

Thank you 3791

Chapter 3791: if you have something to say, let's talk quietly 3

“we’ll talk about it tonight.” ye mulin kissed her again.

Bai Xiuli stayed there for a long time before she finally said, ” “Actually, what you mean is that you’ll make it tonight?”

Ye Mulin turned around and looked at her with a strange gaze. After a while, he smiled and said, ” “bai sulli, it turns out that you’re so eager to do it with me, huh?”

as he spoke, his fingers swept across her face and finally pressed on her lips, hinting at something. his eyes were really bright ...

Bai Sulli bit his finger and then took it away, Humph,”It’s sunny so early in the morning!”

Her eyes were also wide open in disapproval, but her face was flushed, and she was still shy.

...

Ye Mulin was not in a hurry to leave. He held the car door with one hand and admired his wife’s bashful expression. He thought to himself that she had done it with him countless times, but she would feel very embarrassed whenever he showed the slightest hint of wanting to do it with her outside.

He laughed, but his voice was hoarse.

she glared at him. ” shameless. ”

Ye Mulin leaned over and nibbled on her face.”I don’t need to use my face to face you!”

Bai Xiuli rested her hand on his shoulder. She was a little embarrassed by his kiss, so she simply hugged him and buried her face in his shoulder.

he looked around and saw that many servants were looking over. he smiled and said, ” “xue li, there will really be people watching this place.”

She laid on his shoulder and did not get up. His heart softened. you’ll be laughed at if you do this.

You’re already so big, yet you’re still acting coquettishly!

“Bai Xue Li, you’re already in your early thirties.” His voice was deep and hoarse. He despised her age, but he couldn’t help but kiss her. He really thought that she was extremely cute.

” i’m not in my early thirties, ” bai xiuli said, wrapping her arms around his neck. ” i’m not in my early thirties. ”

“then tell me, how old are you?” he asked, smiling at her.

Bai Sulli hugged him and looked up at him. She actually knew what he liked, so she said in a soft voice, ” because I was 26 years old when I married you, and then we were separated for five years, so I should be 21 years old now.

she wrapped her arms around his neck and gently pulled out a strand of white hair from his head, placing it in front of him. ” “Uncle ye, you’re old.”

his tone was especially aggrieved.

Her soft voice was like a Little Vixen, and he couldn’t stand it. He pinched her chin with one hand and said,”uncle ye will make you kneel and beg for mercy tonight.”

a certain image instantly appeared in her mind, and her face instantly turned red. she bit her lip and said,”Ye Mulin, you’re too shameless.”

He chuckled. can’t you change the word ‘Mrs. Ye’? that’s all you’ve been saying. But I remember now, you’re only 21 years old. You’re still young.

He gritted his teeth and gave a meaningful smile when he said the last two words.

He couldn't wait to press her down and do whatever he wanted!

Bai suili's face was extremely red. She scolded him, pushed him away, and ran away.

he was too shameless.

ye mulin closed the car door slowly. he smiled and chased after her. when he walked in, he saw his little wife and wen yuan sitting together. her face was still slightly red and it was quite alluring.

Ye Mu Lin looked at her a few times without changing his expression, conveying a few outrageous meanings. Then, he smiled and spoke to ye mu Bai and Ye Zheng Gang.

Chapter 3792: if you have something to say, let's talk quietly 4

when he spoke, he would occasionally look at his wife, his eyes gentle with a little lingering.

This was the most beautiful part of their love and marriage.

Although Bai suili was a little embarrassed, she almost couldn't bear to look away. She always felt that he was looking at her, and if she didn't look, she would be at a loss.

wen yuan, who was beside her, could not stand her glistening gaze. he coughed lightly and said, "you and big brother are very loving!"

bai suili was a little embarrassed, and then she seemed to remember something. "oh, you and little white are still working on it?"

This topic ...

...

How could Wen Yuan say anything? he could only laugh it off.

bai suili waited for a long time without getting an answer, and finally felt a little embarrassed.

“We’ll have another child,” Wen Yuan said calmly.

she had to give birth to the south.

