

Thank you 3861

Chapter 3861: she is a good woman (3)

the consequences of provoking him were very miserable. bai sulli was taken to the hotel by him. after closing the door of the presidential suite, he pressed her against the door and kissed her ruthlessly until her legs went soft before letting her go.

One of his legs was still stuck on her, and he did not let her go. His eyes were burning. are you still flirting with me? ”

bai suili was thick-skinned and simply sat on his lap, even acting coquettishly, ” i don’t dare to anymore. ”

You still don’t dare to? she was seducing him now.

He was both angry and amused. He reached out and flicked her forehead.”I’ve been busy all day, I’m dead tired! Give me a massage.”

as he spoke, he carried her to the bed at the side and threw her on it. he also laid down on his stomach.

...

the person who had been fooling around with him looked at his tired face and felt sorry for him, so he sat down and massaged him while saying in a low voice, ” “you’re very tired?”

“What do you think?” this was an old man’s trick,”endless meetings, restless at home, the one who knows how to make trouble the most is you, yingluo.”

As soon as he finished speaking, the person who had been helping him press down hugged him from behind.

Ye Mulin was angry and amused at the same time. He touched her face with the back of his hand.”what’s wrong? Acting coquettishly again? or do you want to feel my warmth again?”

As he spoke, he turned over and pressed her down, kissing her chin. "this is really terrible."

She knew that he had misunderstood, so she quickly put her arms around his neck and bit her lip. "i'm not! i just feel ...

as the rice weevil spoke, he lowered his eyes and reached out to hug ye mulin gently. he said very, very softly,"Ye Mulin, it's all because of me that it's so hard on you, isn't it?"

he stared at her little face and smiled. " "Why are you suddenly so sentimental?"

"you're not such a sentimental person," he pinched her face on purpose.

"I'm one now," "At least, I'll be like that for the next two days," she snorted.

She wrapped her arms around his neck, asking for a hug and a kiss.

Ye Mulin was angry and amused at the same time. She was really getting younger and younger. She was even more clingy and shameless than an 'an. However, he liked it when she was like this. Or maybe he liked it, so she was like this.

In fact, she had always been trying to make him happy, trying to make him have more fun in his hard work.

his heart was warm. he reached out and gently pinched her face. " shirley, i actually have a lot of fun every day. "

She did not understand and looked at him.

He smiled and did not tell her that it was fine as long as she was by his side. With her by his side, he would not feel that it was hard.

at first, chief ye wanted to do something, but he gave up. he turned to the side and pulled her into his arms. he closed his eyes gently."sleep with me for a while, i'm really tired."

He was in politics and calculated in front of others. He never made a wrong move. He could only say that he was tired in front of her.

Bai suili had followed him for so long, and she was also sensible. She obediently lay on his chest, and then leaned over again.”let me help you take off your shoes, okay?”

Seeing that he was so tired, her heart ached a little. Although she was always acting coquettishly, he was her man and the person she loved, so her heart would naturally ache.

He hummed in acknowledgment, and she went over to take off his shoes for him like a little maid, looking extremely diligent.

Ye Mulin lowered his eyes and stared at her for a while. He smiled and did not say anything else. He kept his eyes closed and she would obediently crawl into his arms to sleep with him.

Chapter 3862: she is a good woman (4)

She’s very obedient, he thought.

others could only see that he had been doing everything for her, but in fact, shirley was very good to him, and it was enough for him to know that.

He closed his eyes and held her in his arms, patting her little head. I’ll take you shopping tomorrow. It seems like I haven’t accompanied you in a long time.

bai suili cried out and looked up at him.

She thought he didn’t know, but he seemed to have a third eye and laughed silently.”Bai Sulli, can you work harder? you’ve already used me so many times, can you not look like you haven’t had a taste of meat yet?”

she got up a little. ” what meat? ye mulin, you’re too rough. ”

...

“is that so?” He pulled her down, turned over, and pressed his face against hers. His face was hot.

Her face was red as she bit her lip and said, ” “Ye Mulin, didn’t you say you wanted to sleep?”

