

## Thank you 3821

### Chapter 3821: Pregnant (6)

what lin xueyi? lin dann? none of them were the ones he wanted, yingluo. now that he had gotten what he wanted, he was like a man who had been abstinent for a few years. everything went smoothly.

Xu Mo left, leaving only Wen Yuan and ye mu Bai in the long corridor.

His gaze was fixed on her, and she sat there looking at him.

when I called you, I was a little scared, ” she said softly. I was scared that no one would pick up. I was scared that you would disappear again.

his gaze became gentle, and then he slowly walked over and reached out to hug her.

“i won’t,” He put his arm around her shoulder and said in a low voice, ” “I won’t, Wen Yuan.”

...

She laid on his shoulder and finally wrapped her arms around his waist. There was a faint smell of tobacco on him, as well as the smell of disinfectant from the office. It smelled very good.

She kept hugging him, and ye mu Bai smiled. what’s wrong? ” you’re not happy about your pregnancy?”

She shook her head, and then nodded randomly. “i’m happy.”

she was just a little lost and helpless because of her happiness. she had never thought of happiness when she married him. she thought that it was just giving birth to a child to cure her missing nan. he had given her so much, but she was afraid.

“ye mu bai, i’m scared.” She closed her eyes. I’m afraid it’s a dream. When I wake up, you won’t be here.

Ye mu Bai stretched out his hand and stroked her hair gently to comfort her. a pregnant woman shouldn’t be so sentimental, okay? ”

She hummed in acknowledgment and continued to hug him.

In fact, he liked it when she carried him. She was like a child, different from the usual Wen Yuan. He liked it too, but he was afraid that she would be immersed in these emotions for too long. So, he comforted her and brought her downstairs to sit in the black RV.

along the way, he held her in his arms and comforted her.

when they arrived at the apartment, ye mubai helped her out of the car and they went home together.

xiang nan was so happy to know that there would be little brothers and little sisters. the originally weak little guy made an exception and somersaulted on the carpet.

Ye Mubai helped Wen Yuan to sit down and poured her a glass of water. Wen Yuan smiled.

She smiled comfortably, as if she had finally let go of something that had been weighing on her heart for a long time.

ye mu bai was the same.

He was a man after all. Although he was sure of his own abilities, he was still particularly happy when it came to xiangnan’s life and death. He sat beside her and called ye Mulin in China, forgetting the time difference.

On the other side, ye Mu Lin was sleeping. His phone rang and he saw that it was mu Bai.

he sat up quietly, took his phone, and went out. as soon as he closed the door, he said in a low voice, ” “what’s the matter, mubai?”

ye mu bai held his phone and coughed. "wen yuan is pregnant! " I'm awesome, right? amazing, right?

Ye Mulin held his phone at the door of the bedroom and smiled gently. I'm fine. I'll tell mom and dad later to stop calling at this late hour.

Only then did ye mu Bai remember that it was night time back home. He also smiled."i actually forgot about it."

The two of them talked for a while more before ye Mulin hung up the phone and returned to the bedroom. His little wife was waiting for him. She was lying on the pillow with her hair in a mess and only her eyes could be seen.

He looked at her fierce expression and couldn't help but laugh. He closed the door softly and even locked it from the inside. what's wrong? You look like Yingluo."

"Hubby has another woman outside, right?" She supported her chin with one hand and muttered, "calling in the middle of the night, if it's not a woman, then what is it? Don't tell me you have a wild man?"

Chapter 3822: when will you marry me?

"what nonsense are you spouting?" He laughed and sat over to turn her over. He reached out and patted her gently a few times. stop talking nonsense. When did I like men? "

Bai suili was pressed down by him, and after being hit a few times, her voice trembled,"You're the leader, so you're not usually at home. I don't know what your hobbies are, and Secretary li wouldn't tell me."

He snorted softly and hit her a few more times. "you're getting better at talking, aren't you? secretary li is on the same side as you now. if she's my secretary, she's more like your secretary, right?"

“No way!” She lay on her stomach and let him hit her. She would only scream a few times when he hit her a little harder to satisfy a certain man’s perverted hobby.

she knew very well what kind of woman he liked.

after playing around like this for a while, he finally held her in his arms and reached out to stroke her black hair. he said somewhat absent-mindedly, ” it’s a call from Mubai. He said that Wen Yuan is pregnant.

