Chapter 3741: tell me, what are you up to this time (1)

ye mu bai went downstairs from the apartment. he sat in the car and did not leave immediately. instead, he smoked two cigarettes.

sitting in the car, he thought about a lot of things and sorted out his thoughts from the time he met wen yuan again.

she was shocked to see him, and then she deliberately seduced him when he went to the villa. was she planning to seduce him when he lost his memory and sleep with him as his sister-in-law?

why did she not mention the past? did she think that he would fall in love with her if she did it all over again?

Ye mu Bai sneered as he smoked.

he started the car and asked his assistant to book the earliest flight to new York for him.

...

eighteen hours later, ye mu bai was lying on a recliner in a hospital in the central district of new York. he was undergoing hypnosis therapy in an attempt to regain his past memories.

in the darkness, he inserted wen yuan's memory into his own. the past in his deep sleep was pieced together like fragments, appearing in his mind scene by scene.

ye mu bai suddenly opened his eyes, and his forehead and back were covered in cold sweat.

The doctor in front of him smiled. Mr. Ye, it seems that you have remembered all the things in the past. The reason why you forgot before was because you resisted existence. Now that you understand, you remember.

was the existence of resistance wen yuan?

Ye mu Bai closed his eyes. When he opened them again, he had already made his decision.

He got up and put on his shoes. This time, his flight was to city H.

King had already found Wen Yuan's whereabouts. Of course, it had cost ye mu Bai 20 million Yuan. King was like a black market in the industry.

It was almost eleven o'clock on Saturday night when ye mu Bai appeared in front of Wen Yuan.

He had booked a hotel, but he still went straight to her apartment. It was a pretty good apartment, more than a hundred square meters.

Her family background was not bad. Even if she moved out after the divorce, ye Mu Lin would not mistreat her, and she would not let herself suffer. Ye mu Bai thought this after he saw the furniture and decorations.

Wen Yuan must have fallen asleep. He was wearing his pajamas when he opened the door. He looked at him for a long time before he whispered, " "why are you here?"

"who else would make you open the door dressed like this?" ye mu bai squeezed in and stared at her with a burning gaze.

she was only wearing a nightgown. although it was made of cotton, it was not very thick.

In ye mu Bai's eyes, she was the type that would attract bees and butterflies.

His gaze was unfriendly as he walked past her.

wen yuan looked at him. after a long time, he pulled on his clothes and muttered, " "What's the matter?"

She remembered that they should have made it clear that it was just an accident that day.

she closed the door and turned around to see him walk to the sofa and sit down, so she went over to sit down as well. she lowered her voice to avoid waking xiang nan up. ye mu Bai, I've already taken my medicine. Don't worry, I won't cause you any trouble.

he stared at her for a long time before he said softly, "wen yuan, i've recalled the past."

her face was pale.

as for him, he looked at her face in admiration, then said in an even slower tone, "Ye xiangnan is my son, isn't he?"

"no." Wen Yuan answered very quickly. She closed her eyes and bit her lip."He's not."

"The name" Nan Zhi Yan "explains everything." ye mu bai stretched out his hand and pulled her closer. she fell into his arms in her pajamas.

He was in a hurry and had been running back and forth. He had not shaved and had not taken a bath for two days, but he was full of manliness. She fell into his arms, smelling his scent and his body that was as hard as iron. All of this made her panic and afraid.

Chapter 3742: tell me, what are you up to this time 2

ye mu bai's eyes were locked on her, and his voice became softer. "if you say that you're not, we can do a dna test."

Wen Yuan felt weak all over. She looked at the man in front of her, closed her eyes, and muttered, "ye mu bai, what do you want?"

"Why don't you ask me what I want?" His fingers caressed her face gently, slowly and slowly. "wen yuan, i actually wanted to ask you what you want. you deliberately tried to get close to me, but you gave birth to my child and got nothing. don't you feel that you've suffered a loss?"

As he spoke, his finger moved to her lips, hinting at something.

It had always been like this in the past. He liked her body and liked to make love with her. He enjoyed it very much, but he had never been able to truly like her. He had always loved Lin sisi and not Wen Yuan.

If he liked her even a little, he would not have hurt her like this.

...

wen yuan slowly opened his eyes and looked into his eyes.”What do you want? Do you want to go south?”

“let’s get married.” ye mu bai’s words were short, but his tone did not allow for rejection.”Since you have a son, let’s get married. I’ll take you and xiangnan to United States. It’ll be better for xiangnan.”

“He’s just as good in city H.” wen yuan spoke very quickly. then, she struggled away and took a step back from him. however, when he reached out, she was in his arms again.

