

## Thank you 3781

Chapter 3781: She heard his phone call 6

he stood there for a long time.

“let’s go and see xiangnan,” wen yuan said softly. the next few days would not be peaceful.

She didn’t feel aggrieved, but she felt that this was unfair to Xiang Nan.

ye mu bai looked at her for a long time before he left.

He went to see Xiang Nan. The little guy was sleeping soundly and looked carefree.

ye mu bai suddenly felt like a kind father. he thought that no matter what happened between him and wen yuan, he should treat this child well.

...

Moreover, after he and Wen Yuan got married, his interaction with Lin Danni was like a form of revenge against Wen Yuan.

In the end, Wen Yuan was not the one who was hurt, but he was.

because he realized that the person he cared about the most was himself.

ye mu bai closed his eyes and let out a long breath before he slowly walked out.

he didn’t sleep that night. he thought a lot.

later on, he understood some things.

Early in the morning, the incident from last night was like a butterfly effect, and everything exploded.

because of ye mulin's presence, lin dann's family did not dare to say anything, but lin dann herself was admitted to the hospital.

It was because of suicide.

Wrist-slit!

it was boiling.

wen yuan's apartment was surrounded and it was difficult for him to move. he could not even get out of the hospital.

ye mu bai made a decision to return to B city.

Wen Yuan was against it. She stood in front of the floor-to-ceiling window in the study and said in a low voice, "I don't want to go back to B city."

Ye mu Bai was a little annoyed. Otherwise, he would not have smoked in front of her.

"look at the reporters down there," he said in a faint voice. Do you think you can live a peaceful life here?"

"What about B city? do you think it's possible?" wen yuan turned around.

he looked at her and said in a low voice,"come with me to United States, wen yuan. no one will know you there."

what he didn't say was that he didn't want others to criticize and criticize her.

Also, he didn't want her to face his family.

Wen Yuan looked down and she did not say anything else.

Therefore, the matter of going to the United States was put on the agenda and he would leave in about a week.

Ye mu Bai had contacted a doctor in United States for Xiang Nan, and he had also sent the medical records over. After everything was prepared, he would leave city H and stay in city B for two days before leaving for America.

Wen Yuan also started to pack his luggage. She was a little hesitant when she was packing. She had thought that she would stay in city H for a long time and that she would not go to the United States with him.

However, they still had to go together. She did not ask about his and Lin Danni's relationship and the results, as it probably would not be good.

Wen Yuan was a little absent-minded and only continued to pack his things after a long time.

ye mu bai walked into the changing room and looked at her. "what are you thinking about?"

no, it's just that Yingluo feels like she's only been living here for a month or two. it was rare for her to talk to him for such a long time these days."I quite like city H."

"you don't like certain people and certain things, do you?" he asked, squatting down.

not really, " she smiled indifferently, "actually, regarding the matter with xiang nan, i have a favor to ask of you. i'm not that pretentious."

She wanted to continue tidying up, but he reached out and grabbed her. His voice was extremely hoarse. Wen Yuan, I admit that I was ridiculous for a while, after I lost my memory.

She pulled his hand away. what do you mean by all this? "

He frowned. what I mean is that we can be a normal couple, just like everyone else.

## Chapter 3782: She doesn't love him (1)

Wen Yuan smiled. I didn't say that you can't. I'm fine now.

" pretty good, " he mumbled. she must have had such low expectations because she didn't have any hope.

This time, the matter had blown up so much, but she didn't cry or make a fuss. She just let it develop. As she said, she was no longer infatuated.

ye mu bai did not say anything else. he went to the balcony to smoke for a long time. then, he went out to deal with some matters at night.

at eight o'clock in the evening, wen yuan took good care of xiang nan and was about to take a shower when her cell phone rang.

It was an unfamiliar number.

...

wen yuan looked at it quietly for a moment before he answered the call.

On the other side, it was Lin Danni. Lin Danni's arrogance was completely different from before. Her voice was very, very soft."Miss Wen, can we meet?"

wen yuan held his phone and said in a calm voice, " "Is there a need for us to meet?"

Lin Danni's voice was very urgent. I know you don't want to see me, but Mubai won't pick up my calls. He's not willing to see me. Can you let me see him? "

Wen Yuan's voice became even more indifferent. ye mu Bai is a human, not an object. I have no right to make the decision. Moreover, he is not at home.

lin dann's voice became even weaker. " then can we meet? i'm in the cafe outside your apartment.  
"

wen yuan was silent for a long time before she said, " "lin dann, why do you have to do this!"

