

## Thank you 3731

### Chapter 3731: Relationship exposed, proposal

He stared at her face and said slowly, "really? Do you really think I'd have sex with the mother of a child?"

he let go of her. "you think too highly of yourself."

As he said this, he looked at her suspiciously. it's because you couldn't seduce my brother. You're targeting me instead. Let me tell you, Hanhan.

"I don't need you to tell me!" wen yuan closed his eyes. a tear was already at the corner of his eye. however, she held it in and did not let it fall. "ye mubai, i won't like you and i won't seduce you. is that okay?"

after she finished speaking, the tear from the corner of her eye still fell.

Ye mu Bai was stunned for a moment. Then, he looked at her tear and was in a daze as if he was possessed.

...

"Do you really love Hanhan?" he asked in a low and hoarse voice after a long time.

Wen Yuan looked up at her with tears in his eyes. She did not say anything, but he took her words seriously.

To Wen Yuan, it would not be too embarrassing to let him misunderstand.

"If you want to go south to United States, I can still take care of you," ye mu Bai said in a low voice.

he really liked nan and was willing to take care of them. after all, they would have no one to rely on in the future.

wen yuan did not tell her that he was not going to new York because he did not want to. he would know when the time came. by then, he would not have to take care of her and he would be at ease.

No matter what, the man in front of her was the man she had loved before. Wen Yuan's eyes were filled with tears. She only hummed and thanked him softly.

she gently pushed him away and walked past him. when she left, her hair brushed against his chest.

Ye mu Bai looked at her side profile and felt the last bit of warmth she left behind.

he had an impulse to hug her. it was the impulse of a man towards a woman.

However, he still restrained himself.

He watched her leave and open the door. Suddenly, he grabbed her wrist from behind.

wen yuan turned around and looked at him.

"i'll send you back," he said in a low voice.

wen yuan lowered his gaze. after being stunned for a moment, he thought of the reporters at the door and agreed.

she thought that it was time for her to let it go. if she didn't let it go, she would be embarrassed. she heard that ye mu bai had gone to his girlfriend's house to meet his parents. he might get married soon. what would she do if she continued to pester him like this?

She was a little self-loathed and felt that her life had been completely influenced by an idol from her youth. He was no longer the man she liked when she was young. They even had a child, and that was enough.

On the way back, Wen Yuan sat in the back seat of his car and looked at the street outside the window.

it was especially quiet in the car, so she sat quietly in the car and quietly interacted with him.

This was the last time, she thought.

while ye mu bai was driving, he would occasionally notice her behind the car. he would look at wen yuan in the rearview mirror.

To be honest, she was very good-looking. In terms of looks, she was not particularly outstanding, but her eyebrows were particularly comfortable to look at and very pleasant to look at.

Perhaps it was because he had been pampered since he was young, Wen Yuan's appearance was gentle and not aggressive. He was very suitable to be a wife. Ye Mubai suddenly thought of the night when he saw Wen Yuan sitting on ye Mulin's knees in suspenders pajamas. His long black hair was messily draped over his shoulders. From behind, it was a visual impact and very sexy.

He suddenly felt a little uncomfortable. He couldn't tell why they were a fake couple and why they were doing it for him to see. He also thought that she did seduce him, but now she gave up.

did he really give up?

He could not help but think. [I'll update at night, try to update earlier today ~]

Chapter 3732: you seduced me again (1)

Ye mu Bai was not focused on driving.

then, wen yuan's phone rang. it was ye mulin.

She picked up the call. Her voice was nasal and she didn't speak much. She only hummed a few times before hanging up.

ye mu bai looked at the rearview mirror and saw that her nose was a little red. she seemed to have cried.

"Did I scold you?" he asked softly after a pause.

"no." wen yuan looked out of the window and said in a soft voice, "i'm just a little sad."

...

Then, she muttered to herself, "I've always lived with him for a few years, and now I'm a little sad. You won't understand Hanhan."

to her, ye mulin was a warm existence. he had given her a place to shelter from the rain when she was the most helpless. otherwise, she might have had to leave B city with xiangnan a few years ago.

