Chapter 3871: An additional baby girl (2)

She had just given birth, so she was uncomfortable and in a sorry state.

At this moment, Wen Yuan missed the times when he was giving birth. It was not convenient for him to take care of ye Mulin, so he had to leave it to the confinement Center. She did not have to worry about being seen by others.

“i want to take a shower,” she said, looking at him.

Ye mu Bai’s movements stopped. He looked at her from the mirror for a long time before he softly said, ” “It’s been less than 24 hours since you gave birth. Let’s wait another day. You’re still very weak. If you’re not feeling well, I’ll help you wipe it.”

“No need,” She rejected him.

however, he could still tell that she was uncomfortable. he helped her sit down and took a hot towel to carefully wipe her from top to bottom. he even changed every inch of her body.

...

After he was done, he carefully tidied her clothes and said softly, ” “I called Qin Chen to perform surgery on xiangnan. She’s already in the hospital, and she’s in good condition after the checkup. They’ve been taking care of her at the hospital together.”

wen yuan looked at her with a straight gaze. then, she tugged on his sleeve and said in a hoarse voice, ” “Are you confident in the surgery?”

“don’t worry, there won’t be a problem if qin chen comes,” he said in a hoarse voice.

Wen Yuan was relieved and helped her back to the ward.

Wen Yuan had been lying in bed for the whole day and wanted to take a walk. He went to see the newborn. She held the railing and said in a low voice, "Let's call it ye Hui!"

He hugged her from behind and tightened his arms. She had just given birth and her waist was already a little slender.

he took a deep breath on her neck and did not say anything. he just hugged her.

She had given birth to a child, but he felt as if he had just taken a trip to the gates of hell. He hugged her for a long time before he whispered, "Wen Yuan, I won't let you have children again."

He didn't want her to experience the heart-wrenching pain when she gave birth again. He wanted to get a vasectomy.

ye mu bai had kept all of this from wen yuan as he did not want her to feel burdened. later on, he had secretly gone to get a vasectomy for hanhan.

in the afternoon, xiang nan came to see his sister with a mask on. he laid on the side and looked at the white baby, reluctant to look away.

After a long, long time, he finally looked up reluctantly. "Younger sister is so pretty."

Wen Yuan smiled. my sister's name is ye Hui! The fennel of fennel."

Xiang Nan nodded and looked at the little cutie in a daze until Qin Chen took her away.

Qin Chen handed the surgery over to Xu Mo and came over to discuss the surgery plan with ye mu Bai. Ye mu Bai also seriously talked to the world's best surgeon. He thought that he was very sincere, but Qin Chen was not that kind of person. His medical skills were good, but he didn't know if he was a good person.

After they finished discussing the plan, Qin Chen asked for a huge seven-figure operation fee.

Usually, Qin Chen would not be polite when he met a Big Sheep like ye mu Bai. Otherwise, how could he guarantee the quality of her life?

ye mu bai didn't care about this. he just wanted nan to live well. he knew that qin chen was worth this price because even if he had the money, he might not be willing to go for qin chen's surgery.

In short, this was a doctor Who knew how to enjoy life.

after qin chen finished talking business, he took the check from ye mubai. he saw that there was a five in front of the zeros and flicked it. " the men of the ye family are quite sensible. i'll give you a package! "

Ye mu Bai wanted to refuse because his big brother had suffered a lot because of the set meal back then.

Chapter 3872: an additional baby girl (3)

"Sisi heard that you two have a daughter, so she sent me a gift and asked me to bring it over," Qin Chen said.

Ye mu Bai really wanted to strangle her to death.

however, qin chen had already placed the gift on wen yuan's bedside table and smiled. " "it's sisi's present. she said she can't come and asked me to say hello."

Wen Yuan smiled.

Qin Chen looked at ye mu Bai, then left with one hand in his pocket.

After she left, ye mu Bai's voice sounded a little bitter. Wen Yuan, do you have anything to say to me? "

...

wen yuan took the gift box and opened it as he said, ” “Qin Chen, he’s very handsome.”

Ye mu Bai did not expect such an answer. He furrowed his brows.”wen yuan, that’s not what i wanted to say.”

qin chen had already opened the gift, and was stunned.

