

Thank you 381

Chapter 381 you feed me (3)

The two of them hugged each other and only woke up the next day at noon. PEI Qiqi moved her body. Her entire body was in pain, especially when she lifted her leg. It was a sharp pain.

she closed her eyes, then closed them again. her hand touched the person beside her.

tang yu's body was very, very hot. she was shocked and immediately got up. she knelt beside him and touched his forehead. even her palm was hot.

"tang yu." She gently shook him. Tang Yu slowly opened his eyes and his voice was a little hoarse, " PEI Qiqi, take my phone and call Qingcheng. Tell him to call a doctor over.

He knew very well that he had not slept for two nights, nor had he rested during the day. He had also had sex with her for two whole nights in a row, so he was exhausted.

pei qiqi quickly went down and searched for his phone in his pocket.

She was barely wearing anything and was squatting there with her hair down, looking anxious.

The corners of his mouth slowly curled into a smile.

pei qiqi, you still dare to say you don't love me? You don't care about me?

she finally found her phone and quickly dialed meng qingcheng's number.

Meng Qingcheng couldn't believe his ears, " Pei Xiao Qi? Why are you here?"

Tang Yu's having a fever. Can you get a doctor to come over? " as pei qiqi spoke on the phone, she climbed back onto the bed and placed her hand on tang yu's forehead.

at this moment, she had forgotten about their relationship.

tang zheng closed his eyes. when her small hand was placed on his forehead, he felt the anger in his heart calm down.

Meng Qingcheng asked for the address and immediately called for a doctor. Of course, he also came over.

Tang Yu was a little unhappy that he came over.

after all, as a young man in his prime, he didn't want others to know about his sexual indulgence.

The doctor also held back his laughter and gave him an injection to reduce his fever. He only told him to stop the ward Affairs for a few days and that he would be fine after some supplements.

Meng Qingcheng sat on the sofa outside and sized up the place where PEI Xiaoqi lived. When the doctor came out and asked about the situation, he stared at PEI Qiqi with a meaningful look.

tang yu's body had always been in good condition. this time, he came so violently. what kind of game did he play to make him collapse?

Pei Xiao Qi's small body was so petite. How many times could she stand Tang Yu's tossing and turning?

“Pei Xiao Qi, do you want the doctor to take a look at you?” Meng Qingcheng asked with good intentions.

the doctor laughed. this meng qingcheng, seriously!

Tang Yu was already up. He was leaning against the bedroom door with a bathrobe loosely tied around his body, looking very lazy.

Meng Qingcheng couldn't bear to look at it. He took the doctor and didn't leave Xuanji.

After he left, PEI Qiqi turned around and looked at him, ” do you want the chauffeur to pick you up? ”

Tang Yu's body didn't move. He just leaned there with a deep gaze, ” PEI Qiqi, shouldn't you be responsible? ”

Take responsibility?

Did he have to take responsibility for such a thing?

tang yu's lips curved up, ” i fell sick because i worked too hard on you. shouldn't you take responsibility? ”

PEI Qiqi bit her lip, ” how are you going to take responsibility? ”

his gaze deepened. ” shouldn't you take good care of me until i recover? ”

... did he treat her like that again after he recovered?

pei qiqi lowered her head, ” you can go back tomorrow. ”

What was he doing here?

She had not forgotten that he still had Sun Feifei!

Tang Yu looked at her expression and smiled, ” if it's about Feifei, then there's no need to! She's not in the country these two days, and she's here.”

Chapter 382 you feed me (4)

he paused for a moment before continuing. ” she knows about our relationship. she doesn't mind if i have anything before we get married. it's fine as long as we don't have anything to do with each other after we get married. ”

he said it so calmly and cruelly. pei qiqi was angry. she glared at him, ” tang yu, you bastard! ”

they were so close that she couldn't help but want to beat him up with her little hand!

Tang Yu reached out and caught her little fist. He pulled her into his arms.

She was hugged by him. Other than the warmth, she could also see his burning eyes.