...

Bai suili, who was sitting in his arms, looked up in surprise when she heard this.

she played with his chin with her little hand, then said very slowly, ” ye mu Bai, do you feel particularly uncomfortable in your heart? ”

“What do you mean by not feeling good? nonsense.” He was speechless. Then, he looked at her and seemed to have thought of something.”oh right, mubai seems to be the person you’ve always liked.”

She wailed and immediately threw herself into his arms. the person I like now is you.

he laughed, reached out to pinch her chin, and took a bite. ” “then, are you willing to have another child with the person you like now?”

she laughed as well, in a silly manner, and nibbled back.”i don’t want to have children, but i want to do some things related to having children.”

Ye Mulin raised his eyebrows and turned over to hold her down.”have you gone astray?”

She put her arms around his neck and mimicked the bad woman’s coquettish behavior. ” yes, if you’re corrupted, will chief ye still like it? ”

“We’ll only know after we try.” he kissed her and confirmed it again as he slowly kissed her. “You really don’t want to have a child?”

She cupped his face and kissed him. we've been apart for so long before we got together. Besides, ye Mulin, you're already so old. It's not suitable for you to have children.

"is that so?" He gritted his teeth, his voice sinister.

Bai Sulli groaned and obediently lay in his arms, doing whatever she wanted. She bit his shoulder and then said countless words of praise in his ear. At this time, she knew what he liked to hear the most.

A phone call from ye mu Bai caused Bai suili to be badly beaten up by her husband for the entire night. After that, she was washed clean and placed on the bed. Ye Mu Lin came back from the bath and laid down beside her. He looked at her weak appearance and smiled. He reached out and pinched her face."I'll do this to you again if you talk nonsense next time."

In fact, she was already tired. She had held on for a long time just to wait for him to sleep together. Then, she closed her eyes and slept with him. Her voice was also very soft."It's all little White's fault."

Ye Mulin hugged his little wife and smiled. do you still dare to think about him? "

She mumbled and moved her face closer to his neck. Then she sighed."ye mulin, when are we getting married? There has to be a status, being slept with every day."

As she said this, her voice sounded a little aggrieved. The more she thought about it, the more she felt this way, Yingluo.

Chapter 3823: when are you going to marry me?(3)

He gently patted her little P \* S. didn't you marry her before? do you want to marry her again? "

sisi and Gu ze are going to have another romantic wedding. Ye Mulin, you can't be so petty, right? " She hugged him and acted coquettishly. Gu ze bought a really big diamond ring for me. I heard that he's even going to kneel down and propose to me.

Her face was full of yearning.

ye mulin was speechless. he pinched his wife's face."bai xue li, your husband is poor."

"Oh, then I'd better save a little." She obediently lay on his chest, and after a while, she said foolishly, "as long as we're together, it's fine."

He nodded, then said affectionately, "Bai Sulli, I can't guarantee that you'll waste every day, but I can guarantee that you'll be able to have some fun every night,"

...

his rice weevil immediately laid down on the ground.

What happened to being a proper husband?

Of course, she knew that the reason why they couldn't hold a grand wedding was because of his status. It was already very impressive that he could get a divorce and be with her again. It wasn't good to hold a wedding that would attract the attention of the entire city. She didn't really want it from him. In any case, it was fine as long as it was a small scene.

she and ye mulin had secretly held a small wedding banquet, which was to have a meal with the family.

Lin sisi and Gu ze's wedding was indeed very Grand. Because of the Hengtong group's global economic status, almost all the newspapers in the world published news of their wedding.

Including new York.

ye mu bai was in a luxurious apartment in new York. in the afternoon, he sat quietly on the sofa and read the newspaper. the sunlight shone through the curtains and fell on him, making him look gentle.

he stared at the newspaper in his hand for a long time without moving.

wen yuan woke up from his afternoon nap and went outside to get a glass of water. when he came out, he saw ye mu bai on the sofa. she wanted to call him but saw the newspaper in his hand.

on it was the news of lin sisi's marriage. he kept looking at it and was a little lost in thought.

Her heart ached for a moment, and she slowly walked over to pour herself a glass of water. At this time, ye mu Bai saw her coming out and closed the newspaper. His voice was calm with a hint of a smile. "you're awake?"

he naturally brought her into his arms and held the cup for her to feed her water.

