Chapter 3801: She's my wife now (7)

ye mu bai looked at her for a while before he said, "it's decided then."

After that, he went to take a shower, put on a bathrobe, and returned to the bedroom. He lifted the blanket and lay down beside her.

as soon as he laid down, he felt that her body was very stiff, so he said very indifferently, "don't worry, i won't touch you tonight."

As a result, her body became even more stiff.

In the dark night, ye mu Bai looked at her face. Wen Yuan, what are you so nervous about? "

as he said that, his large palm grabbed the place that he should not be holding. wen yuan bit his lip and moved his body back. his voice was also soft, "You said you wouldn't touch me."

...

"If you continue to be like this, I promise I'll make you soft." He threatened, then let go of her and closed his eyes. Wen Yuan, I don't have the energy to play any more games with you. Go to sleep.

Wen Yuan looked at her quietly for a while before he closed his eyes. However, how could she fall asleep? ye mu Bai was right beside her.

She was also a little bitter. Many years ago, she had fallen madly in love with him. There were every poster of him at home, and she had ten thick newspaper clippings, each of which was about him. She was like a loyal little fan who secretly liked him.

but now, he was sleeping beside her, but she was not in the mood.

Even the title of Mrs. Ye could no longer comfort her. She didn't understand when this love and affection had worn away without a drop left, even though she knew what he was asking her for.

she thought that this was probably what it was like for a woman to give up.

She couldn't fall asleep and was afraid of disturbing him, so she secretly turned her back to him. However, the moment she turned over, he sat behind her and hugged her. Her back was tightly held in his arms.

"ye mu bai," "i just can't sleep. why don't we sleep in separate rooms?" she said in a soft voice.

"Don't even think about it," his voice came from behind her in the dark. his hot breath blew on her neck, causing waves of passion.

"i thought your body didn't feel anything anymore. it turns out you do." ye mu bai's voice became hoarse.

as he spoke, he flipped her over and pressed her down. he looked at her in the dark, his gaze like that of a beast.

Then, he buried his head and teased her. She knew that he wouldn't be serious because he wanted to 'save his strength' to make her pregnant, but she didn't expect him to do that. He didn't seem like a man who liked to serve women like this, but he did it. Half an hour later, she fell asleep in his arms, exhausted, with tears in the corners of her eyes.

ye mu bai locked his gaze on her face, and his eyes were full of curiosity.

Early in the morning, when she woke up, he had already settled xiangnan down. Wen Yuan sat on the bed alone and scratched his head. He suddenly felt that marriage was not as difficult as he had imagined. She was a woman and she always had physiological needs. A husband with good looks, physical strength, and skills was not a bad choice. Besides, xiangnan was also taken care of. She really should not be demanding too much. She thought, let's just live like this. As long as we are not as silly as before, it's fine.

she wouldn't have been hurt if she didn't give her heart to him!

she did not stay in bed and immediately got out of bed to brush her teeth and wash her face. when she went downstairs, xiang nan and ye mu bai were having breakfast. when he saw her coming over, he reached out and pulled out the chair for her. “i’ll go with you later. if you miss nan, you can stay at home.”

Wen Yuan looked outside. It seemed to be snowing and there was a thin layer of snow on the outside. She was a little worried that she would not be able to fly to the United States on time tomorrow.

Chapter 3802: she’s my wife now 8

Wen Yuan did not say anything else. He ate his breakfast in silence and looked at them.

He still didn’t quite understand the world of adults.

After breakfast, ye mu Bai made arrangements for Xiang Nan before getting into the car with Wen Yuan. She thought that they would return to the Wen family home directly. However, he drove the car to a square instead.

when they got out of the car, wen yuan was stunned. ” what are you doing here? ”

Ye mu Bai unbuckled his seat belt and said in a calm voice, ” “you didn’t think i would go to your house empty-handed, did you?”

Only then did Wen Yuan understand. He wanted to say something, but after some thought, he got out of the car with him.

...

he walked through one boutique after another, but he didn’t go in. finally, he came to a very exquisite shop. he picked a set of teacup sets with very simple workmanship and looked at it carefully for a while before letting the boss wrap it up.

The boss was a refined man. He wore sunglasses and smiled. "Sir, you have a good eye. This set is the treasure of our shop. It's not cheap. Many people like it, but they're not fated to."

When Wen Yuan heard him say that, he was stunned when he looked at the price again. It was actually a six-figure price.

