

## Thank you 3661

### Chapter 3661: I just want to make you cry (1)

As Wen Yuan thought about it, a bitter look appeared on his face. She did not know if she had made a mistake. Was it better not to go to the United States? was it better to give up?

ye mu bai went over and sat by the bed. perhaps it was because of the father-son nature in his subconsciousness, so he was particularly close to xiang nan. when ye mu bai sat, xiang nan leaned on his legs. he was not willing to eat anything for the whole day, but when ye mu bai fed him, he ate obediently. wen yuan had a complicated feeling when he saw this.

Ye mu Bai coaxed Xiang Nan to eat and then took out a children's book to read to the little fellow. After all, he was a sick and weak child, so Xiang Nan fell asleep in a short while.

Ye mu Bai covered Xiang Nan with the blanket and then looked at Wen Yuan. His tone was a little indifferent. "You're not eating?"

"I'm not hungry." "thank you," wen yuan said, lowering his eyes.

ye mu bai stood up and walked towards her. she was at the junction between the ward and the washroom. he walked towards her step by step and forced her to the door. his voice was low and hoarse. "wen yuan, what trick are you playing this time? if you think that a man would fall for a married woman's trick of injuring herself, then you're too childish. "

...

Her body was pressed against him, and she could not move at all. She closed her eyes against the door. "I didn't."

"what if i didn't?" he stared at her face. at such a close distance, he could see that her skin was very fine, so fine that there were almost no pores. there was only a circle of fine hair, and he could also see that she had lived in luxury.

Ye mu Bai stretched out a hand and gently touched her face. He was a little over-the-top and kept stroking it gently. She was very afraid, and her lips trembled as she closed her eyes in a daze.

his fingertips touched her lips and his voice was hoarse. ” are you intoxicated right now? ”

as he said that, he moved his face close to hers, and his voice became even more hoarse, trembling with an inexplicable sexiness.”Or is it because my big brother doesn’t want to touch you, so you want to use other men to satisfy you?”

“don’t say anymore.” Wen Yuan opened his eyes and gritted his teeth. “i’m your sister-in-law.”

“A man’s heart belongs to whoever it is.” ye mu bai laughed mockingly and slowly straightened his body. ” you just don’t want to admit it. ”

Wen Yuan was still leaning against the door. Suddenly, she closed her eyes and smiled gently. Her heart was beating up and down as she laughed. It was really very tempting.

even if I’m not satisfied, I’d never look for you, ye mu Bai. Wen Yuan opened his eyes and looked at him. so, don’t look at me as if I’m going to pounce on you at any moment.

Ye mu Bai’s expression turned even uglier.”That’s the best!”

Wen Yuan’s eyes were a little hot. She quickly lowered her eyes and did not look at him. Her heart felt a little cold.

she felt that she might have made a mistake. she shouldn’t have gone to United States. she wanted to give up on him now.

However, she did not dare to disclose the news of her divorce to the public. Otherwise, the Wen family, including her parents, would not let her off. Also, xiangnan’s background would be exposed.

she clenched her fists. it seemed like she had no way to retreat. perhaps she was just as ye mu bai had thought, a scheming woman.

The two of them stared at each other for a long time before he finally spoke, ” “Let’s eat together!”

he did not know why. he had forgotten everything. he could be friendly to everyone, including bai suili and her child. however, he could not be good to wen yuan. he had subconsciously rejected this woman. he could not put his finger on it.

Wen Yuan looked at him in surprise. Ye mu Bai sneered and said, "you're still my sister-in-law in name. Don't think too much about it. However, how long you can be my sister-in-law depends on your ability."

He entered the small dining room first, and Wen Yuan frowned. "ye mu bai, what about you? do you feel uncomfortable just because i'm being sarcastic?"

"I just don't feel good looking at you." He said it bluntly, then he frowned. "you acted really well the night i stayed at the villa."

Wen Yuan immediately thought of what had happened that night. He bit his lip and said, "I don't understand what you mean."

"you don't understand?" Ye mu Bai sneered again. my brother has a woman outside. How could he be so intimate with you? I heard that he's living outside, right? "

"that's enough," wen yuan was embarrassed. "you don't have to worry about me. i will never seduce you. don't worry. "

with that, she began to eat.

In fact, Wen Yuan was very good-looking and was the kind of woman who was suitable for a family. She was dignified and gentle, not the flirtatious and cheap type. Only ye mu Bai would think of that when he saw her.

The entire meal was silent. He didn't say anything, and neither did she.

after that, she cleaned up the dishes and walked to the balcony. she knew that ye mu bai had said faintly after she left, "there's someone in my heart that i've liked for a long time, but he doesn't like me."

