

Thank you 3631

Chapter 3631: Is it difficult to admit that you enjoy it? v

this topic was really a bit unbearable. bai sulli poked her head out and said, ” “Where’s Anan?”

lin sisi was still leaning against the door. she glanced at ye mulin, then asked bai sulli, ” “Do you want to be the third Prince?”

she sneered at ye mulin. ” ” shirley’s easy to fool. she’s silly, but i’m not. i’ll go back and divorce wen yuan before coming back to pick up the mother and son. ”

ye mulin already knew that lin sisi was not to be trifled with. he said unhappily, ” sure, we can file a lawsuit. Let’s see if Bai Anan’s surname is Bai or ye.

“do you have the guts to create such a scandal?” lin sisi stared at him.

ye mu lin smiled and said,”i can try!” Miss Lin, you can try and see if the Lin family can withstand the storm.”

...

lin sisi’s face turned pale with anger. although she knew that ye mu lin would not do that, she still felt that it was too dangerous for shirley to return to this man so easily.

He had a wife and children.

bai suili’s face was a little pale. she pulled lin sisi’s hand and said softly, ” “Sisi, I’ll be fine.”

Lin sisi was a little sad because she couldn’t help Shirley. Now that things were like this, she might as well not go back to China.

If ye Mulin missed her, he could have divorced her himself. Why did he have to do this?

However, ye Mulin was right. She, Lin sisi, could not stop anything. It was not the Lin family, but the Bai family that could not stand the storm, Yingluo.

She could only watch Bai suili and an 'an leave with ye Mulin.

Bai Anan was calmer than anyone else. She was indifferent to ye Mulin and was as mature as a little boy. She did not seem like a three-year-old.

ye mu lin walked over and squatted down. he smiled."Anan, it's me, dad."

Bai Anan looked at him and frowned. you look exactly like me.

Ye Mu Lin reached out and patted her little head."you're more like a mother."

On closer look, Bai Anan looked like Shirley, but at first glance, she looked like him.

when he said that, bai anan reached out and wrapped her arms around his neck.

bai anan wasn't fat. she was quite tall, and she was able to outclass children of the same age.

Ye Mulin hugged her. He hugged his own blood and bones. This feeling was different from hugging Xiang Nan.

He loved xiangnan, but for an 'an, he wanted to pluck the stars and the moon and give them to her.

He restrained himself. He smiled faintly, hugged an 'an, and kissed her. He was very restrained.

"daddy will bring you home." he muttered.

An an leaned on his shoulder and asked in a low voice, "do you like mommy?"

He smiled and pinched an 'an's little face, but did not answer.

It was probably because children were sensitive. From the way he treated her, she knew that her father liked her mother very much. That was why she was willing to accept ye Mulin. It was probably because of their aura. Bai Anan and ye Mulin were so harmonious together!

Ye Mulin hugged Bai Anan and then looked at Bai suili. " i'll wait for you in the car. come down after you pack up. your luggage is already packed. "

He left just like that. Since he was taking the child with him, she would definitely leave with him.

ye mulin carried bai anan and slowly walked down the stairs.

An an wrapped her arms around his neck and kept looking at him. Ye Mulin smiled."why are you always looking at me like that!"

Bai Anan rested her face on his neck and said nothing. She was a little shy.

ye mulin kissed an an and carried her into the car. he even took out some snacks for her to eat.

Chapter 3632: he didn't come home tonight (1)

In fact, he didn't agree with the child eating these, but he felt that there was no need to be too harsh on the younger daughter. She was happy.

Upstairs, Bai Sulli started to pack her luggage. Lin sisi took her hand and asked softly, " "do you really want to be with him?"

bai sulli shook her head. " no, i'll find a way to leave. i'll go abroad! "

"Aren't you afraid that he'll do something to your parents?" Lin sisi frowned.

“He won’t. Actually, ye Mu Lin isn’t such a bad man.” bai suili smiled and continued to pack her things, in other words, he has been sacrificing himself for me for the past few years. If it wasn’t for me, he might not have needed to enter this industry. I know he likes to be a lawyer.

she smiled helplessly. after she packed her things, she looked at lin sisi.”sisi, i know you care about me, but it’s not that bad. if anan likes him, maybe we can keep in touch in the future. anan needs a father.”