In the end, she still went out. Because it was late at night, she put on a shawl and told the Auntie.

She walked out of the neighborhood and pushed open the door to the cafe. She quickly found Lin Dann.

Lin Dann sat there, her face Haggard, completely different from the fresh and tender look she had before.

wen yuan sat opposite her. she looked up and her eyes lost their light, just like wen yuan many years ago.

"Do you need anything to drink?" Lin Dann raised her hand, revealing a red scar on her wrist. It was left behind from the previous time she cut her wrist. The wound on her hand had healed, but the wound on her heart had not.

Wen Yuan watched quietly for a while before whispering, " "I'll have a glass of water! i don't drink coffee."

lin dann stared into her eyes and slowly asked, " "Is it because you're pregnant? wen yuan, are you trying to tie him up with the child?"

wen yuan really felt that lin dann was a little crazy. she held back her temper and tried her best to speak in a calm voice, " " actually, there are some things you can ask him. if he doesn't want to see you and doesn't want to tell you, it means that he doesn't want to spend the rest of his life with you, or he's feeling pressured. "

"We almost went to bed." " i know, " lin dann suddenly said. " because he's married. otherwise, he wouldn't have been so patient. "

Wen Yuan thought about it too. She had suddenly mentioned this. He shook his head and smiled.

“What are you laughing at?” Lin Danni’s voice became harsh, ” you can’t deny that he was with me before. He married you only because he missed you.

At this moment, the waiter served him some water. Wen Yuan took a sip and looked up. if a man loves you, he won’t let you suffer. Even if he wants a child, he will only choose a test tube!

“That’s because you’ve been pretending to be pitiful!” Lin Danni was furious.

“What about you? did you commit suicide to get him back?” Wen Yuan looked into Lin Danni’s eyes. do you think that acting pitiful will work on ye mu Bai? Lin Danni, you’re from such a good family background, don’t degrade yourself for a man. ”

Chapter 3783: she doesn’t love him in 1400 words

Wen Yuan’s voice was faint. you’re rich and beautiful. You don’t lack anything. While you haven’t had a real relationship with him yet, let yourself go completely. Otherwise, it’ll be too late to regret it.

Lin Danni was stunned, feeling that Wen Yuan was talking about herself. After a long time, she mumbled, ” “you don’t love him anymore? do you regret it?”

wen yuan did not speak, neither did he admit nor deny it. she just drank the water in the cup slowly.

“All passionate feelings will be worse than this glass of water if they don’t get a response,” she said softly. Lin Danni, I’m not seeing you because I’m afraid that you’ll snatch him away, but I’m telling you not to do anything stupid again, Yingluo. It’s not worth it. ”

She had also been very foolish once. She had also been exposed to the cold wind on the mountains of Yunnan for two days just to find that person.

She was pregnant and had experienced despair. She had waited for him in despair, but when he came back, whether he remembered it or not, he hated her. In his heart, she was a scheming woman.

...

wen yuan felt that there was no need to be so devoted to a man who had no self-esteem. it would be more relaxing and pleasant to live on his own.

After she finished speaking, she stood up and walked toward the door. Then, she saw ye mu Bai standing by the door.

His gaze fell on her face, deep and distant.

at this moment, there were only a few words in ye mu bai's mind. she did not love him.

No feelings, no regrets, that was what she had expressed to Lin Danni just now!

Ye mu Bai stared at Wen Yuan with an unfriendly gaze, but Wen Yuan was very gentle. you're back? Do you want to talk to her again?"

he continued to stare at her, his voice carrying a hint of mockery. "wen yuan, when did you become so generous?"

"i don't know, " she said gently, raising her head, "i'll go back first."

no need. he reached out to grab her and held her hand as they walked outside."let's go back together."

She was still speaking,"Lin Danni, sob sob"

"shut up!" he suddenly rebuked her angrily. then he stopped in his tracks, held her waist with one hand, and pressed the other hand behind her head, kissing her lips fiercely.

wen yuan was stunned. she did not expect him to kiss her here, and in front of lin danni at that.

