Chapter 3691: Will you feel bad for me?(3)

The atmosphere was a little strange. Wen Yuan smiled at Secretary li and walked over. "Why are you feeling uncomfortable again? how is it?"

"He's too indulgent," Secretary li answered on her behalf.

as he said that, he glanced at bureau chief ye's neck. wen yuan saw it too and coughed lightly."I really don't know what to say."

Ye Mulin felt better after the IV drip. He smiled."wen yuan, you're making a fool of me."

wen yuan sat by the bed. " i don't dare to laugh at you. i just feel that you don't know how to take care of yourself. "

She sighed softly. Mulin, you always take good care of everyone. You're the only one who's not doing well. I heard from the doctor that your stomach will be in big trouble if it continues like this.

...

"It's not that serious," ye mu lin laughed and then said casually,"Right, how's xiangnan?"

wen yuan smiled. " i'm fine. i can be discharged soon. but you're here again. "

"mubai didn't come again?" ye mulin thought for a while and asked in a low voice.

Wen Yuan shook his head as if he had no intention of continuing the conversation.

Ye Mulin looked at her for a long time before sighing and not asking anymore.

his identity was also a mystery, and it wouldn't be good to ask too much.

at this moment, the door of the ward opened. bai suili was standing at the door. as soon as she opened the door, she saw wen yuan sitting in front of the bed. she was stunned for a moment and instinctively wanted to leave.

Ye Mulin, Wen Yuan, and Secretary li had both seen her.

Secretary li covered her eyes with her fingers. God, how could she have forgotten about this?

Bai suili quietly watched, and after a long while, she whispered, "i'm sorry, i'll leave now."

she raised her eyes and looked at ye mulin. her voice was very, very soft. "Also, I want you to recover as soon as possible,"

Bai suili thought that she was a very thick-skinned person, but seeing such a scene today, she still felt a little hurt.

also, it was embarrassing.

After all, she was facing Wen Yuan, ye Mulin's wife in name. Wherever Wen Yuan was, Bai Xueli could not be seen in public.

she suddenly felt like crying. her eyes were red, but she didn't want to show weakness. she bit her lip and ran outside.

Ye Mulin wanted to remove the IV drip and chase after her. Wen Yuan stopped him. I'll go after her.

he looked at her.

Wen Yuan smiled, "how long are you going to lie to her?" don't always bully her! I'll go after Yingluo. Don't worry."

secretary li was still in a daze.

wen yuan had already stood up and walked out, quickly chasing after bai suili who was leaving. fortunately, bai suili was no longer the willful little girl from back then, or she would have run away quickly.

wen yuan caught up with bai suili and said in a soft voice, ” “Xue Li, can we talk?”

Bai suili’s eyes were red, and she walked forward with all her might, while saying in a Huff, I don’t want to talk about it. I wish you two to grow old together.

wen yuan was angry and amused at the same time. she finally knew how ye mulin felt when he was often angered to death.

Bai suili was really interesting.

she still caught up with her and walked side by side with her. she admitted that she did it on purpose.

sure enough, bai suili was in the way after a while. she stopped and glared at wen yuan, ” “i’ve already wished you happiness, what else do you want?”

“he wants you to swear to never leave him.” wen yuan said as he held back his laughter.

Bai suili didn’t hear him clearly and immediately replied,”Wen Yuan, you’ve gone too far. Why did I swear not to leave Yingluo!”

Then, her eyes widened even more as she looked at Wen Yuan, ” “what do you mean by that!”

Chapter 3692: will you feel bad for me? iv

“it’s very simple. i’ve divorced ye mulin after receiving the news of your return. xue li, this marriage contract between him and i is also for outsiders to see. xiang nan only calls him uncle at home. ye mulin and i are considered half a family. because xiang nan has the blood of the ye family, he allowed me to live in the ye family. And Shirley, ye Mu Lin always says you’re stupid, but I

don't think you're that stupid! You can always tell if a man loves you or not, and how much he loves you!"

bai suili almost exploded-

What do you mean I don't think you're that stupid!

