Chapter 3811: Did you miss me?(3)

wen yuan nodded.

He had to leave, and when he left, he was a little reluctant.

After ye mu Bai left, Wen Yuan took a good look at the apartment and thought about the South.

Wen Yuan had nothing to do as he had someone to take care of the family affairs. She took xiangnan around the apartment. The designer must have taken care of everything in the apartment. It was very tasteful, but Wen Yuan did not particularly like curtains as he felt that it was too dull.

The helper at home had lived in this area for more than ten years. Wen Yuan asked her where she could get custom-made curtains and the helper told her. Therefore, Wen Yuan went to the market on the first day and even brought xiangnan with him to pick out the cloth she liked. Xiangnan's room was chosen by him.

It took a day to finally change the curtains in the apartment. The Auntie said that they looked good, and that the original ones were very good, but now they looked more like a place where people lived.

...

Wen Yuan smiled. Under the setting sun, he and Xiang Nan each took a book and sat on a small mat in front of the floor-to-ceiling window. The setting sun shone on them, forming a faint Halo.

after a long time, xiang nan looked up at wen yuan and said, " "Mommy, when will daddy come back?"

wen yuan thought for a while. " i'll be back tomorrow night, but it'll be very late. i want nan to go to bed early. i'll be able to see dad the next morning. "

xiang nan acknowledged and threw herself into wen yuan's arms like a spoiled child, saying softly,
"Mom, I like new York."

Because there was a father and a mother in new York, they did not fight.

wen yuan carried the little fellow and looked down at xiangnan. actually, xiangnan rarely acted like this. he must be very happy.

"Mom, do you like new York?" Xiang Nan asked with a red face.

Wen Yuan smiled slightly. you like it, right? "

"Because xiangnan, dad, and little sister are here, right?" Xiang Nan's voice was very innocent.

Wen Yuan smiled and kissed his son gently. "maybe it's a little brother!"

"I like both." "I heard from Anan that children look like toys," Xiang Nan said excitedly.

wen yuan laughed. " children grow up very fast. "

She looked at Xiang Nan and then smiled."you were like a little toy when you were born."

Xiang Nan's little face blushed and she threw herself into her mother's arms. After a while, she said,
" i'm taking care of the baby. i don't treat him like a toy."

wen yuan's heart softened and he felt an indescribable feeling.

When ye mu Bai was not around, she took Xiang Nan with her. Life here was pretty good, and everything was well arranged. Apart from the Auntie, he also had an assistant in new York. His name was Xu Mo, and he was also from B city.

xu mo would come over every day. he was considered auntie's direct superior and was very meticulous in his management.

miss Xu treats me like an artiste and manages me, ” the Auntie complained to Wen Yuan. she even hoped that I would become popular.

she was very serious in her work.

Wen Yuan smiled,”don’t mind her, she’s probably just used to it, Hanhan.”

The Auntie was very diligent in her work, but she was not used to this kind of management.

Wen Yuan had a talk with Xu Mo after that. She was a girl who was only about 155 cm tall. She was small but full of energy. The Auntie whispered, ” she used to take care of a lot of big stars. All the big stars in crooked country have been under her management. She has her means.

Wen Yuan merely smiled. In fact, she did not really care about Xu Mo’s ability. This was because the helper worked in the apartment. As the mistress of the house, she did not want others to interfere, even if it was ye mu Bai’s assistant.

Chapter 3812: did you miss me?(4)

so, after xu mo was still managing the auntie and the house, she still called ye mu to apologize.

Ye mu Bai picked up the call. It seemed that they were in a public place, so he calmly told her to wait for a while.

after about a minute, his room was quiet.

Ye mu Bai leaned against the aisle with his phone in his hand. His expression was warm. why did you call me? did you miss me? ”

wen yuan was silent for a while before he spoke, ” “can you not let xu mo get involved in family matters?”

Ye mu Bai's slender fingers held a cigarette, but he did not smoke it. He only played with it between his fingers.

...

After a while, he smiled. you're not happy? "

"i like the quiet." She sounded a little displeased. besides, Auntie isn't her artist. Your assistant doesn't have to report to work every day.

Ye mu Bai smiled. is it because she's a young and unmarried lady that you're feeling uncomfortable? "

"I didn't." wen yuan tried to reason with him. " ye mu bai, that's where i live. i don't want anyone else to mess with me. "

"you're just concerned about the appearance of other women, aren't you?" He said lazily.

Wen Yuan widened his eyes and suddenly asked, " "You did it on purpose, didn't you?"

Ye mu Bai smiled and did not deny it.

Wen Yuan was so angry that he hung up the phone.

