

## Thank you 3751

Chapter 3751: Wen Yuan, I hope you won't regret it

when wen yuan arrived at the hospital, everything was a blur. he could only hear the doctor's voice, " "The child needs further examination. We can't rule out the possibility that he might have a rare chronic disease."

Wen Yuan's legs were a little weak. After a while, she looked up and said, " "is there any good treatment plan?"

the doctor shook his head gently. " at present, other than matching the bone marrow, the only other option is to use the umbilical cord blood from newborns of the same parents. we suggest the second option. after all, the rejection rate is small and the recurrence rate is low. besides, the child will suffer less. besides, it's not easy to find a match for the first option. perhaps you can't find a suitable one in the family or in the world's marrow bank. in that case, we have to use the second option. qianqian, think about it. although it's a chronic disease, the sooner you get it treated, the better. "

After the doctor finished speaking, he signed on a piece of paper that the nurse had given him and left.

wen yuan stood there alone for a long time.

she was a little helpless. at this moment, she was in despair.

...

Thinking about Nan was her everything, she couldn't not think about Nan Zhizhi.

Ye mu Bai had once said that she was selfish and that she did not care about Nan's feelings for her own sake. It seemed that she was a selfish person who only cared about her own feelings.

If she had agreed to ye mu Bai's suggestion, Nan would not be lying alone in the hospital today.

Wen Yuan walked to the door of the sterile room. He wanted Nan to be isolated for three days and be treated with ultraviolet rays. His small body lay there quietly, his face a little pale.

how did her xiang nan get such an illness? he had always been healthy and lively.

the doctor's words echoed in her mind. " he had pneumonia a while ago, which was actually a manifestation of this illness. it was just that we overlooked it at that time and didn't detect it. "

wen yuan's face was pressed against the cold glass. he closed his eyes gently and felt very guilty.

it was her. because of ye mu bai's appearance, she had neglected xiang nan. if she had paid more attention to him, xiang nan would not have discovered her so late.

She felt guilty and her heart felt like it was being cut.

Her tears stained the cold glass. Only she could understand the feeling of her heart being cut.

Xiang Nan needed to be isolated for three days, so she only went in for a short time the next morning.

Xiang Nan woke up and looked at her weakly. She called her mother. did I get a serious illness? mother, will I die? "

"no, i won't." wen yuan clenched his fist and kissed him.

xiang nan's eyes were not as bright as before, but he tried to raise his hand to comfort his mother. "mom, i'm not afraid of pain when i miss the south. i want to live and accompany you."

that small head was pressed against the side of her neck. wen yuan's heart was filled with sadness.

as a mother, xiangnan's mother, she could not care less about her self-esteem and everything else. she lowered her head and kissed xiangnan. "Be good, it'll be fine."

She wanted to go south, but in such a short time, she fell asleep.

Wen Yuan reached out and touched his face gently. His voice was low as he said, “miss Nan, I will not let anything happen to you.

The nurse reminded her that it was time for her to go out. Wen Yuan walked out and stood outside quietly for a long time.

after that, she called ye mu bai’s phone from the corridor. it rang a few times before it was picked up. it was a girl’s voice. “director ye is taking a shower.”

director ye?

The one who called her that should be his artiste.

the voice was very young, and it was very likely to be lin dann.

Wen Yuan was embarrassed. He said softly, ” can you ask him to give me a call when he’s better? my name is Wen Yuan.

the girl was a little polite. she said she would pass on the message and hung up the phone quickly.

Wen Yuan kept waiting for ye mu Bai’s call.

He didn’t call, and she continued to wait by the window in the corridor.

Always waiting for Yingluo

He was taking a shower and there was a woman beside him. Wen Yuan knew very well what was going on.

She closed her eyes tightly, feeling confused about having another child with such a man. She also felt a little disgusted.

But she had no other choice.

As she stood there, her eyes started to water.

he waited for a long time, perhaps an hour or two, until wen yuan's heart was almost numb.

Chapter 3752: Let's get married (1)

just as her heart was numb, ye mu bai called her. his voice was cold."is there something?"

Wen Yuan held the phone and moved his lips, but he could not make a sound for a long time.

her feelings seemed to have become numb. after a long time, she finally found her voice, which was extremely hoarse."Ye mu Bai, I'm sick."

On the other end of the phone, ye Mubai's breathing seemed to have stopped. He held the phone tightly and only spoke after a while, " "how's xiangnan?"