...

“you want to give anan to him?” lin sisi asked in disbelief.

bai sulli shook her head. ” i want to talk to him. he has a family and he doesn’t want to lose everything. any smart man knows how to choose, not to mention that he’s ye mulin. ”

Lin sisi suddenly sat on the sofa, deep in thought. you said that old Bai is still alive. Do you think he’s trying to prank you? He did it on purpose. I’ve never seen a man who is as righteous as ye Mulin when he’s cheating on his wife with a mistress.”

Bai suili glared at Lin sisi, and Lin sisi raised her hand. “alright, i definitely won’t call you bai xiaosan.”

bai xiaosan was angry. she pulled her luggage and walked out. lin sisi stood at the door.”Xue Li.”

bai xili turned her head.

lin sisi smiled. ” if you’re quarreling, then come over and stay for a few days. if you’re not happy with him, then find a man to piss him off. ”

“I know,” bai suili’s eyes were a little hot. ” sisi, i’m leaving first. i’ll meet you again later. i should be staying in B city for the time being. ”

everything would depend on the outcome of her negotiation with ye mulin. in lin sisi’s opinion, there was no point in negotiating. as they continued to talk, they would eventually reach the point of going to bed. in her heart, bai xuli and ye mulin were not on the same level. ye mulin could eat bai xuli up to the point where not even her bones were left.

bai suili pulled her luggage downstairs. ye mulin saw her and got out of the car to help her put it in the trunk. then, he opened the door for her and drove himself.

the car drove straight back to the apartment. because it was a 500-square-meter apartment, bai anan was quite happy. she went back and forth a few times. ye mulin even let her sit on his stomach and play games. an an giggled.

bai sulli was packing her luggage in the bedroom, listening to an 'an's voice from time to time. an' an rarely laughed like this, and she was restraining herself like a little boy. now, she felt a little sad.

It had been hard for her to take care of an an alone in the past few years. Although Gu Changfeng was taking care of an an, she didn't want to trouble others all the time. Sometimes, when she had to work, an an had to play with herself. She didn't know when an an started to be like a boy.

bai suili bit her lip, somewhat resentful.

At this moment, ye Mulin leaned against the door and looked at her quietly. "what are you thinking about?"

Bai suili raised her eyes to look at him, and smiled faintly,"Nothing, I was just thinking of buying some books for Anan. Oh, she can read quite a few words now."

ye mulin nodded. " i'll get secretary li to buy it. just write down a list of what you need. "

Chapter 3633: he didn't come home tonight 2

bai sulli shook her head. " there's no need to trouble her. i like to go out and buy things myself. i also want to buy some reference books. "

Reference book?

ye mulin raised his eyebrows. he had forgotten to ask her what she had been doing for a living for the past few years. it seemed that she had not been living in poverty.

bai sulli licked her lips. " i usually take on some novel translation work. you know that i can't go around with an 'an. "

He looked at her. you don't have to work so hard in the future.

She looked at him and said in a soft but firm voice, " i like this job."

...

He was a little displeased. if you don't work, you can take care of an an better.

Bai suili stared at him for a long time before she smiled,"is this how you ask wen yuan to do it?"

when ye mulin heard her mention wen yuan, he remembered that he had promised wen yuan to go back to eat dumplings. it was not because of wen yuan, but because he missed nan.

Nan was going to United States soon, and he couldn't go back on his promise. He paused for a moment and said, " "Wen Yuan is different."

he added, " wen yuan is going abroad soon. xingnan will be going with him. i'm going back to the villa tonight. "

He looked into her eyes after he finished speaking.

Bai Xiuli was stunned for a moment, then she put the book away without saying anything.

She had no right to say anything. His wife was Wen Yuan. Even if xiangnan was Xiao Bai's child, Wen Yuan was already written on his list of partners.

she did not know what she felt. she could not hate wen yuan either. she had chosen this path for herself. she did it for the bai family. she could not blame anyone, including ye mulin.