“Yes, I do want to sleep.” his slender fingers gently caressed her face, a little ambiguous. ” you’ll sleep with me? ”

Her face turned even redder, and he leaned over to gently bite the tip of her nose. “bai sulli, don’t tell me you don’t want me to sleep with you.”

her face turned red again and she bit her lip. ” ye mulin, i’m not. ”

“i think you’re finally getting over it.” “You’ve been sticking to me all day,” he chuckled.

bai suili’s mind was in a mess, and xuxu wanted to cry but had no tears.

in the eyes of others, ye mulin was the elite of the elite. he was a good lawyer and was also very proud in the government. however, in front of her, he was shameless and had a particularly bad taste. every time it was clearly him who wanted to do it, he would make it so perverted. he would make her cry and beg for mercy, saying that she was perverted, that she was lustful, and that she was greedy for his body.

Bai suili felt that except for this, her married life was perfect.

He was a pervert and shameless.

in the end, he still succeeded. he was clearly the one who wanted to.

His physical strength was abnormally good. He clearly said that he was very tired, but at this moment, he could pester her without rest. Bai suili almost wanted to cry, but he still didn’t look

satisfied. She had no choice but to beg for mercy without any restraint, saying that he was very powerful and she would say whatever he liked to hear now.

Ye Mulin chuckled. He flogged her while nibbling the tip of her nose. are you satisfied? ”

She nodded her head vigorously.

he laughed lazily and ended it hastily, finally letting her off this time.

After that, he went to take a shower. Bai suili lay on the bed like a soft-legged shrimp.

she thought angrily in her heart, how was he accompanying her? she was clearly the one accompanying him.

There were benefits to going abroad with his little Secretary!

The more she thought about it, the angrier she got. She bit the pillow. Ye Mulin came back from the shower and sat beside her. He patted her. “You’re not washing?”

“i don’t want to.” she bit the pillow and then glared at him angrily.

her legs were so sore. how was she going to go shopping tomorrow? she was not naive enough to think that he would let her off today.

ye mulin’s style was to rest for a few hours before taking a break.

he was clearly the one who was lustful, but he had to make it seem like it was her every time, angering and pissing her off.

he smiled. ” be good and take a nap. i have something to do outside. i’ll accompany you when i come back. ”

she was surprised. she wrapped herself in the blanket and got up, looking at him pitifully.”ye mulin, you’re still going out?”

Chapter 3863: i really want to strangle you to death!1

“I’m meeting a friend,” he smiled.

Bai suili didn’t think much about it and just let him go. She was so heartbroken, but later she found out that her husband went to see Ai Wei as soon as he got out of her bed. She had seen his first love on the news. She quickly packed her bags and wanted to go back to China by herself.

she was just angry, no matter why he wanted to see ai wei.

ye mulin saw that ai wei wasn’t reminiscing about the past and was talking about business. however, he had just returned when he saw his house’s rice weevil packing his luggage in a frenzy and dragging it out.

he tugged at his tie and said helplessly, ” “are you angry again?”

bai suili stepped on his foot. ” let me go. i want a divorce, you bastard. ”

...

he ignored her fancy moves and pushed the suitcase aside. he sat on the edge of the bed and pulled her over. he looked into her eyes carefully.”you cried?”

“You like to cry so much,” he sighed.

She didn’t make a sound and turned her head away.

“i have something to discuss with her.” he sighed again and reached out to help her wipe the tears on her face. ” “Don’t cry anymore, you’re crying like a little monkey.”

She still didn't want to talk to him, so he laughed."I'm done with it. If I really want to have something with her, I'll take whatever I want."

"Shameless." She finally raised her eyes and glared at him.

he pulled her into his arms and said in a low and hoarse voice, "Xue Li, stop messing around, okay?"

in fact, at this time, she was making a fuss and he was distressed, but his heart was also full and particularly soft.

she actually believed him, but it was just a ritual.

Ye Mulin kissed her nose. don't cry anymore. Otherwise, I'll do it to you like before.

"you said you don't have any." She sat in his arms and bit his Adam's apple. It was especially alluring.

He chuckled and let her sit on one of his legs. He also nibbled on the tip of her nose."If you want it, there's one."

