

Thank you 3681

Chapter 3681: lin sisi, let's get married, shall we?

Lin sisi laughed and said, "how am I going too far?" you gave it to me, so i can't wear it if you don't marry me, or should i throw it away?"

then, she pulled it out and threw it out of the window.

gu ze's eyes were bloodshot. he stared in the direction of the window for a while before turning back to glare at lin sisi. "You woman! He's too detestable."

As he spoke, he picked up his coat and was about to walk out.

Hell, he had to suffer this anger again. However, he had only taken a few steps when a soft body pressed against him from behind.

Her slender arms were wrapped around his waist, and her face was pressed against his back.

...

Then, there was something cold in his hand. He looked down and saw that it was the fire Diamond.

at that moment, gu ze's mood was very complicated. he coughed lightly. "what's the meaning of this?"

Lin sisi's face was pressed against his back as she said softly, "I've thought about it carefully. A girl can't get married casually. You just threw the ring to me and I'll marry you? i'm not a big yellow dog on the side of the road."

Gu ze held the ring and said in a hoarse voice, "Then do you want to Yingluo?"

"A proposal." Lin sisi walked in front of him. She was only wearing a silk nightdress, and there was nothing underneath.

To be honest, he didn't want to propose at all right now. He wanted to carry her to the bed, but his experience told him not to be too impulsive at this time. Sometimes, the sexier a woman was, the more emotional she would be.

"will you agree to my proposal?" he asked, holding the ring.

lin sisi pursed her lips. " you can try. "

Gu ze stared at her little face. She smiled faintly and reached out her hand to him.

That hand was missing a little finger.

"gu ze, put it on your middle finger," she said in a low voice.

Gu ze quietly looked at the back of her hand. He did not put the ring on her first. Instead, he lowered his head and kissed her fingertips.

"lin sisi, i love you," he said in a low and hoarse voice.

With that, he slipped the ring into her middle finger bit by bit. When size fit perfectly, both of them cried, but they held back.

"lin sisi, you rejected me out of anger, didn't you?" he kissed her finger and looked at the dazzling light. he said in a low voice, " "Please let me take care of you in the future."

lin sisi lowered her head. " gu ze, i didn't say that out of anger. "

He was a little angry.

She smiled. because you're very sincere by offering such a big diamond ring. I don't think I'll be able to find a man richer than you in the future, so after weighing the pros and cons, I reluctantly agreed.

He was very dissatisfied and angry as he glared at her.

Lin sisi chuckled and said softly, " Mr. Gu, I'm willing to ask if you feel better now.

He continued to look at her without saying a word, as if he was still angry.

she stretched out a small white finger and gently poked his heart. " "So stingy? if you're not happy and it's hard for you, then let's not get married. i don't want you to still have such a bitter face when we get married."

"who said i'm forcing myself?" He pulled her over and held her in his arms, his voice low and hoarse. "lin sisi, have you thought it through?"

She nodded in a daze. I've thought it through. What about you? I'm telling you that I won't sign any prenuptial agreement. What's Yours Is Mine. You'll share everything with me.

gu ze's hand was placed on her waist, and his voice was hoarse. " "i can't ask for more."

Chapter 3682: Lin sisi, let's get married, shall we? 5

gu ze laughed lightly. " i'll share my body with you too. alright? "

Lin sisi was a little emotional at first, but she couldn't stand him anymore. She glared at him. Gu ze, can you be more serious? "

"there's no such thing as a serious one, mrs. gu." He picked her up and pressed her down on the bed again. He said in a low voice, " Lin sisi, this is the second time you've become Mrs. Gu.

she raised her head and looked at him seductively. she reached out and gently pulled his tie."so?"

His fingers caressed her red lips, his voice low and hoarse."So, can I call you second Madam in the future?"

She was immediately enraged. Gu ze, you're the stupid one. Your entire family is stupid.

...

however, she had also scolded herself.

After scolding him, he looked at her with his sparkling eyes. Lin sisi slowly could not stand him like this. She turned her face to the side and said in a hoarse voice, "will your parents agree to you marrying me?"