"it's not good," wen yuan sniffed and said in a low voice, " "can you go back to city h for a while? i know yueyue has disturbed you."

Ye mu Bai remained silent for a few seconds. To Wen Yuan, this was like a night of torture.

...

"Xiang Nan is also my son," he finally said after a long time.

he paused for a few seconds. "i'll be in city h tomorrow morning."

the phone slipped from wen yuan's hand. he was at a loss. she covered her face and almost burst into tears.

Ye mu Bai flew to city H at four o'clock in the morning. When he appeared at the hospital, Wen Yuan was not asleep. He was sitting on the long bench in the corridor. She had not slept for almost 36 hours. Her face was a little Haggard and she was frighteningly pale.

He slowly walked in front of her. The lights on the roof of the aisle elongated his figure and blocked half of Wen Yuan's face.

wen yuan raised his eyes and looked straight at him.

Ye mu Bai slowly sat down beside her and lit a cigarette. He only asked about Xiang Nan's condition now."what's wrong with xiang nan?"

He knew that it was a serious illness. Otherwise, with Wen Yuan's awkward character, he would not have taken the initiative to ask him to come back.

Wen Yuan placed his hands on his knees and lowered his eyes. After a long time, he said in a low and hoarse voice, " " it's a blood disease. maybe a bone marrow transplant or having another child. "

when ye mu bai heard this, he did not say anything. he merely leaned his tall body against the back of the chair and blew out a ring of smoke.

in the gray smoke, she couldn't see his expression clearly, nor did she know what he was thinking. she didn't dare to ask.

after finishing the cigarette, he went to the door of the sterile room and quietly looked at xiang nan.

It was until dawn.

the doctor came over in the morning. he had a private conversation with the doctor while wen yuan waited at the door of the office.

in the short span of one day and two nights, the brilliance on her face seemed to have disappeared.

When ye mu Bai came out, his face was a little solemn. His gaze was a little deep as he looked at Wen Yuan.

wen yuan pursed his lips and asked in a soft voice, " what did the doctor say? "

ye mu bai ignored her and took a few steps forward before he stopped.

He turned around and stared into her eyes. Then, he said very softly, ” “let’s get married and have a child.”

her lips trembled, and her chest heaved up and down as she stared at him in a daze.

She did not understand what he meant.

After a long time, she came back to her senses. actually, we only need to have a child. We don’t have to get married. You have your own private life, Huanhuan.

Ye mu Bai stared at her with a cold gaze.

when wen yuan looked up, he saw the expression in his eyes. he shrank back and knew that he was mocking her.

Wen Yuan, ” he said, ” don’t you think you’re too cruel to xiangnan? ”

He took a step forward and stood less than half a meter away from her. He said hoarsely, ” “He’s sick. He needs a normal family and a father.”

Chapter 3753: let’s get married in 1200 words

She looked into his eyes helplessly.

his expression was a little impatient as he said, ’don’t talk to me about love or not, understand? you’re now playing the role of ye xiangnan’s mother, not just wen yuan!”

As he spoke, he held her chin and lifted her face. His expression came close to her. ” if you don’t agree, we don’t have to give birth to the child. i’ll take him to the United States. ”

After he finished speaking, he suddenly let go of her face. Wen Yuan could not help but take two steps back.

he strode away, probably to see xiang nan.

Wen Yuan stood there alone. He felt that his surroundings were quiet and everything had nothing to do with her.

...

Ye mu Bai's words were the only thing in her mind. She missed Nan's mother and not just Wen Yuan.

after an unknown period of time, wen yuan arrived at xiang nan's ward and saw ye mu bai entering the ward after changing into sterile clothes. he was squatting in front of xiang nan's bed, and his side profile looked especially gentle.

He spoke to Xiang Nan. Xiang Nan's face was fragile, but there was also a touch of peace.

Her small face gently leaned against her father's shoulder, looking shy.

at this moment, wen yuan thought to himself, 'xiang nan needs his father, especially at a time like this. ye mu bai is right.'

wen yuan stood outside and watched quietly. he thought that nan had seen her and gave her a small smile.

This smile supported ye mu Bai and Wen Yuan's marriage in the future. No matter how cold he was to her later on, she did not ask for a divorce.

When ye mu Bai came out, Xiang Nan had fallen asleep again. He gently closed the door and took off his mask.

