was embarrassed and angry, so she turned her face away and didn't speak.

Ye Mulin hung up the phone and looked at her.

"bastard." bai suili's eyes were red as she pushed him away and went to the bathroom. her legs went weak for a moment, but she still went to the bathroom.

He turned on the hot water and took a shower, thinking about what had happened last night.

Perhaps it was a mistake to go back to B city. Perhaps she should go back to United States.

As she was thinking, a pair of arms wrapped around her waist from behind. Then, he pressed his entire body against her and buried his face in her delicate neck."are you angry? is it because of wen yuan?"

"i have no right to be angry, but i have the right to leave, right?" Bai suili's eyes were still a little red, and she was even more furious.

He was already married, so why did he still come and provoke her?

the man behind her chuckled. " I am qualified, but it depends on whether I agree or not. Bai Shirley, you should know that I can do whatever I want in this position today, including you and our son, right? "

She paused for a moment. He finally mentioned an 'an.

"it's not a son, it's a daughter," bai sulli turned her head in his arms. her eyes were red and her face was wet. she said seriously, Bai Anan, she is my daughter. The ye family has nothing to do with her.

"Your son is called ye xiangnan. Wen Yuan gave birth to him for you."

Her tone was somewhat reproachful, but also a little peeved.

Ye Mulin stared at her and smiled. who was the one who left without saying goodbye? Bai Sulli, do you know how long I've been looking for you? Wen Yuan got pregnant when I couldn't find you and I married her. Do you want me to divorce her now because of you? ”

Her eyes turned even redder and she bit her lip. ye Mulin, you bastard.

She reached out to hit his shoulder, but he easily caught her hand and pushed her against the wall. He looked down at her. “Whether it's a son or a daughter, they're All My Children, aren't they? If you don't want to be separated from the child, then stay by my side.”

Chapter 3627: Is it difficult to admit that you enjoy it?(1)

” what? ” bai xiuli suddenly looked at him. ” you want me to be your qianqian's mistress? ”

she couldn't believe it and then shouted, ” “ye mulin, i'm telling you, don't even think about it.”

“what if i insist on it?” “bai xiaosan.” he glanced at her.

He still dared to call her that. Bai Xiuli was furious and tried to kick him. However, her leg was in pain and he didn't feel any pain.

hence, she glared at him with red eyes.

ye mulin grabbed her with one hand and said in a stern voice, ” stop fooling around. we'll go to lin sisi's place to pick up an 'an. her name is bai an' an, right? ”

...

Bai Anan, ye Anan, ” he mumbled to himself. what a strange name. I've always told you to read more books, but you didn't listen.

bai xiuli was furious. she turned her back to him and ignored him, washing herself in silence.

when she was not looking, ye mulin's gaze became gentler and the corners of his lips curled up slightly.

however, he did not say anything, nor did he coax her.

she had left for so long, and he really did not want to coax her.

after washing up, they all went out to get dressed quietly. she did not resist when he asked her to make breakfast. the place was still the same as before. everything was placed in the same way as before, and she used it with ease.

as she was making breakfast, she felt a little dazed. she had just returned to the country for less than three days and she had already met her ex-husband. it was just a meeting with sisi. did he have to be so godly?

Ye Mulin walked over and lit a cigarette. He leaned on the side and smoked quietly. what are you thinking about? ”

“you’ve been following me, haven’t you?” she shook her head and looked at him.

“if i can follow you, do you think you can always be free and happy outside?” He blew out a puff of smoke, and the light gray smoke blocked each other’s vision. At this moment, they were both thinking that it had been almost three years.

It turned out that they had been separated for almost three years.

Bai suili was a little dazed, but after coming back to her senses, she lightly said, you’re the one who’s happy and carefree. You married Wen Yuan and came to me at the same time. What’s the point of that? ”

Ye Mulin walked over and stopped her. “Your old man Qing has also returned.”

ah?

She looked at him in surprise, not understanding what he meant.

“Ye mu Bai, your little white.” He snorted, and then snorted again. “are you happy? are you surprised?”

she continued to look at him for a long time before she said gloomily, ” “You’re really different from how you look on TV.”

he looked so gentle and gentlemanly on tv. he was simply the most outstanding one among the young leaders. he was not greasy, did not have a belly, and had good looks. many young women were particularly fascinated by him. they felt that he was handsome and charming.

in fact, in private, he was very mean.

she looked at him like this and ye mu chuckled. ” what’s so different about it? it’s different from Yingluo in the past when you’re naked, huh? ”

Why did he suddenly become a hooligan?

Bai suili bit her lip and glared at him.

Ye Mulin laughed again. how is it compared to the past? ”

He approached her silently, and she had no way to retreat. Her body was against the counter, and in front of her was his solid body.

It was a little embarrassing to be so closely stuck together like that.

Bai suili bit her lip and stared at him,”You should ask Wen Yuan.”