Her eyes widened even more.

Wen Yuan suddenly smiled. actually, Shirley, I like you very much. You're quite cute, just like Xiao-Xiaobai on Mu Lin's desk. I heard that this little bastard looks like you. Is that right? " xiangnan asked for it several times, but he refused to give it to her. "

bai suili gritted her teeth and slowly opened her mouth,"wen yuan, are you a devil?"

...

Wen Yuan smiled. I just like you a lot. So, Qianqian, you should go and visit him. I happened to come over. Don't you think it's too much to accuse me and him like this? you see, I'm not the one who made him sick!

Bai suili only felt that Wen Yuan's eloquence was poisonous.

wen yuan was still smiling. " i have to go and accompany xiangnan. however, xiangnan might want to see uncle later. if you have anything inappropriate for children, please hurry up. otherwise, it will be bad if the children see you. "

Bai suili was originally very guarded against Wen Yuan, but when she heard Xiang Nan's name, she felt a little sorry for him. She bit her lip and hesitated for a moment before saying, " "Are you planning to be with little white?"

wen yuan smiled faintly and said in a low voice, " Xue Li, I actually admire you very much. We've been love rivals for many years. Back then, you liked Mubai and chased after him vigorously, but I didn't have the courage, and I made a mess of things.

” but you gave birth to a son for him, ” bai sulli encouraged her. ” i was kidnapped by his brother and brought to the church. ”

However, Wen Yuan was also married to ye Mulin, although it was only in name. Bai Xueli said unhappily, ” “Actually, Xiao Bai is quite poisonous. People love it, flowers bloom,”

Wen Yuan laughed, but there was a sense of loneliness in his laughter.”he has a girlfriend, and he’s forgotten about me, yingluo.”

“even if he does, he probably doesn’t like me,” she said after a pause.

She was the one who forced him.

seeing her like this, bai suili no longer had the mood to be jealous. she went over and hugged wen yuan’s arm. ” “Don’t be discouraged. Also, give Xiao Bai some time. I think he will remember and come back. wen yuan, you still have a son. for the sake of nan, you have to pull yourself together.”

mm. Wen Yuan reached out and stroked Bai Sulli’s hair gently. now I know why ye Mulin misses you so much. It’s because you’re a little silly.

bai suili suddenly jumped up,”Wen Yuan, you’re poisonous.”

“actually, i’m your sister-in-law!” she snorted.

wen yuan smiled. ” that’s enough, sister-in-law. let’s go and see our chief ye. otherwise, he’ll really have to remove the iv drip. ”

“He’s so stupid!” Bai suili gritted her teeth.

wen yuan sighed.”he’s just confused because he cares about you. bai sulli, you should give him a happy life. after he has done so much for you, hanhan.”

Chapter 3693: Ye Mulin, we’ll never be apart again (1)

Bai suili's feelings were complicated. After a while, she looked at Wen Yuan and said, "I'll help you, but I'll go see ye Mulin first. Bring xiangnan over later."

"alright," wen yuan smiled.

The two women parted ways. When Bai Sulli walked into ye Mulin's ward, her face was a little pale, feeling embarrassed.

She stood at the door for a while before pushing it open. Ye Mulin was lying down. When he saw her, he glanced at her and said, "You're willing to come back?"

she didn't say anything and slowly walked over. she stood in front of him and asked in a small voice, "Are you feeling better?"

He lay down and looked at her. No.

...

There was a hint of coquettishness in ye Mu Lin's tone, which made Bai Xue Li's hair stand on end. She looked at him pitifully for a long time before she said, "you're already an adult, yet you don't even know how to take care of yourself!"

"i've taken care of your jade-like desires. bai xue li, do you still have any conscience?"

"you're not taking care of me, you're clearly taking care of yourself," she snorted softly.

Then she glanced at him. you've been empty for a few years. You're the one who's hungry and thirsty. Don't blame everything on me.

"Then who should I look for?" he looked at her, not letting go of the change in her.

she stammered and only spoke after a long time, "That has nothing to do with me."