Ye mu Bai looked at his phone and smiled. He still called her.

if wen yuan did not pick up, he would continue to call her until she did.

"ye mulin, what's the matter?" She asked in a reserved manner.

ye mu bai smiled. " i'll be back tonight. "

"as you wish." her tone wasn't very good, and then she hung up the phone.

Ye mu Bai looked at his phone and thought that she was really angry. He thought about it and gave Xu Mo a call. "I don't have to go to the apartment tomorrow."

Xu Mo heaved a sigh of relief in new York. thank you, director ye. I really can't do this job anymore.

"Wen Yuan is not easy to get along with?" ye mu Bai smiled.

Xu Mo complained, "he's quite easy to get along with. It's just that being too easy to get along with makes me feel uneasy.

and now, she had complained to the boss.

"no woman would like another woman to appear in their house," ye mu bai said nonchalantly.

xu mo gritted his teeth, "but director ye still asked me to go."

ye mu bai smiled. "i thought i'm not going now?"

"Then I'll thank you, thank you, and direct you through the night!" Xu Mo gritted his teeth. This was the first time he hung up on his boss's call. What the f * ck, a man who looked decent was actually so evil.

over in new York, wen yuan hung up the phone. the auntie at home looked at her anxiously. "Did Sir agree?"

wen yuan looked at her as well. after a long while, he slowly said, "he should have agreed."

the auntie clapped her hands. "i knew it. this house isn't a company. we're not actors. sir, you're too ridiculous."

as she spoke, she looked at wen yuan again with a cautious look in her eyes. "madam, i didn't mean it that way. i'm just saying nonsense with my cheap mouth."

She was worried that Wen Yuan would be angry and kept apologizing. However, Wen Yuan did not mind. I will bring it up again when he comes back. Don't worry, Auntie. If you're uncomfortable, I'll be uncomfortable too.

I'm ye mu Bai's wife, " she said as she walked. I'm not his artiste. Why would he need a manager?"

The helper repeatedly agreed. Wen Yuan walked back to the bedroom and frowned slightly. Then, he let out a long sigh. She had thought that her marriage with ye mu Bai would be ordinary, but he obviously did not think so.

Chapter 3813: Did you miss me? 5

in the evening, the helper also went home. she and xiangnan watched tv together. it was originally a children's program. then, xiangnan took the remote control and said that he wanted to watch his father. wen yuan looked at him.

Xiang Nan laughed and quickly changed the schedule to an award ceremony. He picked the right time. Ye mu Bai was about to go on stage to receive an award, and the person who wanted to be with him was none other than Lin Danni.

Wen Yuan pursed his lips tightly and stared at the person on the screen without blinking.

after ye mu bai received the award, he stood side by side with lin dannu to take the photo. there was quite a distance between them.

Wen Yuan watched quietly as he gave his speech. On the television screen, ye mu Bai was dressed in a classic black suit with a white shirt inside. He looked very elegant.

he was born into a good family and had good looks. even when he stood in front of many western men, he was still dazzling.

...

Ye mu Bai stood in front of the microphone and spoke in English with a soft but firm voice. " thank you for giving me this award. i would like to thank all the members of the crew for their efforts, thank the audience, and also thank my wife, WIN. "

he faced the camera and revealed an extremely charming smile. this was the first time ye mu bai had shown such a charming smile in front of the camera since he started directing the movie.

it was for his wife, and beside her was lin dannu, who had a scandal with him. the live broadcast immediately gave her a specific shot, and the fans outside the screen were extremely distressed for their idol.

even though lin dannu's acting skills were good, she still looked extremely unnatural at the moment.

She forced a smile and glanced at ye mu Bai, but he did not respond to her gaze.

After ye mu Bai finished speaking, it was Lin Dannu's turn. Compared to ye mu Bai, she was a little incoherent. She was still affected.

in the end, she didn't even know what she was saying. " don't get off the stage. "

she was also sitting with ye mu bai in the audience. after she sat down, she saw that there was no camera facing her and whispered, " "you did it on purpose, didn't you? was it for me to see?"

no, she's saying it for Wen Yuan to hear. ye mu Bai was still smiling. she must be watching it in front of the TV.

Lin Dannu tilted her head and looked at him, her eyes filled with disbelief.

"You won't like her," she said softly after a long time.

ye mu bai tilted his head and smiled."I like it."

Lin Danni's expression froze, and the camera caught it, zooming in.

these awards were also very gossipy. of course, wen yuan, who was sitting in front of the tv, had also seen it.

xiang nan looked at her worriedly, his little hand gently pulling her hand. ” “Mom.”

wen yuan knew that he had frightened him. he reached out to turn off the television and smiled. ” “what's wrong, xiang nan?”

