

Thank you 3651

Chapter 3651: i'm getting old, huh?(1)

when ye mu lin was angry, his tone would not be too good. bai sulli was stunned for a moment before she turned her face away.

anger was more of a grievance.

Yes, she wasn't good enough and wasn't outstanding enough, but this was just how Yingluo was. She had already worked very hard.

she thought that she was doing well now, but he still looked at her as if she was useless. when she was angry, she would not talk to him. tears fell from her face. it was not like before, when they were at loggerheads. she really felt wronged, and it was as if she had broken up with him. she would never see him again in this life.

It was not that she did not feel anything when they met again. However, she felt a sense of unfamiliarity. Other than the fact that he was Wen Yuan's husband, it was also because of his power. She felt pressured even in this office. She finally had to admit to herself that this man was no longer the ye Mulin from before.

she lowered her eyes and tears fell one by one, dripping on the back of her hand, but she didn't wipe them.

...

He was not willing to accept it, but he still wanted to save face.

Ye Mulin stared into her eyes and his gaze landed on the back of her hand. He knew that she would throw a tantrum but he did not expect her to cry like a child.

Just as he was about to say something, Secretary li pushed the door open and came in, followed by a political figure.

when the two of them saw the situation inside, they quickly retreated.

ye mulin looked up and glanced at the little girl who was crying hard. his voice became much gentler.”you’re already a mother, but you still cry so much. an ‘an will laugh at you.”

she still turned her face away and said in a willful and peeved tone, ” “i’ll give anan to you, i’ll walk on my own.”

Ye Mulin lifted her chin with a finger. She was so angry that she wanted to slap it away. However, he quickly grabbed her chin and leaned over to say in a low voice, ” “are you angry?”

she tried to hide her face, but he just had a way to pinch it. the more she tried to hide, the stronger he pinched. in the end, he pinched her chin until there was a bruise.

after ye mulin let go of her, he laughed and dragged her into the bathroom. he pressed her shoulder from behind to face the mirror. she was unwilling, but he was too strong.

he turned his face around, almost touching her face as he spoke. put some ice on it. Otherwise, people will think that I forced you to do some special service.

The special service staff member, snowy, was stunned for a moment before she regained her senses. She glared at him and said, ” “Ye Mulin, you’re too despicable.”

he was still sticking to her face and laughed in a low voice. ” how am i evil? if i’m really evil, i’ll force you to provide special service. ”

she looked at the two people in the mirror with tears in her eyes and was a little shocked.

he smiled again,”what’s so strange about it?” All men like this, and I’m no exception.”

bai suili was still looking at the mirror in a daze, and after a long time, she finally squeezed out a sentence, ” “Ye Mulin, you’re too shameless.”

He stared at her and smiled after a while. really? ”

She lowered her eyes. you're so busy and old. Why are you still thinking about these things? "

He didn't reply for a long time. She looked up and was stunned for a moment. Ye Mu Lin's eyes were staring at her in the mirror. His gaze was very terrifying.

She was stunned.

"I'm old, aren't I?" he smiled.

as he said this, his fingers gently rubbed the purple area on her chin. he said with a deeper meaning, "let's try it out tonight."

bai suili bit her lip.

He smiled and pressed his finger on her lips.

Chapter 3652: I'm getting old, huh? 2

He carried her into the lounge. sleep with Anan for a while and have lunch together. I'll take you home tonight.

"aren't you going to the hospital?" she asked as she got down.

he made an "oh" sound, as if he had just remembered."That's true. You can come with me."

"I'm not going." bai suili's reaction was quite intense.

ye mulin looked at her and smiled gently. he did not say anything else and only kissed an an."mommy's not angry anymore, so baby won't be angry anymore, okay?"

bai sulli then realized that he was only coaxing her because of an 'an. she was so angry that she kicked him on the leg. he reached out and held her down. he looked straight into her eyes."You will lead Anan astray."

...

"She's very well." bai suili's eyes turned red.

Ye Mulin smiled and went over to say something to an 'an. He straightened his body and took another look at Bai Sulli before walking out and closing the door behind him.

It was quiet in the lounge, and only the mother and daughter were there.

An 'an looked at Bai Sulli and moved over ...

bai xiuli glared at her.

an 'an's small body crawled over and hugged her.

he didn't say anything and just hugged her.