"i don't want to." She put her arms around his neck and stopped playing with him."I'm hungry. I want to eat."

She was angry because he didn't give her food after doing it for so long, and he went to eat with Ai Wei. The more she thought about it, the angrier she got. She thought that she would be a bastard if she continued to talk to him.

however, after they got back together, they would reconcile after less than half an hour each time they quarreled. they couldn't quarrel for too long, yingluo, because they had been lonely for too long.

*

On the other side, ye mu Bai slowly walked into the apartment. Wen Yuan was sitting there.

He didn't say anything. He just walked over and squatted in front of her, holding her gently.

Wen Yuan did not push him away. She lowered her eyes and looked at him.

He didn't come back for the whole night, and he didn't look as handsome and imposing as usual. Instead, he looked a little more disheveled.

"wen yuan, let's start over again, okay?" he said in a low and hoarse voice as he hugged her.

wen yuan placed his hand gently on his black hair. his body stiffened for a moment and she said in a very light voice, " ye mu Bai, I can't even convince myself. Don't make things difficult for me, and don't make things difficult for yourself. Isn't it good to be calm like this? "

she paused for a moment. " if you feel that life is really boring and lonely, you can also find some fun for yourself. really, i won't interfere. just don't let xiang nan see it. "

After she finished speaking, he looked up at her with a strange gaze, as if he had never seen her before.

"wen yuan, are you asking me to have an affair?" he asked slowly.

Chapter 3864: I really want to strangle you to death!2

she didn't make a sound and only looked at him with a pampering expression.

ye mu bai stared at her for about half a minute before he softly said, " "Wen Yuan, I really want to strangle you to death."

at this moment, he wished that he didn't have to worry about xiangnan and the child in her stomach. their world only had him and her. he could force her and use all kinds of methods to force her to accept and still love him, hanhan.

but he couldn't!

He closed his eyes.

He could force anything, but not feelings.

...

When he opened his eyes again, there was a hint of disappointment in his eyes, an especially obvious disappointment.

he slowly got up and stared at her for a long time before he took a step back and whispered, "you're right, but Wen Yuan, do you know that you gave me a death sentence, but it was a delay in death? "

the expression in his eyes was almost sorrowful. it was an expression that only appeared when one was being tortured by emotions.

However, she did not want to experience Wen Yuan's life.

After going through life and death, she was indifferent. She was no longer willing to be a woman who loved someone else. She wanted to be herself again.

ye mu bai went to the study room, and he stood in front of the floor-to-ceiling window, smoking.

In his heart, he knew very well that Wen Yuan's every action was to say goodbye to him and to divorce him. He was very clear about this.

He lowered his eyes and smiled bitterly.

should i let go?

He might have done so in the past, but not now.

he remembered the pain in his heart when she was lying in the hospital. he had never thought that he would be in pain for wen yuan. he had forgotten about lin sisi's life and death those days. he did not even care or ask about it.

what he cared about was whether wen yuan would wake up and whether she would forgive him.

he stood and smoked, thinking about the expression on her face when she had tugged on his sleeve that morning and said that she was uncomfortable.

he thought, 'the more despairing wen yuan was at that time, the more unforgivable he is now!'

Ye mu Bai looked at the gentle snow and thought about many things. In the end, he no longer forced her.

they had resumed their old lives, and it was the lukewarm relationship she wanted. he was good to her one-sidedly, but she had always been cold to him. this was actually a kind of cold violence. she silently rejected all of his efforts.

From then on, he did not do anything out of line. Even if he had something, he would settle it himself and would not force her.

wen yuan knew about it, but she did not tell him.

at night, she slept on her side. it was almost 11 o'clock when ye mu bai came back from the study. he deliberately waited for her to fall asleep before coming back, so that she would not be unable to sleep in his arms.

he knew that she didn't want him to hold her, but even if she didn't want to, even if they were in name only, he was still willing to hold her.

