

## Thank you 371

Chapter 371 I'm calling you little darling?

"What?" PEI Qiqi tilted her head and looked at his handsome face. He was focused on the front.

After a long time, he replied, " why didn't you say that you were not feeling well? "

she pursed her lips and then smiled. " that's not important. "

the car suddenly stopped. tang yu squinted his eyes and looked at her.

PEI Qiqi's heart sank and she heard him ask with a dark face, " miss PEI, what is important to you? "

she didn't make a sound, but her chest heaved up and down because of her messy breathing.

"Jinrong? even if he's awake, do you think you can still marry him after sleeping with me for so long?" his voice carried a hint of mockery.

pei qiqi couldn't stand him saying this and blurted out, " "this has nothing to do with jinrong."

After she finished speaking, her eyes widened slightly and she looked at him just like that. Her breathing became even more chaotic.

"then who is it related to?" he reached out and pinched her chin, not letting her escape.

pei qiqi wanted to move away, but his fingers were long and strong. he used so much strength that she felt pain.

a few finger marks quickly appeared on her chin.

she was in so much pain that her tears almost fell, and she was a little embarrassed."It has nothing to do with Mr. Tang,"

Mr. Tang?

"you didn't call me mr. tang when you hugged me and screamed last night." he sneered.

"You didn't call me miss PEI last night either!" She retorted stubbornly.

tang zheng used a finger to gently rub her red lips and smiled. " really? "

she didn't know how to answer.

"pei qiqi, how do you want me to call you? "Qiqi, it's still Wanwan." He moved closer to her and pulled her closer to him.

their faces were almost touching, and their eyes met. their eyelashes trembled, and they could almost touch each other.

“Still baby, huh?” his dark eyes were locked on her, not letting go of any change in her expression.

PEI Qiqi’s long eyelashes fluttered. She didn’t dare to look into his eyes, afraid that she would reveal her thoughts.

“I didn’t!” her answer was too quick, but it was a little deliberate.

tang yu’s finger continued to stroke her lips, ” really? ”

just when she thought that he would not let her go, he let go of her and started the car.

after that, he stopped talking to her and drove directly to xiaowen’s place.

“lend me your phone for a while.” PEI Qiqi lifted her eyes and looked at him.

tang yu didn’t say anything. he just passed his phone to her and opened the car window. he lit a cigarette, put his elbow on the window and started smoking.

his eyes glanced at her. pei qiqi pursed her lips and swiped her phone open. then, she was stunned. the screen was still showing her photo.

As if she had seen something incredible, her face was a little hot. Then, she hurriedly lowered her head and dialed Xiaowen’s number.

on the other end, xiaowen heard her voice and asked anxiously, ” boss pei, are you alright? i almost called the police. ”

she said that, but how could she dare to?

mr. tang was the one who took her away, so how could she dare to call the police?

pei qiqi’s voice was a little soft, ” i’m fine. i’m downstairs. can you pass me my bag? ”

” oh, ” xiaowen replied and immediately realized that this phone number should be from mr. tang.

Her heart trembled, and she didn’t dare to ask any more questions. She took her small bag and rushed downstairs.

pei qiqi had already gotten out of the car and was standing beside it. xiao wen, on the other hand, slowly walked over and handed her bag to pei qiqi.

Chapter 372 i’m calling you little darling?(2)

xiaowen was timid and didn’t dare to look into the car at all. she asked in a low voice, ” “is mr. tang in the car?”

PEI Qiqi grunted and said lightly, ” you can go up first!

Xiaowen was worried, but she still went upstairs reluctantly.

PEI Qiqi watched her enter the elevator and then walked to the other side of the car. She bent down and looked at Tang Yu, ” I’ll go back by myself.

tang zheng flicked the cigarette ash and glanced at her. he didn't say anything else and drove the car away.

PEI Qiqi stood there and looked at the back of the car in a daze.

from last night until now, it was like a dream.

Now that she had woken up from her dream, she should return to her original position.

he clenched his bag tightly, took out his phone, and made a call.