There was a small doll in the box. It was very cute and was made of crystal.

it was fragile yet beautiful.

wen yuan blinked as he watched.

She really liked it.

Ye Mubai looked at her quietly, trying to find any change in her expression. However, Wen Yuan did not let him see any change. She just looked at the gift for a long time before putting it away.

“If you like it, I’ll bring the gifts from my parents, my brother, and Xue Li over for you to see, alright?” ye mu Bai’s voice was bitter.

she shook her head and lay down. ” i’m a little tired. ”

ye mu bai walked over and squatted in front of her. he carefully observed her expression. ” are you angry? ”

“No, I didn’t,” She closed her eyes and softly said, ” “the problem between us has nothing to do with lin sisi.”

after she finished speaking, he didn’t say a word. after a long time, she opened her eyes and saw him staring at her without blinking.

“What’s the matter?” Wen Yuan smiled faintly.

“It’s nothing!” Ye mu Bai smiled and patted her head. alright, let’s go to sleep!

she closed her eyes. he stayed with her for a while before he went outside to smoke a cigarette.

Wen Yuan had blurted out just now. She might not have realized it herself, but he did.

she said that there was a problem between them, but it was actually true. it just faded in life. she didn’t mention it, and he didn’t mention it either. it was as if everything was in the past, but it wasn’t.

That incident had always been in Wen Yuan’s heart. The pain had always been there.

Ye mu Bai knew very well that she did not say it for the sake of the two children. He had always known it.

but when she said it so unintentionally, he still felt very sad, yingluo.

he didn’t know how to tell her, or should he escape with her?

after such a long time, he once again felt helpless and realized that he was being excluded by her, even though she didn’t show it.

Ye mu Bai closed his eyes and smoked a few cigarettes outside before returning to the ward. When he returned, two young nurses were there. When they smelled the cigarette on ye mu Bai, one of the young nurses lowered her voice and chided him. ” mr. ye, pregnant women and newborns can’t smell smoke. you’re taking care of her. if you can’t control yourself, you can change to someone else. ”

Ye mu Bai looked at the nurse.

the nurse also glared at him. she did not give in at all just because he was rich and good-looking.

After a long time, ye mu Bai actually opened his mouth and said, ” “you’re right, you shouldn’t smoke.”

He actually took out the cigarette and threw it into the trash can. Only then did the nurse's face recover a little.

ye mu bai watched her leave and closed the door. he then met wen yuan's gaze.

"She's right. You shouldn't smoke," he said with a smile.

Chapter 3873: an additional baby girl (4)

after that, he went straight to little ye hui's small bed to play with the child. the little fellow was asleep at first, but after that, probably because of the smoke, she burst into tears.

Ye mu Bai was stunned. He looked at the little fellow and then at Wen Yuan helplessly."why did she cry?"

"you've made her sick." Wen Yuan's voice carried a hint of blame. Then, he lifted the blanket and got out of bed.

"don't get up. i'll coax you." ye mu bai stopped her.

"i'll do it." Wen Yuan's voice was very soft, but he still got out of bed. She was much better than before.

She deftly took little ye Hui from his arms and gently patted her. She even hummed a song for the little fellow to hear. Her voice was especially gentle and tender.

...

At this moment, Wen Yuan was only wearing a nightgown, but he was indescribably gentle and had a maternal glow.

especially when she was coaxing little ye hui, ye mu bai felt as if he was looking at a starry sky and wen yuan was the one humming a lullaby. he looked at him greedily and could not bear to look away.

wen yuan coaxed the little baby. she had taken care of the baby before, so little ye hui was coaxed in no time. she closed her eyes in her arms and looked especially cute.

ye mu bai felt that it was very magical. he looked at her from the side and said in a small voice, ” “he fell asleep?”

wen yuan’s expression was especially gentle as he was facing the child. she said softly, ” let her go back to the small bed to sleep. you have to wash your hands and brush your teeth later. finally, you have to take a shower and change your clothes. ”

ye mu bai took the child and said, ” “Are you so delicate?”

just as he finished speaking, little ye hui burst into tears again. she wrinkled her little nose and her eyes opened as tears burst out. he was shocked that this little girl yingluo was so delicate?