Wen Yuan took a small sip and expressed that he did not want to drink anymore after drinking half of the glass. He put down the glass and reached out to stroke her hair. "Are you alright?"

she nodded, then looked at him, trying to find something on his face.

His gaze was unfathomable as he smiled faintly. "What's wrong?"

wen yuan pushed him away a little and sat beside him. he asked in a soft voice, " you saw her getting married? "

"So?" ye mu bai gently patted her head. " "You're just thinking nonsense?"

Wen Yuan placed his hand on his lower abdomen and smiled. ye mu Bai, I know that she will always have a place in your heart.

She also knew that in his heart, she, Wen Yuan, was more important in bed. She could never get close to his soul. Men were like this, all they could never get was the moonlight.

He might like her a little, but he only liked Yingluo.

It was not that Wen Yuan did not feel sad at all. He did not mean to hurt her, but she was still hurt. Every woman hoped that her husband only had her in his heart. When she realized that it was not the case, she could not help but feel disappointed, even if she had known it for a long time.

Ye mu Bai furrowed his brows as soon as Wen Yuan finished his sentence. Wen Yuan, that was a long time ago.

“i can understand,” she said, looking up at him.

Chapter 3824: When are you going to marry me?(4)

Ye mu Bai was even more displeased. He stared at her for a few seconds before he slowly said, ” “there’s no need to understand, because it won’t be a problem between us.”

Wen Yuan did not speak.

He still coaxed her and reached out to pull her into his arms. He held her face and kissed it. I heard that pregnant women have a lot of gloominess and kindness. I didn’t believe it in the past but now I do.

He kissed her lightly and coaxed her, ” “It’s just a matter of the past, and nothing happened between us.”

All adults knew what Yingying meant by “nothing happened,” which meant that she didn’t sleep with him.

Wen Yuan understood.

...

In fact, she knew that it was because he cherished Lin sisi.

There were some things that were not easy to explain to ye Mubai. For example, he had a strong desire for Wen Yuan and he doted on Lin sisi. How could he say these things to his wife? of course, he could not.

therefore, he might as well not say it. some things would be fine after a while.

After that, he threw away all the newspapers at home and didn't let her read them. He didn't read them either, so he could calm down.

he spent more time at home, but he would also go out to work, but not for long.

he had a film and television company both in and out of the country. she could tell that he was preparing for his return to the country. she didn't ask much about his work and just stayed at home to take care of her baby.

When Wen Yuan was five months pregnant, Lin Danni had called her and said that she wanted to meet her near her house.

in the end, wen yuan agreed to let lin danni come to the apartment. with the auntie at home, nothing would happen.

After not seeing her for half a year, Lin Danni was no longer the same as before. She no longer had the pampered air of the past and had matured a little.

she sat on the sofa and looked at everything in the apartment. she smiled and said, " i just wanted to have a chat with you today. by the way, don't think too much. i'm getting married. "

she reached out and took out an invitation. " he's the son of an uncle. he's been pursuing me for many years, and i've agreed to it recently. "

Wen Yuan picked it up and looked at the photo. Then, he smiled faintly. "they're quite compatible."

lin danni only smiled and flipped her hair. " it's alright. I didn't know anything in the past and always thought that love was more important than the sky. Actually, it's nothing. It doesn't matter who you spend it with. Only a person who truly loves you is the most genuine.

" actually, sometimes it's too hard. it's not bad to let it go. " she smiled.

lin dannì left after chatting for a while. of course, wen yuan would not be going to her wedding and she did not ask ye mu bai if he was going.

however, when ye mu bai returned at night, he saw the invitation on the coffee table. after taking a shower, he lay on the bed.

Wen Yuan seemed to have fallen asleep, but he knew that she was not. He asked her softly, ” “Did Lin Dannì come?”

“mm! you saw it, didn’t you?” she said in a low voice. then, she thought for a moment and said, ” “do you want to go?”

Ye mu Bai stretched out his hand and ruffled her hair. He thought for a moment before he said, ” ” i have many collaborations with lin dannì’s father. i might have to attend. the wedding is in new York. wen yuan, come with me, okay? ”

She lowered her head. I don’t want to go.