A moment later, her brows furrowed slightly, and her fingers gripped the phone in her hand.

– rong lei was found!

pei qiqi stopped a taxi, got in, and left.

However, she didn't know that Tang Yu's car made a turn in the Backstreet and stopped behind her.

As he watched her car leave, he dialed a number. follow her and inform me immediately if anything happens.

after hanging up the phone, his hand slowly slid down. he held the steering wheel and leaned back. the clothes on his body and the real leather seat made a rustling sound, which was the only sound in his world.

tang yu held his forehead with one hand. after a long time, he finally smiled.

in fact, so what if he was?

yes, she was still pei qiqi!

It wasn't anyone else!

but in his heart, there was always a sense of unwillingness and anger.

If that was the case, he didn't know what he would do to her to calm her down!

After a while, he drove the car back to the Rose Garden and didn't send Tang Xin back until night.

tang xin sat beside him, careful not to speak. she always felt that something was wrong with her brother today, and she didn't want to say a word.

it wasn't until they arrived at yan hui that tang xin unbuckled her seat belt and meowed like a kitten, " "Big brother."

"what's wrong?" Tang Zheng turned his face and reached out to rub Tang Xin's little head, then he was a little dazed.

it seemed that he had not treated qiqi like this for a long time. that girl yingluo must be very uncomfortable now, right?

tang xin pouted and looked at him, " "You look so fierce. You're not cute at all,"

“what do men need to be cute for?” He laughed. then you like someone like Qingcheng? then tomorrow i’ll call qingcheng over to accompany you, okay?”

Tang Xin made a face, ” no way, he’s the most shameless.

although tang xin was young, she always felt that meng qingcheng would take advantage of her every time she was in his arms. young girls were always sensitive.

“Qingcheng is going to be sad.” Tang Yu said this in a double meaning manner. Then, he opened the car door, ” I’ll send you in.

tang xin was a little surprised and flattered. in the past, her brother only watched her go in and rarely sent her in. in fact, he didn’t want to see her mother.

What was wrong with him today?

She looked at Tang Yu suspiciously but still walked in with him.

Tang Yu put his arm around her shoulder and walked in. Coincidentally, Zhao Ke and Tang Zhiyuan were both in the living room.

seeing that tang xin had returned, zhao ke heaved a sigh of relief and looked at tang zhiyuan.

Tang Zhiyuan didn’t look at her. He had been ignoring her for the past few days. He didn’t divorce her because of Tang Xin.

zhao ke didn’t get any response, so she walked over and brought tang xin to her side, ” why did you run out? ”

Chapter 373-straight man cancer acts up

Tang Xin stood up straight, ” brother took me out.

zhao ke smiled and looked at tang yu, ” i prepared some desserts. why don’t you stay and have some before you leave? ”

she paused for a moment before speaking gently again, ” shen lian happens to be upstairs too. i’ll call her down. you guys haven’t seen each other for a long time, right? ”

Tang Xin stuck out her tongue at Tang Zheng-obviously, her mother was just pulling strings!

tang yu didn’t say anything and just sat down.

zhao ke was surprised and happy, and her tone with tang xin became much gentler, ” Tang Xin, come upstairs with mom to call your sister Shen Lian. Change your clothes and come down.

after that, she smiled at tang yan and went upstairs with tang xin.

His intention was also very obvious. He wanted Tang Zhiyuan to persuade Tang Yu.

After they went upstairs, Tang Zhiyuan frowned and looked at his son. why aren’t you sitting? ” it’s like you’ve gone to an outsider’s house.”

Tang Yu sat down across from him. Tang Zhiyuan ordered the servants to pour him a cup of tea.

“This is indeed not my house.” tang yu took a sip of tea and said lightly.

Tang Zhiyuan couldn't put down his pride. He looked upstairs and sighed, "I know you've hated me all these years, but it's been so many years, and Tang Xin has grown up. I want to start over with your mother, but she might not be willing."

He could tell that Zhao Yi, President Zhao of Sheng Yuan, had been with him for a long time. He actually had designs on his wife, Wanwan. No wonder Zhao Yi had refused to marry her all these years!

tang mo chuckled. "do you think it's necessary? All these years, you've experienced more than just Zhao Ke."

