Chapter 3891: wen yuan, do you feel sorry for me (4)

Xu Mo let Kang Qiao play the accompaniment and watched his beloved woman being held in his man's arms. He was telling Wen Yuan that Xu Mo liked Kang Qiao and that Wen Yuan couldn't have any ambiguous relationship with Kang Qiao anymore. Wen Yuan was very concerned about Xu Mo. Sometimes, ye mu Bai even thought that he was better than him. That was why Xu Mo dared to be so arrogant in the company. Of course, she was also very capable.

she worked very hard. there were many times when she drank so much that she almost vomited her bile. the next day, she went to work as usual or was still sharp at the negotiation table.

Her willfulness was also because of her. No one in Starlight could replace Xu Mo, and she was very clear about this. That was why she dared to provoke him, the boss, again and again. Except for Wen Yuan, who could not be touched, she was cutting his flesh at all times.

Ye mu Bai didn't care about all this. He even thought that Xu Mo's arrangement was quite good. The scene was beautiful, especially after he knew that Wen Yuan was going to meet Kang Qiao.

He didn't object to it because they still had to live on. It was just like how Kang Qiao would send gifts every Christmas. Hers, ye Hui's, and also those that wanted to go south.

Since Wen Yuan had already accepted it, he would see it too. Moreover, he noticed that Kang Qiao had given Wen Yuan the most precious gift. The two children were Simply Gifts that came along with it. Later on, ye Mubai also started to give her gifts. All kinds of expensive jewelry, bags, and clothes were casually stuffed into Wen Yuan's dressing room. There were a lot of them, but he did not see her use them.

...

As for Kang Qiao's things, she kept them in a cabinet. She didn't use them, but she would take them out to look at them from time to time.

Ye Mubai had never dared to ask Wen Yuan if she had feelings for Kang Qiao. He did not ask because he could not bear the consequences. He did not want to break the balance. If he did not

break it, she would always be his wife. Even if they were not close now, his marriage would not be successful.

however, he didn't want a divorce. he had never thought about it.

He did not know what Wen Yuan was thinking, but he did not allow her to think too much. The two children were the best rope to trap her, and he used it well.

Wen Yuan was surprised by ye mu Bai's words. She looked at him and slowly said, "Xu Mo likes Kang Qiao?"

He gave a faint smile and said casually, "what? you didn't know? i thought you and xu mo were on good terms. did she hide it from you?"

"Are you trying to drive a wedge between me and Xu Mo?" Wen Yuan looked at him.

"Is it that obvious?" ye mu bai was still not angry, and then he slowly said, "Do you think she invited Kang Qiao to help you? she did it for herself!"

After he finished speaking, he reached out and pinched her face. "don't forget to bring a gift when you visit them in the afternoon. otherwise, it'll be very rude."

"i'm free in the afternoon," he said after a pause. "do you want me to accompany you?"

She was still shocked by what he said about Xu Mo, and it took her a long time to reply, "it's better not to."

He didn't force her,"alright, I'll be home early tonight!" let's have dinner together as a way to keep our son company."

He spoke very gently, completely unlike the way he had plundered her in bed last night. Hence, Wen Yuan was a little dazed for a moment. Ye mu Bai patted her hand and said, " alright, I'm going to work. You can send me a WeChat message on what the teacher said at school.

After Wen Yuan agreed, he got up and left in the Mulsanne that he often drove.

As soon as he left, Mrs. Lin, who was working for him, came over.

Chapter 3892: men are like dogs, you have to tie them up (1)

Mrs. Lin was the one who cared about her and her husband the most in the family. She said in a low voice, ” ” wifey, you can’t do this. if a man is free, you have to let him accompany you. if you don’t let him accompany you, he can accompany the little vixen when he is free. ”

“Where did this Little Vixen come from?” Wen Yuan laughed.

“and, aunt lin, you’re eavesdropping on us again.”

Aunt Lin touched her head in embarrassment. it’s because Sir and Madam are good-looking, just like in an idol drama. No, no, no, Sir and Madam are even better-looking than the male and female leads in an idol drama. Sir has been getting along very well, and I heard that he was the best Actor in the past. Now that he’s rich, there are so many young girls who don’t want to throw themselves at him. Madam, you have to keep a close eye on men. They’re actually like dogs.

