Chapter 3671: i'm here to catch a child who ran away from home (3)

Bai suili's eyes welled up as she watched, and she felt like crying.

After a long time, he called, and Bai suili answered.

"Have you thought about it?" ye Mu Lin's voice was hoarse.

After a long silence, she suddenly said, "then you can stew Xiao-Xiaobai, as long as you are willing to.

he was a little surprised, but then he laughed. his voice was low and hoarse, as if he was whispering into her ear through the phone.

"xue li, you're just relying on the fact that i can't bear to part with you, right?"

...

she bit her lip and felt as if she had been flirted with. then, she hung up the phone.

on the other side, ye mulin looked at the phone and smiled. he put down the phone and used his long and slender fingers to tease xiao-xiaobai. xiao-xiaobai was originally hiding its head, but when it felt the warmth of his fingers, it sneakily stretched its head out.

"I can't bear to," ye Mulin's voice was low and elegant.

then, he smiled again.

He could easily guess where Bai suili had gone. There was no other place except the Bai family. It would be easy to catch her. However, he heard that things were not good at Mulin and Wen Yuan's side.

so, he still went to the hospital that night.

mu bai was still there. he had a complicated expression on his face when he saw ye mulin coming over. ye mulin was concerned about xiang nan's condition. wen yuan said that he could be discharged in two days. in fact, ye mulin knew that he could stay for a few more days, but wen yuan was avoiding mu bai.

Ye mu Bai naturally had no reason to stay any longer since he had arrived. However, he still smoked a few cigarettes with ye Mu Lin before he left.

It was very quiet in the dark hospital corridor, and any sound from far or near seemed to be abrupt.

under the light of the cigarette, ye mu bai's handsome face was a little unpredictable. after a long time, he asked his big brother, " "Don't you love Wen Yuan?"

ye mu lin smiled and leaned against the wall."Why are you asking this?"

Bai suili, and the child she gave birth to for you, Yingluo, is your ex-wife, right? " ye mu bai stared at him.

ye mulin raised his head and took a puff of his cigarette. then, he smiled."It seems that you have investigated the past in the past two days! that's right, i've always liked bai suili, is there anything wrong with that? I didn't break up with her willingly. Is it wrong for a successful man to get his ex-wife back and be with the woman he loves the most? I don't think I'm wrong."

"what about wen yuan? what is he to you?" ye mu bai gritted his teeth.

Ye Mulin looked at his dear brother and smiled. Wen Yuan is a very suitable woman to be a wife, more suitable than Shirley.

ye mu bai sneered. "bai suili is for love. wen yuan is just a decoration. is that what you mean?"

ye mulin was still smiling. "that's probably what i meant. mubai, why are you feeling unwell? is it for xue li or wen yuan?" i've been arguing with you over xue li in the past."

Ye mu Bai stared at his face for a few seconds before he coldly said, ” “It has nothing to do with me. You’re on your own.”

he took a few steps forward and then turned to look at ye mulin. “if wen yuan goes to america, i can take care of him. but don’t forget that she’s your wife.”

ye mu lin smiled and left.

Ye Mulin smoked another cigarette and went back to the ward. He asked Xiang Nan, ” “quarreled?”

wen yuan was making fruit juice for xiangnan. his hand paused for a moment and he whispered, ” “No, it’s Yingluo.”

She raised her head and looked at ye Mulin. She felt at ease when she was facing him because he was not as emotional as ye mu Bai. He took care of her like an older brother.

Chapter 3672: I’m here to catch a child who ran away from home (4)

Sometimes, Wen Yuan wondered why she did not fall in love with ye Mulin. It was probably because he gave her a very warm feeling. In fact, men would not be so gentle when facing the woman they liked. She knew it clearly in her heart. That was why it was impossible between her and ye Mulin.

“i think i might be wrong,” she said in a low voice after some thought.

her voice became more and more hoarse. ” from the moment he disappeared a few years ago, from the moment he didn’t like me, i shouldn’t have insisted on it. ”

She raised her head. maybe we shouldn’t have gotten married. Maybe I shouldn’t have had any more hope. But I don’t regret it. I want Nan to be so good, and you are so good to me. You treat me very well.

