

Thank you 3761

Chapter 3761: late at night, he's not by my side

Xiang Nan's little face was blushing. He wanted to hold an 'an, but he was too weak to carry her, so he could only look at Bai an' an.

Bai Anan was the prettiest girl he had ever seen in her little dress.

Bai Anan pushed the cart over with all her might and sang with all her might. At last, she even kissed Xiang Nan on the cheek.

Ye xiangnan's face turned red.

Wen Yuan looked on with mixed feelings, but he was also happy.

After so many days of tension, she finally revealed a smile. The warmth she had received was from ye Mu Lin and Bai Xue Li, for Xiang Nan.

...

Wen Yuan remembered the candlelight that night, as well as his birthday brother and Bai Anan, who was wearing a little dress awkwardly.

Joy was always short-lived. Xiangnan's body did not allow him to be out for long periods of time, so two hours later, ye Mulin sent them back to the hospital. Xiangnan was still very happy. An an stayed there to accompany him. She took out the little human book she had drawn and showed it to him.

the two little ones sat together on the hospital bed, and their relationship seemed particularly good.

Bai suili looked at him and said to Wen Yuan, " xiangnan is really sensible.

She always had feelings for ye mu Bai when they grew up. She did not want ye mu Bai to miss out on a good woman like Wen Yuan.

bai suili's voice was very, very soft. "wen yuan, give mubai some time. i believe you will be fine."

Wen Yuan just smiled slightly. It was not appropriate for Bai suili to ask too much about the things between a husband and wife, so he did not say anything more.

bai suili and ye mulin went back first, while an 'an stayed to accompany xiangnan. as it was a VIP ward, wen yuan slept on a bed alone, and the two little ones slept together affectionately.

although an 'an was very young, wen yuan felt very warm with her by his side.

at night, when she was covering the little ones with the blanket, wen yuan secretly kissed an 'an. she thought that it would be great if she could give birth to a little girl when she was pregnant. it seemed that an' an was not so resistant to pregnancy.

It was night time in H city. Ye Mulin drove Bai Sulli back to the hotel. It was not easy for him to come here, and his identity was a problem. He had to leave the next morning, and Sulli was prepared to stay with an an for a few days.

lin sisi came with gu ze. once they left the hospital, gu ze took her away.

gu ze still cared about ye mu bai. all men were the same.

At this moment, Bai suili was sitting beside ye Mulin. She turned her head to look at him and said in a small voice, "mu lin, aren't you going to take care of mu bai?"

Ye Mulin smiled faintly. how? a man can only control his own lower body."

"I wasn't talking about that." Bai suili bit her lip. I mean, he's involved in scandals with so many people. You're his big brother, so of course you can interfere.

Ye Mulin was focused on driving. When he heard his wife's words, he smiled. "i really can't meddle in this matter. mubai is an adult and his relationship with wen yuan is very complicated. in

my opinion, it's not that he doesn't have feelings for wen yuan. it's just that he doesn't have enough feelings for wen yuan and he's still a little resistant to it. ”

bai suili looked at her husband with resentment. ” ye mulin, you're too weak. ”

Chief ye only smiled. When the traffic light turned red, he turned around to look at her.

that gaze was very meaningful, and it made bai suili a little scared. she sat up straight and looked at her husband. ” “Why are you looking at me like that?”

He reached out and rubbed his chin with his beautiful fingers. I'm thinking about what I should do to make Mrs. Ye feel that I'm awesome.

“Shameless.” Bai suili's face turned to the side, ignoring him.

After a while, she couldn't help but turn her head and complain, ” “you're really getting more and more frivolous as you get older.”

bureau chief ye continued to drive. after a long time, his voice rang out, ” “you think i'm old?”

“I'm old, don't be unconvinced,” his rice weeper said softly.

He just smiled and didn't say anything.

When they arrived at the hotel, ye Mulin carried his little wife in his arms.

ye Mu Lin, what are you doing? ” Bai Xue Li exclaimed.

Chapter 3762: Ye Mulin, be good (1)

bai suili's face was red, and her small hands fell on the buttons of his shirt. her voice was very soft and delicate. "ye mulin, you can't be serious. your private plane is at eight o'clock tomorrow, and you have to change to a helicopter to catch a meeting at ten o'clock. just thinking about it makes me feel so busy!"