Bai suili’s Chinese was not very good. She did not know how she managed to turn the topic from ambiguous to such a heavy one. After that, she did not dare to speak much. Wen Yuan sensed her careful thoughts and could not help but laugh, ” “Mulin was right. Shirley, you’re really cute.”

“Oh, he said that?” as soon as bai sulli mentioned her husband, the dingdang cat appeared in her eyes again, and red hearts almost appeared in her eyes.

Wen Yuan held back his laughter. yes, that’s what he said. Zhenzhen always says that.

Bai suili blushed again and bit her lip,”At least he has good taste.”

Wen Yuan might have realized that she was funny, so he deliberately said slowly, ” “He said you have good taste, but he himself doesn’t have good taste.”

With Bai suili’s intelligence, it took her a long time to figure out what Wen Yuan meant. Wen Yuan, he really said that, ” she cried.

wen yuan hummed in agreement and said cheekily, ” “you can ask him when you get back.”

bai sulli and the white rice worm clenched their small fists and said, ” I will definitely do so!!!

Wen Yuan laughed. As he laughed, he noticed ye mu Bai’s gaze.

their eyes met. she wanted to look away, but his eyes seemed to be glued to her like magic. she could only look at him like that, looking at him the whole time.

After a long time, ye mu Bai finally left first and continued to talk to ye Mu Lin. They talked about treating Xiang Nan's illness after they went to United States.

bai anan and ye xiangnan went to the greenhouse in the sunroom to play. the servants at home were watching them, so the adults could discuss some things.

su fu and ye zhenggang were also there. although they were shocked by the fact that xiangnan was mubai's child, he was still the ye family's child, so in terms of feelings, no one had changed. was he still mubai's biological grandson?

Su Fu and Ye Zheng had just entered the room when su Fu sighed. the children are doing well. I can see that Mubai is a little interested in Wen Yuan too.

“then what about wen yuan? is he interested in him?” ye zhenggang snorted.

he didn't think so!

they looked like they were having a different dream on the same bed. there was no love at all, and they were completely a pair of two different children.

su fu felt uncomfortable after being rebuked like this, so he said indifferently, “Actually, it doesn't mean that love can last long from the beginning.”

Ye Zheng had been pricked by her words just now. His gaze fell straight on her face, and he did not speak for a long time.

“su fu, you're talking about us, right?” he asked after a long time.

they were so good and in love when they were young, but they didn't end up together.

As ye zhenggang spoke, his emotions were very complicated. His gaze fell on his former wife's face, and he couldn't bear to look away.

When he was old, he became particularly nostalgic, and his wife was still the same as before.

he couldn't find a lover, and he didn't want to find one.

None of them were as good as his su fu. Of course, it was Hao Yun's Su Fu now.

"how did he treat you?" ye zhenggang's voice was hoarse.

Su Fu smiled faintly. it's pretty good. Our lives are very plain and we don't hire any servants when we live in the apartment.

...

Ye zhenggang furrowed his brows. how can we do that? if there aren't any servants, you'll have to do all the household chores. Your hands will get rough.

"the hao family doesn't lack money, how could they treat you so badly?" he said hatefully.

Su Fu smiled faintly and said in a particularly calm tone,"most of the family matters are handled by hao yun. Zhenggang, he didn't treat me badly, he's really good to me. "

ye zhenggang didn't quite believe it and felt that hao yun was too stingy. when su fu was with him, he lived a life of luxury.

just as he was about to say something, he suddenly saw the jade bracelet on su fu's hand. be it color or water source, it was of the best choice. ye zhenggang remembered that the hao family's ancestor was a second-rank civil official in the qing dynasty. such a good thing did not exist in the past or present. he also knew that this was an heirloom of the hao family. moreover, it was worth hundreds of millions of yuan. he must not be doing any domestic work.

he felt comforted, but also a little upset.

su fu was doing well, but he always hoped that she wasn't doing so well. that way, he would still have a chance.

This was what ye zhenggang thought.

But su fu didn't need it. She was fine.

In their old age, it was already very good that they could still sit together and chat occasionally because of the children.