She pressed her face against his chest. "i'm afraid of gu ze. i'm still afraid even after so many years. i'm afraid that we won't be accepted. i'm afraid that i, yingluo, won't be able to have another child."

He knew all about her fears, so he gave her all these years until he couldn't take it anymore.

He gently pressed his palm on her head and kissed her. "i'm afraid i won't be able to give birth no matter how old i am."

he paused. "sisi, if we can't get pregnant, then we won't adopt. i want to leave the rest of my life in your hands."

with that, he kissed her, gently kissing the corner of her mouth. he said in a wronged tone, "you know that i rarely have a chance to eat my fill in the past few years. i was afraid that you would be too tired, afraid that you would find me annoying and have too many demands, afraid that you would be in a bad mood and would not even dare to change your style with mrs. gu. i want to make it up to you tonight."

He said it so confidently that Lin sisi bit her lip. Gu ze, we haven't registered our marriage yet.

"then let's stamp it a little deeper. Hmm?" he said shamelessly as he covered her body with bruises. if he were any rougher, it would be enough to get a family.

In the middle of the night, after Lin sisi had taken a bath, she looked at her neck in the mirror and punched the man beside her who was laughing secretly. "you're a vampire?"

Gu ze was wearing a bath towel and shaving at the side. He seemed to be in a good mood. He glanced at Lin sisi in the mirror and said very slowly, " "You're the one who sucked on my Qianqian."

The last two words were covered by her small hand. She glared at him and did not allow him to say them.

Gu ze pulled her hand down and kissed it. "i'm shaving, don't mess around."

Lin sisi continued to look at her neck. Gu ze said while shaving, " sisi, go and make me a bowl of noodles. I haven't had dinner and I'm starving.

lin sisi glared at him.

he put down the razor. " it's a must for madam to be in good health. it's also madam's duty to feed me. don't you think so, mrs. gu? "

Hmph! Lin sisi gathered her bathrobe and snorted. I'm also very tired now.

gu ze kissed her. " i'll give you a massage later. "

"Forget it!" she rolled her eyes at him but still went to cook for him. after a few steps, she muttered, " "I'd rather be called second Madam and not do anything."

gu ze laughed. " how much effort did i put in tonight? how comfortable did i make you feel? you're screaming for death just by making a bowl of noodles. lin sisi, you heartless little thing. "

Chapter 3683: lin sisi, shall we get married?

“mr. gu, i’m in my early thirties.” she waved her hand at him. ” let me remind you again. you’re going to be 40 soon. 40, mr. gu. ”

He took the razor and started shaving again. He looked at Lin sisi and said, ” that’s right. Lin sisi, you have to cherish such a fierce man even though he’s already 40. It’s not easy for women over 30 to find a man.

Lin sisi took off her slippers and threw them at him. He was too despicable.

Gu ze smiled and picked up the slippers. He walked over to help her put them on. you’re still angry after a month? i’ll feed you a little more after i’m done?”

she blushed and glared at him. gu ze laughed.”be good, go down.”

He went back and continued to shave his beard. Even a forty-year-old man had to pay attention to his appearance. He had to make his wife feel proud when he went out at all times. It was hard to be a man these days. Not only did he have to be able to earn money, but he also had to be handsome. He also had to have all kinds of skills to serve his wife well.

...

However, this was not bad.

lin sisi made noodles for him in the kitchen. she was only wearing a pure white bathrobe and her long hair was tied into a ponytail.

She was born slender, so from the back, she looked like she was in her early twenties.

after gu ze walked out, he looked at her fixedly and silently recalled the days in the past when she was waiting for him in C city. at that time, he was a bastard.

however, he would make it up to her in the future. he would have a lot of time to accompany her.

His heart softened a little. He walked over and gently hugged her waist from behind, his voice hoarse.”sisi, are the noodles ready?”

“i’m almost done. you can go over and wait.” She felt a little uncomfortable being hugged by him.

Gu ze laughed lightly and did not let go of her. Instead, he hugged her even tighter.”I miss you.”