Ye Mulin sighed and reached out to touch her hair gently. Wen Yuan, no matter what, as long as you're willing, I'll always take care of you and xiangnan. Don't worry about Xue Li. She's not like what she looks like. She's actually a very good girl.

"in your heart, bai suili has always been a little girl, right?" wen yuan laughed.

...

"Yes, little girl." ye mulin also laughed. " don't think too much. just be happy. "

wen yuan hummed in agreement.

that night, ye mulin stayed behind to accompany xiang nan. xiang nan was quite happy and wanted to sleep with ye mulin.

The little fellow was also clingy, which was rare, so ye Mu Lin naturally fulfilled his wish.

In the middle of the night, Xiang Nan tossed and turned but could not fall asleep. Ye Mulin patted his little head."so what if i miss nan?"

Xiang Nan pursed his lips and then said in a low voice, " "Uncle, uncle Mubai is my father, isn't he?"

ye mu lin's feelings were a little complicated. he thought for a moment before he said in a low voice, " "does xiang nan like uncle?"

"I like it! But uncle doesn't seem to like mommy. I want mommy to be happy." xiang nan's small body hugged ye mulin. " i will go wherever mommy goes. i will follow mommy. "

Ye Mulin's heart ached. Nan was so young but he was already very sensible. He was so sensible that his heart ached.

He held the little guy and said in a soft voice, " "if xiang nan is willing, i can always take care of you."

Xiang Nan didn't say anything and just hugged him.

ye mu lin closed his eyes and let out a long breath.

he left early the next morning. after communicating with the doctor, he confirmed that there was no problem.

He went to the office and sat there thinking about Wen Yuan and mu Bai. As for his relationship with Bai Suli, it was already very stable. He used to be able to control her, and it would be the same now and in the future.

As he thought about it, he looked at Xiao-Xiaobai who was at his desk. Hence, he dialed the internal line and called for Secretary li.

secretary li came over. " chief! "

Ye Mulin stretched out his hand and took the little turtle out of the box. He held it in his palm and rubbed it for a while. Then, he smiled casually. help me make a trip to the Bai family. I'll give you the address and send something over. Oh, yes, go and wrap it up like a cake. Put this little Xiao-Xiaobai inside and let her unwrap it herself. Don't tell anyone.

After he finished speaking, Secretary Li's eyes widened and he looked at his boss. I don't think it's a good idea to give you a turtle. It wouldn't be good if Shirley brings you a Kasaya.

ye mulin looked at his secretary and snorted."you're getting better at talking."

secretary li squeezed out a smile and chuckled. in order to please her boss and have a meal, she still went to send the jerk off.

An hour later, the fresh little jerk was beautifully wrapped and delivered to Bai Sulli's hands. Secretary li coughed lightly and said, " "this is a gift from the chief."

Bai suili looked at Secretary li helplessly, and Secretary li smiled dryly. no matter what, it's a kind gesture from the chief. I'll take my leave first.

She had to leave quickly. If she didn't leave, how could she stay for the new year?

Thinking about the little jerk in the beautifully wrapped box, Secretary Li's scalp went numb. The Bureau chief had such a bad taste.

secretary li ran away. bai sulli looked at the box and turned it around, then said, "no one's celebrating their birthday."

"could it be your anniversary?" mrs. bai reminded her. "maybe it's your wedding or something?"

"no," bai sulli opened the box. "it's just an ordinary day."

...

And this box is very light. Is there cotton candy in it?

as she thought about it, she opened the layers one by one. then, she was stunned. there was nothing inside except for a little turtle.

The little turtle stared at her with its bean-like eyes, which made her hair stand on end. Then, she remembered something and picked up the little turtle. Xiao-Xiaobai?"

of course, the little jerk couldn't answer her. he just lay in her palm and looked at her with his green bean-like eyes.

bai suili's fingers gently stroked her turtle head (originally, i wanted to write 'turtle head', but haha, i thought it was inappropriate). xiao-xiaobai instinctively shrank back, but after a while, it carefully poked its little head out and looked at bai suili helplessly.

The scene of acknowledging one's family was very touching.

bai suili bit her lip, her voice very soft,"Xiao-Xiaobai, you didn't get stewed by daddy, did you? You're already a big girl."