“pei qiqi, you seem to be angry! are you angry at me or feifei?” he said in an extremely detestable manner.

She turned her face away in embarrassment. I didn't!

“you’re not angry?” He pinched her little chin with one hand and forced her to look at him.

Even though he was sick, he was still so handsome that she couldn’t take her eyes off him.

she didn’t know that her eyes were squinting with a hint of ridicule.

and he was very close to her, his thin lips brushing against the side of her lips. she thought he would want to kiss her.

She closed her eyes in a panic, and her long and thick eyelashes trembled uncontrollably. They were as cute as two brushes, and her slightly upturned lips were red and alluring. He really wanted to kiss her.

However, he only moved his lips to her ear and said in a low voice, ” “If you’re not angry, then go and cook some steamed buns for me.”

Only below?

PEI Qiqi suddenly opened her eyes and stared at him.

Her eyes were filled with disbelief, so she looked a little stupid.

Tang Yu also came back to his senses and chuckled, ” what else? pei qiqi, are you expecting me to kiss you?”

“no way!” She said angrily, but as soon as she finished speaking, he had already kissed her little mouth.

It was lingering, and even a little rough.

PEI Qiqi was shocked. She twisted her head and tried to break free from his kiss.

But he held her down firmly, not letting her escape. His large palm ran through her hair, pulling it so hard that it was almost painful.

She ran, she hid, but he still held her down, and her voice was muffled and broken. I don’t have Hanhan.

The sound was also crushed by him. he kept pestering her until she begged him.

tang yu let go of her and supported her with one hand. he smiled, ” pei qiqi, i thought you weren’t looking forward to it? ”

then who is this woman who is begging me?

Her little hand was pressed against the door, and her eyes seemed to be glistening with a layer of water. She was so beautiful that nothing could compare.

Fragile and alluring!

His fingers gently caressed the corner of her lips and his voice was hoarse. if you do this, I’ll think that you want to kiss me again.

this time, she had learned her lesson and did not refute.

Because whenever she spoke, he would kiss her.

however, even though she was only looking at him with such tender eyes, he still lowered his head and kissed her little mouth again. his large palm was moving along her pajamas.

In the midst of her confusion, PEI Qiqi pushed him away!

no matter what, she still remembered that yingluo was sick.

tang anyu retracted his hand. his expression became a little profound as he stood there with a faint smile.

Her legs were weak, and her voice was soft. I'll go downstairs.

Chapter 383 You feed me (5)

She walked into the kitchen, but after a while, she couldn't help but turn around and see that he was smoking.

pei qiqi hesitated. "tang yu, do you really have to smoke?"

His tone was cautious and distant!

he pinched the cigarette and looked at her sideways. "Miss PEI, are you trying to control me?"

After a pause, he continued, "did I overstep my boundaries?" Feifei doesn't even dare to control me.

”

Feifei, it was Feifei again!

"Then why didn't you ask her to cook for you? why didn't you sleep at her place?" PEI Qiqi stood in the kitchen. She was finally a little angry and she looked a little fierce.

tang yu was also surprised. then, he chuckled and continued to look at her, "miss pei, are you jealous?"

"i'm not!" She lowered her head and continued, "I'm just reminding Mr. Tang not to forget that you have a girlfriend.

he sat on the armrest of the sofa and smoked. "thank you for the reminder."

She had been having a fever for a long time, and with this, she started to cough violently.

pei qiqi still walked over and took the cigarette from his hand, "if you smoke again, get out of here."

As she said this, her little face was tense.

Tang Yu looked at her and was a little surprised.

She was timid, weak, and sensitive, but she had never dared to be so rough in front of him.

Was this considered concern?

he felt a little happy, and then he pulled her over. he leaned there with his long arms and legs, and she leaned on his legs like a little doll.

He was very close to her, and his eyes were looking at her deeply.

"Let me go." she blushed and pursed her lips. "the noodles are going to burn."

Tang Yu was still looking at her, but he was kind enough to let go of her and even Pat her on the butt.

pei qiqi almost jumped up and ran away.