After getting married, Tang Zhiyuan seemed to have opened up a new world. He played with small-time celebrities and small-time models one after another.

tang zhiyuan was a little embarrassed. he felt a little uncomfortable. "that's because i'm not happy."

He sighed. I didn't know how good your mother was in the past.

after getting married, he felt that although zhao kemei was beautiful, she was too wild in her bones. he couldn't satisfy her at all.

She secretly had someone else outside, and he was too lazy to deal with her. These years, it seemed that they had a tacit understanding and played on their own. When they were in a good mood, they would do it.

until her \*\*\* was exposed by her pretty boy ...

last time, when tang zhiyuan saw his ex-wife's teeth, she was as gentle as a pearl and not covered in dust. it really made him a little stunned.

that day, not only did he fall in love with her, he even dreamed of her when he slept at night, just like how he was impulsive when he was young.

Moreover, knowing that she had once carried his child, Tang Zhiyuan's feelings were different.

– straight man cancer is acting up!

he wanted to rekindle his relationship with lin yun, but on the one hand, zhao ke was making a scene and would definitely use tang xin to restrain him. on the other hand, lin yun refused to let him.

so, tang zhiyuan's heart was bitter.

Tang Yu only snorted at his attitude towards Lin Yun and didn't say anything.

tang zhiyuan saw that he didn't say anything and didn't want to force him. after all, he was the one who let them down in the past. it's a pity that the child would be as cute as Tang Xin if he was born.

tang yu's fingers were clenched tightly and his lips were pursed into a straight line. then, he said, "only a pity? have you ever thought about mom's feelings back then? she lost her husband and her child. when she faced the blood, was she afraid? She's your wife, but you couldn't care less about that, Yingluo. Now, you feel pity for that child. At that time, all you wanted was to divorce my mother and make Zhao Ke the official wife."

## Chapter 374 Straight man cancer acts up (2)

tang zhiyuan was stunned.

” don’t mention the past. since you’ve done it, there’s no way you can regret it. ” Tang Yu got up as he spoke. He didn’t have any intention of meeting Shen Lian.

tang zhiyuan subconsciously stood up as well. his fingers clasped his son’s arm and his voice trembled. ” “Don’t tell me you also approve of your mother and Zhao Yi being together?”

All these years, with Tang Yu’s intelligence, it’s impossible that he didn’t see through it. He probably already knew.

But he still put Zhao Yi in an important position, his attitude was clear.

tang zhiqing’s face was cold as she looked straight at tang zhiyuan. she said slowly, ” at least, uncle zhao can be faithful. ”

Tang Zhiyuan was stunned. Then, he unconsciously let go of Tang Yu’s arm.

he laughed at himself. ” yes, i’m not as good as him. ”

but in his heart, he still felt that lin yun still had feelings for him. otherwise, she would have been with zhao yi a long time ago, right?

Tang Zheng lowered his eyes and there was a hint of mockery on his noble face. He quickly smiled. I’m not eating supper. Help me tell Shen Lian.

from the beginning to the end, zhao ke had nothing to do with it.

tang zhiyuan sighed and didn’t say anything.

when tang yu walked out, shen lian and zhao ke happened to be downstairs. they saw the car in front of the gate start up.

zhao ke was stunned and grabbed tang zhiyuan. ” zhiyuan, you’re not going to stop me? ”

shen lian stood there in her white dress. she was extremely beautiful. she smiled. ” he still doesn’t want to see me. ”

she looked at tang zhiyuan generously. ” uncle tang, i won’t disturb you then. i’ll go back first. ”

tang zhiyuan responded vaguely and patted her on the shoulder. ” in the end, he still broke up with that girl. the daughter of the sun family is not as good as you. she still has a chance. ”

shen lian lowered her eyes and chuckled.

Had they separated?

Everyone in City B knew about the auction last night. Tang Yu spent 20 billion to sleep with PEI Qiqi.