” you’re my wife, and the child is stable now. besides, i want others to know that i have a wife, wanwan. ” he didn’t finish his sentence, but she understood.

a good-looking, rich man like him, who was also involved in the film and television industry, would have many women throwing themselves at him.

This was probably Wen Yuan’s reason for agreeing. just once.

Chapter 3825: are you happy to see old qing? 1

” why don’t you want to socialize with me? when the child is born, you can accompany me. just take it as a way to relax, okay? ” he was still caressing her hair, his voice slightly hoarse.

wen yuan lowered his eyes. ” ye mubai, i don’t like that kind of life anymore. i don’t like the entertainment industry either. i don’t want to get close to it. ”

She didn't want to see women looking at her husband with such naked eyes. She was afraid that she would overthink things, so she would rather stay away from that circle.

Ye mu Bai quietly looked at her for a while. In the end, he did not say anything and just helped her lie down."Alright, time to sleep."

She lay on her side in his arms. Her stomach was already a Little Big after four months, and it was as if there was a layer of belly between them. However, after a while, she felt the changes in his body, and his breathing became a little rushed.

Her face was on his shoulder. She wanted to move away, but he pressed her head down. His voice was hoarse in the dark night. don't move.

...

She bit her lip, then looked up at him with tears in her eyes.

ye mu bai turned his body to the side and buried his face in her neck. even his breathing was suppressed.

For a long time, when she thought he would let her go, he reached out and grabbed her hand, murmuring, "Wen Yuan, we haven't had one in four months.

in fact, he could do it, but he was always worried that they were not like other couples and could not take the risk.

Therefore, every time he wanted it, he would suppress it. This time, he really couldn't take it anymore.

Wen Yuan bit his lip and leaned into his arms, letting him do it. His suppressed and hoarse voice echoed in her ears, showing his extreme pleasure. She did not quite understand. Even if he had chosen to do this, why did he not urge him to do it himself?

Of course, she couldn't refuse to be his wife, so she let him be happy.

After some time, he was finally satisfied and hugged her a little tighter.

Wen Yuan laid in his arms and heard his rapid heartbeat. He bit his lip helplessly. After a while, he whispered in her ear, ” “Are you uncomfortable?”

she shook her head.

“You’re lying,” he chuckled.

He was about to make a move when Wen Yuan grabbed his hand and whispered, ” “I’m fine.”

he hesitated for a moment, but still let her go.

actually, he knew that she had been suppressing her emotions on purpose because of her longing for nan. she did not even dare to enjoy it like this. he had mixed feelings and lost interest. hence, they did not spend any time together during the few months of her pregnancy, not even tonight. if he could not take it anymore, he would go to the washroom. sometimes, when wen yuan saw him like this, he would wonder if he had been holding it in for too long. besides, most men would not think about her so often like he did, hanhan.

they continued to live like this. in fact, their relationship had changed ever since lin sisi got married, although they didn’t mention it.

On the day of Lin Danni’s wedding, Wen Yuan and ye Mubai went together. As she was pregnant, she had chosen a V-neck ash-gray long dress. The hem of the dress covered her slightly protruding belly very well and also highlighted her slender waist. Her long hair was casually tied up, making her look gentler. Her shoes were mid-heel and soft. She was holding a white sheepskin handbag in her hand. She looked especially good, which was probably related to Wen Yuan’s family background.

even if she didn’t socialize much, she was very good at picking out clothes, and they were definitely not small-minded and could not be brought out.

## Chapter 3826: 1200 words happy to see old Qing

when she came out of the bedroom, ye mu bai was also stunned for a moment. perhaps it was because he was not used to seeing her at home for half a year. he stared at her for a long time, but wen yuan misunderstood and said calmly, ” ” the cosmetics are for pregnant women. there won’t be any problems. ”

he smiled and held her hand. ” “I’m just surprised by Wen Yuan.”

With that, he leaned forward and kissed her.

Wen Yuan was stunned. He had already held her hand and walked out.

xiang nan wanted to rush over, but his parents had already left. xiang nan said a little stupidly,”mommy is so pretty.”

sigh, there was no place for him in the world of two people.