She didn't want him to act like this as if he was using her. She reached out and punched his shoulder, her voice breaking. "Let me go Yingluo!"

however, all her sounds were swallowed by him, and he was holding her tightly, not allowing her to struggle at all.

Wen Yuan bit his lip helplessly. His technique was brilliant and he knew her body's weakness very well. Soon, she softened her body under his attack and staggered.

After the kiss, she raised her head to look at him and said with a slight anger in her voice, "ye mu bai, what are you doing?"

He stared at her face, which had turned red from the kiss, and couldn't help but reach out to touch her red lips. "Wen Yuan, you are my wife."

"you've probably forgotten that you're a married man when you're flirting with someone," she said with a sneer.

she pushed him away. "this is very boring, ye mu bai."

she paused for a moment. "i'm no longer the wen yuan i used to be. i won't be excited for half a day just because of a kiss and a few nice words from you. if you want to have this feeling, you can find someone else."

With that, she turned around and left. He stood behind her and said softly, "Wen Yuan, I know ran ran."

she didn't turn around, but stopped in her tracks. his voice was distant behind her. "you don't love me anymore."

wen yuan lowered his eyes and mumbled an "oh" in a muffled voice before leaving.

Ye mu Bai was stunned for a moment, and his heart ached slightly.

he was about to follow her when lin dannu walked over and hugged him from behind. " mubai, i've been looking for you for a long time. "

he pushed her away almost immediately and pressed his hands on her shoulders. " lin dannu, let's make things clear. you saw it, i have a wife. "

She anxiously tried to find a different attitude on his face, but his heart was as calm as water. The love he had for her in the past could not be seen.

she suddenly choked and said softly, " " i've heard from lin xueyi that you're looking at other women through me. i didn't believe it in the past, but now i do. that person isn't wen yuan. it's someone else, isn't it? "

ye mu bai did not deny it.

Lin Dannu laughed so hard that tears rolled down her face. She said softly, " I thought I had no one else to fight me except Wen Yuan. It turns out that I'm just a substitute.

she raised her head. " wen yuan is in a worse state than me. she was right. it's too late for her to regret it even if she were to give up her marriage. on the other hand, i'm still able to escape unscathed. i'm just a little better than her. ye mubai, it turns out that wen yuan is the most pitiful woman. "

Chapter 3784: she doesn't love him in 1200 words

ye mu bai's expression was unsightly. he ignored lin dannu and walked out.

at this point, he didn't hate lin dannu, but all the things he once liked had disappeared.

Deep down, he began to realize that the hatred and hatred he had for Wen Yuan in the past, those nights when they had sex without caring about anything else, and all the nasty words he had said to her, were not as simple as they seemed.

Was there really no love mixed in with that hate? those vague memories were all feelings that he was unwilling to admit.

Ye mu Bai stood at the elevator and smoked. He did not return to the apartment immediately. Instead, he thought about it seriously.

after thinking about it for a long time, he roughly understood his own mental journey.

...

A man only understood how to like someone after a few years. He only realized that caring about someone seemed like a ridiculous thing. However, he did not reject it this time. He thought that his feelings for Wen Yuan were not feelings that grew over time. It was not love at first sight either. He could not tell when it started.

When he finally understood, the man's mood when he returned home changed. He reached out and knocked on the door. In fact, he had the key but he knocked on the door on purpose to make Wen Yuan open the door for him.

he returned home half an hour later. it was almost nine o'clock and the auntie had already left. wen yuan had to open the door for him.

When Wen Yuan opened the door, his head was lowered. However, he still caught the redness in her eyes.

Ye mu Bai stood at the door and said in a soft voice, " "You cried?"

wen yuan shook his head. " no. "

He was still looking at her. After a long time, he took a step forward and reached out to hold her chin.

wen yuan was shocked. he looked a little panicked and she instinctively took a step back.

He didn't let her leave. He reached out and fixed her waist, pulling her forward. She fell into his arms immediately, looking a little embarrassed.

She rested her face on his shoulder and remembered that he wouldn't let her. She didn't dare to scream or struggle too hard for fear of waking xiangnan up.

ye mu bai hugged her with one hand and gently stroked her back with the other, as if he was helping her to breathe. his voice had a gentleness that belonged to the night, and it was very, very light."aren't you going to ask me why i'm back so late?"

she lay on his shoulder and did not make a sound.

He tightened his grip on her waist and said unhappily, "wen yuan!"