"three hundred thousand for a set of teacups, isn't that a little too expensive?" although wen yuan came from a good family background, he was not from a business family after all. he was still against spending money like this. he felt that it was not worth it and it was too high-profile.

Ye mu Bai glanced at her. is it expensive? " In the past, when ye Mulin went to your house to buy things, he believed that he wouldn't be able to afford the cheap ones."

wen yuan glanced at him and did not know what to say. he was a little speechless.

"can you stop talking about mu lin? you know that our marriage is fake." she muttered after a long time.

ye mubai swiped his card and took the wrapped gift box. he looked at her again. " your marriage certificate back then was also fake? "

wen yuan:

he glanced at her and walked towards a counter that specialized in jade. wen yuan had heard of this brand before and its specialty was its high price.

She reached out to pull him back, "you can't."

"shouldn't you give me some small gifts on your first visit?" He looked at her quietly. or do you want your parents to think that you're married to a much poorer man than the previous one? "

Wen Yuan had nothing to say. He felt that he was being a little weird today. However, he did not mind if he liked to spend money.

she didn't care anymore and just followed behind him. when he looked at her, she pointed at the most expensive one.

anyway, her mother liked expensive ones, and she liked the kind with a very green head. the price was also very good-looking, and one of them would probably cost a few million yuan.

“Are you sure you want it?” ye mu Bai looked at her and frowned.

“This one, she'll like it.” wen yuan pursed his lower lip and spoke calmly.

He bought it, but he didn't rush to pay for it. Instead, he looked at it carefully for a while and finally picked out an ice-type green bracelet with a thin ring. take this out and let me have a look.

the manager smiled and said, ” this is the treasure of our store. sir, you have good taste. look at this material. it's as soft as your wife's skin. this kind of material is great. it'll look great when you wear it. ”

Ye mu Bai took it, held Wen Yuan's arm, and put it on.

Then, he agreed with the manager's words. It was really good.

wen yuan's arms were thin and white. when he put them on, they looked particularly classical and exquisite.

He looked at her for a while, then looked up at her, his voice a little hoarse. “don't take it off.”

wen yuan bit his lip. ” i have to play the piano sometimes. besides, it's not convenient to do domestic affairs. what if i break the pixiu? ”

Chapter 3803: She is now my wife (9)

“Then I'll buy another.” he said it without thinking, feeling that it suited her.

she didn't say anything more and watched him swipe the card.

Her mother's one was not bad, it cost more than two million Yuan. However, her one was very expensive, more than thirty million Yuan. Wen Yuan suddenly felt that he had brought her here to buy something and her parents were just passing by.

After that, he bought some small things for her relative's Wanwan. Before this, Wen Yuan had always felt that ye mu Bai was not a down-to-earth person while ye Mu Lin was more attentive. It turned out that they were brothers and were both worldly. She could not help but wonder if it was because of his thoughtfulness that Lin Danni was so devoted to him.

lin danni had disappeared from their lives, but they had not forgotten about her, especially wen yuan.

as a woman, she couldn't pretend that it had never happened. moreover, it was a woman who had such a huge impact on her emotional change. it was just that no one mentioned it again.

...

those wounds were only hidden.

after they were done shopping, he walked in front with the bags in his hands, and wen yuan followed behind.

she touched the bracelet on her hand gently, feeling a little unreal ...

Was this considered a betrothal gift?

although they were married, there was no ceremony or anything. they just lived together naturally.

She was a little dazed. He stopped again, and she bumped into his back.

" ah! " wen yuan called out softly. then, his shoulder was held and he half-carried her into the elevator.

there was someone in the elevator, and it was someone he knew.

Lin Xueyi and her manager.

When she saw ye mu Bai and Wen Yuan, Lin Xueyi was first surprised, but then her face quickly turned cold.

ye mu bai pretended that he did not see her and treated her like air. wen yuan, on the other hand, was a little uneasy.

Lin Xueyi couldn't take it anymore. She started mocking, "mubai, i thought i would be defeated by lin dann. i didn't expect it to be her!"

ye mu bai lowered his eyes and looked at lin xueyi coldly. lin xueyi's manager pulled her to stop her from saying anything. although she had been dumped, ye mu bai and the ye family were not people they could afford to offend.