She didn't hate him, but she could feel that his Yingluo was probably blaming her.

bai xue li remained silent, and ye mu lin's voice became even lower, "Don't you have anything to say?"

"No," she shook her head.

Then she looked up at him for a long time and smiled. "That's your home. You should go back."

Ye Mulin went forward and hooked his arm around her waist. He leaned forward. "You're willing to be Bai Xiaosan?"

She glared at him, her eyes burning with a touch of fire. "Is Mr. S going to get a divorce and marry me?"

A faint smile flashed across his eyes. if you mention it.

"i have no interest in breaking up other people's families. " "I still need to pack," she said, pushing him away.

Ye Mulin did not pester her any further. Instead, he looked at the book she had placed on the bookshelf. did you translate all of this? "

She didn't say anything and ignored him.

he didn't think much of it and took out a book to read, reading it in chinese, french, and english.

Surprisingly, her translation of the book was very accurate, the emotions were on point, and her ability to speak eight languages was not a lie.

He put down his book. if you go out, drive that white car. I've asked people to maintain it regularly.

bai xiuli nodded and looked at him. "ye mulin, i have something to tell you."

He seemed to be waiting for her to speak.

Bai suili pursed her lips and said softly, "we can get along in a different way."

She looked at an an, who was outside. "anan, you can see her whenever you want, and our yingying can be ordinary friends. isn't that great?"

Ye Mulin lit up a cigarette. you have to treat me as a normal friend. We just did it last night and you cried so hard under me. Don't you think it's funny?"

"You forced yourself on me last night," she said, blushing.

he stared at her for a while before chuckling. ""is that so?"

Chapter 3634: he didn't come home tonight (3)

he took a step forward and forced her into a corner, leaving her no room to retreat.

He bent down and pressed his face against hers. "What if you have a physiological need?"

She bit her lip and glared at him. After a while, she blurted out, " "You don't need to care."

he stared into her eyes and felt that her face was about to steam. then, he chuckled."bai sulli, i thought you were going to say that you don't have any physiological needs?"

She was a little angry, and her slender hands gently tugged at his sweater. She looked up into his eyes, and her voice was a little hoarse and charming."i thought you were concerned about what i would do if i had some physiological needs in the past few years!"

His eyes were as cold as ink, and after a long time, his hand suddenly pinched her face.

...

” it hurts! it hurts! ” bai sulli gritted her teeth in pain and glared at him with tears in her eyes.

Ye Mulin’s face was filled with displeasure. next time, if you make me unhappy again, I won’t let you feel pain like this anymore. Hmm? ”

the hint in his words made her face burn again, but she did not dare to glare at him.

ye mu lin released his grip and looked around before whispering,”i’ll get off work early tomorrow to get more food.”

“ye mulin, i will not cohabit with you outside of our marriage.” She emphasized, her face steaming.

“Do you think that I won’t get any benefits by raising you?” he asked.

“I can support myself.” she retorted immediately.

However, ye Mulin frowned. I will let my woman go out and show her face in public. You can continue with your current job. But your main job is to keep an ‘an and me.

his true male chauvinist nature was clearly exposed. bai xiuli was furious. ” i told you i won’t be your mistress. ”

“Alright then, it’s your turn to take care of me.” he said nonchalantly, ” i’m spending your money. of course, i have to work harder. ”

then, he looked at an an outside and lowered his voice.”To satisfy your needs, No.”

bai suili felt that he wasn’t like him at all, much less like the him outside. she continued to pack her things and ignored him.

Ye Mulin did not say much. He went to the kitchen to check the refrigerator. It was still full. He called someone to send some food for children.

After that, he sat on the sofa with an an in his arms and opened a top-class home-decoration shop. He chose a child's room for decoration, which was all original, the kind that could be lived in immediately.

“which one do you like? tell daddy.” he held an ‘an in his arms and enjoyed the feeling of her being so small in his arms.

An ‘an had a faint scent on her body, like a baby's scent. It was different from her appearance, and his heart softened when he smelled it.