Xiang Nan looked at her expression carefully, and then said carefully,”mom, aren't you angry?”

“There's nothing to be angry about. Daddy didn't do anything.” Wen Yuan reached out and touched his head, whispering, ” “Alright, time to sleep.”

xiang nan nodded and obediently went to brush her teeth and wash her face. she then obediently lay on her bed.

he looked at his mama tenderly. wen yuan sat by the bed and told him a story. he fell asleep after thinking about the south, his little face very calm.

Wen Yuan placed his palm flat on his little head and stared at him for a long time before he returned to his room.

She didn't think about him and Lin Danni being in the same frame. He had said before that she didn't mind.

Chapter 3814: Did you miss me? 6

However, the way Lin Danni looked at him still made him feel a little uncomfortable. Wen Yuan sat quietly for a while before returning to his room. His phone was on the bed and there was a WeChat message from ye mu Baifa.

[I'll be back in two hours.]

just these few words.

Wen Yuan bit his lip and did not reply to his message. He threw his phone down and went to the bathroom. After washing up, he lay back on the bed and looked at the time. It was already 11 O'clock.

she would not wait for him. wen yuan lay down and covered his face with his hands. then, he closed his eyes and stopped thinking about him. he did not want to think about the things that happened between him and lin dann. it was rather boring.

when ye mu bai returned, it was almost one o'clock at night. he gently closed the door and put down his luggage.

...

She first went to see Xiang Nan and kissed her before walking into the master bedroom.

Wen Yuan was asleep.

but she left the bedside lamp on.

Ye mu Bai stood at the door and looked at her quietly. After a while, he slowly took off his tie and coat and placed them on the sofa in the bedroom. He then kicked off his leather shoes and sat down on the bed.

The soft bed sank deeply. He held her face with one hand and placed the other on her shoulder to prevent her from escaping. Then, he lowered his head and kissed her.

Wen Yuan woke up naturally. He opened his eyes and looked into his dark eyes. He turned his head and he chuckled as he kissed deeper.

wen yuan had no choice but to grab his hand and try to break free. however, he pinned his hand to the bed and locked his fingers together, kissing her even deeper.

wen yuan struggled for a while more before he gave in and allowed him to kiss him.

his kiss was also slow and unhurried, as if he had a lifetime to do this. when he was satisfied with the kiss, he still clasped her fingers and asked softly, ” “did you miss me?”

wen yuan’s body softened from his kiss and he turned his head away. ” “i don’t want to.”

“You’re lying,” He chuckled. do you want me to check? ”

as she spoke, she was about to hit him. however, she remembered how his fingers had been so naughty a few days ago. she was so scared that she grabbed his hand and refused to let him touch it. ye mu bai kissed the corner of her lips.”Tell me the truth and I’ll let you go.”

“I didn’t miss you,” she turned her face away.

he was about to hit her again, so she quickly stopped him and said softly, ” “You’re the one who will let me go if you tell me the truth,”

he wasn’t in a hurry, so he laid down beside her and pulled her into his arms.

the weather was obviously very cold when he came back from outside, so it should be very cold. however, after taking off his coat, his body was very warm. she didn’t feel any coldness from him when she came out of bed.

ye mu bai lowered his head, and his face was very close to hers. his voice was low and hoarse, and it was a little seductive in the middle of the night.”did you miss me or are you angry?”

She just looked at him.

“Are you angry?” he smiled.

as he said that, he clasped her fingers. "there's nothing going on between us. we just received an award together. we didn't even attend the celebration party and came back to accompany you. aren't you happy?"

He nibbled on her nose. "you don't even look happy. wen yuan, you weren't like this before."

wen yuan looked at him and smiled faintly, "what was i like in the past?"

it's quite clingy to me, and it's a little awkward. "his voice became a little low again."She's obsessed with my body and won't let go of any chance to seduce me."

He pressed his forehead against hers and his voice became hoarser. Wen Yuan, is my body no longer attractive to you now?"

Chapter 3815: did you miss me? 1600 words

"ye mu bai, i want to sleep now." wen yuan's face turned red.

he laughed in a low voice. "are you sleeping or sleeping with me?"

"I'm sleeping," she said, glaring at him.

she struggled free and crawled under the blanket from under his arm in her moon-white pajamas, and he watched her.

when she got in, her pajamas stuck to her body and curved her slender waist. it was especially beautiful. he felt that he could hold her waist with one hand, and his eyes were a little hot ...

She was clearly a woman who had given birth before, so why was her waist still so thin and soft?

...