Wen Yuan was standing in front of him, one head shorter than him. They were a little close and she had her head lowered, so he could not see her face clearly. He only heard her say softly, "ye mu bai, let's get married!"

He stared at her and did not say anything. He only used his relationship with ye Mulin, mobilized the best medical team, and gave xiangnan the best care. Only then did Wen Yuan realize that there were many benefits to marrying him.

Ye mu Bai brought her back to her apartment. He took a shower and smoked a cigarette quietly after he came out. Then, he looked at her. "Bring your household register."

"ah?" she was a little absent-minded and her expression was dazed.

"i'm going to get married," he said, pursing his thin lips.

Wen Yuan's heart was beating rapidly. After a while, she returned to her room and began to look through her household register.

Usually, she was a person who liked to be neat and tidy, but at this time, she had completely forgotten where her household registration book was. She only found it after searching for a long time.

when she went out, ye mu bai was still smoking as he looked at her.

"I'm done." Wen Yuan stood there and lowered his eyes.

He stood up. change into your shoes.

she went to change her shoes in a panic, almost following his every command.

When he got into his car downstairs, he snuffed out the cigarette and started the car.

it was the head of the civil affairs bureau who had helped them with the procedures. the clinic was closed for an hour. in other words, it was a secret marriage. wen yuan had no objections. at this time, as long as xiangnan could be saved and a child was given to her, anything was fine.

after mechanically reading the oath, taking a photo and stamping it, they became legally married.

there was no wedding, no wedding ring, no kissing. it was just a process, but the result was that she became his wife.

This used to be Wen Yuan's dream, but now, she only felt a little sad.

She even regretted that if she had not insisted on chasing him, Nan would not have been born with such an illness. But now, she had no way out. She had to be responsible for her child.

No matter how embarrassing the marriage was, she had to hang in there.

the marriage certificate in her hand felt heavy. she looked up.

Coincidentally, ye mu Bai was also looking at her. He did not say anything and merely placed the certificate in her hands. keep it well.

She then turned around and walked in front. Wen Yuan followed silently.

The leader wiped his sweat. This was the first time he didn't know how to give his blessings to a couple. He had just completed the marriage procedures, not divorce, right?

In his opinion, it was more like a scene of a Zombie's death.

It's so difficult to handle this pair of prominent sisters-in-law.

Chapter 3754: Let's get married (3)

Ye mu Bai brought Wen Yuan downstairs. When they got into the car, he said calmly, "Are you going to United States, or are you going back to B city, or are you staying here?"

wen yuan lowered his eyes and only spoke after a long while, ” “I want to stay here.”

she didn't want to go to the United States. she couldn't get used to the south either. besides, if she married him, how was she going to return to B city?

She thought to herself that if she stayed in city H, she would have fewer chances to meet him. Perhaps after they had the child, he would ask for a divorce because he no longer had feelings for her.

while she was thinking this, ye mu bai held the steering wheel and said, ” “i won't get a divorce.”

He turned his head and looked at her quietly. “No matter what the quality of the marriage is.”

...

Wen Yuan's breathing became a little chaotic again. why? ”

He stared at her for a long time, but he didn't answer her. Instead, he started the car.

he took her home and told her that he had bought an apartment here and was moving in today. he wanted to live with his family there after nan was discharged from the hospital.

wen yuan was a little shocked. ” why do you want to move? isn't this place good? ”

“this place is too small,” he said softly as he looked at the place.

A hundred square meters was not enough for him.

wen yuan was still a little stunned. he said bluntly, ” “Other than the days we share the same bed, we don't have to sleep together at any other time.”

these words were like a slap to her face. wen yuan said indifferently, ” “i know.”

He sat on the sofa and glanced at her. "Everything's ready. You just need to pack your and xiangnan's clothes."

wen yuan looked down and went back to his room. he packed his and xiangnan's things. ye mu bai carried two large suitcases and left.

The apartment that he had bought was very close to this place. It was only a five-minute drive. The location was better and the environment in the community was also very good. Wen Yuan had to admit that it would be more suitable for xiangnan to be discharged from the hospital and recuperate here. She no longer objected to it and regarded it as his love for xiangnan.

the house was a six-story bungalow. he bought the top floor, which was more than 300 square meters, with three suites and a large living room. there was also a game room. the decoration was very sophisticated, and soft wool blankets were laid everywhere, which was suitable for children.

Wen Yuan moved his things into a suite. She thought it was a guest room, but it was actually the master bedroom.