He looked deeply at his little wife and lowered his head to kiss her. "it's hard, isn't it? besides, you're going to stay here for a week. shouldn't i charge you some interest for the obligations that you didn't fulfill during this week?"

her little face continued to blush as she said, "Being a Pixiu once is just interest?"

Ye Mu Lin's fingers gently caressed her face and his voice was especially soft."actually, you can also pay the principal first."

"what do you mean by" pay the principal "?" she stammered.

Ye Mulin lowered his head and kissed her. After the kiss, he pulled back and lightly kissed her lips. It was a suggestive move. do it a few more times.

...

She didn't have time to resist, and he had already started to torture her without delay.

after a few times, bai sulli complained in a low voice, "you're already so old, yet you still don't take care of your health."

ye mu lin laughed and happily stood up. he carried her and went to take a shower.

It was already late at night. He lay in his arms with her in his arms, while he leaned against the bed and smoked a cigarette.

bai suili looked up at his frowning face and his smoking.

he usually didn't smoke at home. even if he did, he would smoke on the balcony, not to mention that he was in a particularly bad mood after they had done it.

she wrapped her slender arms around his neck and buried her face in his chin and neck. she whispered, " weren't you unhappy just now? why did you smoke? "

ye mulin lowered his head to look at her, but he had put out his cigarette. then, he pinched her face."alright, time to sleep."

he was very gentle. in fact, ever since he had thought it through, he had been very good to her, especially good, so good that bai sulli regretted running away for so many years. she didn't say anything, so he waited for her to take the initiative.

the life between them was sweet. they had already gotten their marriage certificate a long time ago, except for a wedding. however, now that mu bai and wen yuan were in such a state, their wedding might have to be postponed.

bai sulli knew that he was upset, so she got up from his arms and went to his side. she took a cigarette and a lighter, lit the cigarette, took it from her lips, choked it, and put it on his lips. " "are you troubled by mubai's matter?"

Ye Mulin stared at her, but he still took the cigarette from her and slowly took a puff. Then, he said, " "Mubai must hate Wen Yuan now."

this kind of feeling was very complicated, and even mu bai himself could not figure it out!

Bai sulli bit her lip, and after a while, she whispered, " i think he likes wen yuan. otherwise, he wouldn't be in the mood to sleep with him. besides, if he wanted a child, he could have a test tube. there's no need to get married. i can tell from the way i look at mu bai that he's in the mood to pester him until he dies. "

after she finished speaking, she looked up at him, eager to get his approval."Ye Mulin, don't you think so? am I right?"

He looked at her with a deep gaze, and then he slowly said, " "you're quite right."

she was a little smug. ye mulin continued, " if you don't like it, why do you have the energy to sleep with it? "

As he spoke, his fingers gently caressed her red lips, then he put out the cigarette and said in a hoarse voice, "an advance on next week's benefits."

Chapter 3763: Ye Mulin, be a good boy 2

Bai Suili was dumbfounded again, both her hands on his shoulders, also sensing his restlessness.

"You have to be early tomorrow," she said, biting her lip.

"Ye Mulin, be a little more obedient, okay?" she kissed him.

Her eyes were sparkling. Good girl.

This was the first time she coaxed him like this. She would kiss him after every sentence, and Ye Mulin's heart softened.

After so many years, after so many things, she had finally returned to his side safe and sound. Time was like a home, and they would continue to live well together.

...

Ye Mulin lowered his head and kissed her little face.

Bai Suili raised her head and looked at him. "You've really become obedient?"

"What else?" "You've been making a fuss?" he looked at her.

She was a little embarrassed. She lay in his arms like a little kitten and rubbed against him. She was extremely cute and coquettish. Ye Mulin's heart softened and he looked down at her. "If you continue like this, I can't guarantee that I won't do anything to you."

she wailed and laid on him even more coquettishly, hugging him.

ye mulin turned off the lights and let her sleep on his body.

A couple who had just reconciled would never get tired of each other no matter what.

when the sun rose, ye mulin had to rush to the airport. it was seven o'clock in city H, and it was only early in the winter that the sun rose.

When Bai Xiuli woke up, he was already dressed and putting on his tie. She immediately got up and knelt on the bed. "I'll do it."

He bent over cooperatively and kissed her on the cheek. "you can sleep a little longer later."

She helped him with his tie. Ye Mulin did not straighten his body immediately. Instead, he nudged her gently.