“So,” She turned her head and looked at ye mu Bai quietly. “what you said doesn’t exist. i just mistook you for someone else at the concert that day. please don’t misunderstand. we can’t get along if this continues.”

Ye Mubai laughed drily and stood there casually. I should be more at ease now that you’ve said that. You won’t try to climb into my bed when you go to United States in the future, right? ”

wen yuan lowered his eyes and said softly,”yes!” even if i divorce your brother, i will not climb into your bed. don’t worry.”

“You’re looking for the foreigners? Do you think they can satisfy you?” Ye mu Bai asked with a frown.

Wen Yuan was so angry that he turned around and walked away. When he passed by her, he reached out and grabbed her wrist. He threw her over and she fell into his arms.

the warm, hard, and familiar aura made wen yuan want to cry.

When he disappeared, she thought he was dead. She cried for so long while pregnant with his child. He didn’t know. When he came back, he forgot everything. He was so bad to her. She cried before too. Now, she just accidentally bumped into his arms. Why did she want to cry too?

She was reluctant, but she forced herself to leave his arms. Her hand was on his shoulder, but it slid down to her heart. The more she pressed against him, the tighter he held her.

ye mu bai’s voice was tense.”look at you. you still say that you don’t want to seduce me, huh?”

Chapter 3662: I just want to make you cry (2)

Wen Yuan was extremely embarrassed. He turned his face to the side and said, ” “let go of me, i want nan to be here.”

“Xiangnan isn’t here, so you can fool around with other men. Is that what you mean?” He leaned close to her ear and asked in a hoarse voice.

what kind of logic was this?

Wen Yuan struggled with all his might, but it was fine if she did not struggle. Once she did, ye mu Bai could not hold it in anymore. He leaned close to her ear and said in a low and hoarse voice, "Wen Yuan, don't move."

because he had a reaction.

wen yuan was stunned for a moment. he bit his lip and felt a little embarrassed. after a long time, she whispered, "Let me go."

...

"I was wrong," ye mu Bai suddenly said.

his hot body hugged her tightly, and his thin lips pressed against her ear. "it turns out that i also have desires for married women."

he lowered his head, but he did not do anything. he just stuck to her.

"ye mu bai, we have already crossed the line of morality," wen yuan said softly.

Ye mu Bai placed his hand on her lower abdomen and tightened his grip. Wen Yuan, do you still have any morals? shouldn't a woman with a bottom line push me away?"

as he said this, he chuckled evilly in a deep voice, and then his hand went under her sweater.

Wen Yuan snorted. ye Mubai, what are you doing? Yueyue, take your hand away from me.

don't touch that!

however, he persisted. he hugged her and stared at her. "You don't want it? but i think you really want yingluo."

he retracted his finger and smiled evilly. then, he went to the bathroom to wash it.

Wen Yuan's legs turned to jelly and he could barely stand up. Her breath was hot and stained with ye mu Bai's breath.

She felt a little embarrassed. It was actually very embarrassing for him to treat her like that, but she still had a reaction.

he must have looked down on her!

wen yuan's hands clutched his clothes tightly as he stared at the night sky from the balcony. the night wind blew, but his eyes were warm.

he felt like crying.

the man she had liked and waited for for so long, he simply hated her.

Wen Yuan stood alone in the night, feeling lonely.

Ye mu Bai came out of the bathroom and looked at her. are you angry? ”

“I'm not angry.” Wen Yuan turned his head. His long hair hung loosely on his shoulders and half of his face was hidden in his black hair. He looked fair and pretty.

she looked at ye mu bai and said in a soft voice, ” ye mu Bai, you said that you were in the wrong just now. Actually, that's not the case. I was in the wrong.

A faint smile appeared at the corner of her lips. I can take care of xiangnan myself. You can go back. Also, don't worry. I won't appear in front of you in the future, let alone seduce you.

“what do you mean?” ye mu bai frowned.

wen yuan raised his head and smiled, ” “I mean what I said. I won't trouble you anymore. Please don't treat me like that.”

she was wrong, she shouldn't have had any illusions about him from the beginning.

after wen yuan finished speaking, ye mu bai smiled and put one hand in his pocket. ” “It's good. You're very enlightened. That's it. It's best that you don't trouble me.”

After he finished speaking, he looked like he was about to take out a cigarette, but after he took it out, he went out to smoke.

ye mu bai stood in the corridor, his long fingers gently snuffing out the cigarette. he raised his head and narrowed his eyes.