"bai sulli, do you think it's related?" he stared at her.

” oh, ” she said, then sat on the edge of the bed. she grabbed his hand with her fair and slender hand and looked at him.”who told you to keep your body like jade?”

He laughed, looking like he wanted to ignore her idiotic behavior.

bai suili’s head popped over. ” didn’t i come to see you? why do you still look angry? ” i didn’t even hold it against you when you left me in the hotel.”

he rolled his eyes at her again.

She played with his large palm, her head slightly lowered, and after a while, she said in a low voice, ” by the way, you didn’t tell me about your divorce either. You even lied to me that you were a mistress. I was so angry, but I didn’t get angry at you!

ye mu lin raised his head and looked at her with a gentle gaze. his gaze was quite strange.

Bai suili’s eyes were sparkling, and she kept playing with his palm, her expression a little soft.

ye mulin’s heart had already softened, but he still pretended to be angry on the surface. he looked at her and said, ” “Bai Sulli, are you begging me to marry you now?”

she lowered her eyes and looked at him.”If I beg you, Will you marry me?”

“depends on my mood.” bureau chief ye said proudly.

she was so angry that she ignored him.

at this moment, secretary li came back with some plain porridge. he laughed when he saw them. he put the porridge on the bedside table and said softly, ” chief, why don’t i go home first? shirley can stay here and take care of him. ”

Ye Mu Lin did not have any objections.

“can he eat it himself?” bai suili bit her lip.

Secretary li sounded quite serious. the Bureau chief couldn't even stand still before. It's better to feed him. Why don't I stay behind to feed him? ”

bai suili was a little drunk thinking about that scene. she laughed dryly,”i'll do it!”

secretary li held back his smile and nodded. ” be careful. it's hot. remember to blow it cold before you feed it. ”

Bai suili cursed in her heart, but she still smiled and nodded politely, sending Secretary li off.

after secretary li left, she sat by the bed and picked up the bowl of porridge. she scooped a spoonful and sent it to ye mulin's mouth.

Chapter 3694: ye mulin, we'll never be apart again 2

Ye Mu Lin did not eat it. Instead, he said indifferently,”after secretary li left, there was someone else? bai xue li, is it very difficult for you?”

“then give me a standard, chief ye, and i'll smile according to your request.” She said with a fake smile.

Ye Mulin looked at her and snorted. when did your mouth become so sharp? people say that one is marked by the company of Vermillion. It seems that this saying is not wrong at all. You see, it's only been a few days and his mouth has become so sharp.”

“It's obvious that he's marked by his company,” Bai suili bit her lip.

“that works too,” he smiled.

As he spoke, he pulled her onto the hospital bed.

...

the porridge is going to spill, ” Bai Sulli said softly. you’re still so crazy even when Yingluo is sick.

However, he chuckled and kissed her lips. He only let go of her when he was done kissing her. “this is your punishment for being disobedient.”

After he finished speaking, he let go of her, took the porridge and ate half a bowl, leaving the other half for her to eat.

“I don’t want to eat this.” “i can go out for a big meal later,” she said with some disdain.

Ye Mulin glared at her, his face dark. I’ve saved Bai suili for you to eat, but you actually dare to go out and eat a big meal.

“Do you still have a conscience?” he pinched the tip of her nose.

she was in great pain from his pinch and cried out in pain. after he let go of her, she rubbed her head and complained, ” “i don’t like to eat this. don’t save it for me. you can finish it yourself. i’ll feed you, okay?”

he still had a look of dissatisfaction on his face, and his expression was very proud.

Bai suili pursed her lips and smiled, then leaned over to feed him.

he looked at her and seemed to be reluctant to eat it again and again. bai shirley looked at him and said, ” now you’re being obedient! ” You don’t even know how to take care of yourself and let others worry about you.”

She said it softly, but he still caught the heartache in her eyes. He looked at her and asked softly, ” “Shirley, you only said you didn’t want to eat because you wanted me to eat more, didn’t you?”

“it’s mainly because i don’t like to eat it.” She stuck out her tongue.