Bai Anan raised her head. mommy, does this mean that the little turtle has grown up? "

Bai suili almost fainted. She looked at Bai Anan."who taught you this?"

Bai Anan stuck out her tongue. it's written in the books that animals have to mate when they grow up. Humans have to mate too. Otherwise, how can we reproduce? "

Bai suili wanted to say something, but Mrs. Bai spoke up for an an. Anan is right. Shirley, you don't know how many infertile men I've seen in the hospital. They were all killed by gold because they had too much to drink. They can't even give their children to women. Such men are useless to us. So, ye Mulin's kind is not bad. There are a lot of them.

mrs. bai was indirectly saying that ye mulin was strong in that aspect.

bai sulli couldn't stand her anymore. she found a fish tank and put little white in it. then, she went downstairs with an 'an to pick a few beautiful stones and put them in it. she even added some water plants to it.

an 'an liked it so much that she had been looking around.

Bai Sulli knew that ye Mulin would probably come over tonight, so she slowly said to Mrs. Bai during dinner, "Mom, I have an appointment with sisi."

mrs. bai was not very happy to hear that. " you can meet sisi at home. you have to spend money outside. you're always eating her food for free. "

Although she said this and didn't quite agree, Mrs. Bai still turned around and took out 20000 Yuan from her private stash and put it in Bai Sulli's palm. " sisi has been taking care of us all these years. she's been nice to you too. treat her well. "

"Mom," Bai suili declined. I have money."

without thinking, Mrs. Bai said, "although you can make money by translating books, it's limited and you have to support an 'an. we have some money after selling our house. who else can we spend it on if not you? girls have to live a more delicate life. otherwise, no one will like you. "

#### Chapter 3674: i'm here to catch a child who ran away from home (6)

it had to be said that Mrs. Bai was still the exquisite Mrs. Bai. even though her family had fallen, she still had the spirit in her bones.

Bai Suili still didn't take it, and said softly, "Mom, I'm rich. Recently, I've read a book that sold very well, and I got hundreds of thousands of royalties. In addition, some producers want me to write a script for them. If it's successful, it'll get better and better."

Mrs. Bai was silent for a while before she spoke again in a low voice. Shirley, I know you can support yourself now, but I still can't bear to leave you. I still feel bad for you. Think about how you used to live like a Prince and did nothing. Although you can make money outside now, I'm afraid you'll be a pushover. I still feel sorry for you.

"mom, who doesn't have to be considerate of other people's feelings when they do things outside? it's just that Dad used to be Ye Mulin and still can't help but feel unhappy. don't think too much about it, i'm fine now. " she helped Mrs. Bai wipe her tears. mom, no matter what happens between Ye Mulin and I, I don't want him to support me anymore. At least I can earn money. That way, I can live with confidence and give you and Anan a stable life.

after she finished speaking, Mrs. Bai couldn't help but cry again. she whispered, "Xue Li, you've grown up, you've really grown up. Mom is very happy. You're right. i can't do anything when your father falls down. i can only blame you for being sick and dragging you down. shirley, i'm really sorry."

Bai Suili also felt bad, and she forced a smile, mom, what are you saying? as long as you're fine, it's fine. Our family is fine now, right? we don't have to talk about apologetic things.

...

don't make me cry, " she said, changing the topic. sisi is going to spout nonsense again. She has a very rich imagination.

speaking of this, mrs. bai suddenly saw the bruise on her daughter's chin. " by the way, what's wrong with your chin? is qianqian and mulin liking something different now? "

Bai suili's expression was as if she was constipated.

Mrs. Bai thought for a while and tried to persuade her. he's under a lot of pressure. If he has any requests, you should try your best to cooperate with him. It's nothing for our own men.

bai suili's face was as red as blood, " mom, what are you thinking? this was made by ye mulin. "

mrs. bai was still in a daze. " i know he did it. but is mu lin very rough? if that's the case, i have to advise him. you can't be too rough. you can't do this on both sides. "

Bai Sulli rolled her eyes. mom, it's not what you think. It's really just a simple massage.

mrs. bai was not very happy. " then, has he been bored for too long and become a little perverted? "

bai suili felt that it was not ye mulin who was perverted, but her mother who was perverted.