It’s so expensive to sleep with him once!

“i understand, uncle tang.” Shen Lian looked up and smiled. She picked up her coat and walked out.

zhao ke hurriedly sent her off. shen lian sat in the car and smiled when she saw zhao ke following her. "Anything else, aunt Tang?"

Zhao Ke's expression was a little strange. After a while, she said softly, "go back and ask your parents for me."

"I will, don't worry, aunt Tang," Shen Lian replied indifferently.

After Zhao Ke left, she curled her lips and smiled coldly-

she had been married to tang zhiyuan for so many years, yet she still couldn't let go.

zhao ke must be dreaming. only tang zhiyuan, that fool, could be fooled. what kind of woman could zhao ke marry?

She called Zhao Ke "aunt Tang" out of respect for Tang Yu. Otherwise, a woman like her would only deserve to be called a prostitute!

Shen Lian pursed her lips and quickly left.

When Zhao Ke returned to the living room, she looked at Tang Zhiyuan and felt a little guilty. Zhiyuan, why didn't you stop Tang Yu just now?"

there was a hint of complaint in his words.

tang zhiyuan glanced at her and his voice was a little cold. "you're so concerned about his marriage?"

zhao ke was stunned. then, she put on a straight face. "zhiyuan, you can't deny me completely because of that incident. i've been true to you all these years."

"you used your sincerity on my money." Tang Zhiyuan didn't try to avoid it.

at this moment, he missed the days he spent with lin yun so much. although lin yun was a strong woman, she didn't care much about money. when she asked for tang yu to inherit sheng yuan when they got divorced, she was just angry.

Perhaps, there were some feelings in it.

Chapter 375.1-he's not someone you can afford to offend!

tang zhiyuan's heart was filled with an indescribable feeling. at that time, he was blinded by lard and was forced by zhao ke to the point of helplessly wailing.

if he had known that yunyun was pregnant back then, would the outcome have been different?

when he saw tang xin, he felt even worse. No matter what, this child was innocent, so no matter how much he disliked Zhao Ke, he couldn't ignore Tang Xin.

zhao ke was speechless. tang zhiyuan slowly went upstairs to accompany tang xin.

Zhao Ke stood downstairs alone and bit her lip. At the end of the day, Tang Zhiyuan still cared about what happened last time.

She went to Rong Lei and gave him a million Yuan. After Rong Lei humiliated her, he promised not to post her nude photos online again.

Last time, her face was blurry, so no matter who asked her, Zhao Ke denied it ...

time will wash away everything. as long as tang xin was here, tang zhiyuan wouldn't really dare to divorce her.

a child was too important to her!

If Tang Xin was gone one day, then she would lose her beloved daughter, and Tang Zhiyuan would be even more reluctant to leave her.

she was going to be mrs. tang for the rest of her life.

She definitely couldn't let Lin Yun and Tang Zhiyuan be together again. Otherwise, what was she going to do?

she still wanted shen lian and tang yu to be together. on their wedding day, she could stand with that person publicly.

she wanted that person to take back what he had said before. she wanted to stand at the same height as him.

she wanted him to regret not having her ...

she had begged him so humbly and had given birth to two children for him, but he was still unmoved.

perhaps he still thought that she had aborted the child and that tang xin was tang zhiyuan's child.

all of this was not important. what was important was that she could stand by his side, hanhan.

Zhao Ke laughed. She laughed at her own foolishness. She laughed at her own stupidity.

a woman like her would actually love a man so passionately.

What was Tang Zhiyuan? She was just an idiot who didn't know anything after seeing beauty. And that person didn't even look at her and only treated her as a plaything, but she still liked him and loved him.

to follow him humbly! He didn't ask for a status!

but he still didn't want her!

zhao ke's beautiful but aged eyes were slightly moist. it was only on a night like this when no one was around that she would miss him without any restraint.

She thought of his occasional gentleness for her, thought of his bad things for her, and thought of his sins for her.

zhao ke laughed lightly, her eyes filled with tears.

no one knew how lonely she was. her life was absurd, but the only serious thing she had ever done was to love that man with all her heart and soul.