Aunt Lin got even more excited as she spoke.”men are like dogs. you have to tie them up with a rope. if they run around, they’ll be locked up at home. if you let them out, they’ll leave marks on their urine. If necessary, you have to pick it up on your belt, or hang a dog tag around your neck to declare your sovereignty!”

wen yuan gasped in amazement. aunt lin’s ‘men are like dogs’ and her ‘women’ theory was probably because she had heard too much of this woman’s poisonous chicken soup. she looked at aunt lin and asked, ” do female dogs stop peeing when they’re out? ”

...

Aunt Lin’s old face was stunned, and then she said embarrassedly,”That’s a physiological need!”

Wen Yuan looked at the time. I have to prepare for the parent-teacher conference. he said.

Aunt Lin immediately said, "yes, yes, yes. You can't forget that. Madam, I've told you to go. You can go. Don't let Sir go. I think the female teachers in Nan are very young. They'll probably have to force him to go when they see him."

"peeing in the corner?" wen yuan rolled his eyes. "no one can snatch your man away from you!" aunt lin, you're not allowed to say such things in the future."

Aunt Lin watched as Wen Yuan went upstairs. She twisted the corner of her clothes, feeling a little wronged. Madam, you clearly knew that miss Nan's teacher was seducing Sir, but when you came to our house, you almost carried him.

moreover, wasn't once a year enough for home visits? later on, it was exaggerated once a month, and it was as frequent as women's periods. the madam was so patient. these women's conscience must have been eaten by dogs. they wanted to snatch someone else's husband, and they did it so brazenly. if it were her, she would have beaten them up a long time ago. let's see if they still had any shame!

Wen Yuan had already reached the second floor. He leaned over and said, "didn't they come a few times and then stop?"

Aunt Lin looked at her and said in a low voice after a while, "Madam, you're actually a really good woman."

Everyone in the family could tell that Sir cared a lot about Madam, but Madam had always been indifferent to Sir. Sir was so good-looking and rich, so why didn't Madam pounce on him?

wen yuan went to change his clothes. it was a rare occasion for her to make a grand appearance as it was xiangnan's parent-teacher conference. she wore the latest chanel black pants, a beaded chain around her neck, and her long black curly hair was tied up. she put on some makeup, changed into high heels, and picked out a handbag. she was almost there, so she took a set of antique porcelain cups bought from United Kingdom with her, preparing to give them to kang qiao's mother later.

When she went downstairs, aunt Lin's eyes lit up."madam, you're so pretty."

according to her, madam was usually too plain. which madam wasn't covered in jewels and pearls every day? it was their madam who didn't wear any clothes every day. at home, she was either tending to the flowers or doing family affairs.

Chapter 3893: Men are like dogs, you have to tie them up (2)

at such a young age, she was living like a retired old man. if she didn't accompany sir to socialize, she wasn't afraid that sir would have a change of heart!

There were a lot of things about Sir in the newspapers outside, but Madam was not worried at all.

now that she had seen wen yuan's enlightenment, aunt lin was very happy for her. wen yuan smiled faintly. " however, i can't make xiangnan unhappy. "

Her clothes were not cheap, but she was as elegant as a Camellia.

she drove there by herself. the car was also chosen by ye mu bai for her. it had better performance and had a higher safety factor. it was not particularly expensive. it was only a car that cost more than two million yuan. wen yuan was not a particularly ostentatious person.

She drove to xiangnan school for the parent-teacher meeting. Xiangnan was very happy. After all, Wen Yuan was the best mother in xiangnan's heart. However, to Wen Yuan, this kind of meeting was quite boring. The whole time, the teachers were hinting at giving gifts or asking which parents had more power. Wen Yuan felt that ye Mubai should attend such an event as he was much better at handling it than her.

...

Fortunately, she managed to get away after an hour and a half. Xiang Nan waved her little hand and said goodbye.

ye xiangnan was very satisfied today. for a boy, being prettier than his mother was the most meaningful thing, because they didn't have a wife yet!

Wen Yuan went over to kiss him again before he walked to the parking lot and drove away.