Ye mu Bai frowned and stared at Wen Yuan. “You want Xiang Nan to become a single parent child?”

“i will remarry.” Wen Yuan lowered his eyes and said in a low voice, ” I won’t stay single forever, ye mu Bai. We’ve already missed each other in our lives. I didn’t expect that we’re already two people who have nothing to do with each other.

“Is that so?” He sneered and lifted her chin. then why did you seduce me to sleep with you that day? wen yuan, don’t tell me you didn’t mean it that way. you’re a woman, don’t you know what it means to a man to be dressed like that?”

he pinched her chin with his fingers. ” “and we’ve slept together many times. i think you know what i like, don’t you?”

” it’s not hanhan, it’s not hanhan. ” wen yuan shook his head desperately. however, her face was in his hand and she could not break free.

the ye mu bai tonight was truly frightening.

He stared into her eyes and said, "no?" do you dare to say that you don't feel anything sitting on my lap?"

his large palm held her, only separated by a thin layer of fabric, which made her feel ashamed and angry.

she couldn't stand the way he treated her. she lay there and cried softly, "Ye mu Bai, let go of me! Let go of me! You bastard, Yingluo!"

he retracted his hand but continued to stare at her. "i'm a bastard if i don't satisfy you, aren't i?" In the past, you took the initiative and came to my place again and again. Didn't you want me to satisfy you and sleep with me? why are you so reserved now that you've been married once?"

He was very domineering. He directly put her down on the sofa and looked down at her eyes. look at you. You're clearly the same as before.

"Don't say anymore." Wen Yuan bit his lip and turned his face to the side with a Red Nose. "ye mu bai, it's not what you think. let's end this. "

"if you didn't want to sleep with me that day, i would really think that you've turned over a new leaf. but it's obvious that you haven't. you even wanted to use me to satisfy you before you ran away." He bit her lips lightly. why? you didn't have a man all these years, and no one else could satisfy you?"

Chapter 3743: Tell me, what are you up to this time? 1800 words

in fact, he had to admit that he was a little uncomfortable.

This woman had given birth to his child, but she had been married to his big brother for a few years.

wen yuan could not bear to hear him say that. tears welled up in her eyes. "ye mu bai, you bastard. i don't want you to stay here if you leave. "

“you don’t want me?” His eyes were cold. don’t want me anymore. You used to chase me every day and climbed into my bed when I was drunk. Wen Yuan, have you forgotten that you used my brother to get close to me? have you forgotten how you seduced me with the identity of my sister-in-law? ”

His fingers treated her mercilessly, and his voice was also extremely hoarse.”Look at yourself. Do you want to see your current appearance? you said you don’t want me, but wen yuan, your body doesn’t express it this way.”

Being treated so badly by him, she was almost at a loss for words. ” ye mu bai, let me go. yingluo, i don’t want to do this. ”

...

he treated her ruthlessly without any expression on his face. suddenly, he laughed.”Wen Yuan, between us, you’ve Never Let Me Go.”

she was stunned.

He let go of her and sat on the other side, lighting a cigarette and taking a puff.

wen yuan sat up in embarrassment and adjusted his clothes. she wanted to escape but he said slowly, ” “if you dare to leave, i’ll make a move on you in front of ye xiangnan. you won’t be able to escape for the rest of your life.”

Her face was pale.

“Are you afraid?” Ye mu Bai pinched the cigarette between his fingers and rubbed his forehead with his thumb. Wen Yuan, why didn’t you think that this day would come when you seduced a man? did you think that you could escape without anyone knowing after sleeping with me? ”

She sat there in a daze and muttered, ” “how did you know?”

He stared into her eyes and smiled very indifferently. the paparazzi captured a lot of interesting scenes in the past. My big brother spent a lot of money to buy them.

wen yuan did not say anything else. she just sat there in a daze.

ye mu bai smoked.

after a long time, he looked up at her. ” come to new York with me. i want to have a normal family.
”

Wen Yuan looked at him and was in a daze again.

“do you still want me to say i love you?” ye mu bai frowned. ” wen yuan, don’t be too greedy. ”

“Is it greedy to ask your husband to love you?” Wen Yuan blinked his eyes.

She put her hands on her knees like a primary school student. In fact, she was always at a loss and in a disadvantageous position in front of him.