...

wen yuan followed ye mu bai downstairs. he was driving a black phantom and wen yuan was sitting in the back seat.

ye mu bai sat in the car and said in a calm voice, ” there’s a glass in front. it’s filled with warm water. drink some if you’re thirsty. don’t drink any other drinks at the party later, and you’re not allowed to drink alcohol, understand? ”

His tone was a little overbearing, which was rare. Wen Yuan nodded. “i know,”

ye mu bai was driving on the streets of new York. he would look at the rearview mirror from time to time and then smile. ” wen yuan, are you going to attend the wedding with the face of a stepmother? think about what the press conference will write. they’ll probably dig up the things between me and lin dannu and whip us again. ”

“That has nothing to do with me,” Wen Yuan said as he bit his lip.

“You’re my wife. How is that unrelated?” He chuckled. be happy.

wen yuan did not say anything. of course, she would not show her displeasure. however, she did not want to pretend to be happy either. that would be hypocritical.

Ye mu Bai only needed her to be normal.

Tonight, many celebrities were at the party. Moreover, it was ye mu Bai’s first time entertaining with his wife. Therefore, the number of shots focused on them was no less than that of a couple-to-be, especially the one between ye mu Bai and Lin Danni. Fortunately, there was no news about Lin Danni’s suicide overseas, so they did not pay much attention to it. However, Wen Yuan’s Oriental aura was very charming, causing these foreigners to press the shutter continuously, thinking that she was the Oriental Hepburn.

Ye Mubai took good care of her emotions, afraid that she would not be used to it. Actually, how could a girl from the Wen family not be used to it? besides, she had been ye Mulin’s wife in name for a few years and she had long gotten used to such occasions.

When they arrived at the banquet hall, she and ye mu Bai gave her a gift together. After chatting for a while, he helped her to sit down on the sofa. From time to time, people would come over to chat with them. Later, ye mu Bai had to discuss a new project and it was not convenient for them to be there. Wen Yuan politely asked him to talk to others and indicated that he was fine alone.

ye mu bai and the few producers went to another corner to chat while wen yuan leaned there to read a magazine for a while and ate some snacks. the atmosphere in the banquet hall was very good. it was said that a world-class violinist had been invited because of their personal relationship.

As Wen Yuan listened, he was stunned for a moment. Then, he turned his head and saw a familiar face.

she slowly stood up and looked at the young man playing the violin.

“Kang Qiao.” she mumbled his name.

The man in front of her smiled and finished playing a piece of music. He put down the string in his hand and said, "long time no see, Wen Yuan."

Kang Qiao reached out to her. Wen Yuan put his hand in his palm hesitantly. She thought it would be a handshake, but Kang Qiao gently pulled her into his arms and kissed her on the cheek, "Are you alright?"

He only kissed her face, which was normal overseas. Although Wen Yuan was a little uncomfortable, he was not surprised. She stood up straight and pursed her lips. "I'm fine, yingluo. why did you come over?"

"I'm just that personal friendship!" He smiled. I have no choice.

As he said this, he put down the violin and casually grabbed a glass of red wine for her and a glass for himself. "Let's have a drink for our reunion."

just as wen yuan was about to reject her, the glass in her hand was taken away by a strong hand. then, ye mu bai's calm voice could be heard. "Mr. Kang, my wife is pregnant and can't drink. I'm sorry."

## Chapter 3827: crazy jealousy (1)

Wen Yuan's body stiffened. Then, he slowly looked at ye mu Bai.

With an unfathomable expression on his face, he naturally put his arm around her waist and looked at Kang Qiao with a smile. However, he was talking to Wen Yuan, "Aren't you going to introduce us?"

only then did wen yuan come back to his senses. he forced a smile and said, "kang qiao, the son of my university tutor, is also a famous violinist."

She paused for a moment. Kang Qiao, I'm Xuanji's husband, ye mu Bai.

kang qiao's eyes fell on her face. after a while, he said, "i heard from my mother that you're married."

as he spoke, he stretched out his hand toward ye mu bai."mr. ye, i've heard a lot about you."

...

ye mu bai also reached out to hold his hand and said, "mr kang, it's an honor to meet you. i've also heard wen yuan mention you and your mother."

Kang Qiao smiled and looked at Wen Yuan, "is that so?"

Wen Yuan felt a little uneasy. When did she ever mention this to ye mu Bai? He was just talking nonsense.

however, ye mu bai was very comfortable with it. he clinked the glass of red wine with kang qiao's."mr. kang has been in new York recently?"