In fact, he thought that he was originally very angry with Bai Sulli, but now he wasn't so angry anymore. He was angry because of this cute little thing.

An an looked at him. can I? ”

ye mulin ruffled her short hair. ” mmm, anything is fine. but daddy likes pink ones more. the young lady will be happier if she lives in pink. ”

“but i like the blue one.” Bai Anan looked at him carefully and said.

Ye Mu Lin was stunned for a moment, but he still smiled.”it's okay if you like something else.”

Bai Anan looked at it for a long time, but he did not get impatient. Finally, Bai Anan pointed at a picture. I like this one!

Ye Mulin saw that this was Yingluo's children's room with a Halloween theme. He asked his younger daughter, ” “are you sure?”

Chapter 3635: He didn't come home tonight (4)

“i like this father.” bai anan reached out and put her arms around ye mulin's neck. she had easily accepted him as a father. perhaps she was only like this in front of him, but she was cool in front of others.

ye mulin looked at her and finally agreed.

As long as she liked it!

He picked up the phone and ordered it. He asked someone to come over and install it in a while. The bedding was a set.

An ‘an was still clinging to him and whispered, ” “Daddy, you have to sleep with me.”

Ye Mu Lin was stunned.

...

“otherwise, i wouldn’t dare to.” Bai Anan said with a straight face.

“then why did you pick this one?” ye mulin sighed.

“Daddy’s here.” The little guy said without blushing and his heart beating fast. He hugged him tightly with his small hands.

Ye Mulin suddenly thought of something. If he wanted to sleep with Bai Sulli and an ‘an wanted him to accompany her, what would he do?

so, mr. ye took out his phone and ordered an additional set of children’s furniture. it was pink and blue. so, bai anan had two children’s rooms in one go.

Less than an hour after he hung up the phone, the top-notch home decorations shop came over. It took more than two hours to finish the decorations and clean up.

An-an was overjoyed. The little one followed beside ye Mulin and listened to him talk to those people and give suggestions. She liked the last two rooms very much ...

When her father could not see her, she secretly rolled around on the bed twice.

Ye Mulin came over and saw the little fellow. He immediately pretended not to care.

holding back his laughter, he walked over and sat by the bed. little an an was lying on the black bed sheet. he made a funny face like a little devil and said in a low voice, "daddy, can you sleep with me tonight?"

"then, daddy will be back at 10 pm tonight, okay?" ye mulin pondered for a while.

an an rolled around happily, but after a while, she felt a little embarrassed.

he looked at her and his heart softened. he felt that an 'an was really a combination of him and bai sulli. he lay down, picked up an' an, and kissed him. however, an 'an looked like a little boy. after a few kisses, he felt that he was a little perverted.

However, an 'an was very clingy. Yingying rolled around in his arms.

Bai Sulli packed her things and came over to have a look. She was speechless when she saw the children's room. She was shocked when she saw an an clinging to ye Mulin. An an was not a clingy child. She was close to Gu Changfeng but would never hold him like this.

She looked at them and ye Mulin also looked at her. He said in a calm voice, "it's late. Go and cook."

he looked at the time and saw that it was exactly five o'clock. after he was done, he could still have dinner with an an before going to the villa.

seeing him calm and composed, bai xue li snorted, "Why do I have to cook?"

"i can do it, but you have to make love with me tonight." he said naturally with one hand on the pillow.

An 'an looked at him from the side, and her face was filled with the words-what is first love?

bai xiuli was furious. she bit her lip. ” ye mulin, can you have some dignity? can you not lead the child astray? ”

he looked at her again.

She was furious. I’ll go and cook.

As she spoke, she walked to the kitchen, feeling a little wronged. He had simply treated her as a tool for giving birth, a nanny, and even used her to warm the bed. She would be a fool to stay by his side.

an an looked at her and then turned to ye mulin. ” is mommy angry? ”

Chapter 3636: He didn’t come home tonight (5)

“yes, he’s angry.” ye mulin nodded.

“But it’ll be fine after some coaxing,” he said after a pause.