Her heart softened, and she pressed her face against an an's. Feeling wronged and afraid, she said in a low voice,"anan, i will be more careful in the future."

an 'an whimpered and hugged her tightly. they had made up.

At noon, ye Mulin asked Secretary li to send lunch over. They ate in the small dining room. The lunch was sumptuous and there were desserts that children loved. Bai Sulli felt that it was not good. As she ate, she said, " "i'll bring anan back later."

ye mulin looked at her and smiled. " why? don't you want to stay here? are you afraid that people will gossip about you? "

“You know.” Her voice was excited at first, but then it became softer as she was afraid that an an would hear something.

later, bai suili herself also felt that this topic was a bit boring, so she didn’t continue.

Ye Mulin looked at her and pondered for a moment before saying, ” “i’ll get the chauffeur to send you back later. i’ll be back tonight.”

“it doesn’t matter if you don’t go.” she added. actually, it was only natural because xiangnan was sick. even if he was not xiangnan’s father, he had always raised him by himself and was his father in name.

when she said that, ye mu lin gave her a strange look and then smiled.

he didn’t say whether he would come back or not, but just pinched an an’s little face.

an an looked up at him.

ye mulin smiled, hugged her, and kissed her. ” daddy will be home tonight. ”

he said ‘go home’, but the meaning was quite profound.

He was working in the afternoon, and Bai Sulli took an ‘an back in the driver’s car. When the driver came back, ye Mulin took the time to make a call.”you’ve sent her here?”

the chauffeur nodded. ” yes, don’t worry, chief. i’ve already sent her over. ”

Ye Mu Lin hung up the phone and immediately called ye mu Bai. “mubai, are you still in B city?”

On the other side, ye mu was at the airport and was about to return to United States.

“Brother, what’s the matter?” he asked as he walked.

ye mulin's voice was a little low. " didn't i tell you before that wen yuan was going to bring xiangnan to the United States? xiangnan might be a few days late if he's sick. i'll contact you again then. i'm worried about them going there. you can take care of them then. "

Chapter 3653: i'm getting old, huh?(3)

"xiangnan is sick?" ye mu bai was stunned for a moment.

" yes, " ye mulin replied. " i'm a little worried. i've been a little busy these few days, so only wen yuan can take care of xiangnan. "

"then i'll stay for a few more days!" ye mu bai stopped in his tracks.

"That would be great." Ye Mulin smiled.

after hanging up the phone, he dealt with work for the entire afternoon. at around seven or eight o'clock in the evening, he went back to the villa to pick up some things. he then went to the hospital to see xiangnan. xiangnan was fine, but she needed to be hospitalized for a few days.

When she was bidding Wen Yuan farewell, ye mu Bai happened to come over. "big brother, you're not going to stay at the hospital tonight to keep xiangnan company?"

...

Ye Mulin paused for a moment. it's okay. I have a meeting out of town tomorrow. I have to leave early in the morning.

ye mu bai stared at him for a while before looking at wen yuan. he felt that the couple was not that close even though he had witnessed their intimate moments.

i can't tell, it's probably a man's intuition.

He stood side by side with Wen Yuan and watched as ye Mulin's car drove away. Then, he looked at Wen Yuan and said, "So you won't keep him?"

Wen Yuan also retracted his gaze and looked at him indifferently. "He has a job."

Ye mu Bai did not know what was wrong with him, but he felt that her reaction was too cold and emotionless. He furrowed his brows. "Aren't you worried that he has another woman outside?"

"He's very busy. He might not have the time," Wen Yuan replied with a smile.

then, you two will be my next parents. You two will end up in a divorce. ye mu Bai's expression was slightly cold.

"do you love him?" he asked sarcastically. "or do you only love his power or just a marriage?"

"ye mu bai, you've crossed the line." wen yuan's voice was cold.

she wanted to enter the ward, but ye mu bai stopped her. he stared into her eyes and said in a low voice, "was it also a mission when you slept with him?"

Wen Yuan took two steps back and looked at him in surprise. Then, her voice was hoarse. "You don't have the right to ask, and I won't tell you."

she walked around him and wanted to open the door, but his hand covered the back of her hand and crossed the line. "or do you think that apart from money, a husband and wife only need to make love to maintain their relationship? if Nan doesn't even accompany you when he's sick, can't you ask for it?"