Tang Yu's gaze was a little unpredictable—

pei qiqi, if you let go now, it might not hurt so much in the future!

But why, I'd rather be in pain, -'d rather you be in pain too ...

why was he not willing to let go?

He stopped smoking because he believed that if he dared to smoke again, she would really chase him away.

PEI Qiqi cooked the noodles and sat down with him. She didn't say much and just ate quietly.

She also realized that he didn't eat too much. One bowl was enough, Yingluo.

because of his health, she didn't put shredded chicken, but a few small vegetables and two mushrooms, which looked very delicious.

After Tang Yu finished eating, he wanted to smoke a cigarette out of habit, but he decided against it.

He went to her bedroom and lay down, scrolling through the news on his phone.

PEI Qiqi brought some water in,"you need to take your medicine." &Nbsp;

Just now, the doctor had said that she couldn't take it on an empty stomach, so she brought water and medicine over.

tang yu was still half-lying as if he didn't hear anything. he was still looking at his phone and his expression was especially noble.

PEI Qiqi stood there and pursed her lips. Like a kitten meowing, she said, " time to take your medicine.

He still ignored her Yingluo (Mr. Tang is quite childish)

pei qiqi bit her lip. if he didn't have a high fever, she wouldn't have begged him.

But she was really a little heartbroken ...

"Tang Yu." she was like a little wife as she spoke softly.

At this moment, he finally raised his eyes and looked at her indifferently. Then, he said in an equally insipid voice, " PEI Qiqi, feed me.

Chapter 384 you feed me (6)

That tone was natural and righteous.

Although PEI Qiqi didn't want to, she was more afraid that he would change his mind and refuse to eat the Kasaya. Right now, Tang Yu was as awkward as an old man in menopause.

She snuggled up to him and reached out her hand. the medicine is here.

She was waiting for him to get it, but she didn't expect Tang Yu to lower his head and place the two pills in her palm into his mouth.

his lips touched her soft little palm, and it was a little itchy, as if it had been electrocuted.

pei qiqi's other hand wasn't steady enough and the water in the cup almost spilled.

Tang mo gestured with his eyes. She pursed her lips and brought the cup to his lips.

Tang Yu took a sip from her hand and took the medicine. Then, he frowned, "the water is a little cold."

PEI Qiqi took a small sip and thought, 'it's fine, Yueyue.'

"should i go get some warm water?" she asked in a small voice.

" mmh, " he replied coldly. pei qiqi immediately went to pour a cup of hot water.

But when she came in, she saw Tang Yu changing his clothes like he was about to leave.

when she came in, he was already wearing his sweater and putting on his jacket. he looked up and saw her at the door. tang yu's voice was calm, " i have to go. "

seeing that she was still standing at the door in a daze, he smiled slightly and his expression was a little gentle. " feifei is back. i have to go to the airport to pick her up. "

pei qiqi's blood froze. although she had expected this outcome, when he said it, it was true. she was very sad, wanwan.

He got out of her bed and went to love someone else.

She lowered her head and did not say anything. Naturally, she would not keep him.

His gentle expression just now was for another person. The gentleness that once completely belonged to her now belonged to someone else.

Tang Yu was already fully dressed and was walking out. When he passed her, he paused.

pei qiqi could feel his warm breath on top of her.

"the driver is waiting for me downstairs!" He said indifferently, " I'm leaving.

she raised her eyes, but he was still looking at her, so she looked straight into his eyes.

tang yu didn't leave immediately. he looked at her intently.

their eyes met for a long time before she hummed softly.

She didn't see that his eyes had become a little cold and that the only trace of gentleness at the corner of his mouth had disappeared.

he stood up straight and walked out without saying anything.

the door closed and pei qiqi lowered her head and smiled. there was a trace of bitterness in her smile.

In fact, it was also good that he left.

The person who gave birth to her not only caused his mother's miscarriage, but was also likely to be the one who instigated the car accident at Jinrong, Yingluo.

So it was really good that he left.

These two days were like a dream.

she would always wake up from a dream.