His thinking was extremely avant-garde!

She and Lin sisi were having a drink at a bar and couldn't help but complain. "sisi, do you think my parents have stopped having sex? that's why she's so open with her words."

Lin sisi was about to die from laughter. She tilted her head and said, " you can just ask her directly. She's already so direct.

bai suili laughed,"i'm sorry, what if there isn't?" Wouldn't that stimulate her to death, Yingluo?"

Lin sisi couldn't stop laughing. She lay on the table for a long time.

Chapter 3675: i'm here to catch a child who ran away from home (7)

"is it that funny?" bai suili rubbed her forehead.

lin sisi laughed for a while and looked up. "yingluo is too funny. shirley feels so funny when she thinks about what your mother said."

Bai Xiuli glanced at her and took the glass. drink.

lin sisi was also very bold and unrestrained. after drinking half a glass, she clinked glasses with bai suili. "Cheers to our reunion."

she put down the wine glass and asked in a low voice, "sisi, let's settle down. don't go back to United States. what's so good about america? you can eat hanbao and fried chicken every day. it's not as comfortable and enjoyable as staying in B city. you see, if you stay in B city, we can still meet up often. besides, uncle and auntie are not young anymore. they will be lonely without you."

Bai suili was stunned, and after a while, she forced a smile, "Sisi, you're right. Sometimes, I feel like I'm a coward too."

...

She placed her hands in front of her. I was very scared at that time. I found out that I was pregnant, but Wen Yuan was pregnant with mu Bai's child. Mu Bai had gone missing, and it was very likely that Qianqian was no longer around. My father was in jail and my mother was crazy. I had no choice at that time.

lin sisi placed her finger on the back of her hand and said softly, "xue li, that's because you haven't learned to trust ye mulin. i can't say for sure about other things, but at least he can take good care of you and wen yuan, just like now."

"The same as now?" Bai suili was a little dazed.

lin sisi smiled and said, ” “Yes, just like now. xue li, have you ever thought that nan is ye mu bai’s child? no matter which angle you look at it from, no matter which man wants wen yuan, this man will never be ye mulin. in other words, no matter who he is with in this world, it is impossible for ye mulin and wen yuan to be together. they can only be a husband and wife in name. he just wants to give wen yuan’s child the title of the ye family. I think if you didn’t leave, they wouldn’t have gotten married. If they got married, you would probably feel safe and dare to come back.”

lin sisi’s analysis was clear and logical.

hearing this, bai suili was dumbfounded, and after a long while, she muttered,”I think he said that once, saying that he hasn’t had a woman for a few years.”

“did he say that after you guys did it?” Lin sisi smirked.

Bai suili’s face was completely red, and she glared at her,”Lin sisi, does Gu ze know that you’re so bad?”

lin sisi was stunned for a moment, then she smiled. ” “why are you mentioning him? it has nothing to do with me?”

as soon as she finished speaking, bai sulli’s face had gently moved in front of her face,”Is there really no relationship?”

“yup,” Lin sisi was stubborn.

Bai Sulli’s face was full of disbelief. look at your face. I don’t believe you. You said that nothing happened.

Lin sisi was stunned. She touched her face.”you can even tell from this?”

bai suili couldn’t help but laugh. after laughing for a long time, she finally said,”sisi, you really believed it? you’re just confessing now.”

Lin sisi was also speechless.

“drink this,” bai sulli said as she handed him a glass of wine.

She was trying to get Lin sisi drunk, but how could her alcohol tolerance be enough in front of Lin sisi?

\*

just as they were drinking, ye mulin was at the bai residence.

When she opened the door, Mrs. Bai was stunned. Mu Lin? ”

“mom,” she said. Ye Mulin walked in and reached out to help Mrs Bai up. He was carrying some tonics in his hand. As he changed his shoes, he asked very naturally, ” “is dad here?”

Chapter 3676: I’m here to catch a child who ran away from home 8

Mr. Bai also walked out. Mu Lin? ”

“shirley’s out,” he said after a pause.

