Chapter 3701: there's still happiness beyond happiness (2)

The next morning, when the doctor came over, he saw chief ye leaning against the bed and reading some documents. A woman was lying in his arms.

As chief ye read the documents, he reached out and gently ruffled the woman's hair. His expression was especially gentle.

The doctors and nurses were all stunned. In the past two years, they had interacted with chief ye many times, but this was the first time they saw him so friendly. They had never seen him so gentle either.

And this woman was not Mrs. Ye.

Also, chief ye's son and wife are also in the hospital. Is it really okay for chief ye to place a woman in his Ward so openly and treat her like this?

The doctors and nurses were cursing in their hearts, but they didn't dare to say anything. They all came in to check on the general.

...

Ye Mulin raised his eyes and put down the documents in his hands. He said calmly, "Lower your voice, don't wake her up."

the doctor and nurse thought to themselves, "He's really pampered! let's see who can compare to this treatment?"

He didn't dare to reveal anything on his face, and he quietly helped to check, but it still woke Bai suili up.

imagine being surrounded by a group of people. unless one was a pig, they would have to wake up.

Bai Sulli had just woken up and had not realized that there was someone else. Her eyes were still closed, and she kissed his chest a few times like a chick pecking at rice.”What time is it, ye Mu Lin?”

His heart was warm and a little sweltering. If no one was present, he would definitely kiss her, but now that there were so many people around, he couldn’t kiss her.

“It’s half past nine,” he sighed.

“It’s already so late?” Bai suili stretched lazily and opened her eyes,”wen yuan said last night that he would bring xiangnan over. why didn’t he come?”

as soon as she finished speaking, she saw five or six pairs of eyes staring at her. everyone’s expression was very subtle.

Bai Xiuli opened her eyes and looked at ye Mulin.

a second later, she snuggled into the blanket and said in a muffled voice, ” “pretend i don’t exist.”

Ye Mulin was both amused and angry. She was really too embarrassing.

he reached out and pulled her out of the blanket, then gently brushed away the messy hair on her face and said in a reproachful tone, ” “aren’t you afraid of being bored to death?”

Bai suili bit her lip and glared at him.

“Why are you staring at me?” He gently pinched her face. you’re so silly.

then, he looked at the doctors and nurses and said, ” “You guys go out for a moment.”

his tone was as if it was a matter of course, and there was a little bit of the attitude of a superior.

all of a sudden, the doctors and nurses ran away. bai shirley was a little speechless as she looked at them.”Ye Mulin, how can you be like this? Isn’t that a little bad?”

“What’s wrong with that?” he held her waist, pulled her into his arms, and kissed her.

At first, he only kissed her lightly, but later on, he kissed her a little deeper. She couldn’t stand him like this and reached out to grab his shirt, helplessly accepting his kiss. After that, she really couldn’t take it anymore and turned her face away while blushing. ye Mulin, this is a Ward.

His breathing was suppressed, and he buried his face in her neck, nibbling at it from time to time. He said with a smile,”then why did you beg me last night?”

“I’m not.” Her face was completely red. even if there is, you’re deliberately seducing me!

ye mulin chuckled and kissed her again. he then started to put on his clothes.”yes, i seduced you on purpose, but your body is too weak to take it!”

Chapter 3702: There’s still happiness beyond happiness (3)

bai suili was angry and didn’t want to talk to him.

However, when she saw him getting dressed, she pulled him. “why are you up? aren’t you going to stay for two days?”

He turned his head, buttoned his shirt, and kissed her again before saying, ” “it’s an old illness, there’s no need to stay in the hospital.”

He got up and went to brush his teeth. Bai Sulli followed him angrily in her pajamas. As he brushed his teeth, she chanted, ” “Ye Mulin, you shouldn’t be like this.”

her childish words made him laugh. he turned his face sideways and asked, ” what’s wrong with me? ”

as he spoke, he brushed his teeth, washed his face, and shaved.

...

it was very sexy for a mature man to shave. he looked at the mirror, and she looked at him with eager eyes. "Do you still want your body?"

he smiled as he shaved. " "You'll be fine as long as you're careful."

She was extremely angry and felt that he was very bad, but she couldn't win him in an argument, so she could only silently be angry. She silently leaned against the wall and stared at him, her little eyes very unfriendly.

however, he found her cute like this. after he had shaved and cleaned himself, he walked towards her.

her instincts told her that she should run away, but he was already there. he reached out and pressed on her shoulder to stop her from moving. he stroked her lips with one hand and said in a low and hoarse voice, " "Shirley, are you concerned about me?"