Lin Xueyi understood, but she couldn't take it lying down. She sneered, "Wen Yuan, did you know that Lin Dann and I are only Lin sisi's substitutes? ye mu Bai has only ever liked Lin sisi. Even if you had ten children with him, it would be useless.

"have you said enough?" ye mu bai said coldly as he pressed the elevator button. when the elevator stopped on the lower floor, he picked lin xueyi up and threw her out.

his rudeness and rudeness surprised wen yuan.

He looked at her, his voice still mocking. "Where's the set of tactics you used to coax me and deal with me? Or are you pretending to be weak now?"

"You're thinking too much," Wen Yuan bit his lower lip.

what could she say? lin xueyi was his ex-girlfriend. was it wrong for her to not make a fuss?

Ye mu Bai glanced at her and did not say anything. When the elevator reached the first floor, he took his things and placed them in the trunk. When he got into the car, he looked at the time and said to Wen Yuan, who was beside him, "Wen Yuan, whether it's Lin Xueyi or Lin Danni, it has nothing to do with me anymore. You are Mrs. Ye. Do you remember that?"

Wen Yuan lowered his eyes, "I thought that you didn't want me to cause trouble. After all, our relationship is not good."

she paused for a moment and smiled at him. "it is indeed controversial."

Ye mu Bai stretched out his hand and gently touched her lips. His voice was hoarse. "this is the real you, wen yuan, isn't it?"

Chapter 3804: she is now my wife (10)

he mumbled, "in the past, you were very aggressive and good at seducing me. you knew how to make me pay attention to you and how to arouse a man's desire. wen yuan, you've always been this kind of woman. you're not weak, but you're timid now."

"What's wrong with me now?" Wen Yuan's gaze was calm.

when she asked this question, she was calm and collected. he felt a little disappointed. just now, he was actually teasing her, but he could no longer see any trace of madness for love in her eyes.

Ye mu Bai was a little disappointed, but he did not say anything. He just smiled and started the car.

After that, they did not speak again until the car drove into the Wen family home.

the car stopped and ye mu bai turned to look at wen yuan. "i thought you were not nervous."

...

her face tensed up, and she only spoke after a long time, ” “I had a huge argument with my family, especially my mom. She said Hanhan ...”

wen yuan raised his head, tears welling up in the corners of his eyes. it took her a long time to hold back her tears, ” She said, don’t ever step into the Wen family again.

Ye Mubai could understand the Wen family’s attitude towards her. His elder brother, ye Mulin, was now in a stable position and definitely had a future. Yet, Wen Yuan let go of him so easily. In the eyes of the Wen family, even if it was a marriage in name only and Wen Yuan was like that for the rest of his life, it was worth it. This was because there were too many people in the Wen family who needed support.

Ye mu Bai also came from such a family, so he naturally knew about the powerful connections in the family.

He reached out and held her hand. Then, he said very softly and firmly, ” ” wen yuan, you’re still mrs. ye. there’s no difference, just that your name has been changed to something more legitimate. ”

She looked at him, a little surprised.

ye mu bai did not say anything else. he opened the car door and got out of the car. then, he walked over to her side and opened the car door for her. the moment he opened the door, he lowered his voice and said, ” wen yuan, you’re not a weak person. you don’t have to be so humble. it’s enough for you to take out one percent of the time you seduced me in the past. ”

Wen Yuan glanced at him and did not say anything else. He got out of the car while ye mu Bai brought the gift from the trunk and walked in with him.

In fact, this trip was not to curry favor with the Wen family. It was just to tell the Wen family that Wen Yuan was no longer the wife of the ye family’s eldest son. He was now the wife of the ye family’s second son.

although it was ridiculous, ye mu bai’s status was clear and ye mu lin’s face was respected. no matter how cold the wen family was, they did not dare to say anything unpleasant.

she had always been indifferent, polite, and very distant.

Wen Yuan had already expected this, so he did not think much about it. She just sat there and experienced her mother's cold treatment. Even when ye mu Bai gave her a gift, she only forced a smile.

Wen Yuan felt a little sad. In the past, when ye Mulin came here, her parents were not like this. However, no matter how cold they were, they still had lunch. It was worth it to come here.

On the way back, Wen Yuan sat in the front passenger seat in a daze and did not speak.

Ye mu Bai was also silent as he drove. He only stopped the car when they reached a red light and said, "wen yuan, do you regret it?"

She let out an "ah" and looked at him sideways.