When ye mu Bai saw this, he did not say anything, but his gaze was a little deep.

After Wen Yuan had finished tidying up, he sat quietly in Xiang Nan's room for a while. The room was decorated in a Mediterranean style, which was mainly blue in color. All boys would like it. She stroked the bed sheet gently and was a little lost in thought.

Ye mu Bai stood at the door of the bedroom and looked at her quietly. take a break. We'll go visit Xiang Nan in the afternoon and come back at night.

"i don't need to rest." She looked up and her eyes widened."I want to go to the hospital now."

he looked at her for a while before saying slowly, " "If you want to give birth to healthy children, you'd better listen to me."

She bit her lip, nodded, and went back to her bedroom to lie down.

Wen Yuan was lying on the bed. She did not know what he was doing. Was he resting or what?

The door to her room was not closed, so she could hear him talking on the phone. He was probably talking to Lin Danni.

wen yuan silently pulled up the blanket. he did not want to listen and did not want to hear what he said.

Ye mu Bai hung up the phone after talking for about four to five minutes. Then, Wen Yuan heard the sound of the door closing. She sat up slowly and walked around the apartment for a while. However, he did not return.

wen yuan's heart skipped a beat. he changed his clothes and took a taxi to the hospital for a walk.

#### Chapter 3755: Let's get married (4)

She went to the hospital and went up to that floor.

She stood on the other side of the corridor and saw ye mu Bai standing at the door of the ward, quietly looking at Xiang Nan.

at that moment, wen yuan felt very sad. her eyes were filled with tears as she looked straight at him.

Ye mu Bai turned his face to the side and saw Wen Yuan.

As he gazed at her quietly, his eyes grew warmer and not as cold as before.

wen yuan walked over gently and stood side by side with him. his voice was hoarse as he said, " the day after tomorrow, he will be transferred to the general ward. If everything goes well, he can be discharged from the hospital in ten days and recuperate at home, but he has to come for a weekly examination.

...

“we’d better have a child within a year.” he turned to look at her.

Wen Yuan’s face was a little pale. He stared at her and did not say anything else.

in the afternoon, xiangnan woke up for a short while. wen yuan went in to take a look and chatted with her for a while. she reached out to touch her son’s hair, her expression gentle.

When she came out, it was already night. There were two special nurses taking care of her in the ward, and they had gone home.

both of them were very tired. after ordering a meal, he went to the study room. wen yuan was so tired that he took a shower and lay on the bed.

when it was past midnight, she was awoken by a kiss. she opened her eyes and looked at his handsome face under the dim light. at this time, she was pressed under him.

wen yuan sobered up immediately. he pursed his lips and looked at him.”Ye mu Bai?”

he pecked her neck lightly and said in a hoarse voice, ” is this your pregnancy period? ”

wen yuan stared at the ceiling with his eyes wide open. he nodded and then shook his head.

however, he knew that it was her vulnerable pregnancy, so he lowered his head and bit her lips, kissing her all the way.

they had done it many times before and wen yuan liked it when he carried her.

But this time was different. She recalled that when she called him, he was in the shower, and it was Lin Danni who picked up the phone. She imagined herself as a wild horse that had just broken free and could not help but stammer uncontrollably.

wen yuan's eyes narrowed and he pushed ye mu bai away. she curled up and sat on the bed with her hands around her body.

“Wen Yuan!” Ye mu Bai narrowed his eyes.

His expression was slightly twisted because of Yu Wang. He reached out and pulled her into his arms. Wen Yuan instinctively struggled in his arms. “i don't want to.”

“Why not?” he lowered his head and stared at her face unhappily.”wen yuan, don't be so emotional. don't you want a child? Think about it, Nan is still lying in the hospital.”

In his arms, she raised her head and looked at him silently. Then a tear fell from the corner of her eye.

He pressed her down again and wanted her.

Wen Yuan did not struggle anymore. Her fingers clenched the bedsheets tightly and she endured him under the dim light.

It was a little humiliating.

she didn't feel much either, just mechanically enduring it like a puppet.

ye mu bai did not seem to be in the mood either. he only wanted to get her pregnant.

After it ended, the air was suffocating. It was more uncomfortable to do it than not doing it.

Wen Yuan was lying on the bed with tears at the corner of his eyes. Ye mu Bai immediately lifted the blanket and got out of bed. He took a quick shower and walked out of the bedroom.

There was no hug after the deed, no warmth, only duty.