In her heart, ye Mulin had long been her family member. Hence, Wen Yuan could not be so selfish. She could no longer be like before, using her status as the eldest daughter of the Wen family to pursue a man relentlessly. If this continued, she would look down on herself.

As she spoke slowly, ye mu Bai's fingers clenched tightly. "you care about him a lot?"

wen yuan raised his eyes in surprise and looked at the back of his head. after a while, he smiled faintly."ye mu bai, you're overthinking things."

it was not what he thought. what did he think? did he think that she had such feelings for ye mulin?

just as she said that, the car stopped with a screech.

She paused for a moment, then looked at him with a helpless look.

Wen Yuan, if you love him, you should make up for it. If you don't love him, you should give up on him from now on, because he's getting married. He gripped the steering wheel tightly. if you don't want to be an affair and embarrass yourself, then you'll have to cut it off completely.

Wen Yuan felt as if a lifetime had passed as he listened to his words.

she had heard these words before.

before he lost his memory, he had always warned her not to be delusional. now, was he going to use this same excuse to tell her?

However, the words he said were

it made sense.

She didn't defend herself and only said softly, " "Xiang Nan and I will leave, and what you're worried about will not happen."

It was true that she was leaving, but not to new York.

At this moment, she suddenly wanted to seduce him.

the last time, she had seduced bai qingqing, who had lost her memory, and he had always remembered her. this had made him angry and resentful. it could be considered her revenge on him!

half an hour later, ye mu bai's car stopped in the villa. wen yuan placed his hand on the car door as if he wanted to get out of the car, but she stopped and turned to look at him."do you want to go and see xiang nan?"

Ye mu Bai's fingers were on the steering wheel. In fact, he did not have such plans at first. He was going to watch a musical with Lin Xueyi. As expected, Qianqian would be engaged to him.

however, when wen yuan said that, he actually hesitated.

wen yuan saw the hesitation in his eyes and forced a smile. ” “if you’re busy, then forget it.”

ye mu bai also wanted to let it go, but when she got out of the car and he was about to start the car, xiang nan ran out of the villa and called him uncle.

he could reject wen yuan, but he could not reject such a small thing.

just as wen yuan had said, although he was not ye mulin’s child, he felt that he was a child of the ye family.

he immediately gave up on leaving. he turned off the engine, opened the door, and got out of the car. he picked up the little thing and lifted her up high. ” did you miss nan? did you miss uncle? ”

Xiang Nan’s answer was to kiss him hard on the face.

## Chapter 3733: You seduced me again (2)

ye mu bai’s heart softened, and he also gave xiang nan a kiss.

perhaps it was due to the nature of a father and son, he liked to miss nan very much. however, ye mu bai would never have thought that xiang nan was his child. he had forgotten everything and easily accepted his family. he was not insistent on remembering, but his forgetfulness had made him forget the most important thing ...

he and wen yuan used to have a relationship.

He hugged Xiang Nan and played with her.

xiang nan was very young, so he secretly looked at his mother. he was relieved to find that his mother was not angry.

It was almost noon. Ye mu Bai had an appointment with Lin Xueyi. Or rather, Lin Xueyi had an appointment with him. Before he could go over, Lin Xueyi called him. However, his phone was in the car, so ye mu Bai did not hear it.

...

wen yuan quietly watched him play with xiangnan. she was very happy to see xiangnan. it had been a long time since xiangnan was so happy.

Wen Yuan's eyes were a little warm. She did not know if she had made a mistake or if she should not have given up so easily. However, she did not have the courage to try again.

when it was almost noon, she went to the kitchen and asked the servants to prepare lunch. there were things that she thought nan 'ai would eat, and there were also things that qianqian and ye mubai would like, if his taste hadn't changed.

after giving her instructions, she went to the living room upstairs and sat there for a while.

In fact, they had already packed their luggage and were just waiting to leave.

he was not going to new York, but city H.

A Music Academy in city H had already accepted her and she had also bought a nice apartment in city H. She was very grateful to ye Mulin for allowing her to live with dignity after leaving the Wen family. She also knew that he did this partly for ye Mubai.