"Mu Lin, can I take you to the airport?" Bai suili asked in a low voice.

He gave her a Pat. don't get up. It's cold, so you should sleep in the hotel. And don't take Anan out with you when I'm not around, okay? "

she nodded obediently, her expression extremely submissive, as if she had returned to being his dainty little wife.

Ye Mulin's Adam's apple moved sexily and he could not help but kiss her. "I'll come over when I'm free."

"Don't." she immediately opened her mouth and whispered under his suspicious gaze, "it's too hard!"

His eyes were burning.

Bai suili bit her lip and stared at him, but still leaned into his arms. “i’ll go back early, be good, yingluo.”

“I should be the one saying that,” he said in a hoarse voice.

her face was red, but she didn’t make a sound. she placed her hands flat on his chest, and after a while, she looked up and kissed him.

he didn’t move and let her kiss him. after a long time, she said, panting, ” “ye mulin, i will miss you.”

“You haven’t thought about it for so many years, and you can’t take it anymore after a few days?” He ruffled her hair and smiled.

“this is different!” she bit her lip.

As for what the difference was, she didn’t know.

ye mulin still could not bear to let her get up to send him off. after being affectionate for a while, he still had to rush back to B city for a meeting.

Bai suili didn’t slack off for long either. She lay down and talked to Lin sisi for a while before Lin sisi was carried away by Gu ze.

He put down the phone, lay down, washed up, changed into a new set of clothes, and went to the hospital.

Wen Yuan must be very busy now that he was alone. An an was also there.

bai suili went to the hospital. an an and xiang nan were still sleeping, sleeping side by side like two cute little pigs. in fact, the two little guys were only a month apart. xiang nan was a month premature, a little older.

Chapter 3764: ye mulin, be a good boy 3

bai suili closed the door gently after she entered. wen yuan turned around and smiled.

“He’s not awake yet.” bai suili went over and looked at the two little ones with wen yuan.

“i slept a little late,” wen yuan nodded.

Bai suili looked at the two little ones, and then said in surprise, ” they really look alike. actually, mu lin and mu bai don’t look so alike. ”

“right?” wen yuan smiled.

she looked at bai suili and hesitated for a moment before saying, ” “Xue Li, can we have a chat?”

...

Bai Xiuli was stunned for a moment, but then she readily agreed. okay, let’s talk outside. Don’t wake them up. They’re sleeping so well.

The two of them went to the outer room. Wen Yuan made some fruit tea for Bai suili and brought it over to sit down with her. “I made it myself.”

bai xiuli took a bite. it was sweet. she smiled and said, ” “It’s very good.”

“it’s good that you like it,” Wen Yuan continued her wound. I’ll bring some back to B city for you.

Bai suili accepted it shamelessly, then looked at Wen Yuan and whispered, ” ” wen yuan, i’m sorry. i didn’t know that you liked mubai back then. if that were the case, i wouldn’t have pursued him shamelessly for so many years. in the end, he wasn’t the one who got together. ”

She had a feeling that if she had not clung onto mu Bai, Wen Yuan might have had a chance.

wen yuan shook his head. ” don’t think that way. it’s just how he is. it has nothing to do with you. look, he still didn’t choose me after you and mu lin got married. actually, my family tried to make peace with each other but he never expressed it. he never had that intention. it was my obsession that led to the subsequent events. ”

Bai suili stared at her for a long time.

“what’s the matter?” wen yuan smiled.

the white rice worm spoke slowly, ” actually, wen yuan, you’re really amazing. you see, i’m so direct when i’m chasing a man. i’ve been following xiao bai shamelessly for so many years and i’m even married. as soon as that bastard lin sisi appeared, mu bai ran away! ”

after she finished speaking, she felt that she had said something wrong and said in a low voice, ” actually, sisi is also a thing of the past. she and gu ze are about to get married. ”

Wen Yuan smiled and said, ”I know.” i won’t take it to heart.”

” wen yuan, it’s true. i think old bai likes you. otherwise, he wouldn’t want to marry you, ” bai sulli said carefully.

after she finished speaking, she put on a confident look. ”I’m not wrong, it’s a woman’s instinct.”