"no way!" She bit her lip and turned her face away, obviously angry.

He didn't care about himself at all. He didn't know that she would feel guilty and distressed for him to make his body like this.

As she got angry, her eyes turned red.

she turned her face away and ignored him. she looked so cute and he liked her a lot.

"shirley, will you be happier if i do something?" ye mulin's voice was low.

She didn't say anything and just hung her head.

After a while, she looked up at him.

He stared into her eyes. I have a meeting in the afternoon.

then you should at least get an IV drip in the morning. It can't be any less. she bargained with him.

"where's the reward?" ye mu lin's gaze was burning.

Bai suili bit her lip, then gently leaned over and bit him on the lip.

he touched his lips and smiled. " "this is the reward? isn't bai suili too naive?"

"Then, what do you want?" She placed her hand flat on his chest and asked softly.

his eyes darkened, and they were so deep that she didn't dare to look at them. he lowered his head and said a few words in her ear. she looked up, her eyes welling up with tears, and then nodded."deal," he said.

bureau chief ye laughed lightly and ruffled her hair."Then I'll wait for your performance tonight."

he walked out and deliberately turned back. " bai sulli, brush your teeth clean tonight. "

She exploded in anger. ye Mulin, don't you go too far. I don't think you're dirty, but you're despising me!

he gave her an ambiguous smile, then went out to call the doctor.

The doctors and nurses had been dealing with chief ye for two to three years. He had always been the most uncooperative patient, but today was the first time he had made them put on an IV drip. In the past, if they didn't feel too uncomfortable the next day, they would just leave.

It seemed that the little beauty was more useful. He didn't know what method she had used.

In the bathroom, Bai Sulli brushed her teeth and thought, " She wanted to eat chili tonight. It was so spicy that he would die!

However, as she thought about it, her face turned red. He was too shameless!

Chapter 3703: There's still happiness (4)

Ye Mulin was on an IV drip, so she went to make breakfast. It was inconvenient for her to feed him with one hand.

in the afternoon, he had to go to the office after hanging her. after thinking about it, he decided to let the driver send her back to the bai family first. he went to the office himself. before leaving, his fingers gently caressed her red lips and he said in a low and hoarse voice, " "Bai Xue Li, don't forget what you said."

she snorted and her face turned red again.

he smiled and walked in.

Bai Sulli suddenly jumped out of the car and anxiously called his name, " "ye mu lin."

he turned his head and looked at her.

...

Bai suili walked over and stood with him under the sun.

she reached out and gently held his hand, her voice a little soft. " "I'll bring Anan back tonight. Don't go so far to pick us up. If you want to see my parents, we'll go over on the weekend."

ye mulin lowered his head and looked at her holding his hand. after a while, he smiled and kissed her. his voice was gentle as he said, " okay, drive carefully. "

she hummed in acknowledgment and watched him walk in. when he returned to the car, the driver sent her to the bai family.

Mrs. Bai and Mr. Bai saw her asking about ye Mulin's condition and Bai Xiuli sighed. "he's been tired these past few years, but he never told me."

Mr. Bai didn't say much, but Mrs. Bai sighed. he's really good to you. Take advantage of him and don't be too willful in the future. A man like him needs a good wife.

Bai suili looked at her mother and said mischievously,"Mom, you didn't have such awareness before!"

mrs. bai sighed. " it's just that i didn't think of this in the past. i was too high-profile and enjoyed it. that's why our family was so disheveled. "

She held her daughter's hand. Mulin is a good person. He treats us very well. Don't let him down.

mom, " Bai Sulli said after hesitating for a moment, " I have something to tell you.

under the gazes of mr. and mrs. bai, she said with some difficulty, " ye Mulin said that he had divorced Wen Yuan. I think we will get married soon.

Mrs. Bai was stunned for a moment before she said with relief, " "That's good. They look like a fake couple to me, without any feelings."

Bai Sulli didn't say anything else. After lunch, she took Bai Anan back to the apartment.