Ye zhenggang looked at the clouds in the sky and sighed, " if only I could have held it in back then!

he turned to look at her. " su fu, i regret and am sorry for hurting you. "

He was already so old, so he wasn't afraid of being laughed at when he said what was in his heart. sometimes, I think that I was possessed. When I was young, I thought that what a successful man had was status, money, wife, children, and a wife.

"I have everything, but I've lost you," he said with a bitter smile.

su fu didn't say anything. she just looked at him and patted him silently like an old friend.

His old friend, Gong Xuanye, smiled bitterly.

Su Fu smiled at him and said very gently,"Zhenggang, without me, you would still have Mubai and Mulin."

Ye zhenggang let out a long breath and smiled. let's go and see an 'an and Xiang' Nan.

su fu grunted and walked with him.

after a while, ye zhenggang couldn't help but say, " "Aren't you wearing too little?"

no, the sweater inside is very thick. Hao Yun always buys thick cashmere for me to wear in winter. She had said it casually, but it was a huge display of affection. It made ye zhenggang think of the image of a man and a woman in love. He was very unhappy, but he really had no choice but to be jealous.

in the living room of the main house, two young couples were together, and the atmosphere was a little confusing.

bai suili and ye mubai almost got married, and wen yuan and ye mulin had a fake marriage. now, they had all changed back.

Their eyes met for a while before ye Mu Lin spoke first,"Are you all ready?"

Ye mu Bai nodded. it's almost time. I'll leave the morning after tomorrow.

Chapter 3794: Let's talk in Secret 6

ye mulin exchanged a few words with him and suddenly said to wen yuan, " " shirley and i will take anan to xiangnan when we have time. call shirley if you need anything. "

wen yuan knew very well that he was worried that ye mu bai would not treat her well.

she was touched. after all, she and ye mulin had used each other, but in the end, he had been helping her.

ye mulin had a good grasp of his life. the reason why he dared to get into this fake marriage was because he was sure that he could win over bai suili. however, wen yuan had made a mess of his life.

She and ye mu Bai were completely different. They had no emotional Foundation, and they broke up just like that.

now, she had a vague feeling that he wanted to live well with her, but she didn't feel much.

...

When a woman's child is sick, when a husband has had an affair and he has betrayed you, you will become indifferent to everything. Only a fool would care too much about the person!

In her heart, she only wanted to be happy.

As she thought about it, she looked up and met ye mu Bai's gaze. She was a little confused and did not know what was going on ...

She could not figure out what he wanted!

Wen Yuan pursed his lips and pretended not to see his gaze. She did not dare to look into his eyes all the time.

Later, when they were having dinner, Wen Yuan sat beside ye mu Bai. She felt a little awkward. After all, she was the eldest daughter-in-law and now she was the second daughter-in-law. She did not feel good about it.

"mubai, i have something to tell you and wen yuan," ye zheng said.

Ye mu Bai was stunned for a moment before he looked at his father.

Ye Zheng pondered for a moment before he spoke slowly. His gaze was fixed on his youngest son and Wen Yuan. it doesn't matter to the people outside. Shouldn't you explain to Wen Yuan's family? don't make Wen Yuan explain these things to his own family in the future!

Ye mu Bai glanced at Wen Yuan when he heard that.

Wen Yuan lowered his eyes.

she did not have a good life in the wen family. when she divorced ye mulin, her parents almost broke up with her. they did not even try to persuade her to stay when she left B city. to put it bluntly, she was expelled by wen yuan.

The Wen family was ashamed of her because she was no longer ye Mulin's wife and she had to bear the burden of so many bad rumors.

Wen Yuan lowered his eyes and muttered after a long time, " "Actually, there's not much need for that."

Ye zhenggang was rather insistent on this. Wen Yuan, you can cut off all contact with the Wen family for now. What if you miss Nan in the future? what about the next child you have with Mubai? will you cut off all contact with him in the future? "

" it might be a little embarrassing for now, " he said firmly. " but have you thought about it? perhaps xiangnan also needs to find her bone marrow in the wen family. "

he had done his best to consider this. wen yuan had no reason to refuse and agreed softly.