She looked at the man in front of her in a daze and smiled bitterly. ” ye mu bai, i’ve given up. i’m serious. you must not have heard about when i started to pursue you. it started from the first movie you acted in. i’ve watched every single one of your posters and every one of your movies many times. it’s not an exaggeration to say that i’m a fanatical fan. ”

she paused and licked her lips. ” however, i’m also the eldest daughter of the wen family and i can’t be like those little fans who chase after you all day. we’re of equal social standing and i can’t be like bai xuli who chases after you all day. my upbringing doesn’t allow me to do that. i used to be very envious of bai xuli and i thought that you would end up with her. however, you didn’t. you fell in love with lin sisi, just when i was about to confess to you. ”

Wen Yuan looked a little dazed. at that time, I thought that since we were not young anymore and you did not have a girlfriend, perhaps you would be willing to settle down. I knew that I was very suitable to be a wife. I even thought that if there was anything between you and another woman after marriage, I would tolerate it. But now, I feel that this feeling is that of a fan to an idol, not the feeling that a wife should have to her husband. ye mu bai, after going through so many things, i finally told myself that i don’t want the passion you gave me. i want to start my own life again, even if you threaten me with xiangnan!”

“Wen Yuan, I won’t have any messy women after I get married,” he said with a frown.

He wasn’t that bad. He wouldn’t mess around after getting married.

“tell me, you love me.” wen yuan looked up at him.

even if it was a lie, she was willing to believe it.

however, ye mu bai did not say that he was unwilling and disdainful to lie to a woman. he was indeed not in love with her.

He had never tried to understand her, and all his love had indeed fallen on that girl called Lin sisi. Even now, he still had feelings for her.

lin xueyi, who he had chosen before, looked a little like lin sisi, but he had no feelings for her, and he had no desire for her.

wen yuan’s child gave him hope. hence, he did not have to consider it. he was willing to marry wen yuan.

However, other than that, there was nothing else. He was a practical man. He didn’t know if he would love him in the future, but if they were to get married, he would probably use her body a lot more frequently. The few times that afternoon made him understand why they couldn’t break up in the past and always ended up in bed again after breaking up.

their bodies were too compatible.

she was the kind of lady who looked gentle on the surface and was suitable for a family. however, when it came to bed, men could not control themselves. wen yuan had an alluring body. even though he was particularly angry with her now, he still wanted her.

“i can give you anything other than love,” ye mu bai narrowed his eyes.

“But I don’t want anything else other than this.” Wen Yuan said almost stubbornly.

ye mu bai stared at her. ” wen yuan, are you done being childish? everything that happened between us, including xiangnan’s birth, was initiated by you. now, you don’t want to be responsible for his life, do you? ”

Wen Yuan scratched his head. xiangnan’s character is strong. There’s no problem. He’s very smart. He won’t ask me to accept a marriage that I don’t want. You can rest assured.

“i’m at ease?” he laughed coldly. ” i had a son without my knowledge. wen yuan, you’re retreating in order to advance. what are you trying to do? ”

She turned her face to the side in embarrassment and closed her eyes. ” i didn’t. if you don’t believe me, we can sign an agreement. i won’t threaten you with anything. you can marry lin xueyi. ”

he stared at her. ” wen yuan, say that again! ” [1800 i’ll update it tomorrow.

Chapter 3744: tell me, what tricks are you playing this time?

after she finished speaking, he stared at her and asked in a cold voice, ” “i’ll ask you one more time. either we get married, or i’ll take ye xiangnan away. he will have a better future if he follows me. ”

Wen Yuan’s entire body was trembling. you can give him a future. Can you give him love? ” he asked.

he looked into her eyes and suddenly realized a fact.

ye mu bai moved closer to her face and pressed his thin lips against hers. ” wen yuan, do you hate me? ”

she pursed her lips and did not make a sound.

Ye Mubai narrowed his eyes. you hate me because I don’t love you? ”

...

his fingers gently caressed her face. ” ” when we first started, i told you that there’s only sex and no love between us. it’s impossible for us to get married. but wen yuan, tell me, how did we get pregnant? ”

His hand gently touched her neck and slid to her blood vessels, as if he could break her neck with a little force.

wen yuan closed his eyes. ” this is the last time. you did not use any protection. ”

“why didn’t you take your medicine?” He stared at her with a burning gaze, not letting go of any expression she had.

wen yuan smiled bitterly. ” ye mubai, if you don’t want this child, you can leave now. i’ll give up on qianqian, okay? i won’t pester you anymore. i won’t seduce you anymore and i won’t appear in front of you anymore. ”

She laughed and laughed until tears fell. ye mu Bai, really. You can pretend that nothing happened. You can still go back to United States and be a director. I won’t look for you again.

” even if i might get married to lin xueyi? ” He looked into her eyes and said in a heavy tone, ” “Wen Yuan, have you thought it through?”

her face was full of tears, but she still said, ” “yes, i’ve thought it through.”