PEI Qiqi ran into the bedroom and took out the phone from her bag.

The card number had been canceled by Rong Lei, but the things saved in it were still there, especially some wonderful pictures in the photo album.

PEI Qiqi flipped through the photos one by one and found quite a few that were related to Zhao Ke.

In particular, there were a few pictures of Zhao Ke lying on the ground naked.

She clenched her fingers tightly.

not only that, but when she turned on the recording, she heard the conversation between Rong Lei and Zhao Ke.

although it was a conversation, it was more of a conversation while doing it.

the ambiguous voice was mixed with a bone-chilling conspiracy-

"Baby, why do you have to kill her?" It was Rong Lei's voice.

Chapter 385-the truth is not far away

Zhao Ke's voice carried a hint of post-event laziness."Because I'm happy!"

After that, there was an unbearable sound, and Rong Lei pressed down Zhao Ke again.

the phone slipped out of PEI Qiqi's hand. she raised her head and chuckled. her chuckling was a little bitter-

It turned out that the person who wanted her life was Zhao Ke!

the woman who had given birth to him.

Did he kill her just to stop her from marrying into the Tang family?

if it was only because she had a child before marriage, PEI Qiqi thought that Tang Zhiyuan wouldn't do anything to her. after all, they had Tang Xin.

then, what made Zhao Ke do this?

PEI Qiqi listened to it repeatedly, but she still couldn't understand.

However, she was certain that she couldn't pretend that she didn't know and that nothing had happened.

Jinrong was still lying on the bed and had not woken up. How innocent was he?

PEI Qiqi pursed her lips tightly as she looked at the photo on her phone. in the end, she registered an alternate account on a certain website.

It was a social networking site that specifically went online to look for extramarital affairs.

She had used Zhao Ke's photo as her profile picture, and the phone number she had left behind was also Zhao Ke's.

of course, she had protected her IP address to ensure that no one would be able to trace her.

after doing all this, her body was a little weak.

She fell onto the sofa and nibbled on her fingers. She had never thought that one day, she would become her mother's enemy.

however, she knew that this was not revenge, but to seek justice.

She didn't call the police. She admitted that she did it out of selfishness. She didn't want him to know that she was Zhao Ke's daughter.

She didn't want Tang Yu to know her identity and look at her like that.

She would rather let him think that the one she loved was jinrong.

the computer made a 'ding' sound and pei qiqi quickly went to check on wanwan.

in just a few minutes, that account had been followed by hundreds of people, and the comments were particularly explicit.

it was filled with ...

"Baby, add me."

"big brother loves you. big brother is the best."

"I love this kind of wild young married woman the most."

The power of this website could be said to be an atomic bomb. Very quickly, Zhao Ke's unsightly photos filled the internet.

PEI Qiqi thought that Zhao Ke would go to find Rong Lei very soon if she didn't guess wrong.

She looked at it for a long time and suddenly closed the notebook.

She hated scheming, but today, she had also become someone she hated.

downstairs in xuxu, tang yu didn't leave immediately. he sat in the rv and received a call from the so-called 'king'.

The king was a hacker among hackers, and also a detective.

he told tang yu in a calm voice, " miss pei used her own computer to register a new account. the content is quite explosive. mr. tang, you can look at the news now. the entertainment section is out. "

Tang Yu's eyes narrowed and his fingers tightened.

the truth is actually not far away.

however, it was fine if he was waiting for the final result. if the result was not out, he seemed to be unwilling to believe that it was the case.

“Protect her account and don’t let anyone find out about her background.” He hung up the phone.

He scrolled through the news and suddenly, a large number of photos of Zhao Ke appeared. He didn’t need to say anything to know that it was done by PEI Qiqi.

Those photos were very explicit, and some of them were taken from the front, so Zhao Ke couldn’t deny it.

Especially since it was obvious that it was after marriage. Firstly, she looked like she was in her thirties. Secondly, it was obvious that the pigeon egg in her hand was a gift from Tang Zhiyuan. Now, she felt that it was ironic.