There was an indescribable feeling in his heart. He stared at her and said in a low and hoarse voice, " "you're just going to sleep like this and not care about me anymore, huh?"

with that, he lifted the blanket and got in, turning off the light.

wen yuan fell into his arms and bit his lip. " "Ye mu Bai!"

his voice continued to be hoarse. " you said it, huh? "

She thought he was going to say that she wanted to have a child, but he bit the tip of her nose that was covered in sweat. His voice was even lower. I told you to wait for me. You went to sleep on your own, huh? "

As he said that, he gently removed her pajamas from under the blanket. Wen Yuan was no match for him and could only shrink into his arms. His body was neat and tidy, and his shirt, trousers, and belt were not missing at all. She felt a little subtle in his arms, and she also felt particularly fragile.

"why aren't you saying anything?" He said somewhat evilly.

wen yuan bit his lip and closed his eyes gently. " what did you say about ran ran? "

he chuckled softly, his large palm moving slowly. he kissed her from time to time, until she couldn't take it anymore and cried. she called his name."ye mu bai,"

"What?" he was still unhurried and asked her gently. he hooked her chin and kissed her, from her cheek to her chin. when he was in the mood, he bit her chin hard, and the strength made her want to cry but she couldn't.

she lay in his arms and called out his name uncomfortably. ye mu bai's voice was a little hoarse."beg me,"

she was unwilling and turned her head away.

"Beg me to take you, huh?" he forced her even more.

wen yuan could not stand him like this. he gently bit his shoulder and said in a soft voice, ” “Ye mu Bai, you bastard!”

He knew that he couldn't tease her anymore. He chuckled and grabbed her hand to his belt.”Get it off.”

The light was very dim, and her expression was particularly soft and a little shy.

he grabbed her hand and chuckled. ” you're already a mother. why are you still so shy? ”

She used to be very bold, but when he took the initiative, she was not like before. She just felt more moved.

she kept her head down, and he forced her to look up. then, he carried her on his body and forced her to do so.

after a few rounds of indulgence, he carried her to the bathroom. in the warm water of the bathtub, he couldn't help but have sex with her again. after this time, not to mention her, even he was almost done with it. he washed up and went back to bed.

he was still pressing against her, his voice like a spring breeze.”Do you think we did it for nothing just now? did we wash it off?”

wen yuan was very sleepy. he closed his eyes and said, ” ye mubai, i don't have the energy to accompany you anymore, hanhan. ”

He observed her for a while and could tell that she was really exhausted by him. He couldn't help but chuckle. Lying down beside her, he looked at the ceiling for a while and then turned his head.”If you don't wait for me in the future, I'll still do this to you.”

He was actually a little excited.

wen yuan's eyes were still closed, as if he had not heard anything. after about half a minute, she opened her eyes and her gaze was a little complicated.”you're such a luscious woman!”

“your reflex arc is really long.” ye mu bai laughed.

He was leaning against the head of the bed. He was wearing a white bathrobe that showed off his young and strong figure.

A man like him was successful and famous. Naturally, many women would like him. Wen Yuan used to be attracted to his looks.

Of the two ye brothers, ye Mu Lin’s looks were not any worse than ye mu Bai’s. However, ye Mu Lin gave off a professional vibe. Most of the time, they would be frightened by his cold aura and would not dare to have any thoughts about him. However, ye mu Bai was different. All the women who saw him only had one thought: he was very good-looking and they wanted to sleep with him.

It was probably because ye Mu Lin had ye zhenggang’s temperament, while ye mu Bai had inherited more from su Fu.

at this moment, he stroked her hair with one hand and touched the head of the bed with the other hand. it was obvious that he wanted to have a cigarette after the deed. however, he gave up at the thought of wen yuan and continued to stroke her hair. he leaned over and kissed her. “one more time?”

Wen Yuan felt that he was perverted and turned around to ignore him.

He smiled, slid down, and hugged her from behind, ready to sleep.

However, his hands were not honest. As he touched her, he said softly, ” “why is your waist still so thin? you’ve already given birth.”

“you like the thicker ones?” She wanted to sleep, so she rubbed her head on the pillow and said in a soft voice, ” “Then I’ll get fatter.”

he hugged her from behind, his fingers gently caressing her hair while his other hand was still holding her slender waist. he was very reluctant to part with her.

wen yuan really wanted to sleep, and his breathing was weak. ” “i don’t have the strength to accompany you. if you still want to solve it yourself, you can go find someone else.”

As soon as she finished speaking, she was bitten on the shoulder. Wen Yuan cried out in pain.

“are you still going to say it, huh?” His voice was low. if you continue, I’ll kill you.