"marrying me is not as glorious as marrying my big brother," he said calmly.

He knew clearly that although he had good qualities, marrying ye Mulin was undoubtedly different. It might be the peak of power and everyone wanted Wanwan.

Chapter 3805: Their wedding night (1)

Wen Yuan looked at him with a hint of surprise in his eyes because she saw a very complicated look in his eyes.

For a moment, she was speechless.

after a long time, she finally opened her mouth and said somewhat bitterly, "i don't need glory. "

As soon as she finished speaking, he grabbed her hand. After a long time, he said in a hoarse voice, "let's do this."

“what?” She turned her face to the side and wanted to ask, but he had no intention of talking anymore.

She was a little bored and stopped talking. She looked down and saw the icy jade bracelet on her wrist.

...

she thought that this was all he would give her. however, when she returned home, she took a bath and went back to the bedroom at night. ye mu bai was leaning against the bed with only a bathrobe on. there was only a bedside lamp. he sat there casually with his long legs bent and his phone in his hand. he seemed to be dealing with something.

Her gaze shifted to the side. There was a blue box on the bedside table. Her gaze paused for a few seconds. He saw her gaze and smiled. He reached out to take the box and opened it. There was a pair of silver rings inside.

“give me your hand.” his voice was very gentle as he reached out to grab her hand.

wen yuan dodged subconsciously, but he caught hold of her. he took a glance at her and pulled her towards him. she fell to her knees on the bed. in front of him, it was as if she was proposing to him.

Ye mu Bai glanced at her and the corners of his mouth seemed to curve up a little. He then picked up a thin ring. The ring was made into an exquisite bamboo joint. It was very beautiful. Wen Yuan had never seen such a style before.

He put it on for her and said, ” “I designed it and made it to order.”

Wen Yuan was a little dazed. She looked at the ring on her finger. It matched the bangle she had bought previously. It looked very classic.

“It’s very suitable for you,” “If you like gemstones, you can choose from more,” he said indifferently.

in other words, he was not interested in those things and was only responsible for spending money.

Wen Yuan did not have the nerve to think that he would do anything to her. He shook his head and said, "I don't like those."

Then, a man's ring appeared in her hand. She raised her eyes and looked at him.

"Help me put it on," he said.

Wen Yuan bit his lower lip. The color of his lips became lighter and darker, looking a little seductive under the warm yellow light.

She reached out and put it on for him, her fingers trembling.

she was still holding his hand after putting it on for a long time. when she regained her senses, she wanted to let go, but ye mu bai pulled her into his arms.

She crashed into his firm embrace and looked up. There was a hint of panic in her eyes, and then she was kissed by him.

This kiss was different from all the previous ones with emotions. It was lingering and gentle. Her fingers were forced to intertwine with his, and he kissed her from above.

at first, it was lingering, then it became intense. she couldn't stand such an intense kiss. she called out softly and then hugged his waist. everything was so warm and so different.

Wen Yuan was a little dazed, and he felt as if it was their wedding night, especially when he clasped her hand and pressed it against the ring. The bracelet he had given her was on her thin wrist.

they had been together many times, but none of them had been as touching as this. he had never been so gentle to her either. wen yuan was a little drunk.

He had done it with her a few times and felt a little tired after that. Wen Yuan lay in his arms and panted softly. Her long and dark hair was messily scattered on his shoulders. It was quite seductive, but it made him feel that she was very soft and cute.

Chapter 3806: their wedding night (2)

Ye mu Bai could not help but reach out to grab a lock of her hair and slowly straighten it.

although he was a little tired, he didn't want to sleep. he just wanted to hold her like this.

Wen Yuan could feel his rare gentleness. She placed her fingers flat on his chest and turned her face sideways. She still looked a little intoxicated. She asked softly, "ye mu, Bai Qingqing, were we making love or having a child just now?"

ye mu bai lowered his head and kissed her on the forehead."what do you think?"

she lay down again and didn't say anything. she had a vague feeling that tonight was a ceremony for her.

couples and their wedding night.

...

their relationship was destined not to be able to hold a public wedding, but he still gave her a small ceremony that belonged to the two of them.

Wen Yuan shifted his body and pressed his body against hers tightly. She wrapped her arms around him and buried her face in his neck. Her voice was very soft."Why didn't you come earlier?"

her voice was a little sobbing, with a hint of unwillingness and confusion.