However, not only was he not angry, but his heart also softened. He hugged the little guy and coaxed him, but the little guy did not buy it. Not only did he not buy it, but he also did not cry very, very fiercely.

ye mu bai had always been a gifted student, and nan was already quite a big child when she followed him, so he had always been fine. however, now that he had to take care of a newborn baby, he did not have much experience.

he tried to comfort her, but the little guy just kept crying, and it was getting more and more intense. his little face was red, and his heart ached when he saw it.

ye mu bai stretched out his hand to comfort her, but the little fellow immediately sucked on his finger as if he was hungry.

he tilted his head. ” is she hungry? ”

he had fed her milk powder earlier because he did not want to wake her up when wen yuan was asleep.

ye mu bai's gaze fell on a certain spot, and his eyes were deep and burning. when he opened his mouth, his voice was a little shaky."you, do you have it now?"

wen yuan naturally knew what he was talking about. he pursed his lips and took little ye hui from his arms. little ye hui probably smelled the scent on her body and immediately snuggled into her arms.

ye mu bai looked straight at wen yuan. wen yuan glanced at him and sat down on the bed. he unbuttoned his pajamas with his back facing ye mu bai. the little fellow instinctively moved closer to eat the food. the sound of his swallowing made ye mu bai want to swallow his saliva.

he felt a little uncomfortable. he should have avoided it, but his feet just couldn't move. he just couldn't bear to move away.

Little ye Hui was a very big eater. After she finished eating, she would eat on one side and then the other. She took turns to finish it before she yawned in satisfaction.

she was very cute, and from the side, she looked like a little rabbit.

Chapter 3874: An additional baby girl (5)

ye mu bai looked on with his eyes wide open, and his eyes were a little hot.

on one hand, it was because of little ye hui's cuteness. on the other hand, it was because wen yuan was not dressed properly.

it was open and she couldn't buckle it up because she was carrying the little fellow, but if she put ye hui down now, xuxu would look even worse.

wen yuan pursed his lips and looked at ye mu bai. "you carry ye hui over."

Ye mu Bai's voice was hoarse. I'm afraid she'll cry again.

"she won't cry." wen yuan's tone became more serious. then, he bit his lip."you carry her over."

...

however, his eyes were still looking at her fervently and he was reluctant to look away. wen yuan was a little angry."ye mu bai!"

he smiled and carefully held ye hui in his arms. wen yuan immediately buttoned up his shirt.

after she did so, she looked up and met his eyes.

ye mu bai didn't continue to look at it. in fact, he couldn't see it anymore. he carefully carried the little fellow to the small bed.

it was really different after eating. her little face was rosy and her eyes were closed. he was surprised to find that little ye hui's eyelashes were so long. she looked like him.

he didn't remember it being that long.

His gaze was still on ye Hui's face as he asked Wen Yuan softly, "Will Yinan be as cute as this when he's born?"

"Girls are always more delicate," Wen Yuan replied after some thought.

He didn't say anything more. He just kept looking at little ye Hui. He only felt that she was especially beautiful, no less beautiful than Bai Anan from the big family.

Ye mu Bai looked at it for a long time before he said, "I think I'll go take a shower and change my clothes. I don't want to suffocate her."

then, she reached out and pinched the little guy's face fondly."So delicate."

wen yuan watched him enter the bathroom and thought that he looked very happy. it seemed that he had become much more relaxed after having ye hui, except for the time when he went to smoke just now.

She hugged the blanket and looked at ye Hui. Then she thought ...

let's just leave it at that. it's unrealistic for a woman of her age to fantasize about love again. besides, they have two children to raise. no matter who the children follow, they will be missing something.

Wen Yuan's idea was not to give in, but to make do with it.

It meant that he was making do with it for the sake of Nan and ye Hui.

It was not that ye mu Bai did not know this, but he was just making do with her.

Because there was no way, there were too many requirements.

Ye mu Bai finished his bath very quickly and felt extremely refreshed. He went over to see little ye Hui and asked Wen Yuan to rest after a while.

wen yuan said that she was not tired and wanted to sit for a while. he agreed in the end. then, he peeled a fruit for her. he cut it into small pieces so that it would not be too cold.

Wen Yuan ate in small bites. He reached out to stroke her hair and suddenly asked, " "does it still hurt?"