Wen Yuan sat there in a daze for a long time before he moved his body to the bathroom. He washed himself and lay on the bed again. She could not fall asleep for half a night.

She opened her eyes and looked at the night sky outside, just like their marriage ...

It was so cold!

Chapter 3756: let's get married (5)

wen yuan lay there quietly for a long time until his eyes were sore and dry.

she didn't know how many times yingluo and the others had to do it before she could get pregnant. she even regretted taking a shower just now.

Just like that, she felt conflicted and was afraid of the future.

In the suite, ye mu Bai was lying flat. The lights were not switched off, and he covered his eyes with one hand.

what happened earlier replayed in his mind like a movie. he was a mature man, and he knew her reaction very well.

wen yuan did not let go of her at all. he did not even feel anything. she was resisting having sex with him.

...

He roughly knew why she had married him. It was Lin Danni who had picked up the phone that day. Ye mu Bai did not want to explain to Wen Yuan that he had married her because he missed Nan. It had been that way in the past, it was now, and it would still be that way in the future.

He was already very tired and didn't want to waste time comforting her feelings.

'Let's just do this,' he thought lightly.

they didn't feel sleepy at all throughout the night.

the next day was nothing special. they went to see xiangnan together. in the afternoon, wen yuan went to settle the resignation procedures, saying that the child was sick. the hospital director tried his best to keep her because she was a female director in her 50s and her daughter was about the same age as wen yuan. she felt the same way about wen yuan's situation. moreover, wen yuan was excellent in all aspects. the director sighed in the end. "wen yuan, as long as you want to come back, you can come to me anytime. as long as i'm in this school."

Wen Yuan was touched as well. She nodded her head vigorously."Alright," he said.

when she walked out of the academy, ye mu bai was sitting in his car. he was wearing sunglasses, but the aura and halo around him were too strong, especially for female students in their twenties. there were a few young girls surrounding his car asking for autographs, but ye mu bai ignored them. he was expressionless.

when wen yuan was a few meters away from her, she stopped in her tracks. she was not sure if she should go over to take a walk.

Ye mu Bai saw her, but she could not see his expression clearly through the layer of sunglasses. She only knew that his eyes were deep and serene.

she still walked over and quietly opened the car door to get in. he didn't start the car immediately, but turned to the side."Are you done?"

"Yes, I'm done," she said.

He looked at her and started the car.

wen yuan thought that they would be silent in the car. however, when his slender fingers were on the steering wheel and he was focused on driving, he took the time to talk. the content of his conversation was about childbirth.

ye mu bai's voice was calm,"wen yuan, i'll be wandering around city H for a while."

he paused for a moment, turned his head to look at her and continued, "you understand what I mean, right? we have to get pregnant with a child in the shortest time possible, Yingluo, so during

your pregnancy, we need to make love. I don't want you to reject me. You can choose not to respond, but don't push me away. Otherwise, it'll be very difficult for me to continue.

He said it in a normal manner, but it was extremely cruel and it made Wen Yuan extremely embarrassed.

She didn't say anything, but looked out of the window.

her heart was a little cold, and she couldn't describe the feeling. she wanted to cry, but she couldn't.

women were different from men. when her child was sick, as a woman, she had no mood to live a married life, not to mention that their marriage was so cold.

Wen Yuan did not want to do it. The more formulaic and mechanical it was, the more disgusted and emotionless she would be.

she even felt that she was very dirty.

she didn't say anything to him. she didn't say anything. what was there to say?

## Chapter 3757: Let's get married (6)

Back at the apartment, Wen Yuan quietly went to cook. Although she came from a good family, she was good at cooking. She could not understand why xiangnan, who had always been healthy, suddenly fell sick.

She lowered her eyes and absent-mindedly cooked. She didn't know if it was to fill her stomach or to fulfill her duties as a wife. However, she thought to herself that her duty was to lie flat until he got her pregnant. Or perhaps she was never his wife and they were just in a cooperative relationship.

She was so absent-minded that she accidentally cut her hand. It was not too deep, but a few drops of blood oozed out. Wen Yuan was actually a little numb, but when he saw the dark red blood, she still let out a soft cry.

ye mu bai was on the phone, but when he heard her voice, he quickly walked over. when he saw the blood on her finger, he immediately took a tissue and pressed it on her wound.

Her hand was wrapped around by him. It was a little warm, strong, and a little rough.

he held her hand and looked down at her. " i'll help you wrap it up. "

...