Ye Mulin had a lot of houses, but he seemed to like her living here. When she came back, she tidied up the house and bought some fresh flowers to put up in the house. She also added some comfortable household items, especially some soft cushions suitable for children. She used the card that ye Mulin gave her to swipe these. As she swiped the card, she thought to herself ...

it felt good to have someone to take care of her.

bai anan rolled around on the little mat and asked her mother, " "Are we going to stay here forever? will daddy always be my daddy?"

Bai Sulli held the little guy in her arms and kissed him hard. "You can ask Dad when he's back. Then, you can ask him when he's going to marry mom."

bai anan's eyes were wide open. after a while, she said in disdain, " "Mom, you're so weak!"

"How am I inferior? Bai Anan, explain clearly!" bai sulli pinched her little face, and poor bai anan's face was deformed. she forced out a few words, " " you don't even dare to say that you want to marry your father. you coward! "

Chapter 3704: There's still happiness beyond happiness (5)

Bai Sulli snorted coldly. I'm giving him a chance. Men should take the initiative in this kind of thing. Bai Anan, listen carefully. When you grow up, you're not allowed to play around with me.

Bai Anan didn't quite understand these words. She opened her eyes wide and went to play by herself.

bai suili looked at her running around the big apartment, looking particularly happy, and sighed in her heart.

She had brought an 'an up. Although it wasn't particularly hard, she didn't have a good family background.

The apartment they lived in in the United States was only a few dozen square meters, but here, it was 500 square meters and luxuriously decorated. Of course, it could not be compared.

It was normal for children to like their daddy here.

...

Bai suili was in a daze for a while, and then went to see an an.

an 'an was reading and playing with building blocks in her little devil's house, looking very happy.

She looked at it for a while and felt a little emotional. She went back to the study room in the master bedroom and started working.

Time passed quickly, and before he knew it, two hours had passed. He picked up his phone and saw that it was almost four o'clock.

She thought of ye Mulin and hesitated for a moment before taking out her phone to call him.

Ye Mulin's meeting had yet to end when his phone rang.

secretary li picked it up and looked at it, then whispered, "Chief, it's a call from Shirley."

ye mulin picked up his phone and looked at it. then, he gestured for the meeting to stop for a while. he picked up the call."What's wrong?"

His voice was very gentle. No one present had ever enjoyed such treatment.

It was like a spring breeze.

Anyway, everyone present felt that chief ye had changed recently. His entire person was glowing with a different kind of youth. This phone call sounded like it was made by a woman, and it was so gentle.

"are you coming home for dinner?" bai sulli asked softly.

his breathing lightened. "what?" He liked it when she said 'go home'.

bai suili didn't know what he was thinking, so she said again,"ye mulin, are you coming home for dinner?"

he smiled. "you should go back, right?"

what do you want to eat?" she asked. I'll prepare dinner later.

She tried her best to speak in a calm tone, but her face was still steaming, and she was a little embarrassed.

Ye Mulin thought for a moment and said softly, " "Roast a chicken, steam some meat, and stir-fry two more dishes. That's about it."

"Oh," she said.

he waited for a while but she still didn't say anything, so he smiled and said, " "what else is there?"

"there's nothing else," she said quickly. then, as if afraid that he would hang up, she quickly added,"um, when will you be back?"

Ye Mulin looked at his watch and then at the progress of the meeting. I'll be home at six.

the aides could clearly feel that the progress of the meeting had sped up. the chief was eager to go home, but they thought that it was good that the chief had a woman. they wouldn't have to be f * cked so badly and could go home earlier to eat every day.

in the end, everyone got off work at five o 'clock sharp, and everyone's face was full of joy.

the car that ye mulin drove was a rather high-profile car. it was a black rolls-royce and he had not driven it for a few months. today, he was driving it back for the first time.

When he arrived at the apartment, he put down his keys and briefcase and smelled the fragrance of food.

a small person ran out of the room and hugged his leg. " "Daddy."

ye mu lin picked up the little fellow and kissed him."anan, did you miss daddy?"

Chapter 3705: be good and accompany me (1)

"i do." an an also kissed him on the cheek.

Ye Mulin carried her to the sofa and fed her water. Then, he took off his coat and threw it aside. He said casually, "What did mom say to you today?"

"Mommy said Yingluo." An'an's eyes rolled. "mom asked me to ask you when you're getting married to her!"

Ye Mulin was a little surprised. Then, he looked in the direction of the kitchen.

then, with a faint smile on his face, he reached out and pinched his daughter's little face. he asked softly, "an'an, do you want your parents to get married?"