” it’s a woman’s instinct, ” wen yuan said slowly. ” he’s in United States now, and lin dannu is there too. ”

bai sulli was a little dejected. ” i heard that lin dannu’s father is a big shot in the film industry. mubai can’t be so shameless, can he? if you want money, the ye family has it. there’s no reason for him to sacrifice himself! ”

“lin xueyi, lin dannu, don’t you realize that they all look a little like lin sisi?” wen yuan’s voice sounded even more distant.

this time, bai sulli’s mouth was wide open. f * ck, there’s actually such a thing, but it seems to be true!

it took her a long time to come back to her senses and she said carefully, ” ” that ... what are your thoughts on lin dann? ”

“no, i just want nan to be well. i have no other requests.” wen yuan took a sip of tea and smiled bitterly, ” ” so, shirley, don’t worry about us. really, i’ve woken up from my dream. ”

Oh, ” Bai suili replied. She was about to speak when she saw ye mu Bai standing at the door. f * ck! she cursed in her heart.’When did he come here? I didn’t even know!’

Chapter 3765: ye mulin, be a good boy (4)

ye mu bai slowly walked in, but he stopped in his tracks. ” “How’s xiangnan?”

“I’m sleeping with Anan. She’s not awake yet,” Wen Yuan said softly.

Ye mu Bai looked at Bai Sulli again. Bai Sulli’s expression was a little uncomfortable. She brushed her hair and laughed. well, I’m going out for a while.

Old white had just returned. The couple must have something to talk about. It was not convenient for her to be around.

Bai suili was a little upset. She had just mentioned Lao Bai’s scandal and he had returned, making her feel a little uncomfortable. However, she was still a little worried that Wen Yuan would be troubled by Lao Bai.

When she went out, she still sneaked a glance.

...

ye mu bai glared at her, and she immediately closed the door. then, she thought that she was actually lao bai's sister-in-law, so she should have some dignity in front of him. why did she not have any dignity at all?

What a disappointment!

She patted her head and thought that she would definitely give old white a good show of force next time ...

Boohoo, this was too embarrassing. If ye Mu Lin knew about this, he would definitely laugh at her and say that she was useless.

In the ward, ye mu Bai went to see an 'an and Xiang Nan. The two children were still sleeping, so he walked out and sat where Bai Sulli had been sitting.

"didn't you say that you'll be in United States for a week?" wen yuan looked up at him.

"there's an international film festival in city H." He said briefly, " I'll be back for a week.

wen yuan nodded. " i understand. "

the post-production of his movie had been completed, and he might be able to compete for an award. there were many such events, and with the popularity of this film, he was running around the world.

Other than coming back to see xiangnan, he probably came back to have children with her.

The home he prepared was like a hotel.

wen yuan was not willing to go back. she preferred to stay in the hotel. she was even afraid that he would come back. if he did, she would have to go back to that place, lie on the bed that had humiliated her, and make love with him.

she did not know how he could continue to be with her after having lin dann. wen yuan knew too well that he was not young anymore. she did not know why he wanted to get married. wasn't it

better to remain single in the future? Wasn't he afraid that she would take things too hard and pester him again?

she remained silent.

"The production team will be walking the red carpet," ye mu Bai said after a pause.

she looked up into his eyes, as if she didn't understand, but in fact, she couldn't understand what he meant.

he was the director, and lin dannu was the main lead. it was perfectly normal for him to stir up a scandal. was he going to tell her now that he was prepared to have an all out affair with lin dannu in city H?

She kept looking at him for a long time before smiling."I know,"

Just three words, nothing else.

his face turned a little ugly, and then he laughed at himself.

Wen Yuan did not know what his smile meant, but she had something to say to him. It was about Xiang Nan.

What she said to Bai Sulli was true. She couldn't control ye mu Bai anymore. He could be with any woman he wanted, as long as she wanted Nan to be fine. She was even willing to endure the humiliation of making love for Nan, even if she found him dirty and disgusting when they did it.

She lowered her head. Mu Lin came yesterday. He flew back to B city this morning. He brought this.

she stood up and took out the hospital reports for him. she lowered her eyes. ye Mulin, let's make one for our Qianqian too. If we can't have children, we can use another plan.

Chapter 3766: wen yuan, this is the duty of a husband and wife (1)

“I won’t be unable to give birth.” He held those and looked down for a while, then looked up at her. “Wen Yuan, is this how you think all day?”