Wen Yuan almost choked as he looked at him.

His expression was a little unfathomable as he continued to look at her. Then, he took her hand and asked again, " "Wen Yuan, does it still hurt?"

She shook her head. it doesn't hurt too much.

Then, they both fell silent. She always felt uncomfortable talking about such private matters. However, ye mu Bai did not feel uncomfortable. Wen Yuan felt uncomfortable because she did not place him in an intimate relationship, so she resisted and instinctively rejected him.

ye mu bai's gaze fell on her face for a long time, but he did not say anything. he only motioned for her to lie down and covered her with the blanket. then, he said in a low voice, "I'll go and see Xiang Nan. He'll be undergoing surgery in two days."

Chapter 3875: A straight man's aesthetic taste (1)

wen yuan grabbed his hand. "i want to see him too."

he pressed her hand under the blanket, his movements slow and gentle, and his voice was also like, "You rest, huh?"

"ye mubai, xiangnan is my son." wen yuan bit his lip.

"Isn't he my son?" His eyes seemed to be able to penetrate through people's hearts. Wen Yuan, have you forgotten that you have just given birth to Yuan's child? be good and lie down to sleep. I'll take care of everything.

wen yuan was in a daze. she leaned against the white pillow and looked at him.

in the end, he couldn't bear to leave immediately. he sat there and reached out to gently caress her face.

...

Wen Yuan's eyes were burning with an indescribable feeling. She did not want to lose her composure but she could not hold it in at this moment.

she reached out and pressed his palm flat on her face. she spoke as if she was sleep talking, ” “If you didn’t leave that day, how good would that have been?”

His gentle words were like a knife to him. He knew that he had hurt her deeply. That day had left a shadow in her heart. He didn’t know when she would forget it. Let’s leave it to time, he thought to himself.

wen yuan only lost his composure for half a minute. when she came back to her senses, she looked at him with a slightly embarrassed look in her eyes.

ye mubai smiled warmly and his voice was even lower as if he was murmuring, ” I’m going to see Xiang Nan. Wen Yuan, don’t think too much. We’ll be fine if we keep going, okay? ”

She lay down and gave him a faint smile after a while.

He was tempted and leaned over to kiss her lightly on the lips. He said reluctantly, ” “I really have to go. I’m going to see xiangnan.”

Wen Yuan closed his eyes.

He adjusted the blanket for her and walked out.

The sound of the door closing could be heard. Wen Yuan opened his eyes, his gaze somewhat empty.

then, she turned her face away and looked at the small bed not far away. little ye hui was sleeping there, smelling good.

she thought that perhaps she had made the right decision and that this was the best yingluo.

Ye mu Bai went to Xiang Nan’s place. Xiang Nan wanted to see his sister. Ye mu Bai reached out and touched his head.”Can we look at it after xiangnan’s surgery?”

However, ye mu Bai could not understand his son’s subtle thoughts. Qin Chen leaned on the side and held a limited-grade bone china cup in his hand. It was comparable to the standard of the

United Kingdom royal family. He smiled as he sipped his tea.”your son is afraid that yingluo won’t have a chance in the future.”

she put down the cup in her hand, walked over, and reached out to grab xiang nan. ” “Don’t you have any confidence in your uncle Qin’s medical skills?”

Xiang Nan’s ears were pulled, and his little face was also red. This was the first time he had been teased by a woman, and it was such a powerful woman. She was both a man and a woman. For the little Xiang Nan, this was a huge blow to his three views.

“qin chen, don’t you teach my son the wrong things!” ye mu bai exploded.

“Dr. Qin is a female doctor, not an uncle, but an Auntie,” he told Xiang Nan very seriously.

Xiang Nan’s face was still a little red. She said shyly, ” then why does Auntie look better in a shirt than many people? ”

of course, her father looked good in it too, but he was still not as good as aunt qin.

Ye mu Bai was furious. Qin Chen was influencing his son’s taste. Did he really think that a woman was beautiful just because she was like this? he really wanted to knock this brat’s head open and warn him that most men would like people like his mother, Wen Yuan.

Women like Qin Chen’s Kasaya more.

Chapter 3876: a straight man’s aesthetics (2)

however, nan was still young. what if he didn’t have such thoughts and after correcting himself, he would become the same as lan yu?