Chapter 3816: Pregnant (1)

wen yuan’s shoulder was in great pain, but he sobered up a little after being bitten by him.

she blinked her eyes for a long time before she said, ” “i’m telling the truth.”

“No.” he moved closer to her, his face close to hers, and a warm palm covered her lower abdomen.
” “You won’t think that way. Wen Yuan, you’re clearly a jealous person.”

He looked like he would not let her go if she did not admit it and did not take back her words. He bit her gently behind her ear.”repeat what you just said.”

“i want to sleep.” wen yuan turned around in his arms and hugged his body.

he was stunned for a moment, then he laughed softly. he put her hand on his waist and lowered his head to kiss her. ” say a few nice words and i’ll let you go, hmm? ”

...

wen yuan could not stand him like this. he bit his lip and buried his face in his heart.

She did not speak, but she was very soft. Ye mu Bai lowered his head and kissed her hair.”Alright, I’ll let you off.”

she made a muffled sound and fell asleep in his arms.

she was indeed very tired. ye mu bai was a normal man. he had not had a woman for a long time, and they were newlyweds. the nights when he wanted her were always hot-blooded, and he had almost reached the limit of his tolerance.

However, after letting her fall asleep from exhaustion, he was a little tempted at this time. Actually, it was not that he had never had a woman before, and it was not that he had never done it with her before, but now he had a strong interest in her.

Ye mu Bai lay flat and looked at the woman in his arms. He thought of a set of data that he had seen before. No matter how beautiful a woman was, she would not be very interested after having done it thirty times. In fact, he and Wen Yuan did not stop there, but he still wanted her.

he reached out and gently pinched her face. he said softly, ” “I don’t know what kind of bewitching drug you used.”

he was not a man who indulged in his desires, but now he wanted to come every night.

of course, he could not. they had to get a child out of the womb now. thinking that wen yuan was ten months pregnant and would probably be a few months pregnant before giving birth, he could not do so. he lay down and sighed softly and impatiently.

The next morning, Wen Yuan woke up and found himself lying in his arms. He was stunned for a moment before he slowly looked up.

he was awake, and there was a faint blue color on his smooth chin. he looked very good under the sun.

Wen Yuan quickly closed his eyes and pretended not to wake up.

“Still pretending?” a warm voice rang in her ears, and then she was pressed down on the soft bed. he kissed her deeply, but he felt that it was not enough, so he pulled her into his arms and kissed her.

In the morning light, she sat on his lap, feeling helpless as he kissed and rubbed her. Her whole body was sore and she could only let him hold her.

he kissed her for a long time, his chin resting on her shoulder as he panted. when he calmed down, he smiled gently."i'm going to the washroom."

After he finished speaking, he let go of her and walked straight to the bathroom. Wen Yuan lay flat and let out a long breath.

He really was a beast.

Ye mu Bai's voice rang out from the bathroom. you can sleep for a while longer. Auntie will take care of Xiang Nan when she comes over.

Wen Yuan closed his eyes and listened to the sound of water from the bathroom. After a while, she heard him come out.

She thought that he would get up since he had already taken a shower. However, she did not expect him to come out with a towel wrapped around him and then lie back on the bed.

"ye mu bai, don't you have anything to do?" wen yuan closed his eyes.

Chapter 3817: 1600 words pregnant

"Ye mu Bai, don't you have anything to do?" Wen Yuan closed his eyes.

"i want to make love. there's nothing else to do today except this." He smiled and reached out to stroke her lower abdomen."These two days are our last chance. Why don't we try harder?"

He was just joking with her and Wen Yuan did not take it seriously.

she felt that he had deliberately made her pregnant last night, almost in the traditional way. if she still didn't get pregnant, she would think that there was something wrong with them.

she didn't say anything, and he could probably tell that she was under a lot of pressure, so he ruffled her hair. " "I have a feeling that you will."

Wen Yuan looked at him and smiled gently.

...

Ye mu Bai's gaze also fell on her face. After a long time, he gently kissed her. This kiss was a little different from the past, and Wen Yuan was a little dazed.

"are you dumb?" he held her as they leaned against the headboard. then, he looked at the french window opposite him and the changed curtains.

wen yuan was also looking at him. he was not sure if he liked this style or if he would be angry at her for changing her style.

"It's pretty good." Ye mu Bai lowered his head.

he reached out and touched her head. " you can change it anywhere you want. "

as he said that, he seemed to have thought of something. he took out a card from the drawer beside him and placed it in her hand."This is my supplementary card. You can take anything from it or swipe it. The password is xiangnan's birthday."