She bit her lip and said firmly, “let’s do it. I don’t want anything to go wrong. Ye mu Bai may only be a child to you, but to me, he is my everything.

He listened and carefully savored her words. Then, he gave an extremely faint smile, a smile that was somewhat unpredictable.

“wen yuan, he’s your everything, right?” He repeated her words and did not say anything else.

because an ‘an and xiangnan had woken up, he went to hold his son. he hadn’t seen xiangnan for a few days, so xiangnan couldn’t help but stick to him.

Wen Yuan took care of an ‘an quietly. When he helped the little guy put on his clothes, she looked at the adorable an’ an and thought to herself that it would be great if she could give birth to a child like an ‘an.

...

She wanted a daughter, and she thought that Nan seemed to like an ‘an a lot.

on the other side, ye mu bai was taking care of xiang nan. then, he carried the two little ones in each hand and walked towards the washroom. after that, he took care of the two little ones to have breakfast together. he was very patient and meticulous. wen yuan was a little confused when he saw this ...

he might be a good father, but he would not be a good husband if his wife was wen yuan.

Later, Bai suili came back and whispered to Wen Yuan, “Is this how you usually interact with him?”

they were too cold, how did they look like a married couple?

Wen Yuan smiled slightly and did not say anything. Bai suili did not say anything either.

it was a matter between a married couple.

because of ye mu bai's sudden return, bai suili left with an an in the afternoon. they stayed in city H for two days before returning to city B.

At this moment, Xiang Nan was also allowed to leave the hospital. Wen Yuan was packing his things while ye mu Bai was accompanying his son. She heard them talking as she packed her things.

xiang nan liked ye mu bai very much. however, xiang nan had grown up by wen yuan's side and wen yuan could sense that he liked ye mu bai as well. xiang nan was more careful with ye mu bai than with ye mu lin.

She thought to herself that it was probably because she didn't raise him personally, so xiangnan didn't feel safe.

She packed her things and looked up at them, saying softly, " "It's done,"

The couple had spent the past two days in the hospital. He did not mention going back to the apartment, probably because he knew that she was not pregnant, Wen Yuan thought to himself.

after she finished speaking, ye mu bai looked up at her and said in a calm voice, " i'm leaving. "

He carried Xiang Nan in his arms and carried the luggage in one hand. He was very tall, so it was light. Wen Yuan only needed to follow him.

along the way, they met doctors and nurses who had known each other for half a month. they could tell the relationship between ye mu bai and wen yuan. hence, they smiled and said, " Mr. Ye, Mrs. Ye, goodbye.

wen yuan felt uneasy and only nodded stiffly.

However, ye mu Bai did not seem to mind. He carried xiangnan to the car park and opened the trunk with one hand to put the luggage in. He then placed xiangnan in the back seat and motioned for Wen Yuan to sit in.

he then got into the car, started the car, and drove in the direction of the apartment.

on the way, wen yuan suddenly mentioned, ” “Your Yueyue might be very busy in the future. I want you to bring xiangnan back to the original apartment when you’re not around.”

ye mu bai furrowed his brows and reached out for the cigarette. however, he gave up on that thought when he thought about nan being in the car.

Chapter 3767: Wen Yuan, this is the duty of a husband and wife 2

He glanced at the rearview mirror, then said in a calm tone, ” if you don’t like it, you can find another room until you’re satisfied.

She didn’t know if he was mocking her or something else. It was a little embarrassing, but she didn’t want to quarrel in front of xiangnan, so she turned her face away and looked out the window quietly, not mentioning it again.

as ye mu bai drove, he would occasionally observe her expression from the rearview mirror.

After a long time, the car stopped in front of the apartment. He got out of the car and carried his luggage while Wen Yuan carried xiangnan.

they were like a family of three, but they were too cold.

When she returned to the apartment, she simply packed her things and went to make handmade wontons for Xiang Nan. Ye mu Bai accompanied Xiang Nan. After they were done, the little fellow’s stomach was warm and full, and he could not help but want to sleep.

...

this was also a short-term aftereffect of the treatment. he would feel like sleeping.