She was anxious and blurted out.

his eyes were as dark as ink, unfathomable. he didn't do anything else, only reaching out to touch her lips gently. his voice was hoarse."bai xue li, you really dare to say, you really dare to ask."

Chapter 3628: is it difficult to admit that you enjoy it? part 2

Her lips trembled, but he was still looking at her. His fingers caressed her Velvet Lips, and he leaned over to whisper to the corner of her mouth, " why don't you continue asking? are you afraid or are you jealous? are you afraid that I've really slept with her, huh? "

"i'm not." She turned her face away angrily. She was extremely angry and a little disappointed.

In fact, whether it was real or fake, he was now someone else's husband.

He was Wen Yuan's husband.

he and wen yuan were just like ye zhenggang and su fu in the past, while she was playing the role of the mistress. she did not want to be like this. the thought of it made her feel aggrieved. she turned her face to the side and sobbed, " can you let me go? you have a wife and a son now. you can have any woman you want. if you like them, just raise them! "

my wife likes my little brother, and the child is someone else's. They might still be in love with each other. When I think about it, I'm a little unwilling. So, I think I need to have someone and a child too. Bai Xiaosan, you're already there, aren't you? " He looked at her fair and tender face, which was really cute, so he couldn't help but take a small bite.

...

she was clearly a woman in her early thirties. she had no makeup on, and her face was clean, fair, and soft.

All these years, she had been eating yogurt, but she didn't seem to have aged. He knew very well in his heart that he looked more or less the same, but he had actually aged a lot. His heart had long been different from before. After going through so much, he didn't know why he had to wear a mask to work and live every day.

However, when she came back, he knew that he had been waiting for her.

It had never changed.

She was back, and it was as if a warm current had been injected into his heart, and he seemed to have become a little younger.

And his current remarks almost made Bai Sulli explode. ye Mulin, do you have any shame? if your wife wants to run away, go and chase her. Why are you pestering me? ”

“it’s more comfortable to f * ck you,” As he said this, he suddenly hugged her and got very close to her, letting her feel him.

she was a little suffocated, a little speechless, and even a little angry. he was really shameless.

She glared at him, and he smiled.”Can you deny that you enjoyed it very much last night?” you clearly like it too.”

She did not deny it and turned her face away uneasily. “that only proves that you have good skills.”

“This means that you’re experienced and promiscuous,” she said with some disdain.

ye mulin smiled. ” is that so, bai little san? then i’ll let you have a good feel of the skills i’ve honed, hmm? ”

she looked at him angrily as he walked to the dining table. ” “You’ve been promoted quite a bit, and your skin has become much thicker.”

he sat down gently and began to eat his breakfast. it was already lunch, but because he was too hungry, he didn’t care too much. as he ate, he looked at her. “Aren’t you going to sit down?”

Bai suili sat down and said in a low voice,”i won’t be your mistress, you can give up on that.”

“You want me to divorce Wen Yuan?” He looked at her. is that so? ”

“i didn’t say that.” She bit her lip. ye Mulin, not every woman wants to be Mrs. Ye. I only want to be an ordinary person now.

she suddenly looked up and smiled at him. I’m afraid. I’m afraid that I’ll end up like my parents, having endless wealth and glory and then falling down hard. I don’t mind having sex with you occasionally, but that’s before I have a husband. As for Wen Yuan, you can sleep with me if you feel sorry for yourself. That’s not my problem. As for other things, ye Mulin, I can’t promise you.

Chapter 3629: is it difficult to admit that you enjoy it?(3)

” please don’t tell anan that you’re her father, ” she said after a pause. ” children will be disappointed if they expect too much. ”

She had said so much, and he finally understood. He frowned.”You mean you’ll find her a stepfather in the future?”

bai xiuli lowered her eyes. ” gu changfeng proposed to me. ”

She had just finished speaking when ye Mu Lin’s expression turned cold. He stared at her. “You agreed to his request?”

He then added,”you’re with him?” Gu Feng doesn’t mind if you sleep with me?”

“If you force me too much, I’ll marry him right away. And if chief ye forces me again, I don’t mind exposing you.”

...

“Oh, really? Expose me and ruin my reputation?” he smiled and took out his phone from his pocket. ” give me your phone. ”

she didn't know what he was going to do. he had already added her on wechat and sent her a video.

Bai suili opened it and deleted it after a glance. Her face turned pale."Ye Mulin, aren't you a pervert!"

he stared at her little face, then got up and walked to the study. he took out a stack of documents from the safe and threw them in front of her. "these are enough for me to stay in prison until i die of old age. take them and report me. once i'm in prison, i won't be able to come and bother you anymore. "

Bai suili was at a loss for what to do, and glared at him,"ye mulin, are you crazy?"