An'an's eyes were wide open, but she didn't say anything at first.

...

Ye Mulin also realized that an'an still acted like a little girl in front of him. Her expression and everything else were very likable.

"daddy!" he hugged the child and kissed him. "tell daddy."

An'an's little hand grabbed his collar and said in a low voice, "then, can brother nan stay in our house with us?"

Ye Mulin's heart and expression were both soft. He looked at his younger daughter. "Did mommy tell you to miss brother Nan?"

an'an nodded and sat in her father's arms. she said softly, "mom said that brother Nan is also dad's child and asked An'an not to bully him. Also, brother is sick. Mom said that she will go to see him tomorrow and bring An'an along."

ye mulin looked at his younger daughter and sighed in his heart.

shirley herself was still a child, but she had taught her daughter well. she had taught her to be upright.

he kissed an 'an again, feeling that he could not get enough of such a soft little person.

In addition to the father-daughter relationship, he also felt that an 'an was the child that Bai Sulli had given birth to for him. An' an had Sulli's shadow in her, so he would love this child very much.

he told her that she had to wear a mask when she went to her brother's place, and bai an 'an was obedient.

Ye Mulin accompanied his daughter for a while, then got up and went to the kitchen. Bai Sulli was still busy, and when she heard the sound of footsteps, she naturally said, "it'll be done in a while. if you're hungry, bring the dishes to the table and eat first."

As soon as he finished speaking, he hugged her gently from behind and rested his chin on her shoulder. Mrs. Ye, you're very virtuous.

she turned her head. "mr. ye, you only found out now! "

he gently pinched the soft flesh on her waist and laughed as he pressed his face against hers. "i can't bear to see you work so hard! "

"so?" she grabbed his hand and stopped him from doing anything.

ye mulin looked at her. "i was thinking if i should invite an auntie over to cook, but i want to eat mrs. ye's cooking, so auntie, you should save it. raising a child is very expensive, and you want a big diamond ring and a luxurious wedding. i think we should be more frugal, don't you think so? "

He kept going back and forth like this, and she was furious."Ye Mulin, you're too bad."

He chuckled and reached out to pinch her face. " why don't i come back and cook? you can take care of me and anan, okay? "

Bureau chief ye said shamelessly,"actually, I quite enjoy the feeling of being a gigolo. Bai Sulli, look at my face. It's worth it, don't you think?" At the very least, there are many women who want to marry me. "

Bai suili finally understood what he meant. She gritted her teeth, "Bai Anan must have betrayed me!"

he chuckled and continued to press his face against hers, feeling the fine hair on her face. Bai Sulli, how could you place your lifelong happiness on your child? if you really want to marry, you can tell me. Please!

Chapter 3706: be good and accompany me (2)

"Forget it if you don't want to marry him," Bai suili glared at him.

"you're willing to be my nanny?" His eyes were gentle as he reached out to stroke her little head. "Cook well."

As she was wailing, he had already brought the dishes out of the dining room and would come back to serve them later.

although she was angry, she secretly pursed her lips and smiled when he couldn't see her.

She was not a nanny!

When they were eating, ye Mulin served food to an 'an and found that her preferences were almost the same as Bai Sulli's. He observed her for a while and then looked at the child's mother with a reproachful look.

...

Bai Shirley pretended not to see it, so ye Mu Lin put the carrot she disliked the most into her bowl. "eat this. it's quite well stewed."

bai suili looked like she was poisonous.

She slowly raised her eyes to look at ye Mu Lin. are you a demon?

Anan will eat it if she says so. ye Mulin's voice was gentle. Bai Sulli, shouldn't you give the child a good example of not being a picky eater? "

She was furious, because she hated carrots the most.

"ye mulin, don't you have anything you don't like to eat?" she gave a fake smile.

"but yingluo," he said very slowly. " bai anan eats everything that i don't like to eat. the bad genes that she inherited came from you. so, shouldn't you correct her in time? "

she stared at the carrot for a long time before saying, " "Some things can't be changed."

"Ye Mulin, eating this is like eating poison." She frowned.

He stared into her eyes and suddenly smiled. is it very difficult? "

she always felt that his smile was a little ambiguous and a little strange. then, she thought of the carrot yingluo.

She bit her lip in anger and glared at him.

How shameless. An 'an was still there.

Ye Mulin smiled and did not force her to eat the carrot anymore.