He thought that she would change her mind one day. One day.

when ye mu bai came in after taking a shower, wen yuan was already asleep. the bedside lamp was on and there was a book of prenatal education beside her.

he walked over, picked it up, and looked at it for a while.

no matter what their relationship was, it could not erase the fact that she was a good mother. not only did she miss nan, but she also loved the child in her stomach. just like what his brother had said, wen yuan was a good woman.

he looked at her silently, then pursed his lips and put the book on the bedside table. he lay behind her and touched her lower abdomen with his fingers silently.

This was his entertainment every night. The child was about seven months old and could move. He could also feel him.

Chapter 3865: i really want to strangle you to death!3

she had only touched him once and he could feel her body stiffen. he knew that she was not asleep, so he said softly, "wen yuan, can we talk?"

"what did he say?" He thought she wouldn't say anything, but she did.

ye mu bai was a little overjoyed. then, he said in a hoarse voice, "let's talk about the child's name, okay?"

Ye xiangnan was named by her. As for the child in her stomach, he wanted to name it himself.

wen yuan was stunned for a moment, then he seemed to have regained his spirits. "you remember?"

mm. he leaned his face closer and said in a low voice, "the boy will be called ye Hui, and the girl will be called ye Hui, okay?"

...

wen yuan was silent for a long time before he said softly, ” “It’s pretty good.”

she said that she wanted to sleep, but he didn’t want to let her go to sleep after talking to her for a while. he said hoarsely, ” don’t you want to ask? ”

Her silence was to save face for both sides.

with wen yuan, there was no turning back once something had happened. after they got married, he had given her things and said all sorts of nice things to her. she really thought that they would be together forever.

It was destroyed so quickly.

She felt that she had yet to experience the beauty of love before she was ruthlessly pulled back to reality.

she thought that if they didn’t love each other again, how good would that be? if they didn’t love each other again, she wouldn’t be so sad. she wouldn’t be confused about why he didn’t care about her discomfort that day and chose to look for qin chen to save lin sisi.

she had entered some kind of curse and was unable to extricate herself.

wen yuan opened his mouth and his voice was a little ethereal in the dark night, ” ye mu Bai, actually, this is not important anymore.

She turned around in his arms and looked up at him.

In the dark night, no one could see each other’s expressions, so it was very safe.

“What’s important?” his voice was trembling.

she shook her head. ” nothing! ”

Just as she was about to turn around, he caught her again. Wen Yuan, don't tell me your heart is as still as water. You're not like this.

His voice was really hoarse. if you insist on living like this, I can stay with you. But, Wanwan, I won't divorce you.

he let go of her after saying that and stopped talking as if he was angry.

Wen Yuan was stunned. He held his stomach and turned over with great effort. He opened his eyes and helped her turn gently. He held her side without letting go.

she was about to say something when he continued in a hoarse voice, "I won't let go."

Wen Yuan teased.

in the blink of an eye, wen yuan's stomach was getting bigger and bigger. by the time he was eight months old, it was already difficult for him to walk. when she went for her prenatal examination, she had a hard time getting out of the car. ye mubai helped her in.

after the examination, there was nothing wrong with the child. it was just that there had been an accident before. the doctor said that there must be someone by the side of the pregnant woman in the last month, because she could go into premature labor at any time.

Ye mu Bai nodded.

"I want to be hospitalized." Wen Yuan looked at the doctor.

the doctor smiled. "there's really no need for that. There's still a long time to go, and it's not good for a pregnant woman's mood to be in the hospital."

Wen Yuan's lips moved but he did not say anything else.

On the way back, ye Mubai helped her into the car and slowly fastened his seat belt. Then, he looked at her. what's wrong? are you unhappy because you're not in the hospital?"

He coaxed her, ” the doctor said that staying in the hospital is bad for a pregnant woman.

Wen Yuan lowered his eyes and turned his face away.”it’s fine if you don’t want to stay, it’s nothing. Let’s drive.”

Chapter 3866: Don’t be afraid, I will always be here (1)

He didn’t start the car immediately. Instead, he turned to look at her. don’t be afraid. I’ll always be with you. Nothing will happen.

He held her hand and started the car.

on the way home, no one spoke. he knew that that day was a traumatic experience for di wenyuan. she was afraid.

his heart ached a little, but he couldn’t let her fall into it like this. one day, she had to understand that he was sincerely good to her, and they could be happy.

