Chapter 3771: you're jealous, right? 2

Lin Danni's smile was refreshing and charming. are you afraid? ”

Ye mu Bai lowered his head and looked at the collar of his shirt. Then, he looked at her and smiled. He did not say anything. He wondered how Wen Yuan would react if he saw this.

he was looking forward to it, so he went home late at night after the red carpet and cocktail party.

both wen yuan and xiangnan were asleep. he only went to see xiangnan before he went to wen yuan's bedroom.

She slept in the dark room. Just like in the past, the entire apartment was dark. She told him with her voice that she would not wait for him to come home.

how could he not feel it when she was deliberately cold to him?

...

He stood at the door of her bedroom and watched quietly for a while, but he did not go in.

he was a little tired today, and he didn't want to be ignored again.

ye mu bai went straight to the bathroom and threw the shirt into the laundry basket. they had been living together for a while and wen yuan had been the one washing the clothes. she did not go to work, and she did not like letting the servants touch her clothes.

moreover, the servants were not staying with them. they were staying in the house opposite them temporarily. this was wen yuan's idea. ye mubai thought that wen yuan had given her the power because he did not want others to pry into their relationship. in other words, she had not adapted to being his wife. or rather, she was not willing to be his wife.

he snorted coldly in his heart. she might be willing to be ye mulin's wife. she was quite happy being his wife, and it would be a happy breakup.

the more he thought about it, the more dissatisfied he became. he took off his shirt and put it in the laundry basket. then, his gaze paused as he looked at the lipstick stain on his white shirt. after a while, he looked away and snorted coldly before going to take a shower.

while he was taking a shower, he was obviously absent-minded as he silently thought about what she would think when she saw his shirt.

With this thought in mind, she took a shower for about ten minutes and wiped her body with a bath towel.

After she came out, she wrapped a bath towel around her waist and dried her hair with one hand as she walked back to her bedroom.

She lay down, but she couldn't fall asleep.

he was always trying to guess what she was thinking.

In the end, he simply took a pillow to cover his eyes, not thinking or looking, and eventually fell asleep.

he had something to do and had left xuxu early in the morning. however, he would be back at night because he wanted to see wen yuan's reaction.

early in the morning, when wen yuan woke up, it was already past seven o'clock.

the house was quiet, and xiang nan was not awake. if he was awake, he would definitely run into her bedroom to sleep with her.

Wen Yuan changed into his home clothes and went to see xiangnan, who was still sleeping soundly.

Wen Yuan's heart felt warm. He lowered his head and kissed his son. Then, he stood up and walked towards the bathroom.

when she passed by ye mu bai's bedroom, the door was open. she thought for a moment and still stuck her head out to take a look.

He was not there.

she thought to herself, perhaps he didn't return, or perhaps ran ran was with lin dann.

As she thought about this, her emotions were a little turbulent and she felt a little uncomfortable. However, she tried her best to adjust to this discomfort and did not want to let this mood affect her.

however, in the end, she was still disgusted ...

after washing her face and tidying up the clothes in the laundry basket, she saw that his shirt was inside. she thought that he had returned home, but the red lip print on the collar of his shirt stung her eyes.

He must have done it on purpose to let her see. Wen Yuan knew too well that a man of his status only needed to book a room and a phone call would be able to send a brand new shirt over. Many successful men would do this.

Chapter 3772: You're jealous, aren't you?

But he didn't. Instead, he went home with a lip print.

Whether it was because she didn't care or because she was deliberately trying to pry, no matter which one it was, she admitted that she was disgusted.

was he hoping for her to argue with him, or was he tacitly agreeing to his relationship with lin dann?

He said that he had nothing that night. Was this how he felt about having nothing?

Wen Yuan looked at the shirt in his hand. After a while, she threw the shirt into the trash can. Her face was a little numb.

After that, she went to do other things as if nothing had happened.

...

however, she felt very cold. this marriage was so cold, just like the coming winter.

That night, ye mu Bai returned home very late as usual. The first thing he did was to go to the laundry room. He also saw the shirt that she had thrown in the trash. He thought that she always cared about it and always felt uncomfortable.