In fact, they were both wrong. It was not normal for him to have desires for her. It was not that he had never touched his girlfriends or other women before when they were sent to bed by female celebrities, but he had never touched them.

Chapter 3663: I just want to make you cry (3)

however, wen yuan was different. he wanted to bully her. was there something wrong with him? did he like someone's wife?

Or was it because she was his sister-in-law, so it brought him taboo excitement? or was wen yuan very attractive to begin with? He couldn't tell either. He only knew that his mind was filled with the image of her curled up in his arms like a shrimp, crying out no no, and he felt like he was going to explode.

He snuffed out the cigarette. Perhaps he should find a woman, then he wouldn't be so tensed up and fantasize about a woman he hated all day long.

He stood outside for a long time, and only pushed the door open late at night.

In the dark Ward, she fell asleep in Wen Yuan's arms. It was a heartwarming scene.

It also gave ye mu Bai a wonderful feeling.

...

It was as if something that was missing had been pieced back together. He looked at it quietly for a long time. Then, he lay on the sofa and looked at it the same way, reluctant to leave.

He must be sick, possessed.

\*

in a high-class apartment on the other side of the city.

after a busy day, ye mulin helped bai anan's little friend to take a bath. he wrapped her in a white bath towel and placed her on her bed. after her father wiped her face, he said in a serious tone, "anan, do you know that you were wrong?"

bai anan looked at her father with an indescribable expression.

Wasn't she safe from today's incident? why was Daddi bringing this up to her now?

Bai Anan swallowed her saliva silently. sorry, Mama. I'm wrong.

There were complicated emotions in ye Mulin's eyes. He didn't know whether he should be happy or unhappy. An 'an was obviously avoiding the important and avoiding the trivial. He was not so mischievous, and Bai Sulli was probably not so smart when she was young.

ye mulin's heart was filled with pride when he thought of this. he could not even describe this feeling. however, his father's identity made him decide to hit her little P \* ss. he placed his hand over and coughed lightly."Why didn't you tell me mom's number?"

little an an was lying on his stomach with his little face buried in the pillow. he said with a strong desire to live, " "Because I miss daddy."

Those few words seemed to have a magical effect on the man who was about to teach Bai Anan a lesson. He lowered his head and kissed the little girl."Alright, daddy won't hit you anymore."

An an got up and put her arms around his neck. daddy is the best, ” she said affectionately.

he was speechless. he didn’t know if it was a good thing to spoil her like this. he seemed to have no principles.

Ye Mulin pondered for a moment and decided to let his younger daughter make the decision.

we have to hit one of our fathers. Anan, do you think we should hit our mother or Anan? ” Ye Mulin placed his fingers on her small shoulders and could not help but touch her back. Every part of her small body was extremely cute and he could not bear to let go of it. He turned her over and over like a little doll and kissed her over and over again.

an ‘an let him kiss her and finally said with some disdain, ” “Daddy, you’re so perverted.”

perverted? did i?

he thought that he was only perverted towards bai sulli. ye mu lin smiled and kissed the little fellow to coax her to sleep as soon as possible.

before an an went to bed, she looked at him pitifully. ” daddy, are you really going to hit mommy’s P \* s again? ”

Ye Mulin chuckled and patted her head.”Then, can daddy punish me in another way?”

bai sulli, who was in the study, shivered.

Chapter 3664: I just want to make you cry (4)

After ye Mulin was done coaxing the little fellow, he stood up, rubbed his waist, and walked into the master bedroom.

There was no one inside. It was empty.

He frowned, then raised his hand to look at the time. It was already past ten o'clock, what was Bai Suli still busy with?

he went to the study and saw her lying there, translating.

"don't get your eyes so close, or you'll get short-sighted." He walked over and pulled her hair.

Bai Suli raised her head to look at him, then lowered her head and muttered, "he's long past the age of myopia, okay?"

...

"that's old hua." Ye Mulin's face darkened and he lifted her chin. "Get up."

"you're so annoying!" Bai Suli was working and found him annoying, so she subconsciously hit his hand.

Ye Mulin glared at her.

But Bai Suli didn't know anything, and he stared at her for a long time.

In the end, Ye Mulin still went out and returned to the master bedroom to take a shower. Then, he leaned against the headboard and casually flipped through a magazine.

He was waiting for her.

As he waited, he became a little impatient. It was almost midnight, and she was still working?

so he got up and walked to the study. Bai Suli was still working as before.

he looked at the door and went back to the master bedroom. This time, he took out his official documents to read. After a long time, it was almost one o'clock. He really couldn't wait any longer. He walked straight to the study and opened the door.