Wen Yuan turned around and stared at him.

After a long time, her voice was very, very soft. "ye mu bai, all of this has nothing to do with you. if you continue to be so concerned, i'll think that you're trying to seduce me!"

“you’re the one who’s been tempted first.” ye mu bai took a step forward. ” is it because he doesn’t treat you well and doesn’t care about you? is that why you’re trying to seduce me to have sex with him so that you can take your revenge on him? ”

Wen Yuan was stunned. Actually, there was a misunderstanding during their first meeting. She could not help but feel a little embarrassed. Was his way of thinking a little too strange for him to say that?

A mocking expression appeared on her face. ye mu Bai, I think you’re more suitable to be a scriptwriter than a director.

Ye mu Bai chuckled. you’re just like a ridiculous actor, Wen Yuan. You don’t even dare to fight for your own happiness.

He took out his phone and pulled out a few photos.”did you go to United States to escape this?”

Those photos showed Bai Sulli and an an in ye Mulin’s office. Wen Yuan’s face was a little pale, and he could not figure out how much ye Mubai knew.

Chapter 3654: I’m getting old, huh?(4)

Ye mu Bai stared at her and said, ‘Bai suili is his ex-wife, isn’t she? They even have a child now. Wen Yuan, you’ve made a huge sacrifice in order to maintain this marriage.”

“Don’t say anymore.” The corners of Wen Yuan’s mouth curled into a cold smirk, ” “this has nothing to do with you, nothing to do with you at all,”

“Really?” ye mu Bai looked at her. Do you dare to say that you don’t know? do you dare to say that you’re not afraid of a divorce?”

she bit her lips. because she was humiliated by him, he didn’t say it directly, but his meaning couldn’t be more obvious. it was nothing more than that she refused to let go of her position as mrs. ye even though they clearly had no feelings for each other.

wen yuan looked at him and smiled. " divorce? " ye mu bai, will you marry me after the divorce? yes, you're right. i know that he has another woman outside, and he has always had one. the one he loves is not me, but even so, i just have to be a good mrs. ye and i'll have everything."

ye mu bai's expression was frighteningly cold. he looked at this woman and felt that she was so vain that it was terrifying. she was just like the women in his circle who were materialistic and emotionless. she only recognized fame and power.

...

although he looked down on wen yuan, ye mu bai liked xiang nan very much and treated xiang nan very well.

he treated wen yuan as if he was in winter and xiangnan as warm as spring. however, before he thought about the south, his attitude towards wen yuan was very restrained.

wen yuan did not defend himself, but she seemed to have lost confidence.

Ye mu Bai's impression of her was extremely bad. Perhaps it was because he was still as guarded against her as before and only did her but not love her.

She remembered that in the past, he had been tricked into having sex with her for the first time. Rather than saying that it was ye Mulin's scheme, it was more appropriate to say that it was her scheme ...

it was her first time, but it wasn't for him. however, after drinking the spiked wine, he felt like he had eaten a jar of village medicine, and he almost killed her.

The next day after she was done, she could not walk for the entire day.

after he woke up, he was very angry. his face was very dark, as if he couldn't accept that he had slept with her. in his heart, she was ye mulin's fiancée, and she was a woman who had occupied a position. he felt that it was unfair for bai sulli.

now that he had lost his memory, he still rejected her. just like after they had slept together, they had slept with hanhan many times. the second time, he had drunk and she had gone to his apartment to take care of him. they had been fine the whole night, but the next morning, she had taken a shower before going to work, and the bathroom door had opened unexpectedly.

wen yuan would never forget the way ye mu bai looked at her. his eyes were burning with passion. then, he walked over and pressed her against the wall. he wanted her very roughly.

she didn't know if it was because he hated her or because he was self-deprecating, but he didn't kiss her lips. he was just venting.

After that, she collapsed on the floor of the bathroom, while he sat outside and smoked.

By the time she left, there were already seven or eight cigarette butts in the ashtray in front of him. He was very, very bad to her. At that time, Wen Yuan felt that he was being cheap. He was such a gentle person, yet he treated her like this. She did not leave and even waited at the same place.