He waited for her to ask.

however, he still did not get a response from her the next day. they had breakfast together, and she was mild and gentle.

of course, the indifference was directed at him, and the gentleness was directed at xiang nan.

ye mu bai's thin lips were slightly pursed. he was holding a newspaper in his hand, and it just so happened that the scandal between him and lin dannu was written on it.

He didn't want Xiang Nan to see him, so he closed the newspaper and said to Xiang Nan, "Daddy is going out. Be good at home and listen to mommy, okay?"

Xiang Nan was very obedient and nodded hard.

At this time, ye mu Bai looked at Wen Yuan calmly and naturally. Wen Yuan's head was lowered, so he could not see her expression. He reached out and placed his hands on the table."i'm leaving."

she looked up and agreed.

There would be no future.

Ye mu Bai left with a feeling that they had parted on bad terms.

he wasn't a fool. he could feel that she was deliberately cold to him. after that, he thought about the meaning of their marriage the whole day, and for the first time, he felt that he might have been wrong.

He and Wen Yuan were really not suitable for marriage.

Her personality, her past, and even the marriage she had with his brother.

he thought about all sorts of things and couldn't help but feel a little heavy-hearted when he returned home at night. after taking a shower, he went directly to her bedroom.

After a pause at the door, he walked straight to the bed and sat down, reaching out to stroke her cheek. "Wen Yuan, let's have a talk!"

She slowly opened her eyes. Her gaze was clear, and he knew that she was not asleep.

Perhaps she hadn't slept at all when he came back these past few days. She had just pretended to be asleep because she didn't want to see him.

he suddenly felt a little angry and felt that she was a little detestable.

he lowered his head to kiss her.

wen yuan's reaction was unusually intense. he pushed him away.

Her chest heaved up and down violently as she turned her face away, but her voice was unusually indifferent. "i don't want to do it."

"is it because of that shirt?" "Wen Yuan, if you care, you can just say it," he frowned.

She turned around and looked at him in the dim light. After a long time, she softly said, "Oh, really? Does it make a difference whether I care or not? if you don't want me to know that you won't come back wearing it, what do you want me to say? Ye mu Bai, you were the one who said that we could respect each other like guests. What are you not satisfied with now? Or are you demanding something from me? But have you ever thought about giving before you take?"

she paused for a moment and smiled coldly."Or are you trying to say that if I care about you, I won't be so ambiguous with Lin Danni? can you bear to part with that face that looks so much like Lin sisi? or do you actually regret this marriage? You can get a divorce anytime you want. You don't have to use such a disgusting method to test me. "

Chapter 3773: you're jealous, right?

"there's more," She tried her best to calm herself down. a man who has an affair is like money stained with sh * t. It's disgusting to pick it up.

She looked at him calmly and got out of bed. if you want to sleep here, I'll sleep in the guest room.

She walked straight out of the room so quickly that he could not catch her in time. By the time he wanted to look for her, Wen Yuan had already entered the guest room and locked the door.

ye mu bai knocked on the door and said,"wen yuan, qianqian."

"Come out, let's have a talk." He tried to reason with her, but no woman would be willing to reason with a man with a woman's lipstick mark on his body.

Wen Yuan ignored him, but after a while, he heard soft sobs outside.

...

She cried.

ye mu bai was listening from outside, and he had an indescribable feeling in his heart.

He had started to doubt their marriage and felt that they were not suitable for each other, but he felt annoyed when she cried.

She didn't want to talk about it, and he was tired after a busy day. This matter was delayed, and no one mentioned it again.

however, this incident was like a hidden thread that caused their marriage to be in danger.

Wen Yuan never mentioned it again. Neither did he. Lin Danni was still living in their world. Or rather, she was living in ye mu Bai's world. Only when Wen Yuan did not ask about it did ye mu Bai believe that she really had no love for him.

there were no more basic feelings.

they only treated him as a fertility machine!

he was a little angry and kept his distance from her. they had almost no communication with each other except for xiang nan, but the atmosphere at home was still gentle. the deliberate gentleness could only be felt by the two adults, and xiang nan was too young to understand.

her period had arrived. when she was pregnant, ye mu bai appeared in her bedroom.

It had been more than ten days since he last did it.

She lay there quietly and let him do whatever he wanted, but she didn't make a sound or give him a reaction. She clenched her fists and bit them, enduring the teasing.

he hadn't been with her for a few days and was a little rough. she wondered if feelings were not important to men and only needed to have a look.