After the meal, he washed the dishes and played with an an for a while. He only went to the study after the little one fell asleep.

Bai Sulli was in the study, reading a reference book to translate.

Ye Mulin walked over and picked her up from behind. Mrs. Ye, it's very late.

it's not even nine o'clock yet, how is it late?" she knew what he wanted to do, so she pleaded in a soft voice, "Ye Mulin, stop messing around. I'm still busy."

He lowered his head and bit her neck. "We agreed during the day that I'd rush back in one night, but you're just coaxing me? hmm?"

he hugged her from behind and buried his face in her neck as he kissed her passionately. "speak."

she had no choice but to bite her lip. "I already said it's still early."

she finally broke free from his grip and her fingers gently caressed his collar. "i'll be back to my room at 11 o'clock sharp, okay? mr. ye, go take a shower first."

"you can look forward to it." she looked up, her eyes sparkling.

ye mu lin's gaze seemed to be on fire. she couldn't stand his gaze and lowered her small face.

his fingers caressed her lips and he said in a low voice, "it sounds very tempting, but i might not be able to wait until then."

As he spoke, he lowered his head and kissed her on the lips. As he kissed her, he placed her on the desk.

"ye mu lin!" bai xue li exclaimed.

"i still have work to do," she said as she wrapped her arms around his neck.

"accompany me once." He lowered his head and licked her lips. His voice was extremely low, and it had a very masculine allure.

Chapter 3707: Be good and accompany me (3)

she hung her arms around his neck, her face blushing. "ye mulin, this is the study."

As he kissed her, he chuckled.”What’s wrong with the study?”

she was speechless as she dodged his kiss. he was simply shameless. she raised her little face and said intermittently, ” “Because it’s an insult to a gentleman.”

ye mulin laughed in a low voice. then, he stopped and leaned close to her ear. ” shirley, relax a little, okay? ”

she was still lying in his arms, unable to let go. ” “Ye Mulin, I’m going to my room to sleep.”

He coaxed her,”how can you do this? how can I do it?” Be good, Yingying!”

...

He was coaxing her while bullying her.

Ye Mu Lin kissed her and mumbled, ” “Good girl.”

his heart was burning because they were together again. after so many years, she was finally his wife again.

after everything calmed down, she said in a dissatisfied tone, ” “you’ve just recovered.”

she raised her small face, her eyes were wet, pitiful yet alluring.

ye mu lin let out a breath of relief and laughed.”Didn’t you hug me very tightly just now?”

Bai suili bit her lip and leaned into his arms again, her small hands gently hitting his back. He smiled gently. aren’t you going back to the bedroom? ”

She wanted to go back to her bedroom, but she didn’t need to do that anymore.

“Ye Mulin, I have to turn the pages of my book. I have to submit my manuscript tomorrow.” don’t mess around, and you’re not allowed to mess around.”

“Don’t you think that what we have as husband and wife is more important?” he chuckled and kicked the bedroom door open. he bullied her inside and out, and it was almost midnight when he was done.

She was so tired that she fell asleep. Before she went to sleep, she still remembered her work.”ye mulin, i’ll sleep for half an hour. if you wake me up later, pinch me if i don’t wake up.”

He lay down beside her and kissed her little face. ” alright, i’ve set the alarm. i’m not asleep either, so i’ll wake you up later. ”

His gentle voice was like a lullaby, and she fell asleep very quickly. When she fell asleep, her small face had a light smile of peace.

His heart softened, and after quietly watching for a while, he got up and walked into the study.

Her notebook was still on, her original documents were open, and even her reference books were still there.

He sat down and began to translate for her patiently. It was a French romance novel, and he felt a little annoyed reading it.

however, he still translated quickly, but he skipped the slightly annoying sex scenes.

When ye Mulin had to translate every word, he had mixed feelings. This was indeed a very boring job for him, but this job had supported his rice weevil and Bai Anan. He could understand her love for this job, so even though she did not earn much, he did not want her to give up on it.

Even now, he had no doubt that she didn’t have any dreams. Shirley just treated it as a job, a job that could support her and Anan. She was happy with it, and he had no reason to object.

just now, he had taken up her time, so he had to make up for it for her.

late at night, ye mulin worked until two o 'clock. he helped her to prepare the draft and checked it again to make sure that there were no problems before saving it and turning off the computer.