As he spoke, his thin lips were still pressed against her ear. it’s been so long. Don’t you miss me, huh? ”

” i don’t, ” she said stubbornly. then, she used one hand to pull the hand on her waist. you’re still so clingy at your age. Gu ze, aren’t you embarrassed? ”

he chuckled and put his face on her shoulder as if he was playing dirty, watching her put the noodles away.

lin sisi couldn’t do anything to him, and the two of them went to the dining table like conjoined twins.

gu ze finally ate his noodles in peace and looked up at her. ” “You’re not eating?”

“Oh,” she said,”I drank some wine, so I don’t have an appetite.”

Actually, if it weren’t for the alcohol, she wouldn’t have had sex with him like this.

“You’re not allowed to drink in the future,” Gu ze said calmly as he looked at her.

“why?”

“Family rules! Second Madam!” gu ze drank the last mouthful of noodle soup in satisfaction and looked at her. ” “Is there any more?”

Lin sisi was furious. She wanted to smash the bowl of noodles on his head. there’s nothing else!

“you really don’t have any more?” He smiled and took the bowl to the kitchen. He brought another small portion over and ate it in front of her. He wiped his mouth and said, ” “Second Madam, the taste is not bad.”

Lin sisi glared at him. call me that one more time and I’ll return the ring to you.

Gu ze hummed. that’s just as well. I’m comfortable tonight anyway. Give me the ring so I can find another woman.

As he said that, he reached out to take it.

lin sisi was furious. ” gu ze, you bastard. ”

He grabbed her hand and kissed it, then said in a hoarse voice, ” “Lin sisi, I’ll take you to a place.”

she was a little confused. It was already midnight.

Gu ze carried her back to the bedroom, helped her put on her coat, and changed his own clothes. He took his car keys and went out.

Chapter 3684: lin sisi, shall we get married?

Gu ze drove for about half an hour and the car entered a villa area. It was the very luxurious and high-end kind.

it was developed by my company, ” he explained as he drove. I left a piece of land for myself to build a villa.

“for me?” lin sisi looked at him.

“we’re living there after our marriage.” he smiled slightly and then held her hand.

In the car, there was music that they both liked. After so many years, they actually knew each other's preferences very well.

With such music, Lin sisi felt a little more at ease and wanted to sleep, but she still held on.

...

the car slowly stopped at the entrance of a manor. the car did not go in immediately. gu ze opened the door and got out. he held her hand and stood in front of the black carved gate.

Lin sisi looked up. The entire Manor was about the size of an entire residential area. It was a spectacular sight. There was even a Ferris wheel inside, surrounded by colorful neon lights that gently turned in the dark.

Gu ze looked at Lin sisi and said softly, " " if we had a child in the past, she would be the princess here. if we don't, then mrs. gu, it's your lucky day. you'll be my princess. "

as he spoke, he pulled her in, through the music fountain, over the merry-go-round, until they reached the huge and beautiful ferris wheel. he knelt down on one knee, and a rose appeared in his hand. Lin sisi, I've been waiting for a long time. I'm sure you're the one who will sleep with me for the rest of my life and cook for me.

Lin sisi looked at him. do you have to be like this? you're obviously thinking about it, but you have to pretend that you don't care.

she lowered her head, took the rose from his hand, and then gently hugged him. " "gu ze, i'm willing."

He looked up.

Under her gentle gaze, the hurt they had caused each other all those years disappeared.

"Sometimes I wonder what you're still waiting for. It turns out that you can't let go even more than I can." She smiled.

Gu ze was still half-kneeling, his face buried in her waist. He sighed. if I had known earlier, I would have proposed earlier to satisfy Mrs. Gu.

Lin sisi laughed and reached out to hug his head. Behind her, someone set off fireworks.

And this night of showing off belonged to Lin sisi and Gu ze.

lin sisi snuggled in gu ze's arms and looked at the fireworks he set off for her. she suddenly had the urge to call bai suili. she wanted to tell her that she was getting married.

Bai suili's phone was turned off.