What was she looking forward to?

she probably didn't know either!

She tugged at her clothes and said that she was going to be late and had to leave. Ye mu Bai reached out to hold her arm and pulled her into his arms. His voice was hoarse."Let's do it again."

This time, it felt like a punishment, and he was a little distracted.

Chapter 3655: The night of ye mu Bai and Wen Yuan (1)

they really started dating after that time. wen yuan knew that he did not like her.

In ye mu Bai's heart, there was a little princess called Lin sisi. Lin sisi's background was somewhat similar to Bai Sulli's, but after the Lin family fell, father Lin did not go to jail. However, Lin sisi's

life was not as good as Bai Suli's. She wandered for so long before she met Gu ze and was even hurt badly.

wen yuan could not be jealous of lin sisi because she was on the same level as her or mu bai. lin sisi and gu ze had never really been separated. it was gu ze who refused to let go yingluo.

wen yuan did not know if mu bai was waiting for lin sisi. however, she knew that ye mu bai did not like her. he had done it with her only because of his biological needs.

He even hated her.

The last time, she had been tricked. Ye Mu Lin had tricked them, and she had tricked mu Bai. This time, they had sex while they were both sober.

...

After they were done, Wen Yuan leaned on his shoulder and panted heavily.

After everything had calmed down, Wen Yuan said in a hoarse voice, "I'm going to be late."

She wanted to get up, but he held her waist and said in a hoarse voice, "I have something to tell you."

Her body stiffened, and after a moment, she said, "Can we talk about it tonight?"

ye mu bai was still holding her down, but he let go of her after a while. wen yuan fell to the side and looked very embarrassed.

he lit a cigarette and puffed for a long time before he said, "I'll come over tonight,"

wen yuan looked at him with a surprised and hurt expression.

when she came over at night, his part-time helper left after cooking. when she saw wen yuan, her gaze was a little indescribable.

ye mu bai sat at the dining table and asked her to go over to eat. wen yuan walked over and sat down, but he did not say anything. he just ate silently. she wanted to speak but gave up after thinking about it.

They had a meal together. Then, he went to the study room first. Wen Yuan followed him after washing the dishes.

ye mu bai sat there and motioned for her to sit down. after that, he said to her directly, ” “We can maintain a physical relationship until you and my brother get married, or Yingluo, you and him are ready to have sex. Then, we’ll end it.”

Wen Yuan looked at him. Under his cold gaze, she realized for the first time that he was not easy to talk to.

“what if i disagree?” she asked softly.

“As you wish.” ye mu bai smoked the cigarette between his fingers as he stared at her face.”if you don’t want to, you can leave now. no one is forcing you, but ...”

He took out a box of medicine from the drawer. “i didn’t use any protection this morning, so i took my medicine.”

He said it normally, but Wen Yuan’s entire body was cold. Tears welled up in her eyes, but she could not say it out loud. She lowered her eyes and smiled very lightly.”i know.”

she took the box of medicine, opened the small pill, and put it in her mouth. the medicine dissolved and was very bitter. she swallowed it with some pain, just like the time he broke her body.

“It’s done,” She clenched the medicine box in her hand as if she was holding the last piece of driftwood and walked out of the study.

“wen yuan,” ye mu bai called out to her.

she suddenly turned her head and looked at him.

she thought that there was a hint of anticipation in her eyes, and he would definitely notice.

But soon, the illusion in her eyes was shattered, because he said, ” “wen yuan, you like me, don’t you?”

Chapter 3656: the night of ye mu bai and wen yuan (2)

she was embarrassed and didn’t say anything. he said, ” “and i only like your body.”

he stood up from behind the desk and walked toward her. he walked straight up to her. you still have one more option, which is to take a gamble and break up with my big brother, but I can’t guarantee that I’ll marry you. Even if I do, I can’t guarantee that I’ll love you.

she said that ye mu bai was a bastard, and she even wanted to give him a slap.

But her hand was stopped by him in the air. He held her hand and whispered, ” ” bai sulli, aren’t you a bastard? you’re even more unrestrained, seducing me while being with my brother. you’re afraid that after we get married, my brother won’t be able to satisfy you if he doesn’t touch you, so you picked me to sleep with me to satisfy your desires, right? ”

she was even more embarrassed. he clearly knew that she liked him, but he still said such unbearable words to her.

she opened the door and wanted to leave, but an arm caught her waist and she fell into his arms.