Kang Qiao's mother asked her out for lunch, and she cooked for them herself. Wen Yuan couldn't reject her, and he didn't want to reject her either. She hadn't seen her teacher for a long time.

she got into the car and had just fastened her seat belt when she received a wechat message from ye mu bai, asking her about the parent-teacher conference.

wen yuan looked at the time. it was 11:30. was his meeting over?

she chose her words carefully and sent a message over: [it's still on. it'll probably take a while before it ends!]

Ye mu Bai replied very quickly, [come to the company after you're done. Let's have dinner together. I'll send you over later.]

This was a very controlling message. She did not know if it was because his business had grown in recent years, but he was different from before. Although he treated her very well, he was not easy to talk to. Otherwise, Wen Yuan would not have stayed at home all the time.

Of course, Wen Yuan would not allow him to send him off, so he slowly replied, " [i'm meeting shirley.]

on the other side, there was no movement for a long time. hence, wen yuan added another message, [didn't you say that we would have dinner together tonight?] I'll ask aunt Lin to make you anything you want to eat."

Ye mu Bai sat on the sofa and his gaze fell on his phone. His expression was a little profound.

bai sulli, who was opposite him, said,"old bai, why did you call me over?"

Ye mu Bai raised his head and looked at her. After a long time, he finally said, " "Eat!"

“i thought something happened to you and wen yuan.” bai sulli patted herself and said, “you scared me!” Why don’t we call Wen Yuan over?”

“No need, just the two of us. She might not be free.” ye mubai said expressionlessly and then wrote [okay!] on his phone.

then, he put away his phone and stood up. ” “aren’t we going to eat? let’s go!” he said.

Bai suili followed behind him. old Bai, you look so weird. Is there really no problem between you and Wen Yuan? ”

He paused.

bai suili accidentally bumped into his nose. he looked at her. ” we came here three times last night. ”

Ye Mulin’s rice weevil’s face turned red and he almost stomped his feet. ” what do you mean by three or two times? old bai, you’re really shameless now. ”

“aren’t you concerned about my relationship with wen yuan?” he glanced at her.

Chapter 3894: she had lied to him (1)

how could bai suili still dare to care?

she pursed her lips and followed him. ” “i won’t ask.”

After a while, she couldn’t help but ask, ” “I heard that Kang Qiao is back. Old Bai, are you really okay?”

after that, she saw that the expression on old white’s face was very interesting. it was obvious that he cared, but he had to pretend that he didn’t care. men were all stubborn!

when ye mu bai got into the car, he suddenly asked bai suili, ” “do you love my big brother?”

“Of course I do!” Bai Sulli pouted. although sometimes I’m very angry. I wish he could explode on the spot.

...

ye mu bai only smiled faintly and started the car. bai suili asked, ” are you suspecting that Wen Yuan doesn’t love you? Wen Yuan used to be much more passionate than me.

while driving, ye mu bai said calmly, ” “Xue Li, you also said that it was in the past, but now it’s different.”

Bai suili looked at his side profile seriously and sighed, old Bai, you look like a young man who has just fallen out of love. We’re already an old couple. What can’t you solve in bed? if one time doesn’t work, then two times. If two times doesn’t work, then four times.

“Once a night, and she never said she loved me again.” He answered.

bai suili looked at him and swallowed her saliva. did old bai accidentally lose his mind and reveal their privacy to her?

Five times! Wanwan was very loving. At least, it was not a problem on Lao Bai’s side. The frequency of things between husband and wife in bed was mostly decided by the man. If the man was not interested, it would be useless.

She didn’t know what to say, so she didn’t make a sound and quietly accompanied old white.

After a while, ye mu Bai muttered, ” Xue Li, although I don’t want to admit it, I can’t lie to myself. She doesn’t love me anymore.

bai suili said in a low voice, ” wen yuan is more reserved. he won’t talk about love like i do. you guys are doing well. ”

“alright?” “She’s the one who’s been putting up with me!” He laughed bitterly.

Bai suili did not know how to comfort him anymore. Old Bai was too much. He was already so old, yet he still wanted to be in love. His wife was his and he was the one who hugged Wen Yuan every night. What else could he not be satisfied with?