Back in the bedroom, the little white pig was sleeping soundly with a pillow in its arms.

he stood there and laughed silently. then, he touched xiao-xiaobai, which was on the cabinet, gently before he walked over and lay down.

Bai suili was still in a daze. She hugged him and rested her face on his shoulder.”has ye mulin been here for half an hour?”

it’s only been five minutes. he kissed her forehead.”go to sleep. i’ll wake you up in a while.”

She responded with an “Oh” and rubbed her face in his arms. She mumbled,”Ye Mulin, you’re the best.”

he chuckled. ” was it okay in the study room just now? ”

She wasn’t clear-headed, so she went along with his words.”my husband is so amazing.”

He suddenly heated up and leaned over to her ear. “There’s even more powerful ones, do you want them?”

bai suili opened one of her eyes and pleaded in a low voice,”I don’t want it.”

“it hurts a little,” she said as she buried herself in his arms.

His heart immediately softened. He patted her and said softly, ” “i’ll buy some medicine for you tomorrow morning.”

“i haven’t done it in a long time. i didn’t control my strength well,” she said after thinking for a while.

“You’re not allowed to say anything more.” She laid in his arms childishly and said in a low voice, ” ye Mulin, I won’t leave if you treat me very, very well.

He smiled and patted her face.

“Because I know how to make money now. I’m all grown up.” She whispered again.

he couldn’t help but laugh,’she’s already making 20000 to 30000 a month and she’s saying that she’s grown up! He was really thick-skinned.

However, his heart felt warm. She was very cute like this, but Yingying also felt a little insecure, and this was his fault.

He was willing to accommodate her, and he would support her in whatever she wanted to do, even if it didn't make much money.

his wife's career was his career.

Later on, it was proven that ye Mulin could do better than others in everything he did. He supported his wife and accidentally earned a lot of money.

at this moment, she was nestled in his arms and was very obedient.

He kissed her and they fell asleep together.

At seven o'clock in the morning, Bai Xiuli suddenly sat up and scratched her hair. "i'm done for, i'm done for. i overslept."

"it's so early in the morning, and you're screaming!" he pulled her over and gave her a kiss.

She sat on his waist, her hands on his chest, and gritted her teeth. "ye mulin said that he would call me. you're too bad. you only know how to act! "

He teased her on purpose. aren't you feeling good too? "

Her face turned red, mostly because she was angry with him. She grabbed his watch and looked at it, then muttered to herself, " "I'll see if I can make it. I'm meeting the chief editor at ten."

before she got up, she bit his lips. " "I'm going to die because of you. I'll punish you by making you sleep for ten days and not touching me!"

Chapter 3709: be good and accompany me (5)

Ye Mulin only chuckled as he watched her get up, put on her clothes, and run to the study.

He lay flat for a while, closed his eyes, and reminisced about last night's sex, feeling a little nostalgic.

In the end, he got up and went to the changing room to change his clothes. After a while, he heard a scream from the study.

he shook his head and chuckled. he buttoned his shirt and fastened his belt as he walked towards the study.

In the study room, his little rice weevil was holding his computer, his face full of surprise.

her eyes lit up when she saw him enter. "ye mulin, do you think you touched my computer?"

...

He was standing at the door. He was tall, thin, and good-looking. He did not look like an old man who had been married for a long time.

She glared at him, but her eyes were sharp. ye Mulin, tell me, was it you?"

He smiled and walked in. First, he looked at the computer, then at her.

he reached out and touched her little head. "are you sure it's not miss tian luo?"

she was still looking at him and snorted softly."Miss Tian Luo isn't a man,"

"You're so sure that he's a man?" He bent down. let me take a look.

Bai suili pulled down the document for him to see and then hugged his arm. Mr. Ye, are you sure you didn't make this?"

” oh, ” he said. ” take your time. i’ll make breakfast for you. yingying can be considered your payment for last night’s work. ”

it would have been fine if he hadn’t mentioned it, but the moment he did, she was reminded of what happened last night.

bai suili blushed and glared at him.

He smiled and walked out to the kitchen.

she began to read his translation and fell into a trance. it was really good ...

however, she later realized that he had omitted some emotional descriptions, especially some romantic words.

“What a straight man’s perspective,” she complained.

after that, she added some in and it looked much better.

when ye mulin entered, she complained to him behind her, ” “look at you. you’ve been a leader for too long. it’s so boring. look at how dry this place is after you rummaged through it. it’s so boring. little girls won’t like it.”