As he fell asleep, Wen Yuan walked out.

ye mu bai was smoking in the living room. the window was open, so she walked over and sat opposite him.

he looked up at her and took a deep puff of his cigarette before saying, " you still want to go back to live. Do you hate this place or do you hate me? "

Wen Yuan looked out of the window, his voice a little ethereal, " ye mu Bai, do you think there's any meaning to this? "

As soon as she finished speaking, he reached out and grabbed her arm. Before she could react, he pulled her into his arms and pressed her down on the sofa. He knelt on both sides of her body, his fingers pinching her chin, and said in a low voice, " " wen yuan, what else are you not satisfied with? are you counting on me to tell you that i love you, or do you want me to treat you the way ye mulin treated bai sulli? "

"I didn't." she turned her face to the side, feeling especially embarrassed.

he stared into her eyes. " then why are you still arguing with me? isn't it great that we're like this? "

she turned her face around and stared at him.

He said it was good, but she didn't know what was good about it. She felt that it was a little ridiculous.

What was good between them?

Perhaps he didn't care. He ran all over the world, accompanied by all kinds of beautiful women. He treated this place like a hotel, and she might have to face two children and a loveless marriage, but he actually said that this was good!

however, she had no way to refute him.

Wen Yuan's pupils contracted. Slowly, she calmed down and said softly, " "Let me go."

ye mu bai's slender fingers pinched her chin, and his thin lips softly spat out a few words. " "you hate me?"

he laughed coldly. " didn't you like me crazily in the past? why don't you like me now, huh? "

She bit her lip and refused to answer. She could only turn her face away from him.

his expression was too cold.

Ye mu Bai's gaze was fixed on her. Then, he lowered his head and kissed her. When his hot, thin lips covered hers, she was shocked. He pinched her chin and forced her to turn her head.

At first, she thought it would be a punishing kiss, but later, she realized his intention. He kissed her neck and said in a low voice, " "Let's do it once,"

after being stunned for a moment, wen yuan subconsciously wanted to push him away.

She did not want to do it with him.

however, he continued to press her down and stared into her eyes with a burning gaze."What are you still doing? wen yuan, do you need me to remind you that this is the duty of a husband and wife?"

She closed her eyes and said softly, " "I'm not pregnant."

Chapter 3768: Wen Yuan, this is the duty of a husband and wife. 1400 words

For a long time, he didn't say anything or continue. Finally, she couldn't help but open her eyes to look at him.

his eyes were strange and cold. he stared into her eyes and said slowly, "Wen Yuan, who told you that we can only make love once during your pregnancy? or do you think that I can be satisfied without a woman? or do you want me to develop my career outside? "

in the face of his strong aura, wen yuan appeared weak and helpless. she closed her eyes again and asked, "ye mu bai, don't you have one? "

he stared at her face for a long time before he lowered his head angrily and kissed her lips hard. he kissed her very hard, as if he wanted to hurt her. would she not be so numb that way?

"It hurts," Wen Yuan cried out softly.

He continued to bite her and said in a deep voice, "I thought you wouldn't be in pain."

...

Even though she was unwilling, he still relied on his male instincts and used some brute force to possess her.

Wen Yuan cried at his naughtiness. He hugged his neck and cried hard while begging him to go to the bedroom.

he didn't care and continued, his voice cold but with a touch of dejection."it's normal for a couple to do it on the sofa."

After that, Wen Yuan did not have the strength to resist anymore. After one round, he carried her to the bedroom and did it two more times, as if to make up for the past few days.

After that, he went to take a shower. Wen Yuan lay down as she quietly wondered if he was not satisfied with Lin Danni or if he could not treat that pampered girl the way he treated her.

at this moment, wen yuan had forgotten that she was also from a good family background. from a certain perspective, she was from a better family background than lin dann. it was probably because the person she liked first was inferior. lin dann was young and looked like lin sisi, so she was embarrassed.

wen yuan laughed at himself. she was not even as good as a substitute.

She didn't lie down all the time. A woman who wasn't loved by her husband didn't have the right to lie down all the time. She had a lot of family matters to do, tidy up, and have lunch.

Although her legs were sore, she tried her best to bear with it. After cleaning, she went to prepare lunch.

After ye mu Bai came out, he frowned and went to the kitchen. "where are the servants?"

"i'm not at home these few days, so i'm giving her a break. she's back in B city to visit her relatives. she'll be back tomorrow." Wen Yuan spoke calmly, as if nothing had happened just now.

although the servants would only come back tomorrow, she had to clean the sofa and carefully wipe it with tissue paper. even though she had wiped it a few times, she was still worried that it would be seen through.