Tang Yu flipped through it and put down his phone. His thin lips were tightly pressed together. He made a few more calls before driving the car away!

Chapter 386 the truth is not far away (2)

Zhao Ke was about to go crazy. Her phone was constantly being called by men. The first thing they said was ‘baby’, and then some dirty words that were displeasing to the ear.

Those men had all wanted to date her. Some of them had even sent her photos of themselves. There were clothes on the top, but no bottom.

Those X-ray photos made her nauseous.

her cell phone rang non-stop for the entire afternoon, and in the end, she had no choice but to turn it off.

She didn’t know which bastard had revealed her information on social media, which caused this situation!

zhao ke wanted to get someone to investigate, but tang zhiyuan was always there, so she didn’t dare to say anything.

it was just that his expression had always been very ugly.

The phone in the house rang. Tang Zhiyuan picked up the phone and glanced at Zhao Ke. it’s for you.

zhao ke looked at him suspiciously, but she still picked up the phone.

On the other end of the line was a member of the group of rich ladies that Zhao Ke usually played cards with. When she heard Zhao Ke’s voice, she shrieked, ” Zhao Ke, was the person who answered the phone just now your Tang Zhiyuan? ” something big has happened!”

zhao ke’s heart skipped a beat and she coughed lightly. ” “We’re playing cards. I’ll be there in a while.”

she didn’t dare to discuss it over the phone, knowing that something was going to happen.

She looked at Tang Zhiyuan and smiled. a group of sisters asked me to play cards. If I don’t go, it’ll be a little disappointing.

Tang Zhiyuan drank his tea and said very calmly, ” I’ll go if I want to. When did you report to me? ”

Zhao Ke was a little bored. She pursed her lips and went out without putting on makeup. She even brought her phone with her.

She drove her own car and stopped at an open space outside. She called the rich lady just now. what happened? ”

That woman even acted coy for a moment. Zhao Ke, it's not that we don't want to help you this time. It's just that we're too clear. If we say that it wasn't you, no one will believe us.

“what is it?” zhao ke asked anxiously.

” wait a minute. you have to hang in there. i'll send it to you later. don't let your tang zhiyuan know about this. otherwise, you'll be in trouble. ” The rich lady talked for a long time, but her main point was to not let Tang Zhiyuan know.

but now, there were photos all over the place. how could tang zhiyuan hide it?

after a while, zhao ke received those unsightly photos of her.

the technique came from rong lei.

her face was livid. how did these photos get out?

He dialed Rong Lei's phone, but he didn't answer.

Her face was pale and she drove to Rong Lei's residence.

When they arrived, Zhao Ke was stunned. Rong Lei was packing his luggage.

“What are you doing?” Zhao Ke stood by the door, her face pale.

she also had a premonition that something big was about to happen.

after rong lei lost his phone, he felt uneasy. in the afternoon, zhao ke's *** leaked out.

He had a vague feeling that someone was going to mess with Zhao Ke.

That girl and meeting Tang Yu in the 'night', could it all be a coincidence?

But Rong Lei was also a smart person. He wouldn't tell Zhao Ke this. He would rather let her think that this was a bad thing and that he was the one who leaked her photo. That was all.

he had to run away, so he could not let her know that there was more trouble coming.

Rong Lei looked at her, then put down the luggage in his hand and sneered, ” you saw it, I'm going abroad and I need money. How about it, Mrs. Tang, can you give me some money? ”

Chapter 387 The truth is not far away (3)

zhao ke trembled with anger. she was in such a miserable state now, and he still wanted money from her?

“ronglei, you're heartless!” Zhao Ke walked over and threw his luggage on the ground like a crazy person. “What about me if you leave? why did those photos appear on the internet?”

“Yes, why?” “What do you think, Mrs. Tang?” he asked with a wicked smile. i just want to play with you, i want you to have a taste of what it feels like to be treated as a lowly thing by so many men. how does it feel?”

Zhao Ke was so angry that she slapped Rong Lei’s face.

the air seemed to have frozen.