.....

At the 'night' bar.

the deafening music resounded in every corner of the bar. the dim lights also gave off a sense of ambiguity. the smell of perfume, the faint smell of alcohol, and the smell of sex spread to everyone in the bar.

In the innermost seat, Rong Lei and a man were drinking.

” why did you have to make things so ugly with that woman surnamed zhao? at least you have that woman surnamed tang to back you up. ” the man with the peach blossom eyes looked at rong lei. ” brother, take it easy. don’t ask tang zhiyuan to get someone to cripple you. we can’t afford to offend that kind of person. ”

Rong Lei picked a small piece of food and put it in his beautiful lips. He said indifferently, ” what’s there to be afraid of? if the woman with the surname zhao has her husband’s love, why would she need to hunt outside? her heart is wild. ”

she moved closer to the man and whispered in his ear, ” she’s mrs. tang outside, but she’s a bitch in front of me. she’s begging me to f \* ck her bitch! ”

Chapter 376 He’s not someone to be trifled with (2)

The man smiled slyly, and Rong Lei patted his shoulder. I’m going to pee. I’ll let you see how that woman looks later.

the two men showed their ugly faces, and then rong lei went to the bathroom.

he was a little drunk, so his steps were a little unsteady, but this didn’t stop him from making eyes at the girls passing by. yingying was just like that, because the women here weren’t his type.

the women here were all here to find relief. most of them were white-collar workers or people in power. the woman he was looking for was rich. she might be a little old, but so what?

Most of these women took good care of themselves. Although they were still different from young girls, they were not too ugly.

Besides, if he was really not interested, he could also take the medicine.

rong lei’s lips twitched. he thought of a rich woman who had been hanging around recently. she was pretty and good at fighting. however, there was someone else waiting on her now, so he couldn’t do it for a while.

as he was thinking, he bumped into a girl who was passing by.

the girl had heavy makeup on, but one could see that her facial features were particularly delicate.

who was he? he specialized in rolling around in a group of women. when a woman stood in front of him, even if she was wearing clothes, he could imagine her naked appearance.

Rong Lei showed a smile that he thought was very handsome. He reached out and the girl was already kadedonned by him.

he knew the secret of picking up girls, so he wouldn’t do anything to the girl immediately. he used his arms and body to trap her, and his face was like a male animal seeking a mate, lightly touching her small face.

The hormones in the air and his superb skills were enough to conquer the delicate little thing in front of him. Rong Lei believed this.

the girl in front of him closed her eyes slightly, then smiled gently. her little hand touched his collar, and her voice had a unique charm. ” what do you want? ”

“First time out, huh?” Rong Lei’s lips touched the tip of her ear, and his voice was very hoarse. “Didn’t your mother tell you that men are dangerous? You can’t afford the hanches they want, huh?”

He couldn’t even remember how long it had been since he last flirted with a woman. In his memory, he had always been dealing with those old women. It wasn’t an exaggeration to say that he was lying.

How could he be sincere to those old women?

They treated him as a tool to release their anger, but he treated them as a dirty old bitch.

Zhou Meilin was one, and Zhao Ke was also one. In the past two years, he had become less and less interested in women. He mostly relied on medicine to serve old women.

As for the girl in front of him, although she was not serious, it was undeniable that she was really beautiful.

Young women were indeed different. Their skin was extremely elastic and full of collagen.

This was something an old woman who took good care of herself couldn’t do. Just being close to her like this made Rong Lei’s drive come up.

With a devilish smile on his face, he leaned his lips close to her ear and said in a low voice, “Baby, I’ll be back in a while after I go to the toilet.

The girl tilted her head, and the bright light in her eyes was enough to ignite him.

Rong Lei pinched her little face. It felt good to the touch.

He walked into the bathroom with satisfaction. Just as he was about to pee, he touched his pocket.

His phone was gone!

SHIT!

That girl just now!

It must be her!

Chapter 377 He’s not someone to be trifled with (3)

Rong Lei immediately walked out, but the girl was nowhere to be seen.