Lin sisi was a little disappointed, and then she sighed. "Shirley's probably going to have a hard time tonight."

thinking about how gu ze had starved to this extent in a month, and how bai xiuli's coquettish man had starved for so long, it would be strange if he didn't tear bai xiuli apart tonight.

Lin sisi thought about it and shivered.

on the other side, ye mulin had brought bai sulli to the GM hotel. once they reached the hotel, she slept like a dead pig for two hours.

When she woke up, she was still drunk and looked around in a daze.

she was drunk.

Where was this place?

who was she?

would a naked man come out and tell her that they had slept together?

He covered his face with his hand and shouted.

Ye Mulin brought a cup of soup from the kitchen and saw a certain woman rolling around on the bed with a pained expression.

He laughed coldly. She was dreaming, she probably thought that she had a romantic encounter!

Chapter 3685: I have always belonged to you (1)

Ye Mulin walked over and stood by the bed, looking at her quietly.

The drunk Bai Suili turned over to this side, her black eyes staring at him, and her small face was also enchanting because of her drunkenness.

She hugged the pillow and looked at him for a long time before she asked softly, "Ye Mu Lin?"

He sat on the edge of the bed and reached out to caress her face. He whispered, "What else?"

She continued to look at him, and after a long time, she snorted softly. "You're definitely not a pervert like him. If you were him, you would have pounced on me."

She gestured at her clothes. It's torn from here.

...

As she spoke, she giggled and hugged her pillow as she complained, "Don't look at how serious he is outside. He's actually a very ordinary man and very bad."

She pointed at her chin. Look at this place. My mom thought that he did it on purpose for me to serve Yingluo for Ye Mulin. I guess that's what he's thinking.

“You’re right. That’s what I’m thinking.” ye mu lin was angry and amused at the same time. he reached out and gently held her chin.

He didn’t mean it that way when he accidentally pinched her, but if she thought that he meant it that way, he wouldn’t be a man if he didn’t enjoy it.

After he finished speaking, he moved closer to her, his face almost touching her face.

bai sulli was so scared that she peed her pants. she stared at him with wide eyes and her voice was almost trembling. ” ye mulin, don’t come over. ”

half sobered up, her eyes widened as she looked at the man who was approaching her. she wanted to cry but had no tears.

“why don’t you come over? Or are you just going to let other men enjoy it, huh?” he forcefully trapped her at the head of the bed, not in a hurry to do anything to her. instead, he gently stroked her red lips and murmured, ” “xue li, do you still remember the past?”

He stroked it slowly and gently, and she quickly said, ” “i don’t remember.”

“If you don’t remember, I’ll help you remember, okay?” he smiled.

As he spoke, he pulled her into his arms and kissed her. The temperature in the hotel suite was of course moderate, so even if the clothes fell to the ground piece by piece, he would not feel cold.

She probably knew what he was trying to do, so she kept resisting.

When he wasn’t paying attention, she jumped off the bed and went into the bathroom.

Ye Mulin smiled and followed her. He closed the bathroom door with a loud bang.

the woman who had run away was curled up in a corner of the bathroom. she hugged her arms and bit her lip.”Ye Mulin, you have bad intentions. You came here to possess me and sleep with me.”

“what’s wrong with sleeping with the woman you like? Is sleeping with someone else the right thing to do?” he walked toward her.

don’t come over! Bai suili screamed.

she didn’t want to do that. it was embarrassing to be forced to do that.

Finally, he walked up to her and reached out to pinch her face gently. He murmured, ” “you don’t like it? if you don’t like it, next time.”

she was a little stunned, and then he hugged her. he pressed her against the wall and kissed her passionately, as if he had really endured it for a long time, hungry and thirsty.

bai suili used her remaining will to place it on his shoulder and muttered,”Ye Mulin, have you really never met anyone else before?”