Because of her resistance, she couldn't get into it. She was obviously just playing along and using him as a fertility tool.

ye mu bai became fierce and ignored her feelings. wen yuan could not take it anymore and put his hand on his shoulder. ye mu bai whispered into her ear, " "You don't want children anymore, huh? to you, am i not your tool for reproduction?"

He didn't let her go, and she finally burst into tears. Her voice was intermittent."just once, yingluo."

his thin lips moved to her ear and his voice was hoarse."If I don't do it more, how can I get you pregnant? don't you just want to get pregnant?"

Wen Yuan's eyes were dazed. Then, she stopped resisting and let him do what he wanted.

After that, she fainted and fell asleep, Huahua.

ye mu bai stared into her eyes and hastily ended the conversation.

The days were still very light. He returned to the United States for two days in between and rushed back to do it with her. He almost did not miss the six or seven days of her pregnancy.

However, Wen Yuan still did not get pregnant.

Next month, her period would be on time again.

wen yuan looked at the dark red color and was a little lost in thought and a little disappointed.

She was not pregnant again.

she remembered that it was the only time she and ye mu bai did not use any protection, and she got pregnant overnight.

In the past two months, she had been pregnant countless times. Why was she not pregnant?

just as she was lost in her thoughts, the bathroom door opened unexpectedly, and ye mu bai appeared at the door.

He also saw it, and his eyes were a little deep. Then, he slowly closed the door, and his tall and slender body leaned against the door of the bathroom.

“can you go out?” wen yuan lowered his eyes.

“Let’s talk.” ye mu bai looked at her quietly and lit a cigarette in front of her.

Wen Yuan pursed his lips. wait for me outside. We’ll talk in the study room later.

“It’s here,” “It won’t take long,” he said somewhat forcefully.

Wen Yuan lowered his eyes. go ahead.

“Your period is over. Let’s go to the hospital for a check-up. Wen Yuan, I don’t want my son to get a transplant. do you understand what i mean? now is not the time to be willful.” His tone was slightly stern.

Wen Yuan blinked and smiled. willful? ”

what right did she have to be willful? He said he wanted to have a child, and he was being intimate with another woman, but she endured it, Yingluo.

is this called being willful?

She didn’t know what Lin Danni’s behavior was called after she found out that the man had a wife.

perhaps, he had two goals in his heart, which was why he was different.

wen yuan’s heart felt a little cold, but he said with an extremely indifferent expression,””alright, i’ll cooperate.”

“Can you go out now? I remember now, you won’t want to watch.” She said lightly.

Of course, ye mu Bai wouldn't just stand there and watch. He leaned forward, got up, and opened the door to leave.

wen yuan, on the other hand, was in a daze and only got up after a long time. the loss of blood had made her a little dizzy.

She tried her best to hold it in, but she still fainted in the bathroom. With a loud bang, ye Mubai frowned and immediately pulled the door open to take a look.

Chapter 3774: you're jealous, right?

the moment he opened the door, he saw wen yuan unconscious in the bathroom.

Ye mu Bai immediately went forward to carry Wen Yuan and walked out of the room. Then, he thought of Xiang Nan.

in the living room, he placed wen yuan on the sofa, then went to the next room to call the servant over to take care of xiang nan. he then carried wen yuan downstairs and put him in the car.

When she fainted, he thought that other than physical discomfort, it was more of a mental pressure.

he frowned. was he giving her a lot of pressure?

Ye mu Bai started the car, and his eyes seemed cold in the night.

...

there was still a traffic jam on the way, but when they were about to reach the hospital, he simply opened the door and got out of the car, carrying her to the hospital in front.

After ten minutes of running, he sent her to the emergency room.

The receptionist was an experienced gynecologist. After the examination, she looked at ye mu Bai."Does she have any other symptoms?"

“i don’t think so.” ye mu bai hesitated.

“should be?” the female doctor in the ob/gyn department had always been the most difficult to deal with. she looked at him with a surprised expression.

you’re husband and wife, right? ” he asked. how come you don’t know about this basic thing? ”

Ye mu Bai’s expression was a little unnatural.