"no need," Wen Yuan shook his head and bit his lip.

he had already brought her to the living room without giving her any chance to refuse. he took out the first aid kit and disinfected her wound before wrapping it with a layer of gauze. ye mu bai pursed his lips. " it's done. "

she moved her fingers and confirmed that there was no problem, so she said softly, " I'll go cook."

"No need, just order a meal." He said in a low voice.

Wen Yuan insisted, " it'll be done in a while.

after she finished speaking, she went to the kitchen to take a stroll.

Ye mu Bai's brows furrowed as he looked at her back. There was an indescribable feeling in his heart.

she was avoiding him.

Although ye mu Bai did not care much about their relationship, and it did not matter whether they were husband and wife or not, he still sighed.

A marriage like this!

wen yuan continued to cook. she had made three dishes and a soup. the taste was not bad, especially the thick soup, which had the taste of home.

ye mu bai sat with her and ate. he looked at the gauze on her fingertips and said, " when xiangnan comes back, get a servant from home. You don't have to find one outside. Get one from B city.

wen yuan raised his eyes and she looked at ye mu bai with a guarded look. she said softly, " ye mu Bai, do you want others to know that I married your brother before I married you? "

He put down his chopsticks. what are you afraid of? did you think that the servants at home wouldn't know that we slept together a few times that afternoon? "

Wen Yuan had nothing to say. She bit her lip.

ye mu bai continued, " if you don't object to it, then it's decided. wen yuan is not only doing this for you. he's also thinking about nan. you can't care too much after you're pregnant. "

wen yuan no longer objected. she lowered her head and ate very little.

ye mu bai frowned and said,"wen yuan, xuanji."

"I know. I'll try my best to eat more." She looked up at him and said in a soft voice, " "I know I'm going to get pregnant."

she slowly ate her rice and tried her best to eat. he realized that she had lost a lot of weight in just a few days. when he held her waist last night, she was very thin and did not look like a mother who had given birth to a child.

ye mu bai stared at her for a long time before he said softly, " i mean, you need to take care of xiangnan. "

she pursed her lips and lowered her head again. she didn't say anything and just ate.

Their interaction was very strange. After dinner, she felt uneasy, afraid that he would ask to sleep in the same room.

but if you don't sleep in the same room, you can't get pregnant, yingluo.

Chapter 3758: late at night, he's not by my side (1)

wen yuan lay on the bed, feeling a little tormented.

She didn't know if she was waiting for ye mu Bai to come over, but she really couldn't fall asleep. The moment she closed her eyes, she would feel him suddenly appear the next second, press on her body, and do all kinds of things to her.

at 12 am, wen yuan woke up, his back drenched in sweat.

she sat up, hugged herself, and fell into a daze.

after a long time, she looked at the time and lay down gently again. in the end, she couldn't take it anymore and went to take a shower to get a glass of water. when she passed by ye mu bai's room, the light in his bedroom was on, but there was no one there.

Wen Yuan stood there quietly for a while, a little dazed.

...

after that, she went to get some water, walked to the floor-to-ceiling window, and pulled open the curtains. she quietly looked at the night outside.

However, when the curtains were slowly drawn open, Wen Yuan's gaze was fixed.

she looked at everything in front of her in disbelief.

on the first floor, ye mu bai was only wearing a shirt and black pants. a very young girl was hugging him. her slender arms were around his neck, and her entire body was in his arms.

the girl was very young and good-looking. from the side of her face, wen yuan could tell that it was lin dannu.

And their hug was a kiss that belonged to a long separation and a girl's complete reliance.

wen yuan looked on quietly, the blood in his body seemed to have frozen.

she was ye mu bai's wife, and she lived in his house. they had a child together, and they were about to have a second one. however, on a night like this, she looked at the other girl who looked so beautiful with him, and it made her feel that she was actually the third party.

Wen Yuan knew that he should avoid her. A smart woman should pretend not to see her because she still needed ye mu Bai as her husband. She needed him to make love with her and get pregnant with a child.

Although at this moment, her mood was as bad as eating a fly.

Wen Yuan watched as ye mu Bai gently pushed Lin Dannu's hand away. However, Lin Dannu immediately hugged him again. This time, he did not push her away.

wen guo watched quietly until he inadvertently looked up and saw wen yuan upstairs.