Ye mu Bai regretted it. He should not have invited Qin Chen.

among the people he knew, the number of people who had suffered at qin chen's hands couldn't be counted on ten fingers, and every incident was either tearful or bloody!

"Because her clothes are more expensive!" Ye mu Bai said slowly.

Although this answer was a bit ridiculous, it was the truth. Qin Chen's clothes were indeed more expensive.

A shirt that cost hundreds of thousands was a little outrageous. Even men like them were not so particular about it!

...

however, qin chen maintained this standard of living in front of a doctor. he was simply a black-hearted doctor. he was clearly not satisfied with lan yu's support, so he became even more black-hearted.

Just look at the cup in his hand, it's worth tens of thousands!

at this time, ye mu bai had completely fallen into the black-hearted doctor's mode. he had completely forgotten that his life was actually very extravagant.

After he answered like this, he sneaked a glance at Qin Chen and didn't say anything else.

he felt that auntie qin was quite good like this. she looked very good!

Thinking of the South for a little while, her sense of beauty had already collapsed at this moment! (Asking for ye mu Bai's psychological shadow area)

Qin Chen smiled and said lazily, "don't be late for the surgery tomorrow."

she blinked again. "don't worry and think about nan. it won't affect your handsomeness at all! " Trust me, okay?"

She was dressed in a languid and charming manner, completely intoxicated and unable to move for a long time.

qin chen laughed again and flicked his forehead.

Thinking about the South made her dizzy with admiration and love.

qin chen bent over. " do you like auntie? "

"i like it." little xiang nan said very honestly.

Qin Chen reached out and ruffled his hair. He smiled gently and walked out.

Little Xiang Nan was still fascinated. His father pulled his ear and said, " Ye Xiang Nan, listen to me. You are not allowed to marry a tomboy in the future, do you hear me? "

She looked at her father with longing and asked,"auntie qin chen is very handsome!"

Ye mu Bai was a little mad. you're a boy. Shouldn't boys like little girls like an 'an? "

she thought about it and scratched her head. " but i think auntie qin chen looks very handsome like this. i like it. "

xiang nan's smile was very warm, a little like wen yuan's.

when he smiled, his eyes seemed to have many little stars shining in them ...

ye mu bai was stunned for a moment before he clenched his fists.

this was what he had always wanted to see in wen yuan's eyes. however, wen yuan had never shown such an expression until now. now, he had seen it in xiang nan's eyes.

Thinking that Nan was so happy, he thought that he should not take away his mood.

he already owed xiang nan a lot and wanted to make up for it. he didn't want to teach his son what should be done or what shouldn't be done. he and wen yuan shouldn't have done it. now, they were husband and wife.

He thought, as long as I'm happy, it'll be fine. Only when a person likes another person will there be such a starry sky in their eyes.

ye mu bai accompanied xiang nan for a long time. when xu mo came over, he handed xiang nan over to xu mo and returned to wen yuan's ward.

in the huge space, it was very light and quiet. wen yuan was still resting, and the little guy who had just been born was also sleeping peacefully. he leaned over and smelled the fragrance of milk.

Chapter 3877: A straight man's aesthetic (3)

Ye mu Bai bent down and could not help but kiss the little fellow.

Wen Yuan woke up. He opened his eyes but did not move. He looked at him and said, " "what about xiangnan?"

Ye mu Bai let go of little ye Hui and returned to Wen Yuan's bedside. He did not say anything and Wen Yuan was a little anxious."ye mu bai?"

"wen yuan, are you going to call me ye mu bai from now on?" he asked, as though he was deep in thought.

she was a little stunned, not understanding why he suddenly said this.

he looked at her expression and smiled. " " if you want to continue living, call me mubai or ye mubai. but i hope you can call me mubai. "

...

“ye mu bai!” wen yuan could not hold it in any longer.

He laughed again and didn’t dare to tease her anymore. it’s good to miss Nan, but Yingluo ...

wen yuan looked at him, very focused.

ye mu bai realized that she would only be so attentive when she mentioned her son. she was usually absent-minded when it came to him. when he thought about it, he felt a little bitter, but he still forced a smile.”i just wanted to ask you, when xiangnan grows up, what kind of daughter-in-law do you think she is?”

after he finished asking, wen yuan heaved a sigh of relief. ” why are you asking about this? it’ll be many years later. ”

“that day will come,” ye mu bai said thoughtfully.