Ye Mu Lin's expression became gentle as he stroked her hair."You idiot, you care about me, don't you?"

"no, i won't." She denied it, but couldn't help but say, "ye mulin, i'll watch you eat in the future."

there was a hint of a smile and gentleness in his eyes. " i'll get someone to send food over later. "

"i'm just afraid that you won't be able to stand the fragrance." "i'll cook noodles here," she said as she looked inside.

she often cooked for herself now, and the food she made was still edible.

ye mu lin lay flat and reached out to hold her hand.

he didn't say anything. they all understood.

bai suili was about to go downstairs, but she couldn't bear to do so. she sat on the edge of the bed and leaned her forehead against it. "xue li?"

her voice was a little hoarse. " ye mulin, we won't be separated again, right? "

He smiled faintly and put one hand behind his head. Then, he said in a low voice, "shirley, if you really want to confess to me, wait until i'm better, okay? i'm fine with even proposing."

"Of course, you're the one proposing to me." bai xiuli wrinkled her nose.

alright, " he said with his eyes closed.

She still leaned on him and refused to leave.

Ye Mu Lin gently rubbed the back of her neck and sighed."Shirley, after so many years, why are you still like a child?"

“Then I’ll call you daddy too,” she said as she leaned against him.

“Nonsense,” he reprimanded with a dark expression.

Our chief ye is really a traditional man!

Chapter 3695: Ye Mulin, we’ll never be apart again (3)

she shamelessly hugged his waist and rubbed her face on his shoulder. ” “i’ll call you dad.”

He had no choice but to compromise. you can’t let an ‘an hear this. Otherwise, what will happen to you? ” he said.

“don’t worry, i’ll only do it when there’s only the two of us,” she whispered in his ear.

His heart softened. In fact, his leecher had not changed at all. She was still dependent and clingy, but she was forced to be independent. Just the thought of her living with an an abroad, working and taking care of the child alone, made his heart ache, and he even forgot that he was sick.

Outside the ward, Yang Nan was listening at the door. He then looked up and asked Wen Yuan softly, ” “Aunt Bai is already so big, why are you still calling uncle ‘daddy’? Anan should be calling uncle’ daddy’!”

Wen Yuan’s expression was very interesting. She did not even know how to answer Xiang Nan’s words. She could not tell Xiang Nan-

...

this is your uncle and aunt bai’s love affair!

she was too embarrassed to say it!

Besides, if Xiang Nan continued to ask, she would have a big headache, so she just vaguely said, "Your uncle and aunt Bai are thinking about how to educate Anan. Your aunt Bai is playing the role of Anan."

"Oh, mom, I know. It's a character game." Xiangnan had an idea and looked at her mother longingly, wanting to be praised.

wen yuan cursed in his heart, but on the surface, he smiled like a kind mother. "It's almost like this!"

She really couldn't bear to tell her son what a character game was.

He sighed and said, "let's go back to the ward." Your uncle is a little busy."

xiang nan replied with an "oh," and then whispered, "Mom, I also want to play a character game."

Wen Yuan could not help but sigh. He then said to his son, "What do you think about catching a puppy tomorrow?"

Xiang Nan's little face drooped. After a while, he said, "there's a pretty little girl next door. i want her to call me daddy."

Wen Yuan-

She now felt that she should stay away from ye Mu Lin and Bai Xue Li. They were poisonous when they were together.

The ward was as warm as ever.

bai xiuli stayed in ye mulin's arms for a long time and refused to move away. she thought that the smell of the medicine was his masculine scent.

After a long time, ye Mu Lin pinched her little face."Shirley, aren't you hungry?"

“i’m not hungry.” “i just want to feel your warmth,” she said in a soft voice.

He paused for a long time before he said, “actually, I want to go to the bathroom.” &Nbsp;

bai suili raised her eyes, “are you a demon?”

“I’ll help you get the drip,” she snorted.

Ye Mulin was a very proud man. Although he wanted her to provide him with a full set of services, he decided against it after thinking about the image. He still hoped that he could maintain a high and mighty image in her heart, so he rejected her reservedly.