He bent over and placed his hands on the sides of her chair, his face close to hers. dry? ”

he frowned, then chuckled in her ear. ” “Did you feel dry last night?”

These words were said in a daze.

bai suili’s face suddenly turned red. she bit her lip and stared at the computer screen, not daring to look at him for a moment.

“Ye Mulin, Qianqian, you’re not allowed to say this.” she said in a fierce tone on purpose.

He held her waist tightly, not giving her a chance to escape. He chuckled in a low voice, ” “Then what should we talk about?”

she bit her lip and glared at him. ” anyway, your translation is not very good. ”

He raised his eyebrows and read the words that she had translated. They were all sweet nothings that he said in a low voice. It seemed like he was reading them, but it also seemed like he was confessing to her.

her face was steaming, and she felt that she could cook an egg.

After bureau chief ye finished reading a paragraph, he looked at her. “so you like this kind of girl.”

” stop. this is a romance novel, not a daily routine. ye mulin, i’m telling you, don’t disgust me with these things in the future. ” She complained very seriously.

he smiled and kissed her on the cheek. ” “i thought you liked these.”

He muttered to himself for a moment, then said, ” “By the way, how did you translate the sex scenes?”

“Ye Mu Lin!” Bai suili glared at him.

“you don’t look like a chief at all,” she said softly.

As she said that, she lowered her eyes, twisted her fingers, and looked at the computer without saying a word.

he knew that she was embarrassed, or perhaps she felt that her profession had been offended by him.

He smiled faintly and reached out his hand to gently carry her up and sit down. He then placed her on his lap and leaned over.”Are you angry?”

“i don’t dare to be angry with the chief.” she said angrily and lowered her head, looking like she didn’t want to talk to him.

...

ye mulin seemed to have a good temper, probably because he had had enough last night.

you’re still saying that you’re not angry? ” he laughed. your little mouth is so big that you can hang a bottle of oil on it? ”

she still ignored him.

” shirley, we’re at home right now. what can’t we say, huh? ” He pressed his face against hers. or do you think the chief should be like this? tell me!

“in any case, he’s not as frivolous and shameless as you.” she bit her lip and said.

he reached out and pinched her chin, forcing her to look up at him. after a long time, he said in a hoarse voice, ” “Xue Li, but I’m your husband first, then a chief. I’ve always been with you as a man. i’m not the high and mighty chief. if there’s anything about me that makes you feel strong, it’s because i’m a man and you’re a woman. when i bicker with you, i can act like a hooligan. if i really can’t, i can use force. that’s it, huh?”

tears welled up in her eyes. ” ye mulin, where did you learn to speak so eloquently?! ” he was really bad, with a bunch of twisted logic.

“I used to be a lawyer,” he chuckled.

seeing that she was still angry, his voice softened. ” “look at you, you’re still acting like a child. i stayed up until midnight to translate for you, but not only did you not thank me, you even gave me a hard time. now that i think about it, i’m not like a chief. i’m quite a failure being so afraid of my wife at home.”

Bai Sulli couldn't stand his policy of wailing and was fooled again. She groaned and stuck to him, "actually, you're doing very well too."

"You don't mind me being dry anymore?" he smiled.

she blushed.

he chuckled again and whispered a few words in her ear. she couldn't stay on his lap. he was too shameless.

Ye Mulin let her go and asked her to prepare the things. send an an to my mother's place. She wants to see her too. You can go and pick her up after you meet the Chief editor.

"Then should I meet him?" Bai suili bit her lip.

"what do you think?" he raised his eyebrows.

as he spoke, he twirled her hair and said thoughtfully, "An ugly daughter-in-law has to see her in-laws."

"you're the ugly one!" she snorted and then imitated his shameless manner. she leaned close to his ear and whispered, "ye mulin, you're so ugly there."

he really didn't expect her to say something like that, and he looked at her in disbelief.

She blushed and copied it down with a USB drive. She stuck out her tongue and ran out.

when she went out, ye mu lin looked down at himself. he calmed himself down for a while before following her out.

He had to find a chance to let her see if he was ugly and how he was ugly!

bai xiuli went back to her bedroom, her face red. she had learned all the bad things from him, but when she thought of seeing su fu, her heart skipped a beat. this was very strange!

So when they were in the car, she had asked him to carry Anan over, but she had refused to go.