“Oh.” ye mulin’s voice was calm. ” did you see lin sisi? ”

Mrs. Bai came back to her senses and immediately took the things from his hands. you’ve asked Shirley? ”

“I guessed.” Ye Mu Lin smiled and took off his coat.”Anan, are you asleep?”

at the mention of her little granddaughter, mrs. bai’s expression softened.”I just coaxed her to sleep. An ‘an is so obedient.”

...

“I’ll go and see her,” ye Mulin said softly.

with that, she went to the guest room quietly and came back after seeing an an.

Mrs. Bai had already made her precious Da Hong Pao and placed it on the coffee table. Mr. Bai set up the chessboard. ” let’s play another two rounds. i don’t know when that girl shirley will come back. ”

Mrs. Bai agreed.

the couple treated ye mulin like they did in the past. they were still like son-in-law, natural and natural.

Ye Mulin sat down and played chess with Mr. Bai. A mature man like him would always give way to his elders. He felt a little guilty for Mr. Bai.

When Mr. Bai was in power, he had taken care of the ye family. Although he had offended some people in his high profile, he was an upright man. Ye Mulin could not change the situation and could only try to compensate for it.

Fortunately, Mr. Bai was very open-minded now. He would not be too persistent in going over. The two of them played chess and drank tea. Mrs. Bai accompanied them for a while and refilled their cups. Then, she went to accompany an an. Before going to bed, she asked ye Mulin to stay over. Of course, ye Mulin agreed.

Mister White listened, and his face was gentle.

mrs bai left obediently, but she glanced at ye mulin’s fingers.

clean, slender, and beautiful.

She then thought of the bruise on Xue Li’s chin. It didn’t look like it was pinched by such beautiful fingers.

ye mulin remembered her look, but he didn't show it on his face. he continued to play chess with mister white.

at 12 o'clock, lin sisi's call came in. she sounded slightly breathless."Ye Mulin, if you have the time, come over and bring this night owl back. Her alcohol tolerance is too low."

lin sisi almost wanted to cry. she didn't know that bai sulli's alcohol tolerance was so bad. she looked as if she was going to pounce on her. she wasn't a man and couldn't be satisfied. she could only call ye mulin.

ye mulin listened quietly. after he asked for the address, he looked at mr. bai and said, " Shirley's drunk. I'm going to pick her up.

Mister White nodded and started to collect the pieces. He thought for a moment and then asked, " "Mulin, there's something I want to talk to Qianqian about."

"wen yuan and i have already divorced. dad, in my heart, xue li has always been my wife, and xiang nan is mu bai's child. my mother also knows that." Ye Mu Lin explained respectfully.

Mister White was shocked. He then said, " " qingqing, you and shirley don't have to come back tonight. find a place and make do with it for the night. "

these words were a little vague, and it was actually quite ...

In fact, Mr. Bai was thinking that it had not been easy to admire Lin Lin for the past few years. As a man, he understood.

Ye Mulin lowered his eyes and smiled. Thank you, dad. I'll bring Shirley back tomorrow night.

Mr. Bai walked him out. He looked at his hurried steps and smiled.

He had a good eye. When he married Xue Li to mu Bai, it was because he could tell that Mu Lin had always liked Xue Li. If he didn't do something ruthless, this kid would probably not admit it for a hundred years. He was also very proud, but he had calmed down a lot in the past few years. He was a good seedling and was handsome. He was much better than them old things.

Chapter 3677: I'm here to catch a child who ran away from home (9)

When ye Mulin arrived at the bar, it was already late at night.

lin sisi was guarding a drunkard with a helpless expression. when she saw ye mu lin, she heaved a sigh of relief. "she's finally here. i really can't do anything to her alone. i can't move her, but she's not willing to leave. she said she's waiting for a hero to come and pick her up."

lin sisi said helplessly, " "she thinks she's zixia fairy."

Then, she looked at ye Mu Lin and smiled happily. "you don't look like a joker either!"

"i'm a monkey." Ye Mu Lin said calmly.

lin sisi felt that this answer was really ruthless.

...