She was no longer a child. Before she left, she had already thought it through clearly. She wanted to start over. Nan was also a very smart child. He would make himself happy, and they would all make themselves happy.

In the past, without ye mu Bai, they were very good, and it would still be the same in the future.

ye mu bai looked at her for a long time before he suddenly smiled. ” Wen Yuan, don’t change your mind after you’ve thought it through. Don’t you dare show up in front of me again one day and tell me that you’re pregnant with my child again. You motherf * cker, you better find out whether you’re carrying my child now.

“i’m taking my medicine.” her voice was a little flustered, and her eyes were full of tears. she felt a little humiliated.

Perhaps, in Wen Yuan’s life, she had been living a happy life. She was the eldest daughter of the Wen family and later married ye Mulin. No one had ever looked down on her.

She was a distinguished person, but in front of ye mu Bai, she would always be a tiny fan.

Wen Yuan was a mature woman. However, in front of ye mu Bai, she was always like a young girl who was full of emotions.

now, everything was over. she didn’t want to be that young girl anymore because she missed nan. she couldn’t let her miss nan suffer because of her own feelings.

ye mu bai didn’t love her, and she didn’t want xiangnan to see her parents not loving each other. such a family was not good for xiangnan, and he would understand when he grew up.

wen yuan wanted him to leave and give up, but he did not believe her. she closed her eyes and said, “ i have some common cold and anti-inflammatory medicine. if you’re worried, hanhan. ”

she stood up and took out a box of medicine from the small drawer. she poured out four or five pills and stuffed them into her mouth. she took a glass of water and drank half of it, then ate all the medicine.

Ye mu Bai’s expression was very unsightly.

Chapter 3745: tell me, what tricks are you playing this time?

wen yuan’s face was even uglier than his and he was also very pale. she said softly, ” “You can rest assured now. Even if I have a child, I can’t give birth to it.”

After she finished speaking, the cup between her fingers fell on the coffee table, and the water spilled everywhere. However, she seemed to feel nothing and just looked at him like this, smiling very, very faintly.

it seemed to be mocking him, but it also seemed to be mocking herself.

Ye mu Bai just stared at her.

“it’s good that you’ve thought it through,” he finally said after a long time.

He got up and said in a calm voice, “I will pay for the child support. I also request to visit him from time to time. He is my son. There is no reason for you to keep him to yourself.

...

“I’ll get a lawyer to come over tomorrow, if you don’t change your mind,” he said.

Wen Yuan looked down and did not say anything.

Ye mu Bai stared at her for a long time. She thought that he would leave, but he did not. Instead, he took off his coat, threw it aside, and walked straight to the children’s room.

wen yuan came back to his senses and stood in front of her to stop her. her face was dark as she bit her lip.”what do you want to do?”

“I’ll sleep with xiangnan. Otherwise, do you think I should sleep with you, miss Wen?” his voice was also very cold and somewhat mocking.

Wen Yuan bit his lower lip. can you sleep on the sofa? or I can sleep on the sofa in the master bedroom. There are no other rooms here.

she knew very well that if he really fought with her, she had no chance of winning.

the moment she finished speaking, ye mu bai furrowed his brows. he suddenly walked over and grabbed her body before walking toward her bedroom.

Wen Yuan was shocked.

He took her away and closed the door. He took off his shirt and brought her to the soft bed.

her scent was everywhere, and it was a little comfortable.

he fell onto the bed with her. he didn't do anything, even though he had the heart and the strength.

However, ye mu Bai was a man with principles. He only said in a deep voice, "if you still think that marriage is not a good idea after tonight, i'll get a lawyer to come over tomorrow morning."

He had been running back and forth for a few days and was tired, so he decided to go to sleep after he finished speaking.

he didn't even take a shower.

after warming up, she was held in his arms, and her nose was filled with his scent. actually, she knew what he meant. he was telling her that a marriage without love and only sex was not that unbearable.

However, she couldn't get past her own barrier. She didn't want to pursue a man who didn't love her.

wen yuan closed his eyes. she wanted to ignore this feeling but she could not.

She didn't want to cry, but she still cried.

it was not just a man who was hugging her. it was not just nan's father. he was her entire youth.

She closed her eyes, turned around, and reached out to hook her arms around his neck.

Ye mu Bai's eyes were closed, but the corners of his mouth were slightly upturned. He wrapped his arms around her waist and leaned forward to kiss her.

Wen Yuan lowered his head so that he could not kiss her. She buried her face in his arms and quietly felt his warmth.