Tears welled up in her eyes when she said yes, and she felt a little wronged and some unknown fear.

under the table, a hand grabbed her hand, and she was startled. then, she met ye mu bai's dazed gaze.

"I'll go with you tomorrow!" He smiled.

Wen Yuan bit his lip and did not say a word. She wanted to pull her hand away but he did not let her. Instead, he clenched his fist.

ye mu bai's gaze was slightly profound. he held her hand with one hand, but the other hand on the table naturally picked up a piece of pork rib for her. "Eat, you're too skinny!"

su fu, the mother-in-law, couldn't stand it anymore. " mubai, you can't be like this. you have to be gentle with your lover. "

Chapter 3795: She is now my wife, ye mu Bai's wife

wen yuan ate his meal in silence. he could not move his hand away from under the table, so he held her hand.

Sometimes, Wen Yuan would glance at him with a pleading look in his eyes. However, he would pretend that he did not see it.

after that, wen yuan stopped struggling and let him hold it in his hand.

whatever she wanted to eat, he would look at her with his eyes and force it to her. he took care of her very well, just like an old couple. even ye mu bai and bai suili kept looking at them.

Bai suili, in particular, found it a little unbelievable. When they returned, she sat next to ye Mulin. There were only the two of them in the car because su Fu and Hao Yun had taken an 'an back to raise her.

bai xiuli turned her head and said in a dazed voice, " "Ye Mulin, have you noticed that Mubai treats Wen Yuan differently?"

...

Ye Mulin was wearing a black suit. His coat was black, but because of its good texture, he looked especially handsome. She was talking about serious business while admiring her husband. Her heart was beating like a little rabbit and her eyes were pink.

When ye Mulin turned his head, he inadvertently saw the look in his wife's eyes. He was stunned for a moment before he smiled and continued driving. However, he coughed lightly."Tell me, what's different?"

Bai Sulli's eyes turned pink again after being laughed at by her husband. At this time, ye Mulin's voice was heard, " shirley, it's hard for me to focus on driving when you keep looking at me like that, okay? "

she was mesmerized and unconsciously let out an “ah” sound. after a while, she came back to her senses and her face was a little red. she bit her lip.”I’m not.”

“It’s good that you didn’t! i thought that you would be blushing and your heart would beat faster whenever you look at me, and you would want to take off my clothes.” Shirley, ” he continued, ” Qingqing should be more careful when driving, okay? ”

Her face turned even redder. She leaned back in the chair and bit her finger, refusing to answer him angrily.

Although what he said was the truth, but ... But he couldn’t say it so bluntly. Didn’t she want to lose face?

She was furious and did not speak for a long time. Ye Mu Lin, on the other hand, would occasionally look at her while driving. When she saw him, he said angrily, ” “didn’t you say to be careful when driving?”

ye mulin laughed silently at the angry xuxu. he stopped the car at a red light at an intersection and bit her face.”i haven’t finished my words.”

her mind was blank, and the only thing left in the world was the warmth of his gentle bite.

Bai suili secretly blamed herself, was she too unreserved? in the face of his beauty, she was too easily tempted. This couldn’t do, she had to change.

she turned her head and smiled reservedly. ” “You’re the one who didn’t answer.”

Ye Mu Lin touched his chin and suddenly smiled.”They must have slept together.”

Bai suili snorted. what you said is nonsense. They’re already thinking about the South. They’re about to have a second child.

at this moment, the green light turned on and ye mu lin continued to drive.

she thought that since she had the upper hand, he would not bring up this topic again. who knew that after a long time, ye mu lin would faintly say, ” “I mean, they’ve never made love with the goal of getting pregnant.”

bai sulli burst out laughing and then looked at her husband with a complicated expression.

“ye mulin, what a unique way of putting it.” she squeezed out a smile.

She really wanted to ignore him. He used to be a lawyer, but now he was a chief. The words he said were getting more and more shameless. He was doing it on purpose. He was doing it to make her blush.

He clearly knew that she would feel embarrassed when he said this, so she had an extraordinary infatuation with his body, just like a dog who smelled the fragrance of meat.

how could she sleep if she didn’t eat meat at night?