The doctor looked at him a few more times, then lowered his head and wrote, ” you went into shock during your period. If there’s nothing serious, just go back and rest more. Oh, also, don’t be too stressed or your period won’t be very comfortable. As a husband, you should be considerate of your wife.

ye mu bai stretched out his hand to take it. he was about to leave, but he stopped and coughed. I’d like to ask Yingluo. We want a child, but she hasn’t gotten pregnant for two months. Maybe she’s feeling a little stressed.

The female doctor looked at him in disbelief. ” it’s already too stressful to not get pregnant in two months. if you let others not get pregnant in two years, are they still going to live? ”

“we have to get pregnant next month.” ye mu bai paused for a moment.

He calmly explained Xiang Nan’s illness, and the female doctor’s expression changed. She thought for a moment before saying, ” “Pay attention to the frequency. It’s not easy to get pregnant if you have sex too often.”

she wrote a list and said, ” take this chinese medicine back and boil it for her. although it’s not all-effective, it can still increase the chances of getting pregnant a little, if both of you have no problems with it. ”

ye mu bai took the prescription and went to the pharmacy to prepare some medicine. when he went to the emergency room, wen yuan was already awake.

She sat on the small bed in the emergency room. Her face was still a little pale, but it was much better than before.

” what’s wrong with me? ” she asked in a hoarse voice when she saw ye mu bai entering.

he walked to her side with the medicine bag and reached out to touch her head. he seemed to want to stroke her hair, but after a long time, he hesitated.

in the end, he lowered his hand and said in a faint voice, ” “you fainted and went into shock, but it’s not a big deal. you’ll be fine after a day or two of rest.”

Wen Yuan nodded and then she thought of Xiang Nan. “Do you want to be home alone?”

“I’ve called Auntie over to take care of him.” ye mu bai muttered.

Oh, ” Wen Yuan replied and sat up. Although she was still a little dizzy, she still wanted to go home immediately.

ye mu bai looked at how she was pretending to be fine and stuffed the bag into her arms. ” “I’ll carry you.”

Wen Yuan bit his lip and shook his head. He still refused, ” “I can walk,”

Chapter 3775: You’re jealous, aren’t you? Part 4

However, he had already picked her up and was walking straight to the door. He remembered something after he stepped out of the door. He picked up his cell phone and called his assistant to get him to deal with the car he had parked on the road. He took a taxi and took Wen Yuan home.

of course, the car was not as comfortable as his car. wen yuan was weak and could only lean on his shoulder. his shoulders were wide and suitable for asian women to lean on.

wen yuan's face was resting on his shoulder. from where she was, she could see the side of his face and his sexy adam's apple.

she just pursed her lips and watched silently.

Once upon a time, this was a distant dream, but now, it was within her reach, but it was even further away from her.

She lowered her eyes and didn't want to look. Sometimes, looking too much would make her sad.

...

Although they were married, they were still strangers to each other.

He held her shoulder and kept looking in front.

then, his phone rang. in such a quiet space, it was particularly abrupt.

Ye mu Bai's arm was still around her as he looked at his phone. It was a call from Lin Danni.

He paused for a moment and wanted to hang up, but Wen Yuan said faintly, "you should answer the phone!"

after saying that, she broke free from his embrace and leaned on the other side. then, she looked out of the car.

ye mu bai glanced at her and ended the call.

but after that, the car fell into dead silence. the driver in front laughed. "young lady, you can't be so generous. men these days are all fickle, especially your husband, who is so handsome. there's nothing wrong with keeping a close eye on him. how can you push him to someone else? you can't do this. you must be an outsider. the women in city H all have a way to deal with their husbands. you have to learn from them. "

wen yuan bit his phone and forced a smile. ye mu bai looked at her but did not say anything.

when they arrived at the apartment, she did not find out about lin danni. ye mu bai carried her to the bedroom, and she wanted to get up.

he reached out to pull her and said in an unhappy tone, ” “how much longer are you going to be willful? i’ll go brew the medicine.”

her expression was a little subtle, and she paused for a moment before saying, ” “I just want to go to the bathroom to change. It’s been too much for the first two days.”

Only then did he understand. He stared at her for a long time, his eyes somewhat eager.

wen yuan suspected that he was a pervert. previously, he had been loitering around her in the bathroom. now that she said that she wanted to change to him, he had such a look in his eyes. did he like to see red pixies or did he like to lose his virginity?