Before ye Mulin bent down to pick up Bai Sulli, he looked at the wine bottles scattered on their table. He counted and found that there were 15 to 16 bottles. He frowned."she drank all of it?"

lin sisi couldn't help rolling her eyes. " big brother, i drank at least ten bottles, okay? shirley's alcohol tolerance is so low now. in the past, she even had the nerve to tell me that she was a nightclub princess. i think she's more like a nightclub sow. "

ye mulin picked up bai sulli and walked towards the door. he said in a low voice,"Let's go together. I'll send you back."

lin sisi followed behind and shouted, " then you pay the bill. tonight's drinks are all top quality. it'll cost at least 100000 yuan. shirley and i are both poor now. "

ye mulin turned to look at her, and lin sisi forced a smile.

walking to the bar, he carried the woman in his arms with one hand and took out his card. then he looked at lin sisi and said disapprovingly, ” “Don’t drink so much with her in the future. Men don’t like drunkards.”

Gu ze was one of the men.

lin sisi stuck out her tongue and followed him into the car.

it was late at night, and she didn’t want to take a taxi back. it was a little dangerous. besides, it would be a waste if she didn’t use shirley’s man. no matter what kind of chief he was, he was shirley’s man.

lin sisi sat in the back seat of the car until he sent her to her apartment.

She thought that was it, but when she opened the car door, ye Mulin said, ” “you and gu ze are still the same?”

The reason he asked this was because she still lived here. If she was with Gu ze, she could have a better material life. He was also a little puzzled. All these years, Gu ze and Lin sisi were clearly not completely separated. They would even sleep together sometimes, so why did they not take things further?

lin sisi was a little surprised by ye mu lin’s question. she was stunned for a while before asking, ” “Did you change your household registration?”

ye mulin sat in the car and looked at a sports car in front of him. he laughed silently. I’m just concerned. Xue Li said that you’re her best sugar daddy.

“At least she has a conscience,” Lin sisi snorted.

she opened the door and got out of the car. she paused for a moment. ye Mulin, don’t make her sad again. Don’t make her worry and feel troubled. Women don’t have many years of youth, and she has given it all to you all these years. After so many things have happened, she still loves you.

when she said this, her voice was particularly gentle, and her eyes were also very gentle as she looked at bai suili.

“i know,” ye mu lin smiled.

he saw the headlights of the car in front of him light up, smiled again, and drove the car away a little evilly, leaving lin sisi standing there alone.

Lin sisi was stabbed by the car’s headlights and reached out to block it. At this moment, the car’s headlights turned off and a person walked out of the car.

it was none other than gu ze, who had disappeared for about a month.

They had been living like this for the past few years. He would come over occasionally, perhaps for a night or a week. He would come whenever he wanted, and she would not chase him away after he came. If he wanted to have sex, she would treat it as a way to comfort her husband. She had biological needs anyway. Besides, he was quite good-looking, had good skills, and a good job. He was also rich. Sometimes, he would come over to give money to the family, ranging from tens of thousands to hundreds of thousands. Sometimes, he would also bring gifts for her. Bags, clothes, and so on were all quite expensive. anyway, she could accept the kind that she couldn’t afford with her current ability. she would just treat it as his rent.

He suddenly came over and saw ye Mu Lin’s car.

Lin sisi suddenly realized that she seemed to have been slandered by ye Mulin. He purposely said those things to create the illusion that she was in the car and not getting out. Gu ze must have thought that her wild man had sent her back.

she broke ye mu lin into pieces in her heart.

Chapter 3678: Lin sisi, let’s get married, okay?(1)

lin sisi sighed in her heart and then walked over to gu ze.

He stood still and put his hands behind his back. you're back? "

Gu ze had used a lot of strength to close the car door just now. With a bang, he seemed to be very angry.

Lin sisi's posture showed that something was wrong and she could run away at any time.

Gu ze looked at her coldly under the cold streetlight. whose car did you take? "

lin sisi chuckled and ran her fingers through her hair. " are you jealous? "

...

Gu ze immediately grabbed her wrist and said in a displeased voice, " lin sisi!"

She tilted her head and looked at him. Oh, who are you to me? why are you controlling me like this? "

As she said that, she broke free from him and walked towards her apartment. She walked in the dark, saying angry words, but there was a faint happy smile on the corner of her mouth.

Gu ze stood there and looked in the direction she left. He then kicked the car door hard.

The car door, which was worth more than ten million Yuan, was instantly deformed a little.