No matter what, she had to leave this place, and she was a little reluctant.

Wen Yuan's finger fell on the front of a piano. There were many nights when she would play this piano whenever she thought of ye mu Bai. Xiang Nan would listen quietly by the side, as if he could understand her.

wen yuan smiled slightly, but it was a bitter smile.

during lunch, xiang nan and ye mu bai were covered in sweat. after they finished eating, he took the little fellow to the guest room upstairs to take a shower. probably because he was too tired from playing, xiang nan fell asleep in a short while.

Ye mu Bai accompanied him for a while before he walked out with only a towel wrapped around him.

he suddenly thought of lin xueyi's date. he didn't actually like her that much, he just didn't hate her.

He went to the car downstairs and took out his phone. He looked at the five missed calls and a few WeChat messages.

He frowned.

he had forgotten.

It was already two in the afternoon.

He called her. Lin Xueyi was angry, but she didn't dare to throw a tantrum at him. Instead, she acted coquettishly for a while and asked him to compensate her.

Ye mu Bai looked at himself and lowered his voice. "there's still time for the concert. wait for me there. i'll be there on time. "

lin xueyi wanted to ask him where he was, but she swallowed her words.

Ye mu Bai hung up the phone and went to the second floor. He wanted to ask Wen Yuan for a set of ye Mu Lin's clothes. Their figures were almost the same.

however, when he knocked on the door, wen yuan was only wearing a bathrobe. it was obvious that he had just taken a shower.

she looked at him and was stunned for a moment. "i thought you were missing nan. "

then, she subconsciously wanted to close the door.

an arm blocked the door. ye mu bai pushed the door open and said in a calm voice, ” “No need. I’ll borrow a set of my brother’s clothes. I’ll be going out later.”

### Chapter 3734: You seduced me again (3)

Wen Yuan looked at him and nodded after a while. “His clothes are in his room, I’ll Take You There.”

Ye mu Bai’s eyebrows twitched. It was only then that he realized that this divorced couple had been sleeping in separate rooms all this while.

Wen Yuan gathered his bathrobe and walked towards the room opposite.

Ye mu Bai followed her and closed the door.

There were many traces of ye Mulin living here before. Everything was the same as before, but some of the clothes might have been taken away, so the changing room was a little empty.

Wen Yuan opened a few cabinets but could not find anything suitable. It was only at the last cabinet that she saw a suit that also suited ye mu Bai. She handed it to him and bent down to look for a matching tie and shoes.

...

The bathrobe she was wearing was short, and when she bent down, ye Mubai saw something he shouldn’t have.

His Adam’s apple bobbed. It was hard to imagine that Wen Yuan had such a devilish figure under his calm face. To be honest, he was a man. If he said that he did not have any thoughts about it, he was not a man.

wen yuan seemed to have finally found the tie. he stood up and handed it to him.

ye mu bai extended his hand to receive it and thanked her.

she was about to walk out, but he reached out and pulled her back. the next second, she was pressed against the closet.

however, his actions were not too rough.

At this moment, ye mu Bai did not have any intention of doing anything to her. He only stared into her eyes and accused her, " "you're trying to seduce me again!"

wen yuan bit his lips and turned his face to the side. his heart was beating rapidly. "I don't know what you mean."

he stared at her, his eyes seemed to be on fire.

ye mu bai had been indecisive. sometimes, he suspected her, and sometimes, he felt that she was not. at this moment, he really wanted to know if she was the one.

So he moved forward to trap her, lowered his head to kiss the corner of her lips, and murmured, " if you're not, reject me now.

her eyes were misty, and her heart was beating so fast that she was almost touching him.

His young body was ignited with just a little bit.

Ye mu Bai gently bit her soft lips. "If you reject me, that means you didn't, okay?"

wen yuan was trapped by him. his eyes were very, very hot. she also felt like crying. in front of her was the man she had loved for so many years. when she was pregnant with his child, she thought that he was dead.

he came back, but he didn't recognize her. he hated her, just like before.