Bai suili was startled, and she turned around to look at him in surprise, "You're still awake?"

He stared at her, then reached out to carry her and closed her computer. "Time to sleep."

"No, ye Mulin, if you want to sleep, you can sleep by yourself." She was a little speechless and pounded his shoulder. "You go to sleep, don't worry about me!"

"i can't sleep by myself," he said slowly, staring at her.

Bai Sulli was speechless, but she was afraid that she would fall down, so she could only put her arm around his shoulder and let him carry her back to the master bedroom.

He directly pressed her against the soft bed, kissed her for a while, and then gently touched the corner of her mouth. "Do you want to take a bath or do it first?"

she came back to her senses from the kiss just now. her little face was a little red and she turned to the side. "ye mulin, our wanwan."

She remembered that he wouldn't let her, so she could only bite her lip weakly. "we can take care of anan together, but i don't want to have sex with you."

"but i want to." He pressed his lips to her ear and bit it lightly. "we live and sleep together. do you think we won't have sex? bai sulli, did you go to the United States about the westerners?"

she bit his neck angrily. "you're so hateful. if you dare to do anything to me, i won't let you off."

"Why won't you let me go?" he chuckled.

As she spoke, she muttered a few vulgar words in a low voice, and her ears turned red.

Ye Mu Lin laughed lightly again. Bai Xue Li, but before you let me off, I will not let you off.

As he spoke, he started to touch her. Bai Sulli had no choice but to turn her face to the side and sobbed. ye Mulin, let me go. I don't want Hanhan to be real. I don't want to.

"I want to." he kissed her, his deep eyes locked on her. it was as if he had a magic that made her unable to refuse him.

as he warmed her up, he kissed her and murmured, " "anan said i can't hit your P \* s anymore. i thought for a long time and couldn't think of a better punishment, so ..."

"does it hurt?" he smiled and kissed her.

Chapter 3665: i just want to make you cry (5)

Her black hair was scattered on the white bed sheet. Her face was buried in the pillow, her hands were clenched into fists and she was biting them. Her shoulders were trembling slightly, and no matter how one looked at her, she looked very pitiful.

ye mulin pulled her hand away and kissed her. his voice was low and hoarse. " i really don't want to. i don't want you to seduce me by crying like this, okay? "

" don't say anymore. " her face was full of tears as she bit her lips."ye mulin, you bastard."

"yes, i'm a bastard! it's not like i don't want you. what's wrong with me being a bastard? Who's going to compensate me for all these years, huh?"

The more he said, the more he wanted to kill her, and Bai suili cried even harder.

Ye Mu Lin let out a breath of relief and coaxed her. if Anan heard you crying like that, what would you say when she asked what happened to mom? would you tell her that you were spanked by dad?  
"

...

as he spoke like this, his voice was filled with desire, making him seem extremely vile. bai xue li couldn't stand him and sobbed,"ye mulin, you're too bad."

“Didn’t you already know the first day you married me?” He smiled at her affectionately and stopped teasing her. He only cared about taking her away.

He didn’t let her go until midnight. Bai Sulli felt that her waist was about to break, and her face was buried in the pillow, still crying.

ye mulin pressed against her and caressed her shoulder in satisfaction. after a while, he leaned over and kissed her face.”are you uncomfortable? why are you crying like this?”

she buried her face in the pillow and said in a muffled voice, ” “you don’t need to care.”

These were words of wealth. He followed her and kissed her evilly again, making her pant. She turned her face to glare at him. ye Mulin, what else do you want? we’ve already done it. If you still want more, I don’t have the strength to keep you company.

ye mulin chuckled in a deep voice. ” i’ll carry you to take a bath. don’t you hate it the most if you don’t clean it? ”

She was lying on her stomach and did not move. He reached out and carried her easily.

as he hugged her, he felt that she was thinner than before. his eyes sank. she had suffered a little.

Bai Sulli had no strength left, so she let him do as he pleased. She closed her eyes gently and felt that she was placed in warm water. It was very comfortable. She snorted softly and lay on the edge of the bathtub.

Ye Mulin came over and gently wiped her body with his back.

the warm water and his perfect service made bai sulli want to sleep. she lay down and lowered her defense.

Ye Mu Lin’s voice suddenly rang in her ears.”All these years, have you ever thought of me?”