That despicable old man. He seduced her like this every time, but she just failed to live up to his expectations!

Later, she remembered that he had asked Anan to go back with su Fu because of this idea, so she stared at him with a strange and guarded look.

ye mulin chuckled as he drove. ” bai sulli, you’re on your period this monday and tuesday, and i’ll go on business trips on wednesday, thursday, and friday. think about it, i haven’t been here properly this week. ”

“Ye Mulin, you did this on purpose. You’re so bad.” She simply took off her shoes and placed her feet on the seat. She curled up and stared at him with tears in her eyes.

She was extremely afraid of this situation. He was almost 40 years old. If they didn’t do it for a few days, it would be like a ton of explosives. She couldn’t sleep tonight. Hanhan didn’t understand how he had spent those few years. How did he spend his time before he was 32 years old? when they were together, they were both still virgins.

Chapter 3796: she is now my wife (2)

bai bailan bit her lip and thought, how did he survive those 32 years?

Could it be that he only wanted her?

Thinking about it this way, she felt happy in her heart. His extraordinary demands of a man were not so unbearable.

bai suili thought to herself that she actually didn't have any other man, but she thought that he should be abnormal like this, right? She bit her lip and stared at him thoughtfully.

ye mulin drove and did not say anything else. he only glanced at her when he stopped the car.

She was playing with her phone. The webpage on her phone opened, and a few large words were very striking-

...

It was normal for a man to do it, but his little wife was watching with great interest.

Ye Mulin laughed silently and said, "Let's get off the car."

She let out an "ah" and then looked at him carefully putting away his phone, afraid that he would see it.

Ye Mulin felt that it was funny, but he did not say anything. He unbuckled his seat belt and carried her out of the car.

in the elevator, he kept looking at her, and bai sulli felt a little guilty. " "Why are you looking at me?"

He smiled, "it's nothing."

He leaned against the elevator wall, his long arms and legs crossed, looking quite casual and attractive.

He didn't seem to be in a hurry.

He wasn't in a hurry, but Bai Sulli was. Yingluo had just checked the information. Men of his age usually only needed to do it twice a week, and three times was a lot, but he did it at least five days a week. If it was the number of times, she felt that it was too inhuman.

Bai Sulli's eyes were filled with curiosity, and she kept looking at him.

Ye Mulin laughed lazily. When the elevator arrived, he leaned over and pinched her face. "don't think that i'll let you off by pretending to be innocent."

She groaned and looked at him for a long time before whispering, " "You look like a beast."

the elevator arrived, and the door opened with a ding. he carried her home and used the family law once they were there. he pinched her face with both hands and pulled it to the side. she gritted her teeth in pain and mumbled, " "ye mulin, you're too perverted. this kind of behavior is no different from an s or m!"

"Bai Sulli, do you know what S prostitute is? S he let go of her face and laughed S

She bit her lip and snorted softly, "I'll use violence to tease you."

"Wrong," he leaned close to her ear and his thin lips gently burned her ear. " "If you want to know, I can teach you?"

" pfft, pfft, pfft, pfft! " she glared at him, thinking that he was really shameless. " who wants to learn this! "

ye mulin laughed. " i thought you were very curious. didn't you look up on the internet about how many times a man does it a week? why? you don't dare to know about this? "

bai suili's small face suddenly turned red, and her voice was also trembling. after a long time, she finally said, "You, how did you know?"

"Be more careful next time, and you won't be discovered," he said as he looked at her.

After saying that, he took off his coat and threw it on the sofa. He looked at her. "do you want to take a bath together?"

Was this an invitation?

In fact, it was not a big deal for a couple to take a bath together, but Bai Sulli was still a little embarrassed. She was under too much pressure. If he had any requests in the bathroom, she would feel very uncomfortable. She was still used to doing those things in bed, so she refused without thinking.

Ye Mulin seemed to find it a pity, but he only smiled and did not say anything.

Chapter 3797: She is now my, ye mu Bai's, wife (3)

Bai Xueli looked on helplessly as her husband walked into the bathroom. Then, she ran into the bedroom and threw herself onto the bed. She hugged the pillow and rolled around a few times. In the end, she pressed the pillow and fanned it a few times. She imagined that she was mistreating ye Mulin and felt very emotional. S you, M you!