In her limited brain, she didn't think that it was because of the deep love that she couldn't have, so she was unwilling and sad.

she accompanied ye mu bai for a nervous lunch. after that, she took his car back to his company and then took a taxi home. she was afraid that he would get distracted while driving and get into an accident.

sitting in the taxi, bai suili thought for a while and called wen yuan.

Wen Yuan was surprised to receive a call from Bai suili. "xue li?"

Wen Yuan, have you been having any problems with Lao Bai recently? " Bai Xiuli asked.

wen yuan was at kang qiao's mother's house, and kang qiao was there too. it was not convenient for her to speak, so she walked to the balcony and asked, " what's wrong? why are you asking this?"

Bai suili said slowly, " I was eating with old Bai just now. He was acting weird. Did Wen Yuan update early? " that's why you're so sentimental?"

"You're having dinner with him?" Wen Yuan was stunned.

"Yup! He called me early in the morning, and I thought it was something big. Who knew that he was the one who was sick?" Bai Xiuli complained, " I'm giving him some supplements. What if he's weak? your old Bai said that he does it five times a night. He's almost 40 years old, so he should take it easy.

Chapter 3895: She lied to him 2

Wen Yuan did not know whether to laugh or cry, but his heart still sank.

Xue Li was with him, but he didn't tell her.

after hanging up the phone, wen yuan stared at his phone for a long time, not knowing if he should make a call to explain himself. while he was hesitating, kang qiao, who was leaning on the side, said, " "what's wrong?"

Wen Yuan put away his phone. it's nothing. It's a call from Shirley.

"but it's related to ye mu bai, right?" "He can't be so strict about the time of a meal, right?" Kang Qiao smiled faintly.

no, " Wen Yuan shook his head. he knows that I'm here.

...

"But he doesn't know I'm here." Kang Qiao's eyes were burning. Wen Yuan, do you still want to continue living like this? living in that huge golden cage, being loved, being envied by countless women, but are you happy? Have you ever asked yourself if you still love the man beside you? have you been perfunctory with him? do you live with him because you love him or because you miss nan and ye hui?"

wen yuan's hand was on his phone. she lowered her eyes and then looked up."Kang Qiao, what I want to tell you is that ye mu Bai is not the only one who doesn't know you're here. I don't know either. There's no past between us. I have my own feelings about whether my life with ye mu Bai is good or bad. Please don't interfere with my life, okay?"

to wen yuan, kang qiao was a beautiful memory. she did not want him to get between her and ye mu bai. no matter how boring this marriage was, she had no intention of getting a divorce or developing an extramarital affair. the last thing she wanted was to get kang qiao involved. therefore, even though her words were unpleasant, she still wanted to make it clear to him.

She didn't want Kang Qiao to become the second Wen Yuan. Following in someone else's footsteps wouldn't make one happy.

She said to Kang Qiao.

Kang Qiao frowned, " Wen Yuan, I only thought that Hanhan ...

"don't you think! kang qiao, i'll say it again, the relationship between me and him has nothing to do with you. whether it's good or bad, it's not because of you." It was the first time she had spoken to him so harshly, probably because she felt that his appearance today was not simple.

He knew that she was coming, so he came here. She knew that Kang Qiao didn't live with her teacher.

The teacher liked to live in this kind of old neighborhood, which was lively. Kang Qiao lived in a big luxury apartment in the city. His arrival made Wen Yuan Xuxu feel a little uncomfortable. She didn't like to be stuck between two relationships, so she told him directly.

after wen yuan finished speaking, kang qiao just smiled. " i just wanted to tell you that i have a girlfriend. "

wen yuan was a little stunned and then felt a little uncomfortable. she seemed to have blamed him wrongly in a moment of desperation.

Kang Qiao looked at her and saw that she was as beautiful as ever. She had always been beautiful, gentle, and elegant.

She was very beautiful today. He heard that she went to the parent-teacher meeting, but he was still amazed.

He looked down at her and whispered, " "it's xu mo, don't you know him?"

wen yuan recalled what ye mubai had said this morning. he said that xu mo liked kang qiao ... so it was true?

she didn't know what to do. she flipped her hair and said, " i don't know. kang qiao, i'm sorry. i misunderstood you. you might just be doing this for my own good. "

She looked up and smiled at him.