However, he still coaxed an ‘an to sleep first. The three-year-old child had not slept for a day. He turned his body and put her on his chest, coaxing her gently.

He had coaxed xiangnan before, so he was very good at dealing with children. An ‘an curled up and soon fell asleep quietly. Even her breath was sweet.

ye mulin hugged her and slept for another ten minutes before he got up and walked into the kitchen.

the child’s mother was still angry. in fact, she had been angry with him since they had reunited 20 hours ago.

...

He stood by the side. are you angry? ”

“It’s obvious, isn’t it?” She cut the vegetables and glanced at him. you don’t have to arrange a room for Anan. I’m going to take her back to the United States next month. This time, I’m only here to attend a book Fair.

Ye Mulin stared at her face. so, you think that having sex with me once has nothing to do with you. I’m just a lover that you’ve come back for. It’s fine as long as Gu Changfeng doesn’t know about it, right? ”

“don’t talk too much, it has nothing to do with him.” bai suili lowered her head and cut the vegetables. ” i won’t be with him. ”

it had been so many years, and it would never happen again. she was not sure in the past, but now she was. if she got together with gu changfeng, she would really kill him and the entire gu family.

Bai suili could still see this clearly.

Ye Mulin looked at her side profile and his expression softened. I’m glad you know.

Bai Xiuli stopped cutting the vegetables, and then looked down, not making a sound or moving.

then, her tears fell, drop by drop.

it was unexpected.

ye mulin was also stunned for a moment. then, he pursed his lips. ” what’s the matter? ”

Bai suili didn’t say anything.

He was too despicable, only knowing how to bully her.

He was very good to an ‘an, Wen Yuan, and ye xiangnan, but he only bullied and forced Hanhan on her.

He called her Bai Xiaosan, and she didn't like that title at all.

She didn't have much ability, but she had a little backbone.

Bai suili bit her lip, desperately trying not to cry out.

ye mu lin walked over and said in an unhappy tone, "why are you crying? it's just cooking a meal, right?"

she didn't say anything, so he added, " "You're already a mother, why do you still like to cry so much?"

"Why do you care!" She sniffled. was I the one who caused the separation? is it my responsibility alone? ye Mulin, you're too unfair.

she couldn't help but cry. she squatted down and covered her face.

ye mulin stretched out his hand to pull her up, but he could not because she refused to.

she cried shamelessly. he couldn't do anything to her at the moment, so he could only ask in a low voice, " what do you want then? "

she was still crying, and he had no choice. he was not willing to admit his mistake and was even more unwilling to let her go so easily, so he simply carried her up and pressed her down on the chair at the side.

she still wanted to cry, but his body was pressing down on her, and his voice was low and hoarse. " if you continue to cry, i'll have you right here and now. do you want to sit on the chair or go to the wall to flirt with bai sulli? it won't be comfortable if i tell you. "

She was so angry that she buried her face in his heart. In the end, she bit his heart hard.

He let out a muffled groan and looked down at her crying face. Her eyelids were pinkish from crying and she looked very pitiful. It was strange that it made men want to bully her.

Chapter 3637: He didn't come home tonight (6)

Ye Mulin's heart was in pain, but another part of him was in even more pain. He cried out and wanted to kiss her.

He tried to touch her lips, but she was unwilling and turned away.

ye mu lin's eyes looked at her deeply and his voice was low and hoarse."you don't like it when i kiss you?"

Her face turned even wider, and there were two drops of tears on her long eyelashes. It was very pitiful, but he just wanted to bully her. He reached out and pinched her chin, forcing her to turn her head to look at him.

her eyes were moist and she looked a little fragile. he sighed. she was clearly a woman in her early thirties, but she still looked like a little girl. she was about the same age as wen yuan, who looked like a mother. he was mature and full of flavor, unlike her, who was as superficial as a little girl at her age. however, he, huahua, liked little girls.

His soft lips touched hers, and he used his other hand to wipe her tears away. He said in a low voice, " I clearly like it.

...

Suddenly, his heart was filled with tenderness and evil interest. He pinched her chin and said in a low voice, " "Kiss me, Shirley."