He was a little annoyed that she still had the mood to ask this at this time, so he snorted. ” yes, that’s why it’s very clean. there’s no one else but you. ”

As soon as she finished speaking, Bai Sulli gently licked her lower lip and swallowed her saliva. In a very soft voice, she said,”actually, it’s not impossible,”

Chapter 3686: I’ve always belonged to you (2)

he looked at her deeply, and he kept looking at her.

after a long time, he spoke in a hoarse voice,”bai sulli, are you really willing?.”

he had not started yet, but his mind was already crazily imagining it. his slender fingers caressed her face, caressing the velvet touch, and his dark eyes looked like they were on fire as he looked at her.

She let him touch her and moved her face closer to his, like an obedient kitten.

Ye Mulin lowered his head and kissed her passionately. After a long time, he mumbled, "Bai Xue Li, I suddenly can't bear to treat you like this."

His fingers were still fondling her lips lovingly, rubbing and kissing them as if he could never get enough of them.

...

the shower in the bathroom had turned on at some point, and the warm water hit her body. it was hot and mixed with the smell of alcohol, giving her a warm and smoky feeling. her clothes fell to the ground one by one ...

ten minutes later, bai sulli's voice was a little muffled and she screamed, "ye junjun, mu lin junjun, you said you couldn't bear to treat me like this." she couldn't finish her sentence.

Ye Mu Lin enjoyed it to his heart's content. He pressed his fingers on her scalp and sighed. "i've changed my mind,"

after that, she never had a chance to speak. she didn't know how to. she made him feel very painful, but he was happy in pain.

After that, there was another kind of chaos. After the incomparably messy bathroom, he carried her to the soft bed in the bedroom. While she was in a good state, he flogged her for the whole night. He only let go of her when the sky was slightly bright.

Bai suili was in a deep sleep. She was so tired that she lay in his arms, not moving.

ye mulin lowered his head and looked at the woman in his arms. he felt as if his life had been filled to the brim.

He was standing at such a high place, and he had always hoped that she could see him, and she had finally returned.

he smiled and reached out to gently stroke her hair. after kissing her, he said in a low and hoarse voice, ” “Bai Sulli, the way I treated you before was right. The next time you dare to run and I can’t find you, I’ll break your legs.”

She naturally couldn’t hear him, but his voice was deep. break her legs. From now on, lock her up on the bed and don’t go anywhere.

after saying this so ruthlessly, he actually hugged her again, his face full of grievances.

Bai Sulli, I’ve liked you for so many years. Sometimes, I feel like I’ve been fed to a dog.

This dog’s name was Bai Sulli, and his heart had been eaten by the dog.

holding her, he slowly fell asleep.

when she woke up, it was already four o ‘clock in the afternoon. bai suili opened her eyes wide and looked at the handsome face in front of her.

why? are you disappointed to see me? did you think that you had an affair with a young man after drinking? ” ye Mu Lin’s voice was calm.

bai sulli glared at him, but her face secretly turned red. she reached out and pulled the quilt open to take a look, then raised her fist and punched him.”ye mulin, you’re too despicable.”

Her body was covered in hickeys. There was not a single good spot on her body. He was too despicable.

ye mulin let her hit him. anyway, her fancy punches and kicks could not hurt him. after she was done, he reached out and pulled her into his arms, letting her lie on top of him.

bai suili was a mature woman, so she could naturally feel his abnormality. her watery eyes widened and stared at him,”ye mulin, you’re not human.”

He had tormented her for the entire night last night, and now he still had the heart to do it.

Chapter 3687: I've always belonged to you (3)

Ye Mulin looked at her expression and smiled. He reached out and grabbed her small hand. Bai Sulli, I'm not even forty yet. Isn't this normal? "

her hand struggled, but he still shamelessly pressed it against her. then he whispered, " "You're already in your early thirties, yet you're still acting like a little girl. Don't you understand men?"

bai suili's face was on the verge of smoking. she bit her lip and glared at him.

Yes, she had a man before, but he was the only one. Although she had never compared herself to him, she knew that ordinary men would not be so good at it.

Did he take a whole bottle of aphrodisiac?

she glared at him and tears welled up in her eyes. ye mu lin chuckled again and reached out to stroke her hair."what's wrong?"