She told herself to be willful for the last time.

she didn't reject him. instead, she wrapped her arms around his neck and closed her eyes to kiss him.

ye mu bai was stunned for a moment. then, he felt something land on the ground. after that, he felt like he was being controlled.

adult men and women hugged, kissed, and used all their imagination to say,

.....省略很多的字.....  
.....

there was no love, but it was the most primitive feeling between a man and a woman. ye mu bai admitted that he was not a man who valued jade, but she teased him again and again.

Her figure was surprisingly good. Although she had given birth before, she was very suitable for men to carry. Ye mu Bai's phone kept ringing, but no one answered it.

Chapter 3735: you seduced me again (4)

When everything calmed down, it was already night.

ye mu bai's phone had already run out of battery, and it was dark and lonely beside his pillow.

his muscular body was on top of her, and he lowered his head to kiss her lips. "wen yuan."

Wen Yuan closed his eyes and panted. After a while, she opened her eyes and looked at him, saying softly, "Ye mu Bai, is this considered as me seducing you?"

His gaze was deep as he turned to the side and quietly said, ” “i don’t have any protection! are you going to take your medicine or let nature take its course?”

he was giving her a choice. if she took the medicine, everything that happened between them today would be over. but if she didn’t take it, she might get pregnant. the child couldn’t be aborted, and he would choose to marry her.

...

wen yuan stared at the ceiling for a long time before she tilted her head and asked him, ” “Ye mu Bai, do you like me even a little?”

he clenched his fists and answered honestly, ” i have a desire for you. ”

after he finished speaking, her eyes were a little hot and sad. even though some things were about to break out of their cocoons, she still held it in.

“i’ll take my medicine,” she said in a soft voice as she sat up.

Ye mu Bai felt frustrated. He sat up and leaned against the headboard. He lit a cigarette.”You can also choose not to take the medicine.”

“do you love me?” wen yuan’s eyes were filled with tears. she bit her lip and looked at ye mu bai.”Tell Me You Love Me!”

at this moment, she felt like she was having a nightmare. it was as if she had returned to the past when she was begging for his love.

she looked at him as if she had looked at him a few years ago, while ye mu bai looked at her as if she was a woman who had just slept with him.

although he liked this woman very much, it was still an accident.

however, he was the one who had orchestrated this accident, and he knew it very well.

At this time, she had asked him if he loved her. He could make it up to her, but he could not go against his heart and say that he loved her.

his voice was slightly bitter, "if you want to compensate yingluo ..."

he had just finished speaking when her reaction was a little intense. "Ye mu Bai, I'm not for sale."

"that's not what i meant." ye mu bai frowned.

Wen Yuan tugged at his hair and looked up. you should leave. I'll take my medicine and won't cause you any trouble. I won't tell miss Lin about it either.

ye mu bai's brows furrowed even deeper, "i'll ask you one last time, wanwan."

"what i want is a person who loves me." she finally burst into tears and hugged herself like a homeless stray. " and you're not. "

"is love that important?" ye mu bai's voice was slightly cold.

Wen Yuan raised his eyes and looked at him for a long time before he muttered, " " ye mubai, it's not that you've never liked someone before. you just don't remember it. do you still remember lin sisi? "

ye mu bai's expression was a little unsightly.

Lin sisi!

it was a name that made one's heart ache.

"The person you like is going to remarry her ex-husband. you should have heard of gu ze. he's the president of hengtong group. after losing her, he pursued her for many years." wen yuan smiled. " ye mubai, i don't want you to think that you can't love anyone for the rest of your life. in fact, you've only loved someone. it's not me or lin xueyi. "

She raised her head and let her tears fall.

Everything was over.

She gave up.

when she looked at him again, his expression was extremely ugly. after a while, ye mu bai started to get dressed.

he jumped off the bed and was about to leave, but he turned back. he said to her by the bed, ” “I’ll get my assistant to send the check over.”

Chapter 3736: you seduced me again (5)

Wen Yuan’s tears did not stop. She half-knelt on the bed, wrapped in the bedsheet. She smiled with tears flowing down her face.”I’ll buy the medicine myself. I don’t need the check. Don’t worry, I won’t give birth to the child of a man who doesn’t love me.”