Their gazes met in the dark night, and he had a young girl in his arms.

after a long time, ye mu bai lowered his head and said something to lin dannu. then, they got into the car, and ye mu bai drove off with lin dannu.

wen yuan just stood there, looking at the night sky and his car disappearing.

it was as if she had to wait until dawn, as if she had to wait until the end of the world for him to not return.

of course, she wouldn't keep waiting. half an hour later, she finished the glass of cold water and returned to her bedroom.

She lay there, half-awake and half-dreaming, and when she woke up, the apartment was still quiet. There was no sound at all.

Ye mu Bai only came back when it was almost dawn. He came back very softly and stood at the door for a while before he went to take a shower.

Wen Yuan had woken up, but he did not move from his bed.

After he was done with his shower, he went to her bedroom and onto her bed.

Her pajamas had been thrown to the end of the bed. He was doing something to get her pregnant, and he was lying in a daze and not moving.

however, there were tears in her eyes.

She didn't ask him about Lin Danni, and he didn't explain. After such an absurd sex incident, he left her and left her bedroom.

The room was still quiet. She lay on the bed. Her nose was a little red, and her eyes were even redder.

Chapter 3759: Late at night, he wasn't by her side (2)

She thought that she didn't care, but when he came back to shower and wanted her again, she felt extremely uncomfortable.

That night was like a thorn that had been stuck in Wen Yuan's heart for many years.

it was as if she was sick, and no one could save her. ye mu bai did not intend to save her either.

All the love, adoration, and love she once had for him had completely ended on this night. All that was left was the image of him and Lin Danni hugging.

the days went by and xiang nan was admitted to an ordinary ward. wen yuan often accompanied him and stayed for a whole day.

Although ye mu Bai was in city H, he would fly to other places from time to time. When he was not around, Wen Yuan would spend the night in the hospital. When he was around, she would return to the apartment because they had to have a child.

...

although she was already resisting and even hated to do it with him, she had no choice. she could not refuse.

On the third day of ye mu Bai's flight to the United States, a girl who was both unexpected and expected appeared in front of Wen Yuan. It was Lin Danni.

Wen Yuan met her outside the hospital and they had a cup of coffee together.

Lin Danni was very young, and she had a special aura about her. Bai Sulli had this aura, so did Lin sisi, and she, Wen Yuan, but they were all pampered when she was young and her family background was better.

wen yuan never read gossip. later on, he found out that lin danni was the daughter of a certain film corporation. hence, she was just like him back then, chasing after a man so passionately as if the whole world had nothing to do with her and there was only one man in her life.

Wen Yuan lowered his head and took a sip of his coffee. She had not added any sugar on purpose, so it was a little bitter.

However, she would rather suffer a little. This way, she would be a little more clear-headed in front of a girl who was five years younger than her.

lin dannu was even more photogenic than in the movie. her face was small and she was very beautiful.

Wen Yuan knew why ye mu Bai had chosen her to be the female lead and why he was with her at first glance.

it was because lin dannu was very much like a person.

she looked very much like qianqian, lin sisi, the person who ye mu bai had been thinking about until now.

lin dannu said faintly, " i didn't know you two were married. miss wen, wanwan, you don't mind me calling you miss wen, right? i know you. you're very famous in B city. not only are you the daughter of the wen family, but you're also ye mulin's ex-wife. however, i won't admit that you're mubai's wife. although you've already registered your marriage, i don't think he sees you as his wife in his heart. "

Wen Yuan looked at the girl in front of him and smiled. you can call me whatever you want.

Lin Dannu's gaze was a little aggressive, but it was not strange. Few girls from her background were innocent, and Wen Yuan had never thought of himself as innocent.

Lin Dannu stared into Wen Yuan's eyes and said very, very softly, " "i will not give up on him! Your marriage with him won't last long."

Wen Yuan was still sipping his coffee with his head lowered. After a while, he whispered, " "then keep a low profile. legally, he's a married man, and you're the most promising chinese actress. don't ruin yourself."

I don't care. Ye mu Bai is the most important person in my life. I just want to live under his camera. lin dannu flicked her hair indifferently.

wen yuan raised his eyes and looked at the girl in front of him in a daze.

she seemed to have said these words before, but now, they were already gone ...

Chapter 3760: Late at night, he's not by my side

wen yuan looked at the girl in front of him. after a long time, he smiled faintly.

she paid for the coffee and left.

There was no blame, no noise, nothing at all.

this was because she knew very well that ye mu bai did not belong to her. if she argued with him, she would only be embarrassed.

lin dannu could hug ye mu bai and act coquettishly, but she, wen yuan, could not.