“What?” she groaned in a daze and did not open her eyes.

he continued to speak in a deep and hoarse voice, " do you miss me hugging you? "

This time, she woke up and turned over to look at him.

it was probably the middle of the night, and her mind was probably empty after she had done it. she was not as guarded as she was during the day. she just put her arms around his neck and asked, " what about you? "

he lowered his head and kissed her. after a long time, he said in a hoarse voice,"what do you think?"

bai suili secretly clenched her fists. " don't come again. i'm tired. take me to rest. "

He stared at her with his dark eyes. After a long time, he carried her back to the master bedroom. She lay there and slept while he took a dry towel and dried her wet hair.

After he was done, he looked at her sleeping face and thought to himself that she was still trying to escape. Perhaps she was still angry! he was angry too, but it seemed like he couldn't get angry at her.

Chapter 3666: i just want to make you cry 6

In the past, he couldn't sleep when she wasn't around. Now that she was here, he still couldn't sleep.

then, the man who was almost 40 years old felt a little wronged. he put his face on her shoulder and bit down hard.

how could one time be enough!

however, he also knew that she might really get hurt if he continued for two hours.

He heaved a long sigh of relief and was ready to go to the gym to exercise. But after he went out, he went to an an's room to take a look. In the pink-blue Room, the child was sleeping soundly.

Her posture was the same as her mother's, with her face buried in the pillow.

...

ye mulin's heart softened. the last bit of hope in his heart was shattered by the family love and disappeared completely.

he lowered his head and kissed the little guy.

An 'an woke up. She opened her small eyes and looked at her father. She turned her small body and nestled in his arms. daddy, carry me.

Hence, ye Mulin, who had originally planned to work out, resigned himself to his fate and coaxed his younger daughter. However, the little thing with the Milky fragrance was especially comfortable to hold in his arms. It even had a hypnotic effect.

He thought he would have to keep his eyes open for the whole night, but he fell asleep first. Bai Anan stared at him, pinched his face, stared at him for a long time, and finally kissed him secretly.

she liked her father.

She snuggled into her father's arms. Her small body had to be in his arms. This was very important and necessary. Her small head had to be bent on her father's chin and neck so that her father could kiss her small head when he lowered his head.

after adjusting herself, bai anan went to sleep happily.

At night, an an had a dream. She dreamed of a big forest. A big gray wolf and a little white rabbit got married and gave birth to a small white Rabbit. It was very beautiful and the small white Rabbit was called Bai an 'an.

bai anan was having a sweet dream and was laughing so hard that she almost woke up.

she did not wake up, but ye mulin did. he looked at his little love giggling in his arms and lowered his head to kiss the little fellow. his mind went blank again and he fell into a deep sleep in the fragrance of milk.

bai suili was the first to wake up in the morning, not even seven o'clock.

The sky was already bright. When she opened her eyes, she felt that her whole body was sore. She lay on Shen Yin and greeted ye Mulin's entire family before getting up. He was not around. She had to go and see an an and make breakfast for the child. As for the man who had forced himself on her last night, he was not within her consideration.

bai suili sat up and realized that she was only wearing a black shirt, and it was ye mulin's.

He probably wouldn't wear this color anymore, so why was he still wearing it?

she didn't change and just put on a sleeping robe and walked towards an an's room. as soon as she pushed the door open, she saw the father and daughter sleeping affectionately in each other's arms and breathing in unison.

she stood by the door, feeling a lump in her throat. her feelings were complicated.

she wanted to leave him, but she wasn't sure because of an 'an. an' an liked him very much. it was the kind of love that made her want to be close to him. it was as if he was her father from birth and an 'an didn't need to go through the transition.

Bai suili was a little annoyed. Was it because he was so good-looking that an 'an liked him so much?

She wanted to leave, but the man had already woken up. His dark eyes locked on her silently, and he said in a low and hoarse voice, "come here."

Bai suili took a step back. I'll go make breakfast.

"I'll make breakfast. You sleep with Anan for a while." He had already stood up as he spoke.

Chapter 3667: i just want to make you cry (7)

Bai suili made an “Oh” sound and looked at the sportswear he was wearing, a little puzzled.

he naturally saw the look in her eyes and glared at her. without saying anything, he picked her up and put her next to an ‘an, even rubbing her a few times.

“don’t be like this.” “An ‘an will wake up,” she said, biting her lip.

“why don’t we go back to our room?” he asked with a somewhat ...”

“ye mu lin, why are you always thinking about such things?” she glared at him.

As soon as she finished speaking, she let out a low cry because he had carried her all the way back to the master bedroom.

...

“What are you doing?” Bai suili bit her lip.

He lowered his head and kissed her. I have to go to work later and don’t have time to do it. But you’re right, I’ve been thinking about this all day. I’ll come back at night and go to work during the day. I’m always thinking about how to deal with you.