At the door of the bathroom attached to the master bedroom, ye Mulin was only wearing a pair of long pants. He was holding a towel as he leaned against the door and looked at her with interest. When he was almost done looking, he chuckled. Shirley, I didn't know you were so hypocritical. You really want to learn new knowledge.

Bai Sulli was dumbfounded. She was still sitting on the pillow and looked back at him like a pitiful little girl.

Ye Mu Lin chuckled and looked at her.

“Ye Mu Lin.” Her voice was pitiful. you must have misjudged Hanhan, so you forgot!

“oh, i did hear that someone was trying to flirt with me.” He chuckled as he walked to the changing room.”after i’m done with my shower, mrs. ye, you can do whatever you want.”

...

She couldn’t see him, but she heard him opening the closet in the changing room to look for clothes. She buried her face in the pillow and cried out ...

Other people might not know him, but she did. He was doing it on purpose. He was just having a bad taste.

It was like a knife that had to be sharpened in front of a pig for a long time before it was slaughtered. It would not give you a quick death!

She pounded the pillow and scolded him several times in her heart. However, when he came out, she still put on a pleading look. Ye Mu Lin held the bathrobe in his hand and looked at her with an infuriating gaze. After a while, he walked into the bathroom again.

bai sulli lay down again and drew circles on the pillow with her little hand. she was a little excited and a little scared. after a while, she turned off the light and only left the bedside lamp on.

she waited for him while listening to the sound of water in the bathroom. after a few minutes, she almost fell asleep in a daze.

When ye Mulin came back from his shower, he saw his little rice weevil squinting his eyes as if he was about to fall asleep.

He was both angry and amused. He reached out and patted her little P * ss.”You fell asleep so quickly?”

She was awakened by his beating and lied on her stomach. I’m so tired. Can we do it tomorrow morning? ”

If he woke up at six, he would have to get up at seven. He would not be able to do it for an hour, at most twice.

This was the experience Bai suili had gained after being tormented by him countless times.

ye mulin looked at her and chuckled. he sat down and turned on the lights, the bright kind.

bai suili bit her lip. " don't turn on the lights. "

however, he still opened it. not only did he open it, but he also said in a low voice, " "you want to be lazy, huh?"

"I'm not." her voice was coquettish as she put her arms around his neck. " ye mu, can you let me go? I'll do it with you tomorrow morning. It's been hard on you to translate and take care of Anan these few days.

He was amused and angry at the same time. She was probably afraid.

He reached out and stroked her hair, looking thoughtful. "But Xue Li, I miss you."

As he spoke, he leaned over and gently bit the tip of her nose. He kissed her and nibbled on the Kasaya.

this method was too intimate. she really could not stand him doing this. she pursed her lips and said in a low voice,"ye mulin, if you want to do it, hurry up."

He was clearly frying a small fish, and now that he was almost done frying her, how could she not know?

he was the worst!

Chapter 3798: She's my wife now (4)

seeing that it was about time, he chuckled and kissed her deeply. he only let her go at two in the morning, mainly because he had a meeting the next morning.

when they were done, she was about to fall asleep but she could not bear to do so. after she was clean, she lay in his arms and asked in a low voice, " hubby, will mubai and wen yuan do the same thing as us? "

ye mulin laughed.

He reached out and stroked her hair gently, then asked in amusement, " I don't have a habit of peeking. Do you want me to ask mu Bai or you should ask Wen Yuan? "

She lost all interest when she heard that. She couldn't ask someone about such a private thing. She looked at him and yawned. time to sleep.

Ye Mulin lay flat and turned to look at her. Then, he couldn't help but smile.

...

his little wife was half-lying in his arms, her weight on him, very restless.

" hello, shirley, " his voice was particularly hoarse and pleasant to the ear."how am i supposed to sleep like this?"