Her lips trembled and were pursed tightly, unwilling to take the initiative to kiss him.

he couldn't help but kiss her, rubbing his lips against hers. however, he was patient enough not to kiss her deeply, but instead, he seduced her and seduced her, making her fall for him.

their lips rubbed against each other and touched gently. she didn't close her eyes but looked at him with wide eyes.

He was also looking at her, testing her bit by bit. He pressed his lips on hers and placed his large palm on her back, seducing her slowly.

bai sulli's throat moved, and her lips were hot. she didn't know what she should do. she didn't want to respond to him, but her face couldn't help but lift up to meet his kiss. she didn't know when her hands had wrapped around his neck ...

this kiss became wild.

His hands pressed down on her back, pulling her into his arms and rubbing her hard. She bit her lip. Other than not knowing what to do, she couldn't help but let out a soft moan.

Probably because he had suppressed it for too long, the kiss soon became hungry and thirsty, not only for him, but for her too!

He only let go of her when he was satisfied. His unfathomable gaze became even deeper as he stared at her for a long time before he said in a hoarse voice, "are you happy now?"

She panted softly, unable to say a word.

Ye Mulin's finger brushed past her slightly swollen red lips, hinting at something very flirtatious. Then, he smiled."i'll cook!"

as he spoke, he walked over to the counter. bai sulli's legs were still soft, and she looked at him in disbelief.

his movements were swift and not unfamiliar at all. he roughly knew what she was thinking and said in a calm voice, "Sometimes, when I stay here, I cook for myself."

he paused for a moment. what he didn't tell her was that he had always hoped that one day she would come back and they would have a child of their own. he would take care of both mother and son, but he didn't expect that the child would be already there.

that's good. he didn't have to spend time making another one. he originally wanted a boy, but now that he was almost 40, there was no need. it would take time and energy. it was inconvenient.

as he cut the vegetables, his expression was particularly gentle.

bai sulli looked at him and said in a small voice, " don't think that i'll be willing to be the white mistress just because you cooked me a meal. "

His hand stopped for a moment, and his voice was very soft. "if i cook for you every day and make love to you every day, would you be willing to? I'm saying we should sleep together every night."

Chapter 3638: He didn't come home tonight (7)

It's so obvious, but that pig brain of his doesn't understand.

Bai suili leaned on the back of the chair and whispered, " "i don't want to."

She sounded a little angry at him, and there was also a little pride in her tone.

Ye Mulin glanced at her but did not say anything.

there was nothing much to say, she was just a pig brain.

he continued to cook. he made three dishes and a soup. they tasted good and were suitable for children.

...

After he was done, he got sick of the smell of oil and smoke. He went back to his room, took a shower, and changed his clothes. Then he went to Bai Anan's bedroom to wake her up for dinner.

an 'an was sleeping soundly. ye mulin sat by the bed and wanted to wake her up, but when he thought about how she had not slept well for a day and a night at such a young age, he dismissed the idea.

He raised his hand and looked at his watch. It was already 6:30, so he took a coat and walked out. As he put it on, he said, " "I'm going back to the villa. Anan is still sleeping. Wake her up for dinner later."

bai sulli sat on the sofa and watched him put on his coat and take his car keys. he was about to go out for a walk or go home.

she only forced a smile and did not say anything.

However, the expression on her face revealed her true emotions. She couldn't hide it at all.

Ye Mulin looked at her quietly. After a while, he smiled and left without saying anything.

after the door was closed, she hugged her leg and bit her lip.

When ye Mulin drove back to the villa, it was half an hour before eight o 'clock. Xiang Nan was playing on the sofa and jumping around. When she saw ye Mulin, she opened her arms."Uncle,"

Ye Mulin walked over and carried him."Did xiangnan perform well today?"

Wen Yuan smiled and said,"it's good." and xiangnan's english is also very good. he's been praised."

Thinking about it, she revealed a very proud expression.

Ye Mulin pinched his little face. alright. Our Xiang Nan is really great.

he took out a toy from behind and said, " "uncle gave it to me."