Ye mu Bai understood how she felt. He placed his palm gently on her back and looked at her gently. At this moment of warmth, she turned her face to him and covered his mouth with her Hot Lips."Ye mu Bai, love me, okay?"

At this moment, she felt like she was in a dream. It was as if she had returned to the past and she loved him passionately ...

Regardless of everything.

that night, they didn't seem to know fatigue. they stayed up all the way until the sun rose.

wen yuan was not the only one who was exhausted. even ye mu bai had overslept. he slept all the way until noon the next day.

When Wen Yuan woke up, he was lying in his arms with his hair in a mess.

She had never slept so late before, and she had never lost her composure in front of him before. She was even drooling, and her saliva was all over his bathrobe.

I'm Yingluo. she lay in his arms like a lost puppy. She was really pitiful.

She wanted to explain why she was like this. She didn't know why she was drooling either. This wasn't her style.

bai suili was the one who was drooling.

Wen Yuan reached out and ran his fingers through his hair. He bit his lip and did not speak for a long time.

Ye mu Bai stretched out his hand and gently wiped the saliva from the corner of her mouth. Then, he smiled."Wen Yuan, we missed the private plane."

then, his fingers, together with her saliva, gently stroked her face.

wen yuan's mind was in-mess.

they were probably the first people to miss the private plane because they had been on the plane all night.

she was stunned and did not notice that he was lightly scratching her face. instead, she stuttered, ”
“you want to go south?”

“My assistant came over this morning to take care of him.” He looked as if it was only natural, but Wen Yuan could not act as if nothing had happened. He tried to get up, but he reached out and took her down again. He gently pressed her down to stop her from moving.

His voice was low and hoarse. lie down for a while more.

she widened her eyes, not understanding him.

ye mu bai kissed her and reached out to pull down her bathrobe gently. he then told her what he meant by lying down for a while more. wen yuan was unwilling to let her struggle so he said softly,
” “no, we’re already too late.”

“so it doesn’t matter if we do it one more time.” His voice was extremely hoarse.

Wen Yuan bit his lip. He wanted to resist, but he couldn’t resist him. He gave in half-heartedly.

After they were done, he carried her to the bathroom for a shower. She was interested in him again and pressed her against him. Wen Yuan lowered his soft and thin neck and murmured, ” “i can’t take it anymore, let me go yingluo!”

Chapter 3807: Their wedding night (3)

Ye mu Bai stared at her for a few seconds before he lightly kissed the corner of her lips. His voice was also a little low and hoarse.”But I still want to.”

wen yuan did not know what other people were like, but she did not understand. ye mu bai used to be a celibate man when he was the best actor. he looked like he had a better temperament than his body, but she could feel his strength after being with him.

it was different from what she had imagined.

she lowered her eyes, her long eyelashes quivering, and her voice was slightly hoarse. "i'm really yingluo."

She rested her face on his neck and said, "it hurts,"

he lowered his head to look at her. she looked so weak and pitiful, so he let her go.

...

He carried her to wash up. She was too weak to walk on her own, so he had to carry her out. He carried her all the way.

Thinking that Nan was being hugged by his assistant, he asked in a low voice, "why does mommy want daddy to carry her?"

"because your mother isn't feeling well!" the assistant smiled and coughed.

The young assistant thought unkindly, "that's because your daddy is too comfortable, that's why your mommy wants to hug him."

nan didn't have so many thoughts, so he kept watching his father holding his mother and felt quite happy.

any child would be happy to see this.

ye mu bai carried wen yuan and headed to the airport. the private plane was already waiting for them. the date was changed to three o'clock in the afternoon. apart from his assistant, there were also medical staff and various medical equipment on the private plane.

wen yuan was placed in a lounge, and so was xiangnan. at this moment, she understood that she would not be able to give xiangnan so many women if she were the one. perhaps marriage was the right thing to do.

she closed her eyes and thought about last night's lovemaking. she felt that it was all worth it.

private plane, take off

When they landed at the new York Airport, it was New York's evening. The night had fallen, and the lights were everywhere like a long Dragon.

Xiang Nan sat in the RV and looked out of the window. This was the little guy's first time going abroad, and there were fresh things everywhere.