Ye mu Bai drove all the way to the entrance of the apartment. After the car stopped, she unbuckled her seat belt and wanted to get out of the car. However, he held her hand and leaned over to hug her.

He didn’t say anything and only hugged her for about a minute before letting her go. His voice was a little hoarse.”don’t move, i’ll help you down.”

...

wen yuan watched as he got out of the car, walked around the front of the car, came to her, and opened the door.

She turned her head and met his gaze.

“Get out of the car.” he held her arm and brought her out of the car, closing the door with one hand.

Wen Yuan took a short nap when he got home. When he woke up, he heard Xiang Nan making a ruckus. She blinked and immediately lifted the blanket to get out of bed. However, she fell back down again. She was too heavy to get up.

she was mrs. lin.

it was ye mu bai. he looked a little haggard, but he was still very gentle.

“what’s wrong?” he came over and pressed her down, not letting her move.

“What’s wrong with missing Nan?” Wen Yuan looked at him.

Ye mu Bai motioned for Mrs. Lin to leave first before he covered her with the blanket. Wen Yuan suddenly remembered that he had pressed her down again.

“Don’t move,” ” i have a fever, 38 degrees. the doctor has come, ” he said after a pause.

“do you want to go to the hospital?” wen yuan was still worried.

let’s observe him for a while more. Don’t go if it’s not over 38.5 degrees. It’s not good for him to go and cause trouble. His voice was very warm, and he lowered his head to kiss her forehead. “You sleep for a while more. I’ll stay at home and won’t go out. Don’t worry.”

With that, he stood up and walked out.

wen yuan was half-lying down. the master bedroom was quiet. she could vaguely hear him talking to xiangnan. after xiangnan stopped making a fuss, ran ran worriedly got up and walked into the children’s room.

he gently pushed the door open and saw xiang nan wearing a cute little sleeping robe and sitting on a small sofa. ye mulin was holding a book and reading it to him. he was dressed very casually. he was wearing gray home pants and a gray sweater. xiang nan was leaning against him. there was a cooling pad on his forehead, but his expression was very warm and soft. he looked at his father with a reliance.

at this moment, wen yuan realized that if she were to separate from ye mu bai, xiangnan and the child in qianqian's stomach would be the ones who would be hurt the most. she could reject him if he wanted to be a good husband and father, but she had no right to reject him on behalf of her child.

This was a little unfair.

Wen Yuan's fingers gently touched his lower abdomen and he pursed his lips.

Ye mu Bai raised his eyes and frowned when he saw her. "Why did you come out? go back to your room and rest."

wen yuan did not understand. "xiangnan has caught a cold," he said. "do you want to infect her?"

wen yuan was stunned for a moment and looked at xiang nan.

xiang nan's voice was crisp, "i will be good, mom."

wen yuan smiled and left.

ye mu bai looked at her back view, and his heart felt a little warm. she had not smiled in front of him for a long time. even when she was thinking about the south, she would restrain herself as long as he was around.

Chapter 3867: Don't be afraid, I'll always be here 2

Only God knew how much he wanted to hold her back just now, how much he wanted to kiss the smile on her lips and keep it for himself.

ye mu bai's gaze was a little dazed. he wanted to pull him away. "daddy, you haven't finished."

ye mu bai returned to his senses and continued to tell his son a story.

His heart was filled with warmth and an indescribable feeling. He felt that Wen Yuan's attitude had changed. Although he was warm, he patiently coaxed his son and took xiangnan's temperature. It dropped to 37.5 degrees. He heaved a sigh of relief and ordered the kitchen to prepare porridge for xiangnan to eat when he woke up. This little fellow had not eaten much all day.

after giving his orders, ye mu bai went to the study room to settle some matters. recently, a movie that he had shot had sold well at the box office. although he did not attend any of the events, he still had to pay attention to them sometimes. there were some occasions where he had to film a video of a small-time celebrity. he also had to settle some matters in the company. xu mo had helped him a lot. he valued xu mo because he was someone that wen yuan could accept.

when ye mubai was done with his work, it was already more than an hour later. when he got up, he was a little tired. he smoked a cigarette in the study room to relieve his fatigue and took a shower before returning to the master bedroom.