“I won’t do it again,” she said to herself.

ye mu bai stared into her eyes. then, he held her chin and lowered his body.”Is there anything else you haven’t told me?”

Her chin hurt a little. She looked up. there’s nothing else.

ye mu bai let go of her and walked out quickly.

He was in a hurry, but Wen Yuan knew that he was not there to look for Lin Xueyi. He was there to look for his past.

...

wen yuan just sat there and smiled gently.

Ye mu Bai went downstairs and got into the car, his fingers on the steering wheel.

When he picked up his phone to dial, he realized that it was out of battery, so he charged it.

after a while, he called KING. his tone was calm. ” “i want to investigate my past.”

” one million yuan, ” KING replied readily. ” i’ll send it to your phone in ten minutes. ”

ye mu bai’s voice was cold. ” i don’t want the official information on the internet. i want privacy. i want things that no one else knows about except me. ”

King laughed, ” look at the information. You decide the price. But this will be a little late. It’ll take a day or two.”

Ye mu Bai immediately hung up the phone.

he sat in the car for a long time, then got out again. in the dark, he lit a cigarette and looked upstairs.

he looked at the room.

The lights were on, but it was eerily quiet.

Was she still crying?

he was a little annoyed. why did she ask for love from him? why did she ask for things that she shouldn’t have asked for?

In fact, he could feel that Wen Yuan was not insistent on having him. She had even done it with him with a lustful attitude. She was very cooperative and enjoyed it when he wanted her.

He was a man. Although he had not had a woman for a long time, he could feel that she had not had a man for a long time as well.

he was thinking, who was her last man?

was she also like this, eagerly hugging that man when he wanted her?

ye mu bai's expression turned very ugly. he threw the cigarette butt away, stepped on it, opened the car door, and drove away without any hesitation.

He was even a little annoyed that he was the one who had taken advantage of her.

For some reason, he drove to an old apartment building.

he came here by instinct, or perhaps he used to drive here often.

Ye mu Bai sat in the car and did not go anywhere. He just smoked quietly.

Two people came down from the stairs. One of them was a very beautiful and familiar-looking girl. Ye mu Bai's heart even moved a little when she appeared.

behind him was a man he knew, gu ze.

gu ze was carrying a suitcase in his hand. he gently placed it in the trunk of a car. then, he grabbed the arm of the girl in front of him and pressed her to the back of the car. he kissed her for a long time.

in the end, they drove away.

Coincidentally, he had seen the entire process. This was Lin sisi, whom Wen Yuan had mentioned.

a girl who was about to marry someone else before he could remember. even if he couldn't remember her, his heart would still hurt.

Ye mu Bai's fingers gently stroked the steering wheel. He suddenly felt a little hatred for Wen Yuan.

why did she tell him?

this was almost revenge!

making someone feel pain was the best revenge.

Chapter 3737: Thinking of the South at night, is he my son?(1)

ye mu bai's car was parked outside the apartment building for the entire night.

Later, when Lin Xueyi called him, he only said a few perfunctory words and hung up.

on the other side, lin xueyi really wanted to throw a fit, but she didn't dare to. in fact, she didn't even dare to call him.

Ye mu Bai leaned against the back of the chair and smoked. He was thinking a lot.

the past with lin sisi and the passionate afternoon with wen yuan.

At the break of dawn, he drove back to the hotel. After he took a shower, he received a message from King.

...

it was much faster than he had expected.

ye mu bai was drying his hair as he received a message.

There were some photos of him and Lin sisi. They were probably taken by the paparazzi, and some of them were even kissing.

He looked at himself quietly, at the way he looked at Lin sisi.

he was sure that he had liked her.

otherwise, he wouldn't have such a gaze.

KING made a call, and ye mu bai quietly said, "i'll transfer the money to you later."

King stopped him and smiled. these can all be given for free. There's also the main show. Do you want it? "

"What do you mean?" ye mu Bai narrowed his eyes.