“you’re too shameless.” she turned her face away, somewhat embarrassed.

her face was extremely red, as if it was about to bleed.

Ye Mulin narrowed his eyes and stared at her. He reached out and touched her lips gently.”Don’t you miss me? Why don’t I check?”

she would rather die than to do so, because women could not withstand teasing at all. it was impossible for her to not have any reaction when he was like this.

he didn't force her, but gave her a very ambiguous smile, which meant that any adult would understand.

she turned her face away and ignored him. ye mulin looked at her and was about to get up when she stopped him. " wait a minute, i have something to say. "

He looked at her.

Bai suili sat up on the bed and looked at him. "shouldn't you be with wen yuan?"

he stared at her, and her face was a little hot. she didn't dare to look at him and only lowered her face. " after all, you are husband and wife, and i think nan was raised by you. "

Ye Mu Lin stared at her. His gaze was a little deep and she could not understand it.

After a long time, he asked her in a low voice, " do you really think that I should be with Wen Yuan and xiangnan? shouldn't a normal person's thinking be to let xiangnan acknowledge mu Bai? "

She was at a loss for words. Ye Mu Lin smiled again and stood up without saying anything. "i'll go make breakfast."

She suddenly grabbed his hand.

He looked at her and said in a cold tone, " "you're not going to rush me to find wen yuan?"

Bai suili licked her lower lip and looked at him, "I don't know what you're thinking."

his fingers gently caressed her face, and he leaned in and said in a low and hoarse voice, " "I'm just thinking, you're as stupid as a pig."

She exploded in anger and glared at him.

this time, he really left and was making breakfast in the kitchen. bai sulli was stunned for a moment and then ran over again unwillingly.

he skillfully made breakfast, and she glared at him. ” “what did you mean by that?”

Ye Mu Lin cut his toast and said calmly, Bai Sulli, I’m telling you, I haven’t finished venting my anger yet. Are you sure you want to wear this to seduce me? ”

He pulled her into his arms and bit her ear. “i won’t take responsibility if you piss me off.”

she jumped in shock and stepped back, glaring at him.

“If you ask me what I think, I can tell you,” he said slowly, looking at her.

He put down the toast in his hand and smiled. ” i’ve endured the fact that i haven’t had a woman for two or three years. of course, i’ll use the lower half of my body to think about it. ”

Bai suili’s eyes widened, and then she fled in panic. Behind her came a man’s evil laughter.

Back in the bedroom, she thought about his words and suddenly thought of something ...

did he and wen yuan not do it?

was that why he always acted like he had eaten a jar of village medicine?

Chapter 3668: I just want to make you cry 8

She was in a daze and did not come back to her senses for a long time. Ye Mulin had prepared breakfast. He ate a little and went back to his room to change. After he changed, he looked at the young lady who was still in a daze.

He smiled. what are you thinking about? ”

she looked up at him, her lips moving but no words came out.

“you don’t dare to ask?” “Bai Sulli, other than being a stupid pig, you’re also a coward,” he said, looking at her.

“i’m not a coward,” she bit her lip.

He didn’t argue with her and just smiled. He went up and kissed her on the lips. ” is it that hard to admit that you’re possessive of me? is it that hard to admit that you’re overjoyed? ”

...

She was a little angry that she had been exposed and turned her face away to prevent him from kissing her. However, he had already kissed her. Ye Mu Lin’s voice was hoarse.”I’ll be back earlier tonight. Don’t take Anan out anymore. Why don’t you hire a helper? she’ll look good when you go out.”

She was a little confused. She knew that his suggestion was good, but she hadn’t thought about it yet, let alone decide if she would be with him.

In the end, there were still some moral constraints.

Ye Mulin knew exactly what she was thinking. He only smiled and caressed her face. He did not say anything and muttered, ” Bai Sulli, am I that kind of man in your heart? think about it carefully. There’s still Yingluo. I’m still angry.

She watched in a daze as he walked out and then pounded the blanket.

What was he angry about? she didn’t do it on purpose, so what could she do?

she had just returned and he had already raped her. what else did he want?

Bai suili bit her lip angrily, feeling a little wronged.

he told her to be more obedient, but she didn't want it.

Therefore, when she and an 'an got up, she left the apartment with an 'an and went to her parents' place with a small suitcase. She believed that even if he found her, he wouldn't dare to do anything to her parents.

She drove there by herself. An an, who was in the back seat, asked uneasily, "ma, are we not going to live with dad anymore?"

bai suili found it a bit difficult to answer this question. after thinking for a while, she said,"let's stay at grandpa and grandma's place for a few days."