Ye mu Bai got into the car and started to deal with his business. Wen Yuan then found out that he was not only a director, but also owned a global pictures company and had other investments. In short, he was very rich. Otherwise, they would not have such a luxurious private plane.

more than an hour later, the rv stopped in front of a very luxurious apartment. the assistant got out of the car and opened the door. ye mulin was carrying xiang nan, and wen yuan was beside him. he thought about it and let her carry him. he took his luggage.

he wasn't a man who liked to have an assistant and driver in his life, so only the family of three entered the apartment.

It was very big, about 300 square meters in size, and the decoration was also very exquisite. Wen Yuan realized that the men in the ye family were all very good at enjoying themselves. No matter where they were, they could live their lives as if they were at the top.

wen yuan had a good family background. however, without ye mu lin and ye mu bai, she would have to live the life of an ordinary person.

she stood there and looked around, but xiang nan was walking around happily, looking here and there.

Ye mu Bai allowed him to run. He walked behind Wen Yuan and hugged her. His voice was gentler than the night."Do you like it?"

Wen Yuan looked at the night view of new York through the floor-to-ceiling window and whispered, "It's a little too extravagant."

An apartment like this must be worth tens of millions of dollars. She knew he could afford it, but she was uneasy.

After all, they were different from others. They were not a proper married couple. She was afraid that once she got used to living here and his life, they would have nothing in the blink of an eye.

Chapter 3808: their wedding night, 1600 words

ye mu bai rested his chin on her shoulder and smiled. ” “I can afford it.”

Wen Yuan bit his lower lip and did not say anything.

“Are you tired?” I’ve hired a part-time helper, ” he said in a low and hoarse voice. she lives nearby. If you need anything, just call her. But when I’m here, I’ve asked her not to come.

Wen Yuan understood what he meant. He would still be away from home often in new York.

She lowered her eyes and said yes, but her heart was empty.

after he went to settle down xiangnan, she stood in the same place and looked down at the ring and bracelet on her hand. she thought to herself that their marriage was ultimately different from others. to him, this place was dispensable, and she, wen yuan, was just a woman who had a child with him.

...

she smiled bitterly.

Xiang Nan was very happy on his first night in the new York apartment. However, he went to sleep after having dinner. The room was very warm and Wen Yuan felt that ye mu Bai had put in a lot of thought into it.

back in their bedroom, she was standing at the door, and he was taking off his sweater as if he was going to take a shower. she mumbled, ” “Thank you,” she said.

ye mu bai took off the sweater, and there was nothing on it. he looked up at her, then threw the sweater aside and said, ” “what are you thanking me for? Wen Yuan, we’re husband and wife now. Xiangnan is your son as well as mine. It’s only right that I do anything for him.”

she paused for a moment, then forced a smile.

“Or do you think you’ll feel more at ease if we treat you like strangers?” he looked at her and frowned.

As soon as he finished speaking, he realized that she was trying to avoid the topic.

Ye mu Bai’s eyes darkened. In fact, the problem between them was with her. She had hidden herself in her past world and was unwilling to come out. She did not believe that they were an ordinary couple. She seemed to think that they would divorce after they gave birth to a child, Wanwan.

To a certain extent, Wen Yuan was the one who was against this marriage.

and he clearly knew, but he didn’t point it out.

In the end, he didn’t say anything more and just walked to the bathroom. “go to bed early. if you fall down, you’ll probably feel very uncomfortable tomorrow.”

he closed the bathroom door and didn’t invite her to take a shower together. their relationship as husband and wife wasn’t that intimate. other than having her on the bed, he didn’t have hanhan anywhere else

Wen Yuan walked over slowly and sat down on the sofa. Under the warm yellow light, she looked lost.

when ye mu bai walked out, he saw her expression. he had a bath towel wrapped around his waist and was drying his hair with one hand.

He stood in front of her and said, " go and take a shower. there was a hint of command in his voice.

wen yuan raised his eyes and looked into his.

with his chin pinched gently, ye mu bai lowered his head slightly and pressed his thin lips against hers. he stared at her and said slowly, " " haven't you always wanted to marry me? are you regretting it now or do you think that things are different from what you imagined? "

"it's just not real." she shook her head and her throat moved.

He nibbled on her lips and immediately let go of her. He continued to dry his hair with his back facing her.

He had an excellent figure, slender and strong, with just the right amount of muscles on his back. She remembered how strong his body was.

wen yuan was in a daze. suddenly, the towel in his hand fell on her head and she pulled it off.

ye mu bai leaned on the sofa opposite her and gave a faint smile. " " wen yuan, do you know what you look like now? you're like a child who has been wanting to eat a piece of meat, but the day she eats it, she doesn't feel that it's good anymore. she wants to vomit but can't. "

Wen Yuan glared at him.