...

Wen Yuan still got up and was reading a book in the living room. When she heard his footsteps, she turned her head and asked, " how's miss Nan? "

" her fever has subsided a little. she should be fine. " he closed the door of the master bedroom and walked towards her.

He had just finished his bath and was only wearing a black bathrobe. However, even a simple bathrobe could highlight his extremely attractive figure, especially his loose neckline. Wen Yuan could even see a few solid abdominal muscles that were evenly distributed and shining with an alluring luster.

She looked away, not wanting to look at him again.

he opened his mouth, his voice hoarse. " you're willing to talk to me now, aren't you? "

"i don't know." Her voice was hoarse.

He continued to look up at her, his voice and posture somewhat humble. but you're willing to live with me, aren't you? ”

He was really a very smart man. She only smiled slightly, and he could guess her thoughts and come over to tease her.

“Didn't you say that you won't get a divorce?” Wen Yuan lowered his eyes.

He placed his hand on her knee and said in a low voice, ” Wen Yuan, there are many ways for a couple to get along. In the past, we were probably the worst kind. I mean, let's change our way of getting along, okay? ”

He could stop asking her to love him for the time being, but he was a normal man. If they continued like this, he didn't know how long this marriage would last.

It would not be pleasant to torture each other like that. It would not be good for the child either. Wen Yuan should understand that.

she had refused to communicate with him before, but now he had to have a good talk with her. he wanted to let her know that he didn't want to give up. he didn't just want a divorce, he wanted a lot more.

Wen Yuan looked at him quietly and did not say a word.

She didn't know how to answer him, and she didn't know why he was so insistent on letting go of Yingluo after she gave birth to the child. He didn't like her that much, let alone love her.

as for what he was saying now, she could consider it, but she refused to discuss it with him.

In her heart, she probably rejected him.

to reject a man who had given up on her for another woman, no matter how good he was to her now.

Chapter 3868: Don't be afraid, I'll always be here 3

The discussion did not come to a conclusion, but he had unilaterally decided how they would get along. He was still very gentle to her, and Wen Yuan was not as cold as before.

That night, he was very tired after taking care of xiangnan. When he returned to the room, it was almost 11 O'clock. He came over, sat by the bed, and reached out to touch her face. your fever has gone down. You're fine now.

Wen Yuan turned sideways and was gently touched by him. She looked at him and asked softly, "Are you tired?"

He mumbled a sound of acknowledgment but did not go to take a shower. Instead, he leaned over and kissed her on the lips.

He hadn't kissed her like this for a long time, ever since she started to hate him. After the kiss, he was a little excited and couldn't control himself. It wasn't that he hadn't had a woman before, but this time was different.

When he kissed her, he felt all the blood in his body boil. He couldn't even do anything to her since she was pregnant. He just kissed her like this, almost intoxicated.

...

After kissing her for a long time, he let go of her a little, then pressed his forehead against hers, and said in a hoarse voice, "Wen Yuan, I'm very happy."

"what are you so happy about?" She was hoarse like him.

He caressed her face gently as if he had a lifetime's worth of time to do this. Wen Yuan buried his face in the White pillow and wanted to avoid it, but he refused to let him.

After what seemed like a century, he finally retracted his hand and said in a slightly hoarse voice, "wen yuan, you know it in your heart."

“i don’t know.” When she spoke, there was a hint of willfulness in her voice.

ye mu bai smiled and kissed her for a while.”Go to sleep. I’m going to take a shower. I’m going to see xiangnan later.”

Wen Yuan looked at him and realized that he had lost a lot of weight. He had been taking care of her for the past few months. Now that he missed Nan, it was even more impossible for him to have a good rest.

she pursed her lips but still said,”you should sleep for a while. set the alarm.”

ye mu bai was stunned for a moment. he could not believe what he had just heard.

a moment later, he lay down beside her and hugged her carefully, burying his face in her neck.