Bai suili didn’t force him. then I’ll go down.

he smiled, took the iv drip, and went to the bathroom. as he went to the bathroom, he thought that perhaps it was because she came over that his stomach problem had recovered faster. it seemed like it didn’t hurt anymore.

after he was done, he went out and smelled a fragrant smell coming from the small kitchen. at this time, he also felt that one bowl of porridge was not enough, so he went into the small kitchen.

she was right below, very focused, and her lowered eyes looked especially soft.

His heart couldn’t help but soften. He held the IV drip in one hand and held her waist gently with the other. He rested his chin on her shoulder and murmured, ” “Make more, I’m a little hungry too.”

Chapter 3696: ye mulin, we’ll never be apart again (4)

bai xiuli turned to look at him and smiled. ” i’ll go downstairs and give you some food. you can sit at the small table. oh, i’ll help you get the shelf. ”

After she finished speaking, she turned down the fire and ran over to take it.

She helped him adjust it when she returned and then went down again. Ye Mulin rubbed his chin and said thoughtfully, "bai xue li, you're not like you today, could it be that you're a fake?"

"You're the fake one!" she glanced at him and skillfully helped him pack a bowl of plain noodles.

When she brought it over, it looked very beautiful. It was just a few green vegetables and an egg, but it was surprisingly fragrant.

a blissful feeling gushed out of his heart, but he took a bite without saying anything. the taste was very good, light but delicious.

...

bai suili stood at the side. "is it delicious?"

"it seems that secretary li has entrusted this task to the right person," he said with a smile.

bai sulli's face blushed slightly, and then she turned her head to cook for herself. it was almost 11 o'clock and she was indeed hungry, so she didn't eat very elegantly after cooking.

ye mulin looked up at the way she ate her noodles. he thought to himself that it felt nice and warm for the two of them to eat their noodles quietly like this. this was also the life he yearned for, although the price he had to pay was a little higher.

actually, it wasn't that no one could take her place and eat noodles with him, but he just didn't want to.

Because if it wasn't her, he wouldn't want her.

ye mu lin smiled and suddenly said, "I'll take care of my body in the future."

Bai suili was a little stunned, and then she looked up at him.

“I said I will take care of myself, and you and Anan.” ye mu lin lowered his head and said coldly. then, he said casually,”Oh right, if you’re free, let’s go get a marriage certificate. The child is not young anymore.”

ye Mulin, are you proposing to me? ” Bai Xiuli asked.

“I’m asking for your opinion.” He smiled, and habitually assumed the posture of a superior.

Bai Sulli glared at him. no champagne, no roses, no proposal big diamond ring? ” she asked.

“I’m telling you, I’m just as boastful as I used to be,” she yelled.

he laughed. ” i thought it would be better for us to communicate this kind of thing first. i have to get a positive answer. otherwise, if the situation is so big and you don’t agree, it will be difficult for me to step down. ”

She looked at him with a poisonous gaze.

” i still have to be wary of xue li due to my identity, huh? ” “Don’t you think so?” he coaxed her.

She felt that something was wrong, but she couldn’t put her finger on it.

so she hesitated for a moment.’alright then!’

He hummed in acknowledgment and then said very slowly, ” Oh, I forgot to tell you that there are financial restrictions for public officials. They refuse to be extravagant and wasteful.

She was dumbfounded and only came back to her senses after a long time.”ye mulin, are you saying that the flowers and the big diamond ring are gone?”

He looked at her with some regret and said, ” I’ll just buy a ring. As for the wedding, should we keep it simple? it’s really not appropriate to make a big scene.

She finally understood that he was just trying to trick her!

he was too evil.

She said angrily, " then I'm not getting married either.

He didn't take it to heart and said very proudly, " Bai Sulli, think about it carefully. It's very rare for me to be free. After this time, I may not be single anymore.

He was really shameless! She thought to herself.

He was the one who was pestering her, so why was she the one begging him now? what the f * ck?