Kang Qiao's eyes fell on Wen Yuan's face, "just for a week. After that, I will go to Europe.

He still had something to do, so he didn't spend too much time with them. "wen yuan, please contact me when you return to china. my mother misses you. "

"I will," Wen Yuan nodded.

Kang Qiao's eyes fell on her face, then moved to her lower abdomen. Finally, he said in a hoarse voice, "i haven't congratulated you yet."

It was probably because the regret in his eyes was too obvious. Moreover, the way he looked at her was not like how a senior brother would look at a Junior Sister. It was purely the way a man would look at a woman. Wen Yuan could not ignore it. Of course, ye mu Bai could see it even more clearly.

this man had such thoughts about his wife!

wen yuan was also uncomfortable. he reached out and touched his hair. ” thank you. ”

Their eyes met for a few seconds.

After Kang Qiao left, to Alice started playing.

Wen Yuan raised his eyes and met ye mu Bai’s gaze. Ye mu Bai’s eyes were still deep in thought. He drank the red wine in the glass and asked casually, ” “You had a good relationship with him in the past?”

Wen Yuan was still a little uncomfortable. He pursed his lips and said, ” “because of his mother, yingluo.”

I’m asking about your relationship with him. Wen Yuan, have you ever liked him? ” Ye mu Bai asked very straightforwardly. Moreover, he did not care about the occasion. He just looked around and asked directly.

There was a reason why he asked that. Kang Qiao was handsome and well-known around the world. He must have attracted a lot of girls when he was young.

Wen Yuan seemed to like this type of men. They were artistic men. Ye mu Bai, on the other hand, reeked of money. Would she still like him?

He asked so directly. Wen Yuan frowned but still answered him, ” “no, i didn’t,”

“Then, has he ever liked you?” He immediately asked.

This time, Wen Yuan did not answer him immediately. He sat down and ate for a while before he said, ” “no, i didn’t,”

“you’re lying,” He looked down at her, his gaze a little deep.

wen yuan looked up and met his unfathomable eyes.

For a long time, they did not speak, and the atmosphere was very subtle ...

Slaps, and conjorah's " to Alice.

ye mu bai suddenly leaned forward and whispered in her ear, " "Kang Qiao played it for you, didn't he?"

She wanted to deny it, but ye mu Bai's finger gently touched her lips. "i don't believe you haven't heard of it."

## Chapter 3828: Crazy jealousy (2)

the image of kang zhi looking at his wife lovingly while wen yuan was playing the piano appeared in his mind. just thinking about it made him feel uncomfortable.

"ye mu bai, you're overthinking things." wen yuan frowned again.

"You know very well whether I'm overthinking it or not, right?" He pressed his finger on her lips, hinting at something.

After that, he went to socialize again. However, whenever Wen Yuan looked up, he would see him looking at her with a thoughtful gaze, as if he had caught her in the act of adultery. Wen Yuan felt like he was f \* cking a dog.

After that, Kang Qiao didn't come over to talk to her anymore, probably because he noticed something.

it was not until the banquet ended and wen yuan and ye mubai were about to leave that kang qiao came over and handed her a name card. " "if you need anything in the future, call me."

...

“Yes, senior brother. I will.” Wen Yuan nodded.

kang qiao’s eyes were still on her face. after a while, he smiled, ” “alright, let’s go back. it’s getting late.”

However, his gaze was still on her face. As a man, ye mu Bai could see the strong reluctance to part with her. He felt sour in his heart. He put his hand on Wen Yuan’s waist and smiled. Wen Yuan, we should go. You should rest more since you’re pregnant.

wen yuan knew that he did it on purpose, but he had no choice. he smiled at kang qiao and left with him.

Ye mu Bai had drunk some wine. The chauffeur was driving the car, so he sat in the back seat with Wen Yuan.

sitting in the back of the car, kang qiao’s voice was very calm, ” you had a good time tonight, right? ”

wen yuan was a little tired. he leaned back in his seat and said lazily with his eyes half-closed, ” “What do you mean by that?”