...

she continued to glare at him. " ye mulin, can you control yourself? "

he looked at her in surprise. " "If this kind of thing could be controlled, men wouldn't need women."

she gently slapped his face. only bai suili would dare to so openly greet someone who had grown up.

She glared at him. ye Mulin, you're too despicable. Are women only useful for warming the bed? "

He looked at her and chuckled. but Bai Sulli, this seems to be your greatest use to me. What else do you have? tell me, Yingluo.

He looked like he was accepting it humbly. Bai Xiuli was furious and glared at him. "I can also give birth!"

"Bai Anan?" he placed his hand on her back and fondled her from top to bottom, slowly moving his hand down. finally, his hand landed on the spot where she was often hit. he pressed down hard on it and she immediately cried out in pain. "ye mulin, what do you want?"

"I'm just reminding you," he mumbled, "I've also contributed half of my effort to Anan."

She was angry and glared at him. you only provided one child of the Pixiu spirit.

As she said this, her eyes turned red. Seeing her sadness, she reached out and gently stroked her face. Her voice was hoarse. Shirley, it's been hard on you all these years, right?"

she slapped his hand away and threw a tantrum. "there's nothing else,"

he smiled and looked at her little face. "you're angry that i only care about my carnal desires, right? you think i have less feelings for you than you do, don't you?"

she didn't say anything.

If he was in any other woman's shoes, she would think the same way.

Ye Mulin smiled faintly and did not explain. He hugged her and pressed his lips against her ear. Shirley, I just missed you. It's been so many years, and our child is already so big. You haven't missed me at all. Didn't you miss the nights we spent together when you were sleeping alone?"

She lowered her eyes and did not say anything.

he sighed and smiled. he didn't say anything and just gently, gently placed her in his arms.

"I'll carry you to the bathroom," he muttered after a while.

As he said that, he carried her to the bathroom to wash up. He did not take advantage of her at all. When he was about to carry her out of the bathtub, she reached out and hugged him. ye Mulin.

He lowered his head and looked at her. what's wrong? ”

“I don't want to be your lover all the time. Although Anan likes you, people will find out about your identity sooner or later.” She bit her lip and said in a soft voice.

“I didn't hide her existence on purpose. She went to my place, didn't she?” He reached out and gently pinched her soft face.

bai suili was stunned for a moment, hesitating for a long time before saying,”What do you mean?”

Chapter 3688: i've always belonged to you (4)

he smiled but did not answer her question directly. instead, he muttered, ” “What do you think?”

As he spoke, he kissed her and carried her back. She was only wearing a bathrobe, while he had changed into his clothes and was neat.

“i'll order a customer service meal for you.” “I have a meeting later,” he said, looking at his watch.

“you're leaving in a while?” bai suili was stunned.

he smiled bitterly. ” i'm really busy. ”

bai suili wanted to lose her temper. he had tormented her for so long, then left her in the hotel and went to the meeting by himself.

...

she wanted to get angry, but she suddenly remembered what they had said before.

She had asked him before, "ye Mulin, are you happy now that you're standing at such a high position?"

He did not answer her.

She wanted to ask him again, but she grabbed his arm.

He turned around to look at her.

ye Mulin, are you happy now? " Bai Sulli asked in a low voice. any ordinary man would be happy if he were to stand so high up, right? "

He turned around, his gaze unfathomable. After a while, he smiled and reached out to pinch her face. "Wait for my return."

However, she was unwilling to let him go. She continued to hug him and asked softly, " are you happy? this question is very important to me.

ye mulin pondered for a moment before he carried her up and pressed her forehead against his. then, he said very softly, " Shirley, I'm very happy that you're back. As for work, I'm sure Wanwan isn't as interested as when I was a lawyer, but we both have to find a balance. When you want what you want the most, you have to put aside all other interests and even sacrifice them, right? "

her throat seemed to be blocked, and she couldn't say a word for a long time. after a long time, she muttered, " "i'm the most important person here, right?"

he sighed. " silly girl. "

Of course it was!

however, he didn't say it out loud. our chief ye was also a very proud man. he waited for her to speak first.

he kissed her, and his voice trembled with an unprecedented sexiness.”i really have to go. otherwise, the people in the meeting room will laugh at me and say that i’m stuck in a woman’s nest and can’t get out.”

she punched him and then felt a little heartache. ” “you haven’t eaten anything all day.”