Chapter 3697: Ye Mulin, we'll never be apart again (5)

Bai Xiuli was furious. She glared at him and said, " "Then don't get married."

he reached out and touched her face. " aren't you afraid that i'll be snatched away by another woman? "

"i'm not afraid." she squinted at him. " i can also find a stepfather for anan. mr. ye, my market price is not worse than yours. "

Ye Mulin knocked her on the head."Bai Xue Li, don't even think about it."

"Who else can you find besides me? do you think any other man can hug you like me?" he asked after a pause.

"Why not? look at you, you're always sick, and you still have the cheek to say that you're strong." The way she looked at him in disdain.

...

Ye so-and-so couldn't bear it any longer. He stretched out his hand and pulled her over. His eyes were burning."I can still hug you now."

as he spoke, he kissed her. she had thought that it would be a storm, but his kiss was gentle.

She wanted to push him away, but in the end, she didn't. She gently put her hand on his shoulder and kissed him gently.

"Have you changed your mind?" he asked softly after the kiss.

She sat in his arms and reached out to touch his good-looking lips, her face red.

Actually, she was moved, not because of that, but because she really liked him. they had been separated for so long, and she also wanted to hug him.

His gaze became meaningful. we'll try it later, okay? "

she leaned on his face and laughed softly."Mr. Ye, you'd better recuperate and not let your thoughts run wild, okay?"

"I thought that you were just overthinking things."

bai suili bit her lip and instinctively wanted to withdraw her hand. he didn't stop her, but just smiled.

She retracted her hand and secretly wiped it with the other hand, thinking to herself, he's really shameless.

Ye Mulin smiled and rubbed his stomach."alright, help me to the bed!" he said.

Only then did she realize that his face was actually a little pale. Her heart ached, and she muttered with some dissatisfaction, " "You're not feeling well and you're still messing around."

although she blamed him, she still carefully helped him to the ward to lie down. she covered him with the blanket and asked worriedly, ” “Do you want to call a doctor over to take a look?”

He took her hand and said softly, ” it’s okay. I probably ate a little too much. It’s just a little uncomfortable. It’s not a big deal.

Oh, ” she replied and sat obediently beside him, looking like she was at his beck and call.

ye mulin closed his eyes for a while before he looked up at her and smiled.”shirley, don’t you think we look like an old couple now?”

bai suili stuck to his arm, rolled her eyes at him, and then snorted, ” we don’t have any marriage certificate now. How are we an old couple? we’re more like an old couple.

He was amused and angry at the same time. He reached out and knocked her head.”Bai Sulli, I’m single now.”

Where did she learn these words from?

Bai suili was still sticking to him softly, her voice low. I don’t care, we’re not legally married anyway.

Ye Mu Lin reached out to stroke her head and sighed.”I didn’t expect you to be in such a hurry!”

she blushed immediately. ” i’m not in a hurry. my market is very good. if you don’t want to marry, there are many people you can marry. ”

“But Qingqing, Bai Sulli, you only want to marry me, don’t you?” He sighed softly.

she wanted to deny it, but under his gaze, she didn’t want to.

They were finally together again.

Chapter 3698: Ye Mulin, we'll never be apart again 6

In the end, she only hummed in agreement, looking a little unwilling. He just smiled and did not make things difficult for her.

And he was indeed a little tired.

He lay down and closed his eyes, but he didn't let go of her.

Bai Suli sat for a long time, and her waist was sore. She also wanted to lie down, but when she saw his tired face and then looked down at his hand holding hers, she couldn't bear it, so she just lay on the bed and let him hold her hand.

She lay on her stomach and couldn't help but touch his palm.

They had been reunited for so long. They had lived together for a few days and hugged each other, but it was only during times like this that she dared to say to him and herself ...

...

Ye Mulin, I miss you so much!

Her small face rubbed against his palm, feeling his warmth. At this moment, she finally admitted how important it was for him to say that he was single, how much courage he gave her to be with him, and how much she actually missed him.

She missed his temperature, missed the smell of his body, missed the temperature when he held her, missed his everything.