Wen Yuan wanted to reject him, but ye mu Bai's voice rang out. Wen Yuan, we're husband and wife now. You don't have to be so distant with me. Is there a problem with a man supporting the family?
"

wen yuan hung his head and did not speak.

Ye mu Bai gently held her in his arms and coughed. "Or do you think it's better to let me sleep with you for free?"

She widened her eyes and glared at him.

“Sleep with me, but pay for my Yingluo.” He touched his smooth chin.”That sounds good.”

wen yuan bit his lip. ” ye mu bai, can you not be like this? ”

all the jesting in his eyes disappeared, and he looked at her very seriously.

Wen Yuan’s voice was very soft. you’re not like this.

“Then what am I like?” he hugged her gently and said,”isn’t it normal to give your wife money to spend?” Also, it’s normal to have a married life with a wife, unless you want me to go out. I could control myself before because I didn’t have a wife, but now there’s no reason to be abstinent, right?”

Wen Yuan looked at him and his voice became even softer, ” “I always thought that we had to keep some distance.”

” wen yuan, you’re the one who thinks this way. i’ve never thought this way before. there’s no husband in the world who would think this way. we should keep our distance as husband and wife. where did you learn this from? did you learn this from your marriage with ye mulin? ” he held her chin and muttered,”you kissed and hugged him in front of me. did you feel anything?”

Wen Yuan was dumbfounded. Was he going to interrogate her this morning?

her gaze was a little straight as she slowly shook her head.”no, i didn’t,”

He chuckled. that’s good. I believe you didn’t either.

Wen Yuan was still looking at him. After a long time, he asked softly, ” “Do you mind?”

” mm, ” he replied, his eyes never leaving her. wen yuan licked his lower lip and looked away. ” i thought you were gone. ”

As she thought about it, she felt a little sad and laughed at herself.

“Wen Yuan,” he called her name. ” basically, i’m a very pragmatic man. if i like you, i like you. if i don’t like you, i don’t like you. i won’t lie to you and say that i liked you in the past, but i do like you now. ”

she was stunned again.

he said, like?

Her eyes were fixed on him, making her look a little silly and stupid.

however, she was very cute.

Ye mu Bai pinched her chin, leaned over, and gently bit her lips. Then, he whispered, ” ” is it wrong for me to like my own wife, wen yuan? or do you not want me to like you? ”

She was still in a daze, and he kept nibbling on her lips until they were slightly swollen before he let her go.

Wen Yuan finally woke up. She looked at him with a complicated expression. ye mu Bai Qingqing.

He held her by the waist and smiled. ye mu Bai, you’re not going to tell me not to like me, are you? you’re asking me to like someone else. Is it Lin Danni, Lin Xueyi, or someone else? ”

“I didn’t say that,” Wen Yuan bit his lip.

“Then let me like you, hmm?” he had said so much and even confessed to her, but she was still like a block of wood. he was a little unwilling and bit her neck directly. he felt that today was like some kind of ceremony, and it would not be satisfying if he didn’t do something.

Wen Yuan was hugged, kissed, and nibbled by him. Her head was muddled and she could only put her arms around his neck as he treated her like this. After a long time, she came back to her senses and sat on his lap in an extremely embarrassing position with her arms around his neck. She was kissed so passionately by him that her face was pressed against his. She knew that he wanted her. Before that, she hugged his neck tightly and bit his Adam’s apple. Then, she whispered to his ear, ” “Ye mu Bai, remember what you said today. If you don’t like me in the future, I won’t want you anymore, Yingluo.”

She used the last bit of love she had to ignite all the passion she had for him. Like a moth flying into the fire, it was ignited again. In the end, she could no longer resist his temptation.

ye mu bai always said that she had seduced him, but he had always been the one seducing her.

she hugged him so tightly and so hot, as if she wanted to melt into his bones and blood. her initiative was filled with unwillingness and grievance. he was rough and not gentle at first, but later, he couldn't help but be gentle to her.

Chapter 3818: pregnant (3)

When Wen Yuan woke up again, it was already afternoon.

The sun shone on the soft bed. When she woke up, her whole body was sore and soft, and she couldn't describe the feeling.

she opened her eyes and looked around. it was a little glaring, so she covered her eyes with her hands.

Lying flat, her body was soft and she didn't want to move, so she buried her face in the pillow again.

the pillow had ye mu bai's scent, a very unique scent.

wen yuan buried his face. he suddenly remembered what happened last night and this morning. his face was a little red and he kept burying it.

...

at this moment, the door opened and a small person ran in. she gently threw herself onto the bed and pulled the blanket away."Mom."

The next second, the little guy was stunned.

It was because her mother was not wearing any clothes.

the little guy looked at it eagerly and was stunned for a long time.