He knew very well that she was panicking because she was afraid that ye mu Bai would misunderstand that she still had that man in her heart and that she merely thought that she no longer loved Wanwan.

Ye mu Bai was the same. He should not have doubted Wen Yuan's love.

Even if she didn't make it obvious!

Chapter 3896: She lied to him (3)

They were feeling a little uncomfortable, but Mrs. Kang came over to call them for dinner, which eased their discomfort.

Wen Yuan smiled and walked over to talk to the teacher while helping to set the table.

mrs. kang was smiling as she spoke to wen yuan, but she was sighing in her heart-

she knew her son's thoughts very well. he hadn't let it go. she could tell that her son liked wen yuan before, but wen yuan's family background was very good, while the kang family was just a well-off family.

Kang Qiao was a child with a strong self-esteem. He had never said that he wanted to go abroad and find Wen Yuan after he became famous. However, love waited for no one. There were many people who liked a girl like Wen Yuan.

However, Wen Yuan did not choose from those who liked her. Instead, he fell into ye mu Bai's trap. At that time, she came to play the piano and Kang Qiao came back from abroad. Wen Yuan talked to her about ye mu Bai's movies, his looks, and his Kasaya. At that time, she knew that her son was destined to break up with her.

...

wen yuan was a girl with a mind of his own. she had gone through a lot and finally married ye mu bai. many years had passed, but her son had not given up and was still single.

As a mother, how could she not see through his thoughts?

this time, it was better to give up. mrs. kang liked wen yuan and wanted her to be her daughter-in-law, but it wasn't fate!

mrs. kang sighed in her heart as she called kang yuan over for dinner. it was supposed to be a reunion dinner after a long time, but it was full of different flavors.

after the meal, wen yuan took the initiative to wash the dishes. he chatted with the teacher and then had some tea. she only left at about three o'clock in the afternoon.

kang qiao sent her off. the two of them walked out of the alley without saying a word until they reached wen yuan's car.

before wen yuan got into the car, he turned around and looked at kang qiao. he hesitated for a moment before saying, "Xu Mo is a good girl, you should treat her well."

"What about me? what do you think of me?" Kang Qiao suddenly asked.

Wen Yuan was stunned for a moment before he smiled faintly. "You're good too."

"I'm fine. Why didn't you like me then?" this was the first time he had asked this question.

wen yuan was dumbfounded again and could not answer him for a long time. after a long time, she thought about it. "i was still young then, and i would be mesmerized by many things on the outside."

"and now?" kang qiao didn't seem to want to let her go. he laughed lightly, "Ye mu Bai's appearance hasn't changed at all after so many years."

not only was there no difference, it was even better! how many girls had pounced on him?

wen yuan did not answer his question. he sighed and said, ” “i’m leaving. take good care of teacher.”

kang qiao lowered his voice. ” wen yuan, i don’t ask for anything else. i just hope that you can be yourself again. i hope that you can be truly happy. ”

“I will.” She smiled and started the car.

kang qiao watched her leave. when her car was far away, he took out a cigarette and slowly smoked.

sometimes, cigarettes were a good thing.

Wen Yuan was driving and looking at the back from the rearview mirror. Then, she picked up her phone and looked at it.

there were no missed calls or wechat messages.

she put down her phone, turned the car around, and drove toward the building of starlight film and television.

When she arrived at Starlight, the front desk lady did not recognize her. This was also the reason why Wen Yuan rarely appeared in public. Fortunately, she was dressed very formally today, so the front desk lady did not dare to neglect her and asked who she was visiting.

Chapter 3897: she lied to him iv

” i’m president ye’s wife. is it convenient for me to go up now? ” Wen Yuan asked softly.

The lady at the front desk was taking down notes when her hands trembled. She looked up slowly and sized Wen Yuan up. Then, she opened her mouth wide and could not even keep her words together. yes, he’s here. I’ll send you to the elevator.

“I’ll go up directly,” Wen Yuan smiled.

She carried her handbag and walked towards ye mu Bai’s private elevator. The two front desk ladies looked at her back and whispered, ” this is what a real wife should look like. President ye’s wife is so elegant and beautiful.

“Of course, I heard that she’s a lady from a big family and has a good life. She’s different from us grassroots.” The other one said sourly, and then added, ” “It’s all fate, I have no choice!”