She missed Nan's mother.

...

After meeting Lin Dannu, Wen Yuan did not have many thoughts. If he had any thoughts, it was only on that night. That night was already over, what thoughts did he have? she did not ask ye mu Bai if he had done anything with Lin Dannu that night. She did not want to ask because she felt that there was no need to.

Sometimes, it was better to be a little muddleheaded in marriage, especially when it came to people like her and ye mu Bai.

When Wen Yuan returned to the ward, xiangnan was sleeping quietly. Ever since the child had fallen ill, he had to sleep for more than ten hours a day. Wen Yuan's heart ached for her, but he was also glad that xiangnan would not be in so much pain.

In the afternoon, another person came, and it was quite surprising ...

not only bai suili and ye mulin, but even lin sisi had come.

Wen Yuan had never hated Lin sisi. There was no reason for him to hate her. It was not wrong to be liked by others.

when xiang nan fell asleep, bai sulli would guard her and kiss xiang nan again and again.

A warm current flowed through Wen Yuan's heart. Bai suili had also liked ye mu Bai for many years, so she would probably have special feelings for Xiang Nan when she saw him.

to wen yuan's surprise, ye mulin brought a few medical reports, which were bone marrow puncture tests.

There were his, su Fu's, and even ye zhenggang's. When he handed them to Wen Yuan, his voice was soft but powerful, " if necessary, I've discussed it with Shirley. An 'an can also be examined.

wen yuan's eyes were burning. she reached out and took it. she knew in her heart that this was a very precious gift.

the ye family and xiangnan's blood were all here, so she didn't know what to say. she just clenched her fists and said in a low voice, " ye mu Bai and I want to have a child first. If we can't, we'll need these.

She looked up. Mulin, thank you.

Ye Mulin reached out and touched her hair gently. To those who had lived with him for a few years, Wen Yuan was like a younger sister. Moreover, they were not unrelated. Xiang Nan was his blood-related child.

wen yuan nodded with tears in his eyes.

Ye Mulin, Bai Sulli, and Lin sisi spent the night in city H. When they woke up, they were very happy to see ye Mulin. For the first time, they left the bed and were carried by ye Mulin.

Bai suili's expression softened when she saw ye Mulin holding Xiang Nan. She felt that he was a good father, not only to an 'an, but also to Xiang Nan.

Lin sisi nudged her from the side. "your ye mulin is really a good father."

Bai Xueli looked at her and said, 'isn't gu ze good? Sisi, you two should have a child."

She knew that Lin sisi had been using contraception ever since she got married. Lin sisi had once told her, " what are you avoiding? it's not like you can give birth. she was just bluffing. If she couldn't give birth, she could say that she was using contraception.

lin sisi leaned against her and said softly, " "see, you can't blame me if you can't give birth."

Her eyes were a little red. She had actually been a mother before, but it was too short ...

however, gu ze seemed to be even more restrained than her. he never dared to mention the child in front of her. She thought to herself that perhaps she should try her best. If she couldn't get pregnant, she could only leave it to fate.

xiang nan liked the two aunties very much. he even went out for a meal with the doctor's permission. because of his physical condition, ye mu lin reserved a whole lamb michelin restaurant just to serve xiang nan.

It was only when she arrived that she remembered that it was xiangnan's birthday.

cakes, gifts, and the restaurant that was decorated as a birthday party. xuanyuan xiangnan's little face was slightly red, and she looked so happy that she hadn't seen her for many days.

wen yuan hugged him and kissed him. " are you happy? "

she did not expect ye mu lin and the rest to prepare all this.

xiang nan said happy.

Ye Mulin smiled. Xue Li had already contacted this restaurant. Even the doctor had confirmed it before preparing the food. She flew over in the morning, and sisi was there as well.

“There’s also a special gift.” He paused.

he looked at it eagerly, his heart filled with desire. at this moment, his mood was like opening pandora’s box, nervous and expectant.

In the midst of the music, Bai Anan, who was wearing an awkward little dress, pushed a small cart and sang ” birthday brother ” in a tone-deaf voice. She looked so cute and adorable, and she sang ...

happy birthday, brother yingluo.

Xiang Nan was very young, but he was very sensitive. He liked an ‘an very much. In his eyes, an’ an was like an angel. When he grew up, he became a sister complex. Bai an ‘an became his favorite, even more so than his own brother.