Ye mu Bai leaned over, and his nose was filled with the faint smell of alcohol. The fragrance mixed with a man’s body breath was very tempting.

he stared at her face and didn’t say anything. he just reached out and rubbed her earlobe.”you should rest for a while.”

wen yuan thought that the matter was over. she was really tired and closed her eyes slightly.

she only woke up when the car stopped in front of the apartment. the driver was no longer there, and only the two of them were left.

“We’re here?” she yawned.

She wanted to get out of the car, but ye mu Bai helped her to put on her coat. Then, he said softly, ” “You’re out of your mind.”

strangely, she found a hint of sourness in his words. she asked softly, ” “Ye mu Bai, are you jealous?”

“no, i didn’t,” he held her in his arms and took her bag with one hand as they entered the elevator.

she still wanted to say something, but he had already leaned over and kissed her. his kiss was so heavy and urgent that it hurt her lips.

ye Mu Qing Qing Qing, Bai Qingqing. her voice was intermittent, and her hands were clenched into fists as she pushed him, but she couldn’t push him away no matter what. He kept trapping her and didn’t let her move an inch. His kiss had also completely invaded her.

his breath touched her, and with each breath they took, it seeped into her limbs. she could not resist at all, and her legs were so soft that her body slid down. ye mu bai held her waist with one hand and kissed her even deeper.

Wen Yuan didn’t know what happened to him, but he had a vague feeling that it was related to Kang Qiao. She tried to explain, but her voice was unclear, ” “i’ll have a quarrel with him.”

he stopped and stared at her with a burning gaze. then, he kissed her again under her gaze.

Wen Yuan was helpless and could only let him kiss her. She wanted to say that their elevator had been stopped for a long time and was opening and closing.

at this moment, the auntie from their house came out and saw them kissing passionately in the elevator. the auntie was stunned for a moment before she tried to avoid them. ye mu bai noticed her presence.

The kiss did stop, but the atmosphere was quite strange.

The Auntie cleared her throat uneasily. "I'm going to take out the trash."

Ye mu Bai nodded and walked out of the elevator with Wen Yuan. The old lady almost jumped into the elevator. "Oh right, I'll be going back in a while. I won't be coming over."

As for the rubbish bin, take it home Yingluo

The elevator door closed. Wen Yuan flicked his hair and hung his head without saying a word.

"let's go home." ye mu bai opened the door and turned sideways. "let's go home."

...

She looked up at him and felt that his gaze was unfathomable. She had just entered the room when he followed her in and her hand was caught by him.

she called his name,"ye mu bai qingqing."

he picked her up and walked towards the master bedroom. wen yuan was nervous. she could vaguely guess what he was going to do. her fingers tugged at the clothes on his shoulders. "i'm pregnant."

he was in a daze and did not hear her. there was a touch of coldness on his handsome face. she had not seen him like this in a long time and was a little afraid. she was afraid that he would hurt the child.

This was not just a child, but also xiangnan's life.

she felt that no matter how irrational he was, he shouldn't joke about xiangnan, so when he placed her on the soft bed, she felt uneasy."There's nothing going on between Kang Qiao and me. Don't think too much."

he bent his knees on both sides of her, his fingers stroking her red lips, and smiled. ” “I didn’t even mention him, why do you look like you’re guilty?”

“I didn’t.” She turned her face away. Because his gaze was too invasive, she did not want to talk to him anymore.

At this moment, he didn’t want to talk to her. He just wanted to possess her and prove that she was his.

When she was pregnant, no matter how rough he was, he still maintained a bit of gentleness. However, the entire process was really not something a pregnant woman could take. Furthermore, they had not done it for a few months. Wen Yuan could not take it and only let her go after she cried terribly.

However, it was already very late at night.

ye mu bai heaved a sigh of relief. after being violent, his body felt comfortable, but he also felt a little regretful.

Wen Yuan was in a rather miserable state. He lay there for a long time without moving and only panted lightly.

ye mu bai kissed her on the forehead and asked in a low voice, ” “Are you alright?”

Another tear rolled down from the corner of Wen Yuan’s eye. She did not want to talk to him.

Ye mu Bai also knew that he had gone a little too far just now, so he said in a hoarse voice, ” ” alright, don’t be angry anymore. did i make you uncomfortable? ”

“ye mu bai, you bastard!” She was so angry that she slowly moved away, turning her back to him.