"What do you want me to say? Or do you want me to question you if you're with Lin Danni again?" "Ye mu Bai, I don't want to get involved in the matters between you and her," she deliberately said in a harsh tone.

"It's because you don't love me anymore, right?" He actually hit her on her P \* ss. Wen Yuan, is this how you're going to be? you don't care who I get together with or even sleep with her anymore. You just need to lie down and endure the disgust when we need to make love, right? "

wen yuan bit his lip and only spoke after a long time, "I didn't say that."

"but you did it." He said in a heavy tone and dissatisfaction.

she was forced to lie on his shoulder for a while. "ye mu bai, what else do you want me to do? i've done everything i can to play along with your act. we can only do this."

his body stiffened when he heard her words.

After a long time, he pressed down on her shoulder."Wen Yuan, time can wash away everything."

she didn't understand what he meant. he had already carried her into the bedroom and the next thing she had to bear was the craziest ye mu bai. he had never done this before. when she was pressed against the door by him, her body bobbed up and down, but her mind was exceptionally clear.

Why did he suddenly act like this?

Actually, he did not need to please her like this. Besides, the doctor had said that it would be easier for her to get pregnant if he did it three days after her period. If he did it only after her period ended, it would affect her pregnancy. Wen Yuan wanted to reject him but he did not let her go. He pestered her and forced her to do it a few times.

after they were done, wen yuan lay on his side. he had changed into his new pajamas and was sleeping in the warm blanket.

In the bathroom, ye mu Bai was taking a shower. She thought, 'he used to go back to his bedroom to shower, so why didn't he go back today?' she really wanted to sleep, but she forced herself to wait for him to leave. This had already become a habit of hers. With him here, she couldn't fall asleep, so she could only sleep.

Chapter 3785: She didn't love him (3)

He didn't know how long he had waited. It was about a minute, or maybe ten minutes, when he finally came back from the shower.

Seeing that she was still awake, ye mu Bai forced the water out of his hair and sat by the bed.

He reached out and held her hand. His voice was a little low because he had done it before. "You still want more, huh?"

Wen Yuan bit his lip and looked up at him. Then, he held her waist and carried her over. He carried her gently and she fell into his arms with a cry.

Wen yuanxuan fell down and instinctively reached out to hug his neck.

his body was a little cold, but after a while, it became exceptionally warm. her fingers couldn't help but shrink back because it was very hot.

...

"Hug me." "wen yuan, can we talk now?" he asked in a low voice.

She lowered her eyes. I'm a little tired.

"Lin Danni," however, he did not intend to let her go. his voice was hoarse. "it's already in the past."  
"

she looked up and stared straight into his eyes. after a long time, she said, "I know."

He furrowed his brows and expressed his dissatisfaction at her indifference. However, ye mu Bai was a cold person, especially when Wen Yuan asked him to say something particularly touching. He really could not do it for a while.

so, he just looked at her.

He did not say a word.

She was the same.

to her, these guarantees came too late. in their marriage, things that should have happened and things that shouldn't have happened had already happened. lin danni had even committed suicide, so one could imagine the state of their relationship.

if a man had never pampered a woman, if he had never promised her anything, she would not be so foolish as to commit suicide for him, especially for a woman like lin danni, who had such good conditions.

wen yuan only felt that it was a little ironic.

it was too late. her heart had already turned cold.

Ye mu Bai looked at her indifferent face. Initially, he was very eager in his heart, but at this moment, all his enthusiasm disappeared.

It seemed like he didn't have much to say.

"let's go to sleep," He said in a hoarse voice. Then, he naturally wanted to turn off the light and go to sleep.

wen yuan's hand grabbed his and she said in a slightly anxious voice, "Aren't you going to go back to your bedroom?"

He stopped moving. The light was still on. He looked at her beautiful face, her beautiful collarbones, and the hickeys he had left behind. After a long time, he finally said, "we'll sleep together in the future."

wen yuan's face was pale. "why?"

"We're husband and wife, isn't it normal to sleep together?" He said it matter-of-factly and had no intention of explaining to her. She was not interested in telling him about their mental journey, and he did not want to tell her either.

So be it. Anyway, he wanted to live with her now.

He hugged her as they lay down. Wen Yuan lay down, but she still could not come back to her senses.

she was placed in his arms and smelled his body scent. it was familiar yet strange.

she had done it with him many times, but they rarely slept together until dawn.

so she opened her eyes and stared at the night sky. her eyes were black and white, and he could see them when he lowered his head.