Ye mu Bai lowered his head and looked at her. He did not force her. He was too tired, so he fell asleep immediately.

Or perhaps, it was because he did not love her. If he could coax her that night, if he could persevere and stay with her, perhaps they would not have been separated like this. Perhaps Wen Yuan would not have given up.

they had shared their love for each other countless times, and they even had a child. however, they were still like strangers when they hugged each other on such a quiet night. she did not feel any warmth in his arms.

He had only kissed her because of Yu Wang.

Chapter 3746: Tell me, what tricks are you playing this time?

Wen Yuan remained silent until dawn.

she didn't even close her eyes, because she was afraid that if she closed them, she would be weak again and sink into it again.

Just like that, at dawn, the morning light shone through the White curtains.

her eyes were a little sore and bitter, and she blinked gently in his arms.

ye mu bai was still hugging her from behind, and she gently struggled to get up. she could not help but turn to look at him while she was putting on her clothes.

he was very good-looking. even though he was in his thirties, he still had a perfect appearance, and his figure was well maintained.

...

Wen Yuan watched silently for a while before he pushed the door open and went out.

she made breakfast and then woke xiang nan up. xiang nan had already signed up for school and had to be there before eight o'clock.

she woke her son up, took care of his food and clothes, and sent him to the kindergarten. she then applied for leave from school and returned to the apartment after she was done with everything. ye mu bai was already up.

he was wearing a pair of jeans, and his upper body was bare, revealing his lean body.

“Are you missing Nan?” he furrowed his brows when he saw her return.

wen yuan closed the door slowly and lowered his eyes. I signed him up for kindergarten. He's already been in school for two days.

She paused for a moment, as if afraid that he would object.”he's very well-behaved, and he's doing especially well in school.”

Ye mu Bai looked at her and frowned. “Do you have any men's shirts here?”

after asking, he also felt that he had asked for nothing. how could she have it here?

Wen Yuan knew that he was disgusted by the smell of his shirt, so he said softly, ” “I'll help you wash it and dry it.”

When she said it, it was natural. She didn't think much about it and went to her room.

he grabbed her hand, still frowning. ” “What is this?”

Wen Yuan stopped in his tracks and lowered his eyes.”or i can help you buy it.”

“no need,” His voice was calm, and he let go of her.

wen yuan went to the bedroom, took his shirt, washed it, and dried it.

Ye mu Bai leaned against the door of the bathroom and looked at her submissively.

Wen Yuan was very good-looking. His eyes and brows were well-suited for a family, especially his side profile. She was very focused on her work, so he kept his eyes on Huahua.

“Wen Yuan, what’s your decision?” he asked after a long while.

she lowered her eyes and her long eyelashes trembled. she turned back to look at him and said in a soft voice, ” “i want to live in city H.”

he crossed his arms in front of him and looked at her quietly. ” you mean, you want to go south alone? ”

“Yes.” “i want to live alone,” she said, pursing her lips.

“Life in United States doesn’t suit me,” she added.

He walked in and wrapped one hand around her waist from behind. His strength was a little overbearing.

he turned her around and pinched her chin with his other hand, his eyes searching for any changes in her expression. ” then why did you go to United States before? ”

she was at a loss for what to do under his control. she licked her lower lip. ” that was then, but now is now. ye mu bai, my feelings back then and now are different. ”

At that time, she still missed him, but ever since that time in the hospital, she felt that it was impossible between them. She didn’t want to be so humble anymore.

“Is that so?” “it’s good that you’ve made your decision,” he said, narrowing his eyes.

after that, he stopped talking to her and let her go to the balcony of the bedroom to smoke.

Chapter 3747: Tell me, what tricks are you playing this time?

wen yuan continued to dry his clothes while she turned around to look at his back.

He was sexy and tall!

She didn’t dare to look any longer and turned her head around in a panic.

To her, his suggestion was like an alluring poison that she could not resist in the past.

Wen Yuan was silent. He tried his best to ignore the influence that his body had on him and did not think about the things that they had done together in the past.

as ye mu bai smoked, he turned around and leaned against the window to look at her.

...

she was dressed in a very formal way, and only he knew how much her body would make men vomit blood if she took off these clothes.

his gaze swept across her. after a long time, she took out a shirt and walked towards him. ” alright, you can change into it. ”

Ye mu Bai held a cigarette in his hand and took the shirt. He looked at her deeply.

wen yuan lowered his eyes out of habit and wanted to leave, but he grabbed her hand.