"there's another way." His tone carried a hint of mockery."if you really can't handle it, just digest it and take it out."

after he finished speaking, he ignored her and directly lifted the blanket to lie down. after lying flat, he said, " " come here in half an hour. otherwise, i can't guarantee that i won't mess with you tonight. if you can't get pregnant, don't cry in front of me when your son suffers. "

His words were heartless, cruel, and emotionless. Wen Yuan was so angry that he threw the towel in his hand at his face.

"i thought you had lost your temper." ye mu bai pulled his hand away and sneered.

wen yuan walked straight into the bathroom and closed the door with a bang.

Ye mu Bai's originally angry face suddenly chuckled ...

in fact, xiangnan was her weakness. she was very stubborn and would throw a tantrum at the mention of her precious son!

As ye mu Bai lay down, he was reminded of Wen Yuan in the past. He was scheming and shameless. She would pounce on him, drug him, and drink alcohol. She would do anything. It was also the first time that he had hugged a woman he did not want to hug. However, he did not expect her body to be so soft. He got addicted to hugging her. However, he did not like her after that because he did not like women who were scheming.

but now, after giving birth, she was as stupid as ever. she really didn't know if she had passed all her intelligence to xiang nan. now, other than her looks, she had nothing else. the only thing that was interesting in bed was ran ran.

he suddenly remembered how she hugged him and kissed him last night. her voice was trembling as she asked him to love her. just thinking about it made his blood boil.

He snorted coldly,"she's only good at seducing me, nothing else!"

However, he knew very well that with Wen Yuan's looks, she really did not need to know anything to be able to attract many men to like her.

However, when she was young, how could she have been so obsessed with only him? she even liked him secretly, unlike Shirley, who followed him all the time. It was true that he didn't like her because she didn't have a son, but now that she was a little stupid, he was a little more pleasing to the eye.

Chapter 3809: did you miss me?(1)

ye mu bai's entire body felt a little hot from the thought, so he simply sat up. he wanted to smoke a cigarette, but he gave up when he thought about how they had to prepare for pregnancy. he took a magazine and casually read wanwan's magazine.

when wen yuan returned, he was surprised to see that he was not asleep. she adjusted her pajamas and slowly lay down beside him. her body was a little stiff. ye mu bai turned his head to look at her and suddenly pulled her into his arms.

She stiffened even more. He hugged her tightly and said in a low voice with a hint of seduction, "If you continue to be so stiff, I'll make you soft. Do you believe me?"

Wen Yuan did not say anything more and just kept his back to him.

he hugged her waist from behind. he was very tall, and her 165 cm height seemed especially petite in his arms.

His thin lips were next to her ear, and his voice was low and hoarse. "i won't touch you today. sleep."

...

Wen Yuan did not move. He just bit his lip.

He leaned against her and smiled. wasn't everything fine before? why did Hanhan regret it that night in B city? "

as he spoke, his warm palm gently caressed her lower abdomen. perhaps it was pregnant with their child, or perhaps it was not.

"We'll do it for another night in two days. We'll have a child." He smiled and nibbled on her earlobe. hmm? "

she relaxed, and then he fell from his arms, their fingers intertwined. he lowered his head and asked softly, "Do you regret it?"

"no, i didn't," "don't ask anymore," she mumbled and turned her head.

He clasped her hand, leaned over, and kissed the corner of her mouth. why didn't you ask? don't you like to do it with me? ”

As he said that, he chuckled.”wen yuan, you clearly like it.”

“i didn't.” She turned her head away and did not want to look at him, let alone talk to him.

However, his lips quickly found her and kissed her passionately before she could react.

it was a passionate kiss and a powerful exploration. then, he withdrew his hand and their fingers were intertwined again. she could feel his deep smile. ” your body doesn't express it this way. ”

she resisted, but she couldn't resist it. how could she not desire for two young bodies to be together? after all, they were both hot-blooded and compatible. they had memories of each other's bodies.

wen yuan was a little embarrassed. he rubbed his face on the pillow and said in a hoarse voice, ” “Don't say anymore.”