Xiang Nan was very happy and played with it. Ye Mulin and Wen Yuan talked about going abroad for a while. He was surprised to know that Wen Yuan would leave in a week. "Isn't this a little too rushed?"

wen yuan shook his head. " it's because the school over there invited me to study there. i've thought about it carefully and it's fine if i go over a little earlier. "

ye mu lin nodded and smiled. " it's good that you've decided. "

Wen Yuan looked at him and said, "you didn't come back last night. It's Yueyue."

"Yes, Shirley's back." He said briefly.

wen yuan was still a little surprised. after a while, he hesitated and said, " "Should we announce our divorce? I'm afraid she'll misunderstand."

"No need. You can go to United States." Ye Mulin sighed. Wen Yuan, take good care of Xiang Nan. No matter what, no matter what the outcome is, I will take care of him.

He was a little worried about Wen Yuan. With mu Bai's current personality and the fact that he had lost his memory, he might be able to accept xiangnan, but he would reject Wen Yuan and even hate Qianqian.

"I know," Wen Yuan replied.

In her heart, she was actually very grateful to ye Mulin. In the past, she had always thought that he was a cold-blooded man, but after getting to know him, he was not. In fact, she had guessed that the reason why he had a part of his gentleness was probably because he was influenced by Bai Sulli. In the past, ye Mulin was not so kind and was a very cruel person.

"Let's eat!" Wen Yuan laughed lightly, then he hugged Xiang Nan and said, " "i want to go south to wash my hands. it's time to eat."

Chapter 3639: he didn't come home tonight 8

ye mulin ate some dumplings and accompanied xiang nan for a while before he was ready to leave.

When he left, he hugged Xiang Nan and was about to leave when he suddenly turned to look at Xiang Nan.

then, he said to wen yuan, " get xiangnan's coat. he's running a fever. i'll send him to the hospital. "

wen yuan was also a little surprised. he reached out and touched xiang nan's forehead gently. he did have a fever.

She rushed upstairs and came down after a while to put her coat on xiangnan. Ye Mulin carried the child and walked towards his car outside. Wen Yuan opened the door and got in to take xiangnan.

Xiang Nan's fever was quite severe, so they didn't think too much about it and went directly to the hospital.

...

The doctor said that it was acute pneumonia, probably due to the air in B city these few days. The doctor then looked at ye Mulin and thought that the leader's child should still take it.

Xiang Nan was frightened. She lay down quietly and said in a low voice, "Uncle, I'm scared."

Ye Mu Lin's head leaned over and gently touched Xiang Nan's head. don't be afraid of missing Nan. You'll be fine as long as you get an injection and take some medicine.

wen yuan came back from talking to the doctor outside. he looked a little more relaxed. with ye mulin's status, xiang nan had received the most appropriate treatment and care.

she came in and patted xiang nan's head. she lowered her voice and said to ye mulin, " "You can go back first. I'll be fine here."

“I’ll stay and take care of him. I’ll leave tomorrow morning,” ye Mulin said without a second thought.

wen yuan disagreed. ” shirley has just returned. there’s still an ‘an, isn’t there? don’t let her misunderstand. ”

“It’s fine to let her misunderstand.” Ye Mulin smiled.

After that, he didn’t say anything else and focused on feeding xiangnan water. Xiangnan looked at him and said in a soft voice, ” “Is Anan your child?”

“yes.” Ye Mulin reached out and touched his little head. His voice was low and hoarse. I want Nan to get well soon. Otherwise, an ‘an will be stronger and more handsome than you.

xiang nan smiled. her smile was delicate and had a kind of weak beauty.

Ye Mulin thought of his own daughter and sighed in his heart. She really looked like a boy.

he stayed for the whole night and thought about how he kept having a fever at night. he and wen yuan did not sleep well.

although they were not husband and wife, they had raised their child together. hence, he could not leave wen yuan alone.

At ten O ‘clock in the evening, he called Bai Sulli to tell her that he was not coming back and asked her to tell an’ an.

He did not explain anything else.

bai suili didn’t ask him anything, and the two of them were silent for a long time. she said somewhat uneasily,”I’m hanging up then.”

after hanging up the phone, ye mulin smoked a cigarette in the corridor and then returned to the ward.