She then turned to ye mu Bai and said in a small voice, ” “will mommy catch a cold if she’s not wearing any clothes?”

Ye mu Bai followed behind and immediately covered Wen Yuan with the blanket. Then, he carried the little fellow and placed him on the sofa at the side. He hugged her with the blanket and asked, ” do you remember? ”

Wen Yuan’s face was a little red. take xiangnan out.

xiang nan was still struggling with the previous question. ” isn’t mommy cold without clothes? ”

Ye mu Bai looked at his son and said in a serious tone, ” “Daddy will keep mommy warm. In the future, you will also keep your wife warm.”

Xiang Nan suddenly felt embarrassed, her little face blushed.”Can I keep Bai Anan warm?”

Ye mu Bai and Wen Yuan were both stunned for a moment. Then, the Father was about to go berserk as he shouted at ye xiangnan, ” “that’s your sister.”

Xiang Nan shrugged his shoulders. He felt that it was a pity. After all, he thought that Bai Anan’s little body was quite cute. He had secretly taken a look at her. She had a big head and a small body. She was super cute.

ye xiangnan looked at his loving parents and felt that he was a little redundant, so he ran out silently.

at this moment, ye mu bai pulled the blanket aside and looked at the little girl in his arms. he said in a low voice, ” “Are you tired?”

Wen Yuan let him hold him and rested his chin on his shoulder. After a long time, he finally said, ”
“It’s a little painful,”

ye mu bai was stunned for a moment. then, he put his hand under the blanket and wen yuan
screamed, ” “ye mu bai, what are you doing?”

“does this part hurt?” He lowered his eyes and stared at her face. Under that gaze, Wen Yuan’s face
turned red. He could not say anything for a long time and could only bury his face in his arms.

his fingertips were very gentle as he massaged her. she was in his arms, and they had never had
such deep affection for each other before, just like any other newly-wedded couple.

The only difference was that they already had a very big child.

after a long time, he asked her in a hoarse voice, ” “Are you feeling better?”

Wen Yuan did not make a sound and just hugged him.

he was a mature man who understood women, and he was especially familiar with her body.

he pressed against her ear and asked in a low voice, ” “Are you feeling more comfortable now?”

Wen Yuan bit his lip and did not speak for a long time.

he chuckled and continued to massage her for a while until both of them could not help but let go.
he coaxed her for a long time before he helped her put on a set of home clothes.

When he was about to leave, Wen Yuan held his hand and said, ” “Ye mu Bai, will we have a
child?”

He turned around and smiled. I will. Don’t worry.

in fact, xiangnan's condition was under control. even if they couldn't get pregnant this month, they could still delay it for another two months. there wouldn't be any problems at all. he had a feeling that she was already pregnant with his child.

This time, he hoped that it would be a girl, like Bai Anan.

wen yuan pursed his lips and ye mu bai brushed his hand across her face. "I'll go heat up the food for you. You can come out after brushing your teeth and washing your face.

She was not used to this. Perhaps it was because they had maintained such a cold relationship for a long time.

So, she looked at him in a daze and said in a soft voice, "ye mu bai,"

he hummed in acknowledgment and looked at her.

"actually, you don't have to be so good to me. just be like before." she said uneasily.

...

He smiled and reached out to touch her soft face. He didn't say anything and walked out.

wen yuan's face was a little hot. he did not say anything more and immediately went to brush his teeth and wash his face.

However, her heart was still beating very fast. She thought to herself, it's been so long, how could I be so easily seduced by him again?

When Wen Yuan went out after brushing his teeth and washing his face, ye mu Bai had already prepared the dishes. There were four delicious dishes and a soup. She looked at him when she saw that he had not touched them.

“i wanted to cook something else. i haven’t eaten yet.” “Auntie, I told her to go back,” he said with a smile.

Wen Yuan nodded. She felt a little uncomfortable eating with him.

“Don’t you want to ask me about what happened last night?” Ye mu Bai’s voice was calm.

Wen Yuan ate slowly and looked up at him. Then, he said softly, ” “i suddenly don’t want to know.”

he smiled and reached out to stroke her hair. ” “You’ve become silly, but you’ve become cute.”

Wen Yuan looked at him and forgot to eat.

“what are you looking at? eat more.” he rubbed her face again.

Wen Yuan did not know if it was his imagination, but his attitude towards her had changed. However, he was not sure about his character. He was still not very gentle in bed. Sometimes, he would be rough, but he would take good care of her in her daily life.

He still had to go on business trips and would go out for two days every now and then. He often used a helicopter to travel between the states of the United States. Wen Yuan had slowly gotten used to it.