Lin sisi stopped in her tracks and turned to look at him. "Are you angry?"

his hand was on the car door as he looked up at her, his eyes a little red.

lin sisi stood in the dark and smiled quietly. " " gu ze, i'm not wrong. we do sleep together occasionally, but we've never made any promises to each other. even if you came over tonight and

told me that you're getting married tomorrow, i wouldn't have made a big fuss with you. we're just friends. why take it so seriously? "

he looked at her for a long time, then suddenly walked over and said in a hoarse voice, "lin sisi, how cruel can you be? You've accompanied me for so many years, and you're actually calling me a P friend?"

"lin sisi, you were drinking in the middle of the night and you're still saying such things to me after being sent back by a wild man," he growled.

he grabbed her body and pressed her against the car door. he wanted to be rough with her but didn't dare to, so he could only be angry at himself. " what stage are you at with him? i haven't satisfied you, have i? you're still looking for another man. "

Lin sisi was also very bold."He's the one who came to find me."

gu ze lowered his head and moved closer to her face. his breath was hot and scalding. at this moment, he was like a fire dragon that almost wanted to melt her.

"You and him, have you slept together?" In fact, he felt that it was not yet, because that man had left. If he had had a chance like this, he would not have left. Look at how attractive the little woman in his arms was right now. Her face was red after drinking, and other parts of her body were very white. She was so small in his arms.

Lin sisi moved away, but the moment she moved, he would move to the other side and grab her to prevent her from escaping.

not only was she unable to escape, but she was also panting for breath.

He seemed to be particularly concerned, and his voice was extremely low and hoarse. tell me. Tell me and I'll let you go.

lin sisi's face turned to the side. as her breath rose and fell, her heart was pressed against his. in such a cold night, two young bodies pressed against each other. in a short while, the atmosphere changed.

he hadn't appeared for a month, and she didn't know where he had gone. the moment he came back, it was as if he had caught an adulterer. what right did he have?

lin sisi bit her lip and turned her head. her two fair arms were wrapped around his neck. she looked up into his eyes seductively. "let me go. do you mean that you won't sleep with me tonight if you don't make love with me?"

her words were simply picking beans on purpose. gu ze thought of that specific image and his adam's apple couldn't help but roll a few times.

Chapter 3679: Lin sisi, let's get married, okay?(2)

"first, tell me, what's your relationship with him, hmm?" he asked in a hoarse voice after a long time.

Lin sisi peeked out from under his arm. "Bai suili's man, is he clear enough, is he clear enough?"

Gu ze's eyes narrowed. Then, he grabbed her hand and pressed her against the car. He pressed close to her and kissed her ruthlessly.

when she moved, he held her hand up to his head and pressed it against the roof of the car.

His actions were simply brutal.

Lin sisi was in pain and called out softly, " " my arm is about to break, yingluo. " her voice was hoarse, like she was complaining and acting coquettishly.

...

Gu ze continued to kiss her ravenously, so ferociously that it was as if he wanted to eat her whole.

"bear with it," he said after a pause.

She felt wronged and turned her face to the side to not let him kiss her, but he always had a way to kiss her. Moreover, he loved to kiss her from her cheek to her chin. He repeated this repeatedly and never got tired of it.

Lin sisi tried to avoid him, but she almost cried when he kissed her like that. Her tears wet her face, and Gu ze also tasted the saltiness. He pressed his lips against hers and asked softly, "you don't like it when i kiss you? You weren't like this before."

He thought about it and felt uneasy again."you've had another man this month, huh?"

She shook her head violently and cried out in pain.

only then did he realize that he was holding her hand in an inhuman angle. he suddenly felt a little guilty and let go of her to rub her hand. in a low and hoarse voice, he said, "Why didn't you say so earlier?"

She bit her lip. I told you earlier, but you ignored me.

he massaged her for a while before letting her go. "go up. "

"gu ze, i have something to say to you," lin sisi said softly.

"I also have something to say to you." He looked at her. let's go up first.

She thought about it and did not object.

they went to her apartment. it wasn't particularly new, but it was small and warm.

As soon as he entered, he pressed against the door and kissed her. He kissed her very passionately, and Lin sisi was softened by him in a short while.