KING laughed maliciously. " it's an extremely explosive photo. i think they must have spent money to suppress it back then. "

ye mu bai listened quietly and waited for KING to continue.

KING's voice suddenly became serious. " mubai, the woman you had before you lost your memory was not lin sisi. even if you were a little ambiguous with her, you stopped it in time. the one who had a romantic relationship with you for a long time, or should i say, a physical relationship with you, is not anyone else. it's wen yuan, your ex-sister-in-law. i have a large number of photos in my hands that can prove that you two had an X relationship for at least a year. "

ye mu bai's fingers gripped his phone tightly, and his voice was devoid of any warmth. " send me the photos."

King immediately replied.

one after another, the photos were very exciting. they were all photos of ye mubai and wen yuan. there was even a short video and a video. under the camera, he was doing all sorts of things to wen yuan. each photo was more exciting than the previous one.

he looked on quietly, his expression becoming more and more serious.

if he had maintained such a relationship with wen yuan, then whose child was nan zhizhi?

Ye mu Bai put down his phone and dialed King's number. I'll get my assistant to send you a check later. You'll be satisfied with it.

KING was assured of this. the ye brothers had always been generous.

after ye mu bai hung up the phone, he immediately took off his bathrobe and put on a coat. he then jumped into the car and drove directly to wen yuan's villa.

an hour later, the car stopped. he got out of the car and walked straight to the hall.

In the living room, there were two servants cleaning up the place, and there were a few cardboard boxes. Ye mu Bai raised his head and asked, "Where's Wen Yuan?"

the servants in the house did not know much, but everyone knew what had happened yesterday afternoon.

second young master had slept with miss wen!

This relationship was really messy.

"madam left with the young master early in the morning," the servant said, trembling.

"Where did she go?" ye mu Bai frowned.

I don't know. Madam didn't say anything. She only said that she would clean this place and close the door. She might not come back for a few years. the servant said honestly.

ye mu bai had a bad feeling in his heart. he narrowed his eyes as he recalled wen yuan's pandering actions yesterday.

Obviously, it meant that it was the last time.

Chapter 3738: Thinking of the South at night, is he my son? 2

ye mu bai immediately called KING. ” “help me find out where wen yuan has gone!”

King shook his head and sighed, 'Mubai, are you sure you want to look for her? you want to marry her?"

“Her son might be mine.” Ye mu Bai gritted his teeth. At this moment, he really wanted to strangle that woman to death.

what was this? sleeping with him once before leaving, so that he would never forget it?

what kind of woman was she? He looked quiet, but the things he did were more and more shocking.

KING laughed. ” you can ask chief ye about this. back then, he was the one who suppressed those photos. he was willing to spend a lot of money for wen yuan’s eyes. ”

...

“After you get the answer, do you still want to go to Wen Yuan?" he paused.

ye mu bai’s fingers were almost white as he held the phone. after a while, he thanked her and put the phone down.

He walked to the front of the car, opened the door, and got in. The servants at home were worried and ran over to ask, ” “second master, what happened?"

Ye mu Bai’s expression did not look good. it’s nothing. If Wen Yuan calls back, don’t tell him that I’ve been here.

under the surprised gazes of the servants, he started the car and left.

it was sunday. Ye Mu Lin was at the apartment. Ye mu Bai drove the car over and went to the top floor. He pressed the doorbell fiercely, causing the couple who were doing that to lose all interest. Ye Mu Lin's face was dark as he opened the door. He was only wearing a bathrobe.

he opened the door, and it was ye mu bai!

“What are you doing here so early in the morning?” ye Mulin frowned.

ye mu bai took two steps inside and asked in a tense voice, ” “Wen Yuan's child, is it mine?”

“She's pregnant?” ye Mulin was still frowning.

“Brother, you know what I'm asking! don't play dumb with me. ” “ye xiangnan, is he my son?” ye mu bai asked again in a serious tone.