An an nodded and then whispered, "Mommy, does daddy have a child?"

bai anan was quite disappointed. she was not her father's only child!

She was quite bothered by this. This was probably the possessiveness of a child.

Bai suili was also stunned for a moment, and then she hummed softly. She was afraid that an 'an would ask about illegitimate children or something, and she would not know what to say.

however, bai anan only gave an 'oh' and did not ask further.

bai suili's mood was a little complicated. she didn't know what to do now to give an 'an a normal environment to grow up in.

Ye Mulin and Wen Yuan were married. She could not ask them to get a divorce just for an 'an's sake. Mu Bai had lost his memory. Even if he did not lose his memory, he might not be able to stay with Wen Yuan until the end. She could not be so selfish.

she drove to her parents 'apartment with mixed feelings. when she carried an an out of the car, the latter whispered, " "Mom, it doesn't matter. No matter how many children dad has, I'm still dad's child!"

it sounded sweet, but bai xiuli's face darkened. " "bai anan, i gave birth to you!"

Bai Anan looked at him and said in a low voice, " without a father, you won't be able to give birth. Mommy, I heard from others that giving birth is very painful. I found out last night that Yingluo made you cry because of daddy. Is it very painful? "

Chapter 3669: The child who ran away from home

"Bai Anan!" Bai suili's face darkened.

bai anan looked at her with her big eyes."daddy said that we're going to get P shares. will an 'an be there after P shares?"

as she spoke, she put her arms around bai suili's neck and said softly, " mommy, can you have another one? then we'll have two babies. "

"I'm not a pig," Bai Sulli rolled her eyes.

"mommy is not a pig, she's a little sow." Bai Anan chuckled. a little sow can give birth to several babies at a time.

"who taught you all this?" bai suili was a little speechless.

...

bai anan quickly betrayed her father. " it's daddy. He said that he still wants to have children with mommy. He said that if mommy cries at night, he shouldn't tell the baby to come out. Otherwise, the baby will be too scared to come out.

Bai Sulli almost fainted. Listen, this wasn't something the chief said. It was more like a hooligan. He would teach the child the wrong way.

"you can't say these words to anyone else, okay?" she could only tell an 'an this.

An an nodded vigorously. I know. Daddy said it's a secret.

Bai suili rolled her eyes-

bai anan had been poisoned by ye mu lin.

as they talked, they arrived at the apartment where mr. and mrs. bai lived. the door opened, and mrs. bai's face was a little twisted because of excitement. " shirley's back. "

then, he hugged an an and kissed her. " "It's grandma's first time seeing Anan."

bai anan was not shy with strangers and affectionately called her grandmother.

mrs. bai looked at bai anan's crew cut and sighed. her gaze was complicated."shirley, you're too casual with anan's hair."

bai suili smiled and closed the door, it's safe this way. Look, there are so many perverts outside.

"I think the first pervert I saw was you." mrs. bai's illness was cured, and she returned to her previous self to scold bai sulli.

In the past, Bai Sulli found it annoying, but now she felt warm and an indescribable peace of mind.

She smiled. there will be a baby head in the future, right? "

if she dared to cut an 'an's hair again, ye mu lin would probably be the first to come after her.

Mrs Bai snorted in satisfaction. She seemed to have thought of something. by the way, how are things between you and ye Mulin? ”

after this question, mrs. bai stopped. an ‘an still had to avoid it.

So, she left an an in Mr. Bai’s care and brought her to the children’s room to play. Mrs. Bai took her daughter to the sofa to show her concern.

bai suili thought for a moment and smiled faintly. ” just like that. mom, you know he has a family. ”

Mrs. Bai was much more open-minded now. you’ve been with him these few days? ”

bai suili nodded.

Mrs. Bai thought about it and sighed. I could tell that he liked you. Ye zhenggang hurt our family like that, and Mulin’s mother was hurt badly as well. Mulin is in a difficult position, so please understand. But regarding his family, Xuanji, it’s not that I’m cruel, but women can be selfish sometimes. Back then, you were pregnant with her too. You left because of us. As long as ye Mulin likes you, it’s only right for him to get a divorce and remarry you.

Mrs. Bai said this because she felt sorry for her daughter. Xue Li had suffered a lot in the past few years. If they couldn’t help, they would be a burden. In fact, they knew the contribution that ye Mulin had made to the Bai family. Things were different now. Ye zhenggang had just retired, and they could think things through. Ye zhenggang was ye zhenggang, and ye Mulin was ye Mulin.

Hmph, ye zhenggang, that b \* stard, did everything he could to make the Bai family suffer. In the end, he ended up being left all alone. He deserved it.

if xue li and mu lin remarried, this old bastard would be even angrier.

mrs. bai felt good just thinking about it and came up with many versions.