He laughed and held her down with one hand. The hand he used just now had been stroking her face lightly.”Why not? aren't married couples like this?”

wen yuan was in a daze for a moment ...

husband and wife

Ye mu Bai's fingers gently caressed her red lips, and his voice became even more hoarse. there's something wrong with that. We're husband and wife. Wen Yuan, it seems that you haven't completed the transformation of your identity.

she was fine that night, but something was wrong with her today.

in the past, ye mu bai had no patience for wen yuan. however, things were different now. she was a little cute, so he would coax her.

Wen Yuan looked down and bit his finger subconsciously. Then, she widened her eyes.

He didn't dare to believe it, and he was also a little angry.

ye mu bai chuckled and nibbled her ear. "Does it taste good?"

she wanted to brush her teeth. he was too evil and hateful.

ye mu bai held her down and did not allow her to get up with the knife. wen yuan was a little angry."ye mu bai, you bastard!"

She was so angry that her tears were about to fall, but he still held her down.

Chapter 3810: Did you miss me? Part 2

His eyes were on fire as he looked at her, and then he lowered his head to kiss her. He kissed her deeply, tasting her all over, so deep that it felt like he was touching the depths of her soul.

After that, he pressed her down and kissed Huahua until Wen Yuan felt that it was inappropriate. She grabbed his hair and said, "Ye mu, Bai Qingqing, don't Qingqing."

"i don't mind you being dirty." he said in a low and hoarse voice. after a long time, he kissed her. wen yuan resisted but had nowhere to run.

she had never felt such an intense trembling in the depths of her soul before, and that kind of reckless madness made her feel scared. she had never seen him like this. he had always restrained himself when doing those things with her, as if there was a layer between them, but now he really didn't mind being dirty.

Even Wen Yuan himself despised it.

Ye mu Bai still went to the washroom. When he came back, he was refreshed. He hugged her and lay down, but his voice was hoarse. sleep.

...

wen yuan lay down and was pressed into his arms. after a long time, he finally said, " "You can't do it, so why do you have to make yourself so uncomfortable?"

He opened his eyes and looked at her. Then, he closed his eyes and sighed."this is the pleasure of a married couple. wen yuan, when you seduced me in the past, didn't you know what men like? Now you're acting again."

She was embarrassed and closed her eyes as if she was about to fall asleep. However, just as ye mu Bai was about to fall asleep, she suddenly reached out and pinched him. Ye mu Bai woke up immediately and opened his eyes to stare at her.

"I won't pretend anymore," Wen Yuan smiled innocently.

Her fingers even seemed to rub him. This wasn't rubbing, it was clearly seducing and seducing.

Ye mu Bai stretched out his hand and caught her. His gaze was a little dangerous. Mrs. Ye, if you continue to be like this, I can't guarantee that I won't leave you alone.

"I'm sleeping." she wrapped her hands around his waist and placed her face on his chest.

his heart was beating vigorously. wen yuan thought that ye mu bai was actually an ordinary man. he could breathe, eat, and sleep just like any other man.

wen yuan closed his eyes. ye mu bai lowered his head to look at her and then smiled gently.

They had a good night's sleep. The next day, they took xiangnan for a physical examination. Xiangnan's condition was under control, and Wen Yuan was slightly relieved.

when she returned to the apartment, ye mu bai accompanied her for dinner. he said that he would be away for two days, probably to Los Angeles.

Wen Yuan was eating. He put down his chopsticks and asked in a low voice, " "are you going to shoot a film or participate in the film festival?"

“It’s just for publicity,” “and i’ll meet lin dann,” ye mu bai said frankly,”but nothing will happen.”

he shook her hand as a form of promise.

Wen Yuan nodded and did not say anything.

“Xiangnan needs to be taken care of, or you can come with me,” he said.

“I understand. I don’t care about this.” She gave him a faint smile.

ye mu bai held her hand and coughed lightly. ” I’ll be back the night after tomorrow. It might be a little late, but I’ll definitely be back. Wait for me.

She was a little surprised. take good care of xiangnan, ” he said again. hmm? ”

As he spoke, he got up and picked up Xiang Nan, kissed her, and said reluctantly, ” “Listen to Your Mother, okay?”

xiang nan nodded and kissed him back on the face.

He smiled and kissed her hard again. He put down his thoughts and leaned over to kiss the child’s mother again. don’t go out for the next two days. Auntie will come over to cook every day. Call me if there’s anything, okay? ”