Ye mu Bai did not pay much attention to her and closed his eyes. After about half an hour, he opened his eyes and saw that her eyes were still open. He was a little angry.”wen yuan, if you don’t sleep now, i’ll pull you up and do it a few more times!”

She immediately closed her eyes.

Chapter 3786: she didn’t love him (4)

He didn’t know whether to comfort her or get angry.

she did not want to do it with him!

of course, he didn’t really want to do it with her. it wasn’t that he couldn’t, but they had to have a child this month, yingluo.

after that, they did not sleep well the entire night, especially when wen yuan rolled around in his arms. as soon as he let go of her, she would turn her back to him and sleep by herself. the next second, he would hook her back again. just like that, they did not sleep well the entire night.

The next morning, when Xiang Nan woke up, they were all tired. Moreover, the Auntie would not come anymore. Wen Yuan lifted the blanket and wanted to get up. Ye mu Bai covered her with the blanket and said in a calm voice, ” “I’ll go!”

wen yuan wanted to say something but he pressed her neck and his gaze fell on her slightly purple eyes. ” “Sleep a little longer.”

...

his voice was undeniable.

wen yuan could only close his eyes again.

Ye mu Bai stared at her. In fact, if they were married, he should give her a good morning kiss at this time. However, he could not kiss her when he looked at her face.

the emotions that he had lost control of last night had disappeared after they had done it a few times. he had returned to the calm and self-controlled ye mu bai.

however, there was indeed something missing in the marriage between these two calm people.

It was only later that ye mu Bai found out that he wanted her to love him, just like how she had loved him in the past.

He looked at her for a while, but still got up and left. When he walked to Xiang Nan's bedroom, the little guy had already sat up and covered his face with the blanket, only revealing his eyes. He looked very cute.

ye mu bai's heart softened. he went over and kissed his son. " time to wake up. "

He wanted to help xiangnan put on her clothes. Xiangnan's little face was red, and she reached out to hug him."dad, i want to go to the toilet."

ye mu bai was stunned for a moment before he laughed."you want to pee?"

Ye xiangnan's little face was red, but he didn't say anything.

ye mu bai carried him to the bathroom and placed the little boy on the toilet bowl. he then waited patiently at the side.

xiang nan was a little embarrassed. " dad, you can wait for me outside. "

ye mu bai left, but he still wrapped him up in a small blanket, afraid that he would catch a cold.

Xiang Nan's physique was different from ordinary people. He couldn't catch a cold or have a fever, otherwise it would be troublesome and not good for his illness.

the father didn't mind the smell and just waited at the side. in the end, he even helped his son wipe his P \* s. in fact, he wasn't a father who doted on his child, but he just wanted to dote on his son at this time.

thinking of nan being put on by him, she put her arms around his neck and suddenly asked, "daddy, are you living with mommy?"

ye mu bai was a little surprised by his son's question. his hand paused for a moment, but he continued to help his son put on his clothes. at the same time, he casually asked, "what's wrong?"

"because other people's parents all sleep together!" xiang nan said in a very small voice.

ye mu bai's hand paused for a moment before he smiled and said, "i thought you didn't know about this."

As he said that, he hit his P \* s.

xiang nan probably also felt that the adults doted on him, so he boldly continued, "then why are daddy and mommy sleeping together again?"

Ye mu Bai seemed to be in deep thought. After a while, he smiled and said,"maybe yingluo is slowly getting used to it!"

xiang nan nodded.

after that, he helped xiangnan put on her clothes. xiangnan kissed him and said,"i'm going to brush my teeth."

ye mu bai looked at the little fellow running away and smiled faintly.

he thought in his heart, how good would it be if he didn't want nan to get sick.

Chapter 3787: she didn't love him (5)

he watched quietly. he was going to make breakfast, but somehow, he returned to wen yuan's bedroom. when he wanted to change his clothes, he remembered that he did not live in his room and there were no clothes for him.

however, he saw that wen yuan was not asleep, so he sat by the bed and thought for a while before whispering, "Just now, Xiang Nan asked me if we slept together."