...

He was very tall, so he easily restrained her. He lowered his head and buried his face in her neck, biting hard.”are you angry from embarrassment? didn’t i satisfy your desire by sleeping with me? why are you still crying?”

He reached out and caressed her face, which was covered with cold tears.

Wen Yuan, what kind of woman are you? you slept with me and appeared at the ye family with ye Mulin at the same time. You chatted happily with the elders and called him Mulin so affectionately. You were born to be an actor, weren't you? it's a waste of your good genes if you don't study acting. he said mockingly.

Wen Yuan struggled. I'm going to let go. I'm an actor. Why aren't you staying away from me? ye mu Bai, why are you hugging me? "Let go of Yingluo, let go of me Yingluo!"

she struggled and screamed because he had carried her back to the sofa, half of his body pressing down on her, not allowing her to move.

She panted and glared at the man above her. "ye mu bai, you're shameless. you look down on me, hate me, and you're still pressing me down. "

"Because of Yingluo." He held her down and used his free hand to caress her face. His voice was hoarse."because i like to mess with you."

His thin lips pressed against her ear and he kissed it gently. a man's love for a woman is either true love or having sex with her.

wen yuan was stunned for a moment before he started to struggle violently and screamed, " "i don't want to."

"Do you know how loud and infatuated you were when we did it in the bathroom this morning? do you want to see how you do it with me before you decide if you want to be my sister-in-law?"

after ye mu bai finished speaking, he reached out and pressed a button. the entire bookshelf on the opposite wall suddenly turned around, and behind it was a mirror on the wall. the curtains of the floor-to-ceiling window slowly closed, and he had already lifted his hand to unbutton his shirt.

wen yuan was stunned for a moment before he pushed him away and ran towards the door. he dragged her back in a few moments and carried her to the mirror. his clothes fell to the ground and soon, the study room was filled with intimate sounds.

After a long time, the blood stopped burning and everything calmed down.

ye mu bai was still hugging her from behind, and his face was pressed against hers. he also forced her to look at the unbearable scene in the mirror. did you see that? how did you respond to me just now? are you sure you can still be my sister-in-law after you've done it with me? ”

“If I break up with him, Will you marry me?”

Chapter 3657: The night of ye mu Bai and Wen Yuan (3)

He said he would give her a choice, and she would give him a choice.

Wen Yuan was not a fool. She knew very well that she had broken off her engagement with ye Mulin. If she slept with ye mu for nothing, she would only be sleeping with him for nothing.

he was doing this for bai suili and ye mulin, and in his heart, she was a cheap woman with no moral integrity.

after she finished asking, ye mu bai bit her chin hard, and she almost screamed out loud.

She opened her eyes and looked at him. With tears on her long eyelashes, she said in a low voice, ”
“You're not willing?”

in fact, wen yuan was well aware of his own qualities. she was very good. if she was worthy of ye mu lin, how could she not be worthy of ye mu bai? he was unwilling only because he did not like her. he only liked her body and doing it with her. that was what he had said.

...

ye mu bai looked at wen yuan's reflection in the mirror. just as she had expected, she was very good, so good that she could become a princess consort.

the first time he did it with her, she was still a virgin and had no experience. he could even feel that she had no experience in kissing him. this was not strange because his brother would not touch her, and she had been staying in the boudoir and made herself look like an old lady.

wen yuan was already 30 years old in the year that he had sex with ye mu bai.

However, because she had not experienced anything, she was still very young and good-looking. Her temperament was also gentle. However, she gave ye mu Bai the feeling that she was a little scheming. He could not put his finger on it. Moreover, her attitude towards him was neither cold nor indifferent, but there was a hint of seduction in her.

And he was caught off guard and had sex with her.