Zhao Ke herself was also shocked. She bit her lip guiltily and her body couldn’t help but retreat.

rong lei reached out and touched his face. it was especially painful. this old woman was really ruthless!

In fact, he had been violated by women many times. In this line of work, he was the one who was a rich woman and just lay on the ground to make them happy.

but now, did zhao ke really think she was the mrs. tang from before?

If Tang Zhiyuan knew about those things, could she still be Mrs. Tang?

Rong Lei slowly turned his head, and the light in his eyes made Zhao Ke a little scared. She stepped back and finally leaned against the wall.

he walked in front of her and grabbed her neck with his large palm. ” do you think i’m still the dog that wagged its tail and begged for pity in front of you? it seems that the lesson last time didn’t make you obedient!”

he did not mind teaching her a lesson before he left.

Zhao Ke’s feet were high as she looked at the man in front of her in fear.

She had a relationship with this young man a long time ago. When this man was 19 years old, she seduced him and made him her man.

Men around the age of twenty were the most energetic. That night, Zhao Ke tasted the joy of being a woman.

compared to tang zhiyuan, rong lei was indeed a good partner. zhao ke had gotten a lot of satisfaction from him, but now, she could no longer control this man.

in the end, he pinched her throat and said in a low voice, ” it seems that the lesson i gave you last time wasn’t enough. ”

“What do you want to do?” zhao ke’s eyes widened as she stared at rong lei, her voice trembling.

Rong Lei chuckled. what do you want to do? Don’t you usually like to fool around with men? i’m sure you’ve never seen how wild you are.”

he laughed coldly, and zhao ke could only feel her hair standing on end. she swallowed her saliva.

Rong Lei took out his phone from his pocket, adjusted it, and placed it on the side facing him. He didn’t take a picture of his face, only Zhao Ke’s.

she wanted to pretend to be noble, but she couldn’t do it in front of rong lei!

He would beat her from heaven to hell.

he would beat her from heaven to hell.

he would beat her from heaven to hell.

He would beat her from heaven to hell.

He would beat her from heaven to hell.

He would beat her from heaven to hell.

Then, he would fish her out of hell and let her see heaven!

zhao ke was stunned for a moment. after a while, she started to scream, "you can't do this to me!"

"Why can't I?" Rong Lei sneered, "Mrs. Tang, don't you like me the most?" you like it the most when i use all sorts of methods on you. you said that it's very interesting!"

he suddenly turned zhao ke's body to face the camera on the phone. "i'm just fulfilling your wish now!"

Chapter 388 The truth is not far away (4)

He grabbed her hair and tortured her like a dog.

Rong Lei sneered, "Mrs. Tang, how does it feel to be treated like an animal?"

Zhao Ke's head hit the wall again and again, and the skin on her face was soon broken.

her body hurt too. she groaned in pain and refused to look at the camera, but she refused. rong lei hit her hard and pulled her hair against the wall. "i told you not to look, i told you not to look."

He was torturing her almost crazily, and Zhao Ke's face and body were soon bruised and swollen.

her face was red and swollen, and she was forced to face the camera with her eyes closed for thousands of people to enjoy-this was a video room for making friends in the same city!

Zhao Ke knew that she was finished. Even if Tang Zhiyuan didn't divorce her, she would have no place to stand.

at this moment, she felt like she had returned to the past, back to her teenage years. she was raped by her stepfather when she was only in her teens. she cried and screamed, but the beast did not let her go.

her eyes were so swollen that there was only a thin line left, and she looked at the camera blankly.

Suddenly, Zhao Ke was stunned.

Rong Lei didn't use this phone before. Even though she had seen him a few days ago, he didn't use this phone.

a crazy thought appeared in his mind.

the photos on the internet were not done by rong lei, but by someone else!

In that case, was there something else on his phone?

Last time, he had threatened her to give him the money or he would leak the recording of their conversation about killing PEI Qiqi.

Of course, she knew that he wouldn't dare, because he was the one who found her!