“as long as nan likes it,” wen yuan replied without much thought.

Ye mu Bai looked at her and sighed. “what if it was someone like qin chen?”

Wen Yuan frowned. why do you ask that? xiangnan is only a few years old. You’re thinking too far ahead.

“perhaps!” he smiled.

He was about to leave to settle some matters when Wen Yuan suddenly called out to him, ” Aiyo, mu Bai, Qingqing.

His heart skipped a beat and he turned to look at her with a smile.

you’ve been a little tense lately, ” Wen Yuan said hesitantly. do you want Qianqian to find a psychiatrist to ease your tension? ”

“Wen Yuan, what are you thinking?” he laughed.

he took a few steps back and bent down to whisper into her ear, ” “wen yuan, even if it’s a relief, it should be a physical relief.”

His fingers pinched her face gently and he said hoarsely, ” “i’ve been abstinent for half a year.”

Wen Yuan was speechless and could only look at him.

he laughed in a low voice, his good-looking thin lips pressed against the back of her ear, and his voice became hoarser.”I’ll bear with it a little longer, okay?”

what he meant was that he wouldn’t be able to endure it any longer.

Of course, she would feel something when he touched the back of her ear. Her body stiffened.

he didn’t do anything to her and let her go quickly. he just smiled at her affectionately.

Wen Yuan held his hand and bit his lip.

ye mu bai went to settle some matters at the company. then, he was busy taking care of little ye hui and wen yuan. he also went to xiang nan’s place. wen yuan felt that he had gone too far.

The nurse will take care of her. You can do your own thing. If you have time, accompany xiangnan.

ye mu bai only kissed her and did not say anything.

The next day, Xiang Nan underwent surgery. Ye mu Bai stayed by Xiang Nan’s side almost the entire day. Xu Mo had to come over to accompany Wen Yuan even if he was beaten.

Wen Yuan was still worried and wanted to go and take a look. Xu Mo comforted him, ” Dr. Qin said he’s 100% sure. Don’t worry, Yingluo. You just gave birth and should rest more!

“it’s not a small surgery, after all.” Wen Yuan held ye Hui in his arms and said softly as he pressed his face against hers.

Fortunately, the operation had been going on for six hours. Ye mu Bai called in the middle to tell her that everything had gone smoothly.

Chapter 3878: A straight man’s aesthetics (4)

His tone was very calm, but Wen Yuan knew that he was nervous too. If he was not nervous, he would have come back to tell him instead of calling him and waiting outside the operating room for six hours.

six hours later, he called again to say that the operation was very successful.

Wen Yuan cried.

ye mu bai was stunned for a moment. then, he said in a hoarse but gentle voice, ” “why are you crying? wen yuan, take good care of ye hui. i’ve been thinking about nan for the past two days.”

wen yuan nodded.

It was only later that she found out that Xiang Nan had entered the ICU, while ye mu Bai was not allowed to enter. However, he had been standing outside to guard his son. He had his meals in the corridor, and if he was too tired, he would sleep on the bench for the night.

...

the next night, wen yuan could not help but want to see nan. she asked the nurses for the location and asked them to take care of ye hui while she went to the intensive care unit.

when wen yuan was standing at the end of the corridor, she saw ye mu bai. he was standing straight outside the glass wall, not moving.

Her throat seemed to be blocked as she slowly walked over.

She walked to his side and he heard footsteps. He turned to look at her and said in a hoarse voice, "Why are you here?"

wen yuan stood beside him and looked at his son in the ward. his heart ached when he saw that his body was full of tubes. his eyes were filled with warmth, but she held back her tears.

As long as Nan could get better, everything would be worth it.

After a long time, she said, " I'm worried.

"Why didn't you say that xiangnan is here?" she asked.

"i was afraid you would worry." he reached out and held her in his arms. wen yuan could smell the cigarette on him and the clothes that he had not changed out of. he had a dark green beard and red eyes.

wen yuan's heart ached for a moment, so she did not avoid his closeness. she only whispered, " " i'll watch over you from here. you go take a shower and change your clothes. "

However, ye mu Bai was unwilling. Wen Yuan, you should go and rest. I'll miss the South while I'm here.