There were some things that they were well aware of. His big brother had hoped that she would ask for the cancellation of the engagement, and she had a condition for it-ye mu Bai would take over.

no matter how stupid he was, he understood that he had always been her target.

what a lunatic!

he pressed his face against hers and stared at her. "Do you think I'd keep such a scheming woman by my side?"

wen yuan lowered his eyes and smiled faintly. "then why are you still sleeping with me?"

biological needs? you didn't take it seriously, did you? " "you're so wooden," he said insincerely. "the women outside are much more interesting than you. "

in fact, he could not even lie to himself. wen yuan's body was soft and fragile.

She was very fair and beautiful, and she took good care of herself. Her fingers melted wherever they went. Otherwise, he wouldn't have been so brutal as to have sex with her four times today. He had just done it just now, and now he wanted it again.

"Then you're not willing to marry me, right?" Wen Yuan closed his eyes.

he stared into her eyes. ” i told you, we’ll talk about this after you call off the engagement. ”

When she opened her eyes again, she didn’t say anything and just started to put on her clothes silently. He thought she had rejected Hanhan.

But later, when he was in B city, she would come over occasionally.

Ye mu Bai had never thought that she would always choose the days when she was easy to get pregnant and that she would poke a hole in the condom he had placed at the head of the bed.

when she came over that time, he was meeting a b-list female star to discuss a contract and his assistant had just left. the b-list female star must have gone crazy. she thought that she had to sleep with him just because she was acting in a movie. she took off her clothes in his study room and wen yuan came over after he threw his clothes to him.

when she pushed open the door to the study, she was a little shocked. she looked at them like a wife who had caught them in the act of adultery.

He found it ridiculous. Actually, for Wen Yuan, it was even more unbearable for her to be here with her identity!

Chapter 3658: Ye mu Bai and Wen Yuan, 1400 words

then why was she still looking at him like that? it was as if he had done something wrong and he didn’t have to explain it to her. however, he didn’t want to sleep with that second-rate either, so he asked him to take the clothes and get lost.

Wen Yuan also wanted to leave, but she did not say anything.

In the end, ye mu Bai was the one who dragged him back. He looked into her eyes.”What are you back for?”

wen yuan pursed his lips tightly and had a determined expression on his face. she looked at the tip of her shoes and chuckled, ” “I won’t come back in the future.”

ye mu bai frowned and looked at her. wen yuan pushed his hand away and took a step back. ” ye mu bai, in your heart, i’m no different from these women, right? ”

he suddenly felt a little irritated and put his hand in his pocket. she chuckled again.”that’s right, how much can you respect a woman who sent herself to be toyed with?”

...

she raised her head and looked at him. ” ye mubai, you’re right. i like you. everything i did was to get close to you, including my engagement to your eldest brother. you think i’m crazy, but what’s so good about ye mulin? you clearly know that we’re fake. you think i’m using him, but he’s not using me. from another perspective, i’m helping him, but why should i help him? it’s all because of you, wanwan, because of you, you bastard! ”

after wen yuan finished speaking, he pushed him away and wanted to run away. he reached out and grabbed her wrist to stop her from running. his voice was hoarse.”wen yuan, explain clearly.”

However, before he could ask, the second-rate came out with a condom in his hand. He swallowed his saliva and said, ” ” director ye, i found this condom in the bedside cabinet. it seems to have a hole in it. there’s a big box over there that has holes in it. ”

Ye mu Bai was stunned. Then, his gaze fell on Wen Yuan’s face and he said in a soft voice, ” “you did it?”

wen yuan did not make a sound, but his face was pale.

“you want to get pregnant with my child?” ye mu bai asked again.

she did not deny it.

ye mu bai narrowed his eyes. ” wen yuan, you crazy woman, do you know what you are doing? do you think i will marry you just because you are pregnant? ”

"I'm pregnant. If you don't want to marry ye Mulin, you have to." her voice was calm, as if she had thought about it a thousand times.

As soon as she finished speaking, ye mu Bai gave her a slap on the face. He was usually the gentlest person, but this was the first time he had hit a woman, and it was a woman who had a relationship with him.

he grabbed her hand and said in a furious voice, "follow me."

the second-tier actor was so scared that he peed his pants. his legs were weak because he recognized that this woman was a famous person. she was ye mulin's fiancée, which was also director ye's sister-in-law. their wanwan actually had an affair!

the second-rate swallowed her saliva. ye mu bai swept her out of the room and brought wen yuan to his car.