“Secretary li will prepare a nutritious meal for me. It’s very refreshing.” His voice was low and hoarse.

bai sulli originally hated him, but now she was a little reluctant to let him go. her fingers gently stroked his buttons and murmured, ” “Ye Mulin, that must taste terrible.”

“Make it up to me tonight.” he kissed her and remembered something. ” wait for me here. I’ll be done at eight. Come here and I’ll take you out to barbecue.

“do you want it? don’t get diarrhea again.” She laughed at him and then calmed down a little. can our Yingluo go out to eat together? aren’t you afraid of being seen? ”

he ruffled her hair, smiled, and left without a word.

After he left, Bai suili thought about it and felt a little distressed.

It was as if everything he did was for her, and she was always throwing tantrums.

Even though he could be really mean at times, just like last night, she had indeed enjoyed the taste of Yingying.

she licked her lips gently, her face a little red.

on the other hand, ye mulin went straight to the office for a meeting. there were subordinates and people of the same level in the meeting. after he sat down, secretary li reminded him softly, ” “chief ye, your neck has been scratched.”

Chapter 3689: will you feel bad for me?(1)

Sigh, with such a body full of injuries, he only came in the afternoon. There was no one else.

which leader didn't keep a low profile, unlike their chief ye, who was afraid that others wouldn't know that he had a woman. his real wife was in the hospital, and to be able to fight like this, it must be an outsider's woman.

secretary li's gaze was difficult to express in a few words, and so were the other people in the meeting.

Those pairs of eyes didn't dare to land on chief ye's face at all. One more look and they would feel that it was ambiguous.

Ye Mulin, on the other hand, did not feel anything. He calmly held the meeting and only reached out to adjust the collar of his shirt. That action made the hearts of all the women present flutter. He was so charming!

ye mulin continued to preside over the meeting and it only ended at seven in the evening.

...

In his office, Secretary li was tidying up the documents for him. Ye Mulin sat at his desk and opened the drawer. He took out two pills and ate them.

secretary li turned around and walked over with a frown. "chief, is your stomach feeling uncomfortable again?"

that's not right. the bureau chief didn't show any signs of discomfort in the meeting room just now. however, secretary li suddenly recalled that the bureau chief probably didn't want others to know. after all, there were so many scratch marks on his neck and his stomach was acting up again. he would be laughed at.

when secretary li thought of this, she felt angry and amused at the same time. she had been working for ye mulin for more than ten years. she felt that he was getting older and more influential, but he seemed to be getting more and more childish.

she stepped forward and said with concern, " then you can rest here for a while. i'll stay here. also, i'll call for some light food. you can leave when you feel better. " She was really worried.

ye mulin raised his head and looked at her. then, he said calmly,"alright," he said.

He went to the lounge inside to rest. Secretary li had gotten married and had children all these years, so he would dote on people. Children would dote on them, and old people like chief ye would dote on them too.

After ye Mulin laid down, Secretary li took his temperature gently. Her actions were very gentle so that he would not feel uncomfortable. She then went to fill a small warm bag with hot water and placed it in his hand to warm his stomach.

ye mu lin placed a hand on his forehead and said in a low voice, " you're the only one who's taking care of her so well. If it were Shirley, she probably wouldn't do it, or she'd be flustered.

secretary li bent over and tucked him in, smiling. " "The chief might be disdainful, but he can't stop laughing at the mention of her."

"I'm not laughing, I just dislike her." As he spoke, he frowned again, but soon relaxed again.

secretary li knew that he was not feeling well, so he said softly, " " then i'll go outside to pack. if i'm not done in half an hour, i'll go to the hospital. you have to listen to me. "

his illness had dragged on for several years. it was also a job that did not care for his life and did not cherish himself.