He chuckled and hugged her from behind. are you angry? ”

He knew that she had feelings for him, but tonight, he was mainly feeling it. It was impossible for her to enjoy it. She probably hated him to the core, right?

He held her in his arms, his fingers slowly moving down to help her rub her stomach. Then, he asked in a low and hoarse voice, ” “Tell me, did he confess to you?”

Wen Yuan knew who he was referring to. She was silent for a while. “No, I’m not.”

“i believe you.” He seemed to be very magnanimous as he said this. Then, he mumbled,”But he likes you! Wen Yuan, I don’t believe that you can’t feel it. ”

As he said this, he bit her earlobe lightly. He was a little unwilling, but there was also an indescribable feeling.

Wen Yuan did not answer the question. He was right. She could feel it.

She had known about it since she was young, but Kang Qiao was going abroad at that time. He never told her about it, so she pretended not to know about it. Later, she fell in love with ye mu Bai, and Kang Qiao seemed to have disappeared from her life. However, now that they met by chance, she thought back to the good times.

She was silent and distracted, which made him unhappy. He gently bit her again. what are you thinking about? ”

wen yuan’s fingers gently stroked the pillow. suddenly, she had a wicked idea. she smiled faintly, ” “i’m thinking if kang qiao had told me that and i agreed to it, would i be hehe now?”

As soon as she finished speaking, he turned her around and pinned her on the pillow. He was a little domineering, but he didn’t forget to be gentle with her and carefully avoided her stomach.

“Wen Yuan,” His expression was a little scary. She had never seen it before.

for a moment, she looked at him and didn't say anything for a long time.

"You're not allowed to see him in the future," he continued.

...

She closed her eyes. he's my teacher's son. Ye mu Bai, don't think too much about it. I won't go out of my way to meet him, but I won't avoid him either. That would be too suspicious.

ye mu bai looked at her quietly. initially, he had wanted to force her to do something. however, he gave up when he saw wen yuan's current state.

Just as he had thought in the past, she was never a weak woman. She had her own opinions and was full of tricks. This wave of his heart had come too suddenly.

he flipped to the side and lay there quietly for a while before he said, "i'll carry you to the bathroom for a while."

Wen Yuan did not say anything. He carried her to the bathroom to take a shower and then carried her back to the bed in the bedroom to help her wipe. His breathing became chaotic again. After all, he was a man who had not had sex for a few months.

wen yuan's eyes opened slightly and he looked at him. he then said in a low voice, "just now, you wanted as much as you wanted. Now, even if you miss me again, I don't have the strength to accompany you.

"Ye mu Bai, I want to sleep for a while," she said with a sigh.

Ye mu Bai looked down at her from above. He put down his hand that was on her shoulder and let her go.

"Go to sleep," he said in a low voice after a long time.

wen yuan fell asleep very quickly. however, he was not sleepy anymore. he went outside to smoke a cigarette. he wanted to go and see xiang nan, but his eyes bumped into her bag.

He sat on the sofa and took out a business card from her bag. It was from Kang Qiao.

ye mu bai looked at the name card for a long time before he finally burned it with a lighter.

In front of him, she was making eyes at him, hehe, Yuyu.

after the fever, he felt good and went back to his room to sleep.

wen yuan had woken up late because he had been very rough with her that night. moreover, he had been pregnant for a few months. when he woke up, it was already past ten o'clock. she opened her eyes and sat up. she could hear xiang nan and ye mu bai talking outside.

He was still at home?

Wen Yuan lowered his face and placed his hand on her lower abdomen. Her lower abdomen moved slightly and she could feel the child moving. He was probably getting impatient after being tormented by his father last night.

wen yuan smiled slightly. he thought about last night and realized that he must have been so angry.

or maybe he couldn't help it.

wen yuan got up, brushed his teeth, washed his face, and went out. ye mubai was reading a book with xiangnan in his arms. when he saw her coming out and put xiangnan down, he naturally prepared breakfast for her. wen yuan sat down and ate his breakfast quietly.

ye mu bai stared at her, and she finally couldn't stand his gaze anymore. she looked up. " "Why are you looking at me like that?"

"are you alright now?" he coughed lightly.

Wen Yuan's face heated up and he said in a low voice, "you didn't ask last night. Don't you think it's too late to ask now?"

“Then I’ll ask you the next time I do it, hmm?” he muttered.