“i’ll ask you for the last time.” his voice was a little low in the quiet space. ” ” i have a career in new York. i can’t appear in front of you again and again. i have my own life and i won’t change myself for a woman. accepting you and xiangnan is my biggest compromise. if you want me to stay in city H with you, don’t even think about it. ”

Wen Yuan gently let go of his hand. I didn’t think that way.

she raised her eyes and looked at him bravely. ” i also don’t dare to think that you would give up something for me or miss nan. ye mu bai, miss nan was just something that we did accidentally. you don’t have to take it to heart. ” I can sign the agreement if you want, but I don’t want your money.”

“If you don’t want my money, why do you want ye Mulin’s?” his gaze was somewhat threatening.

Wen Yuan bit his lip and lowered his eyes. After a while, he smiled. to me, he’s my family, and you’re really not related at all.

“It’s just a dream that I pursued when I was young,” she said after taking a deep breath.

“Teenage girl?” ye mu bai sneered. ” wen yuan, you were still following me around when you were thirty years old. you begged me to sleep with you. have you forgotten? ”

her face was pale as she turned away.”don’t say anymore, yingluo.”

“Why didn’t you say it? is it because you can’t bear to look back?” He sneered and let go of her. He put on his shirt and dialed a number to get his assistant to call a lawyer.

in less than an hour, the lawyer arrived and the agreement was magically typed out.

wen yuan and ye mu bai sat on two couches in the small study room. ye mu bai took a look at it and confirmed that it was his idea before he passed it to wen yuan.

wen yuan reached out and took it. in fact, the agreement was very simple. it was not as complicated as that of a divorced couple. it mainly focused on the issue of xiangnan’s custody and visitation.

It was written that if she remarried, xiangnan's custody would belong to him, regardless of whether he remarried or not.

when xiangnan was with her, he would pay 20 million yuan in child support every year until ye xiangnan was 18 years old.

Wen Yuan's face was a little pale. She looked at ye mu Bai and said in a soft voice, "I can take good care of him. This request is unreasonable."

"Do you want to file a lawsuit now?" he stared at her. "you're going to make a big fuss and tell everyone that this child isn't my brother's but hanhan, who you slept with."

wen yuan's expression turned even uglier. her lips were trembling and she only managed to spit out a few words after a long time, "Ye mu Bai, you're too shameless."

Chapter 3748: Wen Yuan, I hope you won't regret it (1)

"Shameless?" He grabbed her wrist and raised it high. who was the one who was pregnant with my child and played me like a fool? Wen Yuan, if you hadn't slept with me once in the end, perhaps we wouldn't be like this. However, you're leaving and you still want to sleep with me. Then, you tell me that you have no feelings for me and that I'm just a dream. There's no meaning to it anymore. Don't you think you're being very selfish? "

He didn't even know what he was saying.

He was just angry!

Later on, when ye mu Bai thought of this day and night, he finally understood that the reason he was so angry was because ...

He liked Wen Yuan.

he was angry because she had given up on him.

...

Just when he fell in love with her, she gave up on him.

however, at this moment, he only felt that she was detestable. she had even spoken without thinking in front of the lawyer.

Wen Yuan's face was pale and he looked terrible. She sat there and looked at him with a pale face.

It was as if she did not know him.

in her eyes, there was also an unspeakable hurt.

At this moment, Wen Yuan was extremely fragile.

She didn't even know why he hated her so much.

Everything she did was wrong, and he hated her. In his heart, she was a very, very scheming woman. If that was the case, why did he still marry her? wasn't it better to find someone he liked?

wen yuan hugged himself. she was not a weak person, but at this moment, she was hurt by him.

She hugged herself and lowered her eyes, not looking at him anymore.

"ye mu bai, i agree," she said softly.

after she finished speaking, she was a little dazed.

she knew in her heart that this decision of hers was destined to be a lonely life. other than longing, she would have nothing else. she would not have any feelings or a man.

However, she felt that she was willing to sign this for the sake of her future.

"where should i sign?" Her voice trembled as she tried to control herself.

The lawyer felt very uncomfortable at the side. It was not easy to earn money today. He took the documents over and pointed at the place for Wen Yuan to sign.

wen yuan did not even look at it and quickly signed it with a pen.

she used a lot of force, and the force of the pen seeped into the paper, leaving a heavy mark there.

after she signed it, she looked at it in a daze. then, she looked up at ye mu bai.

“i hope you won’t regret it,” he said to her.

After he finished speaking, he walked out directly. Wen Yuan’s faint voice came from behind, ” “I won’t,”

“is that so?” He stopped in his tracks, turned around, and gave her a mocking smile.

Ye mu Bai and the lawyer had left, leaving Wen Yuan alone in the living room.