He would often come home in the middle of the night. When she was asleep, he would wake her up evilly and then do it with her. Sometimes, he would be so eager that he didn’t have time to take off his clothes, and sometimes, they would even spend the whole night together.

wen yuan felt that this was like the start of a honeymoon. he no longer mentioned having children, but she had a feeling that she was pregnant. recently, her back had been sore, her appetite was good, and she was also lazy.

He was not around that day. She estimated that her period had not come after two days. Wen Yuan went out to buy a pregnancy test kit and took it in the bathroom.

when the two red lines slowly appeared, she felt a little complicated.

She was pregnant.

she gently covered her lips and did not say anything for a long time. at this moment, she really wanted to tell ye mu bai that she was pregnant.

she felt a little uneasy when wen yuan called her on his phone.

She was traumatized by what happened when she was thinking about Nan.

But this time, the phone was picked up very quickly. It was his gentle voice.”What’s wrong with Wen Yuan?”

“Ye mu Bai, where are you?” “I’m pregnant, can you come home?” she said softly.

When she said this, she felt a little aggrieved because he had been flying around these days and spent half of his time outside. He wasn’t at home even when she was pregnant, and even if he was at home, he spent most of his time in bed. She had a feeling that even though he didn’t have time, he deliberately came home to spend the night just to spend the night Hanhan.

after wen yuan finished speaking, the person on the other end seemed to be stunned for a moment. then, he said in a very soft voice, ” “Is it true?”

she hummed in acknowledgment. she was not sure if she was acting coquettishly, but ye mu bai felt that she was acting coquettishly. his voice became gentler. ” i still have a little something to do. i’ll ask xu mo to accompany you to the hospital first. i’ll let auntie see if nan is fine for a long time. i’ll go to the hospital after i’m done, okay? ”

He had thought about it and made arrangements, but Wen Yuan refused. "i'll go to the hospital myself."

"be good and listen to me. i don't worry about her driving." he coaxed her with a few words, then looked at the senior management in the meeting room and motioned for them to continue the meeting. he cleared his throat and spoke to wen yuan again. " i'll go over when i'm done. i'm in new York now. "

wen yuan hung up the phone.

She couldn't put her feelings into words either. She wasn't someone who threw a tantrum, and she didn't need to be taken care of, but he took care of her and arranged everything for her. She felt like something was missing.

...

Was it because Xuxu had become arrogant because he was pampered?

xu mo arrived very quickly. she was a petite girl and was quick to do things. she did things methodically without any personal feelings, just like a work machine. in this aspect, she was very similar to one person, ye mulin.

wen yuan was rather bored sitting in her car as he could not find a topic to talk about with this petite girl.

Xu Mo was indeed very careful when driving. What a joke, the BOSS's pregnant wife was sitting in the car, so how could she not be careful?

the car drove to an expensive private hospital. there was a chinese gynecologist there, and it was very convenient to communicate with him, but the price was not cheap.

Wen Yuan did a checkup and confirmed that he was indeed pregnant, Yueyue.

Half an hour later, she was sitting on a long bench in the corridor of the hospital. Xu Mo was talking to ye mu Bai on the phone. He spoke in English and Wen Yuan could understand him. However, he was complaining in his heart ...

fake foreigners, they are clearly China, why are they speaking in english!

Xu Mo spoke for about five minutes before hanging up the phone. Then, he came over to sit with Wen Yuan.

She turned her head. director ye said that he'll be here soon and asked us to wait here for a while.

after she finished speaking, she actually squeezed out a smile on her plain face. " mrs. ye, congratulations. "

Wen Yuan forced a smile and picked at his fingernails. He felt that it was quite magical.

she thought xu mo wouldn't smile.

Xu Mo felt a little uncomfortable and reached out to grab his hair again. actually, director ye arranged for me to go before. I didn't want to go either. I had no choice but to let Hanhan get her salary.

then, she laughed. wen yuan laughed as well.

She had actually been jealous of this plain assistant. She felt that she was very childish, but ye mu Bai was even more so.

the two of them chatted for a while before ye mu bai came over. he was walking very quickly, but he slowed down when he saw wen yuan. he stood five meters away from him.

"Then I'll take my leave first," Xu Mo said in a special way and got up.

when she passed by ye mu bai, she whispered, " "Congratulations!"

Ye mu Bai gave her a gentle look. Xu Mo thought to himself, 'he's finally giving me a good look.'

director ye was not an easy man to get along with. after reading the previous report that ye xingdi was particularly gentle, she secretly felt that he and her boss were two different men, or that he had a split personality. only now did she know that he was so unreasonable in the past because he was not happy and did not have a woman.