He was quite familiar with this place, so he immediately went over and ordered the bartender to block the door. The little fairy would not be able to escape from him.

She must be tired of living to steal his phone!

The peach-eyed man and Rong Lei were looking for someone in the big bar.

From the main hall to the private rooms, they searched them one by one.

It wasn’t just them, but the thugs they were familiar with in the bar. According to Rong Lei’s description, they had to find the woman in the black dress.

Rong Lei was in a hurry because he had a top-secret document on his phone.

There were dozens of wonderful photos of rich women on it. If all of them were leaked, would he be able to keep his life?

some of these women's husbands were in the underworld, and some of them would probably break their arms.

so, rong lei had to get his phone back. not only that, but he would also teach that little liar a good lesson.

He thought evilly that he would definitely make her cry and beg for mercy when the time came.

he had all the means to torture women. originally, he still had a trace of tenderness towards her, but now, she could not blame him!

For a moment, not even a fly could fly out of the bar.

.....

pei qiqi held onto the phone and ran for her life. as she ran, she took off her clothes.

She took off her black dress, revealing a white singlet inside. She let her hair down and ran to a corner to wipe off the makeup on her face. She then applied Crystal jelly-like lip gloss.

finally, she even magically took out a small fur coat that looked like a feather from her small bag and draped it over her shoulders. she rummaged through the small bag, and it instantly turned from silver to a bright green.

In an instant, it was as if he had become a different person.

However, she still didn't dare to take the risk. Moreover, she had to pass through the washroom to get to the main hall from here, so she could only hide upstairs for a while.

the sound of moving figures came from downstairs. she ran to the second floor, hoping that there would be a small gathering for her to sneak in. otherwise, she would have to hide in the bathroom upstairs.

the private rooms were all tightly shut, and there was no one outside.

What she didn't expect the most was that Rong Lei's relationship here would be so strong.

in the end, she had no choice but to hide in the bathroom.

A man and a woman?

pei qiqi pursed her lips and finally ran into the men's bathroom. she carefully opened a door and wanted to hide inside.

however, she was stunned when she opened it. there was someone inside.

The man was very tall, and he was urinating with his back to Xi Jue.

From the back, she had a good figure.

the man seemed to have finished urinating. his body trembled slightly and he zipped up.

Then, he turned around.

pei qiqi was stunned because wanwan was tang yu!

He glanced at her and arranged his clothes very indifferently, not at all afraid of her presence.

After he was done, he looked at her clothes and said slowly, "boss pei, you're here to meet a client? You're dressed like a feather duster. What, is this your taste now? Also, come to the men's bathroom."

He leaned over and seemed to bite her ear lightly. did I not satisfy boss PEI last night? "

of course, he could also smell a hint of alcohol on her.

It was impossible for her to drink at a time like this, so she must have succeeded?

Chapter 378 boss pei, do you like it?(4)

pei qiqi tried her best to suppress the shock in her heart and ignore his mocking words because she could hear footsteps outside.

tang yu looked at pei qiqi's face carefully and didn't miss any of her expressions.

"i've gone to the wrong place, mr. tang. sorry for disturbing you." She looked like she was about to leave but then, her hand was caught and Tang Yu pulled her into his arms.

he lowered his head and looked at the person in his arms.

she was different from the past. although she was a little gaudy, she was still charming.

Her small mouth was like jelly, attracting all the man's attention.

That's why Rong Lei, who was a noob among women, fell into her hands!

but did she not think of the consequences? people like rong lei often hung out in such places, so how could she escape?

at that moment, someone had already opened the door of the men's bathroom. the sound of footsteps was messy and messy.

in this small space, there was the smell of disinfectant and his masculine scent. pei qiqi felt a little dizzy. she needed to hold onto the door to steady herself and not slip.

"let me guess. those people are here to look for boss pei?" His lips were close to her ear, and his voice was a little hoarse.

she felt all the hair on her body stand up, and she closed her eyes, not daring to make a sound.

"who did you offend? Hmm?" she didn't say anything, and he further confirmed this and chuckled.