It had been a month, and she wanted to as well.

after that, he carried her to her bedroom and did it on her bed twice. they did it a few times and almost spent the entire night.

Gu ze's energy, which had not been released for a month, was almost exhausted. He lay on the bed and smoked, holding the small woman in his arms.

in the dim light, he suddenly said, "Lin sisi, let's get married."

the body in her arms stiffened for a moment, then she said softly in the dark, "Gu ze, what I want to tell you is that I want to go to A city. I want to go to my parents' side. They need me to take care of them."

Gu ze snuffed out the cigarette. this doesn't conflict with our marriage. I can bring your parents over to B city to take care of them. Sisi, after so many years, we should have a result.

lin sisi looked at him and muttered after a long while, "if i go to A city, you can come and find me."

Gu ze's eyes were a little unhappy as he stared into her eyes. "You think I'm with you just to sleep with you, and you'll be satisfied after I put on my pants in the morning, right?"

She didn't make a sound. Instead, she propped herself up and half-sat up against the headboard. She also took out a cigarette and lit it. After taking a puff, she looked at him faintly. Gu ze, that's not what I meant, but I've never thought of getting married.

"you can think about it now." his voice was deep.

Chapter 3680: Lin sisi, let's get married, okay?(3)

lin sisi looked at him and smiled after a while. "Do I have to do as you say? that's why i don't want to get married because i don't want to rely on a man. if i lose him, i'll lose everything. i can't take it. "

“Aren’t we fine like this?” she lowered her eyes.

he glared at her. ” really? do you really think it’s a good idea?”

lin sisi laughed. ” what else do you think i can do? what’s so good about being mrs. gu? other than having an endless amount of money to spend, you’re just an unhappy bird. i don’t want to be like this anymore. ”

Gu ze’s eyes and breathing hurt, and his voice was extremely hoarse.”lin sisi, do you want me to beg you?”

she put out the cigarette and shook her head. ” there’s no need. really, gu ze. i don’t want you to beg me. i just don’t want to get married. ”

...

He fell silent. She continued, ” if you think that Hanhan can’t accept this, we can end it. Actually, we didn’t promise anything. You don’t have to come.

gu ze suddenly laughed. ” lin sisi, i’m just a friend to you, right? it doesn’t matter who i am. the main thing is that i’m safe and have good skills, so you chose me, right? ”

There was a touch of sadness in his eyes. it’s been a few years. I thought you had accepted me and was ready. I was gone for a month and I personally chose a diamond ring. I thought you would like it, but you prefer freedom.

he got up and put on his pants. after he pulled them up, he took out a box from his pocket and threw it to her. “if you don’t like it, just throw it away. i might not need it in the future anyway.”

she wanted to hear what he had heard tonight. what did he mean by coming and going as he pleased?

for the past few years, he had given all his spare time to a woman, and she did not feel it at all.

He cooked for her, stayed up late with her, and even prepared a bath for her. He did everything a man could do. A few years, not a few days. She said she didn't want him, and he treated her like a dispensable item.

I'm not going to serve you.

Gu ze put on his pants. His eyes were a little hot and he felt a little wronged.

the criminal still had to serve his sentence. she had sentenced him to death, but before he died, she had enjoyed his body to her heart's content. after enjoying it, she had kicked him away. it was really good.

although gu ze was especially angry, he put on his shirt very slowly.

lin sisi, who was on the bed, looked at his back view. even his back view was filled with anger. he must have been extremely angry.

Indeed, they had been living like a married couple for the past few years. They would spend three or four days a week together, and when he came back from his business trips, he would bring his luggage directly to her place to spend the night.

he was probably angry because he thought that she had a heart of stone and was wasting his good intentions, right?

She opened the box and was stunned.

It was a top-grade fiery red blood Diamond that was dazzling.

Lin sisi looked at it for a while and then asked Gu ze softly, "You did it yourself?"

Hmph! Gu ze snorted. what else? do you think a man would put in so much effort for a woman in her early thirties? "

lin sisi took out the ring and tried it on her finger. it looked just right.

She looked at Huo Cai and snorted. that's right. She's already in her thirties. It's been hard on President Gu. He has to endure such an old woman.

Gu ze was so angry that he turned around. "Lin sisi, don't you go too far."