*

...

wen yuan walked into the elevator and went straight to the top floor.

When she walked out of the elevator, she saw a petite and slender girl with straight black hair and an exquisite face. She passed by Wen Yuan.

wen yuan stopped in his tracks and turned around to look at the girl’s back. she actually felt that the girl looked like lin sisi. her heart ached and she could not describe the feeling.

This girl had walked out of ye mu Bai’s office. Did ye mu Bai keep a photo by his side to look at it from time to time? or did he have other uses for it?

Wen Yuan had wanted to explain but he felt that there was no need to do so. He was about to leave when he saw the door of the office open. Then, there was the sound of Xu Mo and ye mu Bai quarreling. It was quite a heated argument ...

this was not the first time wen yuan had seen such a scene, so he was not surprised.

however, they had seen her, so she couldn’t leave.

Xu Mo originally wanted to fight for it, but since President ye’s wife was here, she couldn’t continue, so she walked over and said in a low voice, ” “wen yuan, your pet is a t-rex,”

However, ye mu Bai had always been very gentle to Wen Yuan, just like how he was in the past.

Wen Yuan's voice was bitter. Xu Mo did not know that he was even worse in private, especially in bed. The phrase 'gentle blade' was used to describe a man like ye mu Bai. He was not only gentle to her, but he also had many means to make her unable to reject him and obediently stay in the net he had woven for her.

these were all the dark sides of ye mu bai that wen yuan could not reveal to anyone.

besides, she could not and did not want to tell anyone about their marriage. wen yuan always kept a distance from others.

Xu Mo left in his high heels, in a hurry.

As Wen Yuan was walking towards them, Secretary he came over and whispered, " " a newbie messed up the show just now. president ye is so angry that he wants the newbie to clean up. "

"is her acting really that bad?" wen yuan looked at secretary he.

Secretary he laughed. the young lady is precious. In a scene where they're throwing out garbage, she's playing the role of a poor family's daughter. It's too ridiculous. It's on the hot search today. President ye is so angry that he wants to change her.

wen yuan looked at secretary he and thought for a long time before he coughed and said, " "Your President ye, didn't you look at her face carefully?"

"Face?" "Oh," Secretary he replied,"it's fine if you didn't say anything. That face was plastic surgery."

wen yuan was speechless.

secretary he continued, " manager xu and president ye quarreled because she was the one who brought her out. she was fine before, but i don't know what went wrong last month. she had to get plastic surgery and had a knife face. now, yingluo is completely destroyed. do you think the audience is going to watch a show or watch sichuan change their faces? "

Chapter 3898: she had lied to him (5)

wen yuan was speechless after hearing what secretary he had to say. ” are you trying to be evil? ”

“No, I didn’t.” Secretary he lowered his voice and said, ’I just can’t stand these young ladies who are up to no good! He’s gone crazy trying to get a position, he had a great future, but now he’s making himself a second-grade product.”

Secretary he was a smart person. Wen Yuan must have been looking at that young lady’s face when he asked about her. They knew very well who she had done the plastic surgery on. Hence, she tried to help President ye clear his name.

Wen Yuan glanced at Secretary he again and realized that he could tell as well.

secretary he said softly, ” madam, i’ll go back to the office first. president ye is in a bad mood. he’s very angry. you should be careful too. ”

As soon as she said that, ye mu Bai’s voice was heard. Secretary he, have you finished the documents I asked you to do? ”

...

secretary he made a bitter face and quickly left.

Wen Yuan looked at her back before he slowly walked into ye mu Bai’s office and closed the door.

He was sitting on the sofa in front of the floor-to-ceiling window, wearing a classic black and white suit shirt with his coat casually hanging on the back of the sofa. At this time, he was holding a document in his hand as if he was reading it, but it was more like he had not seen Wen Yuan.

from the moment she appeared until now, she had been treated as invisible.

Wen Yuan leaned against the door and looked at him. “Ye mu Bai,”

he was still looking down at his documents. ” have you finished looking at the teacher? ”

as he spoke, he gestured for her to sit down with his eyes.”if you’re here, wait for me to get off work together. i still have work to do.”

wen yuan was still standing there without moving or making a sound. ye mu bai finally looked at her.