"Ye mu Bai," wen yuan paused for a moment. " you haven't bathed for two days. the kasaya on your body is starting to smell. "

he turned his head and looked at her without blinking.

Wen Yuan pursed his lips and did not say anything. He just looked at him.

Finally, ye mu Bai smiled. “i’ll go take a shower, you can sit down.”

he helped her sit down, took off his coat, and draped it over her shoulders. he urged her to go back and take a shower. in less than 20 minutes, he came back with two sets of rice and ate with her.

wen yuan looked at him and smiled.

This was probably the most embarrassing meal they had in their lives, because they were parents.

fortunately, xiang nan’s body recovered very quickly. he left the intensive care ward very quickly and entered the VIP room on the same floor as wen yuan. this way, it was very convenient for ye mu bai to take care of him. xiang nan stayed in the hospital for a month, while wen yuan and little ye hui stayed for a full month.

a month later, ye mu bai brought xiangnan and wen yuan back to the apartment. at that time, it was already early summer and the weather was a little hot. xiangnan had basically recovered, but he still needed to recuperate. on the other hand, little ye hui had grown a lot of meat and looked chubby and cute.

On the day they returned home, the servants at home specially made a lot of delicious food and gave little ye Hui and xiangnan red packet. They hugged little ye Hui and loved her so much that they couldn’t let go, saying that she looked too much like Wen Yuan.

In fact, Wen Yuan felt that ye Hui looked more like ye Mubai. However, she did not refute and only smiled.

Chapter 3879: wen yuan, this is the duty of a husband and wife 1

The servant carried little ye Hui for a while and carefully placed her on the small bed. He then took out a box and handed it to Wen Yuan, ” “This was sent from B city. It’s been a few days.”

Wen Yuan was quite surprised. B city?

The people in B city had already given her a gift, how could there be more?

she thought that it might be from her mother, so she opened it.

inside was a box of eastern pearls, each of which was very big. even though they were single pearls, the box was very expensive, and it took a lot of effort to collect such a box. there was also a card in the box that was signed by kang qiao.

wen yuan was both surprised and unsurprised.

...

She picked up one of the beads and looked at it for a while. Then, she looked at the card.

At this moment, ye mu Bai walked out. "Wen Yuan, Qianqian who misses the South."

the question he wanted to ask was stuck in his throat. he looked at the thing in her hand and the words on the card.

he saw it.

The atmosphere was a little subtle. After all, all the unhappiness that happened between them before was caused by Kang Qiao's appearance. This time, Kang Qiao didn't come, but sent a box of "the Pearl of the palm", which had a deep meaning.

Hearing his voice, Wen Yuan closed the box and turned his head. what's the matter? "

ye mu bai's gaze was still fixed on her hand. he paused for a moment before he smiled faintly. "do you know where the little doll that xiang nan carried to sleep is? "

She was the one who packed the luggage, so he came to ask her because he couldn't find it. He didn't expect to see this.

It wasn't that he didn't feel anything, he also noticed the subtle changes in her.

After so many things, was her heart still as calm as water towards Kang Qiao?

He wasn't sure, but he knew that if he stopped her from seeing Kang Qiao, they would be finished. So, he endured the discomfort and pretended that nothing had happened.

wen yuan slowly placed the card into the box and handed it to the servant. "Help me put it away."

Then, she went to look for Xiang Nan's little doll with ye mu Bai following behind her.

The two children were asleep, so they were walking quietly, but this silence made the atmosphere more subtle.

Wen Yuan was looking for her in the luggage. She squatted down and searched for a long time but could not find her. She looked up and wanted to ask him, but ye mu Bai had already reached out and pulled her up. Then, he pressed her against the wall.

"ye mu bai," She didn't forget that Xiang Nan was sleeping. She asked him softly, "what's wrong?"

His eyes were burning, as if they were about to spew fire, as if they were filled with hatred, but also as if they contained a lot of dissatisfaction.

In the end, he didn't say anything and just leaned over to kiss her.