Ye Mu Lin stared at him for a long while before he slowly opened his mouth.”It seems like you know something!”

he couldn't get rid of him for a while, so ye mu lin took a cigarette from the entrance and lit it. he then said to ye mu bai, ” ” let's smoke a cigarette and sit there for a while. i'll come out after a few words with shirley. ”

Ye mu Bai was extremely frustrated. He took the cigarette box and lighter, walked to the sofa, lit it up, and looked at him.”hurry up,”

Ye Mulin smiled faintly and walked into the bedroom quickly, closing the door behind him.

“Little white, why are you here?” Bai suili sat up.

“his affair with wen yuan has been exposed.” ye mulin walked over and sat by the bed.

He ruffled her hair gently. I think they accidentally overslept again. Wen Yuan has left and he's starting to suspect that xiangnan is his son. I'll talk to him for a while. You can sleep for a while.

As he spoke, he lowered his head and kissed her forehead."Good girl."

"then, is it possible between them?" she pulled his arm.

"I don't know!" Ye Mu Lin shook his head.

the reason why he did not tell mu bai directly was that he had not cared about wen yuan since a few years ago. he had only maintained a physical relationship with wen yuan. he was not responsible, but he could not bear to not sleep with him. now, there was no reason for him to think about going to the south. it would not be good for him.

Ye Mulin patted his little wife."Be good, don't think too much."

bai suili hummed and lay down.

After ye Mulin left and closed the door, she secretly took out her phone and sent a WeChat message to Lin sisi. " sisi, it's over. xiao bai has found out that xiangnan is his son, but wen yuan has run away. "

Chapter 3739: Thinking of the South at night, is he my son?(3)

On the other side, Lin sisi sent a surprised emoji to Bai suili.

she knew that ye mu bai had forgotten everything. however, she really did not expect that wen yuan's son was ye mu bai's.

Thinking about how ye mu Bai had slept with ye Mu Lin's fiancée many years ago, it was exciting enough.

The two girls talked for a long time under the blanket.

Gu ze came out of the bathroom and saw Lin sisi playing with her phone. He could clearly see that her little finger was missing a section.

His heart ached for a moment, but he still went over with a smile. who are you chatting with? ”

...

Lin sisi put down her phone and looked at him. it's Shirley.

Gu ze only had a bathrobe on. He leaned against the head of the bed and looked down at her. “what did he say?”

Lin sisi and Gu ze had made up. She was no longer as cold as before and was acting coquettishly.

“I told you not to be unhappy.” She bit her lower lip.

Gu ze's hand held her waist as he smiled. “That depends on what you're talking about.”

Lin sisi leaned on his arm and looked up at him. Then, she moved her little face closer and gently stroked his lips with her fingers. it's about Mubai.

Gu ze and ye mu Bai were love rivals. Ye mu Bai liked Lin sisi and had liked her for a long time.

At this moment, his little wife said that she was talking about ye mu Bai. Master Gu snorted and casually took out a cigarette, lit it, and took a puff.”tell me.”

Lin sisi leaned into his arms and took the cigarette away. “you're not allowed to smoke. what if i'm pregnant?”

She reached out to stroke her stomach and then looked at him. “Gu ze, I really want a child.”

Gu ze laughed, 'you want a child? you'll have to work harder.'

as he spoke, he was about to press her down again when lin sisi put her arms around his neck and stopped him. "We're talking about serious business."

Actually, Gu ze was just pretending for a while. He then laughed and let it go.

Lin sisi hugged him and said softly, "Wen Yuan's child is ye mu Bai's. Shirley told me just now that Wen Yuan has left B city. Lao Bai is going crazy."

Gu ze snorted. your heart hurts? "

"I didn't." She hugged him and whispered, "Gu ze, we're about to get married. Can you not be jealous of Chen Nian?"

he smiled, lowered his head, and kissed her again.

His feelings were complicated, but at the same time, they were gentle.

after so many years, she was still the little fool from before. she was willing to let him love her again, yingluo.

Just when Gu ze and Lin sisi were in a good relationship, the ye brothers were not so warm.