"Ye mu Bai, where are you taking me?" Wen Yuan asked as he sat in the back seat.

"to the hospital," he said briefly, "I want to check if you're pregnant."

"are you crazy? i don't want to go!" wen yuan screamed.

however, he was determined. he ignored her and made a call to find an expert to wait for him.

He drove there and then dragged her to the examination room. The ultrasound, urine test, and blood test were all done to prove that she was not pregnant. After Xuxu was done with her torment, Wen Yuan refused to get into his car at the entrance of the hospital.

She only looked at him as he kept backing away and then got into a taxi.

after that, wen yuan did not look for him again. he knew that she was probably afraid and had given up on hanhan.

one day, he drank too much and drove to wen yuan's apartment. he knocked on her door and she was only wearing a bathrobe when she opened the door. she seemed to have just taken a shower.

He had drunk too much and pushed her in, forcing her to do it twice without any protection. At the end, he woke up and seemed to regret it. He slowly let go of her, but he didn't do it to the end.

He lay down dejectedly at the side, and after a long time, he turned his face to her and said, "Wen Yuan, I'm sorry. I drank too much."

wen yuan was curled up in the corner of the sofa with his bathrobe hanging on his body. his exposed skin was bruised and purple, accusing him of being rough just now.

ye mu bai looked at her for a long time before he finally wrote a check for her. it was ten million yuan.

After he left, Wen Yuan tore the check into pieces. Pieces of the check fell to the ground ...

she laughed. it was great that he was treating her like a prostitute.

After this incident, no one paid attention to each other, and she didn't take the initiative to contact him. She didn't have the mood or energy to scheme against a man anymore, Yingluo.

Later on, she felt unwell and went to the hospital. Before she had a checkup, she met ye mu Bai.

was lin sisi sick? he was talking to lin sisi by her side. when lin sisi smiled, he smiled even more happily.

at that time, wen yuan thought to himself, 'actually, i will love someone. it's just that i don't love her. i just hate her.'

Chapter 3659: the night of ye mu bai and wen yuan (8)

Wen Yuan just stood there and watched him quietly.

Lin sisi's complexion was not good. She was probably not feeling well. After that, he helped her up.

she could not hide the concern and love in his eyes. it was something that wen yuan had always wanted but never had. she had thought about it and they had done it many times, but he had never shown any warmth to her. his hatred was so obvious.

She thought that she didn't feel pain. She thought that in the world of love, only one person needed to contribute. It was enough to just look at him. But now she knew that a one-man show was so ridiculous and sad.

especially her. when she was sick, she needed someone by her side.

but she couldn't do anything. she could only continue to walk forward, pretending not to see them and pretending that yingying wasn't hurt.

...

ye mu bai still saw wen yuan. he stared at her and gently let go of lin sisi. "i'll go for a while."

Lin sisi and Bai suili were so close. How could she not know Wen Yuan? however, in the past, she only knew him but did not know him. However, the way she looked at mu Bai now, why did it seem like mu Bai and Wen Yuan were having an affair?

Sister-in-law and brother-in-law, it was exciting just thinking about it!

Lin sisi had just happened to say goodbye to old Bai. He was going to Yunnan, so he had tea with her. However, she had diarrhea, so old Bai had sent her here. She did not expect to meet Wen Yuan.

However, the way Wen Yuan looked at Lao Bai was enough to write a story!

ye mu bai patted lin sisi's arm lightly. "i'll send you back later. "

“No need, Mubai. My Wanwan is much better.” lin sisi smiled brightly and waved at him. ” “you should go and see your sister-in-law.”

ye mu bai glanced at her. he was not sure if lin sisi had found out about something. however, he did not say anything in the end and quickly caught up with wen yuan.

he caught up with wen yuan by the elevator and dragged her out of the elevator. ” why are you here? ”

Wen Yuan stared at him for a long time before he slowly said, ” “i’m not feeling well.”

His lips moved as if he wanted to ask, but in the end, he didn’t.

wen yuan broke free from his arms and said quietly, ” “If there’s nothing else, I’ll go up. I’ve made an appointment with a specialist.”

ye mu bai pursed his lips and did not say anything.