Secretary li quietly went out and thoughtfully closed the door. She quietly sorted out the documents outside. After half an hour, she finished packing her things, knocked on the door, and opened it.

ye mu lin was not in a good state and his face was pale.

Secretary li went over and touched his forehead, muttering, " "I'll get someone to send you to the hospital."

ye mulin was awake. his body was cold, but it would heat up again after a while. it was very, very hot.

He closed his eyes and muttered, " my phone is in my pocket. Call Shirley for me. Tell her to go home first. Tell her I have to work overtime.

after he finished speaking, he frowned and closed his eyes.

secretary li knew that he was very uncomfortable, so he took the phone and asked someone to take him to the hospital first.

Chapter 3690: Will you feel bad for me? 2

the black rv took him to the hospital silently. sometimes, it was also sad to sit in this position. he didn't dare to let anyone know that he was sick, for fear that people would say that he was unable to do what he wanted and should retire.

secretary li sat in the car with a calm expression.

in the past few years, she had experienced this kind of thing many times, and she had handled it perfectly every time. she was so familiar with it that she even had a special passage in the hospital.

When they arrived at the hospital, the doctor quickly pushed her into the examination room for a checkup. Fortunately, the result was that she only had acute inflammation and would be fine after being on a drip for two days.

However, the doctor said sternly, " the general is too careless. He always forgets to eat at work. His stomach is not good to begin with. He needs to take care of it. I've told him so many times, but he still doesn't listen. I thought that I would have restrained myself in the past six months, but I did it again. Little Li, you have to advise me on this. it's going to be bad if this continues."

"Chief ye, you're not even 40 yet. What kind of Secretary are you?" the doctor said sternly.

...

Secretary Li's heart ached, and he felt a little wronged. After a while, he said, "I'll think of a way later."

This, he could probably only start from Bai Sulli. The chief would probably listen to her words.

thinking of this, she then remembered that she had not made the call, so she called. very soon, bai sulli picked up the phone. "ye mulin, you said that you would be back at the hotel at eight o'clock. it's almost nine o'clock and you still haven't returned. i'll take my leave first."

"Shirley, it's me," Secretary Li said.

Bai Xiuli was stunned for a moment and asked, 'Secretary li? no, if it's not yingluo, why is his phone in your hands?'

secretary li smiled bitterly. "the chief's stomach is acting up again. he told me to call you but he didn't want me to tell you. but i think i should tell you. the chief is on an iv drip in the hospital now."

Bai Xiuli was stunned for a moment before she said in a daze, "Where is he? is it serious?" he asked.

"I'm alright, I'm alright. Did I scare you?" Secretary li quickly comforted him softly. What a joke, this was the Bureau chief's precious baby.

Bai suili made an "Oh" sound and was silent for a while.

"Aren't you coming over?" Secretary li asked cautiously.

"he'll complain that i'm clumsy," bai sulli said, biting her lip.

Secretary li was about to laugh out loud, but he tried his best to hold it in. "no, the chief just praised you."

this probably gave bai suili confidence. she immediately tidied up and asked the taxi driver to drive her to the hospital. she also called her parents and said that she would be out for two more days. mr. and mrs. bai were naturally willing.

when bai suili rushed to the hospital, ye mulin was already on an iv drip and lying quietly in the hospital. however, he was still worried about bai suili. he asked secretary li, ” “Have you called?”

Secretary Li said softly while peeling an Apple, ” I did, but Shirley kept asking. I accidentally blurted it out. I’m sorry, chief. You’ll forgive me, won’t you? ”

Ye Mulin glared at her for a long time before he chided her. “You’re getting more and more daring.”

Secretary li put the Apple down.

he looked at it. ” i can’t eat. why are you cutting this thing? ”

it’s for Shirley. She’s probably hungry. Secretary li smiled mischievously. Just then, the door opened. Ye Mu Lin thought it was Bai Sulli and said naturally, ” “Didn’t I tell you to wait for me in the hotel?”

however, it was wen yuan who came in. he had come over when he saw secretary li because it was a hospital.