She was really sleepy. She buried her face in his neck and felt warm and comfortable.

after a long time, she muttered softly, " you didn't object to sleeping like this before. you were the one who said i was as light as a kitten. "

ye mulin turned to look at his little cutie and lowered his voice. " you might not have understood what i meant. "

as he spoke, he held her little hand and let her experience it herself.

she had her eyes closed, but she was so angry that she almost jumped up. she looked at him with her eyes wide open.”ye mulin, you’re simply a coward.”

he had already tortured her for half a night. was it not enough? she thought to herself dejectedly. he was almost forty years old.

she was really tired. it wasn’t that she didn’t want to accompany him to make him happy, but sometimes, she wondered if he had secretly taken medicine. she often watched the news about someone taking medicine and so on.

Bai suili was like a little bug, standing on the same level as him. Her face was close to his, and her voice was also very low,”Mu Lin, did anyone give you any wine or special pills?”

“What?” ye mulin started to feel a little scared. he knew her intention within two seconds and patted her body. ” someone even gave me a woman! ”

she laughed foolishly for a while, and then quietly asked warmly, ” “have you ever accepted one?”

“What do you think?”

bai sulli smiled. ” how would i know? this kind of thing happens very quickly. i just have to pull up my pants and it’ll be done. why didn’t you tell me that you’ve done it before? ”

His palm landed on a dangerous spot. “You’re having a good time talking. Why don’t you continue?”

She didn’t dare to say another word. She let out a cry and buried her face in his arms, not daring to say another word.

Besides, she was going to get beaten up. She knew him the best, and he would probably bully her in the middle of it.

She acted coquettishly, begged for mercy, complimented him. He could hear anything she wanted to hear now. Even ye Mulin, who was hard to please, relaxed his brows and stopped making things difficult for her.

Bai suili's voice continued to be soft. Yingluo won't be coming tomorrow night either.

then, she hugged his arm in a delicate manner while looking at him pitifully.

Ye Mulin stared at her for a while, then sat up and pressed her flat. She felt a little uneasy.

Chapter 3799: She's my wife now (5)

"it really hurts?" His voice was very gentle.

The rice worm, who was originally only in 30% pain, immediately became even more delicate. She nodded."it really hurts."

Then, she stretched out her slender arms and wrapped them around his neck, looking especially delicate.

ye mulin sighed in his heart. how could he not know that she was putting on an act? she was clearly in a good state tonight. it was impossible to say how much pain she was in. men who had been married for a long time would more or less understand.

However, he still enjoyed her coquettishness. He reached out to hug her and kissed her. "I'll get you some medicine."

" oh, " she replied, but she still did not let go of his neck.

...

ye mulin smiled and lowered his head to kiss her. he kissed her deeply until her body went soft.

In the end, she was still a little embarrassed. She bit her lip and couldn't come back to her senses for a long time. He almost couldn't help but look at her dazed little face, but he couldn't touch her tonight.

Ye Mulin heaved a sigh of relief with much difficulty. He got up to get some medicine and helped her apply it.

Bai suili had been very obedient the whole time, her eyes filled with tears as she stared at him, dazed.

he looked at her like he was looking at a coquettish child.

Bai suili's heart was suddenly filled with love for him, and she asked him in a soft voice, "ye mulin, have you ever regretted it?"

He was still gently applying the medicine for her. This was very intimate. He could also see that she was a little moved, but both of them endured it.

"Are you saying that I'm with you?" he continued.

she grunted and buried her face in the snow-white pillow. she bit her clenched fist and said in a low voice, "i know you like to be a lawyer, and now you probably have to serve the people until you're old."

then, he laughed and said, you'll only be able to retire when you're 60 years old, and you can't go abroad at any time. For someone like you who likes Western food, it seems quite miserable.

He reached out and pinched her face. "You still dare to gloat, huh?"

As he said that, he placed his hands on both sides of her body and leaned down to kiss her on the lips. His voice was hoarse. "you're wrong. i like chinese food now."

As he spoke, he even gave her a particularly suggestive kiss.

Bai suili's mind was in a mess.

eat chinese food!

she turned around and looked at her husband. ” “Ye Mulin, you’ve become greasy.”