In fact, ye mu Bai had seen that she had used half a packet of paper. He paused for a moment and said, "you don't have to be so concerned. It's normal for a couple to have sex once outside. What are you worried about?"

Wen Yuan was actually a bold and conservative person. She was very open when she was with him in the past. However, she was a reserved woman who did not reveal her feelings. To be honest, she was not the type of woman that ye mu Bai liked.

This was probably the reason why they had been entangled for so long, but there was only sex and no love. He liked her body and liked to do it with her, but he had never thought of being with her for a long time. Even now, he felt that he was just making do with it. For the sake of thinking, he felt that no matter how bad it was, he should at least live like a married couple.

But obviously, this was just his wishful thinking. She didn't plan to do that. She didn't want to live a married life, and it was awkward to do it on the sofa.

after ye mu bai finished speaking, wen yuan's hands stopped moving for a moment. then, she looked at him and said softly after a long time, " ye mu Bai, I can do it with you, but please respect my habits. Otherwise, I don't know how I'm going to continue living.

He leaned against the kitchen counter and watched her cook.

actually, he knew that she wasn't having a good time right now. he had done it a few times and she had already been drained of all her energy. he could have told her not to do it and to do it for her, but he didn't say anything.

it was in a fit of pique!

he thought.

at this moment, ye mu bai was only wearing a pair of jeans. he was standing beside her.

Wen Yuan turned a blind eye to it. After a while, ye mu Bai chuckled. Wen Yuan, don't you think that you look like you're sexually apathetic now? "

Her face was a little pale, and her fingers paused for a moment. After a long time, she said softly, "maybe."

he glanced at her and left. he returned to his bedroom and put on a v-neck black woolen sweater. then, he took his car keys and left. wen yuan only found out that he had gone to pick lin dannu up when he was browsing the news that night.

The photos of them at the airport were taken by the reporters, and Lin Dannu was hugging him in public. They looked like a golden couple, and it seemed like ye mu Bai was still single.

Wen Yuan looked at the news and blinked his eyes gently. So it could be like this. So a married person could hug his wife the moment he had sex with her!

Chapter 3769: Wen Yuan, this is the duty of a husband and wife

After ye mu Bai left, Wen Yuan took care of Xiang Nan. She had almost no time to think about ye mu Bai, let alone Lin Danni. She had a negative attitude towards their marriage from the beginning to the end.

however, she was still a little absent-minded, and it was obvious that it was because of ye mu bai.

He only returned at night, close to midnight.

wen yuan and the child had already fallen asleep. ye mu bai paused for a moment and went to the children's room to take a look at xiang nan.

Xiang Nan had always been very well-behaved, even when he was sleeping. He lay there obediently, and his little face looked particularly quiet under the night light. Even the fine hair on his face could be seen clearly, which made him look even softer.

ye mu bai looked at his son under the light, and his heart softened. he sat down and reached out to touch xiang nan's small face. however, he was afraid of waking him up, so his actions were especially gentle.

...

He thought that he liked and missed Nan very much. That was why he was unwilling to walk into the city with Wen Yuan from the beginning to the end. He was willing to do so when Nan was sick and he even took the initiative to do so.

He had once suspected that he had made a mistake when Wen Yuan was particularly cold to him. However, when he saw how gentle xiangnan was, he felt that everything was right.

it didn't matter if their marriage was satisfactory or not, as long as it could make xiangnan feel at ease, that was enough.

ye mu bai sat there for a long time before he went to wen yuan's bedroom. he did not want to do it with her. he simply wanted to see her.

She had rejected him so coldly during the day, and he had almost forced her, so he wanted to come and see her.

as he walked into her bedroom, he could smell the fragrance of a woman. it was very similar to the smell on wen yuan's body. it was always fragrant.

Ye mu Bai's expression became gentler as he walked in under the dim light. He stood in front of the bed and looked at her. Then, he saw that her phone was lit up on the bedside table. His eyes darkened, and he reached out to grab it.

He swiped his finger across the screen and saw the page that she had opened. Ye mu Bai stared at the page for a long time before he looked at her again with a surprised expression.

On the page was a picture of him hugging Lin Danni.

It was taken at the airport today. It could be considered a publicity stunt. However, he had never denied it to the media. He also did not tell Wen Yuan about it. Their relationship as husband and wife was not that good.

ye mu bai thought to himself. then, he turned off her phone and was about to leave when wen yuan woke up.