The whole world was very quiet.

she was wrong. she had been wrong from the beginning.

She would not regret it because she had to grow up and pay for her mistakes.

even if she was wen yuan.

she had thought that he would return to the United States or B city directly. however, when she went to the kindergarten to pick up xiangnan in the afternoon, the teacher said that xiangnan had been picked up by her father. wen yuan’s mind was in a mess.

When she took out her phone and dialed his number, she felt weak all over. The call went through, and ye mu Bai’s voice was very cold.”i’m picking up xiang nan for dinner. i’ll send him back around eight.”

” don’t worry, miss wen, ” he added. ” i’m very faithful to the contract. ”

Wen Yuan held the phone in his hand and felt that his voice seemed to be coming from a very far place. His voice was extremely hoarse when he spoke. thank you.

Chapter 3749: Wen Yuan, I hope you won’t regret it (2)

“no need to thank me. i was just thinking about nan’s father.” “Even if I want to give him a complete family,” ye mu Bai said coldly.

the phone slipped out of wen yuan’s hand. by the time she regained her senses and picked it up, her face was already covered in tears.

she didn’t know what was wrong with her, but she felt very, very uncomfortable.

If there was one thing that she regretted the most in her life, it would be seducing him that afternoon. She shouldn’t have slept with him for the last time just to say goodbye. She didn’t understand why he would have such a big reaction to make love now. Was it because he missed Nan’s existence?

She did not understand.

she didn’t want to figure it out. to figure out a person meant that she wouldn’t give up.

...

and she really wanted to give up on him.

on the other side, ye mu bai hung up the phone. he held the steering wheel with both hands and focused on driving.

Ye xiangnan sat in the back seat and looked at him with a cautious and guarded expression.

Ye mu Bai thought to himself, 'this child didn't look at me like this in the past. Nan used to like me a lot and always called me uncle.'

and now, was she unhappy because she called him 'daddy'?

ye mu bai parked the car in front of a children's restaurant and brought him to eat his favorite fried chicken. although it was not nutritious, eating it once in a while would make the child happy.

After ordering, a pile of delicious food was placed in front of ye xiangnan, but he just couldn't seem to be interested. He sipped on his drink and looked at ye mu Bai. "uncle, when are you going to send me home?"

ye mu bai's heart ached. he reached out and patted the little fellow's head. "miss nan, didn't i tell you that i'm your daddy, not your uncle?"

he didn't expect him to understand, but xiang nan nodded. "i know,"

"Did mom tell you that?" ye mu Bai frowned.

"At home, I used to call my dad uncle, so uncle is my dad." the little fellow was only three years old, but he had already explained such a complicated relationship so clearly. ye mu bai was stunned for a moment.

then, she thought that this child was quite smart. just like bai anan, she had inherited the intelligence of the ye family.

He felt a little complicated. After all, it was his own child. It would be a lie to say that he did not like it. Moreover, xiangnan was so cute that he was a little reluctant to part with her. However, it would be too cruel for him and Wen Yuan to go to court and snatch xiangnan away. He wanted to marry Wen Yuan because he wanted to miss xiangnan, but that woman did not agree.

Therefore, he and Wen Yuan had nothing to do with each other except for their shared son.

no matter how attractive her body was, he had no need to sleep with such a stupid woman. yes, stupid.

ye mu bai ruffled his son's hair again and said in a gentle voice, "when you're done, i'll take you to buy some gifts and then send you to mom's place."

his voice was a little hoarse, and he leaned his head against xiang nan's forehead, you'll still live with mommy in the future, but if you miss daddy, you can give him a call and he'll appear, okay? "

he wanted nan zhi to stare at him.

Ye mu Bai's heart felt even sadder. He smiled lightly."in the future, you have to call me daddy."

before, he was just angry, but now, facing xiang nan, he hated that cruel woman even more. for the sake of her so-called dream and self-esteem, she let xiang nan grow up in a single-parent family.

wen yuan was the most unreasonable woman he had ever met! he really wanted to strangle her to death!

Chapter 3750: wen yuan, i hope you won't regret it

Xiang Nan looked at him for a long time before saying "okay" dejectedly. Then she leaned on him again, looking very pitiful, as if she didn't even enjoy her meal.

ye mu bai stretched out his hand and touched his little head. his heart ached a little.

perhaps, at this moment, he was xuanji, who hated wen yuan the most.

xiang nan did not enjoy the food, so she looked at ye mu bai after a while."daddy, do you want to eat?"

"I'm not hungry." Ye mu Bai's voice was calm. He let out an 'Oh' and looked even more dejected.