Bai Suli's face was like a kitten on his palm. She was a little dissatisfied and carefully put her little head on his shoulder. Even so, she was still not satisfied and wanted to bury herself in his arms.

Just as she was doing this and that, a large palm held her small head, and a deep voice with a hint of amusement said, "bai sulli, do you really want me to hug you now?"

she was stunned for a moment before she realized that he had woken up, so she looked up at him with wide eyes.

Ye Mulin sighed. I'm sick now. There's nothing I can do. However, if you're too stubborn, I can try.

Her eyes were still wide open, and she said slowly, "I'm not thinking about that."

"Then why are you moving around? aren't you secretly asking for a hug?" "So you're this kind of person, Bai Sulli," he said with a smile.

she really felt that she had unspeakable suffering. she was clearly just expressing her feelings, so why did he think in that direction?

after thinking carefully for a while, she glared at him and snorted. "you're the one who's too shameless."

Ye Mulin just smiled and pulled her into his arms to let her lie down.

his arms were very warm. she leaned on his shoulder and actually felt a little restrained, especially when she smelled the pure masculine scent on his body. her heart beat a little faster.

Her small hands wrapped around his waist, and she carefully pressed against him. After a while, she said, "why aren't you saying anything?"

I want to hear it from you, Shirley, " he said as he looked down at her.

"Oh," she said. "But, I don't think I have anything to say."

Ye Mulin pressed against her forehead and said through gritted teeth, "Bai Xue Li,"

she wailed and lay in his arms again. he grabbed her hair helplessly. ” look at you. you’re not young anymore. why are you still like a child? ”

“daddy.” she called out shamelessly. (I heard that straight men are like this, directly calling him DBD, TBS, and dad!!!)

he was both angry and amused. he was angry that she didn’t improve, but his heart softened. she had finally come back. Not only Bai suili, but the little rice weevil had also returned.

He grabbed her hair and smiled gently. He leaned over to kiss her and said slowly, ” “Xue Li, I really missed you.”

Chapter 3699: ye mulin, we’ll never be separated again (7)

She opened her eyes wide and looked at him pitifully, her eyes moist.

After that, she laid in his arms and cried.

It was only now that he said he was single that she had the courage to cry in front of him. She only realized how much she cared about his married status. Not only did she mind, but she was also jealous.

even if he and wen yuan were only in name, they were living together. they were husband and wife outside and they breathed the same air. she admitted that she was petty, but she could not help but care and be jealous of wen yuan.

now, she didn’t need to be jealous of others anymore, because he was hers again.

Her small hand gently clutched the flesh on his chest and she bit her lip. look at you. You’re already a third-handed person.

...

Ye Mu Lin grabbed her hand. three hands? ”

” isn’t that so? this is the third time we’re getting married. ” She let go of his hand and started to poke his heart again. it’s the third hand.

his eyes were burning, and then he said very slowly, ” “According to what you’re saying, aren’t you a second-hand one?”

She looked at him with her eyes wide open. I’m not. I’ve never changed.

He held her in his arms and said slowly, ” ” but i’ve only slept with one woman. no one else has even touched her. how is she a third-hand woman? i’m not like a certain someone who has had countless boyfriends since she was young and even pursued mubai for so many years. i’ve never despised you, but you despise me, bai suili? ”

He put on a particularly superior expression again, and she actually couldn’t find any words to refute for a while. After a long time, she stammered and pretended to be righteous,”But I’ve only slept with you.”

After he finished speaking, he laughed deeply and lifted her little face.”then tell me, are you satisfied?”

“I don’t have a comparison, so I don’t know!” “then i’ll try it on someone else and tell you the result,” she said, unafraid of death.

“bai sulli, don’t even think about it.” his face immediately darkened;

He paused for a moment, then sighed softly. He reached out to stroke her hair and whispered, ” don’t say such things in the future. Shirley, I don’t like it when you say that.

She had wanted to say a few more words, but when she saw his expression, she didn’t say anything.