Zhao Ke clenched her teeth tightly. Her entire body was cold, and she had a feeling that she was about to lose her momentum.

Perhaps, today's incident was a plot to lure her into a trap.

no, she couldn't let Rong Lei leave. if he left, as long as she found him, he would definitely rat her out.

as long as Rong Lei was dead, even a recording wouldn't do anything.

Zhao Ke's eyes were filled with a cold and disdainful look.

The man behind her overlapped with her ugly stepfather.

Her once beautiful face was now swollen like a meat bun. She raised her head, and there was a touch of viciousness in her eyes.

these men who had trampled on her must all die.

That old thing was like that, and so was Rong Lei ...

finally, Rong Lei let go of her.

Zhao Ke's legs went soft and she slipped on the ground. Her entire body was in a mess, and there was not a single part of her body that could be seen.

Rong Lei zipped up and looked at her coldly. He kicked her again. it's an old woman like you. If I want to sleep with you, it depends on my mood. If I'm in a bad mood, I can't be interested.

He bent down to pick up her small bag and took the tens of thousands of cash from it. Then, he threw the bag at her face. why don't you look at yourself in the mirror? you think you're still an 18-year-old girl? ”

He turned off the live stream on his phone and put it in his pocket. He then went to the bathroom to wash up, ready to leave soon.

When he entered the washroom, Zhao Ke slowly got up from the ground.

she reached out to tidy up her hair and walked to the coffee table. there was a fruit knife on it, and it was very exquisite.

She picked it up and hid it on her body.

Rong Lei came out and saw Zhao Ke get up. He was stunned for a moment and then sneered. not enough? Give me the money and I'll satisfy you one more time.”

zhao ke smiled at him. however, she was no longer the sharp-eyed zhao ke. her entire face was swollen and deformed.

Chapter 389 the truth is not far away (5)

Rong Lei was no longer interested. He picked up his luggage and was about to leave.

with this departure, he would not appear in B city for at least five years. he had a feeling that the person behind this would definitely find a way to kill zhao ke.

he had a part to play in that matter, so he had to leave.

Zhao Ke hugged Rong Lei from behind. Her voice was hoarse and gentle. Rong Lei, are you really willing to leave me? ”

Rong Lei was stunned. Being hugged by her like this reminded him of Zhao Ke’s good days.

she was indeed the one who brought him into the industry. at that time, her young body had brought him happiness. for a period of time, zhao ke was like a drug to him. he couldn’t quit no matter what. he wanted to sleep in the same bed with her all day long and do it with her day and night.

“Ronglei, you lost your phone, didn’t you?” zhao ke’s voice softened. ” if we can’t escape, then take me with you. ”

As she spoke, she tightened her arms and hugged him tightly.

Rong Lei sighed softly. I’m not lying to you. The phone was stolen, so Zhao Ke, you’re on your own. I can’t take you away. You know that I’m a woman’s man. Why would I take you away? ”

It was said that actors were heartless, and prostitutes were heartless. Rong Lei was actually a judge, but he was just beside the word “male.”

“rong lei, is there no way out if we don’t run?” Zhao Ke’s voice was still gentle, but her eyes were filled with killing intent.

Sure enough, he had lost his phone. Who was the person who had gotten his phone?

it didn’t matter who it was. what was important was that rong lei had to die.

in the past, zhao ke wouldn’t have done it herself, but it was too late now. if she waited any longer, rong lei would run away.

If he was found by others, her life would be over.

those who blocked her must die!

A knife appeared in Zhao Ke’s hand and she put it against Rong Lei’s back, but her voice was soft, ” “ronglei, i will miss you.”

Rong Lei didn’t know that death was coming. He laughed dryly. did you feel good being gobbled up just now? be good. We’ll continue when I’m back.

Come back?

zhao ke chuckled and put her lips next to his ear. ” rong lei, you won’t be coming back. ”

rong lei wanted to say something, but a knife had already silently cut through his skin and stabbed into his heart.

his heart suddenly shrank! Pain, a sharp pain.

he lowered his head and saw that his heart was bleeding. the blood had soaked his clothes and was dripping down drop by drop.

he wanted to struggle, but the woman behind him hugged him tightly.