Wen Yuan was lying on the bed, his face a little rosier than a few days ago. She asked, "What did you say?"

ye mu bai looked at her face that was buried under the blanket, and his heart softened. he reached out and gently stroked her face. he was a little absent-minded, and after a while, he smiled."i said we need time, and we'll be sleeping together from now on."

wen yuan thought that this was what he really wanted to say to her!

She didn't feel anything and just closed her eyes."what time is the private plane in the afternoon?"

...

They had to go back to B city and stay for two days before leaving for United States. Everything had been arranged.

The only unexpected thing was that ye mu Bai's mental journey seemed to have changed before he went to United States.

she didn't know why he was like this, but if he wanted a gentle wife, she would act well.

as for other things, she couldn't give them, and she didn't want to give them. she didn't want to think about what he was thinking. there was nothing bad about being an ordinary couple.

To a certain extent, she had given him all the management of their marriage. Whatever he wanted their marriage to be, it would be.

after she asked, ye mu bai's gaze fell on his wife's face. they were both adults. it was not difficult to guess wen yuan's thoughts. of course, he could tell.

however, between husband and wife, between men and women, these things were meaningless if they were exposed.

Ye mu Bai smiled and said in a hoarse voice, " it's two in the afternoon. Take a nap and get something to eat. We'll leave after that.

wen yuan closed his eyes again and hummed in acknowledgment. at this time, she was really a little sleepy and also a little relaxed.

As she fell asleep, she subconsciously rubbed her face against the pillow, and a few strands of hair fell on her fair face.

as ye mu bai looked at her, he could not help but reach out and gently brush her face and hair away.

wen yuan had not fallen asleep yet. his face was a little itchy, so he buried himself in the pillow.

he looked at her for a long time before he smiled and went back to his bedroom. he changed into a black sweater and long pants. when he went out, xiangnan had also finished washing up. he sat upright on the chair in the dining room, waiting for food.

she looked very cute.

he looked a little like wen yuan.

Ye mu Bai patted his little head and went to the kitchen to make breakfast. He had always eaten Western food when he was abroad, but he thought that Nan's stomach was not very good, so he still prepared a Chinese breakfast. It was ready in half an hour and brought to the table.

xiang nan was drinking the fragrant pumpkin congee. she buried her little head, then looked up. " daddy, are we going to B city in the afternoon? "

” mm. ” ye mu bai reached out and ruffled his son’s hair. ” yes, and i’ll be going to United States in a few days. ”

Xiang Nan’s little face was a little confused. Ye mu Bai looked at his son.”Xiang Nan, are you afraid?”

“I’m not afraid,” the little fellow shook his head.

Then, he lowered his head and continued to eat his pumpkin congee. with daddy here, I’m not afraid of the South.

ye mu bai’s heart instantly warmed up. it was warm and soft.

he thought that he had made the right decision. wen yuan might not be the most important woman in his life, but no one could replace qianqian in ye xiangnan’s position.

Chapter 3788: she did not love him (6)

After that, he woke Wen Yuan up. Wen Yuan ate some food and started to take out the luggage that he had packed. There was not much, only two boxes. Ye Mubai did not take much with him and said that he could buy more things in the United States because Yueyue and the others would come back to stay here.

would he come back?

wen yuan did not know.

when he left, he first took his suitcase downstairs and put them in the trunk one by one.

Later, he came upstairs to pick her and Xiang Nan up because the downstairs was full of reporters. He didn’t know who had spread the news.

The reporters surrounded them and took pictures of them. Ye mu Bai was dressed in black and wore sunglasses the entire time. He carried Xiang Nan in one hand and Wen Yuan in the other.

...

Although the reporters were taking photos, they did not dare to get too close or point the camera in front of him. Ye mu Bai let them take photos and pressed Xiang Nan's face to prevent them from taking photos. Wen Yuan himself lowered his head.

ye mu bai placed the child in the car. just as wen yuan was about to get into the car, ye mu bai suddenly pulled him back.

Her face was exposed in front of the camera, and then he kissed her on the forehead.

Flashes of cameras were everywhere.

Their faces were clearly captured in the photo. Moreover, this could be considered a declaration. Wen Yuan's mind was in a mess as he sat in the car.

After ye mu Bai drove past the reporters, he glanced at Wen Yuan through the rearview mirror and asked calmly, "what's wrong?"

her face was a little red and hot. she shook her head."it's nothing!"

She covered her face with her hand.

Ye mu Bai smiled and did not say anything. He continued to drive.