Bai Sulli smiled bitterly. we’ll talk about it later. Actually, I, Yingluo, am a little unfamiliar with him. If it wasn’t for an ‘an, I don’t think it’s possible.

” you’ve already given birth to his child, ” mrs. bai said anxiously. ” why can’t you ask for a little more? ”

Shirley, I’m telling you, you can’t spoil a man too much. If you give in a little to him, you’ll really become his mistress in the future. Do you think about Anan’s future? ”

“What if we miss the South?” Bai suili was a little troubled.

It was certain that he had no feelings for Wen Yuan, but he thought that Nan Zhiyan also needed a father.

Mrs. Bai looked around nervously. Then, she leaned over and said in a low voice, ” “Shirley, don’t you think Xiang Nan looks like someone?”

mrs. bai hated ye zhenggang to the core. after ye mulin and wen yuan got married and gave birth to ye xiangnan, mrs. bai had naturally peeked at them secretly many times. she had covered her head and peeked at places like the hospital, only to discover something incredible.

“Like who?” Bai suili’s heart skipped a beat.

Chapter 3670: I’m here to catch a child who ran away from home 2

“don’t you think he looks like ye zhenggang?” mrs. bai asked mysteriously.

bai suili was drinking tea, and when she heard this, she immediately spat it out.

She looked at her mother with an indescribable expression.

she thought to herself, the doctor said that her mother had recovered. was she really suspicious now?

Bai suili calmed down and coughed lightly, ” mom, what are you thinking? it’s normal for the child to look like his grandfather. ”

Mrs. Bai continued in a mysterious tone, " but they don't look normal. They don't look like Mu Lin. Do you think that Mu Lin and Wen Yuan didn't do it and ye zhenggang got together because he lost his wife? "

...

Mrs. Bai's thoughts were completely influenced by the group of old ladies after she was hospitalized. Bai Sulli didn't dare to provoke her, so she advised, " "It's hereditary, and it's impossible for ye zhenggang to do it."

Mrs. Bai made an "Oh" sound as if she accepted her daughter's words.

bai suili spoke again in a low voice, " mom, you can only say these things at home. you can't say them outside. "

Although the child was mu Bai's, if Wen Yuan did not want to make it public or if he could not be with mu Bai, the child could only be ye Mulin's. If ye Mulin was willing to acknowledge it, no one could say anything, including her.

bai suili thought of ye mu bai. she missed the days when she used to chase after mu bai, because there was someone who would always follow her back then.

After being in a daze for a while, she smiled.

What was the point of thinking so much? it was all in the past.

However, he really missed it.

bai suili came back to her senses and patted the back of her mother's hand,"Mom, I'll accompany you to cook."

Mrs. Bai nodded and smiled, as if she had forgotten what she had said before.

In fact, she had recovered from her illness, but her memory was not as good as before. Wanwan, who always forgot this and that, was much better than before. During the most difficult time, it was ye Mulin who protected the Bai family, and Bai Xueli knew it well.

she and mrs. bai were cooking. when it was almost noon, ye mulin called. he must have finished his work.

” yes, ” bai suili answered. ” are you translating at home? ”

“no, i’m cooking.” she pretended to be cold.

“which house are you cooking at?” ye mulin paused.

bai suili was a little stunned, and only after a long time did she open her mouth,”in the apartment.”

“I called the landline at home, but no one picked up.” ” where did you take anan? ” he asked coldly.

bai suili suddenly understood that he was trying to find a way to monitor her, just like before, he was just short of putting her under house arrest.

“ye mulin, i don’t need to tell you where i’m taking an an, do i?” she snorted angrily.

On the other side, ye Mulin was playing with a fish tank in his hands. He said softly, ” ” do you still remember xiao-xiaobai? ”

“you said you made it into turtle soup?” bai suili was stunned.

he chuckled. ” if you don’t come home before five o ‘clock tonight, i’ll really make it into turtle soup for my subordinates. oh right, i’ll take a picture for you later. xiao-xiaobai has grown quite big and is quite chubby. it should taste good. its legs are like legs and its chest is like a bear. ”

bai suili’s face was on fire. he was talking about the little bastard, but why did she have the feeling that he was talking about her? what did he mean by ‘xiongs’ and ‘legs’?

She hung up the phone with a bang, and the other side sent a photo over very quickly. It was a photo of a little jerk, and he had grown up. What surprised her even more was the photo frame on the office table beside her.

the person above was her.

bai suili, who was in her 20s.