“rong lei, you didn’t expect this day to come, did you?” “ hahahaha! ” zhao ke hugged him tightly and laughed crazily. “ when you defiled me, you didn’t expect to die in my hands, right? ”

the knife in zhao ke’s hand moved forward again and also gave away rong lei’s love.

her face was contorted. ” those men who treat me like a toy will not have a good ending! ”

And Rong Lei was just a pet she had raised back then. How dare he treat her like this?

zhao ke smiled coldly and stabbed rong lei more than ten times with the knife in her hand, grinding him into pieces.

rong lei fell in a pool of blood, his legs twitching and his eyes wide open.

His body was covered in blood, and the bright red blood slowly seeped to Zhao Ke’s feet.

She looked at him without any expression on her face.

There was no fear, no fear, because she had experienced something scarier than this.

now, she just needed to destroy the evidence and leave this place.

zhao ke took out the phone from rong lei’s pocket and put it in her bag.

then, she used a towel to wipe off the fingerprints on the knife and the traces she had left in the room.

she took his cash and rummaged around the house, making it look like a robbery.

After doing all this, she looked at Rong Lei lying there and smiled coldly.

this was the consequence of defiling her!

she calmly picked up her phone and dialed tang zhiyuan’s number. ” zhiyuan, my sisters asked me to go to macau to play a few rounds. i won’t be coming back for a few days. ”

on the other side, tang zhiyuan didn’t care. when he saw zhao ke, he also felt annoyed.

after hanging up the phone, zhao ke put on her sunglasses and used a silk scarf to cover her face.

However, when she opened the door, she was stunned to see a few men in uniform standing outside. The badges on their bodies made her see stars.

The leader looked serious. we received information that there is a criminal case here. Madam, we have to go in and investigate, so you can’t leave now.

Zhao Ke’s lips moved and she lost her voice, unable to speak.

after a long time, she said in a hoarse voice, ” no, when i came, something had already happened here. ”

she suddenly screamed, ” police, there’s a murder here! Murder! It’s so scary.”

she desperately grabbed the man, her eyes filled with fear.

however, this fear came from himself.

The police officer was used to this kind of trick. He pushed her chicken claw-like hand away and said to the two newbie police officers beside him, " you guys keep an eye on her. The rest of you, follow me in.

In fact, they were already sure of what had happened inside. The woman's face was bruised and swollen, and there was a smell of blood in the air. There was also an ambiguous smell of sex.

love kill?

When the police entered, Zhao Ke struggled but couldn't break free. She watched him squat down and touch Rong Lei's body.

it was not breathing, but it was still warm and not cold.

the old policeman took out his phone from his pocket and dialed the headquarters 'number. " " there's been a murder here. get the forensic doctor to come immediately. the address is xxx. "

he put on his gloves again and took a look at the knife. then, he looked at zhao ke who was at the door and smiled. " the technique is quite cruel. it looks like the heart is going to be minced. "

Although the woman's face was bruised and swollen, she still looked familiar.

after so many years, the old police officer still remembered some things!

that was something that happened many years ago, more than twenty years ago!

It was also a case of someone being stabbed to death with a blunt weapon. The old man was a well-known honest man on the old Street, but he was stabbed to death by a group of ruffians.

During the trial, there was a teenage girl-the man's stepdaughter.

she was very pretty, but when she was giving her testimony, she was unusually calm. at that time, in his opinion, this girl was either cold-blooded or the murderer.

However, that case was left unsettled in the end, because the gangsters who killed the people could not be found at all. There were too many people.

the woman in front of him was surprisingly similar to the girl from back then.

the old policeman pulled open rong lei's pants, took a simple look, and covered his nose.

It was the same, it was the same, he was killed after that incident!

He knew what was going on. He stood up and slowly walked to Zhao Ke. He bent down slightly and looked at Zhao Ke carefully.