He was indeed tired, but he couldn’t bear to sleep while holding her like this. He closed his eyes and could smell the floral scent on her hair.

She had a good night’s sleep.

When ye Mubai woke up, the sky was bright, and the sun shone through the transparent window. The bed was very comfortable.

His Adam’s apple moved slightly. He reached out his hand to block the sun and supported himself to sit up.

xiang nan’s voice rang in her ears. he was talking to wen yuan.

Ye mu Bai listened attentively, and a charming smile appeared on his handsome face. The corners of his mouth also rose slightly.

after a long time, he lifted the quilt, brushed his teeth, washed his face, and walked out.

thinking that nan had recovered, she watched him call her father happily.

ye mu bai went over, hugged him, and kissed him. ” “daddy, check if you’ve fully recovered.”

He hugged Xiang Nan and placed his hand on his forehead. it’s not hot anymore.

then he asked xiangnan if she had eaten breakfast. xiangnan’s voice was loud and clear.”I’ve already eaten with mom.”

ye mu bai put him down and went to the dining table. the servants served him breakfast.

He took a sip of milk and asked Wen Yuan calmly, ” “You went to see Xiang Nan last night?”

“you’re not awake,” wen yuan replied.

He smiled. you really didn’t turn off the alarm clock? ”

She didn’t say anything, probably because she wasn’t used to talking to him like this. Ye mu Bai did not force her. They were already doing very well, and he was very, very satisfied.

Chapter 3869: Don’t be afraid, I’ll always be here 4

He was having breakfast when Wen Yuan slowly walked to the floor-to-ceiling window and sat in front of the piano that he had bought for her. His slender fingers fell on the piano keys.

Ye mu Bai looked at her and put down the breakfast in his hands. His eyes were a little hot.

He knew what her actions meant. It meant that she wouldn’t leave him, Yingluo.

“wen yuan,” he said in a hoarse voice.

“i want to play a few songs,” she said softly.

after she finished speaking, she started to play the zither. she played very well, and in his heart, she was much better than lin xueyi.

...

He listened carefully. She played a few songs in a row and then stopped. She said in a very soft voice, ” ye mu Bai, I think we should return to B city after the child is born and Nan’s condition has stabilized.

“ye mu bai, i don’t want to hide anymore.” she paused and turned her head.

he just looked at her quietly and said yes.

Then, he realized that Wen Yuan had changed. As for what was different, he thought that this was probably the original Wen Yuan.

She seemed to want to make up with him, but she was actually more rational.

her feelings for him had only changed from hatred to unwillingness to hate. they were not any better.

however, her smile and her words were especially precious to him, and he couldn’t bear to reject them.

when wen yuan was no longer in a cold war with him, the days seemed to be particularly gentle and had a wonderful feeling.

Other than going out occasionally, ye mu Bai would usually stay at home to accompany her. Wen Yuan would sometimes take a walk, sometimes do some simple exercises, and sometimes play the piano.

She still went into premature labor, but only two weeks earlier.

the moment her water broke, she was stunned. then, she reached out and grabbed ye mu bai.”Ye mu, Bai Qingqing, I might be giving birth soon.”

It was night time.

Ye mu Bai woke up immediately. He sat up and supported her. He shook his head for two seconds before he woke up. His voice was calm.”don’t be afraid, i’ll take you to the hospital.”

since the last time, the driver at home had been on standby 24 hours a day. xu mo had also moved in these few days, all in case of an emergency.

ye mu bai quickly put on his clothes and helped wen yuan to put on a coat. he had already packed his things.

he woke xu mo and two other servants, leaving two people to take care of wen yuan. he brought one servant to the hospital. she was in so much pain that she could not walk, but he carried her completely. wen yuan had grown to 120 years old after she was pregnant. he carried him from home to the car, and then from the car to the hospital’s delivery room. they walked a few hundred meters. his arms were heavy and in pain, but he did not rest for a moment.

The doctor and nurses pushed the trolley over. Ye mu Bai carefully placed her on the trolley and ran with her. His fingers gently caressed her face as he said in a low and hoarse voice, ” “Wen Yuan, don’t be afraid. I’ll always be here.”