They flew to B city at two O'clock in the afternoon, and they arrived at the place where he lived at about five or six O'clock. It was a house with a roof over its head, and it was located in a well-known wealthy District. Ye mu Bai stopped the car and opened the back seat.

"i fell asleep thinking about nan," wen yuan said softly.

His gaze fell on Xiang Nan's small face, then moved to Wen Yuan's face and stopped for a few seconds before he said in a low voice, " " i'll carry him up. you just take your bag. i'll get the luggage later. "

Oh, " Wen Yuan replied and did not fight with him.

she wasn't a woman who did rough work and lived a delicate life. although her husband didn't love her very much, she wouldn't be so self-deprecating that she felt that she needed to take care of these things.

she held onto the car door for him to carry xiangnan and followed him in.

there were two to three servants in the villa. when he was not around, they would take care of the villa. moreover, they were not familiar with ye mu bai and wen yuan's past. therefore, when they entered the villa, the servants would address them as sir and madam. there was no awkwardness on their faces.

Ye mu Bai carried Xiang Nan to the master bedroom upstairs and carefully placed him under the blanket. Then, he looked at Wen Yuan and said, " "sleep with him for a while. we'll have dinner in two hours."

wen yuan looked at him.

He paused for a moment. I have something to do. I'll have dinner with my family tomorrow. I'll leave for United States after a day's rest.

wen yuan listened quietly and did not say anything.

he looked at her and said in a hoarse voice, " i know you're not very willing. but wen yuan, we need to go abroad for a few years. when we come back, everything will be different. "

she did not say anything.

However, he knew very well that she didn't want to go abroad. She didn't even want to live with him.

But, he'd already decided to live with her, Yingluo.

He went out, and when he returned, it was already night.

wen yuan and xiang nan had already gone downstairs. they were lying in front of the window and looking outside.

It was because it was snowing.

Ye mu Bai walked toward them while taking off his coat.

Chapter 3789: if you have something to say, let's talk quietly 1

He went over and picked Xiang Nan up from behind. He placed her on his lap and sat with Wen Yuan. He looked outside."It's just that it's snowing. I can't pile it up."

She turned her head to the South, her eyes sparkling."Dad, what if the snow falls? Does that mean we don't have to go to United States?"

Ye mu Bai smiled and rested his chin on Xiang Nan's head, but his eyes were fixed on Wen Yuan. "you don't want to go to United States?"

Xiang Nan's voice was low. I went to the United States. I didn't know any children. I didn't even know Bai Anan.

"You like Anan?" ye mu bai's voice became gentler and gentler, just like the fine snow outside.

Ye xiangnan nodded hard."Yes, I like it very much."

...

ye mu bai smiled. ” she’s my younger sister. ”

Thinking about it, she turned her head and gave him a strange look.”I know! Dad, are you overthinking?”

ye mu bai qianqian

he then looked at wen yuan.

wen yuan did not say anything. he looked outside and then the corners of his mouth curled up slightly.

hence, ye mu bai moved closer to her and asked in a hoarse voice, ” are you laughing at me? ”

“No, I didn’t!” Wen Yuan pulled the shawl on his body and said in all seriousness.

ye mu bai was sitting next to her, and their son was sitting behind him. it was really inconvenient for them to talk, not to mention that little ye xiangnan was looking at them with his big eyes.

he sighed to himself,’a child at this age!

There were some things that were naturally not convenient to say, so he just smiled faintly. “he’s not like you.”

“then who do i look like?” Wen Yuan did not think that he was like ye mu Bai.

ye mu bai also thought for a while before he frowned. ” “why do i feel like he’s a bit like bai sulli?”

what the hell was this?

wen yuan also stopped talking and cursed.

they sat together and enjoyed the snow. ten minutes later, ye mu bai was the first to stand up.”Alright, let’s eat! I’ll see later.”

in fact, it was not unusual for it to snow in B city. however, for children, every time it snowed, it was a magical experience.

xiangnan was still reluctant to leave, and from time to time, she would make a “wow, wow, wow” sound.

ye mu bai looked at wen yuan, but the latter did not say anything.

he smiled and picked up xiang nan with one hand.

xiang nan felt a little strange and extremely happy. she squeaked like a little mouse in his arm.

wen yuan looked at her and sighed again. she did look a little like xue li.