After a while, he passed a chicken leg over to ye mu Bai without saying a word.

...

ye mu bai looked at him, then silently took it and took a bite.

Ye xiangnan chuckled.

at that moment, ye mu bai felt an indescribable feeling of love and guilt toward xiang nan.

After that, he took Xiang Nan to the amusement park to play for two hours, and then went to buy gifts. From toys to clothes and shoes, they piled up a whole trunk.

halfway through, wen yuan called. ye mu bai raised his hand to look at the time. it was already past eight o'clock.

he picked up the phone. " i'll send him back later. "

she didn't say anything, so he couldn't help but mock her again, " "Don't worry, I'm not a person who goes back on his word."

He thought that she would not speak, but Wen Yuan still said, " " ye mu bai, there's no reason for you to hate me. "

" then do you have a reason to hate me? from the beginning to the end, we were just a man and a woman in love. " His voice was low and cold. He only spoke to her like this because he wanted Nan to fall asleep.

Wen Yuan was embarrassed and hung up the phone.

ye mu bai pursed his lips and hung up the phone.

As he drove back, he would look at the rearview mirror from time to time.

xiang nan was sleeping soundly. after all, she was a three-year-old child and was tired after playing for a whole day.

The car arrived at her apartment building. Wen Yuan was waiting for him downstairs. He drove over and parked the car. He opened the back door and carried xiangnan to her. He took xiangnan's gift and followed her upstairs.

wen yuan was a little uneasy. when they arrived at the apartment, she put xiang nan down and said softly, " "You're leaving tomorrow?"

he said yes and appeared indifferent. wen yuan could not say anything and could only say, " "i'll send you."

he stood there without moving. the moment she left, she leaned into his chest as if she was throwing herself into his arms.

Ye mu Bai stared at her. miss Wen, what are you up to this time? "

when she fell into his arms, she was a little dizzy, so she couldn't get up in time, and he thought she seduced him.

She slowly stood up straight. She didn't explain herself because there was no need to. In his heart, he had already determined that she had seduced him.

ye mu bai stared at her for a long time before he said in a hoarse voice, " " i'm leaving. i have a film to shoot. it might be four months later when i'm done. i'll call xiangnan. "

she nodded her head and did not say anything.

Ye mu Bai still wanted to say something, but he felt that there was no need to. At this time, he also noticed that she was wearing very Conservative Home clothes and was wrapped up very tightly. He could not help but sneer.

in the future, he would never sleep with her again, even if she was completely naked.

He left without any attachment to her. He only went to Nan's room, kissed the little guy, and covered him with the quilt.

ye mu bai had never been a father, but he was not young anymore. he knew how to take care of a child. perhaps he would reject a scheming woman, but he would not reject a gentle child like xiangnan. this was his blood, and he did not need a DNA test to confirm it.

Wen Yuan stood at the door and looked at him quietly.

When he looked up, their eyes met. After a long time, he said softly, " " wen yuan, you think you're great, but you're actually very selfish and cruel to xiangnan. "

after he finished speaking, he walked past her.

wen yuan was standing in the aisle, his whole body cold.

Ye mu Bai left in the end. On such a lonely night, he looked at Wen Yuan as he stood in front of the French window and stared into the distance. The plane had taken off. Had he left?

later, she heard that he had broken up with lin xunyi. later, he had a scandal with a chinese star in the United States. the girl was a newcomer and his female lead.

The photo of the girl sitting on his lap at the celebration party after his film was completed was published on the front page of all major magazines. The young female star with a promising future had publicly said that ye mu Bai was her imagination of all men.

Wen Yuan was somewhere far away and she would occasionally see his messages. She just looked at them quietly. In their world, they had no interaction other than thinking about the South.

He would call once or twice a week and chat with Xiang Nan for about half an hour.

Thinking about it, she wouldn't have been there to listen if Nan Du had said it in the room.

ye mu bai did not return until the spring festival. wen yuan heard from bai xuli that ye mu bai was coming back and might even bring his girlfriend back.

Was it that female star, Lin Danni?

wen yuan stood by the window, quietly looking at the fine snow outside.

after a long time, she laughed softly, somewhat mockingly.

her cell phone rang and she walked over to pick it up. it was xiang nan's teacher, who was calling her anxiously. miss Wen, ye xiangnan isn't feeling well. He's been sent to the hospital. Hurry over now. It's the Hematology Department of xxx hospital.

Wen Yuan's hand that was holding the phone loosened and the phone slipped. She was stunned for two seconds before she grabbed her car keys and ran out. She was still wearing a pair of slippers.