He smiled, still hovering above her, and kissed her again. “Then, do you like my former elite style, or do you want me to be more brutal to you in bed?”

his rice weevil bit his lip and refused to speak.

“Alright, let’s go to sleep.” he turned to the side and carefully held her in his arms, patting her gently, as if he was coaxing a baby.

she was really flattered and leaned on his shoulder. ” “ye mulin, do you really love me?”

he opened one eye, looked at her, and then smiled. ” oh, probably. ”

She was a little dissatisfied and muttered, ” “Alright, let’s go to sleep.”

But now, she didn’t feel as much love, so she turned her back to him.

He was angry.

ye mu lin was both amused and angry. he chased after her and gently nibbled on her shoulder. his voice sounded low in the night.”are you going to ask me why i’m still treating you like a child?”

She didn’t answer. He reached out and pulled her hair, saying slowly,””Because when I first met you, you were a high school girl, just like a child.”

Chapter 3800: she is now my wife (6)

bai suili’s back was facing him, and she bit her lower lip.

ye mulin smiled. ” why? are you shy? ”

“I didn’t!” Her voice carried a hint of flirtatiousness. Then, she turned over and hugged him tightly.

Ye Mulin lowered his head to look at her and knew that she was embarrassed, Wanwan.

in fact, he couldn’t say how good his little wife was. he only knew that he was a little unhappy when he saw her following behind mu bai back then. he always thought to himself, why didn’t she look at herself? he was obviously not worse than mu bai in terms of looks, and his studies were much better than mu bai’s. so, he concluded that ...

shallow!

...

But now, he liked how shallow and simple she was.

she was just right!

in another part of B city, ye mu bai brought wen yuan and xiang nan home. xiang nan had fallen asleep. wen yuan carried him all the way and even carefully covered him with a wool blanket.

When she returned to the villa, she wanted to get out of the car, but ye mu Bai stopped her. don’t move.

as he spoke, he got out of the car and opened the back door. he took the xiang nan from wen yuan’s hands and said, ” “pull up the blanket.”

Wen Yuan pulled it up carefully and then followed him out of the car. He escorted him all the way to the villa.

She walked in front and opened the children’s room, letting him carry Xiang Nan in.

it was warm in the house. ye mu bai carefully put down xiang nan and gently took off the little fellow's coat. he placed it under the blanket and even asked someone to bring him a hot water bottle. he did all of this naturally and skillfully, as if he had been a father for a long time.

wen yuan stood at the side. he had done everything and she felt that she was redundant.

after that, she simply said, "i'll go back to my room first."

Ye mu Bai's gaze was still on Xiang Nan's face. After a long time, he looked up and his gaze fell on her face. you sleep first.

wen yuan did not say anything. she just went back to her room to take a shower. it was a little late, but she did not plan to sleep first.

She wanted to tell him something.

she did not know when he would return to his room to sleep or if he did not plan to sleep with her tonight. in fact, she would rather have the latter, but she still waited for him for a long time. about an hour later, he returned to his room and seemed a little surprised to see wen yuan leaning against the head of the bed. he took off his sweater and said, " "why aren't you sleeping yet?"

Wen Yuan looked at him quietly. Under the warm yellow light, his face did not look as unapproachable as usual, so she could easily say what she wanted to say, " "I'm going home tomorrow. You don't have to keep me company."

Ye mu Bai threw the sweater that he had taken off onto the sofa. He was only wearing a pair of black trousers, and he furrowed his brows."Reason?"

"Or are you waiting for ye Mu Lin to go back with you? that's not very possible."

"that's not what i meant." wen yuan could not stand it anymore. It's just that Yingluo doesn't have a good relationship with her family. You really don't have to accept this cold face for me. Their attitude won't be good."

“is that so?” “You mean you don’t have to go back anymore?” he asked.

She paused for a moment. Wen Yuan, the Wen family and the ye family are connected by marriage. Since our matter has been exposed, we have to deal with it properly. Wanwan, you and ye Mulin are husband and wife in name, right? ”

When he said this, he looked at her with a burning gaze, but there was actually a trace of uncertainty.

wen yuan lowered his head and did not answer.