In the end, Wen Yuan entered the elevator. When the elevator door closed, none of them thought that this might be the last time they would see each other in their lives. When ye Mubai returned, Lin sisi was no longer around. He looked at the time and went to catch his plane.

meanwhile, wen yuan was lining up in the long corridor of the hospital for a physical examination. he felt nauseated and wanted to throw up. it took him a long time to go from the digestive department to the internal medicine department before an elderly doctor finally said, ” there’s no problem with the results. Miss Wen, why don’t you take a look at the obstetrics department? ”

it was the obstetrics department, not the gynecology department.

Wen Yuan was stunned. His fingers gripped the bag in his hand tightly. After a long time, he said in a low voice, ” “What do you mean?”

“miss wen might be a mother soon,” the middle-aged female doctor said in a gentle tone.

Many people knew that Wen Yuan was ye Mulin's fiancée. It was not strange for her to have a child, so the doctor congratulated her.

however, wen yuan was shocked.

she walked like a zombie to the obstetrics department. there was a long line of women in front of her, all of whom had pregnant bellies and happy smiles on their faces.

Chapter 3660: the night of ye mu bai and wen yuan (9)

she might be pregnant!

But could she be as happy as them?

she didn't line up. instead, she ran away from the hospital as if she was escaping. she sneaked into the pharmacy to buy a pregnancy test ...

In the bathroom, she saw the legendary two lines.

She scratched her head and sat on the floor of the bathroom, her face resting weakly in her arms.

She was pregnant. When she was about to give up on ye mu Bai, the child, Hanhan, should have been the night when he drank too much and almost raped her.

...

he had drunk too much, so naturally, he did not take any protection. that day was also her safe period, so she did not take her medicine ...

She was pregnant with ye mu Bai's child. In fact, she only had him as her man.

Wen Yuan closed his eyes. He had no energy left in his body. From day to night, she maintained the same position, holding her phone and looking at Hanhan.

it was only after ten o'clock in the evening that she called ye mu bai's cell phone. he only picked up after a long time.

Wen Yuan hugged himself with one hand and called his name softly, "Mubai, if Qianqian ..."

On the other end, ye Mubai frowned and said in a deep voice, "Is there something?"

Wen Yuan lowered his eyes and said very, very softly, "If I break up with him publicly, will you marry me if I tell you that I've always liked you, Yueyue?"

Without waiting for him to answer, she hurriedly said, "I only have you as my man. I really don't have anyone else.

Ye mu Bai was silent for a moment before he muttered, "wen yuan, you're not young anymore. can you be more mature and rational? we can't be together just because you broke up with my brother. you can marry someone else, but if you marry me, the consequences will be very serious."

"What will happen?" Wen Yuan's emotions were a little unstable. will it make you unhappy? will it make you not want to go home? ye Mubai, if you don't like me, why do you keep sleeping with me? "

"It's something that both of us are willing to do." Ye mu Bai's voice sounded emotionless in the dark night."wen yuan, stop being childish. you can't get what you want just because you like it. it's the same for me. let's be more mature, okay?"

She was still in a daze, but she seemed to have understood one thing. Ye mu Bai might never like her.

she hung up the phone and did not mention her pregnancy.

After she hung up, the night was still dark. She didn't turn on the lights and just cried in the dark.

She asked for it today. He was responsible for the child's accident, but it was also her own carelessness. She used to want his child so badly, but now she was so afraid of his arrival.

Wen Yuan stayed at home the whole time. She did not go to work the next day. She had forgotten about the time and everything else. It was not until the heavy rain outside that she snapped back to reality.

however, when she picked up her phone and called ye mu bai to tell him about her pregnancy, he could not get through to wanwan.

She frantically looked for him, but his phone was still switched off after hundreds of calls. She looked for ye Mu Lin, but she only managed to get ye mu Bai's broken phone after using all her means.

she really thought that he was dead, but he was still alive. he lost his memory, but he still hated her.

Wen Yuan looked at ye mu Bai and slowly came back to his senses. A bitter smile appeared on his face. Yes, he still hated her!

in fact, she didn't care so much anymore. he hadn't been by her side for so many years. she was fine, and nan was fine, too. maybe she just couldn't accept it, or maybe it was because he lost his memory that she wanted to take advantage of it.

however, when he thought about it, would he say that she was scheming and shameless in disgust?