Her eyes were like a stream of light in the night, and with her fair face, she was very beautiful.

Ye mu Bai was a director and had a very good sense of beauty. He had always known that Wen Yuan was beautiful, but he was not so beautiful. However, she did not look like that to him at all.

In the dim light, she was like a Pearl, giving off a gentle light.

it was very beautiful.

ye mu bai had wanted to leave, but he stayed.

Wen Yuan just looked at him, his eyes a little straight.

they were both studying each other's expressions, as if they could find something in those subtle changes.

After a long time, he bent his knees and knelt beside her, starting to kiss her.

At first, Wen Yuan did not react and allowed him to kiss her. He kissed her with his wet and Hot Lips.

After some time, when he was trying to think of something, her hand hit the phone on the bedside table.

wen yuan woke up instantly.

she opened her eyes and looked at the man on top of her in horror. she pushed him away instinctively.

Then, she clutched her collar and said softly, "I don't want to do it."

he was thrown to the side and then stared at her, saying unhappily, "but i want to!"

Chapter 3770: You're jealous, right?(1)

as he spoke, he pulled her under him, covered her lips, and burned her with his.

After the incident, Wen Yuan turned around and was still panting.

ye mu bai did not leave immediately. instead, he leaned against the head of the bed. he wanted to smoke, but he gave up on it.

He lowered his head and looked at her, his voice low. what's wrong now? don't tell me you don't like me treating you like this. you clearly had feelings for me just now."

when a woman and a man did it, men could actually feel whether there was any feeling and whether they were unwilling.

She might be conflicted, but when he wanted her, her body didn't express it that way.

...

After he asked, she was still lying on her stomach, unwilling to talk to him.

"Lin Danni?" Hmph! ye mu Bai snorted softly. there's nothing going on between us. I also like to mess around outside.

Wen Yuan's face was buried in the pillow as he listened to his words. She suddenly asked him softly, "Lin Danni, Lin Xueyi, and ran ran all look like Lin sisi, don't they? Both of them have the surname Lin. Ye mu Bai, why don't you marry someone with the surname Lin?"

She touched the pillow with her fingers and said in a faint voice, " we can get a divorce. Really.

"You care about her existence?" ye mu bai reached out and held her chin, forcing her to turn her head to look at him. his expression and strength were somewhat barbaric. he said in a low voice, " wen yuan, you were the one who said that you don't want feelings. you said that you don't like me anymore. since that's the case, why do you care so much about what i have with someone else? hmm?"

She wanted to avoid him, but he wouldn't allow it. He held her face like this as if he wanted to look into the depths of her soul.

after a long time, wen yuan said in a hoarse voice, " " you're right, ye mubai. i don't need to care about you, but i have the right to reject your advances. if it's for the sake of having a child, i'll cooperate. if it's not, i have the right to reject you, don't i? "

After she finished speaking, he stared into her eyes and said very slowly, " "As you wish."

he didn't say anything more and got out of bed.

When he walked to the door, he let out a breath. The inexplicable temptation he felt just now must have been fake. It was better not to do it.

in the past, wen yuan was too calculative and was bent on climbing into his bed. in his eyes, he was no different from other women. the only difference was that he had slept with her, his future sister-in-law. now, she did not want to sleep with him. he still hated her, and he hated her even more.

ye mu bai walked back to his bedroom. he stood in front of the french window and smoked for a long time. he only lay down when it was almost dawn. however, his sharp senses picked up the sound of wen yuan waking up.

He frowned,"it's only a few hours, why is she in such a hurry to get up?" Could she just let the maids do some things?

but he didn't get up in the end, and he didn't have any intention of talking to her.

A Cold War was probably like this!

in the next few days, they spoke very little, almost like strangers in the same room.

and on the day of an international film festival, there was a complete explosion.

ye mu bai was walking the red carpet with the film crew. lin dannu was wearing a white dress and holding onto ye mu bai, who was dressed in a formal suit. she had silently announced to the world that this was her man, and they even had their fingers intertwined.

ye mu bai could have rejected her, but he didn't. he didn't know if he was testing her reaction on purpose, so he let the whole world and her see it.

later on, the lipstick mark that lin dannu had left on his shirt collar still made him a little stunned. he turned his head to look at it.