“why are you standing there?” he frowned.

“you already know, don’t you?” wen yuan looked at her and spoke quietly.

ye mu bai put down the documents in his hand, and his eyes were a little indifferent. ” “know what? Did he know that you met Kang Qiao instead of Bai Sulli today?”

wen yuan walked towards him and stood in front of him. ” “i can explain. i didn’t know yingluo before.”

“but you lied to me.” his voice was a little cold as he looked up at her. ” you clearly know what i mind the most! ”

Wen Yuan’s lips trembled slightly and he was a little angry. you didn’t tell me that you have a plastic surgeon, Lin sisi, in your company! he said.

he sat still and stared at her with an unfathomable gaze. after a long time, he smiled gently and said, ” is that so? you noticed something that i didn’t even notice after coming here for a while. wen yuan, i didn’t think you didn’t care! ”

his words were full of mockery.

” ye mulin, don’t change the concept. i want to talk to you about yingluo, ” she said angrily.

“tan kangqiao?” he asked indifferently, still sitting.

wen yuan was stunned.

“I’m not interested in talking about this,” ye mu Bai’s tone turned even colder.

“Ye mu Bai, I just happened to run into you.” Wen Yuan looked at him.

“you just happened to lie to me again?” he sneered.

She felt that he was being unreasonable, so she bent down to pick up a pillow and threw it at his face. After that, she wanted to run away.

however, ye mu bai stretched out his hand and grabbed her wrist. his voice was low and hoarse.”you’re making a scene because you’ve done something wrong?”

Wen Yuan tried to break free, but not only did he fail to do so, he was pulled over and sat on his lap.

she was shocked for a moment, and then she instinctively resisted. ” ye mu bai! ”

he held her slender waist with one hand and stared at her from top to bottom.

Chapter 3899: wen yuan, you are my wife (1)

wen yuan was uneasy because of the intimacy. he called out to him again, this time with a trembling voice.

finally, ye mu bai opened his mouth. ” you’re dressed so beautifully today. is it because you’re meeting kang qiao? ”

wen yuan could not take it anymore. ” you know that it’s xiangnan’s parent-teacher conference today! ”

Ye mu Bai’s slender fingers gently caressed her face, and his gaze was probing. After a long time, she said in a low and hoarse voice, ” I’ve never seen you do this in the past.

wen yuan could not stand him like this. he slapped his hand away and said angrily, ” “Ye mu Bai, don’t pick on me.”

“Don’t you know whether I’m picking on you or not?” he grabbed her chin forcefully, and with a little force, she was pressed down on the sofa. his solid body was on top of hers, and he was still holding her sharp chin, his dark eyes locked on her.

...

wen yuan’s heart was beating rapidly. she turned her face away in embarrassment and bit her lip. ” ye mu bai, what are you trying to do? ”

ye mu bai’s eyes darkened. ” what do you think? ”

After he finished speaking, he kissed her lips angrily. He said that kissing was not a punishment, but he was almost biting her lips.

wen yuan could not stand his behavior. he clenched his fist and punched him hard on the back. however, this little strength was nothing to him. he took her hand off and pressed it against the sofa like a nail.

She looked at him in shock and moved her body.”Ye mu Bai, what do you want to do?”

He lowered his body, his dark eyes flashing with a sense of invasion, and his voice was even more pronounced, ” “what do you think?”

Wen Yuan looked at him in disbelief.

He had already kissed her lips again. After kissing Huahua for a while, Wen Yuan’s lips were swollen.

Wen Yuan resisted with all his might and tried to break free from him, but he could not. Ye mu Bai could be described as a beast in human clothing.

Just as he was kissing her passionately, the door opened. Secretary he was walking in front, followed by two senior executives. They had made an appointment to meet with President ye's team, but when the door opened, President ye was holding Mrs. Ye down and doing evil things.

Secretary he could not say anything. He looked at his superior in a daze and stammered, "President ye, please."

ye mu bai's body stiffened for a moment before he stopped moving. he leaned his face against wen yuan's neck and growled, "get out."

secretary he stuck out his tongue and looked at the two men beside him. he then gave them a hint with his eyes.

the three of them immediately got out of the room. the other two did not understand. secretary he whispered, "President ye is angry!"

the two high school students looked at each other and smiled ambiguously. president ye's way of getting angry was really unique.