Ye Mu Lin walked out and closed the door behind him. He then sat down opposite ye mu Bai.

ye mu bai smoked his cigarette fiercely. he raised his head, and his eyes were red. "can you tell me now? is xiang nan my son?"

ye mu lin also lit up a cigarette. after taking a puff, he looked at ye mu bai and gave a faint smile. "If that's the case, what will you do?"

ye mu bai stared at him and ye mu lin sighed. "wen yuan has liked you for many years. mubai, i have something to tell you honestly because you are my younger brother. "

he said slowly, " before you lost your memory, you and wen yuan were only physically connected. you didn't promise her anything. perhaps you don't love her. i think it's the same for hanhan now. wen yuan probably left because he gave up. " If that's the case, do you still want to get her back? do you want to marry her, or do you want to take back xiangnan's custody? After you marry Lin Xueyi, xiangnan will have a step-mother?"

Chapter 3740: Thinking of the South at night, is he my son?(4)

ye mu bai took a deep puff of his cigarette and raised his eyes. I will not marry Lin Xueyi.

ye mu lin gave a faint smile and then looked at ye mu bai."Are you going to marry Wen Yuan? how are you going to treat her after you marry her? are you going to treat her with respect, or are you going to treat her with respect? do you want to leave it in B city and stay in new York yourself, or do you want to bring it with you?"

He paused for a moment. Mubai, if Wen Yuan is the other Lin Xueyi, then forget it. Let her go. Let yourself go.

He stood up and patted ye mu Bai's shoulder. "I don't want to repeat what happened so many years ago."

ye mu bai clenched his fists. " tell me her address. " Even if it's not for Wen Yuan, xiangnan is my son. I can't possibly not see him in this lifetime, right?"

" you'll have to investigate it yourself. wen yuan didn't tell me. " ye mu lin shook his head. " mubai, calm down and think about your next step! "

...

calm down?

Ye mu Bai could not calm down.

wen yuan's departure and the entanglement yesterday afternoon were like a huge bomb in his heart. he had never felt that any woman was as hateful as her. she ran away after sleeping with him and they even had a son.

ye mu bai narrowed his eyes and stood up.

Ye Mu Lin also got up, but just as he got up, ye mu Bai's fist came down.

with a loud bang, bureau chief ye's body sank into the sofa again. he covered his nose and cursed softly, "son of a b \* tch, i've helped you raise your son for so long!"

ye mu bai glared at him before slamming the door and leaving.

at this time, bai suili also ran out. when she saw her husband's nose bleeding, she immediately took a tissue and covered it for him. "mubai, what happened?"

Ye Mulin looked at his wife's anxious expression and looked at her. "Didn't you like him the most when he was gentle and elegant? now you know, men are all violent."

"you can't even beat him!" she said angrily.

he was stunned for a moment, then he smiled.

it was always reasonable to her.

He didn't care that his nose was bleeding. He reached out and pulled his little wife into his arms, wanting to continue to be intimate. Bai Sulli naturally refused. She bit her lip and said, "you're bleeding."

"It's fine." ye mu lin insisted on continuing.

She pushed his shoulder and looked at him with a sad look. "No, I'm saying, it's dirty!"

Ye Mulin was stunned for a moment. He used a paper towel to wipe the blood off his nose. Then, he pounced on her like a tiger pouncing on a little rabbit and pretended to bite her. "I'll let you know what it means to be dirty."

Bai suili shrieked in response to the situation, but he held her hands and feet, and she struggled free to crawl forward.

she had always known what he liked. she had crawled all the way into the master bedroom, and yingying, who had been caught and teased by him, was already in a mess.

Her little hand gently drew on his chin and she bit her lip. "are you really not going to ask about mubai and wen yuan?"

ye mu lin's expression was a little complicated. after a long time, he finally spat out a few words."It's not convenient."

"ye mulin, your period is here. what's not convenient?" she laughed.

He lowered his head and bit her, not too hard or too light, making her scream.

"i'm here to check if it's inconvenient for you," he said in a deep voice.

As he spoke, he was about to check.

bai suili grabbed his hand and softly begged for mercy, but nothing she said could stop him from crying.

"and you said that my period is here, huh?" he chuckled and nibbled on her chin, enjoying her.