She thought it would be wild and rough, but he restrained himself and only kissed her for a minute before letting her go.

"I'm going out for a smoke." his voice was hoarse.

Before Wen Yuan could come back to his senses, he had already walked out. She was not a particularly careless person, so she immediately knew why he did that. It must be because of the box of beads that Kang Qiao gave her.

She understood that he was angry, but she didn't chase after him to explain. If she did, it would be too degrading.

after she came back to her senses, she continued to look for xiang nan's little doll. after a few minutes, she finally found it. she took it out and gently placed it beside xiang nan's pillow. just as she was about to pack the rest of her luggage, ye mu bai had already returned and pushed her to the side."Go and rest, I'll clean up."

they all had the same habit of not letting servants handle some of the things in the bedroom.

Chapter 3880: wen yuan, this is the duty of a husband and wife 2

wen yuan looked at him, who was obviously angry but was trying to suppress it. he smiled faintly and went back to the bedroom to rest.

It had only been a month since she gave birth and she had not fully recovered. She took a short nap and realized that the sky was already dark when she woke up. She felt a little uncomfortable and simply went to take a shower. When she came back, she woke up thinking of night food and wanted to eat it. Wen Yuan carried her and laid her on her side on the bed to feed her.

as little ye hui was eating, wen yuan was still a little sleepy so she closed her eyes.

At this time, she only had a bathrobe on her, and she had washed it clean. She looked very relaxed and warm-ye mu Bai had seen her like this when he came in.

wen yuan seemed to have fallen asleep. only little ye hui was there, trying her best to eat and eat. yingying had probably finished one side of the food and could not reach the other side. little ye hui's face was red and she was about to cry ...

A gentleness appeared on ye mu Bai's face. He went over, picked up the little fellow, and stuffed him to the other side.

...

At first glance, ye Hui was just a greedy baby.

These days, he and Wen Yuan had been very busy, but little ye Hui had never missed a meal. When she was hungry, she would make a fuss in a low voice, so she had been raised to be fair and chubby, very likable.

ye mu bai seemed to like it. he kissed the little fellow and then looked at the little fellow's mother with a deep gaze.

The child's mother was even more likable!

His gaze seemed to be on fire. Perhaps it was because his gaze was too hot, Wen Yuan woke up.

"Why did you fall asleep?" ye mu Bai's voice was soft.

he reached out and gently ruffled her hair, then walked out gentlemanly.

wen yuan lowered his head and looked at his messy appearance. he bit his lower lip. she had clearly seen yu wang in his eyes just now.

Ye mu Bai walked out and let out a deep breath. He had a hard time suppressing what he had just seen.

He went to the study and smoked a few cigarettes before returning. Wen Yuan had already finished feeding ye Hui and had changed into a set of home clothes.

"it's time for dinner. xiang nan has already eaten. he wants to watch tv for a while." he said in a low and hoarse voice.

"alright," wen yuan nodded.

she looked at ye hui again and went out for dinner with him. tonight was especially sumptuous and they had not had a meal at home in a long time. it was very quiet and gentle.

After the meal, Wen Yuan did a set of exercises, accompanied Xiang Nan for a while, and then took care of ye Hui. It was already ten O 'clock.

she stretched herself, feeling a little tired.

Actually, taking care of two children was still tiring for a woman who had just given birth. She took a shower and prepared to sleep. She thought about it and left a night light on for him.

When ye mu Bai came back, he saw Wen Yuan sleeping quietly. She was asleep and was not alert at all. He took off his coat and threw it on the sofa before he went to the bathroom.

five minutes later, he came back and stood by the bed. he seemed to be hesitating, but in the end, he pressed her down.

Wen Yuan woke up and looked at his husband in the dim light.

it was almost late at night, so he no longer needed to suppress his desire and let it all out in this kiss.

wen yuan was a little dizzy from his kiss and his consciousness was a little blurry. after a long time, he ended the kiss and started to gnaw on her neck. she snapped back to her senses and pushed him away.

ye mu bai was a little startled, and then he said unhappily, " "Wen Yuan, we're husband and wife!"

He pressed his finger on her lips."you won't let me touch you?"

Wen Yuan turned his face to the side. after giving birth, it will take at least 42 days before we can sleep together. I have only given birth for a month.