Her mind was filled with all sorts of thoughts. She slowly got out of bed and walked to the bathroom. When she came out, her face was a little pale because she had lost too much blood.

when she opened the door, she saw ye mu bai standing at the door. he had one hand in his pocket and said calmly, ” “I’ve asked the helper to make you some tonic. I’ll get her to bring it to you later.”

wen yuan did not say anything. he just slowly returned to his bedroom. he wanted to follow her, but he soon saw xiang nan. he frowned and brought the little guy to the living room outside to play.

ye mu bai squatted down, and his voice was a little hoarse. ” “Let mommy rest, okay?”

xiang nan looked at him thoughtfully. ” what happened to mom? ”

Ye mu Bai stretched out his hand and rubbed Xiang Nan’s little head. He softly said, ” “Mom is just tired. Let her rest for a while, okay?”

just as he was about to leave and return lin dann's call, he reached out to pull his hand and said softly, "daddy."

Chapter 3776: she heard his phone call (1)

he turned his head and looked to the south.

Xiang Nan's little face had a faint blush. Perhaps it was because he was shy, but he asked him in a low voice, "Daddy, will you be with another Auntie?"

Ye mu Bai's expression froze for a moment. Then, he turned to look in the direction of Wen Yuan's bedroom and muttered, "Did mom tell you that?"

xiang nan shook his head. "no, i saw it on tv."

ye mu bai sighed in his heart. he leaned over and pressed his forehead against xiang nan's. he said in a hoarse voice, "i won't. daddy won't leave xiangnan."

Xiangnan was so close to him. Such a young child was not easy to deceive.

...

After a long time, after being so warm for a long time, Xiang Nan struggled a little and said softly but firmly, daddy, if you get together with another Auntie one day, I want to be with mommy, and so does the baby in mommy's womb.

ye mu bai was a little surprised. he just looked at xiang nan and did not say anything for a long time.

he wanted xiang nan to speak again, but the little guy was no longer willing to say anything.

ye mu bai patted his head and then went to the study.

he was smoking in the study, his phone in his hand. he had wanted to call lin dann, but he hesitated.

He and Lin Dann were just like that on the surface. She was just like the countless women who admired him, just like Wen Yuan back then. The only difference was that he had only slept with Wen Yuan.

Of course, Wen Yuan was not his only woman. However, he had never touched Lin Dann.

he did not push lin dann out of his life. just as wen yuan had said, lin dann's personality was very similar to lin sisi's. they looked like qianqian too.

He slowly blew out a ring of smoke, and finally dialed Lin Dann's number.

she had drunk too much and seemed to be crying. she kept talking and crying that he would not accompany her.

Ye mu Bai listened quietly. He was not sick of Lin Dann. When a man could not get the woman he had been longing for, his substitute would become cute. Moreover, he did not need to be so careful with her.

This was probably a bad habit of many men!

"dani, it's time for you to grow up," ye mu bai finally spoke after a long time.

in fact, he knew that she had looked for wen yuan and that she had done all sorts of things on purpose. however, he had indulged her. other than testing wen yuan, he had also indulged lin dann a little.

otherwise, how could a girl be so arrogant? lin dann wasn't a fool, and she was well aware of this.

That's why their intimacy had developed to the state it was today.

however, she was not satisfied. she wanted him. she wanted his everything.

she drank a little too much, and even her words were mumbling, ” ” mubai, i miss you so much. can you come over and accompany me? ”

“don’t drink too much.” ye mu bai lowered his eyes.

With that, he hung up the phone.

He wasn’t going to let a young girl control him. He treated her as Lin sisi’s substitute and pampered her a little, but not to that extent.

After hanging up, he smoked a few more cigarettes and walked out.

it happened to be mealtime. when he walked out, he saw that he was sitting upright.

ye mu bai went over and sat down. he looked at xiang nan and said, ”Where’s mom?”

xiang nan lowered her head and said in a low voice, ”Mommy is still sleeping. She said she doesn’t want to eat.”

ye mu bai looked up and asked the auntie at home, ” did madam eat the tonic we brought over just now? ”

The helper also felt a little f * cked up. After all, Madam used to be young master Mulin’s wife, and now she was young master Mubai’s wife. It was a mess, a mess.