Xiangnan was asleep, so he let Wen Yuan sleep as well. The two of them took turns to look after the child. Fortunately, xiangnan's fever had subsided by dawn. Ye Mulin heaved a sigh of relief. Then, he casually took a shower and gave Wen Yuan some instructions. He then called the servants at home to ask them to prepare breakfast for xiangnan and to send it over. He also arranged for the doctors in the hospital before he drove away from the hospital.

he returned to the apartment. it was quiet because it was seven in the morning. he went to the pink-blue room first, as he was sure that an an would sleep in there.

As expected, the little guy was lying there, sleeping soundly. His heart softened.

Children were easily forgetful. The little fellow who was especially angry last night had long forgotten about it. She was sleeping soundly like a little angel. Ye Mulin sat down and touched her little face gently with his fingers. It was soft and tender.

he smiled and his heart softened. he sat for a while before returning to the master bedroom.

The mother was still sleeping, in the same sleeping position as an 'an. She was lying on her side and holding a pillow. She looked so childish.

"Get up!" Ye Mulin bent down and pinched her face.

Bai suili was woken up by him. When she opened her eyes, they were slightly bloodshot.

"Did you sleep very late last night?" he asked in a hoarse voice.

...

She closed her eyes again and hugged the pillow. I translated until very late. Why are you here so early? " she asked.

“I wanted to be admitted to the hospital, and my fever only went down this morning,” he said in a soft voice.

bai suili’s eyes opened slightly,”Then shouldn’t you be taking care of her in the hospital? You still have to work?”

Ye Mulin rolled his eyes at her, as if she had said something stupid.

She ignored him and hugged her pillow to sleep again. Ye Mulin suddenly thought of something. it should be time for Anan to go to work. I’ll ask Secretary li to arrange a room for her later.

“No need,” Bai suili’s voice was muffled.

he glanced at her, then went to the changing room to pick out his clothes. he changed by the bed and did not avoid her.

As he hugged the clothes, he said, ” “Why not? Anan is about the same age as xiangnan.”

bai sulli buried her face in the pillow and then opened her eyes to talk to him. however, as soon as she opened her eyes, she saw him changing his clothes, and she could see his six-pack.

she bit her lip in disbelief.

He spent most of his time in the office, socializing, eating, and reading endless documents. Where did he get his muscles?

Ye Mulin stared at her and smiled. didn’t you say that you don’t have any physiological needs? why are you still looking at me for so long? ”

Hmph! Bai Sulli snorted softly. I’ve seen too many foreign films. Yours is really nothing!

ye mulin frowned. then, he put down his clothes and walked towards her.

Bai suili immediately sat up, hugged the quilt tightly, and screamed in a low voice, ” “What are you doing?”

He held her down with the blanket and stared at her with an unfathomable gaze. His voice was low and hoarse.”haven’t you seen a lot? what’s there to be afraid of?”

as he spoke, he pulled her hand over to feel his six-pack abs ...

the facts proved that bai suili had been overthinking it. she thought he was going to be a hooligan. although he was still a hooligan now, it was much better.

however, the truth proved that she was overthinking it. it would be strange if he didn’t act like a hooligan.

Her hand was pressed down by him, and she felt it. She called out softly, ” “ye mulin, you bastard, let me go!”

he pressed her down and leaned over.”how is it?”

“What do you mean?” she was stunned.

He paused for a moment, then leaned close to her ear and said in a panting voice, ” “Don’t you suspect me and Wen Yuan?”

Bai suili was stunned again, then blurted out,”Isn’t it normal for you to have something with her?”

they had been husband and wife for so long, and she didn’t dare to think that they were innocent.

As soon as she finished speaking, his face darkened and he stared at her for a long time. Bai suili, you’re really good.

She could not understand where his anger came from. She turned her face away. let go.

He stared at her and slowly let go of her. Then, he said angrily, "I'll still ask Secretary Li to arrange a nursery for Anan." this way, she wouldn't be able to escape.