There was a fire in his eyes, and his tone was extremely light. if you dare to let Gu Changfeng touch you, I'll make sure you won't even regret it, Bai Sulli.

she was furious. "you're a bastard. "

Other than this, she couldn't say anything else. She was just angry and didn't want to talk to him.

ye mulin stared at her. "aren't you going to expose me? this is the evidence."

"You think I don't dare to?" Bai Xiuli said that, but she didn't dare to touch those things.

ye mulin laughed coldly in his heart. she was still as cowardly as before. a few pieces of white paper had already scared her.

He put away the things and said nothing more. He was obviously angry with her, at her and Gu Changfeng.

bai sulli finished her breakfast in silence. ye mulin took the key and walked out. he looked at her deeply."Let's go!"

he was different from usual. he was wearing a gray turtleneck sweater and a black cotton jacket. he looked much younger than he did on tv, so he wouldn't be recognized if he went out for a walk.

Bai Xue Li's eyes narrowed, and she said in a low voice, "can you let me go?"

She sniffled. I don't want to be your mistress. I don't want people to point fingers at me behind my back.

There was no expression on ye Mu Lin's face. After a long time, he smiled. I need to think about it carefully. Bai Shirley, I won't let my son and daughter live in someone else's house. I won't let her follow you and eat for free. You and Bai Anan can live here now. I won't come here every day.

"what's the difference between this and being a mistress?" she bit her lip.

I'm raising Bai Anan, " he sneered. you're my nanny.

"the nanny doesn't provide you with sleep." She resisted in a low voice.

ye mulin laughed,"is that so? then why were you so happy last night?"

he stepped forward and gently stroked her burning face with his fingers."you were very excited last night. you clearly liked how i treated you." one's body couldn't lie. they had been married for so long, and he knew how she would react after all the years they had spent together.

Chapter 3630: is it difficult to admit that you enjoy it? iv

bai suili pushed his hand away in embarrassment, not willing to let him touch her.

he didn't force it, he wasn't in a hurry anyway.

He took her out, and when they arrived at the parking lot, she realized that there were a few cars parked there. They were all the cars that he had driven when they got married, and there was also her white BMW.

she was a little dazed as she mumbled, " "it's still here."

Ye Mulin threw a car key to her. I've been keeping it. Sometimes, I'll come over for a couple of days. When he was thinking about her.

however, Z wouldn't say such words so easily. he was still angry with her, so why would he say such things?

...

He drove a black Audi. It was a very low-key model, but the back seat was very spacious, suitable for taking care of children.

Bai suili sat in the back seat of his car. There was a faint masculine scent in the car. She was sure that Wen Yuan had not participated in everything that had happened here.

what did he mean by this? she refused to think about it.

Ye Mulin was driving with a cigarette in his hand. He said calmly, "Why are you raising an 'an like a boy?"

he had only looked at it for a while last night, but he couldn't tell.

Bai suili stared at him, biting her lips, and said in a low voice, " "she likes it this way."

"just because she likes you, you let her mess around?" Ye Mulin said unhappily, " I'll educate her myself later. You're not allowed to lead my daughter astray.

"My child has nothing to do with you." bai suili snorted, her voice calm. " ye xiangnan is your son. "

her words were a little peeved.

ye mulin smiled and did not say anything. he just focused on driving.

lin sisi did not go to work that day on purpose to take care of bai anan. in fact, lin sisi had thought that it was a little boy, but it turned out to be a little girl. she felt that she had been blinded by the sight. how could there be such a cool and handsome little girl?

when bai sulli went over, bai anan was sitting on the sofa reading children's books, while lin sisi was staring at her with her eyes wide open, feeling-little envious.

xue li was so good at giving birth. this child had the good looks of ye mulin and bai xue li. his brain had also selectively inherited all of ye mulin's genes. his eyes were exactly the same as her black-bellied father's, but lin sisi still liked him very much. she looked at bai anan like a fangirl.

bai anan raised her eyes. " aunt lin, you've been looking at me like that for a long time. "

"because anan is pretty." lin sisi didn't even try to hide it. her eyes were fixed on the little guy's face.

Bai Anan smiled reservedly. mom always looks at me like that.

Lin sisi understood why this was the case, so she asked calmly, " "Anan, do you miss daddy?"

Bai Anan looked at Lin sisi and said in a low voice, " "Mom said she gave birth to me alone."

lin sisi rolled her eyes. " why don't you try asking her to have another child? " she asked.

just as she was about to brainwash her, the doorbell rang. she went to open the door in a daze. as expected, she saw the adulterous couple from last night at the door. one was in high spirits, while the other was clearly in low spirits.

Lin sisi blocked the door and greeted him with a fake smile, " "mr. S, you don't have to go to work today, or are your legs weak?"

she said it so crudely and without any embellishments. bai suili blushed and said softly, " "Sisi, don't talk nonsense."

“He’s not crippled.” Lin sisi looked at ye Mulin and said, ” why are you in such a hurry? is Mrs. Ye just a decoration? ”