She couldn't help but shiver, and her fingers suddenly grabbed his back.

Tang Yu pushed her away. boss PEI, please have some self-respect.

He coughed lightly and said in all seriousness, "I have a girlfriend."

the people outside had already knocked on the doors of the small rooms one by one, in a rough and rude way.

pei qiqi bit her lip. she knew that only tang yu could help her now.

at this moment, she had forgotten about sun feifei. she had forgotten about the heartless words she had said and his mockery.

She hugged him like a Rascal and buried her face in his arms. Her voice was like a kitten's."Please, I beg you."

as she hugged him like this, the unwillingness, anger, and unhappiness in his heart seemed to have soothed some of yingying's rationality. all that was left was the fiery little thing in his arms.

"with what?" He started to make conditions with her.

She said no, but he had done all kinds of unspeakable things to her.

Boss PEI, do you like this place? " he chuckled. " you're hiding in the bathroom in such a sorry state, dressed like this, huh? "

even though they had only spent the night together, he was still a little moved by her.

he wanted to hug her so much that his heart ached!

his other hand reached out to her small mouth. " "You can't help but bite me."

pei qiqi was already covered in a thin layer of sweat. he didn't really do anything to her, but he always knew how to bully her.

He didn't really need to do anything to make her break down.

She really wanted to turn around, hug him, and beg him to kiss her.

However, he continued to torture her slowly and said those things that she couldn't stand.

he had always been well-versed in this, but the more he was like this, the more secretive and taboo it felt.

Finally, like a small fish that had been fried, she desperately turned around and hugged him, dazed.

her eyes were filled with tears, but under the reflection of the crystal lamp, she was shockingly beautiful.

she cried, " tang yu, don't torture me like this! "

Chapter 379 you feed me!(1)

she stumbled and sat down. pei qiqi sat in his arms and leaned on his shoulder.

the door at the door was pushed open roughly. she cried out softly and bit his shoulder.

In the air, there was a hint of bitterness, like the taste of a flower bud about to bloom, tender and fresh, tempting people to taste it.

Tang Yu's breathing was also a little messy. No matter what, his eyes moved.

pei qiqi snuggled in his arms. at this moment, there was only tang yu in this small world. there was no one else.

rong lei and peach-eyed were also stunned.

What was going on?

There were actually men and women doing that kind of thing here ...

the woman was sitting in the man's arms, but her clothes were intact, and one could not tell that she was in spring.

but inside, there was an unquestionable sense of joy. it was a good aura. rong lei was a little unhappy.

He hadn't touched the woman just now, but he had caught a pair of mandarin ducks.

he narrowed his eyes and said to the thugs behind him, " pull them away. i want to check if this woman is the same one as the one just now. "

in fact, he didn't think so. they weren't the same at all. however, this woman seemed to have a very good figure from behind.

so rong lei was also tempted.

the peach-eyed man stopped him. " rong lei, what time is it now? why are you still thinking about this? "

Rong Lei sneered. even if I die, I'll drag people down with me. This is our territory, what are you afraid of? "

What would happen if he raped a young lady here?

His peach blossom eyes were also a little envious,"why don't we lock this girl up first and wait until we find that one, then we'll play with her together?"

the rest of the sentence didn't need to be said.

Rong Lei naturally agreed. He smiled darkly. bring them over. Today, everyone will be rewarded with 5000 Yuan.

he was a professional at scamming rich women. he earned money quickly and was very generous.

those thugs were naturally more than happy to do so. wasn't it just a matter of getting rid of a person? What's so difficult about it!

Just as she was about to step forward, Tang Yu pressed down on PEI Qiqi's little head so that they wouldn't see that she was a little wet. With a red face, she took out her phone and dialed a number. " chief zhang, i'm tang yu. i'm in your district right now. someone's trying to take my date away. yes, it's the night bar. "

chief zhang? tang yu?

rong lei was dumbfounded!