The family had a meal together. The next day, they had a meal at the ye family’s main residence.

su fu also went, but hao yun didn’t go because she was considerate of her lover. although she was worried about ye zhenggang, he wouldn’t do anything out of line with so many children around.

ye mu bai drove into the ye family’s old house with xiang nan and wen yuan. ye mu lin’s car arrived at the same time, and bai sulli and bai an ‘an were in it.

Bai suili sat in the car, her eyes a little dazed.

Ye Mulin stopped the car and rubbed his chin with his long fingers. do you feel like you’ve gotten me back by coming here again? ”

Bai suili glanced at him and snorted. don’t give me that. You’re just an old piece of cured meat!

He laughed. didn’t old cured meat make you cry last night? ”

“ye mu lin!” “bai anan is still in the car,” bai xiuli said, infuriated.

ye mulin replied with an “oh” and opened the door of the back seat. Anan, I miss you. Get off the car and go find him.

bai anan got out of the car immediately. ye mulin closed the door immediately and said to his wife,  
” “Alright, Anan is not in the car.”

Chapter 3790: If you have something to say, let's talk quietly 2

“ye mu lin, you're shameless,” bai xue li was speechless.

In fact, he had been suppressing his evil fire since early in the morning. Last night, she did not know why she twisted her arms and legs. In the end, he did not bear to be rough with her and let her go. This morning, when she woke up and saw him in a sorry state, she even laughed for a long time.

ye mulin stretched out his hand and pulled her over from the back seat, placing her on his lap.

He was driving an RV, and there was a lot of space in the front, enough for her to sit.

bai suili was very uneasy. she sat on his lap and patted his shoulder.”you're crazy. people will see you.”

There was no need to mention that ye mu Bai's car was just parked there. Wen Yuan might come over.

...

in fact, she had worried too much. wen yuan had wanted to come over, but ye mu bai knew his brother very well. he must have had a bad taste in driving bai anan out of the car. he was so old, yet he was still so stubborn. only bai suli would be so easily controlled by him.

Hence, ye Mubai pulled Wen Yuan and the two children away as he was afraid that they would see something inappropriate for children.

Bai Sulli, who was in the car, watched them leave. After they left, she stared at ye Mulin. they're out of the car. Isn't it strange that we're in the car? ”

Ye Mulin's body was leaning against the back of the chair. His voice was a little lazy. will you still be delicate in the future? ”

as he spoke, he pinched her face,”but i just want to do it.”

His handsome face blushed a little. it's just a change of posture, and you made such a big scene, Yingluo.

When he said this, Bai Sulli suddenly lay in his arms and said in a low voice, ” “That's because you've gone too far! There's no such Yingluo.”

She wrinkled her nose and acted coquettishly, ” “it hurts.”

As she spoke, she felt a little embarrassed. Her slender arms wrapped around his neck and she buried her face in his arms.

the person who was originally afraid of being seen was now hugging him and refusing to let go. she was a little shy, and then she was a little dependent on him.

After they got back together, their relationship was so good that even Bai Anan was not as delicate and clingy as her.

Ye Mulin often felt that she was his daughter and that Bai Anan was a darling that she had picked up from the streets.

He lowered his head and looked at his little wife in his arms. She was younger than him by a few years and was innocent, so he would usually give in to her, except in bed.

his heart softened when he saw her like this. he smiled.”Then I'll be gentler next time, okay?”

she bit her lip and rested her face on his shoulder, gently biting him. ” “Which one was light?”

ye mulin laughed and pinched her face. who was the one who said that I have to pay ten million for sleeping with you once? Bai Sulli, is my money so easy to earn? ”

She was speechless.

She had said that to reduce the frequency of him doing it. It was too much for a man in his forties to do it on a Friday or six nights a week, but after she said that, he became more brutal and unscrupulous, thinking that he had spent money.

Bai suili regretted it. She hugged him with her small hands and said pitifully, ” “Then I don’t want the money anymore, okay?”

“You don’t want the money?” He raised his eyebrows,”then come every night, it’s free anyway.”

bai suili:

He teased his little wife for a while. In fact, he did not really want to do anything. It was just that mu Bai was tactful. There were many servants in the old residence, and they would see him sooner or later. He did not want to be seen by others.

he kissed her face and reached out to stroke her little head.” alright, let’s get out of the car. If we stay here any longer, people will think that we did it in the car.

She glared at him.