She was in so much pain that her forehead was covered in sweat.

He kissed her away, his heart aching. I’m right here.

He requested to accompany the delivery and the doctor agreed.

Ye mu Bai changed his clothes and went into the delivery room. Wen Yuan was in so much pain that he bit his lip. He looked like he was in great pain.

He went over and squatted down beside her, saying in a low voice, ” “Wen Yuan, scream if you’re in pain.”

her hair was wet with sweat, and her face was a little pale because she had used too much strength. only then did he know how painful it was to give birth.

then, when she gave birth for the first time, he wasn't by her side. did that hurt her more?

he held her hand and placed it next to his face. "wen yuan, i'm sorry."

her eyes were wide open and she was panting heavily. her whole body was so tense that she was in a daze.

the doctor and nurses kept encouraging and encouraging him. they even gave wen yuan a piece of chocolate.

after enduring the pain for two hours, wen yuan felt that all the energy in his body was about to be exhausted. she blinked her eyes and saw ye mu bai's face in front of her. she suddenly screamed in pain.

all the pain, all the past, all the grievances were in this cry of pain.

he hugged her and it was as if a surge of energy was injected into her body. wen yuan used all the strength in his body and finally, amidst a burst of heart-wrenching pain, she heard a baby's cry.

wen yuan felt relieved and slowly lay down.

she was very, very tired. she wanted to sleep, the kind that would last for three days and three nights.

...

The baby was still crying loudly. The doctor smiled. "A very healthy baby."

It was so cute. After the doctor washed up, he couldn't help but pat her little p * ss.

Ye mu Bai took a look at it before he leaned over to Wen Yuan's ear and said in a low voice, " " it's a little girl. wen yuan, we have a daughter. "

as a father, he was especially happy and his heart ached for wen yuan's pain.

he kissed her.

When Wen Yuan woke up, the ward was bright. As it was a Super VIP Ward with a panoramic view, the view was particularly good. The sun could shine directly into the ward, which made the pregnant woman feel particularly relaxed.

She was still in pain and let out a low cry.

ye mu bai immediately stepped forward and said in a hoarse voice, " "You're awake? Do you want to drink some water or eat something? Wen Yuan, you've been sleeping for almost 24 hours."

She was still weak. She lay there and looked at him quietly. where's the child? "

"she's asleep. she's lying on the small bed." ye mu bai's voice was soft, as if he was afraid of scaring her or the child.

wen yuan nodded and watched as he walked over and carefully pushed the small bed over.

A beautiful little fellow appeared in front of Wen Yuan. Although Wen Yuan had imagined what the child would look like, he was still very touched when she really appeared in front of him. He reached out and touched her gently.

the little guy furrowed his brows, as if he was about to cry.

wen yuan quickly retracted his hand and smiled. " "He seems to have a bad temper."

Ye mu Bai also moved back quietly and looked at the little fellow fondly. Then, he returned. “i’ll help you up, can you sit? The Auntie at home just sent over some soup and a few vegetables. She’s afraid that you’ll be too greasy and lose your appetite.”

wen yuan nodded and sat up with his help. ye mu bai went to get a glass of water.

he sat beside her and let her rest her head on his shoulder. he held the cup and fed her.

wen yuan could smell the refreshing scent on his body. it was very pleasant. she knew that he had taken a bath here. he looked at himself and realized that he was in a bad state. his hair was probably messy and he had a stinky smell. a woman who had just given birth could not be any better.

She was distracted and then choked.

“What are you thinking about?” ye mu bai took a tissue and helped her wipe her mouth. he patted her to calm her breath. ” are you thinking too much? ”

Wen Yuan glanced at him. He was too weak to even have the energy to quarrel.

After feeding her the water, he scooped a bowl of soup for her. It was very nourishing and not greasy. He fed her a bowl of soup first and let her eat.

“i want to brush my teeth,” wen yuan looked at him while he was eating.

“Let’s eat first. We’ll brush after we’re done.” “i don’t mind,” he said softly.

wen yuan teased.

She didn’t want him to feed her, but he insisted. In the end, he fed her and carried her to the bathroom.