Chapter 3777: she heard his phone call 2

however, the auntie still answered seriously, ” it’s like this. Madam seemed to want to talk to second young master after she finished eating. When she went to the study room, she saw second young master on the phone, so she didn’t disturb him. Then, she went to sleep and said that she wouldn’t eat.

Ye mu Bai's expression immediately changed. "She went to the study?"

yes, " the helper nodded. Madam stood at the door for a while before leaving.

At this moment, the Auntie felt a little uneasy and said in a small voice, " "Sir, did Madam and Yueyue hear something?"

ye mu bai glanced at her, and she immediately understood that she had overstepped her boundaries. she did not dare to say anything.

ye mu bai took care of xiang nan and ate with him for a while. however, even xiang nan could sense that he was distracted. he played with the building blocks and said softly, " "dad, you can go if you want to see mom. i can do it alone."

...

"How did you know?" ye mu Bai coughed lightly.

"because you checked the time five times just now." xiang nan said.

Ye mu Bai recalled what he had said earlier. He thought that this child was actually very similar to him.

He was not too sloppy. At present, Xiang Nan was reflected in him, while he was reflected in Wen Yuan.

He had an indescribable feeling in his heart, but he still got up and patted his son's head. I'm going to see mommy.

Ye mu Bai had originally thought that Xiang Nan did not care much about whether their family was complete or not. However, when he was about to leave, the little person called out to him, " daddy.

He looked at the small, soft little person. hmm? "

Xiang Nan's little face had a touch of shyness, and her voice was also very soft."dad, i want you and mom to be together."

Ye mu Bai looked at Xiang Nan and suddenly felt that he had been a little cruel to this child.

On one hand, he wanted to maintain his marriage with Wen Yuan. On the other hand, he did not completely reject Lin Danni. He had actually made the mistake that many men in the world would make. Other than not having sex with her, he had done many other things.

of course, it wasn't like he didn't have women flirting with him when he was in United States.

Ye mu Bai's emotions were a little complicated. He needed to think about it.

he went to wen yuan's bedroom. wen yuan was lying on his side, his body rising and falling slightly. knowing that she was not asleep, he walked over gently and sat on the edge of the bed behind her. he paused for a moment and reached out to touch her back. " get up and eat before you sleep. "

She didn't say anything, so he patted her again. "wen yuan, i know you're awake. let's have a talk."

"Talk about what?" she asked. lin danni?"

She sounded a little tired. I won't stop you. I don't care if you want to have sex with her during our marriage or divorce her and give her a title. Just don't let xiangnan come into contact with these things too early, okay? " Ye mu Bai, I beg you to be a father with warmth."

Ye mu Bai's voice was slightly angry. "in your eyes, i'm such a man, right?"

wen yuan did not respond. she just sat up slowly. her face was pale. she reached out and pulled the blanket over herself as if it would give her a sense of security.

after a long time, she looked up at him, her lips moving. " isn't that what you did? "

he narrowed his eyes dangerously,”wen yuan!” Nothing has ever happened between me and Lin Danni!”

when he said that, it was true that they had never had sex. perhaps they had kissed passionately a few times and almost had sex, but in the end, he stopped because he didn’t want to be too much of a scumbag after marriage.

Chapter 3778: She heard his phone call 3

If he ever wanted to be with Lin Danni one day, he would cut off all ties with Wen Yuan.

However, he did not expect that just as he told Wen Yuan that it was nothing, Lin Danni was drunk. Because he had hung up the phone and turned off his phone, her thoughts ran wild. She was not willing to give up and released a video clip to the media. It was a video of her and ye mu Bai kissing passionately in the elevator ...

Ye mu Bai’s phone rang as he was speaking. It was his assistant, and he sounded very anxious. director ye, the situation is very tricky now. I’ll send you the things that miss Lin Danni released!

Ye mu Bai furrowed his brows and immediately walked out. He stood in the corridor and lowered his head to receive the message.

It was not edited. It had really existed. He knew it clearly.

After watching quietly for a while, he left and called his assistant. no matter how much it costs, settle it.

...

He did not want Wen Yuan to see it.

The assistant hesitated for a moment before asking, ” “are you sure, director ye?”

“i’m sure,” his voice was faint. ” go and do it! ”

After saying that, he wanted to walk back to the bedroom, but Wen Yuan was standing at the door, his eyes calm.

however, there was clearly disillusionment in it.