She obediently lay in his arms and drew circles with her small hands. “Then I won’t say it in the future, and I won’t make you angry, okay?”

he looked at her with a gentle expression, but his voice was smiling."Xue Li, if you keep acting like this, I really can't take it anymore."

"I'm not confused," she said, looking up at him.

He pressed down on the back of her waist and pulled her towards him, letting her feel her results.

she bit her lip and stammered, "no, ye mulin, i didn't mean it that way. it's just that your will isn't strong enough. you're just too lustful. "

he was really inhuman. he had clearly been doing it for such a long time yesterday. he was already sick, but he could still do this!

she wanted to move away, but he wouldn't let her. he stared at her with a deep gaze and then said in a somewhat outrageous manner, "Do you want to try my mouth?"

She immediately covered her face and screamed,""ye mulin, you're too shameless! I want to sleep!"

Then, she hid in his arms and wrapped her arms around his waist. She buried her face in his and said in a baby-like voice,""Ye Mulin, you're not allowed to move. If you move, I'll pinch you. I'll hurt you."

Chapter 3700: there's still happiness (1)

he chuckled and lowered his head to her ear. I'm already in a lot of pain right now, and I can't move. Why don't you help me massage it? "

"i don't want to." She rejected him without thinking and hugged his waist, saying softly, "You're still not honest even when you're sick. Ye Mulin, you're a shameless person."

He laughed. He was actually very tired and wanted to sleep, but their feelings had only been raised again when she was in his arms. It was really a peaceful time, and he was reluctant to sleep.

He would kiss her. Kissing was good, but even though he was a certain someone, he was still a normal man.

her stomach disease had mostly been cured. it was late at night and they were in the same bed, so her mood was different. she had the heart but the strength to do it. however, a man like ye mulin who was a bit reserved and coquettish would definitely not directly ask them to do it.

He only hugged her and kissed her until the person in his arms was like a kitten that could not take it anymore. When her face was red, he continued to tease her until she cried.

...

Her eyelids were pinkish from crying, her nose was red, and there were tears on her long eyelashes. She looked pitiful, and her small hands were wrapped around his waist. That evil man pretended not to know. go to sleep!

as he said that, he actually laid down flat, as if he was about to sleep.

bai suili was stunned.

She sat there with her head lowered. He had teased her so much that she was about to fall asleep. What was she going to do?

she looked at him pitifully. after a while, she lay down and rested her small chin on his shoulder. she looked at him with her big eyes.

He still pretended to be asleep.

Bai suili was so angry that she ground her teeth and bit him,"Hello?"

ye mu lin opened one eye. " what's wrong? "

she bit her lip and said after a while, " "Didn't you just say Yingluo?"

she wasn't that thick-skinned after all, and only managed to blurt out a few words after a long time, " "Didn't you say you have some special skill?"

"A special skill?" He thought for a while and pretended not to understand.

his rice worm was so angry that he simply gave up. he turned his back and said angrily, " "time to sleep."

Ye Mulin looked at her back view. Sigh, she was really like a child. Every strand of her hair was dejected.

He chuckled and hugged her from behind. He kissed her neck and asked, " Shirley, is this a special skill? "

her breathing was suppressed and restrained, and she couldn't speak for a long time.

.....和谐.....

Ye Mulin chuckled and pulled her into his arms. He held her like this and made her tremble in his arms.

after a long time, she suddenly turned around and hugged him with her thin arms. she hugged him very tightly, and her voice trembled as she said that she didn't want him anymore.

"You don't like it?" Ye Mu Lin's voice carried a slight smile and a trace of gentleness.

she shook her head in his arms, then hugged him again and said in a small voice, " "i'm afraid."

His heart immediately softened. His little girl was already in her early thirties, but she was still inexperienced when it came to such things. She would still feel shy.

"We'll come back in two days, okay?" He leaned into her ear and whispered. Although he had the heart and strength, he still restrained himself. He was not young anymore, and he still had to take care of his wife and child.

She hummed and obediently slept in his arms. He hugged her as if he was hugging her everything.

he lowered his head and kissed her, his voice hoarse.”Bai Xue Li, we will never be separated again.”