Inside the office, the luxurious and introverted decorations highlighted the extraordinary quality. However, at this time, a man and a woman were entangled on the sofa. Wen Yuan's voice was hoarse. ye mu Bai, do you want to rape me in such a place? "

"rape?" Ye mu Bai's hand caressed her face. Wen Yuan, you're my wife. Remember, only I can do this to you.

perhaps it was because he was depressed and angry, he lost his mind and forced himself on her on the sofa. he took possession of her while wen yuan screamed and cried.

with the intimate sounds, the sky outside the floor-to-ceiling window was filled with twilight.

Finally, in the darkness of the room, everything came to an end.

Wen Yuan's hands and feet were weak. She turned her face to the side and said hoarsely, "are you done? if you're not, I don't have the strength to keep you company."

Chapter 3900: Wen Yuan, you are my wife 2

ye mu bai leaned against her neck and bit her soft ear gently. the strength he used made the woman want to scream.

he pressed his ear against hers to observe her expression and laughed coldly.”wen yuan, what’s the point of us making love to you? to deal with or what?”

He held her and said in a low voice, ” “Don’t tell me you don’t like it when I do this to you. Do you have to pretend that I forced you every time, huh?”

Wen Yuan’s eyes were closed and he had not yet recovered. Under his coercion, his voice was broken. what do you want to hear? are you saying that i’m dealing with you?”

ye mu bai bit her neck again. it was very painful. wen yuan cried out in pain. his black hair was scattered and it touched his delicate face, making him look extravagant. the clothes on his body had been torn apart by him and could no longer be worn. only his stockings were hanging on the side. wen yuan looked very sexy and had a tyrannical beauty. he was completely different from his usual self.

Her heart was still beating rapidly, as if she had not recovered from the scene just now.

...

After he bit her, he stared into her eyes and asked, ” Wen Yuan, does it hurt? you can’t even cry out in pain, can you?”

he bit her several times in a row, and she cried out, ” stop it. ye mu bai is in great pain. ”

He continued to lock her little face and then leaned on her neck. you can feel pain too, Wen Yuan. I thought you’ve become numb to it after all these years!

after he finished speaking, he leaned against her neck and panted. every breath was suppressed.

Wen Yuan laid there without moving. She did not know what he was going to do to her next. The office was quiet and the lights of the tall buildings around the window were turned on.

After an unknown period of time, Wen Yuan felt a little cold. She gently pushed him away.”i’m not feeling well. i want to take a shower.”

instead, he pressed her down even more forcefully, not letting her move.

after about five minutes, he let go of her and slowly sat up.

her body was in a mess, while he tidied himself up with a slight adjustment. in comparison, wen yuan looked even worse.

After a long time, she finally got up and took his coat to put on. do you have any clothes here? ”

“It’s only mine,” Ye Mubai lit a cigarette and looked at her. To be honest, he really wanted to tease her when she was wearing his coat and thin silk stockings.

However, he still restrained himself and coldly said, ” “see if you can wear it.”

she didn’t say anything and walked into his lounge barefooted. ye mu bai picked up her dress and the beaded necklace that he had torn with one hand while holding a cigarette with the other. after looking at it for a long time, he got up and found a bag to put it away. he wanted to see how she would deal with it. he wouldn’t leave these in the company and let others see them as a joke.

Wen Yuan was still taking a shower. He walked to the floor-to-ceiling window patiently, looked outside, and smoked.

In the office, there was a unique atmosphere of a man and a woman having a good time, which was quite attractive.

Ye mu Bai’s eyes were very fierce ...

For the past two years, he and Wen Yuan had been living a stable life as a married couple. However, they had been abiding by the rules most of the time. He had never lost control like tonight. As a man, he actually enjoyed it very much. However, it might not be good for Wen Yuan.

he remembered that she kept crying out in pain when he was being rough, but he didn't let her go either. on one hand, he was enjoying it, and on the other hand, he was really angry.

She had come here today to explain and apologize. Was letting him do this considered pleasing him?

She, Wen Yuan, did not usually have such an easy-going Qianqian.