She looked at him calmly. After a long time, she gave a faint smile and stepped back.

he closed the door.

ye mu bai looked at her, his gaze slightly tense.

He knew that she had seen it. Her eyes were full of mockery, saying that he had said nothing one second ago, and in the next second, such a thing had happened.

just like the lipstick stain incident that night, wen yuan had dealt with it coldly. she did not kick up a big fuss with him. she just wanted to ignore him.

he opened the door and went in. she didn’t lock the door, probably because she didn’t want to affect xiangnan’s thoughts if they were too stiff.

he walked in quietly and stood by the bed. he thought for a moment before saying, ” “i only kissed her, nothing else.”

Wen Yuan lay down with his back facing him. After a long time, he asked, ” “are you trying to explain or are you trying to make a promise? you just need to protect xiangnan. he’s too young and his heart is too fragile. i don’t want him to know about this. yingluo, you can do whatever you want with other things.”

The look in his eyes became dangerous, and his voice was tense.”Then you don’t care anymore, do you?”

wen yuan laughed in a low voice. his laughter was bitter and self-deprecating. ” is there any use for me to care? ye mu bai, have you never thought of divorcing me and getting together with lin dannu in the end? ”

She slowly sat up and looked at him under the crystal Light. “Are you sure you didn’t?”

ye mu bai could not deny it.

the atmosphere was tense.

She smiled lightly again. ye mu Bai, really, you don’t have to take it to heart. This isn’t considered a betrayal to me.

He looked at her and realized that this woman’s heart was as still as water.

ye mu bai did not explain further. he did not tell her that after everything had happened, he had instinctively chosen to protect their marriage.

unfortunately, in wen yuan’s heart, their marriage had never existed. the little bit of feelings she had for him had disappeared completely when he returned home with lin dannu’s lipstick stain.

they were just strangers living in the same house. they only had a common son, and they only needed to have another son.

it was just like this.

“Yes, you’re actually quite right.” Ye mu Bai also smiled bitterly.

she looked up, and the brilliance on her face actually hurt his eyes.

Chapter 3779: She heard his phone call (4)

he left and returned to the study.

his phone rang again, this time it was Lin Danni.

Ye Mu Bai hesitated for a moment but still answered the call. After he picked up, the voice on the other end was weak. "Mubai, are you angry with me? Do you want to ignore me?"

He could tell that something was wrong, and his voice was tense. "Where are you?"

Lin Danni laughed softly in the hotel's bathroom. The water is very red. Mubai, my entire body feels relaxed now. I feel very comfortable and enjoying it.

Ye Mu Bai held his phone and walked out. He started the car as he spoke to her.

...

As he drove, he saw Wen Yuan on the balcony from the rearview mirror. Her hair was loose in the night and she was only wearing a thin nightgown. She stood there and looked at him, just like how she stood there and watched him and Lin Danni hug that night.

He clenched his fists tightly. For a moment, he wanted to stop and ignore Lin Danni's life. He wanted to go back and tell Wen Yuan that no matter how the marriage ended, there was nothing wrong with them continuing to live like this.

At least, they were quite harmonious when it came to sex.

In a sense, if he had not given Lin Danni that kind of hope, she would not have ended up in this state.

However, when he rushed to the hotel and opened the door, he was greeted with the scene of Lin Danni coming out of the shower in a sensual manner, as well as countless reporters ...

It was a news release that couldn't be suppressed.

“Are you surprised?” lin dannì wrapped her arms around his neck. the scent of rose essence on her body was very alluring, and most men would not be able to resist it.

Moreover, she was really a very beautiful girl with a good family background. Which man could resist her throwing herself into his arms like this?

however, the person she met was ye mu bai, the ye mu bai who was used to seeing women.

At this moment, in the face of such extreme temptation, he was instead reminded of Wen Yuan’s elegance as he stood on the balcony.

Instead, he regretted it.

he reached out to push lin dannì away, but she hugged him like an octopus, and she murmured, ” Mubai, didn’t you want to get rid of her? you can make her back off now and let her know that the one you love is me!

ye mu bai’s expression was a little unsightly. after a long time, he suddenly pushed lin dannì away and said in a very, very low voice, ” i don’t love you. i’m sorry! ”

He looked at her with a complicated expression and a little disappointed.