Peachflower eyes was dumbfounded!

the thugs dispersed. they didn't know what had happened just now. they didn't know anything and didn't participate in it.

tang yu!

in city B, who didn't know about tang yu? kidnapping his woman was like looking for sh \* t.

after everyone left, only rong lei and peach-eyed were left, not knowing what to do.

they also wanted to run, but they didn't dare to.

Tang Yan helped PEI Qiqi up and patted his pants. His lips curled up into a smile, " didn't you want to catch it? why aren't you coming over now? "

the peach-shaped eyes immediately bent over and said, " mr. tang, it's a misunderstanding. rong lei drank too much. "

tang zheng glanced at him but didn't say anything. he just chided him. " you're ruining my mood. "

He held PEI Qiqi and left. Her face was buried in his embrace. Tang Yu lowered his head and kissed her on the lips. His voice was hoarse as he mumbled in a volume that even Rong Lei and peach blossom eyes could hear, " "Let's continue in the car, okay?"

The woman didn't say anything. She just hugged Tang Yu tightly.

peach-shaped eyes and rong lei watched them leave, then peach-shaped eyes nudged rong lei. " still looking?! " Tang Yu isn't someone we can offend. He can kill us as easily as killing an ant."

Chapter 380 You feed me (2)

Rong Lei was stunned for a long time before he spoke. I thought he was serious. It turns out he's just like that.

to think that he would actually mess around with a woman in the bathroom.

then, he sneered, " continue to look for that girl in black. she must still be in the bar. "

he had to find her even if he had to dig three feet into the ground!

However, they might not be able to find it even if they dug ten feet!

At this moment, PEI Qiqi was sitting in Tang Yu's car.

He turned his head and looked at her, then drove the car away.

"Where to?" PEI Qiqi pulled at her clothes and felt a little cold-

he didn't have the air conditioner in his car.

Tang Yu's car sped all the way to PEI Qiqi's house.

The well-functioning black sports car screeched to a stop at the foot of the building. PEI Qiqi's body lightly bumped against it.

she looked ahead and pursed her lips. " why are you here? "

he didn't say anything and just opened the door to get out. pei qiqi had no choice but to follow.

On the way, he did not speak to her in the elevator until the door opened ...

pei qiqi stood by the door and hesitated. she didn't want to go in.

"why aren't you going in?" There was a spark in his eyes, as if he wanted to eat her up.

she bit her lip and finally stepped in. the moment she entered, he pressed her against the door and looked down at her.

his dark eyes were so deep that she couldn't see the bottom. under that gaze, her body couldn't help but tremble.

she didn't dare to look into his eyes, but she couldn't bear to look away. she just looked up at him.

finally, his long fingers caressed her red lips, "pei qiqi, you want me to treat you like this, right?"

PEI Qiqi's voice carried a hint of sadness, "no."

"you're not?" he sneered and looked down at her little face. "no, why did you want me to come back with you?"

She was stunned.

"pei qiqi, your body is telling me that you want me to hug you." He mercilessly exposed her weakness.

She stood there challenging his will, her large palm still caressing her red lips. Her voice was low and hoarse. now, I want to take back my interest.

that night, he whined as if he didn't know fatigue.

.....

10,000 words omitted! If it's not enough, I can write 20000 words!

.....

after two consecutive nights, even tang yu was a little exhausted. he tilted his head and looked at her. his eyes were quiet and he didn't say anything for a long time.

The two of them lay flat on their backs. Although they were extremely tired, neither of them felt sleepy.

It was as if he was reminiscing about the past, but was unwilling to disturb it.

"pei qiqi, you took this pillow from xia city, right?" finally, he opened his mouth and spoke in a faint voice.

her heart skipped a beat, and she turned to look at him. "i didn't," she replied quickly.

"Liar!" He turned over and kissed her again.

The final result was that Tang Yu had a fever.

PEI Qiqi was a little dumbfounded. How could this be?

he used to be in good health, but he had never been together for two nights in a row. no man could take it.

actually, she wasn't any better off. she was also feeling a little uncomfortable. when he was with her, it was as if he didn't care about his life. it was as if he wanted to kill her and himself.

The kind of madness that disregarded everything.