He still walked back determinedly. The reporters were desperately taking photos, taking photos of the love affairs of the former Best Actor and now director ye. The subject was still Lin Dannì. Previously, it was all based on hearsay, but today’s events were the real deal.

firstly, it was a passionate kiss, and secondly, it was the truth because director ye came over in the middle of the night.

however, it was obvious that they were not happy with lin dannì’s actions and had the intention of parting on bad terms.

At this moment, there was no way to do public relations.

ye mu bai left immediately. lin dannu laughed coldly before she spoke softly behind him, ” “ye mu bai, you’ve fallen in love with her, haven’t you?”

She raised her voice. are you crazy? that’s your ex-sister-in-law. Do you want to be with your own brother’s woman? ”

Ye mu Bai was stunned.

he clenched his fists. he had always thought that the willful wen yuan was the limit of his tolerance. however, there was a woman who had exceeded his imagination today. he even liked this girl very much at one point.

He liked her stubbornness and her looks, but she was very vicious right now.

Chapter 3780: she heard his phone call 5

He turned around and looked at Lin Dannu.

lin dannu’s face was filled with madness, completely different from the sweetness she had before.

a cold smile hung on her face. ” we can’t go back, right?! ”

“So you want to destroy it, right?” he said calmly.

she said yes. she laughed so hard that her body trembled. she did not care about the reporters ‘gazes and cameras. she did ballet in the aisle barefooted. she said that he used to love her ballet the most.

Ye mu Bai just watched calmly as she went crazy.

...

In the end, he still left. Before he left, he looked at the reporters. " my wife's name is wen yuan. whoever scribbles anything, i'll make his company disappear tomorrow. "

Wen Yuan looked at everyone in disdain and everyone fell silent. That was because she was chief ye's wife and also ye mu Bai's former sister-in-law. Lin Danni was actually telling the truth.

ye mu bai left immediately after he finished speaking.

lin danni pounced on him and hugged his waist from behind. she sobbed in a soft voice, " "Mubai, it's my fault. I drank too much. Can you forgive me?"

he pulled her out from behind and pressed his hands on her shoulders. after a long time, he said in a very light voice, " "Lin Danni, I won't see you alone in the future."

Perhaps there really was something going on between them, but he seemed to be unable to stand strong feelings, especially when he did not like women to pester him. In the past, Wen Yuan, and now, Lin Danni.

Ye mu Bai left without any hesitation, and Lin Danni stood in the corridor, her voice hoarse. "Ye mu Bai, I really love you!"

He didn't stay for a second and left immediately.

Ye mu Bai sat in the car and felt a little frustrated. He knew that no one would dare to write about Wen Yuan, but there were many ways to spread the news.

besides, the matter between him and lin danni was impossible to clear, but it was still not clean.

he smoked a few cigarettes before starting the car.

She had just returned to the apartment and had not even gotten out of the car when ye Mulin called.

he would give him a good scolding.

Ye mu Bai just listened lazily. They had a very good relationship as brothers. Of course, they wouldn't fall out because of this. However, there were some things that he still had to listen to ye Mulin because he had thick legs.

After hanging up the phone, he saw that he had been chased out for half an hour. He didn't care much, but when he was about to return to his apartment, his heart was still heavy.

He had never thought of being a loving couple with Wen Yuan. However, now that Lin Danni had made a scene and the whole world knew about it, as a husband, he still felt very sorry for Wen Yuan. After all, Wen Yuan was a very low-profile person and their previous identities were very special.

He got out of the car, closed the door, and went up the stairs.

It was late at night. He opened the door and it was dark everywhere.

Only Wen Yuan's bedroom was lit.

He stood at the door, his tall figure elongated under the light.

wen yuan sat on the bed and looked up at him.

He was also looking at her, but for a moment, neither of them knew what to say.

After a long time, he said in a hoarse voice, "it's completely over,"

"you think so?" "you probably don't know how crazy it can be to be infatuated with a person," wen yuan said, lowering his eyes.

ye mu bai continued to stand there and look at her quietly. after a long time, he lowered his voice and asked, "what about you, wen yuan? is your infatuation still there? "

"Probably not." She smiled and lowered her eyes.

In that instant, he saw the disillusionment in her eyes again.
